Collateral pursuant to Section 2.05(j); and in any event with respect to the Borrowers described in clause (h) or (i) above, the Commitments shall automatically terminate and the principal of the Loans then outstanding, together with accrued interest thereon and any unpaid accrued Fees and all other liabilities of the Borrower accrued hereunder and under any other Loan Document, shall automatically become due and payable and the Administrative Agent shall be deemed to have made a demand for Cash Collateral to the full extent permitted under Section 2.05(j), without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by the Borrowers, anything contained herein or in any other Loan Document to the contrary notwithstanding. In the case of an Event of Default under clause (d) above arising with respect to a failure to comply with the Financial Covenant, unless the conditions of the first proviso contained in clause (d) above have been satisfied, and at any time thereafter during the continuance of such event, subject to Section 7.03, the Administrative Agent, at the request of the Required Revolving Facility Lenders, shall, by notice to the Company, take either or both of the following actions, at the same or different times: (i) terminate forthwith the Revolving Facility Commitments and (ii) declare the Revolving Facility Loans then outstanding to be forthwith due and payable in whole or in part, whereupon the principal of the Revolving Facility Loans so declared to be due and payable, together with accrued interest thereon and any unpaid accrued Fees and all other liabilities of the Borrowers accrued hereunder with respect to such Revolving Facility Loans, shall become forthwith due and payable, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by the Borrowers, anything contained herein or in any other Loan Document to the contrary notwithstanding.

For purposes of clauses (h), (i) and (j) of this Section 7.01, "Material Subsidiary" shall mean any Subsidiary that would not be an Immaterial Subsidiary under clause (a) of the definition thereof.

Notwithstanding any provision in this Agreement to the contrary, if:

(i) an administrator (other than an administrator appointed by the Collateral Agent) has been appointed under the Australian Corporations Act to an Australian Loan Party and the Collateral Agent receives notice of that appointment from any Lender or any Loan Party or under the Australian Corporations Act; and

(ii) the Collateral Agent is entitled under section 441A of the Australian Corporations Act and the Loan Documents to enforce a Security Document over that Loan Party's property within the decision period provided for under that section, then:

(iii) subject to the provisions of the Flutter Intercreditor Agreement, the Collateral Agent shall promptly notify the Secured Parties and seek instructions from the Required Lenders as to whether or not it should enforce that Security Document within that decision period; and

(iv) unless it receives instructions from the Required Lenders not to enforce by a time which it considers to be the latest time by which instructions should be received in order for it to be able to arrange the enforcement of the Security Document within that period, then the Collateral Agent may enforce that Security Document in accordance with the Loan Documents but need not do so (and is not liable to the Secured Parties if it does not do so).

Section 7.02 Treatment of Certain Payments.

Subject to the terms of any applicable Intercreditor Agreement, any amount received by the Administrative Agent or the Collateral Agent from any Loan Party (or from proceeds of any Collateral) following any acceleration of the Obligations under this Agreement or any Event of Default with respect to the Borrowers under Section 7.01(h) or (i), in each case that is continuing, shall be applied: (i) first, ratably, to pay any fees, indemnities or expense reimbursements then due to the Administrative Agent or the Collateral Agent from the Borrowers (other than in connection with any Secured Cash Management Agreement or Secured Hedge Agreement), (ii) second, towards payment of interest and fees then due from the Borrowers hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, (iii) third, towards payment of principal of unreimbursed L/C Disbursements then due from the Borrowers hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal of unreimbursed L/C Disbursements then due to such parties, (iv) fourth, towards payment of other Obligations (including Obligations of the Loan Parties owing under or in respect of any Secured Cash Management Agreement or Secured Hedge Agreement) then due from the Borrowers or any Loan Party, ratably among the parties entitled thereto in accordance with the amounts of such Obligations then due to such parties and (v) last, the balance, if any, after all of the Obligations have been paid in full, to the Company or as otherwise required by Requirements of Law.

Section 7.03 Right to Cure.

Notwithstanding anything to the contrary contained in Section 7.01, in the event that the Dutch Borrower fails (or, but for the operation of this Section 7.03, would fail) to comply with the requirements of the Financial Covenant, from the last day of the applicable fiscal quarter until the expiration of the 10th Business Day subsequent to the date the certificate calculating such Financial Covenant is required to be delivered pursuant to Section 5.04(c), the Company and any Parent Entity shall have the right to issue Permitted Cure Securities for cash or otherwise receive cash contributions to the capital of such entities, and in each case, to contribute any such cash to the capital of the Dutch Borrower (collectively, the "Cure Right"), and upon the receipt by the Dutch Borrower of such cash (the "Cure Amount"), pursuant to the exercise of the Cure Right, the Financial Covenant shall be recalculated giving effect to a pro forma adjustment by which EBITDA shall be increased with respect to such applicable quarter and any four-quarter period that contains such quarter, solely for the purpose of measuring the Financial Covenant and not for any other purpose under this Agreement, by an amount

equal to the Cure Amount; provided, that (i) in each four consecutive fiscal quarter period there shall be at least two fiscal quarters in which a Cure Right is not exercised, (ii) a Cure Right shall not be exercised more than five times during the term of the Revolving Facility, (iii) for purposes of this Section 7.03, the Cure Amount shall be no greater than the amount required for purposes of complying with the Financial Covenant and (iv) there shall be no pro forma reduction in Indebtedness with the proceeds of the exercise of the Cure Right for determining compliance with the Financial Covenant for the fiscal quarter in respect of which such Cure Right is exercised (either directly through prepayment or indirectly as a result of the netting of unrestricted cash). If, after giving effect to the adjustments in this Section 7.03, the Dutch Borrower shall then be in compliance with the requirements of the Financial Covenant, the Dutch Borrower shall be deemed to have satisfied the requirements of the Financial Covenant as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable breach or default of the Financial Covenant that had occurred shall be deemed cured for the purposes of this Agreement.

Section 7.04 Clean-Up Period.

For the purpose of this Agreement, for the period from the Closing Date or, as appropriate, the date of completion of a Permitted Business Acquisition involving a person who, pursuant to such Permitted Business Acquisition, becomes a Subsidiary (such person, a "Subsequent Target") and/or a business unit, division or line of business (a "Subsequent Target Asset") until the date falling 90 days after the Closing Date or, as appropriate, the date of completion of a Permitted Business Acquisition (the "Clean-Up Period"), no Default or Event of Default would be deemed to arise from a breach of representation or warranty or a breach of covenant or other circumstance that would have been a Default or Event of Default (but for this provision) only by reason of circumstances relating exclusively to (A) in the case of the Acquisition, the Target Group (or any obligation to procure compliance by the Target Group) or (B) in the case of a Permitted Business Acquisition, the Subsequent Target or any of its Subsidiaries as at the date of completion of such Permitted Business Acquisition and (if applicable) the Subsequent Target Asset of such Permitted Business Acquisition (or any obligation to procure compliance by the Subsequent Target and its Subsidiaries), provided that (in each case) such Default or Event of Default: (i) is capable of being remedied within the Clean-Up Period and the Company, or in the case of a Permitted Business Acquisition, the relevant acquiring party, are taking appropriate steps to remedy such Default or Event of Default; (ii) does not have a Material Adverse Effect; and (iii) was not procured or approved by the Company or, in the case of a Permitted Business Acquisition, any of the Company, or any of its Subsidiaries. Notwithstanding the above, if the relevant circumstances are continuing after the expiry of the Clean-Up Period, there shall be an immediate Default or Event of Default, as applicable, and all rights and remedies which would apply with regard thereto but for this Section 7.04 shall arise and be exercisable.

Section 7.05 Waiver.

Notwithstanding anything to the contrary in the Loan Documents, the Administrative Agent and Required Lenders by a waiver dated April 20, 2021 (the "Waiver") have waived (i) any Default or Event of Default under Section 7.01(j) related to the Judgment or the Judgment Related Events, (ii) any Default or Event of Default due to the breach of any Loan Document covenant (including Section 6.02) in respect of any Lien related to the Judgment or Judgment Related Events, (iii) any Default or Event of Default under Section 7.01(h) due to an involuntary proceeding or petition which is sought against the applicable Subsidiaries related to the Judgment or Judgment Related Events, (iv) any Default or Event of Default that would arise due to restrictions on the ability of the applicable Subsidiaries to make Restricted Payments, which restrictions were deemed reasonably necessary by such Subsidiaries in connection with the Judgment or Judgment Related Events, and (v) any Default or Event of Default that would arise due to any loss of license, permit or franchise or any action by the Company or its Subsidiaries that is found to be a violation of law, rule, regulation or order of any Governmental Authority, in each case, arising from the Judgment or Judgment Related Events. The Waiver shall be limited as written and except as set forth in this Section 7.05 herein shall not be deemed or otherwise construed to constitute a waiver of any other Default or Event of Default now existing or hereafter arising or any other provision or to prejudice any right, power or remedy which the Administrative Agent or any Lender may now have or may have in the future under or in connection with this Agreement or any other Loan Document (after giving effect to the Waiver), all of which rights, powers and remedies are hereby expressly reserved by the Administrative Agent and Lenders.

ARTICLE VIII *The Agents*

Section 8.01 Appointment.

(a) Each Lender (in its capacities as a Lender and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements and Secured Hedge Agreements) and each Issuing Bank (in such capacities and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements and Secured Hedge Agreements) hereby irrevocably designates and appoints the Administrative Agent as the agent of such Lender under this Agreement and the other Loan Documents, including as the Collateral Agent for such Lender and the other Secured Parties under the Security Documents, and each such Lender irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. On and as of the First Amendment Effective Date, the Security Agent, under and as defined in the Flutter Intercreditor Agreement shall succeed and replace Deutsche Bank AG, New York Branch as Collateral Agent hereunder as set forth in Section 8.17. In addition, to the extent required under the laws of any jurisdiction other than the United States of America, each of the Lenders and the Issuing Banks hereby grants to the Administrative Agent any required powers of attorney to execute any Security Document governed by the laws of such jurisdiction on such Lender's or Issuing Bank's behalf. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender or Issuing Bank (or other Secured Party), and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent.

(b) In furtherance of the foregoing, each Lender (in its capacities as a Lender and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements or Secured Hedge Agreements), each Issuing Bank (in such capacities and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements and Secured Hedge Agreements) and, by accepting the benefit of this Agreement, each non-Lender Hedge Bank party to a Secured Hedge Agreement and each non-Lender Cash Management Bank party to a Secured Cash Management Agreement, hereby appoints and authorizes the Collateral Agent to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Collateral Agent (and any Subagents appointed by the Collateral Agent pursuant to Section 8.03 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights or remedies thereunder at the direction of the Collateral Agent) shall be entitled to the benefits of this Article VIII (including, without limitation, Section 8.08) as though the Collateral Agent (and any such Subagents) were an "Agent" under the Loan Documents, as if set forth in full herein with respect thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Collateral Agent shall not have any duties or responsibilities except those expressly set forth herein, or any fiduciary relationship with any of the Secured Parties, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Collateral Agent.

(c) Terms in connection with Security Documents governed by the laws of the Province of Québec:

(i) Without limiting the powers of the Collateral Agent, each of the Secured Parties hereby irrevocably constitutes the Collateral Agent as the hypothecary representative (within the meaning of Article 2692 of the *Civil Code of Québec*) for the Secured Parties in order to hold any hypothecs granted on any Collateral pursuant to any deeds of hypothec governed by the laws of the Province of Québec in order to secure obligations of any Loan Party.

(ii) [Reserved].

(iii) The appointment of the Collateral Agent as hypothecary representative for the benefit of the Secured Parties, shall be deemed to have been ratified and confirmed by each Secured Party by its acceptance of the benefits under the Loan Documents. Each successor Collateral Agent under this Agreement shall automatically (and without any further act or formality) become the successor hypothecary representative for the purposes of all deeds of hypothec referred to above.

(iv) The Collateral Agent acting as hypothecary representative shall have the same rights, powers, immunities, indemnities and exclusions from liability as are prescribed in favour of the Collateral Agent in this Agreement, which shall apply *mutatis mutandis* to the Collateral Agent acting in its capacity as hypothecary representative.

(v) This Section 8.01(c) shall be governed and construed in accordance with the laws of the Province of Quebec.

(d) The provisions of this Article VIII are solely for the benefit of the Administrative Agent, the Collateral Agent, the Collateral Agent acting in its capacity as *fondé de pouvoir*, the Lenders and each Issuing Bank, and none of the Borrowers nor any other Loan Party shall have rights as a third party beneficiary of any of such provisions.

(e) Notwithstanding any provision in this Agreement to the contrary, if (i) an administrator (other than an administrator appointed by the Collateral Agent) has been appointed under the Australian Corporations Act to an Australian Loan Party and the Collateral Agent receives notice of that appointment from any Lender or any Loan Party or under the Australian Corporations Act; and (ii) the Collateral Agent is entitled under section 441A of the Australian Corporations Act and the Loan Documents to enforce a Security Document over that Loan Party's property within the decision period provided for under that section, then the Collateral Agent shall promptly notify the Secured Parties and seek instructions from the Required Lenders as to whether or not it should enforce that Security Document within that decision period; and unless it receives instructions from the Required Lenders not to enforce by a time which it considers to be the latest time by which instructions should be received in order for it to be able to arrange the enforcement of the Security Document within that period, then the Collateral Agent may enforce that Security Document in accordance with the Loan Documents but need not do so (and is not liable to the Secured Parties if it does not do so).

Section 8.02 Parallel Debt.

(a) For the purpose of ensuring the validity and enforceability of any right of pledge governed by Netherlands law, each Loan Party hereby irrevocably and unconditionally undertakes to pay to the Collateral Agent an amount equal to the aggregate amount due by it in respect of the Corresponding Obligations as they may exist from time to time. The payment undertaking of each Loan Party under this Section 8.02(a) is to be referred to as its "Parallel Debt."

(b) The Parallel Debt will be payable in the currency or currencies of the Corresponding Obligations and will become due and payable (*opeisbaar*) as and when and to the extent one or more of the Corresponding Obligations become due and payable. An Event of Default in respect of the Corresponding Obligations shall constitute a default (*verzuim*) within the meaning of section 3:248 NCC with respect to the Parallel Debt without any notice being required.

(c) Each Party hereto hereby acknowledges that:

(i) the Parallel Debt constitutes an undertaking, obligation and liability to the Collateral Agent which is separate and independent from, and without prejudice to, the Corresponding Obligations; and

(ii) the Parallel Debt represents the Collateral Agent's own separate and independent claim to receive payment of the Parallel Debt from each Loan Party,

it being understood, in each case, that pursuant to this Section 8.02(c) the amount which may become payable by a Loan Party as the Parallel Debt shall never exceed the total of the amounts which are payable under or in connection with the Corresponding Obligations.

(d) The Collateral Agent, not only in its own name and on behalf of itself but also as agent on behalf of each Secured Party, hereby confirms and accepts that to the extent the Collateral Agent irrevocably receives any amount in payment of the Parallel Debt, the Collateral Agent shall distribute that amount among the Collateral Agent and the Secured Parties that are creditors of the Corresponding Obligations in accordance with the relevant provision of the Loan Documents. The Collateral Agent hereby agrees and confirms that upon irrevocable receipt by the Collateral Agent of any amount in payment of the Parallel Debt (a "Received Amount"), the Corresponding Obligations towards the Collateral Agent and the Secured Parties shall be reduced, if necessary pro rata in respect of Collateral Agent and each Secured Party individually, by amounts totaling an amount (a "Deductible Amount") equal to the Received Amount in the manner as if the Deductible Amount were received by the Collateral Agent and the Secured Parties as a payment of the Corresponding Obligations on the date of receipt by the Collateral Agent of the Received Amount.

(e) For the purpose of this Section 8.02, other than the second sentence of paragraph (d) of this Section 8.02, the Collateral Agent acts in its own name and on behalf of itself and not as agent, representative or trustee of any other Secured Party and accordingly holds neither its claim resulting from a Parallel Debt nor any security securing a Parallel Debt on trust.

(f) Nothing in this Section 8.02 shall in any way increase the total amount payable by any Loan Party to the Collateral Agent, the Administrative Agent, the Lenders and any other Secured Party under this Agreement and other Transaction Documents (excluding any obligation under this Section 8.02).

Section 8.03 Delegation of Duties.

The Administrative Agent and the Collateral Agent may execute any of their respective duties under this Agreement and the other Loan Documents (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof)) by or through agents, subagents (including a subagent which is a non-U.S. Affiliate), employees or attorneys-in-fact and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. No Agent shall be responsible for the negligence or misconduct of any agents, employees or attorneys-in-fact selected by it with reasonable care. Each Agent may also from time to time, when it deems it to be necessary or desirable, appoint one or more trustees, co-trustees, collateral co-agents, collateral subagents (including a subagent which is a non-U.S. Affiliate) or attorneys-in-fact (each, a "Subagent") with respect to all or any part of the Collateral; provided that no such Subagent shall be authorized to take any action with respect to any Collateral unless and except to the extent expressly authorized in writing by the Administrative Agent or the Collateral Agent, as applicable. Should any instrument in writing from a Borrower or any other Loan Party be required by any Subagent so appointed by an Agent to more fully or certainly vest in and confirm to such Subagent such rights, powers, privileges and duties, such Borrower shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments promptly upon request by such Agent. If any Subagent, or successor thereto, shall become incapable of acting, resign or be removed, all rights, powers, privileges and duties of such Subagent, to the extent permitted by law, shall automatically vest in and be exercised by the Administrative Agent or the Collateral Agent until the appointment of a new Subagent. No Agent shall be responsible for the negligence or misconduct of any agent, employees, attorney-in-fact or Subagent that it selects with reasonable care. The Administrative Agent, the Collateral Agent and any such subagent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article VIII shall apply to any such subagent and to the Related Parties of the Administrative Agent, the Collateral Agent and any such subagent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent and Collateral Agent.

Section 8.04 Exculpatory Provisions.

None of the Administrative Agent, the Collateral Agent, or their respective Affiliates or any of their respective officers, directors, employees, agents, attorneys-in-fact or affiliates shall be (a) liable for any action lawfully taken or omitted to be taken by it or such person under or in connection with this Agreement or any other Loan Document (except to the extent that any of the foregoing are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from its or such person's own gross negligence or willful misconduct) or (b) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by any Agent under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or for any failure of any Loan Party a party thereto to perform its obligations hereunder or thereunder. No Agent shall be under any obligation to any Lender to ascertain or to

inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party. No Agent shall have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, (a) no Agent shall be subject to any fiduciary or other implied duties, regardless of whether a Default or Event of Default has occurred and is continuing, and (b) no Agent shall, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, or be liable for the failure to disclose, any information relating to the Borrowers or any of their respective Affiliates that is communicated to or obtained by such Agent or any of its Affiliates in any capacity. Neither the Administrative Agent nor the Collateral Agent shall be deemed to have knowledge of any Default or Event of Default unless and until written notice describing such Default or Event of Default is given to the Administrative Agent by a Borrower, a Lender or an Issuing Bank. No Agent shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default or Event of Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent or the Collateral Agent, as applicable. No Cash Management Bank or Hedge Bank that obtains the benefits of Section 7.02, any Guarantee or any Collateral by virtue of the provisions hereof or of any Guarantee or any Security Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Without limiting the generality of the foregoing, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Secured Cash Management Agreements and Secured Hedge Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Cash Management Bank or Hedge Bank, as the case may be.

Section 8.05 Reliance by Agents.

Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) or conversation believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper person. Each Agent also may

rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to any Credit Event, that by its terms must be fulfilled to the satisfaction of a Lender or any Issuing Bank, each Agent may presume that such condition is satisfactory to such Lender or Issuing Bank unless such Agent shall have received notice to the contrary from such Lender or Issuing Bank prior to such Credit Event. Each Agent may consult with legal counsel (including counsel to the Company or the Borrowers), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. Each Agent may deem and treat the Lender specified in the Register with respect to any amount owing hereunder as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with such Agent. Each Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders (or, if so specified by this Agreement, all or other Lenders) as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. Each Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders (or, if so specified by this Agreement, all or other Lenders), and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans.

Section 8.06 Notice of Default.

Neither Agent shall be deemed to have knowledge or notice of the occurrence of any Default or Event of Default unless such Agent has received written notice from a Lender, the Company or the Borrowers referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default." In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders (or, if so specified by this Agreement, all or other Lenders); provided that, unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders.

Section 8.07 Non-Reliance on Agents and Other Lenders.

Each Lender and Issuing Bank expressly acknowledges that neither the Agents nor any of their respective officers, directors, employees, agents, attorneys-in-fact or affiliates have made any representations or warranties to it and that no act by any Agent hereafter taken, including any review of the affairs of a Loan Party or any affiliate of a Loan Party, shall be deemed to constitute any representation or warranty by any Agent to any Lender or Issuing Bank. Each Lender and Issuing Bank represents to each

Agent that it has, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of, and investigation into the business, operations, property, financial and other condition and creditworthiness of, the Loan Parties and their affiliates and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender and each Issuing Bank also represents that it will, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, the Agents shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of any Loan Party or any affiliate of a Loan Party that may come into the possession of the Agents or any of their officers, directors, employees, agents, attorneys-in-fact or affiliates.

Section 8.08 Indemnification.

The Lenders agree to indemnify each Agent and the Revolving Facility Lenders agree to indemnify each Issuing Bank, in its capacity as such (to the extent not reimbursed by the Company or the Borrowers and without limiting the obligation of the Company or the Borrowers to do so), in the amount of its pro rata share (based on its aggregate Revolving Facility Credit Exposure and, in the case of the indemnification of each Agent, outstanding Term Loans and unused Commitments hereunder; provided, that the aggregate principal amount of L/C Disbursements owing to any Issuing Bank shall be considered to be owed to the Revolving Facility Lenders ratably in accordance with their respective Revolving Facility Credit Exposure) (determined at the time such indemnity is sought), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against such Agent or such Issuing Bank in any way relating to or arising out of the Commitments, this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent, Issuing Bank under or in connection with any of the foregoing; provided, that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such Agent's or such Issuing Bank's gross negligence or willful misconduct. The failure of any Lender to reimburse any Agent or Issuing Bank, as the case may be, promptly upon demand for its ratable share of any amount required to be paid by the Lenders to such Agent or Issuing Bank, as the case may be, as provided herein shall not relieve any other Lender of its obligation hereunder to reimburse such Agent or Issuing Bank, as the case may be, for its ratable share of such amount, but no Lender shall be responsible for the failure of any other Lender to reimburse such Agent or Issuing Bank, as the case may be, for such other Lender's ratable share of such amount. The agreements in this Section 8.08 shall survive the payment of the Loans and all other amounts payable hereunder.

Section 8.09 Agent in Its Individual Capacity.

Each Agent and its affiliates may make loans to, accept deposits from, and generally engage in any kind of business with any Loan Party as though such Agent were not an Agent. With respect to its Loans made or renewed by it and with respect to any Letter of Credit issued, or Letter of Credit participated in, by it, each Agent shall have the same rights and powers under this Agreement and the other Loan Documents as any Lender and may exercise the same as though it were not an Agent, and the terms "Lender" and "Lenders" shall include each Agent in its individual capacity.

Section 8.10 Successor Agents.

The Administrative Agent may resign as Administrative Agent and/or the Collateral Agent may resign as Collateral Agent upon 10 days' notice to the Lenders and the Company. If the Administrative Agent or the Collateral Agent shall resign as Administrative Agent and/or Collateral Agent under this Agreement and the other Loan Documents, then the Company shall have the right, subject to the reasonable consent of the Required Lenders (so long as no Event of Default under Section 7.01(b), (c), (h) or (i) shall have occurred and be continuing, in which case the Required Lenders shall have the right), to appoint a successor which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States, whereupon such successor agent shall succeed to the rights, powers and duties of the Administrative Agent and/or Collateral Agent, as applicable, and the term "Agent" shall mean such successor agent effective upon such appointment and approval, and the former Agent's rights, powers and duties as Agent shall be terminated, without any other or further act or deed on the part of such former Agent or any of the parties to this Agreement or any holders of the Loans. If no successor agent has accepted appointment as Agent by the date that is 10 days following a retiring Agent's notice of resignation, the retiring Agent's resignation shall nevertheless thereupon become effective (except in the case of the Collateral Agent holding collateral security on behalf of such Secured Parties, the retiring Collateral Agent shall continue to hold such collateral security as nominee until such time as a successor Collateral Agent is appointed), and the Lenders shall assume and perform all of the duties of the Agent and Agent hereunder until such time, if any, as the Company (or the Required Lenders) appoints a successor agent as provided for above. After any retiring Agent's resignation as Agent, the provisions of this Section 8.10 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Agent under this Agreement and the other Loan Documents. The parties hereto acknowledge and agree that any resignation by the Collateral Agent is not effective with respect to its rights and obligations under the Parallel Debt until such rights and obligations have been assumed by the successor Collateral Agent and provided that on the First Amendment Effective Date, the Collateral Agent's resignation shall be deemed completed and effective under this Agreement.

Any resignation by Deutsche Bank as Administrative Agent pursuant to this Section shall, unless Deutsche Bank gives notice to the Company otherwise, also constitute its resignation as Issuing Bank and, and such resignations as and Issuing Bank shall become effective simultaneously with the discharge of the Administrative Agent from its duties and obligations as set forth in the immediately preceding paragraph (except as to already outstanding Letters of Credit and L/C Obligations, as to which the Issuing Bank shall continue in such capacities until the L/C Obligations relating thereto shall be reduced to zero, or until the successor Administrative Agent shall succeed to the roles of Issuing Bank in accordance with the next sentence and perform the actions required by the next sentence). Upon the acceptance of a successor's appointment as Administrative Agent hereunder, unless Deutsche Bank and such successor gives notice to the Company otherwise, (i) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Issuing Bank and (ii) the successor Issuing Bank shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the retiring Issuing Bank to effectively assume the obligations of the retiring Issuing Bank with respect to such Letters of Credit. At the time any such resignation of the Issuing Bank shall become effective, the Borrowers shall pay all unpaid fees accrued for the account of the retiring Issuing Bank pursuant to Section 2.12(b).

Section 8.11 Arrangers.

Notwithstanding any other provision of this Agreement or any provision of any other Loan Document, each of the persons named on the cover page hereof as Joint Bookrunner or Joint Lead Arranger is named as such for recognition purposes only, and in its capacity as such shall have no rights, duties, responsibilities or liabilities with respect to this Agreement or any other Loan Document, except that each such person and its Affiliates shall be entitled to the rights expressly stated to be applicable to them in Section 9.05 and Section 9.17 (subject to the applicable obligations and limitations as set forth therein).

Section 8.12 Security Documents and Collateral Agent.

The Lenders and the other Secured Parties authorize the Collateral Agent to release any Collateral or Guarantors in accordance with Section 9.18 or if approved, authorized or ratified in accordance with Section 9.08, and after the First Amendment Effective Date, as provided in the Flutter Intercreditor Agreement. In addition, the Lenders and the other Secured Parties authorize the Collateral Agent to make such changes to the Security Documents and/or provide such consents with respect to the Security Documents as are required as part of any Permitted Reorganizations including, but not limited to, allowing for the issuance of additional Equity Interests under a pledge agreement.

The Lenders and the other Secured Parties hereby irrevocably authorize and instruct the Collateral Agent to, without any further consent of any Lender or any other Secured Party, enter into (or acknowledge and consent to) or amend, renew, extend, supplement, restate, replace, waive or otherwise modify (i) any First Lien/First Lien Intercreditor Agreement, any First Lien/Second Lien Intercreditor Agreement, any other Permitted Junior Intercreditor Agreement, any other Permitted Pari Passu Intercreditor Agreement or any other intercreditor agreement with the collateral agent or other representatives of the holders of Indebtedness that is to be secured by a Lien on the Collateral that is not prohibited (including with respect to priority) under this Agreement and to subject the Liens on the Collateral securing the Obligations to the provisions thereof (any of the foregoing, an "Intercreditor Agreement") and (ii) in the Collateral Agent's sole discretion, any Security Document in connection with the incurrence of Indebtedness that is to be secured by a Lien on the Collateral that is not prohibited (including with respect to priority) under this Agreement. The Lenders and the other Secured Parties irrevocably agree that (x) the Collateral Agent may rely exclusively on a certificate of a Responsible Officer of the Company as to whether any such other Liens are not prohibited and (y) any Intercreditor Agreement entered into by the Collateral Agent shall be binding on the Secured Parties, and each Lender and the other Secured Parties hereby agrees that it will take no actions contrary to the provisions of, if entered into and if applicable, any Intercreditor Agreement. The foregoing provisions are intended as an inducement to any provider of any Indebtedness not prohibited by Section 6.01 hereof to extend credit to the Loan Parties and such persons are intended third-party beneficiaries of such provisions. Furthermore, the Lenders and the other Secured Parties hereby authorize the Administrative Agent and the Collateral Agent to release any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document (i) to the holder of any Lien on such property that is permitted by clauses (c), (i), (j) or (mm) of Section 6.02 or Section 6.02(a) (if the Liens thereunder are of a type that is contemplated by any of the foregoing clauses) in each case to the extent the contract or agreement pursuant to which such Lien is granted prohibits any other Liens on such property or (ii) that is or becomes Excluded Property; and the Administrative Agent and the Collateral Agent shall do so upon request of the Company; provided, that prior to any such request, the Company shall have in each case delivered to the Administrative Agent a certificate of a Responsible Officer of the Company certifying (x) that such Lien is permitted under this Agreement, (y) in the case of a request pursuant to clause (i) of this sentence, that the contract or agreement pursuant to which such Lien is granted prohibits any other Lien on such property and (z) in the case of a request pursuant to clause (ii) of this sentence, that (A) such property is or has become Excluded Property and (B) if such property has become Excluded Property as a result of a contractual restriction, such restriction does not violate Section 6.09(c).

The Lenders (including any Assignee) and the other Secured Parties hereby irrevocably authorize the Administrative Agent to, without any further consent of any Lender (including any Assignee) or any other Secured Party, enter into (or acknowledge and consent to) the Flutter Intercreditor Agreement on behalf of such Lenders (including any Assignee) and other Secured Parties. The Lenders (including any Assignee) and the other Secured Parties irrevocably agree that the Flutter Intercreditor Agreement entered into by the Administrative Agent shall be binding on the Lenders (including and Assignee) and Secured Parties, and each Lender and the other Secured Parties hereby agrees that it will take no actions contrary to the provisions of the Flutter Intercreditor Agreement.

Section 8.13 Right to Realize on Collateral and Enforce Guarantees

In case of the pendency of any receivership, administration, examinership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Loan Party, (i) the Administrative Agent (irrespective of whether the principal of any Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrowers) shall be entitled and empowered, by intervention in such proceeding or otherwise (A) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of any or all of the Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuing Banks and the Administrative Agent and any Subagents allowed in such judicial proceeding, and (B) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same, and (ii) any custodian, receiver, examiner, administrative receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and Issuing Bank to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders and the Issuing Banks, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under the Loan Documents. Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or Issuing Bank any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or Issuing Bank or to authorize the Administrative Agent to vote in respect of the claim of any Lender or Issuing Bank in any such proceeding.

Anything contained in any of the Loan Documents to the contrary notwithstanding, the Borrower, the Administrative Agent, the Collateral Agent and each Secured Party hereby agree that (a) no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce the Guarantee, it being understood and agreed that all powers, rights and remedies hereunder may be exercised solely by the Administrative Agent, on behalf of the Secured Parties in accordance with the terms hereof and all powers, rights and remedies under the Security Documents may be exercised solely by the Collateral Agent, and (b) in the event of a foreclosure by the Collateral Agent on any of the Collateral pursuant to a public or private sale or other disposition, the Collateral Agent or any Lender may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition and the Collateral Agent, as agent for and representative of the Secured Parties (but not any Lender or Lenders in its or their respective individual capacities unless the Required Lenders shall otherwise agree in writing) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Obligations as a credit on account of the purchase price for any collateral payable by the Collateral Agent at such sale or other Disposition.

Section 8.14 Withholding Tax.

To the extent required by any applicable Requirement of Law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the IRS or any authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including because the appropriate form was not delivered, was not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstances that rendered the exemption from, or reduction of, withholding Tax ineffective), such Lender shall indemnify the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by any applicable Loan Party and without limiting the obligation of any applicable Loan Party to do so) fully for all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, including penalties, fines, additions to Tax and interest, together with all expenses incurred, including legal expenses, allocated staff costs and any out of pocket expenses. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due to the Administrative Agent under this Section 8.14. The agreements in this Section 8.14 shall survive the resignation of the Agent, any assignment of rights by a Lender or the termination of the Commitments and the repayment, satisfaction or discharge of all Obligations. For the avoidance of doubt, for purposes of this Section 8.14, the term "Lender" shall include any Issuing Bank.

Section 8.15 Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such person became a Lender party hereto, to, and (y) covenants, from the date such person became a Lender party hereto to the date such person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, the Arrangers and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(b) In addition, unless sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or such Lender has not provided another representation, warranty and covenant as provided in sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such person became a Lender party hereto, to, and (y) covenants, from the date such person became a Lender party hereto to the date such person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, the Arrangers and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that:

(c) Each of the Administrative Agent and the Arrangers hereby informs the Lenders that each such person is not undertaking to provide impartial investment advice, or to give advice in a fiduciary capacity, in connection with the transactions contemplated hereby, and that such person has a financial interest in the transactions contemplated hereby in that such person or an Affiliate thereof (i) may receive interest or other payments with respect to the Loans, the Letters of Credit, the Commitments and this Agreement, (ii) may recognize a gain if it extended the Loans, the Letters of Credit or the Commitments for an amount less than the amount being paid for an interest in the Loans, the Letters of Credit or the Commitments by such Lender or (iii) may receive fees or other payments in connection with the transactions contemplated hereby, the Loan Documents or otherwise, including structuring fees, commitment fees, arrangement fees, facility fees, upfront fees, underwriting fees, ticking fees, agency fees, administrative agent or collateral agent fees, utilization fees, minimum usage fees, letter of credit fees, fronting fees, deal-away or alternate transaction fees, amendment fees, processing fees, term out premiums, banker's acceptance fees, breakage or other early termination fees or fees similar to the foregoing.

Section 8.16 Payments Set Aside.

To the extent that any payment by or on behalf of the Borrowers is made to the Administrative Agent, an Issuing Bank or any Lender, or the Administrative Agent, such Issuing Bank or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Administrative Agent, such Issuing Bank or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such

recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender and each Issuing Bank severally agree to pay to the Administrative Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by the Administrative Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the applicable Overnight Rate from time to time in effect. The obligations of the Lenders and each Issuing Bank under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

Section 8.17 Appointment of Lloyds Bank PLC, as the Collateral Agent, as of the First Amendment Effective Date.

Effective as of the First Amendment Effective Date, Lloyds Bank PLC, as Security Agent for the Secured Parties (as defined in the Flutter Intercreditor Agreement), is appointed in accordance with and subject to the terms of Clause 18.1 of the Flutter Intercreditor Agreement as the new Collateral Agent ("New Agent") under this Agreement and other Loan Documents and shall succeed to and become vested with all the rights, powers, privileges and duties of the Collateral Agent under this Agreement and each of the other Loan Documents. Effective as of the First Amendment Effective Date, (i) all of the rights, titles and interests of Deutsche Bank as existing Collateral Agent ("Existing Agent") under and in all the Security Documents and the other Loan Documents are transferred to and assumed by the New Agent and (ii) the Existing Agent shall promptly transfer all Collateral within its possession or control held by the Existing Agent for the benefit of the Secured Parties to the possession or control of the New Agent in its capacity as Security Agent. Effective as of the First Amendment Effective Date, any obligations, liabilities, rights, powers, privileges, duties and protections pertaining to the Collateral Agent (including without limitation, Sections 8.01(a), 8.01(b), 8.01(c), 8.01(e), 8.02, 8.03 (with respect to the Collateral Agent only), 8.04 (with respect to the Collateral Agent only) 8.08 (with respect to the Collateral Agent only), 8.10 (with respect to the Collateral Agent only), 9.05 (with respect to the Collateral Agent only) of this Agreement) shall be superseded in full by the Flutter Intercreditor Agreement (including, without limitation, Sections 18 and 19 thereof). It is hereby agreed that in the event of a conflict between the provisions of this Agreement and the Flutter Intercreditor Agreement, the Flutter Intercreditor Agreement will prevail, including with respect to Sections 8.13 and 9.18 hereof.

Section 8.18 Erroneous Payments.

(a) If the Administrative Agent (x) notifies a Lender, Issuing Bank or Secured Party, or any Person who has received funds on behalf of a Lender, Issuing Bank or Secured Party Bank (any such Lender, Issuing Bank, Secured Party or other recipient (and each of their respective successors and assigns), a "Payment Recipient") that the Administrative Agent has determined in its reasonable discretion (whether or not after receipt of any notice under immediately succeeding clause (b) below) that any funds (as set forth in such notice from the Administrative Agent) received by such Payment Recipient from the Administrative Agent or any of its Affiliates were erroneously or

mistakenly transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Lender, Issuing Bank, Secured Party or other Payment Recipient on its behalf) (any such funds, whether transmitted or received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an "Erroneous Payment") and (y) demands in writing the return of such Erroneous Payment (or a portion thereof), such Erroneous Payment shall at all times remain the property of the Administrative Agent pending its return or repayment as contemplated in this Section 8.18 and held in trust for the benefit of the Administrative Agent, and such Lender, Issuing Bank or Secured Party shall (or, with respect to any Payment Recipient who received such funds on its behalf, shall cause such Payment Recipient to) promptly, but in no event later than 2 Business Days thereafter (or such later date as the Administrative Agent may, in its sole discretion, specify in writing), return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon (except to the extent waived in writing by the Administrative Agent) in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to the Administrative Agent in same day funds at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect. A notice of the Administrative Agent to any Payment Recipient under this clause (a) shall be conclusive, absent manifest error.

(b) Without limiting immediately preceding clause (a), each Lender, Issuing Bank, Secured Party, or any Person who has received funds on behalf of a Lender, Issuing Bank or Secured Party (and each of their respective successors and assigns), hereby further agrees that if it receives a payment, prepayment or repayment (whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise) from the Administrative Agent (or any of its Affiliates) (i) that is in a different amount than, or on a different date from, that specified in this Agreement or in a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, (ii) that was not preceded or accompanied by a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates), or (iii) that such Lender, Issuing Bank or Secured Party, or other such recipient, otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part), then in each such case, it acknowledges and agrees that (A) in the case of immediately preceding clauses (i) or (ii), an error and mistake shall be presumed to have been made (absent written confirmation from the Administrative Agent to the contrary) or an error and mistake has been made (in the case of immediately preceding clause (iii)), in each case, with respect to such payment, prepayment or repayment; and such Lender, Issuing Bank or Secured Party shall (and shall use commercially reasonable efforts to cause any other recipient that receives funds on its respective behalf to) promptly (and, in all events, within 1 Business Day of its knowledge of the occurrence of any of the circumstances described in immediately preceding clauses (x), (y) or (z)) notify the Administrative Agent of its receipt of such payment, prepayment or repayment, the details thereof (in reasonable detail) and that it is so notifying the Administrative Agent pursuant to this Section 8.18(b). For the avoidance of doubt, the failure to deliver a notice to the Administrative Agent pursuant to this Section 8.18(b) shall not have any effect on a Payment Recipient's obligations pursuant to Section 8.18(a) or on whether or not an Erroneous Payment has been made.

(c) Each Lender, Issuing Bank or Secured Party hereby authorizes the Administrative Agent to set off, net and apply any and all amounts at any time owing to such Lender, Issuing Bank or Secured Party under any Loan Document, or otherwise payable or distributable by the Administrative Agent to such Lender, Issuing Bank or Secured Party from any source, against any amount due to the Administrative Agent under immediately preceding clause (a) or under the indemnification provisions of this Agreement.

(d) In the event that an Erroneous Payment (or portion thereof) is not recovered by the Administrative Agent for any reason, after demand therefor in accordance with immediately preceding clause (a), from any Lender that has received such Erroneous Payment (or portion thereof) (and/or from any Payment Recipient who received such Erroneous Payment (or portion thereof) on its respective behalf) (such unrecovered amount, an "Erroneous Payment Return Deficiency"), upon the Administrative Agent's notice to such Lender at any time (then effective immediately (with consideration therefor being acknowledged by the parties hereto), (i) such Lender shall be deemed to have assigned its Loans (but not its Commitments) of the relevant Class with respect to which such Erroneous Payment was made (the "Erroneous Payment Impacted Class") in an amount equal to the Erroneous Payment Return Deficiency (or such lesser amount as the Administrative Agent may specify) (such assignment of the Loans (but not Commitments) of the Erroneous Payment Impacted Class, the "Erroneous Payment Deficiency Assignment") (on a cashless basis and such amount calculated at par plus any accrued and unpaid interest (with the assignment fee to be waived by the Administrative Agent in such instance), and is hereby (together with the Borrower) deemed to execute and deliver an Assignment and Assumption (or, to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to an electronic platform as approved by the Administrative Agent as to which the Administrative Agent and such parties are participants) with respect to such Erroneous Payment Deficiency Assignment, and such Lender shall deliver any Notes evidencing such Loans to the Borrower or the Administrative Agent (but the failure of such Person to deliver any such Notes shall not affect the effectiveness of the foregoing assignment), (ii) the Administrative Agent as the assignee Lender shall be deemed to have acquired the Erroneous Payment Deficiency Assignment, (iii) upon such deemed acquisition, the Administrative Agent as the assignee Lender shall become a Lender, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment and the assigning Lender shall cease to be a Lender, hereunder with respect to such Erroneous Payment Deficiency Assignment, excluding, for the avoidance of doubt, its obligations under the indemnification provisions of this Agreement and its applicable Commitments which shall survive as to such assigning Lender, (iv) the Administrative Agent and the Borrowers shall each be deemed to have waived any consents required under this Agreement to any such Erroneous Payment Deficiency Assignment, and (v) the Administrative Agent will reflect in the Register its ownership interest in the Loans subject to the Erroneous Payment Deficiency Assignment. For the avoidance of doubt, no Erroneous Payment Deficiency Assignment will reduce the Commitments of any Lender and such Commitments shall remain available in accordance with the terms of this Agreement.

(e) Subject to Section 9.04 (but excluding, in all events, any assignment, consent or approval requirements (whether from the Borrower or otherwise)), the Administrative Agent may, in its discretion, sell any Loans acquired pursuant to an Erroneous Payment Deficiency Assignment and upon receipt of the proceeds of such sale, the Erroneous Payment Return Deficiency owing by the applicable Lender shall be reduced by the net proceeds of the sale of such Loan (or portion thereof), and the Administrative Agent shall retain all other rights, remedies and claims against such Lender (and/or against any recipient that receives funds on its respective behalf). In addition, an Erroneous Payment Return Deficiency owing by the applicable Lender (x) shall be reduced by the proceeds of prepayments or repayments of principal and interest, or other distribution in respect of principal and interest, received by the Administrative Agent on or with respect to any such Loans acquired from such Lender pursuant to an Erroneous Payment Deficiency Assignment (to the extent that any such Loans are then owned by the Administrative Agent) and (y) may, in the sole discretion of the Administrative Agent, be reduced by any amount specified by the Administrative Agent in writing to the applicable Lender from time to time.

(f) The parties hereto agree that (i) irrespective of whether the Administrative Agent may be equitably subrogated, in the event that an Erroneous Payment (or portion thereof) is not recovered from any Payment Recipient that has received such Erroneous Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights and interests of such Payment Recipient (and, in the case of any Payment Recipient who has received funds on behalf of a Lender, Issuing Bank or Secured Party, to the rights and interests of such Lender, Issuing Bank or Secured Party, as the case may be) under the Loan Documents with respect to such amount (the "Erroneous Payment Subrogation Rights") (*provided* that the Loan Parties' Obligations under the Loan Documents in respect of the Erroneous Payment Subrogation Rights shall not be duplicative of such Obligations in respect of Loans that have been assigned to the Administrative Agent under an Erroneous Payment Deficiency Assignment) and (ii) an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrower or any other Loan Party; *provided* that this Section 8.18 shall not be interpreted to increase (or accelerate the due date for), or have the effect of increasing (or accelerating the due date for), the Obligations of the Borrower relative to the amount (and/or timing for payment) of the Obligations that would have been payable had such Erroneous Payment not been made by the Administrative Agent; *provided, further*, that for the avoidance of doubt, immediately precedingclauses (i) and (ii) shall not apply to the extent any such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Administrative Agent from the Borrower for the purpose of making such Erroneous Payment.

(g) To the extent permitted by applicable law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payment received, including without limitation, any defense based on "discharge for value" or any similar doctrine.

(h) Each party's obligations, agreements and waivers under this Section 8.18 shall survive the resignation or replacement of the Administrative Agent, any transfer of rights or obligations by, or the replacement of, a Lender or Issuing Bank, the termination of the Commitments and/or the repayment, satisfaction or discharge of all Obligations (or any portion thereof) under any Loan Document.

In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, facsimile number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender.

(e) Documents required to be delivered pursuant to Section 5.04 may be delivered electronically (including as set forth in Section 9.17) and if so delivered, shall be deemed to have been delivered on the date (i) on which the Company or a Borrower (or any Parent Entity) posts such documents, or provides a link thereto on the website of the Company or the Borrowers (or any Parent Entity) on the Internet at the website address listed on Schedule 9.01, or (ii) on which such documents are posted on the Company's, any Parent Entity's or the Borrowers' behalf on an Internet or intranet website, if any, to which each Lender entitled to access thereto and the Administrative Agent have access (whether a commercial, third-party website or whether sponsored by the Administrative Agent); provided, that the Company shall notify the Administrative Agent (by electronic mail) of the posting of any such documents and provide to the Administrative Agent by electronic mail electronic versions (i.e., soft copies) of such documents. Except for such certificates required by Section 5.04(c), the Administrative Agent shall have no obligation to request the delivery or to maintain copies of the documents referred to above, and in any event shall have no responsibility to monitor compliance by the Company, any Parent Entity or the Borrowers with any such request for delivery, and each Lender shall be solely responsible for requesting delivery to it or maintaining its copies of such documents.

Section 9.02 Survival of Agreement.

All covenants, agreements, representations and warranties made by the Loan Parties herein, in the other Loan Documents and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the Lenders and each Issuing Bank and shall survive the making by the Lenders of the Loans and the execution and delivery of the Loan Documents and the issuance of the Letters of Credit, regardless of any investigation made by such persons or on their behalf, and shall continue in full force and effect until the Termination Date. Without prejudice to the survival of any other agreements contained herein, indemnification and reimbursement obligations contained herein (including pursuant to Section 2.15, Section 2.16, Section 2.17 and Section 9.05) shall survive the Termination Date.

Section 9.03 Binding Effect.

This Agreement shall become effective on the Closing Date, and thereafter shall be binding upon and inure to the benefit of Holdings, U.S. Holdings, the Company, the Borrowers, the Administrative Agent, the Collateral Agent, each Issuing Bank and each Lender and their respective permitted successors and assigns.

Section 9.04 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of an Issuing Bank that issues any Letter of Credit), except that (i) except as permitted by Section 6.05, the Borrowers may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrowers without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 9.04. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of an Issuing Bank that issues any Letter of Credit), Participants (to the extent provided in clause (c) of this Section 9.04), and, to the extent expressly contemplated hereby, the Related Parties of each of the Agents, the Issuing Banks and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement or the other Loan Documents. For the avoidance doubt, pursuant to Section 8.12, each Assignee (as defined below) shall be deemed to have irrevocably agreed to be bound by the Flutter Intercreditor Agreement as an Institutional Debt Lender, as if it had been an original party to the Flutter Intercreditor Agreement.

(b) (i) Subject to the conditions set forth in subclause (ii) below, any Lender may assign to one or more assignees (each, an "Assignee") all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld or delayed) of:

(A) the Company, which consent, with respect to the assignment of a Term Loan, will be deemed to have been given if the Company has not responded within ten (10) Business Days after the delivery of any request for such consent; provided, that no consent of the Company shall be required for an assignment of a Term Loan to a Lender, an Affiliate of a Lender, an Approved Fund, or in the case of assignments during the primary syndication of the Commitments and Loans to persons identified to and agreed by the Company in writing prior to the Closing Date, or for an assignment of a Revolving Facility Commitment or Revolving Facility Loan to a Revolving Facility Lender, an Affiliate of a Revolving Facility Lender or Approved Fund with respect to a Revolving Facility Lender, or, in each case, if an Event of Default under Section 7.01(b), (c), (h) or (i) has occurred and is continuing, any other person; and

(B) the Administrative Agent; provided, that no consent of the Administrative Agent shall be required for an assignment of all or any portion of a Term Loan to a Lender, an Affiliate of a Lender, an Approved Fund, a Borrower or an Affiliate of a Borrower made in accordance with Section 9.04(i); and

(C) the Issuing Banks; provided, that no consent of the Issuing Banks shall be required for an assignment of all or any portion of a Term Loan.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitments or Loans under any Facility, the amount of the Commitments or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than (x) $1,000,000 (or the Dollar Equivalent, as applicable) or an integral multiple of $1,000,000 (or the Dollar Equivalent, as applicable) in excess thereof in the case of Term Loans and (y) $5,000,000 (or the Dollar Equivalent, as applicable) or an integral multiple of $1,000,000 (or the Dollar Equivalent, as applicable) in excess thereof in the case of Revolving Facility Loans or Revolving Facility Commitments, unless each of the Company and the Administrative Agent otherwise consent; provided, that (1) no such consent of the Company shall be required if an Event of Default under Section 7.01(b), (c), (h) or (i) has occurred and is continuing and (2) such amounts shall be aggregated in respect of each Lender and its Affiliates or Approved Funds (with simultaneous assignments to or by two or more Related Funds shall be treated as one assignment), if any;

(B) the parties to each assignment shall (1) execute and deliver to the Administrative Agent an Assignment and Acceptance via an electronic settlement system acceptable to the Administrative Agent or (2) if previously agreed with the Administrative Agent, manually execute and deliver to the Administrative Agent an Assignment and Acceptance, in each case together with a processing and recordation fee of $3,500 (which fee may be waived or reduced in the reasonable discretion of the Administrative Agent);

(C) the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire and any tax forms required to be delivered pursuant to Section 2.17;

(D) the Assignee shall not be the Company, or any of the Borrowers' Affiliates or Subsidiaries except in accordance with Section 9.04(i); and

(E) notwithstanding the foregoing, assignment or transfer to or assumption by any person of Commitments or Loans with respect to the Company pursuant to this Section 9.04 shall only be permitted if the person to whom such Loans or L/C Obligations are transferred is a Non-Public Lender.

For the purposes of this Section 9.04, "Approved Fund" shall mean any person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course and that is administered or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers or manages a Lender. Notwithstanding the foregoing or anything to the contrary herein, no Lender shall be permitted to assign or transfer any portion of its rights and obligations under this Agreement to (A) any Ineligible Institution, (B) any Defaulting Lender or any of its Subsidiaries, or any person who, upon becoming a Lender hereunder, would constitute any of the foregoing persons described in this clause (B), or (C) a natural person. Notwithstanding the foregoing, each Loan Party and the Lenders acknowledge and agree that the Administrative Agent shall not have any responsibility or obligation to determine whether any Lender or potential Lender is an Ineligible Institution and the Administrative Agent shall have no liability with respect to any assignment made to an Ineligible Institution. Any assigning Lender shall, in connection with any potential assignment, provide to the Company a copy of its request (including the name of the prospective assignee) concurrently with its delivery of the same request to the Administrative Agent irrespective of whether or not an Event of Default under Section 7.01(b), (c), (h) or (i) has occurred and is continuing.

(iii) Subject to acceptance and recording thereof pursuant to subclause (v) below, from and after the effective date specified in each Assignment and Acceptance the Assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Section 2.15, Section 2.16, Section 2.17 and Section 9.05 (subject to the limitations and requirements of those Sections)). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with clause (d) of this Section 9.04 (except to the extent such participation is not permitted by such clause (d) of this Section 9.04, in which case such assignment or transfer shall be null and void).

(iv) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Company and the Borrowers, shall maintain at one of its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal and interest amounts of the Loans and Revolving L/C Exposure owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrowers, the Administrative Agent, the Issuing Banks and the Lenders shall treat each person whose name is recorded in the Register

pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Company and the Borrowers, the Issuing Banks and any Lender, at any reasonable time and from time to time upon reasonable prior notice; provided, that no Lender shall, in such capacity, have access to, or be otherwise permitted to review any information in the Register other than information with respect to such Lender.

(v) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an Assignee, the Assignee's completed Administrative Questionnaire (unless the Assignee shall already be a Lender hereunder), the processing and recordation fee referred to in clause (b) of this Section 9.04, if applicable, and any written consent to such assignment required by clause (b) of this Section 9.04 and any applicable tax forms, the Administrative Agent shall accept such Assignment and Acceptance and promptly record the information contained therein in the Register. No assignment, whether or not evidenced by a promissory note, shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this subclause (v).

(c) [Reserved].

(d) (i) Any Lender may, without the consent of the Company or the Borrowers or the Administrative Agent, sell participations in Loans and Commitments to one or more banks or other entities other than (I) any Ineligible Institution (to the extent that the list of Ineligible Institutions has been made available to all Lenders; provided, that regardless of whether the list of Ineligible Institutions has been made available to all Lenders, no Lender may sell participations in Loans or Commitments to an Ineligible Institution without the consent of the Company if the list of Ineligible Institutions has been made available to such Lender) or (II) any Defaulting Lender or any of its Subsidiaries, or any person who, upon becoming a Lender hereunder, would constitute any of the foregoing persons described in this clause (II) (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it); provided, that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Company, the Borrowers, the Administrative Agent, the Issuing Banks and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement and the other Loan Documents; provided, that (x) such agreement may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that both (1) requires the consent of each Lender directly affected thereby pursuant to clauses (i), (ii), (iii) or (vi) of the first proviso to Section 9.08(b) and (2) directly adversely affects such Participant (but, for the avoidance of doubt, not any

waiver of any Default or Event of Default) and (y) no other agreement with respect to amendment, modification or waiver may exist between such Lender and such Participant. Subject to clause (d)(iii) of this Section 9.04, the Company and the Borrowers agree that each Participant shall be entitled to the benefits of Section 2.15, Section 2.16 and Section 2.17 (subject to the limitations and requirements of those Sections including Section 2.17(d) and Section 2.19) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to clause (b) of this Section 9.04 (it being agreed that any documentation required to be provided pursuant to Section 2.17(d) shall be provided solely to the participating Lender). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.06 as though it were a Lender; provided, that such Participant shall be subject to Section 2.18(c) as though it were a Lender. Notwithstanding the foregoing, each Loan Party and the Lenders acknowledge and agree that the Administrative Agent shall not have any responsibility or obligation to determine whether any Participant or potential Participant is an Ineligible Institution and the Administrative Agent shall have no liability with respect to any participation made to an Ineligible Institution.

(i) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Company and the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts and interest amounts of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"). The entries in the Participant Register shall be conclusive absent manifest error, and each party hereto shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. Without limitation of the requirements of this Section 9.04(d), no Lender shall have any obligation to disclose all or any portion of a Participant Register to any person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans or other Loan Obligations under any Loan Document), except to the extent that such disclosure is necessary to establish that such Commitment, Loan or other Loan Obligation is in registered form under Section 5f.103-1(c) or Proposed Section 1.1653-5(b) (or, in each case, any successor or amended version) for U.S. federal income tax purposes or is otherwise required by applicable law. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(ii) A Participant shall not be entitled to receive any greater payment under Section 2.15, Section 2.16 or Section 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, except to the extent that the entitlement to a greater payment results from a Change in Law after the Participant became a Participant.

(e) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other central bank and in the case of any Lender that is an Approved Fund, any pledge or assignment to any holders of obligations owed, or securities issued, by such Lender, including to any trustee for, or any other representative of, such holders, and this Section 9.04 shall not apply to any such pledge or assignment of a security interest; provided, that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or Assignee for such Lender as a party hereto.

(f) The Borrowers, upon receipt of written notice from the relevant Lender, agree to issue Notes to any Lender requiring Notes to facilitate transactions of the type described in clause (e) above.

(g) Notwithstanding the foregoing, any Conduit Lender may assign any or all of the Loans it may have funded hereunder to its designating Lender without the consent of the Borrowers or the Administrative Agent. Each of the Company, the Borrowers, each Lender and the Administrative Agent hereby confirms that it will not institute against a Conduit Lender or join any other person in instituting against a Conduit Lender any bankruptcy, reorganization, arrangement, insolvency or liquidation proceeding under any state bankruptcy or similar law, for one year and one day after the payment in full of the latest maturing commercial paper note issued by such Conduit Lender; provided, however, that each Lender designating any Conduit Lender hereby agrees to indemnify, save and hold harmless each other party hereto and each Loan Party for any loss, cost, damage or expense arising out of its inability to institute such a proceeding against such Conduit Lender during such period of forbearance.

(h) If the Borrowers wish to replace the Loans or Commitments under any Facility with ones having different terms, it shall have the option, with the consent of the Administrative Agent and subject to at least three (3) Business Days' advance notice to the Lenders under such Facility, instead of prepaying the Loans or reducing or terminating the Commitments to be replaced, to (i) require the Lenders under such Facility to assign such Loans or Commitments to the Administrative Agent or its designees and (ii) amend the terms thereof in accordance with Section 9.08 (with such replacement, if applicable, being deemed to have been made pursuant to Section 9.08(d)). Pursuant to any such assignment, all Loans and Commitments to be replaced shall be purchased at par (plus any applicable premium) (allocated among the Lenders under such Facility in the same manner as would be required if such Loans were being optionally prepaid or such Commitments were being optionally reduced or terminated by the Borrowers), accompanied by payment of any accrued interest and fees thereon and any amounts owing pursuant to Section 9.05(b). By receiving such purchase price, the Lenders under such Facility shall automatically be deemed to have assigned the Loans or Commitments under such Facility pursuant to the terms of the form of Assignment and Acceptance attached hereto as Exhibit A, and accordingly no other action by such Lenders shall be required in connection therewith. The provisions of this clause (h) are intended to facilitate the maintenance of the perfection and priority of existing security interests in the Collateral during any such replacement.

(i) Notwithstanding anything to the contrary in this Agreement, including Section 2.18(c) (which provisions shall not be applicable to clauses (i) or (j) of this Section 9.04), any of the Company or its Subsidiaries, including the Borrowers, may purchase by way of assignment and become an Assignee with respect to Term Loans at any time and from time to time from Lenders in accordance with Section 9.04(b) hereof (each, a "Permitted Loan Purchase"); provided, that, in respect of any Permitted Loan Purchase, (A) no Permitted Loan Purchase shall be made from the proceeds of any extensions of credit under the Revolving Facility, (B) upon consummation of any such Permitted Loan Purchase, the Loans purchased pursuant thereto shall be deemed to be automatically and immediately cancelled and extinguished in accordance with Section 9.04(j), (C) in connection with any such Permitted Loan Purchase, any of the Company or its Subsidiaries, including the Borrowers and such Lender that is the assignor (an "Assignor") shall execute and deliver to the Administrative Agent a Permitted Loan Purchase Assignment and Acceptance (and for the avoidance of doubt, (x) shall make the representations and warranties set forth in the Permitted Loan Purchase Assignment and Acceptance and (y) shall not be required to execute and deliver an Assignment and Acceptance pursuant to Section 9.04(b)(ii)(B)) and shall otherwise comply with the conditions to assignments under this Section 9.04 and (D) no Default or Event of Default would exist immediately after giving effect on a Pro Forma Basis to such Permitted Loan Purchase.

(j) Each Permitted Loan Purchase shall, for purposes of this Agreement be deemed to be an automatic and immediate cancellation and extinguishment of such Term Loans and the Company shall, upon consummation of any Permitted Loan Purchase, notify the Administrative Agent that the Register be updated to record such event as if it were a prepayment of such Loans.

(k) In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Company and the Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent, each Issuing Bank, any other Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full pro rata share of all Loans and participations in Letters of Credit in accordance with its Revolving Facility Percentage; provided that notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Section 9.05 Expenses; Indemnity.

(a) The Borrowers jointly and severally agree to pay (i) all reasonable and documented out-of-pocket expenses (including Other Taxes) incurred by the Administrative Agent, the Collateral Agent or the Arrangers in connection with the preparation, negotiation, execution, delivery and administration of this Agreement and the other Loan Documents, or by the Administrative Agent or the Collateral Agent in connection with the syndication of commitments, the Term Loans (including the obtaining and maintaining of CUSIP numbers for the Loans) or the administration of this Agreement and any amendments, modifications or waivers of the provisions hereof or thereof, including (i) in connection with post-closing searches to confirm that security filings and recordations have been properly made and including any costs and expenses of the service provider referred to in Section 8.03, (ii) all reasonable out of pocket expenses incurred by the Issuing Bank in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder, (iii) expenses incurred in connection with due diligence, (iv) the reasonable fees, charges and disbursements of Latham & Watkins LLP, counsel for the Administrative Agent, the Collateral Agent and the Arrangers, and, if necessary, the reasonable fees, charges and disbursements of one local counsel per jurisdiction, and (v) all reasonable and documented out-of-pocket expenses (including Other Taxes) incurred by the Agents, any Issuing Bank or any Lender in connection with the enforcement of their rights in connection with this Agreement and the other Loan Documents, in connection with the Loans made or the Letters of Credit issued hereunder, including the fees, charges and disbursements of a single counsel for all such persons, taken as a whole, and, if necessary, a single local counsel in each appropriate jurisdiction for all such persons, taken as a whole (and, in the case of an actual or perceived conflict of interest where such person affected by such conflict informs the Company of such conflict and thereafter retains its own counsel with the Company's prior written consent (not to be unreasonably withheld), of another firm of counsel for such affected person).

(b) The Borrowers jointly and severally agree to indemnify the Administrative Agent, the Collateral Agent, the Arrangers, the Joint Bookrunners, each Issuing Bank, each Lender, each of their respective Affiliates, successors and assigns, and each of their respective directors, officers, employees, agents, trustees, advisors and members (each such person being called an "Indemnitee") against, and to hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable counsel fees, charges and disbursements (excluding the allocated costs of in house counsel and limited to not more than one counsel for all such Indemnitees, taken as a whole, and, if necessary, a single local counsel in each appropriate jurisdiction for all such Indemnitees, taken as a whole (and, in the case of an actual or perceived conflict of interest where the Indemnitee affected by such conflict informs the Company of such conflict and thereafter retains its own counsel with the Company's prior written consent (not to be unreasonably withheld), of another firm of counsel for such affected Indemnitee)), incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of (i) the execution or delivery of this Agreement or any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto and thereto of their

respective obligations thereunder or the consummation of the Transactions and the other transactions contemplated hereby, (ii) the use of the proceeds of the Loans or the use of any Letter of Credit (including any refusal by any Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any violation of or liability under Environmental Laws by the Company or any Subsidiary, (iv) any actual or alleged presence, Release or threatened Release of or exposure to Hazardous Materials at, under, on, from or to any property owned, leased or operated by the Borrowers or any Subsidiary or (v) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto and regardless of whether such matter is initiated by a third party or by the Company or any of the Subsidiaries or Affiliates; provided, that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from the gross negligence, bad faith or willful misconduct of such Indemnitee or any of its Related Parties, (y) arose from a material breach of such Indemnitee's or any of its Related Parties' obligations under any Loan Document (as determined by a court of competent jurisdiction in a final, non-appealable judgment) or (z) arose from any claim, actions, suits, inquiries, litigation, investigation or proceeding that does not involve an act or omission of the Company or any of its Affiliates and is brought by an Indemnitee against another Indemnitee (other than any claim, actions, suits, inquiries, litigation, investigation or proceeding against any Agent, Issuing Bank, or Arranger in its capacity as such). None of the Indemnitees (or any of their respective affiliates) shall be responsible or liable to the Company, the Borrowers or any of their respective subsidiaries, Affiliates or stockholders or any other person or entity for any special, indirect, consequential or punitive damages, which may be alleged as a result of the Facilities or the Transactions. The provisions of this Section 9.05 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent, the Collateral Agent, any Arranger, any Issuing Bank or any Lender. All amounts due under this Section 9.05 shall be payable within 30 days after written demand therefor accompanied by reasonable documentation with respect to any reimbursement, indemnification or other amount requested.

(c) Except as expressly provided in Section 9.05(a) with respect to Other Taxes, which shall not be duplicative with any amounts paid pursuant to Section 2.17, this Section 9.05 shall not apply to any Taxes (other than Taxes that represent losses, claims, damages, liabilities and related expenses resulting from a non-Tax claim), which shall be governed exclusively by Section 2.17 and, to the extent set forth therein, Section 2.15.

(d) To the fullest extent permitted by applicable law, none of the Company, the Borrowers or the Subsidiaries shall assert, and hereby waive, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof. No Indemnitee shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.

(e) The agreements in this Section 9.05 shall survive the resignation of the Administrative Agent, the Collateral Agent or any Issuing Bank, the replacement of any Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all the other Obligations and the termination of this Agreement.

Section 9.06 Right of Set-off.

If an Event of Default shall have occurred and be continuing, each Lender and each Issuing Bank is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other Indebtedness at any time owing by such Lender or such Issuing Bank to or for the credit or the account of the Company, the Borrowers or any Subsidiary against any of and all the obligations of the Company or the Borrowers or any Subsidiary now or hereafter existing under this Agreement or any other Loan Document held by such Lender or such Issuing Bank, irrespective of whether or not such Lender or such Issuing Bank shall have made any demand under this Agreement or such other Loan Document and although the obligations may be unmatured; provided, that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.22 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, each Issuing Bank and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. Each Lender that exercises such right of set-off shall give prompt notice to the Company; provided that the failure to give such notice shall not affect the validity of such set-off and application. The rights of each Lender and each Issuing Bank under this Section 9.06 are in addition to other rights and remedies (including other rights of set-off) that such Lender or such Issuing Bank may have.

Section 9.07 Applicable Law.

THIS AGREEMENT (INCLUDING SECTION 9.15 AND ARTICLE X BUT EXCLUDING SECTION 8.01(C)) AND THE OTHER LOAN DOCUMENTS AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSES OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT (OTHER THAN AS EXPRESSLY SET FORTH IN OTHER LOAN DOCUMENTS) SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO ANY PRINCIPLE OF CONFLICTS OF LAW THAT COULD REQUIRE THE APPLICATION OF ANY OTHER LAW.

Section 9.08 Waivers; Amendment.

(a) No failure or delay of the Administrative Agent, any Issuing Bank or any Lender in exercising any right or power hereunder or under any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, each Issuing Bank and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by the Company, the Borrowers or any other Loan Party therefrom shall in any event be effective unless the same shall be permitted by clause (b) below, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on the Company, the Borrowers or any other Loan Party in any case shall entitle such person to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except (x) as provided in Section 2.21, (y) in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by Holdings, U.S. Holdings, the Company, the Borrowers, the Administrative Agent and the Required Lenders (or, (A) in respect of any waiver, amendment or modification of Section 6.11 (or any Default or Event of Default in respect thereof) or of Section 4.01 after the Closing Date, the Required Revolving Facility Lenders voting as a single Class, rather than the Required Lenders, or (B) in respect of any waiver, amendment or modification of Section 2.11(b) or (c), the Required Prepayment Lenders, rather than the Required Lenders), and (z) in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by each Loan Party party thereto and the Administrative Agent and consented to by the Required Lenders; provided, however, that no such agreement shall:

(i) decrease or forgive the principal amount of, or extend the final maturity of, or decrease the rate of interest on, any Loan or any L/C Disbursement, or extend the stated expiration of any Letter of Credit beyond the applicable Revolving Facility Maturity Date (except as provided in Section 2.05(c)), without the prior written consent of each Lender directly adversely affected thereby (which, notwithstanding the foregoing, such consent of such Lender directly adversely affected thereby shall be the only consent required hereunder to make such modification); provided, that any amendment to the financial definitions in this Agreement shall not constitute a reduction in the rate of interest for purposes of this clause (i),

(ii) increase or extend the Commitment of any Lender, or decrease the Commitment Fees, L/C Participation Fees or any other Fees of any Lender without the prior written consent of such Lender (which, notwithstanding the foregoing, such consent of such Lender shall be the only consent required hereunder to make such modification); provided, that waivers or modifications of conditions precedent, covenants, Defaults or Events of Default, mandatory prepayments or of a mandatory reduction in the aggregate Commitments shall not constitute an increase or extension of the Commitments of any Lender for purposes of this clause (ii),

(iii) extend or waive any Term Loan Installment Date or reduce the amount due on any Term Loan Installment Date or extend any date on which payment of interest on any Loan or any L/C Disbursement or any Fees is due, without the prior written consent of each Lender directly adversely affected thereby (which, notwithstanding the foregoing, such consent of such Lender directly adversely affected thereby shall be the only consent required hereunder to make such modification),

(iv) amend the provisions of Section 7.02 with respect to the pro rata application of payments required thereby in a manner that by its terms modifies the application of such payments required thereby to be on a less than pro rata basis, without the prior written consent of each Lender adversely affected thereby (which, notwithstanding the foregoing, such consent of such Lender directly adversely affected thereby shall be the only consent required hereunder to make such modification),

(v) amend or modify the provisions of this Section 9.08 or the definition of the terms "Required Lenders," "Majority Lenders," "Required Revolving Facility Lenders" or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the prior written consent of each Lender adversely affected thereby, in each case except, for the avoidance of doubt, as otherwise provided in Section 9.08(d) and (e) (it being understood that, with the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Lenders on substantially the same basis as the Loans and Commitments are included on the Closing Date),

(vi) release all or substantially all of the Collateral or all or substantially all of the value of the guarantees by Holdings, U.S. Holdings, the Company, the Borrowers or the Subsidiary Loan Parties, unless, in each case to the extent sold or otherwise disposed of in a transaction permitted by this Agreement, without the prior written consent of each Lender other than a Defaulting Lender,

(vii) effect any waiver, amendment or modification that by its terms adversely affects the rights in respect of payments or collateral of Lenders participating in any Facility differently from those of Lenders participating in another Facility, without the consent of the Majority Lenders participating in the adversely affected Facility except, for the avoidance of doubt, as otherwise provided in Section 9.08(d) and (e) (it being agreed that the Required Lenders may waive, in whole or in part, any prepayment or Commitment reduction required by Section 2.11 so long as the application of any prepayment or Commitment reduction still required to be made is not changed);

provided, further, that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent, the Collateral Agent or an Issuing Bank hereunder without the prior written consent of the Administrative Agent, the Collateral Agent or such Issuing Bank acting as such at the effective date of such agreement, as applicable. Each Lender shall be bound by any waiver, amendment or modification authorized by this Section 9.08 and any consent by any Lender pursuant to this Section 9.08 shall bind any Assignee of such Lender.

Notwithstanding anything to the contrary herein, no Defaulting Lender shall have the right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be affected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) the Commitment of any Defaulting Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender disproportionately adversely relative to other affected Lenders shall require the consent of such Defaulting Lender.

(c) Without the consent of any Lender or Issuing Bank, the Loan Parties and the Administrative Agent and/or Collateral Agent may (in their respective sole discretion) enter into any amendment, modification or waiver of any Loan Document, or enter into any new agreement or instrument, to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties, to include holders of Other First Liens in the benefit of the Security Documents in connection with the incurrence of any Other First Lien Debt, or as required by local law to give effect to, or protect any security interest for the benefit of the Secured Parties, in any property or so that the security interests therein comply with applicable law or this Agreement or in each case to otherwise enhance the rights or benefits of any Lender under any Loan Document.

(d) Notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent, Holdings, U.S. Holdings, the Company and the Borrowers (a) to permit additional extensions of credit to be outstanding hereunder from time to time and the accrued interest and fees and other obligations in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans and the Revolving Facility Loans and the accrued interest and fees and other obligations in respect thereof and (b) to include appropriately the holders of such extensions of credit in any determination of the requisite lenders required hereunder, including Required Lenders, Required Prepayment Lenders and the Required Revolving Facility Lenders.

(e) Notwithstanding the foregoing, technical and conforming modifications to the Loan Documents may be made with the consent of Holdings, U.S. Holdings and the Company and the Administrative Agent (but without the consent of any Lender) to the extent necessary (A) to integrate any Incremental Term Loan Commitments or Incremental Revolving Facility Commitments in a manner consistent with Section 2.21, including, with respect to Other Revolving Loans or Other Term Loans, as may be necessary to establish such Incremental Term Loan Commitments or Revolving Facility Commitments as a separate Class or tranche from the existing Commitments or Incremental Revolving Facility Commitments, as applicable, and, in the case of Extended Term Loans, to reduce the amortization schedule of the related existing Class of Term Loans proportionately, (B) to integrate any Other First Lien Debt or (C) to cure any ambiguity, omission, defect or inconsistency.

(f) Each of the parties hereto hereby agrees that the Administrative Agent may take any and all action as may be necessary to ensure that all Term Loans established pursuant to Section 2.21 after the Closing Date that will be included in an existing Class of Term Loans outstanding on such date (an "Applicable Date"), when originally made, are included in each Borrowing of outstanding Term Loans of such Class (the "Existing Class Loans"), on a pro rata basis, and/or to ensure that, immediately after giving effect to such new Term Loans (the "New Class Loans" and, together with the Existing Class Loans, the "Class Loans"), each Lender holding Class Loans will be deemed to hold its Pro Rata Share of each Class Loan on the Applicable Date (but without changing the amount of any such Lender's Term Loans), and each such Lender shall be deemed to have effectuated such assignments as shall be required to ensure the foregoing. The "Pro Rata Share" of any Lender on the Applicable Date is the ratio of (1) the sum of such Lender's Existing Class Loans immediately prior to the Applicable Date plus the amount of New Class Loans made by such Lender on the Applicable Date over (2) the aggregate principal amount of all Class Loans on the Applicable Date.

(g) With respect to the incurrence of any secured or unsecured Indebtedness (including any intercreditor agreement relating thereto), the Company may elect (in its discretion, but shall not be obligated) to deliver to the Administrative Agent a certificate of a Responsible Officer at least three Business Days prior to the incurrence thereof (or such shorter time as the Administrative Agent may agree in its reasonable discretion), together with either drafts of the material documentation relating to such Indebtedness or a description of such Indebtedness (including a description of the Liens intended to secure the same or the subordination provisions thereof, as applicable) in reasonably sufficient detail to be able to make the determinations referred to in this

paragraph, which certificate shall either, at the Company's election, (x) state that the Company has determined in good faith that such Indebtedness satisfies the requirements of the applicable provisions of Section 6.01 and Section 6.02 (taking into account any other applicable provisions of this Section 9.08), in which case such certificate shall be conclusive evidence thereof, or (y) request the Administrative Agent to confirm, based on the information set forth in such certificate and any other information reasonably requested by the Administrative Agent, that such Indebtedness satisfies such requirements, in which case the Administrative Agent may determine whether, in its reasonable judgment, such requirements have been satisfied (in which case it shall deliver to the Company a written confirmation of the same), with any such determination of the Administrative Agent to be conclusive evidence thereof, and the Lenders hereby authorize the Administrative Agent to make such determinations.

(h) Notwithstanding the foregoing, this Agreement may be amended, waived or otherwise modified with the written consent of the Required Revolving Facility Lenders, the Administrative Agent, Holdings, U.S. Holdings, the Company and the Borrowers with respect to (i) the provisions of Section 4.01, solely as they relate to the Revolving Facility Loans and Letters of Credit and (ii) the provisions of Section 6.11 (or Article VII or any other provision incorporating such Section 6.11 with respect to the effects thereof).

(i) Notwithstanding the foregoing, this Agreement may be amended, with the written consent of each Revolving Facility Lender or the Incremental Term Lender, as applicable, the Administrative Agent, Holdings, U.S. Holdings, the Company and the Borrowers to the extent necessary to integrate any Alternate Currency.

(j) Further, notwithstanding anything to the contrary in this Section 9.08, the Company and the Administrative Agent, in its sole discretion (or the Collateral Agent, in its sole discretion, as applicable), shall be permitted to amend, restate or otherwise modify any Loan Document in order to (i) comply with local law or the advice of local counsel or (ii) to cause any Loan Document (other than this Agreement) to be consistent with this Agreement and the other Loan Documents, and, in each case, such amendment shall become effective without any further action or consent of any other party to any Loan Document.

Section 9.09 Interest Rate Limitation.

Notwithstanding anything herein to the contrary, if at any time the applicable interest rate, together with all fees and charges that are treated as interest under applicable law (collectively, the "Charges"), as provided for herein or in any other document executed in connection herewith, or otherwise contracted for, charged, received, taken or reserved by any Lender or any Issuing Bank, shall exceed the maximum lawful rate (the "Maximum Rate") that may be contracted for, charged, taken, received or reserved by such Lender in accordance with applicable law, the rate of interest payable hereunder, together with all Charges payable to such Lender or such Issuing Bank, shall be limited to the Maximum Rate; provided, that such excess amount shall be paid to such Lender or such Issuing Bank on subsequent payment dates to the extent not exceeding the legal limitation.

Section 9.10 Entire Agreement.

This Agreement, the other Loan Documents and the agreements regarding certain Fees referred to herein constitute the entire contract between the parties relative to the subject matter hereof. Any previous agreement among or representations from the parties or their Affiliates with respect to the subject matter hereof is superseded by this Agreement and the other Loan Documents. Notwithstanding the foregoing, the Fee ~~Letter~~**Letters** shall survive the execution and delivery of this Agreement and remain in full force and effect. Nothing in this Agreement or in the other Loan Documents, expressed or implied, is intended to confer upon any party other than the parties hereto and thereto any rights, remedies, obligations or liabilities under or by reason of this Agreement or the other Loan Documents.

Section 9.11 WAIVER OF JURY TRIAL.

EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF ANY LEGAL PROCEEDING, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.11.

Section 9.12 Severability.

In the event any one or more of the provisions contained in this Agreement or in any other Loan Document should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

Section 9.13 Counterparts; Electronic Execution of Assignments and Certain Other Documents.

(a) This Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which, when taken together, shall constitute but one contract, and shall become effective as provided in Section 9.03. Delivery of an executed counterpart to this Agreement by electronic transmission pursuant to procedures approved by the Administrative Agent shall be as effective as delivery of a manually signed original.

(b) The words "execution," "execute", "signed," "signature," and words of like import in or related to any document to be signed in connection with this Agreement and the transactions contemplated hereby (including without limitation Assignment and Acceptances, amendments, Borrowing Requests, waivers and consents) shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that notwithstanding anything contained herein to the contrary the Administrative Agent is under no obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it. Without limiting the generality of the foregoing, the Borrowers and each other Loan Party hereby (i) agrees that, for all purposes, electronic images of this Agreement or any other Loan Documents (in each case, including with respect to any signature pages thereto) shall have the same legal effect, validity and enforceability as any paper original, and (ii) waives any argument, defense or right to contest the validity or enforceability of the Loan Documents based solely on the lack of paper original copies of any Loan Documents, including with respect to any signature pages thereto.

Section 9.14 Headings.

Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

Section 9.15 Jurisdiction; Consent to Service of Process.

(a) The Borrowers and each other Loan Party irrevocably and unconditionally agrees that it will not commence any action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, against the Administrative Agent, the Collateral Agent, any Issuing Bank, any Lender, or any Affiliate of the foregoing in any way relating to this Agreement or any other Loan Document or the transactions relating hereto or thereto, in any forum other than the courts of the State of New York sitting in New York County, and of the United States District Court of the Southern District of New York sitting in New York County, and any appellate court from any thereof, and each of the parties hereto irrevocably and unconditionally submits to the jurisdiction of such courts and agrees that all claims in respect of any such action, litigation or proceeding may be heard and determined in such

New York State court or, to the fullest extent permitted by applicable law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action, litigation or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or in any other Loan Document shall affect any right that the Administrative Agent, the Collateral Agent, any Issuing Bank or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against any Borrower or any other Loan Party or its properties in the courts of any jurisdiction.

(b) Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the other Loan Documents in any New York State or federal court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) By the execution and delivery of this Agreement, each Loan Party agrees that service of process upon such Loan Party and written notice of said service to any Loan Party in accordance with the manner provided for notices in Section 9.01 shall be deemed in every respect effective service of process upon such Loan Party, in any such suit or proceeding. To the extent that any Loan Party has or hereafter may acquire any immunity from jurisdiction of any court of (i) any jurisdiction in which it owns or leases property or assets, or (ii) the United States or the State of New York or any political subdivision thereof or from any legal process (whether through service of notice, attachment prior to judgment, attachment in aid of execution, execution or otherwise) with respect to itself or its property and assets or this Agreement or any of the other Loan Documents or actions to enforce judgments in respect of any thereof, such Loan Party hereby irrevocably waives such immunity in respect of its obligations under the above-referenced documents, to the extent permitted by law. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

(d) Each of Holdings, U.S. Holdings, the Company and each Borrower as of the Closing Date hereby unconditionally appoints Corporation Service Company, with an office on the Closing Date at 1180 Avenue of the Americas, Suite 210, New York, NY 10036-8401 and its successors hereunder (the "Process Agent"), as its agent to receive on behalf of Holdings, U.S. Holdings, the Company and such Borrower and their respective property all writs, claims, process and summonses in any action or proceeding brought against it in the State of New York; provided, upon prior written notice to the Administrative Agent, each such Loan Party may unconditionally appoint, in lieu of the foregoing Process Agent, C T Corporation System, with an office on the Closing Date at 111 Eighth Avenue, New York, NY 10011 and its successors hereunder (the "Replacement Process Agent"), as its agent to receive on behalf of Holdings, U.S. Holdings, the Company and such Borrower and their respective property all writs, claims, process and summonses in any action or proceeding brought against it in the State of New York. Such service may be made by mailing or delivering a copy of such process

to Holdings, U.S. Holdings, the Company or the respective Borrower (as applicable) in care of the Process Agent (or the Replacement Process Agent, as applicable) at the address specified above for the Process Agent (or the Replacement Process Agent, as applicable), and each of Holdings, U.S. Holdings, the Company and each Borrower irrevocably authorizes and directs the Process Agent (or the Replacement Process Agent, as applicable) to accept such service on its behalf. Failure by the Process Agent (or the Replacement Process Agent, as applicable) to give notice to Holdings, U.S. Holdings, the Company or a Borrower or failure of Holdings, U.S. Holdings, the Company or any Borrower to receive notice of such service of process shall not impair or affect the validity of such service on the Process Agent (or the Replacement Process Agent, as applicable) or Holdings, U.S. Holdings, the Company or a Borrower, or of any judgment based thereon. Holdings, U.S. Holdings, the Company and each Borrower each covenant and agree that it shall take any and all reasonable action, including the execution and filing of any and all documents, that may be necessary to continue the delegation of the Process Agent (or the Replacement Process Agent, as applicable) above in full force and effect, and to cause the Process Agent (or the Replacement Process Agent, as applicable) to act as such. Nothing herein shall in any way be deemed to limit the ability to serve any such writs, process or summonses in any other manner permitted by applicable law.

Section 9.16 Confidentiality.

Each of the Lenders, each Issuing Bank and each of the Agents agrees that it shall maintain in confidence any information relating to the Company, any Parent Entity, the Borrowers and any Subsidiary furnished to it by or on behalf of the Company, any Parent Entity, the Borrowers or any Subsidiary (other than information that (a) has become generally available to the public other than as a result of a disclosure by such party, (b) has been independently developed by such Lender, such Issuing Bank or such Agent without violating this Section 9.16 or (c) was available to such Lender, such Issuing Bank or such Agent from a third party having, to such person's knowledge, no obligations of confidentiality to the Company, any Parent Entity, the Borrowers or any other Loan Party) and shall not reveal the same other than to its directors, trustees, officers, employees, agents and advisors with a need to know and any numbering, administration or settlement service providers or to any person that approves or administers the Loans on behalf of such Lender (so long as each such person shall have been instructed to keep the same confidential in accordance with this Section 9.16), except: (A) to the extent necessary to comply with law or any legal process or the requirements of any Governmental Authority, the National Association of Insurance Commissioners or of any securities exchange on which securities of the disclosing party or any Affiliate of the disclosing party are listed or traded, (B) as part of normal reporting or review procedures to, or examinations by, Governmental Authorities or self-regulatory authorities, including the National Association of Insurance Commissioners or the Financial Industry Regulatory Authority, Inc., (C) to its parent companies, Affiliates or auditors (so long as each such person shall have been instructed to keep the same confidential in accordance with this Section 9.16), (D) in order to enforce its rights under any Loan Document in a legal proceeding, (E) to any pledgee under Section 9.04(e) or any other prospective assignee of, or prospective Participant in, any of its rights under this Agreement (so long as such person shall have been instructed to keep the same

confidential in accordance with this Section 9.16), (F) to any direct or indirect contractual counterparty in Hedging Agreements or such contractual counterparty's professional advisor (so long as such contractual counterparty or professional advisor to such contractual counterparty agrees to be bound by the provisions of this Section 9.16) and (G) to any rating agency for the purpose of obtaining a credit rating applicable to any Lender (so long as such disclosure is limited to the material terms of the Facilities and such agency agrees to be bound by the provisions of this Section 9.16 or terms substantially similar to this Section); provided that, in the case of clauses (E) and (F) and solely to the extent that the list of Ineligible Institutions has been made available to all Lenders, no information may be provided to any Ineligible Institution or person who is known to be acting for an Ineligible Institution. To the extent permitted by section 275 of the Australian PPSA, the parties agree to keep all information of the kind mentioned in section 275(1) and 275(4) of the Australian PPSA confidential and not to disclose that information to any other person, other than to the extent permitted hereunder.

Section 9.17 Platform; Borrower Materials.

The Borrowers hereby acknowledge that (a) the Administrative Agent and/or the Arrangers will make available to the Lenders and the Issuing Banks materials and/or information provided by or on behalf of the Borrowers hereunder (collectively, "Borrower Materials") by posting the Borrower Materials on IntraLinks or another similar electronic system (the "Platform"), and (b) certain of the Lenders may be "public-side" Lenders (i.e., Lenders that do not wish to receive material non-public information with respect to the Company, the Borrowers or their securities)) (each, a "Public Lender"). The Company and the Borrowers hereby agree that they will use commercially reasonable efforts to identify that portion of the Borrower Materials that may be distributed to the Public Lenders and that (i) all such Borrower Materials shall be clearly and conspicuously marked "PUBLIC" which, at a minimum, shall mean that the word "PUBLIC" shall appear prominently on the first page thereof, (ii) by marking Borrower Materials "PUBLIC," the Company and the Borrowers shall be deemed to have authorized the Administrative Agent, the Arrangers, the Issuing Banks and the Lenders to treat such Borrower Materials as solely containing information that is either (A) publicly available information or (B) not material (although it may be sensitive and proprietary) with respect to the Company, the Borrowers or their securities for purposes of United States Federal and state securities laws (provided, however, that such Borrower Materials shall be treated as set forth in Section 9.16, to the extent such Borrower Materials constitute information subject to the terms thereof), (iii) all Borrower Materials marked "PUBLIC" are permitted to be made available through a portion of the Platform designated "Public Investor;" and (iv) the Administrative Agent and the Arrangers shall be entitled to treat any Borrower Materials that are not marked "PUBLIC" as being suitable only for posting on a portion of the Platform not designated "Public Investor."

Section 9.18 Release of Liens and Guarantees.

(a) The Lenders, the Issuing Banks and the other Secured Parties hereby irrevocably agree that the Liens granted to the Collateral Agent by the Loan Parties on any Collateral shall be automatically released: (i) in full upon the occurrence of the Termination Date as set forth in Section 9.18(d) below; (ii) upon the Disposition of such Collateral by any Loan Party to a person that is not (and is not required to become) a Loan Party in a transaction not prohibited by this Agreement (and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Loan Party upon its reasonable request without further inquiry), provided that, for the avoidance of doubt, with respect to any disposal consisting of an operating lease or license, the underlying property retained by such Loan Party will not be so released, (iii) to the extent that such Collateral comprises property leased to a Loan Party, upon termination or expiration of such lease (and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Loan Party upon its reasonable request without further inquiry), (iv) if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders (or such other percentage of the Lenders whose consent may be required in accordance with Section 9.08), (v) to the extent that the property constituting such Collateral is owned by any Guarantor, upon the release of such Guarantor from its obligations under the Guarantee in accordance with the Subsidiary Guarantee Agreement or the Guarantee Agreement or clause (b) below (and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Loan Party upon its reasonable request without further inquiry), (vi) as provided in Section 8.12 (and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Loan Party upon its reasonable request without further inquiry), and (vii) as required by the Collateral Agent to effect any Disposition of Collateral in connection with any exercise of remedies of the Collateral Agent pursuant to the Security Documents. Any such release (other than pursuant to clause (i) above) shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those being released) upon (or obligations (other than those being released) of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any Disposition, all of which shall continue to constitute part of the Collateral except to the extent otherwise released in accordance with the provisions of the Loan Documents.

(b) In addition, the Lenders, the Issuing Banks and the other Secured Parties hereby irrevocably agree that the Guarantors shall be automatically released from the Guarantees upon (i) being released as Obligors under (and as defined in) the Term Loan A Facility Agreement; provided that, no release under this clause (i) shall occur if (A) any Default or Event of Default then exists or would result thereby, (B) such release is not permitted by the Term Loan A Facility Agreement as in effect on the date hereof or (C) such release is in connection with the termination of the Term Loan A Facility Agreement and (ii) consummation of any transaction not prohibited hereunder resulting in such Loan Party ceasing to exist or constitute a Loan Party or otherwise becoming an Excluded Subsidiary (and in each case of clauses (i) and (ii), the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Loan Party upon its reasonable request without further inquiry).

(c) The Lenders, the Issuing Banks and the other Secured Parties hereby authorize the Administrative Agent and the Collateral Agent, as applicable, to execute and deliver any instruments, documents, and agreements necessary or desirable to evidence and confirm the release of any Guarantor or Collateral pursuant to the foregoing provisions of this Section 9.18 and to return to the Company or the Borrowers all possessory collateral (including share certificates (if any)) held by it in respect of any Collateral so released, all without the further consent or joinder of any Lender or any other Secured Party. Any representation, warranty or covenant contained in any Loan Document relating to any such Collateral or Guarantor shall no longer be deemed to be made. In connection with any release hereunder, the Administrative Agent and the Collateral Agent shall promptly (and the Secured Parties hereby authorize the Administrative Agent and the Collateral Agent to) take such action and execute any such documents as may be reasonably requested by the Company and at the Company's expense in connection with the release of any Liens created by any Loan Document in respect of such Subsidiary, property or asset; provided, that the Administrative Agent shall have received a certificate of a Responsible Officer of the Company containing such certifications as the Administrative Agent shall reasonably request and any such release shall be without recourse to or warranty by the Administrative Agent or Collateral Agent.

(d) Notwithstanding anything to the contrary contained herein or any other Loan Document, on the Termination Date, all Liens granted to the Collateral Agent by the Loan Parties on any Collateral and all obligations of the Borrowers and the other Loan Parties under any Loan Documents (other than such obligations that expressly survive the Termination Date pursuant to the terms hereof) shall, in each case, be automatically released and, upon request of the Company, the Administrative Agent and/or the Collateral Agent, as applicable, shall (without notice to, or vote or consent of, any Secured Party) take such actions as shall be required to evidence the release its security interest in all Collateral (including returning to the Company or the Borrowers all possessory collateral (including all share certificates (if any)) held by it in respect of any Collateral), and to evidence the release of all obligations under any Loan Document (other than such obligations that expressly survive the Termination Date pursuant to the terms hereof), whether or not on the date of such release there may be any (i) obligations in respect of any Secured Hedge Agreements or any Secured Cash Management Agreements and (ii) any contingent indemnification obligations or expense reimburse claims not then due; provided, that the Administrative Agent shall have received a certificate of a Responsible Officer of the Company containing such certifications as the Administrative Agent shall reasonably request. Any such release of obligations shall be deemed subject to the provision that such obligations shall be reinstated if after such release any portion of any payment in respect of the obligations guaranteed thereby shall be rescinded, avoided, or must otherwise be restored or returned upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrowers or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrowers or any Guarantor or any substantial part of its property, or otherwise, all as though such payment had not been made. The Borrowers agree to pay all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent or the Collateral Agent (and their respective representatives) in connection with taking such actions to release security interest in all Collateral and all obligations under the Loan Documents as contemplated by this Section 9.18(d).

(e) Obligations of the Company or the Borrowers or any of its Subsidiaries under any Secured Cash Management Agreement or Secured Hedge Agreement (after giving effect to all netting arrangements relating to such Secured Hedge Agreements) shall be secured and guaranteed pursuant to the Security Documents only to the extent that, and for so long as, the other Obligations are so secured and guaranteed. No person shall have any voting rights under any Loan Document solely as a result of the existence of obligations owed to it under any such Secured Hedge Agreement or Secured Cash Management Agreement. For the avoidance of doubt, no release of Collateral or Guarantors effected in the manner permitted by this Agreement shall require the consent of any holder of obligations under Secured Hedge Agreements or any Secured Cash Management Agreements.

Section 9.19 Judgment Currency.

If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrowers in respect of any such sum due from it to the Administrative Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the Borrowers in the Agreement Currency, such Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to such Borrowers (or to any other person who may be entitled thereto under applicable law).

Section 9.20 USA PATRIOT Act Notice.

Each Lender that is subject to the USA PATRIOT Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrowers that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the USA PATRIOT Act.

Section 9.21 No Advisory or Fiduciary Responsibility.

In connection with all aspects of each transaction contemplated hereby, the Company and the Borrowers acknowledge and agree that: (i) the credit facilities provided for hereunder and any related arranging or other services in connection therewith (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document) are an arm's length commercial transaction between the Company, Borrowers, the other Loan Parties and their respective Affiliates, on the one hand, and the Agents, the Arrangers and the Lenders, on the other hand, and the Company, the Borrowers and the other Loan Parties are capable of evaluating and understanding and understand and accept the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents (including any amendment, waiver or other modification hereof or thereof); (ii) in connection with the process leading to such transaction, each Agent, each Arranger and each Lender is and has been acting solely as a principal and is not the financial advisor, agent or fiduciary, for the Borrowers, any Loan Party or any of their respective Affiliates, stockholders, creditors or employees or any other person; (iii) none of the Agents, any Arranger or any Lender has assumed or will assume an advisory, agency or fiduciary responsibility in favor of the Company, the Borrowers or any other Loan Party with respect to any of the transactions contemplated hereby or the process leading thereto, including with respect to any amendment, waiver or other modification hereof or of any other Loan Document (irrespective of whether any Agent, any Joint Lead Arranger or any Lender has advised or is currently advising the Company, the Borrowers or any other Loan Party or their respective Affiliates on other matters) and none of the Agents, any Arranger or any Lender has any obligation to the Borrowers, the other Loan Parties or their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; (iv) the Agents, the Arrangers, the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Company, the Borrowers and the other Loan Parties and their respective Affiliates, and none of the Agents, any Arranger or any Lender has any obligation to disclose any of such interests by virtue of any advisory, agency or fiduciary relationship; and (v) the Agents, the Arrangers and the Lenders have not provided and will not provide any legal, accounting, regulatory or tax advice with respect to any of the transactions contemplated hereby (including any amendment, waiver or other modification hereof or of any other Loan Document) and the Borrowers and the other Loan Parties have consulted their own legal, accounting, regulatory and tax advisors to the extent they deemed appropriate. The Company and the Borrowers each hereby waives and releases, to the fullest extent permitted by law, any claims that it may have against the Agents, the Arrangers and the Lenders with respect to any breach or alleged breach of agency or fiduciary duty.

Section 9.22 Agency of the Company for the Borrowers.

Each Borrower hereby designates the Company as its borrower representative (the "Borrower Representative"). The Borrower Representative will be acting as agent on each of the Borrowers behalf for the purposes of issuing notices of Borrowing and notices of conversion/continuation of any Loans pursuant to Section 2.14(a)(ii) or similar notices, giving instructions with respect to the disbursement of the proceeds of the Loans, selecting interest rate options, requesting Letters of Credit, giving and receiving all other notices and consents hereunder or under any of the other Loan Documents and taking all other actions (including in respect of compliance with

covenants and certifications) on behalf of any Borrower or the Borrowers under the Loan Documents. The Borrower Representative hereby accepts such appointment. Each Borrower agrees that each notice, election, representation and warranty, covenant, agreement and undertaking made on its behalf by the Borrower Representative shall be deemed for all purposes to have been made by such Borrower and shall be binding upon and enforceable against such Borrower to the same extent as if the same had been made directly by such Borrower.

Section 9.23 No Liability of the Issuing Banks.

The Borrowers assume all risks of the acts or omissions of any beneficiary or transferee of any Letter of Credit with respect to its use of such Letter of Credit. Neither any Issuing Bank nor any of its officers or directors shall be liable or responsible for: (a) the use that may be made of any Letter of Credit or any acts or omissions of any beneficiary or transferee in connection therewith; (b) the validity, sufficiency or genuineness of documents, or of any endorsement thereon, even if such documents should prove to be in any or all respects invalid, insufficient, fraudulent or forged; (c) payment by such Issuing Bank against presentation of documents that do not comply with the terms of a Letter of Credit, including failure of any documents to bear any reference or adequate reference to the Letter of Credit; or (d) any other circumstances whatsoever in making or failing to make payment under any Letter of Credit, except that the Borrowers shall have a claim against such Issuing Bank, and such Issuing Bank shall be liable to the Borrowers, to the extent of any direct, but not consequential, damages suffered by the Borrowers that the Borrowers prove were caused by (i) such Issuing Bank's willful misconduct or gross negligence as determined in a final, non-appealable judgment by a court of competent jurisdiction in determining whether documents presented under any Letter of Credit comply with the terms of the Letter of Credit or (ii) such Issuing Bank's willful failure to make lawful payment under a Letter of Credit after the presentation to it of a draft and certificates strictly complying with the terms and conditions of the Letter of Credit. In furtherance and not in limitation of the foregoing, such Issuing Bank may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary.

Section 9.24 Acknowledgment and Consent to Bail-In of Affected Financial Institutions

Solely to the extent any Lender or Issuing Bank or as of the First Amendment Effective Date, the Collateral Agent, that is an Affected Financial Institution is a party to this Agreement and notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender or Issuing Bank or as of the First Amendment Effective Date, the Collateral Agent that is an Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender or Issuing Bank that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

Section 9.25 Co-Borrower and Flutter Finance; Additional Borrowers.

(a) Notwithstanding anything to the contrary contained in this Agreement, from the Second Amendment Effective Date, the parties hereto agree that the Co-Borrower, Flutter Finance shall be a co-borrower with respect to all Loans and other Obligations of the Dutch Borrower hereunder, and each reference herein to "the Dutch Borrower" or to the "Borrower" with respect to any Loans or Obligations of the Dutch Borrower hereunder shall be deemed to be a reference to each of the Dutch Borrower, the Co-Borrower, of Flutter Finance, jointly and severally. Each of the Dutch Borrower, the Co-Borrower and Flutter Finance shall be jointly and severally liable for all such Loans and other Obligations, regardless of which Borrower actually receives the benefit thereof or the manner in which they account for such Loans and Obligations on their books and records. Upon the commencement and during the continuation of any Event of Default, the Agents and the applicable Lenders may (in accordance with the terms of this Agreement and the other Loan Documents) proceed directly and at once, without notice, against the Dutch Borrower, the Co-Borrower or Flutter Finance, or all of them, to collect and recover the full amount, or any portion of, such Obligations, without first proceeding against the other Borrower or any other person, or any security or collateral for such Obligations. Each Borrower consents and agrees that neither the Agents nor the Lenders shall be under any obligation to marshal any assets in favor of any Borrower or against or in payment of any or all of such Obligations.

(b) [Reserved].

(c) [Reserved].

(d) A Borrower may elect to resign as a Borrower if all of the Obligations of such Borrower have been paid in full or assigned to another Borrower pursuant to documentation satisfactory to the Administrative Agent; provided that: (i) no Default or Event of Default is continuing or would result from the resignation of such Borrower; (ii) such resigning Borrower has delivered to the Administrative Agent a notice of resignation; and (iii) where that Borrower is also a Guarantor (unless its Guarantee is being released in accordance with Section 9.18), its obligations in its capacity as Guarantor continue to be legal, valid, binding and enforceable and in full force and effect. Upon satisfaction of the requirements in subclauses (i), (ii) and (iii) of this clause (d), the relevant Borrower shall cease to be a Borrower.

Section 9.26 Representation of a Dutch Loan Party.

If, in respect of a Dutch Loan Party, this Agreement or any other Transaction Document is signed or executed by another person (a "Dutch Attorney-in-Fact") acting on behalf of such Dutch Loan Party pursuant to a power of attorney executed and delivered by such Dutch Loan Party, it is hereby expressly acknowledged and accepted in accordance with article 14 of the Hague Convention on the Law Applicable to Agency of 14 March 1978 by the other parties to this Agreement or any other Transaction Document that the existence and extent of such Attorney-in-Fact's authority and the effects of such Dutch Attorney-in-Fact's exercise or purported exercise of his or her authority shall be governed by the laws of the Netherlands.

Section 9.27 Application of Gaming Laws.

(a) This Agreement and the other Loan Documents are subject to Gaming Laws. Without limiting the foregoing and notwithstanding anything herein or in any other Loan Document to the contrary, the Lenders, Agents and Secured Parties acknowledge that (i) they are subject to the jurisdiction of the Gaming Authorities, in their discretion, for licensing, qualification or findings of suitability or to file or provide other information, and (ii) all rights, remedies and powers in or under this Agreement and the other Loan Documents, including with respect to the Collateral (including the pledge and delivery of the Pledged Collateral (as defined in the applicable Security Documents)), any Mortgaged Property and the ownership and operation of facilities, are, in each case, subject to the jurisdiction of the Gaming Authorities, and may be exercised only to the extent that the exercise thereof does not violate any applicable provisions of the Gaming Laws and only to the extent that required approvals (including prior approvals) are obtained from the relevant Gaming Authorities.

(b) The Lenders, Agents and Secured Parties agree to cooperate with all Gaming Authorities in connection with the provision in a timely manner of such documents or other information as may be requested by such Gaming Authorities relating to the Loan or Loan Documents.

(c) The Lenders acknowledge and agree that if any Borrower receives a notice from any applicable Gaming Authority that any Lender is a Disqualified holder (and such Lender is notified by the Company or any Borrower in writing of such Disqualification), the Company or any Borrower shall, following any available appeal of such determination by such Gaming Authority (unless the rules of the applicable Gaming Authority do not permit such Lender to retain its Loans or Commitments pending appeal of such determination), have the right to (i) cause such Disqualified holder to transfer and assign, without recourse all of its interests, rights and obligations in its Loans and Commitments or (ii) in the event that (A) the Borrower is unable to assign such Loan or Commitments after using its best efforts to cause such an assignment and (B) no Default or Event of Default has occurred and is continuing, prepay such Disqualified holder's Loan and terminate such Disqualified holder's Commitments, as applicable. Notice to such Disqualified holder shall be given ten days prior to the required date of assignment or prepayment, as the case may be, and shall be accompanied by evidence demonstrating that such transfer or prepayment is required pursuant to Gaming Laws. If reasonably requested by any Disqualified holder, the Company or any Borrower will use commercially reasonable efforts to cooperate with any such holder that is seeking to appeal such determination and to afford such holder an opportunity to participate in any proceedings relating thereto. Notwithstanding anything herein to the contrary, any prepayment of a Loan shall be at a price that, unless otherwise directed by a Gaming Authority, shall be equal to the sum of the principal amount of such Loan and interest to the date on which such Lender or holder became a Disqualified holder (plus any fees and other amounts accrued for the account of such Disqualified holder to the date such Lender or holder became a Disqualified holder).

(d) If during the existence of an Event of Default hereunder or any of the other Loan Documents, it shall become necessary or, in the opinion of the Administrative Agent, advisable for an agent, supervisor, receiver or other representative of the Lenders to become licensed or found qualified under any Gaming Law as a condition to receiving the benefit of any Collateral encumbered by the Loan Documents or to otherwise enforce the rights of the Agents, Secured Parties and the Lenders under the Loan Documents, the Company hereby agrees to consent to the application for such license or qualification and to execute such further documents as may be required in connection with the evidencing of such consent.

Section 9.28 Exclusion of the Australian PPSA Provisions.

Where a Secured Party has an Australian PPS Security Interest under this Agreement, to the extent the law permits:

(a) For the purposes of sections 115(1) and 115(7) of the Australian PPSA:

(i) each Secured Party with the benefit of the security interest need not comply with sections 95, 118, 121(4), 125, 130, 132(3)(d) or 132(4) of the Australian PPSA; and

(ii) sections 142 and 143 of the Australian PPSA are excluded;

(b) For the purposes of section 115(7) of the Australian PPSA, each Secured Party with the benefit of the security interest need not comply with sections 132 and 137(3);

(d) If a Secured Party with the benefit of a security interest exercises a right, power or remedy in connection with it, that exercise is taken not to be an exercise of a right, power or remedy under the Australian PPSA unless the Secured Party states otherwise at the time of exercise. However, this Section does not apply to a right, power or remedy which can only be exercised under the Australian PPSA.

Section 9.29 Acknowledgment Regarding Any Supported QFCs

(a) in the event a Covered Entity that is party to a Supported QFC (each, a "Covered Party") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support: and

(b) As used in this Section 9.26, the following terms have the following meanings:

Holdings and U.S. Holdings agree that either shall have no right of subrogation, indemnity, reimbursement or contribution against any Borrower or any other Guarantor for amounts paid under this Article X until such time as the Obligations have been paid in full in cash and the Commitments have expired or terminated.

(vi) the lack of enforceability or validity of the Obligations or any part thereof or the genuineness, enforceability or validity of any agreement relating thereto or with respect to any collateral securing the Obligations or any part thereof, or any other invalidity or unenforceability relating to or against Holdings, U.S. Holdings, any Borrower or any other guarantor of any of the Obligations, for any reason related to this Agreement, any other Loan Document, any Secured Hedge Agreement, any Secured Cash Management Agreement or any provision of applicable law, decree, order or regulation of any jurisdiction purporting to prohibit the payment by Holdings, U.S. Holdings, any Borrower or any other guarantor of the Obligations, of any of the Obligations or otherwise affecting any term of any of the Obligations.

(c) With respect to its obligations hereunder, Holdings and U.S. Holdings hereby expressly waive diligence, presentment, demand of payment, protest and all notices whatsoever, and any requirement that the Administrative Agent, the Collateral Agent or any other holder of the Obligations exhaust any right, power or remedy or proceed against any person under any of the Loan Documents or other documents relating to the Obligations, or against any other person under any other guarantee of, or security for, any of the Obligations.

Section 10.03 Reinstatement.

Holdings and U.S. Holdings each further agree that it shall have no right of recourse to security for the Obligations, except through the exercise of rights of subrogation pursuant to Section 10.02 and through the exercise of rights of contribution pursuant to Section 10.06.

Section 10.05 Remedies.

Holdings and U.S. Holdings each agree that, to the fullest extent permitted by law, as between Holdings and U.S. Holdings, on the one hand, and the Administrative Agent, the Collateral Agent and the other holders of the Obligations, on the other hand, the Obligations may be declared to be forthwith due and payable as provided in Article VII (and shall be deemed to have become automatically due and payable in the circumstances provided in said Article VII) for purposes of Section 10.01 notwithstanding any stay, injunction or other prohibition preventing such declaration (or preventing the Obligations from becoming automatically due and payable) as against any other person and that, in the event of such declaration (or the Obligations being deemed to have become automatically due and payable), the Obligations (whether or not due and payable by any other person) shall forthwith become due and payable by Holdings or U.S. Holdings for purposes of Section 10.01. Holdings and U.S. Holdings each acknowledge and agree that its obligations hereunder are secured in accordance with the terms of the Security Documents and that the holders of the Obligations may exercise their remedies thereunder in accordance with the terms thereof.

Section 10.07 Guarantee of Payment; Continuing Guarantee.

An amount borrowed includes any amount utilised by way of an Ancillary Facility.

Section 1.13 Agreed Guarantee and Security Principles.

In the case of any Loan Parties, the Security Documents, the Guarantee Agreement and each other guaranty and security document delivered hereunder or to be delivered under this Agreement and any obligation to enter into such document or obligation in each case by any subsidiary shall be granted in accordance with the Agreed Guarantee and Security Principles set forth in Schedule 1.14.

Section 1.14 Interest Rates.

The interest rate on a Loan denominated in Dollars or an Alternate Currency may be derived from an interest rate benchmark that may be discontinued or is, or may in the future become, the subject of regulatory reform. No Agent, Arranger, Lender, Ancillary Lender or Issuing Bank warrants or accepts any responsibility or shall have any liability with respect to (i) the administration, submission or any matter relating to the rates in the definition of Term SOFR, Compounded SONIA, EURIBO Rate, or with respect to any rate that is an alternative, comparable or successor rate thereto or (ii) the effect of any of the foregoing or any conforming changes with respect thereto, including, without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, Term SOFR, Compounded SONIA, or the EURIBO Rate, as applicable, or have the same volume or liquidity as did the applicable rate prior to its discontinuance or unavailability. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain any interest rate used in this Agreement, any component thereof, or rates referenced in the definition thereof, in each case pursuant to the terms of

this Agreement, and shall have no liability to the Company, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

ARTICLE II *The Credits*

Section 2.01 Commitments.

Subject to the terms and conditions set forth herein:

(a) During the Availability Period (i) each Term A1 Lender severally agrees to make the Term A1 Loans denominated in Sterling to the applicable Borrowers on the date of Borrowing as set out in the Borrowing Request in an aggregate principal amount not to exceed the amount of such Term A1 Lender's Term A1 Loan Commitment on the Closing Date, (ii) each Term A2 Lender severally agrees to make the Term A2 Loans denominated in Euros to the applicable Borrowers on the date of Borrowing as set out in the Borrowing Request in an aggregate principal amount not to exceed the amount of such Term A2 Lender's Term A2 Loan Commitment on the Closing Date, (iii) each Term A3 Lender severally agrees to make the Term A3 Loans denominated in Dollars to the applicable Borrowers on the date of Borrowing as set out in the Borrowing Request in an aggregate principal amount not to exceed the amount of such Term A3 Lender's Term A3 Loan Commitment on the Closing Date and (iv) each Term B Lender severally agrees to make the Term B Loans denominated in Dollars to the applicable Borrowers on the date of Borrowing as set out in the Borrowing Request in an aggregate principal amount not to exceed the amount of such Term B Lender's Term B Loan Commitment on the Closing Date.

(b) Each Revolving Facility Lender agrees to make Revolving Facility Loans of a Class to be denominated in Dollars, Euros, Sterling or, subject to Section 1.05, an Alternate Currency, as applicable, to the Borrowers from time to time during the Availability Period in an aggregate principal amount that will not result in (i) such Lender's Revolving Facility Credit Exposure exceeding such Lender's Revolving Facility Commitment or (ii) the aggregate Revolving Facility Credit Exposure exceeding the total Revolving Facility Commitments. Subject to the terms of this Agreement and the Ancillary Documents, an Ancillary Lender may make all or part of its Revolving Facility Commitment available to any Borrower as an Ancillary Facility. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrowers may borrow, prepay and reborrow Revolving Facility Loans.

(c) Each of (i) the Term A2 Loans shall be Eurocurrency Term Loans, (ii) the Term A1 Loans shall be Compounded SONIA Loans, (iii) the Term A3 Loans shall be Term SOFR Loans, (iv) the Term B Loans shall be ABR Term Loans or Term SOFR Loans, (v) the Revolving Facility Loans shall be Eurocurrency Term Loans, Compounded SONIA Loans or Term SOFR Loans, (vi) the Swingline Loans shall be ABR Loans and (vii) the Incremental Loans shall be Eurocurrency Term Loans, Compounded SONIA Loans, ABR Term Loans or Term SOFR Loans as provided for in the relevant Incremental Assumption Agreement, in each case, as further provided herein.

(d) Each Lender having an Incremental Term Loan Commitment agrees, subject to the terms and conditions set forth in the applicable Incremental Assumption Agreement, to make Incremental Term Loans to the applicable Borrowers, in an aggregate principal amount not to exceed its Incremental Term Loan Commitment.

(e) The maximum aggregate amount of the Ancillary Commitments of all the Lenders shall not at any time exceed the total Revolving Facility Commitments.

(f) Amounts of Term A Loans and Term B Loans borrowed under Section 2.01(a) that are repaid or prepaid may not be reborrowed.

Section 2.02 Loans and Borrowings.

(a) Each Loan shall be made as part of a Borrowing consisting of Loans under the same Facility and of the same Type and in the same currency made by the Lenders ratably in accordance with their respective Commitments under the applicable Facility; provided, however, that Revolving Facility Loans of any Class shall be made by the Revolving Facility Lenders of such Class ratably in accordance with their respective Revolving Facility Percentages on the date such Loans are made hereunder. The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder; provided, that the Commitments of the Lenders are several and no Lender shall be responsible for any other Lender's failure to make Loans as required.

(b) Subject to Section 2.14, (w) each Borrowing shall be comprised entirely of ABR Loans, Compounded SONIA Loans, Term SOFR Loans or Eurocurrency Loans as the Borrowers may request in accordance herewith, (x) each Borrowing denominated in Dollars shall be comprised entirely of ABR Loans, Term SOFR Loans or Eurocurrency Loans as the Borrowers may request in accordance herewith and (y) each Borrowing denominated in Euro, Sterling or an Alternate Currency shall be comprised entirely of Eurocurrency Loans as the Borrowers may request in accordance herewith. ABR Loans shall be denominated in Dollars. Each Lender at its option may make any ABR Loan, Compounded SONIA Loan, Term SOFR Loan or Eurocurrency Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided, that (i) any exercise of such option shall not affect the obligation of the Borrowers to repay such Loan in accordance with the terms of this Agreement, (ii) such Lender shall not be entitled to any amounts payable under Section 2.15 or Section 2.17 solely in respect of increased costs resulting from such exercise and existing at the time of such exercise; (iii) each such Lender shall remain liable and responsible for the performance of all obligations assumed by any domestic or foreign branch or Affiliate of such Lender so nominated by it and (iv) the non-performance of a Lender's obligations by any domestic or foreign branch or Affiliate of such Lender so nominated by it shall not relieve the Lender from its obligations under this Agreement.

(c) At the commencement of each Interest Period for any Swingline Loan, Eurocurrency Revolving Facility Borrowing, SOFR Borrowing or Compounded SONIA Borrowing, such Borrowing shall be in an aggregate amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum. A Revolving Facility Borrowing may be in an aggregate amount that is equal to the entire unused available balance of the Revolving Facility Commitments or that is required to finance the reimbursement of an L/C Disbursement as contemplated by Section 2.05(e). Revolving Facility Loans may be Eurocurrency Revolving Facility Borrowings or Compounded SONIA Revolving Facility Borrowings, or a combination thereof. Borrowings of more than one Type may be outstanding at the same time; provided, however, that the Borrower shall not be entitled to request any Borrowing that, if made, would result in more than (i) 12 (or such higher number as may be agreed by the Company and the Administrative Agent from time to time) Eurocurrency Borrowings, SOFR Borrowings and Compounded SONIA Borrowings outstanding under all Term Facilities at any time and (ii) 10 Eurocurrency Borrowings, SOFR Borrowings and Compounded SONIA Borrowings outstanding under all Revolving Facilities at any time. Borrowings having different Interest Periods, regardless of whether they commence on the same date, shall be considered separate Borrowings.

(d) Notwithstanding any other provision of this Agreement, the Borrowers shall not be entitled to request, or to elect to convert or continue, any Borrowing of any Class if the Interest Period requested with respect thereto would end after the Revolving Facility Maturity Date or the applicable Term Facility Maturity Date for such Class, as applicable.

Section 2.03 Requests for Borrowings.

To request a Revolving Facility Borrowing and/or a Term Borrowing, a Borrower shall notify the Administrative Agent of such request by telephone or electronically (a) in the case of a Compounded SONIA Borrowing, a Eurocurrency Borrowing or a Term SOFR Borrowing, not later than 11:00 a.m., London time, two (2) Business Days before the date of the proposed Borrowing whether denominated in Dollars, Euros or Sterling (or in an Alternate Currency if such Alternate Currency has been approved pursuant to Section 1.05), or (b) in the case of an ABR Borrowing, not later than 10:00 a.m. Local Time, on the Business Day of the proposed Borrowing (or, in each case, such shorter period as the Administrative Agent may agree); provided, that, (i) to request a Compounded SONIA Borrowing of Compounded SONIA Loans, a Eurocurrency Borrowing of Eurocurrency Term Loans, a Term SOFR Borrowing of Term SOFR Loans and/or ABR Borrowing on the Closing Date, a Borrower shall notify the Administrative Agent of such request by telephone not later than 9:00 a.m., New York City time, one Business Day prior to the Closing Date (or such later time as the Administrative Agent may agree), (ii) [reserved] and (iii) any such notice of an Incremental Revolving Borrowing or Incremental Term Borrowing may be given at such time as provided in the applicable Incremental Assumption Agreement. Each such telephonic Borrowing Request shall be irrevocable (other than in the case of any notice given in respect of the Closing Date or, in the case of notice given in respect of Incremental Commitments, which may be conditioned as provided in the applicable Incremental Assumption Agreement) and shall be confirmed promptly by hand delivery or electronic means to the Administrative Agent of a written Borrowing Request signed by the Company. Each such telephonic and written Borrowing Request shall specify the following information in compliance with Section 2.02:

(a) whether such Borrowing is to be a Borrowing of Term A Loans, Term B Loans, Revolving Facility Loans, Refinancing Term Loans, Other Term Loans, Other Revolving Loans or Replacement Revolving Loans as applicable;

(b) the Borrower or Borrowers making the requested Borrowing, and the aggregate amount and currency of such Borrowing (which, in the case of a Revolving Facility Borrowing, shall be denominated in Dollars, Euros, Sterling or, subject to Section 1.05, an Alternate Currency, and, in the case of a Term Borrowing, shall be denominated in Dollars, Sterling and/or Euros or any Alternate Currency agreed in the applicable Incremental Assumption Agreement);

(c) the date of such Borrowing, which shall be a Business Day;

(d) whether such Borrowing is to be a Eurocurrency Borrowing, Term SOFR Borrowing, an ABR Borrowing or a Compounded SONIA Borrowing;

(e) in the case of a Eurocurrency Borrowing, Term SOFR Borrowing or Compounded SONIA Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period"; and

(f) the location and number of the applicable Borrower's account to which funds are to be disbursed.

If no election as to the currency of any Revolving Facility Borrowing or Term Borrowing is made, then the requested Borrowing shall be made in Dollars. If no election as to the Type of Borrowing is specified, then the requested Borrowing shall be (x) an ABR Borrowing in the case of Loans denominated in Dollars or (y) a Compounded SONIA Borrowing, Eurocurrency Borrowing or Term SOFR Borrowing in the case of Loans denominated in Euros, Sterling or any other Alternate Currency. If no Interest Period is specified with respect to any requested Eurocurrency Borrowing, Term SOFR Borrowing or Compounded SONIA Borrowing, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. Promptly following receipt of a Borrowing Request in accordance with this Section 2.03, the Administrative Agent shall advise each Lender of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

Section 2.04 Swingline Loans.

(a) Whenever a Swingline Borrower desires to incur Swingline Loans hereunder, the Borrower shall give the Administrative Agent written notice of each Borrowing of Swingline Loans prior to 9:00 a.m. (New York City time) on the date of such Borrowing. Each such notice shall specify (x) the aggregate principal amount of the Swingline Loans to be made pursuant to such Borrowing and (y) the date of Borrowing (which shall be a Business Day during the Availability Period for the Revolving Facility).

Each Swingline Loan shall be denominated in U.S. Dollars and be an ABR Loan. Promptly following receipt of a request in accordance with this Section 2.04 (and in any event, by no later than 10:00 a.m. (New York City time) on the date of such Borrowing), the Administrative Agent shall advise each Swingline Lender of the details thereof and of the amount of such Swingline Lender's Swingline Loan to be made as part of the requested Borrowing of Swingline Loans.

(b) The Swingline Lenders shall not make any Swingline Loan after receiving a written notice from the Borrower, the Administrative Agent or the Required Revolving Facility Lenders stating that a Default or Event of Default exists and is continuing until such time as the Swingline Lenders shall have received written notice of (i) rescission of all such notices from the party or parties originally delivering such notice or (ii) the waiver of such Default or Event of Default in accordance with the provisions of Section 9.08.

(c) On any Business Day that is at least three Business Days after the date of Borrowing of any Swingline Loan, any Swingline Lender may, in its sole discretion, give notice to the Administrative Agent and each Revolving Facility Lender that all then outstanding Swingline Loans of each Swingline Lender shall be funded with a Borrowing of Revolving Facility Loans, in which case (i) Revolving Facility Loans constituting ABR Loans shall be made on the immediately succeeding Business Day (each such Borrowing, a "Mandatory Borrowing") by each Revolving Facility Lender pro rata based on each Revolving Facility Lender's Revolving Facility Percentage, and the proceeds thereof shall be applied directly to the Swingline Lenders to repay the Swingline Lenders for all such outstanding Swingline Loans. Each Revolving Facility Lender hereby irrevocably agrees to make such Revolving Facility Loans upon one Business Day's notice pursuant to each Mandatory Borrowing in the amount and in the manner specified in the preceding sentence and on the date specified to it in writing by the Swingline Lenders notwithstanding (i) that the amount of the Mandatory Borrowing may not comply with the minimum amount for each Borrowing specified in Section 2.02(c), (ii) whether any conditions specified in Section 4.01 are then satisfied, (iii) whether a Default or an Event of Default has occurred and is continuing, (iv) the date of such Mandatory Borrowing, or (v) any reduction in the total Revolving Facility Commitment after any such Swingline Loans were made. In the event that, in the sole judgment of the Swingline Lenders, any Mandatory Borrowing cannot for any reason be made on the date otherwise required above (including as a result of the commencement of a proceeding under the U.S. Bankruptcy Code or any other Debtor Relief Law in respect of the Borrower), each Revolving Facility Lender hereby agrees that it shall forthwith purchase from each Swingline Lender (without recourse or warranty) such participation of the outstanding Swingline Loans as shall be necessary to cause the Lenders to share in such Swingline Loans ratably based upon their respective Revolving Facility Percentages; provided that all principal and interest payable on such Swingline Loans shall be for the account of the Swingline Lenders until the date the respective participation is purchased and, to the extent attributable to the purchased participation, shall be payable to such Lender purchasing same from and after such date of purchase.

(d) If the maturity date shall have occurred in respect of any Class of Revolving Facility Commitments (the "Expiring Credit Commitment") at a time when another Class of Revolving Facility Commitments is or are in effect with a longer maturity date (each a "Non-Expiring Credit Commitment" and collectively, the "Non-Expiring Credit Commitments"), then with respect to each outstanding Swingline Loan, if consented to by the Swingline Lenders (in their sole discretion), on the earliest occurring maturity date such Swingline Loan shall be deemed reallocated to the Class or Classes of the Non-Expiring Credit Commitments on a pro rata basis; provided that (x) to the extent that the amount of such reallocation would cause the aggregate credit exposure to (including with respect to outstanding Letters of Credit) exceed the aggregate amount of such Non- Expiring Credit Commitments, immediately prior to such reallocation the amount of Swingline Loans to be reallocated equal to such excess shall be repaid or Cash Collateralized and (y) notwithstanding the foregoing, if a Default or Event of Default has occurred and is continuing, the Borrower shall still be obligated to pay Swingline Loans allocated to the Revolving Facility Lenders holding the Expiring Credit Commitments at the maturity date of the Expiring Credit Commitment or if the Loans have been accelerated prior to the maturity date of the Expiring Credit Commitment. Upon the maturity date of any Class of Revolving Facility Commitments, the relevant sublimit for Swingline Loans may be reduced as agreed between the relevant Swingline Lenders and the Borrower, without the consent of any other Person.

(e) Prior to the making of each Swingline Loan, the Administrative Agent and the Swingline Lenders shall have received a Borrowing Request meeting the requirements of Section 2.03.

(f) Mandatory Borrowings shall be made upon the notice specified in Section 2.04(c), with the Borrower irrevocably agreeing, by its incurrence of any Swingline Loan, to the making of Mandatory Borrowings as set forth in such Section.

(g) Any Swingline Lender may be replaced at any time by written agreement among the Company, the Administrative Agent, the replaced Swingline Lender and the successor Swingline Lender. The Administrative Agent shall notify the Lenders of any such replacement of a Swingline Lender. At the time any such replacement shall become effective, the Borrower shall pay all unpaid interest accrued for the account of the replaced Swingline Lender pursuant to Section 2.13(a). From and after the effective date of any such replacement, (x) the successor Swingline Lender shall have all the rights and obligations of the replaced Swingline Lender under this Agreement with respect to Swingline Loans made thereafter and (y) references herein to the term "Swingline Lender" shall be deemed to refer to such successor or to any previous Swingline Lender, or to such successor and all previous Swingline Lenders, as the context shall require. After the replacement of a Swingline Lender hereunder, the replaced Swingline Lender shall remain a party hereto and shall continue to have all the rights and obligations of a Swingline Lender under this Agreement with respect to Swingline Loans made by it prior to its replacement, but shall not be required to make additional Swingline Loans.

(h)

(i) In the case of the replacement of a Swingline Lender where the Company intends and agrees that a successor Swingline Lender be appointed, subject to the appointment and acceptance of a successor Swingline Lender, any Swingline Lender may resign as a Swingline Lender at any time upon thirty days' prior written notice to the Administrative Agent, the Company and the Lenders, in which case, such Swingline Lender shall be replaced in accordance with Section 2.04(g) above.

(ii) In the case of a resignation of a Swingline Lender where the Company has agreed that no successor Swingline Lender need be appointed as a condition of such resignation, any Swingline Lender may resign as a Swingline Lender at any time upon thirty days' prior written notice to the Administrative Agent, the Company and the Lenders. The Administrative Agent shall notify the Lenders of any such resignation of a Swingline Lender. At the time any such resignation shall become effective (which shall be no earlier than the date falling thirty days after the date on which such prior written notice was received by the Administrative Agent and the Company), the Borrower shall pay all unpaid interest accrued for the account of the resigning Swingline Lender pursuant to Section 2.13(a). After the resignation of a Swingline Lender hereunder, the resigned Swingline Lender shall remain a party hereto and shall continue to have all the rights and obligations of a Swingline Lender under this Agreement with respect to Swingline Loans made by it prior to its resignation becoming effective, but shall not be required to make additional Swingline Loans.

Section 2.05 Letters of Credit.

(a) General. Subject to the terms and conditions set forth herein, any Borrower may request the issuance of one or more letters of credit or bank guarantees in Dollars, Euros and/or Sterling (or, subject to Section 1.05, any Alternate Currency) in the form of (x) trade letters of credit or bank guarantees in support of trade obligations of the such Borrower and its Subsidiaries incurred in the ordinary course of business (such letters of credit or bank guarantees issued for such purposes, "Trade Letters of Credit") and (y) standby letters of credit issued for any other lawful purposes of such Borrower and its Subsidiaries (such letters of credit issued for such purposes, "Standby Letters of Credit"; each such letter of credit or bank guarantee, issued hereunder, a "Letter of Credit" and collectively, the "Letters of Credit") for its own account or for the account of any Subsidiary in a form reasonably acceptable to the applicable Issuing Bank, at any time and from time to time during the applicable Availability Period and prior to the date that is five (5) Business Days prior to the applicable Revolving Facility Maturity Date; provided, that (x) no Issuing Bank shall be required to issue Trade Letters of Credit unless it agrees in writing to do so in its sole discretion, (y) the Borrowers shall remain primarily liable in the case of, and be co-obligors with respect to, a Letter of Credit issued for the account of a Subsidiary, and (z) the applicable Issuing Bank shall not be obligated to issue Letters of Credit if any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such Issuing Bank from issuing such Letter of Credit, the issuance of such Letter of Credit would violate any Applicable Law binding upon such Issuing Bank or the issuance of the Letter of Credit would, in the sole discretion of such Issuing Bank, violate one or more policies of such Issuing Bank applicable to letters of credit generally. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by a Borrower to, or entered into by a Borrower with, an Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control.

(b) Notice of Issuance, Amendment, Renewal, Extension: Certain Conditions. To request the issuance of a Letter of Credit (or the amendment, renewal (other than an automatic extension in accordance with paragraph (c) of this Section 2.05) or extension of an outstanding Letter of Credit), the applicable Borrower shall hand deliver or transmit by electronic communication, if arrangements for doing so have been approved by the applicable Issuing Bank, to the applicable Issuing Bank and the Administrative Agent (at least three (3) Business Days (or, in the case of an Alternate Currency Letter of Credit, at least five (5) Business Days) in advance of the requested date of issuance, amendment or extension or such shorter period as the Administrative Agent and the applicable Issuing Bank in their sole discretion may agree) a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended or extended, and specifying the date of issuance, amendment or extension (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with paragraph (c) of this Section 2.04), the amount and currency (which may be Dollars, Euros, Sterling or, subject to Section 1.05, any Alternate Currency) of such Letter of Credit, the name and address of the beneficiary thereof, whether such Letter of Credit constitutes a Standby Letter of Credit or a Trade Letter of Credit and such other information as shall be necessary to issue, amend or extend such Letter of Credit. If requested by the applicable Issuing Bank, the applicable Borrower also shall submit a letter of credit application on such Issuing Bank's standard form in connection with any request for a Letter of Credit. A Letter of Credit shall be issued, amended or extended only if (and upon issuance, amendment or extension of each Letter of Credit such Borrower shall be deemed to represent and warrant that), after giving effect to such issuance, amendment or extension, (i) the Revolving Facility Credit Exposure shall not exceed the applicable Revolving Facility Commitments (after deducting the total Ancillary Commitments), (ii) with respect to the applicable Issuing Bank, the stated amount of all outstanding Letters of Credit issued by such Issuing Bank shall not exceed the applicable Specified L/C Sublimit of such Issuing Bank then in effect. For the avoidance of doubt, no Issuing Bank shall be obligated to issue an Alternate Currency Letter of Credit if such Issuing Bank does not otherwise issue letters of credit in such Alternate Currency.

(c) Expiration Date. Each Letter of Credit shall expire at or prior to the close of business on the earlier of (i) the date one year (unless otherwise agreed upon by the applicable Borrower and the applicable Issuing Bank in their sole discretion) after the date of the issuance of such Letter of Credit (or, in the case of any extension thereof, one year (unless otherwise agreed upon by such Borrower and the applicable Issuing Bank in their sole discretion) after such renewal or extension) and (ii) the date that is five (5) Business Days prior to the applicable Revolving Facility Maturity Date; provided, that any Letter of Credit with a one year tenor may provide for automatic renewal or extension thereof for additional one year periods (which, in no event, shall extend beyond the date referred to in clause (ii) of this paragraph (c)) so long as such Letter of Credit permits the applicable Issuing Bank to prevent any such extension at least once in each twelve-month

period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof within a time period during such twelvemonth period to be agreed upon at the time such Letter of Credit is issued; provided, further, that if such Issuing Bank consents in its sole discretion, the expiration date on any Letter of Credit may extend beyond the date referred to in clause (ii) above, provided, that if any such Letter of Credit is outstanding or is issued under the Revolving Facility Commitments of any Class after the date that is five Business Days prior to the Revolving Facility Maturity Date for such Class such Borrower shall provide Cash Collateral pursuant to documentation reasonably satisfactory to the Administrative Agent and the relevant Issuing Bank in an amount equal to the face amount of each such Letter of Credit on or prior to the date that is five Business Days prior to such Revolving Facility Maturity Date or, if later, such date of issuance.

(d) Participations. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) under the Revolving Facility Commitments of any Class and without any further action on the part of the applicable Issuing Bank or the Revolving Facility Lenders, such Issuing Bank hereby grants to each Revolving Facility Lender under such Class, and each such Revolving Facility Lender hereby acquires from such Issuing Bank, a participation in such Letter of Credit equal to such Revolving Facility Lender's applicable Revolving Facility Percentage of the aggregate amount available to be drawn under such Letter of Credit (calculated, in the case of Alternate Currency Letters of Credit, based on the Dollar Equivalent thereof). In consideration and in furtherance of the foregoing, each Revolving Facility Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of the applicable Issuing Bank, in Dollars, such Revolving Facility Lender's applicable Revolving Facility Percentage of each L/C Disbursement made by such Issuing Bank and not reimbursed by the applicable Borrower on the date due as provided in paragraph (e) of this Section 2.05, or of any reimbursement payment required to be refunded to such Borrower for any reason (calculated, in the case of any Alternate Currency Letter of Credit, based on the Dollar Equivalent thereof). Each Revolving Facility Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or Event of Default or reduction or termination of the Commitments or the fact that, as a result of changes in currency exchange rates, such Revolving Facility Lender's Revolving Facility Credit Exposure at any time might exceed its Revolving Facility Commitment (after deducting the total Ancillary Commitments) at such time (in which case, the Company shall provide Cash Collateral pursuant to Section 2.05(j)), and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

(e) Reimbursement. If the applicable Issuing Bank shall make any L/C Disbursement in respect of a Letter of Credit, the applicable Borrower shall reimburse such L/C Disbursement by paying to the Administrative Agent in Dollars, or, in such Borrower's discretion, in the currency in which the relevant Letter of Credit is denominated, an amount equal to such L/C Disbursement (or, in the case of an Alternate Currency Letter of Credit, if paid in Dollars rather than the currency in which the relevant Letter of Credit is

denominated, the Dollar Equivalent thereof) not later than 2:00 p.m., Local Time, on the first Business Day after such Borrower receives notice under paragraph (g) of this Section 2.05 of such L/C Disbursement (or the second Business Day, if such notice is received after 12:00 noon, Local Time), together with accrued interest thereon from the date of such L/C Disbursement at the rate applicable to such Revolving Facility Loans of the applicable Class; provided, that such Borrower may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 that such payment be financed with an ABR Revolving Facility Borrowing of the applicable Class in an equivalent amount and, to the extent so financed, such Borrower's obligation to make such payment shall be discharged and replaced by the resulting ABR Revolving Facility Borrowing. If such Borrower fails to reimburse any L/C Disbursement when due, then the Administrative Agent shall promptly notify the applicable Issuing Bank and each other applicable Revolving Facility Lender of the applicable L/C Disbursement, the payment then due from such Borrower in respect thereof (the "Unreimbursed Amount") and, in the case of a Revolving Facility Lender, such Lender's Revolving Facility Percentage thereof. Promptly following receipt of such notice, each Revolving Facility Lender with a Revolving Facility Commitment of the applicable Class shall pay to the Administrative Agent in Dollars its Revolving Facility Percentage of the Unreimbursed Amount in the same manner as provided in Section 2.06 with respect to Loans made by such Lender (and Section 2.06 shall apply, *mutatis mutandis*, to the payment obligations of the Revolving Facility Lenders), and the Administrative Agent shall promptly pay to the applicable Issuing Bank the amounts so received by it from the Revolving Facility Lenders. Promptly following receipt by the Administrative Agent of any payment from such Borrower pursuant to this paragraph, the Administrative Agent shall distribute such payment to the applicable Issuing Bank or, to the extent that Revolving Facility Lenders have made payments pursuant to this paragraph to reimburse such Issuing Bank, then to such Lenders and such Issuing Bank as their interests may appear. Any payment made by a Revolving Facility Lender pursuant to this paragraph to reimburse an Issuing Bank for any L/C Disbursement (other than the funding of an ABR Revolving Loan as contemplated above) shall not constitute a Loan and shall not relieve such Borrower of its obligation to reimburse such L/C Disbursement.

(f) Obligations Absolute. The obligation of a Borrower to reimburse L/C Disbursements as provided in paragraph (e) of this Section shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by the applicable Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff against, any Borrower's obligations hereunder. Neither the Administrative Agent, the Lenders nor any Issuing Bank, nor any of their Related Parties, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any

payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of such Issuing Bank, or any of the circumstances referred to in clauses (i), (ii) or (iii) of the first sentence; provided, that the foregoing shall not be construed to excuse the applicable Issuing Bank from liability to the Borrowers to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by the Borrowers to the extent permitted by Applicable Law) suffered by the Borrowers that are determined by final and binding decision of a court of competent jurisdiction to have been caused by such Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of the applicable Issuing Bank, such Issuing Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented that appear on their face to be in substantial compliance with the terms of a Letter of Credit, the applicable Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(g) Disbursement Procedures. The applicable Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. Such Issuing Bank shall promptly notify the Administrative Agent and the applicable Borrower by telephone (confirmed by electronic means) of any such demand for payment under a Letter of Credit and whether such Issuing Bank has made or will make an L/C Disbursement thereunder; provided, that any failure to give or delay in giving such notice shall not relieve the Borrower of its obligation to reimburse such Issuing Bank and the Revolving Facility Lenders with respect to any such L/C Disbursement.

(h) Interim Interest. If an Issuing Bank shall make any L/C Disbursement, then, unless the applicable Borrower shall reimburse such L/C Disbursement in full on the date such L/C Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such L/C Disbursement is made to but excluding the date that such Borrower reimburses such L/C Disbursement, at the rate per annum then applicable to Revolving Facility Loans of the applicable Class; provided, that, if such L/C Disbursement is not reimbursed by the Borrower when due pursuant to paragraph (e) of this Section, then Section 2.13(d) shall apply. Interest accrued pursuant to this paragraph shall be for the account of the applicable Issuing Bank, except that interest accrued on and after the date of payment by any Revolving Facility Lender pursuant to paragraph (e) of this Section 2.05 to reimburse such Issuing Bank shall be for the account of such Revolving Facility Lender to the extent of such payment.

(i) Replacement of an Issuing Bank. An Issuing Bank may be replaced at any time by written agreement among the applicable Borrower, the Administrative Agent, the replaced Issuing Bank and the successor Issuing Bank. The Administrative Agent shall notify the Lenders of any such replacement of an Issuing Bank. At the time any such replacement shall become effective, such Borrower shall pay all unpaid fees accrued for the account of the replaced Issuing Bank pursuant to Section 2.12. From and after the effective date of any such replacement, (i) the successor Issuing Bank shall have all the rights and obligations of the replaced Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to the term "Issuing Bank" shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. After the replacement of an Issuing Bank hereunder, the replaced Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of such Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such replacement but shall not be required to issue additional Letters of Credit.

(j) Cash Collateralization Following Certain Events. If and when the applicable Borrower is required to Cash Collateralize any Revolving L/C Exposure relating to any outstanding Letters of Credit pursuant to any of Section 2.05(c), Section 2.11(e), Section 2.11(g), Section 2.22(a)(v) or Section 7.01, such Borrower shall deposit in an account with or at the direction of the Collateral Agent, in the name of the Collateral Agent and for the benefit of the Revolving Facility Lenders, an amount in cash in Dollars equal to the Revolving L/C Exposure as of such date (or, in the case of Section 2.05(c), Section 2.11(e), Section 2.11(g) and Section 2.22(a)(v), the portion thereof required by such sections). Each deposit of Cash Collateral (x) made pursuant to this paragraph or (y) made by the Administrative Agent pursuant to Section 2.22(a)(ii), in each case, shall be held by the Collateral Agent as collateral for the payment and performance of the obligations of such Borrower under this Agreement. The Collateral Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of (i) for so long as an Event of Default shall be continuing, the Collateral Agent and (ii) at any other time, such Borrower, in each case, in Permitted Investments and at the risk and expense of such Borrower, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in such account shall be applied by the Collateral Agent to reimburse each Issuing Bank for L/C Disbursements for which such Issuing Bank has not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of such Borrower for the Revolving L/C Exposure at such time or, if the maturity of the Loans has been accelerated (but subject to the consent of Lenders with Revolving L/C Exposure representing greater than 50% of the total Revolving L/C Exposure), be applied to satisfy other obligations of such Borrower under this Agreement. If the applicable Borrower is required to provide an amount of Cash Collateral hereunder as a result of the occurrence of an Event of Default or the existence of a Defaulting Lender or the occurrence of a limit under Section 2.11(e) or (g) being exceeded, such amount (to the extent not applied as aforesaid) shall be returned to such Borrower within three Business Days after all Events of Default have been cured or waived or the termination of the Defaulting Lender status or the limits under Section 2.11(e) and (g) no longer being exceeded, as applicable.

(k) Cash Collateralization Following Termination of the Revolving Facility. Notwithstanding anything to the contrary herein, in the event of the prepayment in full of all outstanding Revolving Facility Loans and the termination of all Revolving Facility Commitments (a "Revolving Facility Termination Event") in connection with which the applicable Borrower notifies any one or more Issuing Banks that it intends to maintain one or more Letters of Credit initially issued under this Agreement in effect after the date of such Revolving Facility Termination Event (each, a "Continuing Letter of Credit"), then the security interest of the Collateral Agent in the Collateral under the Security Documents may be terminated in accordance with Section 9.18 if each such Continuing Letter of Credit is Cash Collateralized in an amount equal to the Minimum L/C Collateral Amount, which shall be deposited with or at the direction of each such Issuing Bank.

(l) Additional Issuing Banks. From time to time, the Company may by notice to the Administrative Agent designate any Lender (in addition to the initial Issuing Banks) each of which agrees (in its sole discretion) to act in such capacity and is reasonably satisfactory to the Administrative Agent as an Issuing Bank. Each such additional Issuing Bank shall execute a counterpart of this Agreement upon the approval of the Administrative Agent (which approval shall not be unreasonably withheld) and shall thereafter be an Issuing Bank hereunder for all purposes.

(m) Reporting. Unless otherwise requested by the Administrative Agent, each Issuing Bank shall (i) provide to the Administrative Agent copies of any notice received from the Company pursuant to Section 2.05(b) no later than the next Business Day after receipt thereof and (ii) report in writing to the Administrative Agent (A) on or prior to each Business Day on which such Issuing Bank expects to issue, amend or extend any Letter of Credit, the date of such issuance, amendment or extension, and the aggregate face amount of the Letters of Credit to be issued, amended or extended by it and outstanding after giving effect to such issuance, amendment or extension occurred (and whether the amount thereof changed), and such Issuing Bank shall be permitted to issue, amend or extend such Letter of Credit if the Administrative Agent shall not have advised such Issuing Bank that such issuance, amendment or extension would not be in conformity with the requirements of this Agreement, (B) on each Business Day on which such Issuing Bank makes any L/C Disbursement, the date of such L/C Disbursement and the amount of such L/C Disbursement and (C) on any other Business Day, such other information with respect to the outstanding Letters of Credit issued by such Issuing Bank as the Administrative Agent shall reasonably request.

(n) Illegality. For the avoidance of doubt, no Letter of Credit shall be issued in Ireland to an Irish recipient of a Letter of Credit to the extent it would contravene the European Union (Insurance & Reinsurance) Regulations 2015 of Ireland.

Section 2.06 Funding of Borrowings.

(a) Each Lender shall make each Loan (other than any Swingline Loan) to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 12:00 p.m., Local Time, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders; provided, that all Swingline Loans shall be made available to the Administrative Agent in the full amount thereof by the Swingline Lenders no later than 1:00 p.m. (New York City time) on the proposed date thereof. The Administrative Agent will make such Loans available to the applicable Borrower promptly (and, in the case of Swingline Loans, by no later than 2:00 p.m. (New York City time)) by crediting the amounts so received, in like funds, to an account or accounts designated by such Borrower as specified in the applicable Borrowing Request; provided, that Revolving Facility Loans made to finance the reimbursement of a L/C Disbursement and reimbursements as provided in Section 2.05(e) shall be remitted by the Administrative Agent to the applicable Issuing Bank and for the avoidance of doubt, the Administrative Agent shall not be required to front for any amounts not received from any Lender in accordance with the terms hereof.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing of Eurocurrency Loans, Term SOFR Loans or Compounded SONIA Loans (or, in the case of any Borrowing of ABR Loans, prior to 12:00 p.m., Local Time, on the date of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with clause (a) of this Section 2.06 and may, in reliance upon such assumption, make available to the applicable Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the Borrowing available to the Administrative Agent, then the applicable Lender and the Borrowers severally (and jointly and severally with respect to the Borrowers) agree to pay to the Administrative Agent forthwith on demand (without duplication) such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the applicable Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of a payment to be made by such Lender, the greater of (A) the Federal Funds Effective Rate and (B) a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation or (ii) in the case of a payment to be made by the Borrowers, the interest rate applicable to ABR Loans under the applicable Facility at such time. If the Borrowers and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrowers the amount of such interest paid by such Borrower for such period. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing. Any payment by the Borrowers shall be without prejudice to any claim the Borrowers may have against a Lender that shall have failed to make such payment to the Administrative Agent.

(c) The foregoing notwithstanding, the Administrative Agent, in its sole discretion, may from its own funds make a Revolving Facility Loan on behalf of the Lenders. In such event, the applicable Lenders on behalf of whom the Administrative Agent made the Revolving Facility Loan shall reimburse the Administrative Agent for all or any portion of such Revolving Facility Loan made on its behalf upon written notice given to each applicable Lender not later than 2:00 p.m., Local Time, on the Business Day such reimbursement is requested. The entire amount of interest attributable to such Revolving Facility Loan for the period from and including the date on which such Revolving Facility Loan was made on such Lender's behalf to but excluding the date the Administrative Agent is reimbursed in respect of such Revolving Facility Loan by such Lender shall be paid to the Administrative Agent for its own account.

(d) If a Revolving Facility Loan is made to repay Ancillary Outstandings, each Lender's participation in that Revolving Facility Loan will be in an amount (as determined by the Administrative Agent) which will result as nearly as possible in the aggregate amount of its participation in the Revolving Facility Loans then outstanding bearing the same proportion to the aggregate amount of the Revolving Facility Loans then outstanding as its Revolving Facility Percentage.

Section 2.07 Interest Elections.

(a) Each Borrowing initially shall be of the Type and under the applicable Class specified in the applicable Borrowing Request and, in the case of a Eurocurrency Borrowing, Term SOFR Borrowings or a Compounded SONIA Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the applicable Borrower may (in the case of a Eurocurrency Borrowing or a Term SOFR Borrowing only) elect to convert such Borrowing to a different Type (to the extent such Borrowing is denominated in Dollars) or to continue such Borrowing and, in the case of a Eurocurrency Borrowing, Term SOFR Borrowing or Compounded SONIA Borrowing. may elect Interest Periods therefor, all as provided in this Section. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. This Section shall not apply to Swingline Loans, which may not be converted or continued.

(b) To make an election pursuant to this Section, the Company shall notify the Administrative Agent of such election by telephone, by the time that a Borrowing Request would be required under Section 2.03 if the Company were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and shall be confirmed promptly by hand delivery or electronic means to the Administrative Agent of a written Interest Election Request signed by a Borrower.

(c) Each telephonic and written Interest Election Request shall specify the following information in compliance with Section 2.02:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing (if denominated in Dollars), a Compounded SONIA Borrowing, a Term SOFR Borrowing or a Eurocurrency Borrowing; and

(iv) if the resulting Borrowing is a Eurocurrency Borrowing, a Term SOFR Borrowing or Compounded SONIA Borrowing the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period."

If any such Interest Election Request requests a Eurocurrency Borrowing, Term SOFR Borrowing or a Compounded SONIA Borrowing but does not specify an Interest Period, then the applicable Borrower shall be deemed to have selected an Interest Period of one month's duration. If less than all the outstanding principal amount of any Borrowing shall be converted or continued, then each resulting Borrowing shall be in an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum and satisfy the limitations specified in Section 2.02(c) regarding the maximum number of Borrowings of the relevant Type.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender to which such Interest Election Request relates of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the applicable Borrower fails to deliver a timely Interest Election Request with respect to a Eurocurrency Borrowing, a Term SOFR Borrowing or Compounded SONIA Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to an ABR Borrowing (if denominated in Dollars) or continued as a Eurocurrency Borrowing, a Term SOFR Borrowing with a one-month Interest Period (if denominated in a currency other than Dollars). Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the written request (including a request through electronic means) of the Required Lenders, so notifies the Borrowers, then, so long as an Event of Default is continuing (i) no outstanding Borrowing may be converted to or continued as a Eurocurrency Borrowing and (ii) unless repaid, each Eurocurrency Borrowing, Term SOFR Borrowing or Compounded SONIA Borrowing shall (A) in the case of such a Borrowing made in Dollars, be converted to an ABR Borrowing at the end of the Interest Period applicable thereto and (B) in the case of such a Borrowing made in Euros, Pound Sterling or an Alternate Currency, be continued as a Eurocurrency Borrowing, Term SOFR Borrowing or Compounded SONIA Borrowing, as applicable, with an Interest Period of one month's duration.

Section 2.08 Termination and Reduction of Commitments.

(a) At the close of business on the last Business Day of the Availability Period for each Facility and unless previously terminated, any portion of the Commitments in relation to that Facility remaining undrawn will terminate.

(b) The Company may at any time terminate, or from time to time reduce, the Revolving Facility Commitments of any Class; provided, that (i) each reduction of the Revolving Facility Commitments of any Class shall be in an amount that is an integral multiple of $250,000 and not less than $1,000,000 (or, if less, the remaining amount of the Revolving Facility Commitments of such Class) and (ii) the Company shall not terminate or reduce the Revolving Facility Commitments of any Class if, after giving effect to any concurrent prepayment of the Revolving Facility Loans in accordance with Section 2.11 and any Cash Collateralization of Letters of Credit in accordance with Section 2.05(j) or (k), the Revolving Facility Credit Exposure of any Lender (excluding any Cash Collateralized Letter of Credit) would exceed the total Revolving Facility Commitments of such Lender (after deducting any Ancillary Commitments of such Lender).

(c) The Company shall notify the Administrative Agent of any election to terminate or reduce the Revolving Facility Commitments of any Class under paragraph (b) of this Section 2.08 at least three Business Days prior to the effective date of such termination or reduction (or such shorter period acceptable to the Administrative Agent), specifying such election and the effective date thereof. Promptly following receipt of any notice, the Administrative Agent shall advise the applicable Lenders of the contents thereof. Each notice delivered by the Company pursuant to this Section 2.08 shall be irrevocable; provided, that a notice of termination or reduction of the Revolving Facility Commitments of any Class delivered by the Company may state that such notice is conditioned upon the effectiveness of other credit facilities, indentures or similar agreements or other transactions, in which case such notice may be revoked by the Company (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied (or waived by the Borrower in its sole discretion) and/or rescinded at any time by the Company if the Company determines in its sole discretion that any or all of such conditions will not be satisfied (or waived). Any termination or reduction of the Commitments of any Class shall be permanent. Each reduction of the Commitments of any Class shall be made ratably among the applicable Lenders in accordance with their respective Commitments of such Class.

Section 2.09 Repayment of Loans; Evidence of Debt

(a) Each Borrower hereby jointly and severally unconditionally promises to pay (i) to the Administrative Agent for the account of each Revolving Facility Lender the then unpaid principal amount of each Revolving Facility Loan to such Borrower on the Revolving Facility Maturity Date applicable to such Revolving Facility Loans, (ii) to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Term Loan of such Lender as provided in Section 2.10, and (iii) to the Administrative Agent for the account of each Swingline Lender the then unpaid principal

amount of each Swingline Loan on the earlier of the Revolving Facility Maturity Date and the fifth Business Days after such Swingline Loan is made; provided that on each date that a Borrowing of a Revolving Facility Loan is made, the Borrower shall repay all Swingline Loans then outstanding and the proceeds of any such Borrowing shall be applied by the Administrative Agent to repay any Swingline Loans outstanding.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrowers to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(c) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Facility, Class, Type and currency thereof and the Interest Period (if any) applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrowers to each Lender hereunder and (iii) any amount received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(d) The entries made in the accounts maintained pursuant to clause (b) or (c) of this Section 2.09 shall be prima facie evidence (absent manifest error) of the existence and amounts of the obligations recorded therein; provided, that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrowers to repay the Loans in accordance with the terms of this Agreement.

(e) Any Lender may request that Loans made by it be evidenced by a promissory note (a "Note"). In such event, the Borrowers shall prepare, execute and deliver to such Lender a promissory note payable to such Lender (as the case may be) or its registered assigns and in a form approved by the Administrative Agent and reasonably acceptable to the Borrowers. Thereafter, unless otherwise agreed to by the applicable Lender the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form payable to the payee named therein or its registered assigns.

Section 2.10 Repayment of Term Loans and Revolving Facility Loans.

(a) Subject to the other clauses of this Section 2.10 and to Section 9.08(e),

(i) the Borrowers shall repay:

(x) the Initial Term B Loans on the last day of each March, June, September and December of each year (commencing on the last day of the first full fiscal quarter of the Company ending after the Closing Date) and on the applicable Term Facility Maturity Date or, if any such date is not a Business Day, on the next preceding Business Day (each such date being referred to as a "Term B Loan Installment Date"), in an aggregate principal amount of such Term

B Loans equal to (A) in the case of quarterly payments due prior to the Term B Facility Maturity Date, an amount equal to 0.25% of the aggregate principal amount of such Initial Term B Loans and (B) in the case of such payment due on the Term B Facility Maturity Date, an amount equal to the then unpaid principal amount of such Term B Loans outstanding; and

(y) the Initial Terms A Loans on the Term A Facility Maturity Date in an amount equal to the then unpaid principal amount of such Terms A Loans, outstanding; and

(ii) in the event that any Incremental Term Loans are made, the Borrowers shall repay such Incremental Term Loans on the dates and in the amounts set forth in the related Incremental Assumption Agreement (each such date being referred to as an "Incremental Term Loan Installment Date"); and

(iii) to the extent not previously paid, outstanding Term Loans shall be due and payable on the applicable Term Facility Maturity Date.

(b) To the extent not previously paid, outstanding Revolving Facility Loans shall be due and payable on the applicable Revolving Facility Maturity Date. To the extent not previously paid, outstanding Swingline Loans shall be due and payable on the Swingline Maturity Date.

(c) Prepayment of the Loans from:

(i) all Net Proceeds pursuant to Section 2.11(b) and Excess Cash Flow pursuant to Section 2.11(c) shall be allocated to the Class or Classes of Term Loans determined pursuant to Section 2.10(d), with the application thereof to reduce in direct order amounts due on the succeeding Term Loan Installment Dates under such Classes as provided in the remaining scheduled amortization payments under such Classes; provided, that any Lender, at its option, may elect to decline any such prepayment of any Term Loan held by it (other than any prepayment from Refinancing Notes and/or Refinancing Term Loans) if it shall give written notice to the Administrative Agent thereof by 5:00 p.m. Local Time at least three Business Days prior to the date of such prepayment (any such Lender, a "Declining Lender") and on the date of any such prepayment, any amounts that would otherwise have been applied to prepay Term Loans owing to Declining Lenders (such amounts, the "Declined Proceeds") shall instead be retained by the Borrowers for application for any purpose not prohibited by this Agreement, and

(ii) any optional prepayments of the Term Loans pursuant to Section 2.11(a) shall be applied to such Classes of the Term Loans and the remaining installments thereof under the applicable Class or Classes as the Company may in each case direct.

(d) Mandatory Prepayment.

(i) Any mandatory prepayment of Term Loans pursuant to Section 2.11(b) or (c) shall be applied so that the aggregate amount of such prepayment is allocated among the Classes of Term A Loans, Term B Loans and the Other Term Loans, if any, pro rata based on the aggregate principal amount of outstanding Term A Loans, Term B Loans and Other Term Loans;

(ii) Subject to clause (i) above, the Company may allocate such prepayment in its discretion among the Class or Classes of Term Loans (if such allocation complies with Section 2.21(b) or Section 2.21(f), as applicable);

(iii) Prior to any prepayment of any Loan under any Facility hereunder, the Company shall select the Borrowing or Borrowings under the applicable Facility to be prepaid and shall notify the Administrative Agent by telephone (confirmed by electronic means) of such selection not later than 2:00 p.m., Local Time, (i) in the case of an ABR Borrowing, at least one Business Day before the scheduled date of such prepayment, (ii) in the case of a Eurocurrency Borrowing, Term SOFR Borrowing or Compounded SONIA Borrowing, at least three Business Days before the scheduled date of such prepayment (or, in each case, such shorter period acceptable to the Administrative Agent, (iii) in the case of a SOFR Borrowing, at least three Business Days before the scheduled date of such prepayment (or, in each case, such shorter period acceptable to the Administrative Agent) and (iv) in the case of a Eurocurrency Borrowing in an Alternate Currency, at least four Business Days before the scheduled date of such prepayment (or, in each case, such shorter period acceptable to the Administrative Agent); provided, that such notice may be conditioned upon the effectiveness of other credit facilities, indentures or similar agreements or other transactions, and may be revoked and/or rescinded by the Company (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied (or waived by the Company in its sole discretion) or if the Company determines in its sole discretion that any of such conditions will not be satisfied (or waived).

(e) Each repayment of a Borrowing shall be applied ratably to the Loans included in the repaid Borrowing. All repayments of Loans shall be accompanied by accrued interest on the amount repaid to the extent required by Section 2.13(e).

Section 2.11 Prepayment of Loans.

(a) The Borrowers shall have the right at any time and from time to time to prepay any Loan in whole or in part, without premium or penalty (but subject to Section 2.12(d), Section 2.12(e) and Section 2.16), in an aggregate principal amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum or, if less, the amount outstanding, subject to prior notice in accordance with Section 2.10(d), provided that the Borrowers shall not prepay Revolving Facility Loans that are Compounded SONIA Borrowings, other than on the last day of an Interest Period, on more than (i) ten occasions in each rolling twelve month period for Revolving Facility Loans denominated in Sterling and (ii) four occasions in each rolling twelve month period for Revolving Facility Loans denominated in Euros or Dollars (or, in each case, such number of occasions as may be acceptable to the Administrative Agent).

(b) The Borrowers shall apply all Net Proceeds promptly upon receipt thereof to prepay Term Loans in accordance with clauses (c) and (d) of Section 2.10.

Notwithstanding the foregoing, the Borrowers may, if required by such Other First Lien Debt, use a portion of such Net Proceeds to prepay or repurchase any Other First Lien Debt in an amount not to exceed the product of (x) the amount of such Net Proceeds and (y) a fraction, (A) the numerator of which is the outstanding principal amount of such Other First Lien Debt and (B) the denominator of which is the sum of the outstanding principal amount of such Other First Lien Debt and the outstanding principal amount of all Classes of Term Loans.

(c) Not later than five (5) Business Days after the date on which the annual financial statements are, or are required to be, delivered under Section 5.04(a) with respect to each Excess Cash Flow Period, the Borrowers shall calculate Excess Cash Flow for such Excess Cash Flow Period and the Borrowers shall apply an amount equal to (i) the amount by which the Required Percentage of such Excess Cash Flow exceeds the greater of $145,000,000 or 0.075 times the EBITDA calculated on a Pro Forma Basis for the then most recently ended Test Period (the "ECF Threshold Amount") minus (ii) to the extent not financed using the proceeds of the incurrence of funded term Indebtedness, the sum of (A) the amount of any voluntary payments during such Excess Cash Flow Period (plus, without duplication of any amounts previously deducted under this clause (A), the amount of any voluntary payments after the end of such Excess Cash Flow Period but before the date of prepayment under this clause (c)) of (x) Term Loans (it being understood that the amount of any such payment constituting a below-par Permitted Loan Purchase shall be calculated to equal the amount of cash used and not the principal amount deemed prepaid therewith) and (y) Other First Lien Debt (provided that (i) in the case of the prepayment of any revolving Indebtedness, there was a corresponding reduction in commitments and (ii) the maximum amount of each such prepayment of Other First Lien Debt that may be counted for purposes of this clause (A)(y) shall not exceed the amount that would have been prepaid in respect of such Other First Lien Debt if such prepayment had been applied on a ratable basis among the Term Loans and such Other First Lien Debt (determined based on the aggregate outstanding principal amount of Term Loans and the aggregate principal amount of such Other First Lien Debt on the date of such prepayment of such Other First Lien Debt)) and (B) the amount of any permanent voluntary reductions during such Excess Cash Flow Period (plus, without duplication of any amounts previously deducted under this clause (B), the amount of any permanent voluntary reductions after the end of such Excess Cash Flow Period but before the date of prepayment under this clause (c)) of Revolving Facility Commitments to the extent that an equal amount of Revolving Facility Loans was simultaneously repaid (I) to prepay Term Loans in accordance with clauses (c) and (d) of Section 2.10 or (II) to prepay Term Loans in accordance with clauses (c) and (d) of Section 2.10 and to prepay any Other First Lien Debt in accordance with the agreement(s) governing such Other First Lien Debt so long as the prepayments under this clause (II) are applied in a manner such that the Term Loans are prepaid on at least a ratable basis with such Other First Lien Debt (determined based on the aggregate outstanding

principal amount of Term Loans and the aggregate outstanding principal amount of such Other First Lien Debt being prepaid under this clause (II) on the date of such prepayment). Such calculation will be set forth in a certificate signed by a Financial Officer of the Company delivered to the Administrative Agent setting forth the amount, if any, of Excess Cash Flow for such fiscal year, the amount of any required prepayment in respect thereof and the calculation thereof in reasonable detail.

(d) Notwithstanding any other provisions of this Section 2.11 to the contrary, (i) to the extent that any or all of the Net Proceeds of any Asset Sale by a Subsidiary, other than a Subsidiary Loan Party organized in a Security Jurisdiction, or Excess Cash Flow attributable to a Subsidiary, other than a Subsidiary Loan Party organized in a Security Jurisdiction, would otherwise be required to be applied pursuant to Section 2.11(b) or Section 2.11(c) but is prohibited, restricted or delayed by applicable local law from being repatriated to the applicable jurisdiction in which such amounts would otherwise be required to be applied pursuant to Section 2.11(b) or Section 2.11(c) (as determined in good faith by the Company), the portion of such Net Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans or Other First Lien Debt at the times provided in Section 2.11(b) or Section 2.11(c) but may be retained by the applicable Subsidiary and (ii) to the extent that the Company has determined in good faith that repatriation of any Net Proceeds or Excess Cash Flow attributable to a Subsidiary, other than a Subsidiary Loan Party organized in a Security Jurisdiction, that would otherwise be required to be applied pursuant to Section 2.11(b) or Section 2.11(c) would have a material adverse tax consequence with respect to such Net Proceeds or Excess Cash Flow attributable to a Subsidiary, other than a Subsidiary Loan Party organized in a Security Jurisdiction, the Net Proceeds or Excess Cash Flow so affected may be retained by the applicable Subsidiary (the Company hereby agreeing to cause the applicable Subsidiary to promptly use commercially reasonable efforts to take all actions within the reasonable control of the Company that are reasonably required to eliminate such tax effects).

(e) In the event that the aggregate amount of the Lenders' Revolving Facility Credit Exposures of any Class exceeds the total Revolving Facility Commitments (after deducting the total Ancillary Commitments) of such Class (other than as a result of changes in currency exchange rates), the Company shall prepay Revolving Facility Borrowings of such Class (or, if no such Borrowings are outstanding, provide Cash Collateral in respect of outstanding Letters of Credit pursuant to Section 2.05(j)) in an aggregate amount equal to such excess.

(f) In the event that the Revolving L/C Exposure exceeds the letter of credit sublimit (other than as a result of changes in currency exchange rates), at the request of the Administrative Agent, the Company shall provide Cash Collateral pursuant to Section 2.05(j) in an aggregate amount equal to such excess.

(g) If as a result of changes in currency exchange rates, on any Revaluation Date, (i) the Sterling Equivalent of the total Lenders' Revolving Facility Credit Exposures of any Class exceeds the total Revolving Facility Commitments (after deducting the total Ancillary Commitments) of such Class or (ii) the Revolving L/C Exposure Exceeds the letter of credit sublimit, the Company shall, at the request of the Administrative Agent, within ten (10) days of such Revaluation Date (A) prepay Revolving Facility Borrowings or (B) provide Cash Collateral pursuant to Section 2.05(j), in an aggregate amount such that the applicable exposure does not exceed the applicable commitment sublimit or amount set forth above.

Section 2.12 Fees.

(a) The Company agrees to pay to each Lender (other than any Defaulting Lender), through the Administrative Agent, on the date that is fifteen Business Days after the last day of March, June, September and December in each year and on the date on which the Revolving Facility Commitments of all the Lenders shall be terminated as provided herein, a commitment fee (a "Commitment Fee") on the daily amount of the applicable Available Unused Commitment of such Lender during the preceding quarter (or other period commencing with the Closing Date or ending with the date on which the last of the Commitments of such Lender shall be terminated) at a rate equal to the Applicable Commitment Fee accrued up to the last Business Day of each March, June, September and December. All Commitment Fees shall be computed on the basis of the actual number of days elapsed in a year of 360 days (in the case of amounts denominated in Euros, Dollars or any Alternate Currency other than Sterling) or 365 days (in the case of amounts denominated in Sterling). The Commitment Fee due to each Lender shall commence to accrue on the Closing Date and shall cease to accrue on the date on which the last of the Commitments of such Lender shall be terminated as provided herein.

(b) The Company from time to time agrees to pay (i) to each Revolving Facility Lender of each Class (other than any Defaulting Lender), through the Administrative Agent, on the date that is fifteen Business Days after the last day of March, June, September and December of each year and on the date on which the Revolving Facility Commitments of all the Lenders shall be terminated as provided herein, a fee in Sterling (an "L/C Participation Fee") on such Lender's Revolving Facility Percentage of the daily aggregate Revolving L/C Exposure (excluding the portion thereof attributable to unreimbursed L/C Disbursements) of such Class, during the preceding quarter (or shorter period commencing with the Closing Date or ending with the Revolving Facility Maturity Date or the date on which the Revolving Facility Commitments of such Class shall be terminated) at the rate per annum equal to the Applicable Margin for Eurocurrency Revolving Facility Borrowings or Compounded SONIA Revolving Facility Borrowings, as applicable, of such Class effective for each day in such period accrued up to the last Business Day of each March, June, September and December, and (ii) to each Issuing Bank, for its own account (x) on the date that is fifteen Business Days after the last day of March, June, September and December of each year and on the date on which the Revolving Facility Commitments of all the Lenders shall be terminated, a fronting fee in respect of each Letter of Credit issued by such Issuing Bank for the period from and including the date of issuance of such Letter of Credit to and including the termination of such Letter of Credit, computed at a rate equal to the Applicable Margin per annum of the Sterling Equivalent of the daily stated amount of such Letter of Credit, plus (y) in connection with the issuance, amendment or transfer of any such Letter of Credit or any L/C Disbursement thereunder, such Issuing Bank's customary documentary and processing fees and charges (collectively, "Issuing Bank Fees"). All L/C Participation Fees and Issuing Bank Fees that are payable on a per annum basis shall be computed on the basis of the actual number of days elapsed in a year of 360 days for Letters of Credit denominated in Dollars and Euros and 365 days for Letters of Credit denominated in Sterling.

(c) The Company shall pay, or shall procure that another member of the Group pays, to (i) the Administrative Agent, for the account of the Administrative Agent, the "Senior Facilities Administration Fee" as set forth in the relevant Fee Letter, as may be amended, restated, supplemented or otherwise modified from time to time, at the times specified therein (the "Administrative Agent Fees"), (ii) on and from TLB Refinancing Date, Wilmington Trust (London) Limited, in its capacity as Collateral Agent, the "Senior Facilities Collateral Agency Fee" as set forth in the relevant Fee Letter, as may be amended, restated, supplemented or otherwise modified from time to time, at the times specified therein (the "Collateral Agency Fees"), and (iii) the Arrangers, for the account of the Arrangers, an arrangement fee in the amount and at the times agreed as set forth in the relevant Fee Letter, as may be amended, restated, supplemented or otherwise modified from time to time, at the times specified therein.

(d) The Company shall pay (or shall procure that another member of the Group pays) to the Administrative Agent (for the account of each Revolving Facility Lender) a "Utilization Fee" on the amount of each Revolving Facility Lender's aggregate participation in the outstanding Revolving Facility Loans computed at the rate of: (i) for each day on which the aggregate principal amount of the outstanding Revolving Facility Loans exceeds 0% of the Revolving Facility Commitments but is less than or equal to 33⅓ per cent of the Revolving Facility Commitments, 0 per cent per annum; (ii) for each day on which the aggregate principal amount of the outstanding Revolving Facility Loans exceeds 33⅓ per cent of the Revolving Facility Commitments but is less than or equal to 66⅔ per cent of the Revolving Facility Commitments, 0.15 per cent per annum; and (iii) for each day on which the aggregate principal amount of the outstanding Revolving Facility Loans exceeds 66⅔ per cent of the Revolving Facility Commitments, 0.30 per cent per annum. The Utilization Fee shall accrue from day to day and shall be payable in arrears on each commitment fee payment date as set out in Section 2.12(a) above. For purposes of this paragraph, the total Revolving Facility Commitment shall be calculated after deducting the total Ancillary Commitments).

(e) In the event that, on or prior to the date that is six months after the Closing Date, the Borrowers shall (x) make a prepayment of the Term B Loans pursuant to Section 2.11(a) with the proceeds of any new or replacement tranche of secured term loans that have an All-in Yield that is less than the All-in Yield of such Term B Loans (other than, for the avoidance of doubt, with respect to securitizations) or (y) effect any amendment to this Agreement which reduces the All-in Yield of the Term B Loans (other than, in the case of each of clauses (x) and (y), in connection with a Change in Control or a transformative acquisition referred to in the last sentence of this paragraph), the Borrowers shall pay to the Administrative Agent, for the ratable account of each of the applicable Term Facility Lenders, (A) in the case of clause (x), a prepayment premium of 1.00% of the aggregate principal amount of the Term B Loans so prepaid and (B) in the case of clause (y), a fee equal to 1.00% of the aggregate principal amount of the applicable

Term B Loans for which the All-in Yield has been reduced pursuant to such amendment. Such amounts shall be due and payable on the date of such prepayment or the effective date of such amendment, as the case may be. For purposes of this Section 2.12(e), a "transformative acquisition" is any acquisition by the Company or any of its Subsidiaries that is (i) not permitted by the terms of the Loan Documents immediately prior to the consummation of such acquisition or (ii) if permitted by the terms of the Loan Documents immediately prior to the consummation of such acquisition, would not provide the Company and its Subsidiaries with adequate flexibility under the Loan Documents for the continuation and/or expansion of their combined operations following such consummation, as determined by the Company in good faith.

(f) All Fees shall be paid on the dates due, in immediately available funds, to the Administrative Agent for distribution, if and as appropriate, among the Lenders, except that Issuing Bank Fees shall be paid directly to the applicable Issuing Banks and shall not be refundable under any circumstances provided that no Fees shall be payable if the Closing Date does not occur.

Section 2.13 Interest.

(a) The Loans comprising each ABR Borrowing shall bear interest at the ABR plus the Applicable Margin.

(b) (i) The Loans comprising each Eurocurrency Borrowing shall bear interest at the EURIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Margin for such Loans based on the applicable currency, (ii) the Adjusted Daily Simple SOFR Loans comprising each Daily Simple SOFR Borrowing shall bear interest at the Daily Simple SOFR plus the Applicable Margin (iii) the Term SOFR Loans comprising each Term SOFR Borrowing (x) that is a Term A3 Borrowing or a Revolving Facility Borrowing shall bear interest at Adjusted Term SOFR for the Interest Period in effect for such Borrowing plus the Applicable Margin and (y) that is a Term B Borrowing shall bear interest at Term SOFR for the Interest Period in effect for such Borrowing plus the Applicable Margin.

(c) The Loans comprising each Compounded SONIA Borrowing shall bear interest at Compounded SONIA for the Interest Period in effect for such Borrowing plus the Applicable Margin.

(d) Notwithstanding the foregoing, if any principal of or interest on any Loan or any Fees or other amount payable by the Borrowers hereunder is not paid when due, whether at stated maturity, upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2.00% plus the rate otherwise applicable to such Loan as provided in the preceding clauses of this Section 2.13 or (ii) in the case of any other overdue amount, 2.00% plus the rate applicable to ABR Loans as provided in clause (a) of this Section; provided, that this clause (d) shall not apply to any Event of Default that has been waived by the Lenders pursuant to Section 9.08.

(e) Accrued interest on each Loan shall be payable in arrears (i) on each Interest Payment Date for such Loan, (ii) in the case of Revolving Facility Loans, upon termination of the applicable Revolving Facility Commitments and (iii) in the case of the Term Loans, on the applicable Term Facility Maturity Date; provided, that (A) interest accrued pursuant to clause (d) of this Section 2.13 shall be payable on demand, (B) in the event of any repayment or prepayment of any Loan (other than a prepayment of a Revolving Facility Loan that is an ABR Loan prior to the end of the Availability Period that is not made in conjunction with a permanent commitment reduction), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (C) in the event of any conversion of any Eurocurrency Loan, Term SOFR Loan or Compounded SONIA Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(f) All interest hereunder shall be computed on the basis of a year of 360 days, except that (i) interest computed by reference to the ABR at times when the ABR is based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), (ii) interest computed with respect to Compounded SONIA shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and (iii) in the case of interest in respect of Eurocurrency Loans denominated in Alternate Currencies as to which market practice (as reasonably determined by the Administrative Agent) differs from the foregoing, such interest will be calculated in accordance with such market practice, and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). All interest hereunder on any Loan shall be computed on a daily basis based upon the outstanding principal amount of such Loan as of the applicable date of determination. The applicable ABR, Compounded SONIA, Term SOFR or Daily Simple SOFR or EURIBO Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

(g) The rate and time of payment of interest, commission, fees and any other remuneration in respect of each Ancillary Facility shall be determined by agreement between the relevant Ancillary Lender and the Borrower of that Ancillary Facility based upon normal market rates and terms.

Section 2.14 Alternate Rate of Interest.

(a) (i) Subject to clause (c) below, if prior to the commencement of any Interest Period for a Eurocurrency Borrowing or Term SOFR Borrowing or Compounded SONIA Borrowing:

(A) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the EURIBO Rate for Euros, Compounded SONIA for Sterling or Term SOFR for Dollars and Interest Period, including because the applicable rate is not available or published on a current basis, for the applicable currency and such Interest Period; or

(B) the Administrative Agent is advised by the Required Lenders of any applicable Class that the then applicable benchmark rate for the applicable currency and such Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for the applicable currency and such Interest Period,

then the Administrative Agent shall give notice thereof to the Company and the applicable Lenders by telephone or electronic means as promptly as practicable thereafter and, until the Administrative Agent notifies the Company and the applicable Lenders that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark, then (A) any Interest Election Request that requests the conversion of any Borrowing denominated in Dollars to, or continuation of any Borrowing denominated in Dollars as, a Eurocurrency Borrowing or Term SOFR Borrowing, as applicable shall be ineffective and such Borrowing shall be converted to or continued as on the last day of the Interest Period applicable thereto an ABR Borrowing, (B) if any Borrowing Request requests a Eurocurrency Borrowing or a Term SOFR Borrowing in Dollars, as applicable, such Borrowing shall be made as an ABR Borrowing denominated in Dollars and (C) for Loans denominated in an Alternate Currency, any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurocurrency Borrowing, Term SOFR Borrowing or Compounded SONIA Borrowing and any Borrowing Request that requests a Eurocurrency Borrowing, Term SOFR Borrowing or Compounded SONIA Borrowing, in each case, for the relevant Benchmark, shall be ineffective; provided, that if the circumstances giving rise to such notice affect only one Type of Borrowings, then the other Type of Borrowings shall be permitted.

(ii) Subject to clause (c) below, if prior to the commencement of any Interest Period for a Term SOFR Borrowing:

(A) the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that Term SOFR cannot be determined pursuant to the definition thereof, or

(B) the Required Lenders determine that for any reason in connection with any request for a Term SOFR Borrowing or a conversion thereto or a continuation thereof that Term SOFR for any requested Interest Period with respect to the proposed Borrowing does not adequately and fairly reflect the cost to such Lenders of making and maintaining such Loan, and the Required Lenders have provided notice of such determination to the Administrative Agent,

then the Administrative Agent will promptly so notify the Borrower and each Lender. Upon notice thereof by the Administrative Agent to the Borrower, any obligation of the Lenders to make Term SOFR Loans, and any right of the Borrower to continue Term SOFR Loans or to convert ABR Loans to Term SOFR Loans, shall be suspended (to the extent of the affected Term SOFR Loans or affected Interest Periods) until the Administrative Agent (with respect to clause (B), at the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, (i) the Borrower may revoke any pending request for a borrowing of, conversion to or continuation of Term SOFR Loans (to the extent of the affected Term SOFR Loans or affected Interest Periods) or, failing that, the Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to ABR Loans in the amount specified therein and (ii) any outstanding affected Term SOFR Loans will be deemed to have been converted into ABR Loans at the end of the applicable Interest Period. Upon any such conversion, the Borrower shall also pay accrued interest on the amount so converted, together with any additional amounts required pursuant to Section 2.16. Subject to clause (c) below, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that Term SOFR cannot be determined pursuant to the definition thereof on any given day, the interest rate on ABR Loans shall be determined by the Administrative Agent without reference to clause (c) of the definition of "ABR" until the Administrative Agent revokes such determination.

(b) Subject to clause (c) below, if in connection with a SOFR Borrowing, (i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that (A) in the event that Daily Simple SOFR is utilized in any calculations hereunder or under any other Loan Document with respect to any Obligations, interest, fees, commission or other amount, adequate and reasonable means do not exist for ascertaining Daily Simple SOFR pursuant to the definition thereof or (B) in the event that Term SOFR is utilized in any calculations hereunder or under any other Loan Document with respect to any Obligations, interest, fees, commission or other amount, adequate and reasonable means do not exist for ascertaining Term SOFR pursuant to the definition thereof on or prior to the first day of any Interest Period or (ii) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that fundamental change has occurred in the foreign exchange markets with respect to an applicable Alternate Currency (including changes in national or international financial, political or economic conditions or currency exchange rates or exchange controls), then the Administrative Agent shall give notice thereof to the Borrowers and the applicable Lenders by telephone or electronic means as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrowers and the applicable Lenders that the circumstances giving rise to such notice no longer exist, (A) any Interest Election Request that requests (or any deemed request for) the conversion of any Borrowing to, or continuation of any Borrowing as, a SOFR Borrowing in such affected currency shall be ineffective and such Borrowing shall be (A) in the case of an affected SOFR Borrowing, be converted to or continued as on the last day of the Interest Period applicable thereto as an ABR Borrowing and (B) in the case of an affected SOFR Borrowing denominated in an Alternate Currency, at the Borrower's election, shall either (i) be converted into ABR Loans denominated in Dollars (in an amount equal to the Dollar Equivalent of such Alternate Currency) immediately, or in the case of a Term SOFR Borrowing, at the end of the applicable Interest Period or (ii) be prepaid in full, together with accrued interest thereon, at the end of the applicable Interest Period; provided that if no election is made by

the Borrowers by the date that is three Business Days after receipt by the Borrowers of such notice or, in the case of Term SOFR Loans, the last day of the current Interest Period for Term SOFR Loans, if earlier, the Borrowers shall be deemed to have elected clause (B)(i) above and (C) if any Borrowing Request requests an affected SOFR Borrowing, such Borrowing shall be made as an ABR Borrowing denominated in Dollars (in an amount equal to the Dollar Equivalent of such Alternate Currency, if applicable); provided, that if the circumstances giving rise to such notice affect only one Type of Borrowings, then the other Type of Borrowings shall be permitted.

(c) Benchmark Replacement. Notwithstanding anything to the contrary herein or in any other Loan Document (and any Hedging Agreement shall be deemed not to be a "Loan Document" for purposes of this Section 2.14), if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (i) if a Benchmark Replacement is determined in accordance with clause (a)(i) or clause (b)(i) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (ii) if a Benchmark Replacement is determined in accordance with clause (a)(ii), clause (b)(ii) or clause (c) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) business day after the date notice of such Benchmark Replacement is provided to the Lenders without requiring any amendment to, or requiring further action by or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders of each Class.

(d) Benchmark Replacement Conforming Changes. In connection with the implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(e) Notices; Standards for Decisions and Determinations. The Administrative Agent will promptly notify the Borrower and the Lenders of (i) the occurrence of a Benchmark Transition Event, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes, (iv) the removal or reinstatement of any tenor of a Benchmark pursuant to Section 2.14(f) and (v) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.14, including any

determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 2.14.

(f) Unavailability of Tenor of Benchmark. Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (A) if any then-current Benchmark is a term rate (including any Term SOFR or EURIBO Rate) and either (I) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (II) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (B) if a tenor that was removed pursuant to clause (A) above either (I) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (II) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(g) Benchmark Unavailability Period. Upon the Borrowers' receipt of notice of the commencement of a Benchmark Unavailability Period with respect to a given Benchmark, the Borrowers may revoke any pending request for a SOFR Borrowing of, conversion to or continuation of SOFR Loans, or a Eurocurrency Borrowing of, conversion to or continuation of Eurocurrency Loans, or a Compounded SONIA Borrowing of, conversion to or continuation of Compounded SONIA Loans, in each case, to be made, converted or continued during any Benchmark Unavailability Period denominated in the applicable currency and, failing that, (A)(I) in the case of any request for an affected SOFR Borrowing or a Eurocurrency Borrowing, in each case, denominated in Dollars, if applicable, the Borrowers will be deemed to have converted any such request into a request for a Borrowing of or conversion to ABR Loans in the amount specified therein and (II) in the case of any request for any affected SOFR Borrowing, Eurocurrency Borrowing or Compounded SONIA Borrowing, in each case, in an Alternate Currency, if applicable, then such request shall be ineffective and (B)(I) any outstanding affected SOFR Loans or Eurocurrency Loans, in each case, denominated in Dollars, if applicable, will be deemed to have been converted into ABR Loans immediately or, in the case of Term SOFR Loans or Eurocurrency Loans, at the end of the applicable Interest Period and (II) any outstanding affected SOFR Loans, Eurocurrency Loans or Compounded SONIA Loans, in each case, denominated in an Alternate Currency, at the Borrower's election, shall either (a) be converted into ABR Loans denominated in Dollars (in an amount equal to the Dollar Equivalent of such Alternate Currency) immediately or, in the case of Term SOFR Loans

or Eurocurrency Loans, at the end of the applicable Interest Period or (b) be prepaid in full immediately or, in the case of Term SOFR Loans or Eurocurrency Loans, at the end of the applicable Interest Period; provided that, with respect to any Daily Simple SOFR Loan, if no election is made by the Borrower by the date that is three Business Days after receipt by the Borrower of such notice, the Borrower shall be deemed to have elected clause (a) above; provided, further that, with respect to any Eurocurrency Loan or Term SOFR Loan, if no election is made by the Borrower by the earlier of (x) the date that is three Business Days after receipt by the Borrower of such notice and (y) the last day of the current Interest Period for the applicable Eurocurrency Loan or Term SOFR Loan, the Borrower shall be deemed to have elected clause (a) above. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted, together with any additional amounts required pursuant to Section 2.15. During a Benchmark Unavailability Period with respect to any Benchmark or at any time that a tenor for any then-current Benchmark is not an Available Tenor, the component of ABR based upon the then-current Benchmark that is the subject of such Benchmark Unavailability Period or such tenor for such Benchmark, as applicable, will not be used in any determination of ABR.

Section 2.15 Increased Costs.

(a) If any Change in Law, after the Closing Date (or, if later, the date the relevant Lender, Ancillary Lender or Issuing Bank becomes party to this Agreement), shall:

(i) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender, Ancillary Lender or Issuing Bank (each an "Increased Cost Party"); or

(ii) subject any Lender to any Tax with respect to any Loan, Letter of Credit, Ancillary Facility or Loan Document (other than (A) Taxes indemnifiable under Section 2.17 or (B) Excluded Taxes); or

(iii) impose on any Increased Cost Party or the applicable offshore interbank market any other condition (other than Taxes) affecting this Agreement or Eurocurrency Loans, Term SOFR Loans or Compounded SONIA Loans made by such Increased Cost Party or any Letter of Credit or participation therein, and the result of any of the foregoing shall be to increase the cost to such Increased Cost Party of making or maintaining any Eurocurrency Loan, Term SOFR Loan or Compounded SONIA Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to such Increased Cost Party of participating in, issuing or maintaining any Letter of Credit or to reduce the amount of any sum received or receivable by such Increased Cost Party hereunder (whether of principal, interest or otherwise),

then the Borrowers will pay to such Increased Cost Party such additional amount or amounts as will compensate such Increased Cost Party for such additional costs incurred or reduction suffered.

(b) Notwithstanding anything herein to the contrary, the Borrowers will not be obliged to compensate any Increased Cost Party (or any of its Affiliates) in relation to (i) an additional or increased cost, (ii) a reduction in any amount due or payable under any Loan Document and (iii) a reduction in the rate of return from a Facility or on the Increased Cost Party's (or its Affiliate's) overall capital, in each case, which is suffered or incurred by an Increased Cost Party or any of its Affiliates:

(i) compensated for under Section 2.17 or which would have been so compensated for but for an exception in Section 2.17 or Section 9.05;

(ii) attributable to a change (whether of basis, timing or otherwise) in the Tax on the overall net income of the Secured Party (or any Affiliate of it) or of its Lending Office (or otherwise the branch or office through which it participates in any Loan);

(iii) attributable to the breach by the Secured Party (or any Affiliate of it) of (w) any law, regulation or treaty, or (x) the terms of any Loan Document;

(iv) attributable to any penalty having been imposed by the relevant central bank or monetary or fiscal authority upon the Secured Party (or any Affiliate of it) by virtue of its having exceeded any country or sector borrowing limits or breached any directives imposed upon it;

(v) (solely to the extent that a Lender was or reasonably should have been aware of on the date on which it became a Lender) to the extent that it is attributable to the implementation or application of or compliance with Basel II, Basel III, CRD IV or Basel IV or any other law or regulation which implements Basel II, Basel III, CRD IV or Basel IV (whether such implementation, application or compliance is by a government, regulator, Increased Cost Party or any of its Affiliates), provided that, in each case, any Lender seeking to recover such increased costs indemnity or reimbursement in respect of Basel II, Basel III, CRD IV and Basel IV shall confirm to the Company that it is charging other similarly situated Borrowers to whom it lends an equivalent increased cost charge, where it is permitted to do so;

(vi) attributable to any Bank Levy (or any payment attributable to, or liability arising as a consequence of, a Bank Levy);

(vii) attributable to any Excluded Tax Event (or any payment attributable to, or liability arising as a consequence of, an Excluded Tax Event);

(viii) attributable to a Secured Party being incorporated, domiciled, established, located, resident or acting through a Lending Office situated in a Non-Cooperative Jurisdiction; or

(ix) not certified or notified to the Company in accordance with Section 2.15(d) or (e) below.

(c) If any Increased Cost Party determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Increased Cost Party's capital or on the capital of such Increased Cost Party's holding company, if any, as a consequence of this Agreement or the Loans made by, or participations in Letters of Credit held by, or Ancillary Facility made by, such Increased Cost Party, or the Letters of Credit issued by such Increased Cost Party, to a level below that which such Increased Cost Party or such Increased Cost Party's holding company could have achieved but for such Change in Law (taking into consideration such Increased Cost Party's policies and the policies of such Increased Cost Party's holding company with respect to capital adequacy and liquidity), then from time to time the Borrower shall pay to such Increased Cost Party such additional amount or amounts as will compensate such Increased Cost Party or such Increased Cost Party's holding company for any such reduction suffered.

(d) A certificate of an Increased Cost Party setting forth the amount or amounts necessary to compensate such Increased Cost Party or its holding company, as applicable, as specified in clause (a) or (c) of this Section 2.15 shall be delivered to the Borrower and shall be conclusive absent manifest error; provided, that any such certificate claiming amounts described in clause (x) or (y) of the definition of "Change in Law" shall, in addition, state the basis upon which such amount has been calculated and certify that such Increased Cost Party's demand for payment of such costs hereunder, and such method of allocation is not inconsistent with its treatment of other borrowers which, as a credit matter, are similarly situated to the Borrower and which are subject to similar provisions. The Borrower shall pay such Increased Cost Party the amount shown as due on any such certificate within 10 days after receipt thereof.

(e) Promptly after any Increased Cost Party has determined that it will make a request for increased compensation pursuant to this Section 2.15, such Increased Cost Party shall notify the Borrower thereof. Failure or delay on the part of any Increased Cost Party to demand compensation pursuant to this Section 2.15 shall not constitute a waiver of such Increased Cost Party's right to demand such compensation; provided, that the Borrower shall not be required to compensate an Increased Cost Party pursuant to this Section 2.15 for any increased costs or reductions incurred more than 180 days prior to the date that such Increased Cost Party notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Increased Cost Party's intention to claim compensation therefor; provided, further, that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180 day period referred to above shall be extended to include the period of retroactive effect thereof.

Section 2.16 Break Funding Payments.

In the event of (a) the payment of any principal of any Eurocurrency Loan or any Term SOFR Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Eurocurrency Loan or any Term SOFR Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow (other than due to the default of the relevant Lender), convert, continue or prepay any Eurocurrency Loan or any Term SOFR Loan on the date specified in any notice delivered pursuant hereto, (d) the assignment of any Eurocurrency Loan or any Term SOFR Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Company pursuant to Section 2.19, then, in any such event, the Borrowers shall compensate each Lender for the reasonable and actual loss, cost and expense attributable to such event (excluding loss of margin or anticipated profits). In the case of a Eurocurrency Loan or any Term SOFR Loan, such loss, cost or expense to any Lender shall be deemed to be the amount determined by such Lender (it being understood that the deemed amount shall not exceed the actual amount) to be the excess, if any, of (i) the amount of interest that would have accrued on the principal amount of such Loan had such event not occurred, at the EURIBO Rate, Term SOFR, Adjusted Term SOFR, as applicable, that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue a Eurocurrency Loan or any Term SOFR Loan, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest that would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for deposits in Euros and/or Dollars of a comparable amount and period from other banks in the eurocurrency market. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section 2.16 shall be delivered to the Company and shall be conclusive absent manifest error. The Borrowers shall pay such Lender the amount shown as due on any such certificate within 15 days after receipt thereof.

Section 2.17 Taxes.

(a) All payments made by or on behalf of a Loan Party under this Agreement or any other Loan Document shall be made free and clear of, and without deduction or withholding for or on account of, any Taxes, except as required by Applicable Law; provided, that if a Loan Party, the Administrative Agent or any other applicable withholding agent shall be required by Applicable Law (as determined in the good faith discretion of an applicable withholding agent) to deduct or withhold any Taxes from such payments, then (A) the applicable withholding agent shall make such deductions or withholdings as are reasonably determined by the applicable withholding agent to be required by any Applicable Law, (B) the applicable withholding agent shall timely pay the full amount deducted or withheld to the relevant Governmental Authority within the time allowed and in accordance with Applicable Law, and (C) to the extent withholding or deduction is required to be made on account of Indemnified Taxes or Other Taxes, an additional amount shall be paid by the Loan Party as necessary so that after all required deductions and withholdings have been made (including such deductions or withholdings

applicable to additional sums payable under this Section 2.17) any Lender (or where the Administrative Agent receives the payment for its own account, the Administrative Agent) receives an amount equal to the sum it would have received had no such deductions or withholdings been made. Whenever any Indemnified Taxes or Other Taxes are payable by a Loan Party, as promptly as possible thereafter, such Loan Party shall send to the Administrative Agent for its own account or for the account of a Lender, as the case may be, a certified copy of an official receipt (or other evidence acceptable to the Administrative Agent or such Lender, acting reasonably) received by the Loan Party showing payment thereof. Without duplication, after any payment of Taxes by any Loan Party or the Administrative Agent to a Governmental Authority as provided in this Section 2.17, such Loan Party shall deliver to the Administrative Agent or the Administrative Agent shall deliver to the Company, as the case may be, a copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of any return required by Applicable Law to report such payment or other evidence of such payment reasonably satisfactory to the Company or the Administrative Agent, as the case may be.

(b) The Borrowers shall timely pay any Other Taxes.

(c) The Borrowers shall indemnify and hold harmless the Administrative Agent and each Lender within 15 Business Days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes imposed on the Administrative Agent or such Lender, as applicable, as the case may be (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2.17) payable or paid by such Lender or required to be withheld or deducted from a payment to such Lender and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed by the relevant Governmental Authority. A certificate setting forth in reasonable detail the basis and calculation of the amount of such payment or liability delivered to the Borrowers by a Lender or by the Administrative Agent (as applicable) on its own behalf or on behalf of a Lender shall be conclusive absent manifest error.

(d) Each Lender shall deliver to the Company and the Administrative Agent, at such time or times reasonably requested by the Company or the Administrative Agent, such properly completed and executed documentation prescribed by Applicable law and such other reasonably requested information as will permit the Company or the Administrative Agent, as the case may be, to determine (A) whether or not any payments made hereunder or under any other Loan Document are subject to withholding of Taxes, (B) if applicable, the required rate of withholding or deduction, and (C) such Lender's entitlement to any available exemption from, or reduction of, any such withholding of Taxes in respect of any payments to be made to such Lender by any Loan Party pursuant to any Loan Document or otherwise to establish such Lender's status for withholding tax purposes in the applicable jurisdiction. Each Lender shall co-operate in completing any such procedural formalities, in each case, as will permit any payments to that Lender under any Loan Document to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if requested by the Company or the Administrative Agent, shall deliver such other documentation prescribed by Applicable Law or reasonably requested by the Company or the Administrative Agent as will enable the Company or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements (including such information as is required to enable a Borrower to comply with its tax reporting obligations under sections 891A, 891E, 891F and 891G of the TCA).

(e) Without limiting the generality of the foregoing, in the event that the Borrower is a U.S. Person:

(i) each U.S. Lender to such U.S. Borrower shall deliver to the Company and the Administrative Agent on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon reasonable request of the Borrower or Administrative Agent), two executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding; and

(ii) each Foreign Lender shall deliver to the Company and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or before the date on which such Foreign Lender becomes a party to this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent) whichever of the following is applicable (A) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, an executed copy of IRS Form W-8BEN-E or IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN-E or IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. Federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty, (B) in the case of a Foreign Lender claiming that its extension of credit will generate U.S. effectively connected income, an executed copy of IRS Form W- 8ECI, (C) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit A-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) an executed copy of IRS Form W- 8BEN-E or IRS Form W-8BEN, or (D) to the extent a Foreign Lender is not the beneficial owner, an executed copy of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN-E, IRS Form W-8BEN, a U.S. Tax Compliance Certificate substantially in the form of Exhibit A-2 or Exhibit A-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit A-4 on behalf of each such direct and indirect partner;

(iii) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of any other form prescribed by Applicable Law as a basis for claiming exemption from or a reduction in U.S. Federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by Applicable Law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made.

(f) Without limiting the generality of Section 2.17(d) where the Borrower is an Irish Borrower:

(i) each Lender to such an Irish Borrower which becomes a Lender on the date of this Agreement confirms that on such date it is an Irish Qualifying Lender; and

(ii) each Lender to such an Irish Borrower or Participant which becomes a Lender or Participant, as applicable, after the date of this Agreement shall confirm in writing to the Irish Borrower on the date it becomes a Lender or Participant whether it is (x) an Irish Qualifying Lender or (y) not an Irish Qualifying Lender or (z) an Irish Treaty Lender. If a Lender or Participant fails to confirm its status pursuant to this Section 2.17(d) it shall be treated by the Irish Borrower as if it is not an Irish Qualifying Lender until such time as it notifies the Administrative Agent which category applies (and the Administrative Agent, upon receipt of such notification, shall inform the Borrower). A Lender or Participant shall promptly notify the Administrative Agent and the Irish Borrower if there is any change in its status as an Irish Qualifying Lender.

(g) Without limiting the generality of Section 2.17(d) where the Borrower is a Dutch Borrower:

(i) each Lender to such a Dutch Borrower which becomes a Lender on the date of this Agreement confirms that on such date it is a Dutch Qualifying Lender; and

(ii) each Lender to such a Dutch Borrower or Participant which becomes a Lender or Participant, as applicable, after the date of this Agreement shall in the Assignment and Acceptance (or other documentation) which it executes on becoming a Lender confirm which of the following categories it falls in: (A) a Dutch Qualifying Lender that falls within paragraph (i) of the definition of "Dutch Qualifying Lender" or (B) not a Dutch Qualifying Lender or (C) a Dutch Treaty Lender. If a Lender or Participant fails to confirm its status pursuant to this Section 2.17 it shall be treated by the Dutch Borrower as if it is not a Dutch Qualifying Lender until such time as it notifies the Administrative Agent which category applies (and the Administrative Agent, upon receipt of such notification, shall inform the Dutch Borrower). A Lender or Participant shall promptly notify the Administrative Agent and the Dutch Borrower if there is any change in its status as a Dutch Qualifying Lender.

(h) Each Lender agrees that if any documentation, form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such documentation, form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability or legal ineligibility to do so.

(i) Each person that shall become a Participant pursuant to Section 9.04 or a Lender pursuant to Section 9.04 shall, upon the effectiveness of the related transfer, be required to provide all the forms and statements required pursuant to this Section 2.17; provided that a Participant shall furnish all such required forms and statements solely to the person from which the related participation shall have been purchased.

(j) Each Lender hereby authorizes the Administrative Agent to deliver to the Loan Parties and to any successor Administrative Agent any documentation provided by such Lender to the Administrative Agent pursuant to this Section 2.17.

(k) Notwithstanding any other provision of this Section 2.17, a Lender shall not be required to deliver any documentation that such Lender is not legally eligible to deliver.

(l) A U.K. Treaty Lender and each U.K. Borrower which makes a payment to which that U.K Treaty Lender is entitled shallco-operate in completing any procedural formalities necessary for that U.K. Borrower to obtain authorization to make that payment without withholding tax (or with a reduced rate of withholding tax) imposed by the United Kingdom on interest, including, to the extent reasonably practicable, making, filing and following up on an appropriate application for relief under the applicable double tax treaty. Without limiting the generality of the foregoing:

(i) [Reserved].

(ii) Each Lender that is a U.K Treaty Lender that holds a passport under the HM Revenue & Customs DT Treaty Passport scheme, and which wishes that scheme to apply to this Agreement, shall confirm its scheme reference number and its jurisdiction of tax residence opposite its name in Schedule 2.01 (or, if the Lender is not a party to this Agreement as a Lender on the date of this Agreement, in the Assignment and Acceptance (or any other documentation) which it executes on becoming a Lender).

(iii) If a Lender has confirmed its scheme reference number and its jurisdiction of tax residence in accordance with paragraph (ii) above and, in respect of a U.K. Borrower which makes a payment to which that Lender is entitled, (i) that U.K. Borrower has not made a U.K DTTP Filing in respect of that Lender; or (ii) that U.K. Borrower has made a U.K DTTP Filing in respect of that Lender but that U.K DTTP Filing has been rejected by HM Revenue & Customs, or (iii) HM Revenue & Customs has given that U.K. Borrower authority to make payments

to that Lender without a U.K Tax Deduction but such authority has subsequently been revoked or expired, or (iv) HM Revenue & Customs has not given that U.K. Borrower authority to make payments to that Lender without a U.K Tax Deduction within 60 days of the date of the U.K DTTP Filing, and, in each case, that U.K. Borrower has notified that Lender in writing, that Lender and that U.K. Borrower shall co-operate in completing any additional procedural formalities necessary for that U.K. Borrower to make that payment without a U.K Tax Deduction.

(iv) If a Lender has not confirmed its scheme reference number and jurisdiction of tax residence in accordance with paragraph (ii) above, no U.K. Borrower shall make a U.K DTTP Filing or file any other form relating to the HM Revenue & Customs DT Treaty Passport scheme in respect of that Lender's Commitment(s) or its participation in any Loan unless the Lender otherwise agrees.

(v) A U.K. Borrower shall, promptly on making a U.K DTTP Filing, deliver a copy of that U.K DTTP Filing to the Administrative Agent for delivery to the relevant Lender.

(m) Each Lender shall indicate opposite its name in Schedule 2.01 (or, if the Lender becomes a Lender after the date of this Agreement, in the Assignment and Acceptance (or other documentation) which it executes on becoming a Lender) which of the following categories it falls in: (A) not a U.K Qualifying Lender, (B) a U.K Qualifying Lender that falls within paragraph (i) of the definition of "U.K Qualifying Lender", (C) a U.K Qualifying Lender that falls within paragraph (ii) of the definition of "U.K Qualifying Lender", or (D) a U.K Qualifying Lender that is a U.K Treaty Lender. If a Lender fails to indicate its status in accordance with this paragraph (iv), then such Lender shall be treated for the purposes of this Agreement as if it is not a U.K Qualifying Lender until such time as it notifies the Administrative Agent which category applies (and the Administrative Agent, upon receipt of such notification, shall inform the U.K. Borrowers).

(n) If any Lender or the Administrative Agent, as applicable, determines, in its sole discretion, that it has received a refund of an Indemnified Tax or Other Tax for which a payment has been made by a Loan Party pursuant to this Agreement or any other Loan Document, which refund in the good faith judgment of such Lender or the Administrative Agent, as the case may be, is attributable to such payment made by such Loan Party, then the Lender or the Administrative Agent, as the case may be, shall reimburse the Loan Party for such amount (net of all reasonable out-of-pocket expenses of such Lender or the Administrative Agent, as the case may be, (including any Taxes) and without interest other than any interest received thereon from the relevant Governmental Authority with respect to such refund) as the Lender or Administrative Agent, as the case may be, determines in its sole discretion to be the proportion of the refund as will leave it, after such reimbursement, in no better or worse position (taking into account expenses or any Taxes imposed on the refund) than it would have been in if the Indemnified Tax or Other Tax giving rise to such refund had not been imposed in the first instance; provided that the Loan Party, upon the request of the Lender or the Administrative Agent shall repay the amount paid over to the Loan Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Lender or the Administrative

Agent in the event the Lender or the Administrative Agent is required to repay such refund to such Governmental Authority. In such event, such Lender or the Administrative Agent, as the case may be, shall, at the Borrower's request, provide the Company with a copy of any notice of assessment or other evidence of the requirement to repay such refund received from the relevant Governmental Authority (provided that such Lender or the Administrative Agent may delete any information therein that it deems confidential). No Lender nor the Administrative Agent shall be obliged to make available its tax returns (or any other information relating to its taxes that it deems confidential) to any Loan Party in connection with this clause (n) or any other provision of this Section 2.17.

(o) If any Borrower determines that a reasonable basis exists for contesting an Indemnified Tax or Other Tax for which a Loan Party has paid additional amounts or indemnification payments, each affected Lender or Agent, as the case may be, shall use reasonable efforts to cooperate with the Borrowers as the Borrowers may reasonably request in challenging such Tax. The Borrowers shall indemnify and hold each Lender and Agent harmless against any out-of-pocket expenses incurred by such person in connection with any request made by any Borrower pursuant to this Section 2.17(o). Nothing in this Section 2.17(o) shall obligate any Lender or Agent to take any action that such person, in its sole judgment, determines may result in a material detriment to such person.

(p) If a payment made to any Lender under this Agreement or any other Loan Document would be subject to U.S. federal withholding tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Company and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by Applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Company or the Administrative Agent as may be necessary for the Company and the Administrative Agent to comply with their obligations under FATCA, to determine whether such Lender has or has not complied with such Lender's obligations under FATCA and to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this Section 2.17(p), "FATCA" shall include any amendments made to FATCA after the Closing Date.

(q) All amounts expressed to be payable under any Loan Document by any party to a Recipient which (in whole or in part) constitute the consideration for any supply for VAT purposes are deemed to be exclusive of any VAT which is chargeable on that supply, and accordingly, subject to Section 2.17(r) below, if VAT is or becomes chargeable on any supply made by any Recipient to any Party under any Loan Document and such Recipient is required to account to the relevant tax authority for the VAT, that Party must pay to such Recipient (in addition to and at the same time as paying any other consideration for such supply) an amount equal to the amount of the VAT upon receipt of an appropriate VAT invoice issued by such Recipient to that Party.

(r) If VAT is or becomes chargeable on any supply made by any Recipient (the "Supplier") to any other Recipient (the "Receiver") under any Loan Document, and any Party other than the Receiver (the "Relevant Party") is required by the terms of any Loan Document to pay an amount equal to the consideration for that supply to the Supplier (rather than being required to reimburse or indemnify the Receiver in respect of that consideration):

(i) where the Supplier is the person required to account to the relevant tax authority for the VAT, the Relevant Party must also pay to the Supplier (at the same time as paying that amount) an additional amount equal to the amount of the VAT. The Receiver must (where this Section 2.17(r)(i) applies) promptly pay to the Relevant Party an amount equal to any credit or repayment the Receiver receives from the relevant tax authority which the Receiver reasonably determines relates to the VAT chargeable on that supply; and

(ii) where the Receiver is the person required to account to the relevant tax authority for the VAT, the Relevant Party must promptly, following demand from the Receiver, pay to the Receiver an amount equal to the VAT chargeable on that supply but only to the extent that the Receiver reasonably determines that it is not entitled to credit or repayment from the relevant tax authority in respect of that VAT.

(s) Where any Loan Document requires any Party to reimburse or indemnify a Recipient for any cost or expense, that Party shall reimburse or indemnify (as the case may be) such Recipient for the full amount of such cost or expense, including such part thereof as represents VAT, save to the extent that such Recipient reasonably determines that it is entitled to credit or repayment in respect of such VAT from the relevant tax authority,

(t) Any reference in Section 2.17(q), (r), (s) and (u) to any Party shall, at any time when such Party is treated as a member of a group or unity (or fiscal unity) for VAT purposes, include (where appropriate and unless the context otherwise requires) a reference to the person who is treated at that time as making the supply, or (as appropriate) receiving the supply, under the grouping rules (provided for in Article 11 of Council Directive 2006/112/EC (or as implemented by the relevant member state of the European Union) or any other similar provision in any jurisdiction which is not a member state of the European Union) so that a reference to a Party shall be construed as a reference to that Party or the relevant group or unity (or fiscal unity) of which that Party is a member for VAT purposes at the relevant time or the relevant representative member (or head) of that group or unity (or fiscal unity) at the relevant time (as the case may be).

(u) In relation to any supply made by a Recipient to any Party under any Loan Document, if reasonably requested by such Recipient, that Party must promptly provide such Recipient with details of that Party's VAT registration and such other information as is reasonably requested in connection with such Recipient's VAT reporting requirements in relation to such supply.

(v) The Dutch Loan Parties may form a fiscal unity for Dutch VAT and/or Dutch corporate income tax purposes.

(w) The agreements in this Section 2.17 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable under any Loan Document.

For purposes of this Section 2.17, the term "Lender" includes any Issuing Bank and, any Ancillary Lender and the term "Applicable Law" includes FATCA.

Section 2.18 Payments Generally; Pro Rata Treatment; Sharing of Set-offs.

(a) Unless otherwise specified, the Borrowers shall make each payment required to be made by it hereunder (whether of principal, interest, fees or reimbursement of L/C Disbursements, or of amounts payable under Section 2.15, Section 2.16 or Section 2.17, or otherwise) prior to 2:00 p.m., Local Time, on the date when due, in immediately available funds. Each such payment shall be made without condition or deduction for any defense, recoupment, set-off or counterclaim. If for any reason the Borrowers are prohibited by Applicable Law from making any required payment hereunder in Euro or Sterling, the Borrowers shall make such payment in Dollars in the Dollar Equivalent of the Euro or Sterling payment amount, as applicable. Any amounts received after such time on any date may, in the reasonable discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent to the applicable account designated to the Company by the Administrative Agent, except payments to be made directly to the applicable Issuing Bank or Ancillary Lender as expressly provided herein and except that payments pursuant to Section 2.15, Section 2.16, Section 2.17 and Section 9.05 shall be made directly to the persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for the account of any other person to the appropriate recipient promptly following receipt thereof. Except as otherwise expressly provided herein, if any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments made under the Loan Documents (excluding a payment under the terms of an Ancillary Document) shall be made in Dollars (or, in the case of any Loans or Letters of Credit denominated in Euros or Sterling in Euros or Sterling, respectively, or, in the case of Alternate Currency Loans or Alternate Currency Letters of Credit, in the applicable Alternate Currency). Any payment required to be made by the Administrative Agent hereunder shall be deemed to have been made by the time required if the Administrative Agent shall, at or before such time, have taken the necessary steps to make such payment in accordance with the regulations or operating procedures of the clearing or settlement system used by the Administrative Agent to make such payment.

(b) Subject to Section 7.02, if at any time insufficient funds are received by and available to the Administrative Agent from the Borrowers to pay fully all amounts of principal, unreimbursed L/C Disbursements, interest and fees then due from the Borrowers hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due from the Borrowers hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, (ii) second, towards payment of principal of unreimbursed L/C Disbursements then due from the Borrowers hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal unreimbursed L/C Disbursements then due to such parties, and (iii) third, towards payment of principal then due from the Borrowers hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal then due to such parties.

(c) If any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of, or interest on, any of its Term Loans, Revolving Facility Loans or participations in L/C Disbursements of a given Class resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Term Loans, Revolving Facility Loans, and participations in L/C Disbursements of such Class and accrued interest thereon than the proportion received by any other Lender entitled to receive the same proportion of such payment, then the Lender receiving such greater proportion shall purchase participations in the Term Loans, Revolving Facility Loans, and participations in L/C Disbursements of such Class of such other Lenders to the extent necessary so that the benefit of all such payments shall be shared by all such Lenders entitled thereto ratably in accordance with the principal amount of each such Lender's respective Term Loans, Revolving Facility Loans and participations in L/C Disbursements of such Class and accrued interest thereon; provided, that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this clause (c) shall not be construed to apply to any payment made by the Borrowers pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans, its Swingline Loans or participations in L/C Disbursements to any assignee or participant. Each Borrower consents to the foregoing and agrees, to the extent it may effectively do so under Applicable Law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrowers rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrowers in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Company prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders, Ancillary Lender or the applicable Issuing Bank hereunder that the Borrowers will not make such payment, the Administrative Agent may assume that the Borrowers have made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the Ancillary Lender or the applicable Issuing Bank, as applicable, the amount due. In such event, if the Borrowers have not in fact made such payment, then each of the Lenders or the Ancillary Lenders or the applicable Issuing Bank, as applicable, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or Ancillary Lender or Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.05(d) or Section 2.05(e), Section 2.06 or Section 2.18(d), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's or obligations under such Sections until all such unsatisfied obligations are fully paid.

(f) This Section 2.18 (*Payments Generally; Pro Rata Treatment; Sharing of Set-offs*) shall not apply to any receipt or recovery by a Lender in its capacity as an Ancillary Lender at any time prior to the Administrative Agent exercising any of its rights under Section 7.01(m) (*Events of Default*).

(g) Following the exercise by the Administrative Agent of any of its rights under Section 7.01(m) (*Events of Default*), this Section 2.18 (*Payments Generally; Pro Rata Treatment; Sharing of Set-offs*) shall apply to all receipts or recoveries by Ancillary Lenders except to the extent that the receipt or recovery represents a reduction of the Gross Outstandings of a Multi-account Overdraft to or towards an amount equal to its Net Outstandings.

(h) There shall be no obligation on a Loan Party or the Administrative Agent to make any payments to a Sanctioned Party or make any payments that would otherwise result in a breach of Sanctions and no party to this Agreement shall be required to (and no Lender, Administrative Agent, Collateral Agent or Issuing Bank will) make any payment under or in connection with any Loan Document to a Sanctioned Party in breach of any Sanctions (as determined by the Company in good faith in consultation with such Lender, Administrative Agent, Collateral Agent or Issuing Bank). Each Lender shall promptly notify the Agent and the Company if at any time such Lender becomes aware that it is (or is reasonably likely to become) a Sanctioned Party.

Section 2.19 Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.15, or if the Borrowers are required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17 or any event that gives rise to the operation of Section 2.20, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or Section 2.17 or mitigate the applicability of Section 2.20, as applicable, in the future and (ii) would not subject such Lender to any material unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material respect. The Borrowers hereby, jointly and severally, agree to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If (i) any Lender requests compensation under Section 2.15 or gives notice under Section 2.20, (ii) the Borrowers are required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, or (iii) any Lender is a Defaulting Lender, then the Borrowers may, at their sole expense and effort, upon notice to such Lender and the Administrative Agent, require any such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (i) the Borrowers shall have received the prior written consent of the Administrative Agent (and, if in respect of any Revolving Facility Commitment or Revolving Facility Loan, the Issuing Banks and the Ancillary Lenders or, if in respect of any Swingline Commitments or Swingline Loans, the Swingline Lenders), to the extent consent would be required under Section 9.04(b) for an assignment of Loans or Commitments, as applicable, which consent, in each case, shall not unreasonably be withheld, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in L/C Disbursements, accrued interest thereon, accrued fees and all other amounts payable to it hereunder from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrowers (in the case of all other amounts) and (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.15, payments required to be made pursuant to Section 2.17 or a notice given under Section 2.20, such assignment will result in a reduction in such compensation or payments. Nothing in this Section 2.19 shall be deemed to prejudice any rights that the Borrowers may have against any Lender that is a Defaulting Lender. No action by or consent of the removed Lender shall be necessary in connection with such assignment, which shall be immediately and automatically effective upon payment of such purchase price. In connection with any such assignment the Borrowers, Administrative Agent, such removed Lender and the replacement Lender shall otherwise comply with Section 9.04, provided, that if such removed Lender does not comply with Section 9.04 within one Business Day after the Company's request, compliance with Section 9.04 shall not be required to effect such assignment.

(c) If any Lender (such Lender, a "Non-Consenting Lender") has failed to consent to a proposed amendment, waiver, discharge or termination which pursuant to the terms of Section 9.08 requires the consent of all of the Lenders affected and with respect to which the Required Lenders shall have granted their consent, then the Company shall have the right (unless such Non-Consenting Lender grants such consent) at its sole expense (including with respect to the processing and recordation fee referred to in Section 9.04(b)(ii)(B)) to replace such Non-Consenting Lender by requiring such Non-Consenting Lender to (and any such Non-Consenting Lender agrees that it shall, upon the Company's request) assign its Loans and its Commitments (or, at the Company's option, the Loans and Commitments under the Facility that is the subject of the proposed amendment, waiver, discharge or termination) hereunder to one or more assignees reasonably acceptable to (i) the Administrative Agent (unless such assignee is a Lender, an Affiliate of a Lender or an Approved Fund), (ii) if in respect of any Revolving Facility

Commitment or Revolving Facility Loan, the Issuing Banks and the Swingline Lenders; provided, that: (a) all Loan Obligations of the Borrowers owing to such Non-Consenting Lender being replaced shall be paid in full to suchNon-Consenting Lender concurrently with such assignment, (b) the replacement Lender shall purchase the foregoing by paying to such Non-Consenting Lender a price equal to the principal amount thereof plus accrued and unpaid interest thereon and the replacement Lender or, at the option of the Company, the Borrowers shall pay any amount required by Section 2.12(d)(y), if applicable, and (c) the replacement Lender shall grant its consent with respect to the applicable proposed amendment, waiver, discharge or termination. No action by or consent of the Non- Consenting Lender shall be necessary in connection with such assignment, which shall be immediately and automatically effective upon payment of such purchase price. In connection with any such assignment the Borrowers, Administrative Agent, such Non- Consenting Lender and the replacement Lender shall otherwise comply with Section 9.04; provided, that if such Non-Consenting Lender does not comply with Section 9.04 within one Business Day after the Company's request, compliance with Section 9.04 shall not be required to effect such assignment.

Section 2.20 Illegality.

If any Lender reasonably determines that any Change in Law has made it unlawful, or that any Governmental Authority has asserted after the Closing Date that it is unlawful, for any Lender or its applicable Lending Office to make or maintain any Eurocurrency Loans in any currency, Term SOFR Loans or Compounded SONIA Loans, then, on notice thereof by such Lender to the Borrowers through the Administrative Agent, any obligations of such Lender to make or continue Eurocurrency Loans in such currency or Term SOFR Loans or to convert ABR Borrowings to Eurocurrency Borrowings or Term SOFR Borrowings in such currency or make or continue Compounded SONIA Loans shall be suspended until such Lender notifies the Administrative Agent and the Company that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrowers shall upon demand from such Lender (with a copy to the Administrative Agent) either:

(a) (i) in the case of Eurocurrency Loans or Term SOFR Loans denominated in Dollars if the affected Lender may lawfully continue to maintain such Loans as Eurocurrency Loans or Term SOFR Loans, as applicable until the last day of such Interest Period, convert all Eurocurrency Loans or Term SOFR Loans of such Lender to ABR Loans or to Eurocurrency Loans or Term SOFR Loans in a different currency on the last day of such Interest Period (or, otherwise, immediately convert such Eurocurrency Loans or Term SOFR Loans to ABR Loans or to Eurocurrency Loans or Term SOFR Loans in a different currency) or (ii) prepay such Eurocurrency Loans or Term SOFR Loans, as applicable;

(b) in the case of Eurocurrency Loans denominated in Euro or Sterling, if the affected Lender may lawfully continue to maintain such Eurocurrency Loans prepay such Loans or the last day of the Interest Period therefor, or if the affected Lender may not lawfully continue to maintain such Loans, immediately prepay such Loans; or

(c) in the case of Compounded SONIA Loans, prepay such Loans in full either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Compounded SONIA Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Compounded SONIA Loans.

Upon any prepayment or conversion pursuant to clauses (a) through (c) above, the Borrowers shall also pay accrued interest on the amount so prepaid or converted.

Section 2.21 Incremental Commitments.

(a) The Company or any Borrower may, by written notice to the Administrative Agent from time to time, establish Incremental Term Loan Commitments and/or Incremental Revolving Facility Commitments, as applicable, denominated at the option of the Borrowers in Dollars, Euros and/or Sterling and any Alternate Currency (as approved by the relevant Incremental Term Lenders and/or Incremental Revolving Facility Lenders (which may include any existing Lender or any other person that would be an eligible Assignee under Section 9.04) willing to provide such Incremental Term Loans and/or Incremental Revolving Facility Commitments in such Alternate Currency) in an amount not to exceed the Incremental Amount available at the time such Incremental Commitments are established (or at the time any commitment relating thereto is entered into or, at the option of the Company or the relevant Borrower, at the time of incurrence of the Incremental Loans thereunder or, with respect to any Incremental Term Loan Commitment and/or Incremental Revolving Facility Commitment established for purposes of financing any Permitted Business Acquisition or any other acquisition or similar Investment that is permitted by this Agreement, as of the date the definitive agreement with respect to such Permitted Business Acquisition, acquisition or similar Investment is entered into) from one or more Incremental Term Lenders and/or Incremental Revolving Facility Lenders (which may include any existing Lender or any other person that would be an eligible Assignee under Section 9.04) willing to provide such Incremental Term Loans and/or Incremental Revolving Facility Commitments, as the case may be, in their own discretion; provided, that each Incremental Revolving Facility Lender providing a commitment to make revolving loans shall be subject to the approval of the Administrative Agent and, to the extent the same would be required for an assignment under Section 9.04, and the Issuing Banks (which approvals shall not be unreasonably withheld) unless such Incremental Revolving Facility Lender is a Revolving Facility Lender. Such notice shall set forth (i) the amount of the Incremental Term Loan Commitments and/or Incremental Revolving Facility Commitments being established (which shall be in minimum increments of $5,000,000, €5,000,000 or £5,000,000, as applicable, and a minimum amount of $10,000,000, €10,000,000 or £10,000,000, as applicable, or equal to the remaining Incremental Amount or, in each case, such lesser amount approved by the Administrative Agent), (ii) the date on which such Incremental Term Loan Commitments and/or Incremental Revolving Facility Commitments are anticipated to become effective, (iii) in the case of Incremental Revolving Facility Commitments, whether such Incremental Revolving Facility Commitments are to be (x) commitments to make additional Revolving Facility Loans on the same terms as the Initial Revolving Loans or (y) commitments to make revolving loans with pricing terms, final maturity dates, participation in mandatory prepayments or commitment reductions and/or other terms different from the Initial

Revolving Loans ("Other Revolving Loans") and (iv) in the case of Incremental Term Loan Commitments, whether such Incremental Term Loan Commitments are to be (x) commitments to make term loans with terms identical to Term A Loans and/or Term B Loans (as applicable) or (y) commitments to make term loans with pricing terms (including, for the avoidance of doubt, original issue discount and upfront fees), maturity, amortization, participation in mandatory prepayments and/or other terms different from the Term A Loans and/or Term B Loans (as applicable) ("Other Term Loans").

(b) The Borrowers and each Incremental Term Lender and/or Incremental Revolving Facility Lender shall execute and deliver to the Administrative Agent an Incremental Assumption Agreement and such other documentation as the Administrative Agent shall reasonably specify to evidence the Incremental Term Loan Commitment of such Incremental Term Lender and/or Incremental Revolving Facility Commitment of such Incremental Revolving Facility Lender. Each Incremental Assumption Agreement shall specify the terms of the applicable Incremental Term Loans and/or Incremental Revolving Facility Commitments; provided, that:

(i) any commitments to make additional Term A Loans, Term B Loans and/or additional Initial Revolving Loans shall have the same terms as the Term A Loans, Term B Loans or Initial Revolving Loans, respectively,

(ii) the Other Term Loans incurred pursuant to clause (a) of this Section 2.21 shall rank pari passu or, at the option of the Company, junior in right of security with the Liens on the Collateral securing the Term A Loans and/or Term B Loans (as applicable) or be unsecured (provided, that if such Other Term Loans rank junior in right of security with the Liens on the Collateral securing the Term A Loans and/or Term B Loans (as applicable), such Other Term Loans shall be subject to the Intercreditor Agreement and if such Other Term Loans rank junior in right of security or are unsecured, shall be documented as a separate facility and, for the avoidance of doubt, if such Other Term Loans rank junior in right of security with the Liens on the Collateral securing the Term A Loans and/or Term B Loans (as applicable) or are unsecured, such Other Term Loans shall not be subject to clause (b)(viii) below),

(iii) the final maturity date of any such Other Term Loans shall be no earlier than the Term Facility Maturity Date and, except as to purpose, pricing, amortization, final maturity date, participation in mandatory prepayments and ranking as to security (which shall, subject to the other clauses of this proviso, be determined by the Company and the Incremental Term Lenders in their sole discretion), shall have (x) substantially similar terms as the Term A Loans and/or Term B Loans (as applicable) or (y) such other terms (including as to guarantees and collateral) as shall be reasonably satisfactory to the Administrative Agent, provided that, this clause (b)(iii) shall not apply with respect to any Maturity Condition Excluded Indebtedness,

(iv) the Weighted Average Life to Maturity of any such Other Term Loans shall be no shorter than the remaining Weighted Average Life to Maturity of the Term A Loans and/or Term B Loans (as applicable), provided that, this clause (b)(iv) shall not apply with respect to any Maturity Condition Excluded Indebtedness,

(v) the Other Revolving Loans incurred pursuant to clause (a) of this Section 2.21 shall rank pari passu or, at the option of the Company, junior in right of security with the Liens on the Collateral securing the Initial Revolving Loans or be unsecured (provided, that if such Other Revolving Loans rank junior in right of security with the Liens on the Collateral securing the Initial Revolving Loans, such Other Revolving Loans shall be subject to the Intercreditor Agreement),

(vi) the final maturity date of any such Other Revolving Loans (excluding any Maturity Condition Excluded Indebtedness) shall be no earlier than the Revolving Facility Maturity Date with respect to the Initial Revolving Loans and, except as to purpose, pricing, final maturity date, participation in mandatory prepayments and commitment reductions and ranking as to security (which shall, subject to the other clauses of this proviso, be determined by the Company and the Incremental Revolving Facility Lenders in their sole discretion), shall have (x) substantially similar terms as the Initial Revolving Loans or (y) such other terms (including as to guarantees and collateral) as shall be reasonably satisfactory to the Administrative Agent,

(vii) subject to the provisions of Section 3.12 to the extent dealing with Swingline Loans and Letters of Credit which mature or expire after a maturity date when there exists commitments with respect to Other Revolving Loans with a longer maturity date, all Swingline Loans and Letters of Credit shall be participated on a pro rata basis by all Lenders with Revolving Facility Commitments of the same Revolving Facility in accordance with their percentage of such Revolving Facility Commitments on the applicable date of establishment of commitments with respect to Other Revolving Loans (and except as provided in Section 3.12, without giving effect to changes thereto on an earlier maturity date with respect to Swingline Loans and Letters of Credit theretofore incurred or issued in respect of such Revolving Facility),

(viii) with respect to any Other Term Loan incurred, within six months of the Closing Date, pursuant to clause (a) of this Section 2.21 that is secured by Liens on the Collateral that are pari passu in right of security with the Liens thereon securing the Term B Loans, the All-in Yield shall be determined by the applicable Incremental Term Lenders and the Borrower, except that the All-in Yield in respect of any such Dollar denominated Other Term Loan may not exceed the All-in Yield in respect of Initial Term B Loans by more than 0.50%, or if it does so exceed such All-in Yield by more than 0.50% (such difference, the "Dollar Term Yield Differential") then the Applicable Margin applicable to such Initial Term B Loans shall be increased such that after giving effect to such increase, the applicable Dollar Term Yield Differential shall not exceed 0.50%; provided, that this clause (b)(viii) shall not apply with respect to any Other Term Loan if (A) the principal

amount of such Other Term Loan is less than, individually or in the aggregate with all Other Term Loans incurred in reliance on this Section 2.21(b)(viii)(A) or, to the extent the MFN Exception is applicable, Section 6.01, the greater of (x) $570,000,000 (or the Dollar Equivalent thereof) and (y) 0.30 times the EBITDA calculated on a Pro Forma Basis for the then most recently ended Test Period, or (B) such Other Term Loan has a final maturity date no earlier than the date that is 24 months after the Term B Facility Maturity Date applicable to the Initial Term B Loans, or (C) any Other Term Loan that constitutes (in the determination of the Company acting reasonably and in good faith) a bridge, interim or other similar or equivalent facilities and/or is being incurred to fund any acquisition or investment not prohibited by this Agreement (as applicable) (clauses (A), (B) and (C) of this proviso, the "MFN Exception"),

(ix) (A) such Other Revolving Loans may participate on a pro rata basis or a less than pro rata basis (but not a greater than pro rata basis) than the Initial Revolving Loans in (x) any voluntary or mandatory prepayment or commitment reduction hereunder and (y) any Borrowing at the time such Borrowing is made and (B) such Other Term Loans may participate on a pro rata basis or a less than pro rata basis (but not a greater than pro rata basis) than the Term A Loans or Term B Loans in any mandatory prepayment hereunder,

(x) there shall be no obligor in respect of any Incremental Term Loan Commitments or Incremental Revolving Facility Commitments that is not a Loan Party,

(xi) such Indebtedness that is secured shall not be secured by any assets not securing the Loan Obligations, and

(xii) the Company or a Borrower may approach any Lender or any other person that would be an eligible Assignee under Section 9.04 to provide all or a portion of any Incremental Term Loan Commitments and/or Incremental Revolving Facility Commitments; provided, that any Lender offered or approached to provide all or a portion of the Incremental Term Loan Commitments and/or Incremental Revolving Facility Commitments may elect or decline, in its sole discretion, to provide such Incremental Term Loan Commitments or Incremental Revolving Facility Commitments.

Each party hereto hereby agrees that, upon the effectiveness of any Incremental Assumption Agreement, this Agreement shall be amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Incremental Term Loan Commitments and/or Incremental Revolving Facility Commitments evidenced thereby as provided for in Section 9.08(e). Any amendment to this Agreement or any other Loan Document that is necessary to effect the provisions of this Section 2.21 and any such collateral and other documentation shall be deemed "Loan Documents" hereunder and may be memorialized in writing by the Administrative Agent and the Borrowers and furnished to the other parties hereto.

(c) Notwithstanding the foregoing, no Incremental Term Loan Commitment or Incremental Revolving Facility Commitment shall become effective under this Section 2.21 unless (i) on the date of such effectiveness, (A) solely to the extent required by the relevant Incremental Assumption Agreement, the conditions set forth in clause (c) of Section 4.01 shall be satisfied and the Administrative Agent shall have received a certificate to that effect dated such date and executed by a Responsible Officer of the Company and (B) if such Incremental Term Loan Commitment or Incremental Revolving Facility Commitment is established for a purpose other than financing any Permitted Business Acquisition or any other acquisition or similar Investment that is permitted by this Agreement, no Event of Default under Section 7.01 (b), (c), (h) or (i) shall have occurred and be continuing or would result therefrom and (ii) the Administrative Agent shall have received customary legal opinions, board resolutions and other customary closing certificates and documentation to the extent required by the relevant Incremental Assumption Agreement and, to the extent required by the Administrative Agent, consistent with those delivered on the Closing Date under Section 4.02 (or such other form as reasonably acceptable to the Administrative Agent) and such additional customary documents and filings (including amendments to the Security Documents and title date-down and modification endorsements, which, in the case of such amendments and title date-down and modification endorsements, may be delivered on a post-closing basis to the extent permitted by the applicable Incremental Assumption Agreement) as the Administrative Agent may reasonably request to assure that the Incremental Term Loans and/or Revolving Facility Loans in respect of Incremental Revolving Facility Commitments are secured by the Collateral ratably with (or, to the extent set forth in the applicable Incremental Assumption Agreement, junior to) one or more Classes of then-existing Term Loans and Revolving Facility Loans.

(d) Each of the parties hereto hereby agrees that the Administrative Agent may take any and all action as may be reasonably necessary to ensure that (i) all Incremental Term Loans (other than Other Term Loans of a different Class), when originally made, are included in each Borrowing of the outstanding applicable Class of Term Loans on a pro rata basis, and (ii) all Revolving Facility Loans in respect of Incremental Revolving Facility Commitments (other than Revolving Facility Loans of a different Class), when originally made, are included in each Borrowing of the applicable Class of outstanding Revolving Facility Loans on a pro rata basis. The Borrowers agree that Section 2.16 shall apply to any conversion of Eurocurrency Loans to ABR Loans (with respect to Revolving Facility Loans denominated in Dollars) reasonably required by the Administrative Agent to effect the foregoing.

(e) Notwithstanding anything to the contrary in this Agreement, including Section 2.18(c) (which provisions shall not be applicable to clauses (e) through (i) of this Section 2.21), pursuant to one or more offers made from time to time by the Borrowers to all Lenders of any Class of Term Loans and/or Revolving Facility Commitments, on a pro rata basis (based, in the case of an offer to the Lenders under any Class of Term Loans, on the aggregate outstanding Term Loans of such Class and, in the case of an offer to the Lenders under any Revolving Facility, on the aggregate outstanding Revolving Facility Commitments under such Revolving Facility, as applicable) and on the same terms ("Pro Rata Extension Offers"), the Borrowers are hereby permitted to

consummate transactions with individual Lenders from time to time to extend the maturity date of such Lender's Loans and/or Commitments of such Class and to otherwise modify the terms of such Lender's Loans and/or Commitments of such Class pursuant to the terms of the relevant Pro Rata Extension Offer (including, without limitation, increasing the interest rate or fees payable in respect of such Lender's Loans and/or Commitments and/or modifying the amortization schedule in respect of such Lender's Loans). For the avoidance of doubt, the reference to "on the same terms" in the preceding sentence shall mean, (i) in the case of an offer to the Lenders under any Class of Term Loans, that all of the Term Loans of such Class are offered to be extended for the same amount of time and that the interest rate changes and fees payable with respect to such extension are the same and (ii) in the case of an offer to the Lenders under any Revolving Facility, that all of the Revolving Facility Commitments of such Facility are offered to be extended for the same amount of time and that the interest rate changes and fees payable with respect to such extension are the same. Any such extension (an "Extension") agreed to between the Borrowers and any such Lender (an "Extending Lender") will be established under this Agreement by implementing an Incremental Term Loan for such Lender if such Lender is extending an existing Term Loan (such extended Term Loan, an "Extended Term Loan") or an Incremental Revolving Facility Commitment for such Lender if such Lender is extending an existing Revolving Facility Commitment (such extended Revolving Facility Commitment, an "Extended Revolving Facility Commitment" and any Revolving Facility Loans made thereunder, "Extended Revolving Loans"). Each Pro Rata Extension Offer shall specify the date on which the Borrowers propose that the Extended Term Loan shall be made or Extended Revolving Facility Commitment shall become effective, which shall be a date not earlier than five Business Days after the date on which notice is delivered to the Administrative Agent (or such shorter period agreed to by the Administrative Agent in its reasonable discretion).

(f) The Borrowers and each Extending Lender shall execute and deliver to the Administrative Agent an Incremental Assumption Agreement and such other documentation as the Administrative Agent shall reasonably specify to evidence the Extended Term Loans and/or Extended Revolving Facility Commitments of such Extending Lender. Each Incremental Assumption Agreement shall specify the terms of the applicable Extended Term Loans and/or Extended Revolving Facility Commitments; provided, that (i) except as to interest rates, fees and any other pricing terms (which interest rates, fees and other pricing terms shall not be subject to the provisions set forth in Section 2.21(b)(viii), Section 2.21(b)(ix) or Section 2.21(b)(x)) and amortization, final maturity date and participation in prepayments and commitment reductions (which shall, subject to clauses (ii) and (iii) of this proviso, be determined by the Company and set forth in the Pro Rata Extension Offer), the Extended Term Loans shall have (x) the same terms as an existing Class of Term Loans or (y) such other terms as shall be reasonably satisfactory to the Administrative Agent, (ii) the final maturity date of any Extended Term Loans (other than any Extended Term Loans that are Maturity Condition Excluded Indebtedness) shall be no earlier than the latest Term Facility Maturity Date in effect on the date of incurrence, (iii) the Weighted Average Life to Maturity of any Extended Term Loans (other than any Extended Term Loans that are Maturity Condition Excluded Indebtedness) shall be no shorter than the remaining Weighted Average Life to Maturity of the Class of Term Loans to which such offer relates, (iv) except as to interest rates, fees,

any other pricing terms, participation in mandatory prepayments and commitment reductions and final maturity (which shall be determined by the Company and set forth in the Pro Rata Extension Offer), any Extended Revolving Facility Commitment shall have (x) the same terms as an existing Class of Revolving Facility Commitments or (y) have such other terms as shall be reasonably satisfactory to the Administrative Agent and, in respect of any other terms that would affect the rights or duties of any Issuing Bank, such terms as shall be reasonably satisfactory to such Issuing Bank, (v) any Extended Revolving Facility Commitments may participate on a pro rata basis or a less than pro rata basis (but not greater than a pro rata basis) than the Initial Revolving Loans in any voluntary or mandatory prepayment or commitment reduction hereunder and (vi) any Extended Term Loans may participate on a pro rata basis or a less than pro rata basis (but not a greater than pro rata basis) than the Term A Loans or Term B Loans in any mandatory prepayment hereunder. Upon the effectiveness of any Incremental Assumption Agreement, this Agreement shall be amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Extended Term Loans and/or Extended Revolving Facility Commitments evidenced thereby as provided for in Section 9.08(e). Any such deemed amendment may be memorialized in writing by the Administrative Agent with the Company's consent (not to be unreasonably withheld) and furnished to the other parties hereto. If provided in any Incremental Assumption Agreement with respect to any Extended Revolving Facility Commitments, and (x) with the consent of each Issuing Bank, participations in Letters of Credit and (y) with the consent of the Swingline Lenders, participations in Swingline Loans, in each case, shall be reallocated to lenders holding such Extended Revolving Facility Commitments in the manner specified in such Incremental Assumption Agreement, including upon effectiveness of such Extended Revolving Facility Commitment or upon or prior to the maturity date for any Class of Revolving Facility Commitments.

(g) Upon the effectiveness of any such Extension, the applicable Extending Lender's Term Loan will be automatically designated an Extended Term Loan and/or such Extending Lender's Revolving Facility Commitment will be automatically designated an Extended Revolving Facility Commitment. For purposes of this Agreement and the other Loan Documents, (i) if such Extending Lender is extending a Term Loan, such Extending Lender will be deemed to have an Incremental Term Loan having the terms of such Extended Term Loan and (ii) if such Extending Lender is extending a Revolving Facility Commitment, such Extending Lender will be deemed to have an Incremental Revolving Facility Commitment having the terms of such Extended Revolving Facility Commitment.

(h) Notwithstanding anything to the contrary set forth in this Agreement or any other Loan Document (including, without limitation, this Section 2.21), (i) the aggregate amount of Extended Term Loans and Extended Revolving Facility Commitments will not be included in the calculation of the Incremental Amount, (ii) no Extended Term Loan or Extended Revolving Facility Commitment is required to be in any minimum amount or any minimum increment, (iii) any Extending Lender may extend all or any portion of its Term Loans and/or Revolving Facility Commitment pursuant to one or more Pro Rata Extension Offers (subject to applicable proration in the case of over participation) (including the extension of any Extended Term Loan and/or Extended

Revolving Facility Commitment), (iv) there shall be no condition to any Extension of any Loan or Commitment at any time or from time to time other than notice to the Administrative Agent of such Extension and the terms of the Extended Term Loan or Extended Revolving Facility Commitment implemented thereby, (v) all Extended Term Loans, Extended Revolving Facility Commitments and all obligations in respect thereof shall be Loan Obligations of the relevant Loan Parties under this Agreement and the other Loan Documents that are secured by the Collateral on a pari passu basis with all other Obligations relating to an existing Class of Term Loans of the relevant Loan Parties under this Agreement and the other Loan Documents, (vi) no Issuing Bank shall be obligated to issue Letters of Credit under such Extended Revolving Facility Commitments unless it shall have consented thereto and (vii) there shall be no obligor in respect of any such Extended Term Loans or Extended Revolving Facility Commitments that is not a Loan Party.

(i) Each Extension shall be consummated pursuant to procedures set forth in the associated Pro Rata Extension Offer; provided, that the Borrowers shall cooperate with the Administrative Agent prior to making any Pro Rata Extension Offer to establish reasonable procedures with respect to mechanical provisions relating to such Extension, including, without limitation, timing, rounding and other adjustments.

(j) Notwithstanding anything to the contrary in this Agreement, including Section 2.18(c) (which provisions shall not be applicable to clauses (j) through (o) of this Section 2.21), any Borrower may by written notice to the Administrative Agent establish one or more additional tranches of term loans denominated at the option of such Borrower, in Dollars, Euros or Sterling (or, subject to Section 1.05, any Alternate Currency), under this Agreement (such loans, "Refinancing Term Loans"), the net cash proceeds of which are used to Refinance in whole or in part any Class of Term Loans. Each such notice shall specify the date (each, a "Refinancing Effective Date") on which such Borrower proposes that the Refinancing Term Loans shall be made, which shall be a date not earlier than five Business Days after the date on which such notice is delivered to the Administrative Agent (or such shorter period agreed to by the Administrative Agent in its reasonable discretion); provided, that:

(i) before and after giving effect to the borrowing of such Refinancing Term Loans on the Refinancing Effective Date each of the conditions set forth in Section 4.01 shall be satisfied to the extent required by the relevant Incremental Assumption Agreement governing such Refinancing Term Loans;

(ii) (other than Refinancing Term Loans that are Maturity Condition Excluded Indebtedness) the final maturity date of the Refinancing Term Loans shall be no earlier than the Term Facility Maturity Date of the refinanced Term Loans,

(iii) (other than Refinancing Term Loans that are Maturity Condition Excluded Indebtedness) the Weighted Average Life to Maturity of such Refinancing Term Loans shall be no shorter than the then-remaining Weighted Average Life to Maturity of the refinanced Term Loans;

(iv) the aggregate principal amount of the Refinancing Term Loans shall not exceed the outstanding principal amount of the refinanced Term Loans plus amounts used to pay fees, premiums, costs and expenses (including original issue discount) and accrued interest associated therewith;

(v) all other terms applicable to such Refinancing Term Loans (other than provisions relating to purpose, original issue discount, upfront fees, interest rates and any other pricing terms (which original issue discount, upfront fees, interest rates and other pricing terms shall not be subject to the provisions set forth in Section 2.21(b)(viii), Section 2.21(b)(ix) or Section 2.21(b)(x)) and optional prepayment or mandatory prepayment or redemption terms, which shall be as agreed between the Borrowers and the Lenders providing such Refinancing Term Loans) taken as a whole shall be substantially similar to, or not materially less favorable to the Company and its Subsidiaries than, the terms, taken as a whole, applicable to the Term B Loans being refinanced (except to the extent such covenants and other terms apply solely to any period after the latest Term Facility Maturity Date or are otherwise reasonably acceptable to the Administrative Agent), as determined by the Company in good faith. In addition, notwithstanding the foregoing, the Borrowers may establish Refinancing Term Loans to refinance and/or replace all or any portion of a Revolving Facility Commitment (regardless of whether Revolving Facility Loans are outstanding under such Revolving Facility Commitments at the time of incurrence of such Refinancing Term Loans), so long as (1) the aggregate amount of such Refinancing Term Loans does not exceed the aggregate amount of Revolving Facility Commitments terminated at the time of incurrence thereof, (2) if the Lenders' Revolving Facility Credit Exposures outstanding on the Refinancing Effective Date would exceed the aggregate amount of Revolving Facility Commitments outstanding in each case after giving effect to the termination of such Revolving Facility Commitments, the Borrowers shall take one or more actions such that such Lenders' Revolving Facility Credit Exposures do not exceed such aggregate amount of Revolving Facility Commitments in effect on the Refinancing Effective Date after giving effect to the termination of such Revolving Facility Commitments (it being understood that (x) such Refinancing Term Loans may be provided by the Lenders holding the Revolving Facility Commitments being terminated and/or by any other person that would be a permitted Assignee hereunder and (y) the proceeds of such Refinancing Term Loans shall not constitute Net Proceeds hereunder), (3) (other than Refinancing Term Loans that are Maturity Condition Excluded Indebtedness) the Weighted Average Life to Maturity of the Refinancing Term Loans (disregarding any customary amortization for this purpose) shall be no shorter than the remaining life to termination of the terminated Revolving Facility Commitments, (4) (other than Refinancing Term Loans that are Maturity Condition Excluded Indebtedness) the final maturity date of the Refinancing Term Loans shall be no earlier than the termination date of the terminated Revolving Facility Commitments and (5) all other terms applicable to such Refinancing Term Loans (other than provisions relating to original issue discount, upfront fees, interest rates and any other pricing terms (which original issue discount, upfront fees, interest rates and other pricing terms shall not be subject to the provisions set forth in Section 2.21(b)(viii),

Section 2.21(b)(ix) or Section 2.21(b)(x)) and optional prepayment or mandatory prepayment or redemption terms, which shall be as agreed between the Borrowers and the Lenders providing such Refinancing Term Loans) taken as a whole shall be substantially similar to, or not materially less favorable to the Company and its Subsidiaries than, the terms, taken as a whole, applicable to the Term Loans (except to the extent such covenants and other terms apply solely to any period after the latest Term Facility Maturity Date or are otherwise reasonably acceptable to the Administrative Agent), as determined by the Company in good faith;

(vi) with respect to Refinancing Term Loans secured by Liens on the Collateral that rank pari passu or junior in right of security to the Liens thereon securing the Term Loans, such Liens will be subject to the Intercreditor Agreement; and

(vii) there shall be no obligor in respect of such Refinancing Term Loans that is not a Loan Party.

(k) The Borrowers may approach any Lender or any other person that would be a permitted Assignee pursuant to Section 9.04 to provide all or a portion of the Refinancing Term Loans; provided, that any Lender offered or approached to provide all or a portion of the Refinancing Term Loans may elect or decline, in its sole discretion, to provide a Refinancing Term Loan. Any Refinancing Term Loans made on any Refinancing Effective Date shall be designated an additional Class of Term Loans for all purposes of this Agreement; provided, further, that any Refinancing Term Loans may, to the extent provided in the applicable Incremental Assumption Agreement governing such Refinancing Term Loans, be designated as an increase in any previously established Class of Term Loans made to the Borrowers.

(l) Notwithstanding anything to the contrary in this Agreement, including Section 2.18(c) (which provisions shall not be applicable to clauses (l) through (o) of this Section 2.21), the Borrowers may by written notice to the Administrative Agent establish one or more additional Facilities providing for revolving commitments ("Replacement Revolving Facilities" and the commitments thereunder, "Replacement Revolving Facility Commitments" and the revolving loans thereunder, "Replacement Revolving Loans"), which replace in whole or in part any Class of Revolving Facility Commitments under this Agreement. Each such notice shall specify the date (each, a "Replacement Revolving Facility Effective Date") on which the Borrowers propose that the Replacement Revolving Facility Commitments shall become effective, which shall be a date not less than five Business Days after the date on which such notice is delivered to the Administrative Agent (or such shorter period agreed to by the Administrative Agent in its reasonable discretion); provided that: (i) before and after giving effect to the establishment of such Replacement Revolving Facility Commitments on the Replacement Revolving Facility Effective Date, each of the conditions set forth in Section 4.01 shall be satisfied to the extent required by the relevant Incremental Assumption Agreement governing such Replacement Revolving Facility Commitments; (ii) after giving effect to the establishment of any Replacement Revolving Facility Commitments and any concurrent reduction in the aggregate amount of any other Revolving Facility

Commitments, the aggregate amount of Revolving Facility Commitments shall not exceed the aggregate amount of the Revolving Facility Commitments outstanding immediately prior to the applicable Replacement Revolving Facility Effective Date; (iii) (other than Replacement Revolving Facility Commitments that are Maturity Condition Excluded Indebtedness) no Replacement Revolving Facility Commitments shall have a final maturity date (or require commitment reductions or amortizations) prior to the Revolving Facility Maturity Date in effect at the time of incurrence for the Revolving Facility Commitments being replaced; (iv) all other terms applicable to such Replacement Revolving Facility (other than provisions relating to (x) fees, interest rates and other pricing terms and prepayment and commitment reduction and optional redemption terms and purpose which shall be as agreed between the Borrowers and the Lenders providing such Replacement Revolving Facility Commitments and (y) the amount of any letter of credit sublimit and swingline commitment under such Replacement Revolving Facility, which shall be as agreed between the Borrowers, the Lenders providing such Replacement Revolving Facility Commitments, the Administrative Agent and the replacement issuing bank and replacement swingline lender, if any, under such Replacement Revolving Facility Commitments) taken as a whole shall be substantially similar to, or not materially less favorable to the Company and its Subsidiaries than, the terms, taken as a whole, applicable to the Initial Revolving Loans (except to the extent such covenants and other terms apply solely to any period after the latest Revolving Facility Maturity Date in effect at the time of incurrence or are otherwise reasonably acceptable to the Administrative Agent), as determined by the Company in good faith; and (v) there shall be no obligor in respect of such Replacement Revolving Facility that is not a Loan Party. In addition, the Borrowers may establish Replacement Revolving Facility Commitments to refinance and/or replace all or any portion of a Term Loan hereunder (regardless of whether such Term Loan is repaid with the proceeds of Replacement Revolving Loans or otherwise), so long as the aggregate amount of such Replacement Revolving Facility Commitments does not exceed the aggregate amount of Term Loans repaid at the time of establishment thereof (it being understood that such Replacement Revolving Facility Commitment may be provided by the Lenders holding the Term Loans being repaid and/or by any other person that would be a permitted Assignee hereunder) so long as (i) before and after giving effect to the establishment such Replacement Revolving Facility Commitments on the Replacement Revolving Facility Effective Date each of the conditions set forth in Section 4.01 shall be satisfied to the extent required by the relevant agreement governing such Replacement Revolving Facility Commitments, (ii) (other than Replacement Revolving Facility Commitments that are Maturity Condition Excluded Indebtedness) the remaining life to termination of such Replacement Revolving Facility Commitments shall be no shorter than the Weighted Average Life to Maturity then applicable to the refinanced Term Loans, (iii) (other than Replacement Revolving Facility Commitments that are Maturity Condition Excluded Indebtedness) the final termination date of the Replacement Revolving Facility Commitments shall be no earlier than the Term Facility Maturity Date of the refinanced Term Loans, (iv) with respect to Replacement Revolving Loans secured by Liens on Collateral that rank junior in right of security to the Initial Revolving Loans, such Liens will be subject to the Intercreditor Agreement and (v) the requirement of clause (v) in the preceding sentence shall be satisfied mutatis mutandis. Solely to the extent that an Issuing Bank is not a replacement issuing bank under a Replacement Revolving Facility; it is

understood and agreed that such Issuing Bank shall not be required to issue any letters of credit under such Replacement Revolving Facility and, to the extent it is necessary for such Issuing Bank to withdraw as an Issuing Bank at the time of the establishment of such Replacement Revolving Facility, such withdrawal shall be on terms and conditions reasonably satisfactory to such Issuing Bank in its sole discretion. The Borrowers agree to reimburse each Issuing Bank in full upon demand, for any reasonable and documented out-of-pocket cost or expense attributable to such withdrawal.

(m) The Borrowers may approach any Lender or any other person that would be a permitted Assignee of a Revolving Facility Commitment pursuant to Section 9.04 to provide all or a portion of the Replacement Revolving Facility Commitments; provided that any Lender offered or approached to provide all or a portion of the Replacement Revolving Facility Commitments may elect or decline, in its sole discretion, to provide a Replacement Revolving Facility Commitment. Any Replacement Revolving Facility Commitment made on any Replacement Revolving Facility Effective Date shall be designated an additional Class of Revolving Facility Commitments for all purposes of this Agreement; provided that any Replacement Revolving Facility Commitments may, to the extent provided in the applicable Incremental Assumption Agreement, be designated as an increase in any previously established Class of Revolving Facility Commitments.

(n) On any Replacement Revolving Facility Effective Date, subject to the satisfaction of the foregoing terms and conditions, each of the Lenders with Replacement Revolving Facility Commitments of such Class shall purchase from each of the other Lenders with Replacement Revolving Facility Commitments of such Class, at the principal amount thereof and in the applicable currencies, such interests in the Replacement Revolving Loans and participations in Letters of Credit under such Replacement Revolving Facility Commitments of such Class then outstanding on such Replacement Revolving Facility Effective Date as shall be necessary in order that, after giving effect to all such assignments and purchases, the Replacement Revolving Loans and participations of such Replacement Revolving Facility Commitments of such Class will be held by the Lenders thereunder ratably in accordance with their Replacement Revolving Facility Commitments.

(o) For purposes of this Agreement and the other Loan Documents, (i) if a Lender is providing a Refinancing Term Loan, such Lender will be deemed to have an Incremental Term Loan having the terms of such Refinancing Term Loan and (ii) if a Lender is providing a Replacement Revolving Facility Commitment, such Lender will be deemed to have an Incremental Revolving Facility Commitment having the terms of such Replacement Revolving Facility Commitment. Notwithstanding anything to the contrary set forth in this Agreement or any other Loan Document (including, without limitation, this Section 2.21), (i) the aggregate amount of Refinancing Term Loans and Replacement Revolving Facility Commitments will not be included in the calculation of the Incremental Amount, (ii) no Refinancing Term Loan or Replacement Revolving Facility Commitment is required to be in any minimum amount or any minimum increment, (iii) there shall be no condition to any incurrence of any Refinancing Term Loan or Replacement Revolving Facility Commitment at any time or from time to time other than those set forth in clauses (j) or (l) above, as applicable, and (iv) all Refinancing Term Loans, Replacement Revolving Facility Commitments and all obligations in respect thereof shall be Obligations under this Agreement and the other Loan Documents that are secured by the Collateral on a pari passu basis with all other Obligations under this Agreement and the other Loan Documents.

(p) Notwithstanding anything in the foregoing to the contrary, (i) for the purpose of determining the number of outstanding Eurocurrency Borrowings, Term SOFR Borrowings and Compounded SONIA Borrowings upon the incurrence of any Incremental Loans, to the extent the last date of Interest Periods for multiple Eurocurrency Borrowings, Term SOFR Borrowings or Compounded SONIA Borrowings under the Term Facilities or the Revolving Facilities fall on the same day, such Eurocurrency Borrowings, Term SOFR Borrowings or Compounded SONIA Borrowings, as applicable, shall be considered a single Eurocurrency Borrowing, Term SOFR Borrowing or Compounded SONIA Borrowing, as applicable, and (ii) the initial Interest Period with respect to any Eurocurrency Borrowing, Term SOFR Borrowing or Compounded SONIA Borrowing of Incremental Loans may, at the Company's option, be of a duration of a number of Business Days that is less than one month, and the EURIBO Rate, Term SOFR or Compounded SONIA, as applicable with respect to such initial Interest Period shall be the same as the EURIBO Rate, Term SOFR or Compounded SONIA, as applicable, applicable to any then-outstanding Eurocurrency Borrowing, Term SOFR Borrowing or Compounded SONIA Borrowing, as applicable, as the Company may direct, so long as the last day of such initial Interest Period is the same as the last day of the Interest Period with respect to such outstanding Eurocurrency Borrowing, Term SOFR Borrowing or Compounded SONIA Borrowing, as applicable.

Section 2.22 Defaulting Lender.

(a) Defaulting Lender Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by Applicable Law:

(i) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definitions of "Required Lenders", "Required TLA/RCF Lenders" or "Required Revolving Facility Lenders."

(ii) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, following an Event of Default or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 9.06 shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder, second, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to any Issuing Bank or Swingline Lender hereunderthird, to Cash Collateralize the Issuing Banks' Fronting Exposure with respect to such

Defaulting Lender in accordance with Section 2.05(j), fourth, as the Company may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent, fifth, if so determined by the Administrative Agent and the Company, to be held in a deposit account and released pro rata in order to (x) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement and (y) Cash Collateralize the Issuing Banks' future Fronting Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, in accordance with Section 2.05(j), sixth, to the payment of any amounts owing to the Lenders or the Issuing Banks or the Swingline Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender or Issuing Bank or the Swingline Lenders against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement, seventh, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrowers as a result of any judgment of a court of competent jurisdiction obtained by the Borrowers against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement, and eighth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.22 shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto; provided that if (x) such payment is a payment of the principal amount of any Loans or Letters of Credit in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Loans were made or the related Letters of Credit were issued at a time when the conditions set forth in Section 7.01 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and Letters of Credit issued by, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, and Letters of Credit issued by, such Defaulting Lender until such time as all Loans and funded and unfunded participations in Letters of Credit are held by the Lenders pro rata in accordance with the Commitments hereunder without giving effect to Section 2.22(iv). Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post cash collateral pursuant to this Section shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Certain Fees. (A) No Defaulting Lender shall be entitled to receive any Commitment Fee for any period during which that Lender is a Defaulting Lender.

(A) Each Defaulting Lender shall be entitled to receive L/C Participation Fees for any period during which that Lender is a Defaulting Lender only to the extent allocable to its pro rata share of the stated amount of Letters of Credit for which it has provided Cash Collateral.

(B) With respect to any Commitment Fee or L/C Participation Fee not required to be paid to any Defaulting Lender pursuant to clause (A) or (B) above, the Borrowers shall (x) pay to each Non- Defaulting Lender that portion of any such fee otherwise payable to such Defaulting Lender with respect to such Defaulting Lender's participation in Letters of Credit that has been reallocated to such Non-Defaulting Lender pursuant to clause (iv) below, (y) pay to each Issuing Bank the amount of any such fee otherwise payable to such Defaulting Lender to the extent allocable to such Issuing Bank's Fronting Exposure to such Defaulting Lender, and (z) not be required to pay the remaining amount of any such fee.

(iv) Reallocation of Participations to Reduce Fronting Exposure. All or any part of such Defaulting Lender's participation in Letters of Credit and Swingline Loans shall be reallocated among the Non-Defaulting Lenders in accordance with their respective pro rata Commitments (calculated without regard to such Defaulting Lender's Commitment) but only to the extent that such reallocation does not cause the aggregate Revolving Facility Credit Exposure of any Non-Defaulting Lender to exceed such Non-Defaulting Lender's Revolving Facility Commitment. No reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non- Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(v) Cash Collateral. If the reallocation described in clause (iv) above cannot, or can only partially, be effected, the Borrowers shall, without prejudice to any right or remedy available to it hereunder or under law, within three (3) Business Days following the written request of the Administrative Agent (x) *first*, prepay Swingline Loans in an amount equal to the Swingline Lenders' Fronting Exposure and (y)*second*, Cash Collateralize the Issuing Banks' Fronting Exposure in accordance with the procedures set forth in Section 2.05(j).

(b) Defaulting Lender Cure. If the Company and the Administrative Agent, the Swingline Lenders and each Issuing Bank agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase at par that portion of outstanding Revolving Facility Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans and funded and unfunded participations in Letters of Credit and Swingline Loans to be held pro rata by the Lenders in accordance with their Revolving Facility Commitments (without giving effect to Section 2.22(a)(iv)), whereupon such Lender will cease to be a Defaulting Lender; provided that, no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrowers while that Lender was a Defaulting Lender; provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

(c) New Letters of Credit. So long as any Lender is a Defaulting Lender, the Issuing Banks shall not be required to issue, extend, renew or increase any Letter of Credit unless it is satisfied that it will have no Fronting Exposure after giving effect thereto.

Section 2.23 Ancillary Facilities.

(a) Type of Facility. An Ancillary Facility may be by way of:

(i) an overdraft facility;

(ii) a guarantee, bonding, documentary or stand by letter of credit facility;

(iii) a short-term loan facility;

(iv) a derivatives facility;

(v) a foreign exchange facility; or

(vi) any other facility or accommodation required in connection with the business of the Group and which is agreed by the Company with an Ancillary Lender (including, for the avoidance of doubt, each Existing Ancillary Facility).

(b) Availability.

(i) If the Company and a Lender agree and except as otherwise provided in this Agreement, the Lender may provide all or part of its Revolving Facility Commitment as an Ancillary Facility. An Ancillary Facility shall not be made available unless, not later than two Business Days prior to the Ancillary Commencement Date for an Ancillary Facility, the Administrative Agent has received from the Company:

(A) a notice in writing of the establishment of an Ancillary Facility and specifying:

(B) the proposed Borrower(s) (or Affiliates of a Borrower) which may use the Ancillary Facility;

(C) the proposed Ancillary Commencement Date and expiry date of the Ancillary Facility;

(D) the proposed type of Ancillary Facility to be provided;

(E) the proposed Ancillary Lender;

(F) the proposed Ancillary Commitment, the maximum amount of the Ancillary Facility and, in the case of a Multi-account Overdraft, its Designated Gross Amount and its Designated Net Amount;

(G) the proposed currency of the Ancillary Facility (if not denominated in Sterling); and

(H) any other information which the Administrative Agent may reasonably request in connection with the Ancillary Facility.

(ii) The Administrative Agent shall promptly notify the Ancillary Lender and the other Lenders of the establishment of an Ancillary Facility.

(iii) Subject to compliance with the paragraph above:

(A) the Lender concerned will become an Ancillary Lender; and

(B) the Ancillary Facility will be available, with effect from the date agreed by the Company and the Ancillary Lender.

(c) Terms of Ancillary Facilities. Except as provided below, the terms of any Ancillary Facility will be those agreed by the Ancillary Lender and the Company.

(i) Those terms:

(A) must be based upon normal commercial terms at that time (except as varied by this Agreement);

(B) may allow only Borrowers (or Affiliates of Borrowers nominated pursuant to Section 2.23(i)) to use the Ancillary Facility;

(C) may not allow the Ancillary Outstandings to exceed the Ancillary Commitment;

(D) may not allow a Lender's Ancillary Commitment to exceed that Lender's Available Unused Commitment relating to the Revolving Facility (before taking into account the effect of the Ancillary Facility on that Available Unused Commitment); and

(E) must require that the Ancillary Commitment is reduced to zero, and that all Ancillary Outstandings are repaid not later than the Termination Date applicable to the Revolving Facility (or such earlier date as the Revolving Facility Commitment of the relevant Ancillary Lender (or its Affiliate) is reduced to zero).

(ii) If there is any inconsistency between any term of an Ancillary Facility and any term of this Agreement, this Agreement shall prevail except for:

(A) an Ancillary Facility comprising more than one account where the terms of the Ancillary Documents shall prevail to the extent required to permit the netting of balances on those accounts; and

(B) where the relevant term of this Agreement would be contrary to, or inconsistent with, the law governing the relevant Ancillary Document, in which case that term of this Agreement shall not prevail.

(iii) Interest, commission and fees on Ancillary Facilities are dealt with in Section 2.13(g).

(d) Repayment of Ancillary Facility

(i) An Ancillary Facility shall cease to be available on the Termination Date applicable to the Revolving Facility or such earlier date on which its expiry date occurs or on which it is cancelled in accordance with the terms of this Agreement.

(ii) If an Ancillary Facility expires in accordance with its terms the Ancillary Commitment of the Ancillary Lender shall be reduced to zero.

(iii) No Ancillary Lender may demand repayment or prepayment of any Ancillary Outstandings prior to the expiry date of the relevant Ancillary Facility unless:

(A) the Gross Outstandings of a Multi-account Overdraft to or towards an amount equal to its Net Outstandings;

(B) the total Revolving Facility Commitments have been cancelled in full or all outstanding Loans under the Revolving Facility have become due and payable in accordance with the terms of this Agreement;

(C) it becomes unlawful in any applicable jurisdiction for the Ancillary Lender to perform any of its obligations as contemplated by this Agreement or to fund, issue or maintain its participation in its Ancillary Facility (or it becomes unlawful for any Affiliate of the Ancillary Lender for the Ancillary Lender to do so); or

(D) both:

(1) the Available Unused Commitments relating to the Revolving Facility; and

(2) the notice of the demand given by the Ancillary Lender,

would not prevent the relevant Borrower funding the repayment of those Ancillary Outstandings in full by way of Revolving Facility Loans.

(iv) If a Revolving Facility Loan is made to repay Ancillary Outstandings in full, the relevant Ancillary Commitment shall be reduced to zero.

(e) Limitation on Ancillary Outstandings. Each Borrower shall procure that:

(i) the Ancillary Outstandings under any Ancillary Facility shall not exceed the Ancillary Commitment applicable to that Ancillary Facility; and

(ii) in relation to a Multi-account Overdraft:

(A) the Ancillary Outstandings shall not exceed the Designated Net Amount applicable to that Multi-account Overdraft; and

(B) the Gross Outstandings shall not exceed the Designated Gross Amount applicable to that Multi-account Overdraft.

(f) Adjustment for Ancillary Facilities upon acceleration.

(i) In this Section 2.23(f):

(A) "Revolving Outstandings" means, in relation to a Lender, the aggregate of the Sterling Equivalent of:

(1) its participation in each Revolving Facility Loan then outstanding (together with the aggregate amount of all accrued interest, fees and commission owed to it as a Lender under the Revolving Facility); and

(2) if the Lender is also an Ancillary Lender, the Ancillary Outstandings in respect of Ancillary Facilities provided by that Ancillary Lender (or by its Affiliate) (together with the aggregate amount of all accrued interest, fees and commission owed to it (or to its Affiliate) as an Ancillary Lender in respect of the Ancillary Facility); and

(B) "Total Revolving Outstandings" means the aggregate of all Revolving Outstandings.

(ii) If the Administrative Agent exercises any of its rights under Section 7.01(m) (*Events of Default*) (other than declaring Loans to be due on demand), each Lender and each Ancillary Lender shall (subject to paragraph (g) below) promptly adjust (by making or receiving (as the case may be) corresponding transfers of rights and obligations under the Loan Documents relating to Revolving Outstandings) their claims in respect of amounts outstanding to them under the Revolving Facility and each Ancillary Facility to the extent necessary to ensure that after such transfers the Revolving Outstandings of each Lender bear the same proportion to the Total Revolving Outstandings as such Lender's Revolving Facility Commitment bears to the Total Revolving Facility Commitments, each as at the date the Administrative Agent exercises the relevant right(s) under Section 7.01(m) (*Events of Default*) applying.

(iii) If an amount outstanding under an Ancillary Facility is a contingent liability and that contingent liability becomes an actual liability or is reduced to zero after the original adjustment is made under paragraph (ii) above, then each Lender and Ancillary Lender will make a further adjustment (by making or receiving (as the case may be) corresponding transfers of rights and obligations under the Loan Documents relating to Revolving Outstandings to the extent necessary) to put themselves in the position they would have been in had the original adjustment been determined by reference to the actual liability or, as the case may be, zero liability and not the contingent liability.

(iv) Any transfer of rights and obligations relating to Revolving Outstandings made pursuant to this Section 2.23(f) shall be made for a purchase price in cash, payable at the time of transfer, in an amount equal to those Revolving Outstandings (less any accrued interest, fees and commission to which the transferor will remain entitled to receive notwithstanding that transfer).

(v) Prior to the application of the provisions of paragraph (ii) above, an Ancillary Lender that has provided a Multi-account Overdraft shall set off any Available Credit Balance on any account comprised in that Multi-account Overdraft.

(vi) All calculations to be made pursuant to this Section 2.23(f) shall be made by the Administrative Agent based upon information provided to it by the Lenders and Ancillary Lenders and the Administrative Agent's Spot Rate.

(vii) This Section 2.23(f) shall not oblige any Lender to accept the transfer of a claim relating to an amount outstanding under an Ancillary Facility which is not denominated (pursuant to the relevant Loan Document) in either Sterling, Dollars or Euros or in another currency which is acceptable to that Lender.

(g) Information. Each Borrower and each Ancillary Lender shall, promptly upon request by the Administrative Agent, supply the Administrative Agent with any information relating to the operation of an Ancillary Facility (including the Ancillary Outstandings) as the Agent may reasonably request from time to time. Each Borrower consents to all such information being released to the Administrative Agent and the other Lenders.

(h) Affiliates of Lenders as Ancillary Lenders.

(i) Subject to the terms of this Agreement, an Affiliate of a Lender may become an Ancillary Lender. In such case, the Lender and its Affiliate shall be treated as a single Lender whose Revolving Facility Commitment is the amount set out opposite the relevant Lender's name in Schedule 2.01 (*Commitments*) and/or the amount of any Revolving Facility Commitment transferred to or assumed by that Lender under this Agreement, to the extent (in each case) not cancelled, reduced or transferred by it under this Agreement.

(ii) No Loan Party shall be liable to pay to the Lender or its Affiliate any amount otherwise required to be paid by that Loan Party under Section 2.17 (*Taxes*) or Section 2.15 (*Increased Costs*) in excess of the amount that that Loan Party would have been obliged to pay to that Lender if its Affiliate had not become an Ancillary Lender. Each Lender shall promptly notify the Administrative Agent and the Company of the jurisdiction in which the relevant Affiliate is resident for Tax purposes, and such other information regarding that Affiliate as the Company may reasonably request.

(iii) The Company shall specify any relevant Affiliate of a Lender in any notice delivered by the Company to the Administrative Agent pursuant to paragraph (b)(i) of Section 2.23 (*Availability*).

(iv) An Affiliate of a Lender which becomes an Ancillary Lender shall accede to the Intercreditor Agreement as an Ancillary Lender and any person which so accedes to the Intercreditor Agreement shall, at the same time, become a Party as an "Ancillary Lender" in accordance with the terms of the Intercreditor Agreement.

(v) If a Lender assigns all of its rights and benefits or transfers all of its rights and obligations to an Assignee, its Affiliate shall cease to have any obligations under this Agreement or any Ancillary Document.

(vi) Where this Agreement or any other Loan Document imposes an obligation on an Ancillary Lender and the relevant Ancillary Lender is an Affiliate of a Lender which is not a party to that document, the relevant Lender shall ensure that the obligation is performed by its Affiliate.

(i) Affiliates of Borrowers.

(i) Subject to the terms of this Agreement, an Affiliate of a Borrower may with the approval of the relevant Lender become a borrower with respect to an Ancillary Facility.

(ii) The Company shall specify any relevant Affiliate of a Borrower in any notice delivered by the Company to the Administrative Agent pursuant to paragraph (b)(i) of Section 2.23 (*Availability*).

(iii) If a Borrower ceases to be a Borrower under this Agreement in accordance with Section 9.25 (*Co-Borrowers and Flutter Finance; Additional Borrowers*), its Affiliate shall cease to have any rights under this Agreement or any Ancillary Document.

(iv) Where this Agreement or any other Loan Document imposes an obligation on a Borrower under an Ancillary Facility and the relevant Borrower is an Affiliate of a Borrower which is not a party to that document, the relevant Borrower shall ensure that the obligation is performed by its Affiliate.

(v) Any reference in this Agreement or any other Loan Document to a Borrower being under no obligations (whether actual or contingent) as a Borrower under such Loan Document shall be construed to include a reference to any Affiliate of a Borrower being under no obligations under any Loan Document or Ancillary Document.

(j) Revolving Facility Commitment amounts. Notwithstanding any other term of this Agreement, each Lender shall ensure that at all times its Revolving Facility Commitment is not less than:

(i) its Ancillary Commitment; or

(ii) the Ancillary Commitment of its Affiliate.

(k) Amendments and Waivers – Ancillary Facilities. No amendment or waiver of a term of any Ancillary Facility shall require the consent of any Secured Party other than the relevant Ancillary Lender unless such amendment or waiver itself relates to or gives rise to a matter which would require an amendment of or under this Agreement (including, for the avoidance of doubt, under this Section 2.23). In such a case, Section 9.08 will apply.

(l) Existing Ancillary Facilities. A Borrower (or the Company on its behalf) may by notice in writing to the Administrative Agent request that any Existing Ancillary Facility be deemed to be an Ancillary Facility established under the Revolving Facility and with effect from the later of the date specified in such notice (being a date not less than 2 Business Days (or such shorter period as the Administrative Agent may agree) after the date such notice is delivered to the Administrative Agent) and the Closing Date, that Existing Ancillary Facility shall be an Ancillary Facility for all purposes under this Agreement, subject to the Administrative Agent having received notification in writing from the Lender concerned (or, as the case may be, the Affiliate of the Lender concerned) that it agrees to that Existing Ancillary Facility being an Ancillary Facility for all purposes under this Agreement.

On the date of each Credit Event (except if such representation or warranty refers to a specific date or period, then as of such date or for such period), the Company and the Borrowers represent and warrant to each of the Lenders that:

With respect to any Indebtedness for borrowed money incurred under (h) (solely as to incurred indebtedness set forth therein), (r), (s), (t) and (aa), in each case, in the form of term loans, the mandatory prepayment terms, taken as a whole, shall be substantially similar to, or not materially less favorable to the Company and its Subsidiaries than, the terms, taken as a whole, applicable to the Term Loans (except to the extent such terms apply solely to any period after the latest Term Facility Maturity Date or are otherwise reasonably acceptable to the Administrative Agent) as determined by the Company in good faith (it being understood that this sentence shall not be construed to apply to amortization and maturity payments, which are covered in the first sentence of this paragraph).

(xvi) restrictions on cash or other deposits imposed by customers under contracts entered into in the ordinary course of business; and

(xvii) any encumbrances or restrictions of the type referred to in (c)(i) and (c)(ii) above imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of or similar arrangements to the contracts, instruments or obligations referred to in clauses (i) through (xvi) above; provided, that such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements, refinancings or similar arrangements are, in the good faith judgment of the Company, not materially more restrictive with respect to such dividend and other payment restrictions than those contained in the dividend or other payment restrictions as contemplated by such provisions prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement, refinancing or similar arrangement.

Section 6.10 Fiscal Year.

ARTICLE VII *Events of Default*

Section 7.01 Events of Default.

In case of the happening of any of the following events (each, an "Event of Default"):

(a) any representation or warranty made or deemed made by any Loan Party herein or in any other Loan Document or any certificate or document delivered pursuant hereto or thereto shall prove to have been false or misleading in any material respect (except to the extent such representation or warranty is qualified by "materiality" or "Material Adverse Effect") when so made or deemed made and such false or misleading representation or warranty (if curable) shall remain false or misleading for a period of 30 days after notice thereof from the Administrative Agent to the Company;

(f) (i) any event or condition occurs that (A) results in any Material Indebtedness becoming due prior to its scheduled maturity or (B) enables or permits (with all applicable grace periods having expired) the holder or holders of any Material Indebtedness or any trustee or agent on its or their behalf to cause any Material Indebtedness to become due, or to require the prepayment, repurchase, redemption or defeasance thereof, prior to its scheduled maturity; or (ii) the Company or any Borrower or any of the Material Subsidiaries shall fail to pay the principal of any Material Indebtedness at the stated final maturity thereof; provided, that this clause (f) shall not apply to any secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness if such sale or transfer is permitted hereunder and under the documents providing for such Indebtedness;

(g) there shall have occurred a Change in Control;

(h) an involuntary proceeding shall be commenced or an involuntary petition shall be filed in a court of competent jurisdiction seeking (i) relief in respect of the Company, the Borrowers or any of the Material Subsidiaries, or of a substantial part of the property or assets of the Company, the Borrowers or any Material Subsidiary, under the U.S. Bankruptcy Code, as now constituted or hereafter amended, or any other Debtor Relief Law, (ii) the appointment of a receiver, administrative receiver, examiner, trustee, custodian, sequestrator, conservator, liquidator, administrator, manager or similar official for the Company, the Borrowers or any of the Material Subsidiaries or for a substantial part of the property or assets of the Company, the Borrowers or any of the Material Subsidiaries or (iii) the winding-up or liquidation of the Company, a Borrower or any Material Subsidiary (except in a transaction permitted hereunder); and such proceeding or petition shall continue undismissed for 60 days or an order or decree approving or ordering any of the foregoing shall be entered or with respect to a Dutch Loan Party, the occurrence of a Dutch Insolvency Event, or with respect to an Australian Loan Party, the occurrence of an Australian Insolvency Event (and, solely with respect to an Australian Insolvency Event pursuant to clause (a) in the definition thereof, to the extent that such Australian Insolvency Event would reasonably be expected to have a Material Adverse Effect);

(i) the Company, the Borrowers or any Material Subsidiary shall:

(i) voluntarily commence any proceeding or file any petition seeking relief under the U.S. Bankruptcy Code, as now constituted or hereafter amended, or any other Debtor Relief Law,

(ii) consent to the institution of, or fail to contest in a timely and appropriate manner, any proceeding or the filing of any petition described in clause (h) above,

(iii) apply for or consent to the appointment of a receiver, administrative receiver, examiner, trustee, custodian, sequestrator, conservator, administrator or similar official for the Company, the Borrowers or any of the Material Subsidiaries or for a substantial part of the property or assets of the Company, the Borrowers or any Material Subsidiary,

(iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding,

(v) make a general assignment for the benefit of creditors or

(j) the failure by the Company, any Borrower or any Material Subsidiary to pay one or more final judgments aggregating in excess of $100,000,000 (to the extent not covered by insurance), which judgments are not discharged or effectively waived or stayed for a period of 60 consecutive days (or which judgments have not been bonded pending appeal within 60 days from the entry thereof), or any action shall be legally taken by a judgment creditor to levy upon assets or properties of the Company, any Borrower or any Material Subsidiary to enforce any such judgment;

(l) (i) any material provision of any Loan Document shall for any reason be asserted in writing by any Loan Party not to be a legal, valid and binding obligation of any party thereto (other than in accordance with its terms), (ii) any security interest purported to be created by any Security Document and to extend to assets that constitute a material portion of the Collateral shall cease to be, or shall be asserted in writing by any Loan Party not to be (other than, in each case, in accordance with its terms), a valid and perfected security interest (perfected as or having the priority required by this Agreement or the relevant Security Document and subject to such limitations and restrictions as are set forth herein and therein and the last paragraph of Section 4.02) in the securities, assets or properties covered thereby, except to the extent that any such loss of perfection or priority results from the limitations of foreign laws, rules and regulations (other than the laws, rules and regulations of the Security Jurisdictions) as they apply to pledges of Equity Interests in Subsidiaries or the application thereof, or from the failure of the Collateral Agent to maintain possession of certificates actually delivered to it representing securities pledged under any Security Document or to file Uniform Commercial Code continuation statements and except to the extent that such loss is covered by a lender’s title insurance policy and the Administrative Agent shall be reasonably satisfied with the credit of such insurer, or (iii) a material portion of the Guarantees pursuant to the Security Documents by the Loan Parties guaranteeing the Obligations shall

cease to be in full force and effect (other than in accordance with the terms thereof and subject to the last paragraph of Section 4.02), or shall be asserted in writing by any Loan Party not to be in effect or not to be legal, valid and binding obligations (other than in accordance with the terms thereof); provided, that no Event of Default shall occur under this Section 7.01(k) if the Loan Parties cooperate with the Collateral Agent to replace or perfect such security interest and Lien, such security interest and Lien is replaced and the priority rights, powers and privileges of the Secured Parties are not materially adversely affected by such replacement;

(m) then, and in every such event (other than (x) an event with respect to the Borrowers described in clause (h) or (i) above and (y) an event described in clause (d) above arising with respect to a failure to comply with the Financial Covenant, unless the conditions of the first proviso contained in clause (d) above have been satisfied), and at any time thereafter during the continuance of such event, the Administrative Agent, at the request of the Required Lenders, shall, by notice to the Company, take any or all of the following actions, at the same or different times: (i) terminate forthwith the Commitments and/or Ancillary Commitments, (ii) declare the Loans (including the Swingline Loans) and/or Ancillary Outstandings to be forthwith due and payable in whole or in part, whereupon the principal of the Loans and/or Ancillary Outstandings so declared to be due and payable, together with accrued interest thereon and any unpaid accrued Fees and all other liabilities of the Borrowers accrued hereunder and under any other Loan Document, shall become forthwith due and payable, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by the Borrowers, anything contained herein or in any other Loan Document to the contrary notwithstanding and (iii) if the Loans and/or Ancillary Outstandings have been declared due and payable pursuant to clause (ii) above, demand Cash Collateral pursuant to Section 2.05(j); and in any event with respect to the Borrowers described in clause (h) or (i) above, the Commitments and Ancillary Commitments shall automatically terminate and the principal of the Loans and Ancillary Outstandings then outstanding, together with accrued interest thereon and any unpaid accrued Fees and all other liabilities of the Borrowers accrued hereunder and under any other Loan Document, shall automatically become due and payable and the Administrative Agent shall be deemed to have made a demand for Cash Collateral to the full extent permitted under Section 2.05(j), without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by the Borrowers, anything contained herein or in any other Loan Document to the contrary notwithstanding. In the case of an Event of Default under clause (d) above arising with respect to a failure to comply with the Financial Covenant, unless the conditions of the first proviso contained in clause (d) above have been satisfied, and at any time thereafter during the continuance of such event, subject to Section 7.03, the Administrative Agent, at the request of the Required TLA/RCF Lenders, shall, by notice to the Company, take either or both of the following actions, at the same or different times: (i) terminate forthwith all or part of the Revolving Facility Commitments whereupon the relevant part of the Revolving Facility shall cease to be available for utilisation, the relevant part of the undrawn portion of the Commitments of each of the Lenders shall be cancelled and no Lender shall be under any further obligation to make Loans under this Agreement (and no further Letters of Credit may be requested under this Agreement) in respect of the part of the Commitments so cancelled; (ii) declare the Term A Loans and the Revolving Facility Loans then outstanding

to be forthwith due and payable in whole or in part, whereupon the principal of the Term A Loans and Revolving Facility Loans so declared to be due and payable, together with accrued interest thereon and any unpaid accrued Fees and all other liabilities of the Borrowers accrued hereunder with respect to such Term A Loans and Revolving Facility Loans, shall become forthwith due and payable, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by the Borrowers, anything contained herein or in any other Loan Document to the contrary notwithstanding; and (iii) require the provision of cash cover whereupon each Borrower shall immediately provide cash cover in an amount equal to the Minimum L/C Collateral Amount of the Lenders under all Letters of Credit issued under this Agreement for its account.

For purposes of clauses (h), (i) and (j) of this Section 7.01, "Material Subsidiary" shall mean any Subsidiary that would not be an Immaterial Subsidiary under clause (a) of the definition thereof.

Notwithstanding any provision in this Agreement to the contrary, if:

(i) an administrator (other than an administrator appointed by the Collateral Agent) has been appointed under the Australian Corporations Act to an Australian Loan Party and the Collateral Agent receives notice of that appointment from any Lender or any Loan Party or under the Australian Corporations Act; and

(ii) the Collateral Agent is entitled under section 441A of the Australian Corporations Act and the Loan Documents to enforce a Security Document over that Loan Party's property within the decision period provided for under that section, then:

(A) subject to the provisions of the Intercreditor Agreement, the Collateral Agent shall promptly notify the Secured Parties and seek instructions from the Required Lenders as to whether or not it should enforce that Security Document within that decision period; and

(B) unless it receives instructions from the Required Lenders not to enforce by a time which it considers to be the latest time by which instructions should be received in order for it to be able to arrange the enforcement of the Security Document within that period, then the Collateral Agent may enforce that Security Document in accordance with the Loan Documents but need not do so (and is not liable to the Secured Parties if it does not do so).

Section 7.02 Treatment of Certain Payments.

Subject to the terms of the Intercreditor Agreement, any amount received by the Administrative Agent or the Collateral Agent from any Loan Party (or from proceeds of any Collateral) following any acceleration of the Obligations under this Agreement or any Event of Default under Section 7.01(h) or (i), in each case that is continuing, shall be applied: (i) first, ratably, to pay any fees, indemnities or expense reimbursements then due

to the Administrative Agent or the Collateral Agent from the Borrowers (other than in connection with any Secured Cash Management Agreement or Secured Hedge Agreement), (ii) second, towards payment of interest and fees then due from the Borrowers hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, (iii) third, towards payment of principal of unreimbursed L/C Disbursements then due from the Borrowers hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal of unreimbursed L/C Disbursements then due to such parties, (iv) fourth, towards payment of other Obligations (including Obligations of the Loan Parties owing under or in respect of any Secured Cash Management Agreement or Secured Hedge Agreement) then due from the Borrowers or any Loan Party, ratably among the parties entitled thereto in accordance with the amounts of such Obligations then due to such parties and (v) last, the balance, if any, after all of the Obligations have been paid in full, to the Company or as otherwise required by Applicable Law.

Section 7.03 Right to Cure.

Notwithstanding anything to the contrary contained in Section 7.01, in the event that the Company fails (or, but for the operation of this Section 7.03, would fail) to comply with the requirements of the Financial Covenant, from the last day of the applicable fiscal quarter until the expiration of the 10th Business Day subsequent to the date the certificate calculating such Financial Covenant is required to be delivered pursuant to Section 5.04(b), the Company and any Parent Entity shall have the right to issue Permitted Cure Securities for cash or otherwise receive cash contributions to the capital of such entities, and in each case, to contribute any such cash to the capital of the Company (collectively, the "Cure Right"), and upon the receipt by the Company of such cash (the "Cure Amount"), pursuant to the exercise of the Cure Right, the Financial Covenant shall be recalculated giving effect to a pro forma adjustment by which EBITDA shall be increased with respect to such applicable quarter and any four-quarter period that contains such quarter, solely for the purpose of measuring the Financial Covenant and not for any other purpose under this Agreement, by an amount equal to the Cure Amount; provided, that (i) in each four consecutive fiscal quarter period there shall be at least two fiscal quarters in which a Cure Right is not exercised, (ii) a Cure Right shall not be exercised more than five times during the term of the Term A Facilities and/or the Revolving Facility, (iii) for purposes of this Section 7.03, the Cure Amount shall be no greater than the amount required for purposes of complying with the Financial Covenant and (iv) there shall be no pro forma reduction in Indebtedness with the proceeds of the exercise of the Cure Right for determining compliance with the Financial Covenant for the fiscal quarter in respect of which such Cure Right is exercised (either directly through prepayment or indirectly as a result of the netting of unrestricted cash). If, after giving effect to the adjustments in this Section 7.03, the Company shall then be in compliance with the requirements of the Financial Covenant, the Company shall be deemed to have satisfied the requirements of the Financial Covenant as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable breach or default of the Financial Covenant that had occurred shall be deemed cured for the purposes of this Agreement.

Section 7.04 Clean-Up Period.

For the purpose of this Agreement, for the period the date of completion of a Permitted Business Acquisition involving a person who, pursuant to such Permitted Business Acquisition, becomes a Subsidiary (such person, a "Subsequent Target") and/or a business unit, division or line of business (a "Subsequent Target Asset") until the date falling 90 days after the Closing Date or, as appropriate, the date of completion of a Permitted Business Acquisition (the "Clean-Up Period"), no Default or Event of Default would be deemed to arise from a breach of representation or warranty or a breach of covenant or other circumstance that would have been a Default or Event of Default (but for this provision) only by reason of circumstances relating exclusively to in the case of a Permitted Business Acquisition, the Subsequent Target or any of its Subsidiaries as at the date of completion of such Permitted Business Acquisition and (if applicable) the Subsequent Target Asset of such Permitted Business Acquisition (or any obligation to procure compliance by the Subsequent Target and its Subsidiaries), provided that (in each case) such Default or Event of Default: (i) is capable of being remedied within the Clean- Up Period and the Company, or in the case of a Permitted Business Acquisition, the relevant acquiring party, are taking appropriate steps to remedy such Default or Event of Default; (ii) does not have a Material Adverse Effect; and (iii) was not procured or approved by the Company or, in the case of a Permitted Business Acquisition, any of the Company, or any of its Subsidiaries. Notwithstanding the above, if the relevant circumstances are continuing after the expiry of the Clean-Up Period, there shall be an immediate Default or Event of Default, as applicable, and all rights and remedies which would apply with regard thereto but for this Section 7.04 shall arise and be exercisable.

Section 7.05 Excluded Matters.

Notwithstanding any other term of the Loan Documents (a) none of the transactions, steps or matters taken in connection with the Transaction (or the actions taken to implement any of them) or under the Transaction Documents and (b) no failure to comply with any term of any Loan Document (including any obligation to pay any amount to a Sanctioned Party) where to comply with that term may result in a breach of any Sanctions (as determined by the Company in good faith), in each case, shall (or shall be deemed to) constitute, or result in, a breach of any representation, warranty, undertaking or other term in the Loan Documents by any member of the Group or a Default or an Event of Default.

ARTICLE VIII *The Agents*

Section 8.01 Appointment.

(a) Each Lender (in its capacities as a Lender and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements and Secured Hedge Agreements), each Swingline Lender, Ancillary Lender and each Issuing Bank (in such capacities and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements and Secured Hedge Agreements) hereby irrevocably designates and appoints the Administrative Agent as the agent of such Lender

under this Agreement and the other Loan Documents and each such Lender irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. In addition, to the extent required under the laws of any jurisdiction other than the United States of America, each of the Lenders, Ancillary Lenders and the Issuing Banks hereby grants to the Administrative Agent any required powers of attorney to execute any Security Document governed by the laws of such jurisdiction on such Lender's, Ancillary Lender's or Issuing Bank's behalf. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, Ancillary Lender or Issuing Bank (or other Secured Party), and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent. Each of the Arranger and the Lenders (collectively, "Finance Parties", and each a "Finance Party") hereby exempts each Agent from the restrictions pursuant to section 181 Civil Code (*Bürgerliches Gesetzbuch*) and similar restrictions applicable to it pursuant to any other applicable law, in each case to the extent legally possible to such Finance Party. A Finance Party which cannot grant such exemption shall notify each Agent accordingly and, upon request of such Agent, either act in accordance with the terms of this Agreement and/or any other Loan Document as required pursuant to this Agreement and/or such other Loan Document or grant a special power of attorney to a party acting on its behalf, in a manner that is not prohibited pursuant to section 181 of the German Civil Code (*Bürgerliches Gesetzbuch*) and/or any other applicable laws.

(b) In furtherance of the foregoing, each Lender (in its capacities as a Lender and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements or Secured Hedge Agreements), each Ancillary Lender, each Issuing Bank (in such capacities and on behalf of itself and its Affiliates as potential counterparties to Secured Cash Management Agreements and Secured Hedge Agreements) and, by accepting the benefit of this Agreement, each non-Lender Hedge Bank party to a Secured Hedge Agreement and each non-Lender Cash Management Bank party to a Secured Cash Management Agreement, hereby appoints and authorizes the Collateral Agent to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Collateral Agent (and any Subagents appointed by the Collateral Agent pursuant to Section 8.03 (or the Intercreditor Agreement) for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights or remedies thereunder at the direction of the Collateral Agent) shall be entitled to the benefits of this Article VIII (including, without limitation, Section 8.08) as though the Collateral Agent (and any such Subagents) were an "Agent" under the Loan Documents, as if set forth in full herein with respect thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Collateral Agent shall not have any duties or responsibilities except those expressly set forth herein or in the Intercreditor Agreement, or any fiduciary relationship with any of the Secured Parties, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Collateral Agent.

Section 8.02 [Reserved].

Section 8.03 Delegation of Duties.

The Administrative Agent and the Collateral Agent may execute any of their respective duties under this Agreement and the other Loan Documents (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof)) by or through agents, subagents (including a subagent which is a non-U.S. Affiliate), employees or attorneys-in-fact and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. No Agent shall be responsible for the negligence or misconduct of any agents, employees or attorneys-in-fact selected by it with reasonable care. Each Agent may also from time to time, when it deems it to be necessary or desirable, appoint one or more trustees, co-trustees, collateral co-agents, collateral subagents (including a subagent which is anon-U.S. Affiliate) or attorneys-in-fact (each, a "Subagent") with respect to all or any part of the Collateral; provided that no such Subagent shall be authorized to take any action with respect to any Collateral unless and except to the extent expressly authorized in writing by the Administrative Agent or the Collateral Agent, as applicable. Should any instrument in writing from a Borrower or any other Loan Party be required by any Subagent so appointed by an Agent to more fully or certainly vest in and confirm to such Subagent such rights, powers, privileges and duties, such Borrower shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments promptly upon request by such Agent. If any Subagent, or successor thereto, shall become incapable of acting, resign or be removed, all rights, powers, privileges and duties of such Subagent, to the extent permitted by law, shall automatically vest in and be exercised by the Administrative Agent or the Collateral Agent until the appointment of a new Subagent. No Agent shall be responsible for the negligence or misconduct of any agent, employees, attorney-in-fact or Subagent that it selects with reasonable care. The Administrative Agent, the Collateral Agent and any such subagent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article VIII shall apply to any such subagent and to the Related Parties of the Administrative Agent, the Collateral Agent and any such subagent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent and Collateral Agent. Nothing in this Section 8.03 shall limit any of the rights provided to the Collateral Agent pursuant to the Intercreditor Agreement.

Section 8.04 Exculpatory Provisions.

None of the Administrative Agent, the Collateral Agent, or their respective Affiliates or any of their respective officers, directors, employees, agents, attorneys-in-fact or affiliates shall be (a) liable for any action lawfully taken or omitted to be taken by it or such person under or in connection with this Agreement or any other Loan Document

(except to the extent that any of the foregoing are found by a final and non-appealable decision of a court of competent jurisdiction to have resulted from its or such person's own gross negligence or willful misconduct) or (b) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by any Agent under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or for any failure of any Loan Party a party thereto to perform its obligations hereunder or thereunder. No Agent shall be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party. No Agent shall have any duties or obligations except those expressly set forth herein and in the other Loan Documents.

Without limiting the generality of the foregoing,

(a) no Agent shall be subject to any fiduciary or other implied duties, covenants or obligations, regardless of whether a Default or Event of Default has occurred and is continuing and, without limiting the generality of the foregoing, the use of the term "agent" herein and in other Loan Documents with reference to the Collateral Agent is not intended to connote any fiduciary or other implied (or express) obligations, duties, covenants or obligations arising under any agency doctrine of any applicable Laws and instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties,

(b) no Agent shall, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, or be liable for the failure to disclose, any information relating to the Borrowers or any of their respective Affiliates that is communicated to or obtained by such Agent or any of its Affiliates in any capacity.

(c) No Agent shall be liable for any action taken or not taken by it (i) with the written consent or at the written request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent or the applicable Collateral Agent shall believe in good faith shall be necessary, under the circumstances) or (ii) in the absence of its own gross negligence or willful misconduct.

(d) Neither the Administrative Agent nor the Collateral Agent shall be deemed to have knowledge of any Default or Event of Default unless and until written notice describing such Default or Event of Default is given to the Administrative Agent by a Borrower, a Lender, an Ancillary Lender or an Issuing Bank.

(e) No Agent shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii)

the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default or Event of Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents, (v) the value or the sufficiency of any Collateral, (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent or the Collateral Agent, as applicable, or (vii) the performance or nonperformance of any provisions of any other agreement, instrument or document.

(f) The permissive rights of the Collateral Agent to do things enumerated in this Agreement shall not be construed as a duty and, with respect to such permissive rights, the Collateral Agent shall not be answerable for other than its gross negligence or willful misconduct in each case, as determined by the final and non-appealable judgment of a court of competent jurisdiction.

(g) Nothing in this Agreement shall require the Collateral Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties or in the exercise of any of its rights or powers hereunder.

(h) The Collateral Agent shall not be responsible or liable for any failure or delay in the performance of its obligations under this Agreement arising out of or caused, directly or indirectly, by circumstances beyond its control, including without limitation, any act or provision of any present or future law or regulation or governmental authority; acts of God; earthquakes; fires; floods; wars; terrorism; civil or military disturbances; sabotage; epidemics; riots; interruptions, loss or malfunctions of utilities, computer (hardware or software) or communications service; accidents; labor disputes; acts of civil or military authority or governmental actions; or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility.

(i) Any corporation or association into which the Collateral Agent may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer all or substantially all of its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which the Collateral Agent is a party, will be and become the successor Collateral Agent under this Agreement and will have and succeed to the rights, powers, duties, immunities and privileges as its predecessor, without the execution or filing of any instrument or paper or the performance of any further act.

(j) The Collateral Agent shall not be responsible for (i) perfecting, maintaining, monitoring, preserving or protecting the security interest or Lien granted under this Agreement, the Security Documents, any other Loan Document or any agreement or instrument contemplated hereby or thereby, (ii) the filing, re-filing, recording, re-recording or continuing of any document, financing statement, mortgage, assignment, notice, instrument of further assurance or other instrument in any public office at any time or times or (iii) providing, maintaining, monitoring or preserving insurance on or the payment of taxes with respect to any of the Collateral.

(k) Neither the Collateral Agent nor any of its Related Parties shall be responsible for or have any duty to monitor the performance or any action of any Loan Party, or any of their directors, members, officers, agents, affiliates or employee, nor shall it have any liability in connection with the malfeasance or nonfeasance by such party. The Collateral Agent may assume performance by all such Persons of their respective obligations. The Collateral Agent shall have no enforcement or notification obligations relating to breaches of representations or warranties of any other Person.

(l) In the event that any part of the Collateral shall be attached, garnished or levied upon by any court order, or the delivery thereof shall be stayed or enjoined by an order of a court, or any order, judgment or decree shall be made or entered by any court order affecting the Collateral, the Collateral Agent is hereby expressly authorized, in its sole discretion, to respond as it deems appropriate or to comply with all writs, orders or decrees so entered or issued, or which it is advised by legal counsel of its own choosing is binding upon it, whether with or without jurisdiction. In the event that the Collateral Agent obeys or complies with any such writ, order or decree it shall not be liable to any of the Parties or to any other person, firm or corporation, should, by reason of such compliance notwithstanding, such writ, order or decree be subsequently reversed, modified, annulled, set aside or vacated.

(m) The Collateral Agent shall have no liability for any action taken, or errors in judgement made, in good faith by the Collateral Agent or any of its officers, employees or agents;

(n) No Cash Management Bank or Hedge Bank that obtains the benefits of Section 7.02, any Guarantee or any Collateral by virtue of the provisions hereof or of any Guarantee or any Security Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Without limiting the generality of the foregoing, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Secured Cash Management Agreements and Secured Hedge Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Cash Management Bank or Hedge Bank, as the case may be.

Section 8.05 Reliance by Agents.

Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any legal order, notice, request, certificate, opinion, consent, statement, instrument, document, judgment, order or other writing (including any electronic message, Internet or intranet website posting or other distribution) or conversation believed by it to

be genuine and to have been signed, sent or otherwise authenticated by the proper person. Each Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to any Credit Event, that by its terms must be fulfilled to the satisfaction of a Lender, an Ancillary Lender or any Issuing Bank, each Agent may presume that such condition is satisfactory to such Lender, Ancillary Lender or Issuing Bank unless such Agent shall have received notice to the contrary from such Lender, Ancillary Lender or Issuing Bank prior to such Credit Event. Each Agent may consult with legal counsel (including counsel to the Company or the Borrowers), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. Each Agent may deem and treat the Lender specified in the Register with respect to any amount owing hereunder as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with such Agent. Each Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders (or, if so specified by this Agreement, all or other Lenders) as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. Each Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders (or, if so specified by this Agreement, all or other Lenders), and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans.

Section 8.06 Notice of Default.

Neither Agent shall be deemed to have knowledge or notice of the occurrence of any Default or Event of Default unless such Agent has received written notice from a Lender, the Company or the Borrowers referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default." In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders (or, if so specified by this Agreement, all or other Lenders); provided that, unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders.

Section 8.07 Non-Reliance on Agents and Other Lenders.

Each Lender, Ancillary Lender and Issuing Bank expressly acknowledges that neither the Agents nor any of their respective officers, directors, employees, agents, attorneys-in-fact or affiliates have made any representations or warranties to it and that no act by any Agent hereafter taken, including any review of the affairs of a Loan Party or any

affiliate of a Loan Party, shall be deemed to constitute any representation or warranty by any Agent to any Lender, Ancillary Lender or Issuing Bank. Each Lender, Ancillary Lender and Issuing Bank represents to each Agent that it has, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of, and investigation into the business, operations, property, financial and other condition and creditworthiness of, the Loan Parties and their affiliates and made its own decision to make its Loans hereunder and enter into this Agreement and the other Loan Documents. Each Lender, each Ancillary Lender and each Issuing Bank also represents that it will, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, the Agents shall not have any duty or responsibility to provide any Lender, Ancillary Lender or Issuing Bank with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of any Loan Party or any affiliate of a Loan Party that may come into the possession of the Agents or any of their officers, directors, employees, agents, attorneys-in-fact or affiliates.

Section 8.08 Indemnification.

The Lenders agree to indemnify each Agent and the Revolving Facility Lenders agree to indemnify each Issuing Bank, in its capacity as such (to the extent not reimbursed by the Company or the Borrowers and without limiting the obligation of the Company or the Borrowers to do so), in the amount of its pro rata share (based on its aggregate Revolving Facility Credit Exposure and, in the case of the indemnification of each Agent, outstanding Term Loans and unused Commitments hereunder; provided, that the aggregate principal amount of L/C Disbursements owing to any Issuing Bank shall be considered to be owed to the Revolving Facility Lenders ratably in accordance with their respective Revolving Facility Credit Exposure) (determined at the time such indemnity is sought), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against such Agent or such Issuing Bank in any way relating to or arising out of the Commitments, this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent, Issuing Bank under or in connection with any of the foregoing; provided, that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and non-appealable decision of a court of competent jurisdiction to have resulted from such Agent's or such Issuing Bank's gross negligence or willful misconduct. The failure of any Lender to reimburse any Agent or Issuing Bank, as the case may be, promptly upon demand

for its ratable share of any amount required to be paid by the Lenders to such Agent or Issuing Bank, as the case may be, as provided herein shall not relieve any other Lender of its obligation hereunder to reimburse such Agent or Issuing Bank, as the case may be, for its ratable share of such amount, but no Lender shall be responsible for the failure of any other Lender to reimburse such Agent or Issuing Bank, as the case may be, for such other Lender's ratable share of such amount. The agreements in this Section 8.08 shall survive the payment of the Loans and all other amounts payable hereunder.

Section 8.09 Agent in Its Individual Capacity.

Each Agent and its affiliates may make loans to, accept deposits from, and generally engage in any kind of business with any Loan Party as though such Agent were not an Agent. With respect to its Loans made or renewed by it and with respect to any Letter of Credit issued, or Letter of Credit participated in, by it, each Agent shall have the same rights and powers under this Agreement and the other Loan Documents as any Lender and may exercise the same as though it were not an Agent, and the terms "Lender" and "Lenders" shall include each Agent in its individual capacity.

Section 8.10 Successor Agents.

The Administrative Agent may resign as Administrative Agent upon 10 days' notice to the Lenders and the Company. If the Administrative Agent shall resign as Administrative Agent under this Agreement and the other Loan Documents, then the Company shall have the right, subject to the reasonable consent of the Required Lenders (so long as no Event of Default under Section 7.01(b), (c), (h) or (i) shall have occurred and be continuing, in which case the Required Lenders shall have the right), to appoint a successor which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States, whereupon such successor agent shall succeed to the rights, powers and duties of the Administrative Agent and the term "Agent" shall mean such successor agent effective upon such appointment and approval, and the former Agent's rights, powers and duties as Agent shall be terminated, without any other or further act or deed on the part of such former Agent or any of the parties to this Agreement or any holders of the Loans. If no successor agent has accepted appointment as Agent by the date that is 10 days following a retiring Agent's notice of resignation, the retiring Agent's resignation shall nevertheless thereupon become effective, and the Lenders shall assume and perform all of the duties of the Agent and Agent hereunder until such time, if any, as the Company (or the Required Lenders) appoints a successor agent as provided for above. After any retiring Agent's resignation as Agent, the provisions of this Section 8.10 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Agent under this Agreement and the other Loan Documents. Any resignation by the Collateral Agent shall be pursuant to the terms of Section 8.17 and the applicable provisions of the Intercreditor Agreement.

Section 8.11 Global Coordinators and Arrangers.

Notwithstanding any other provision of this Agreement or any provision of any other Loan Document, each of the persons named on the cover page hereof as Global Coordinator, Joint Bookrunner, Joint Lead Bookrunner, Mandated Lead Arranger or Arranger is named as such for recognition purposes only, and in its capacity as such shall have no rights, duties, responsibilities or liabilities with respect to this Agreement or any other Loan Document, except that each such person and its Affiliates shall be entitled to the rights expressly stated to be applicable to them in Section 9.05 and Section 9.17 (subject to the applicable obligations and limitations as set forth therein).

Section 8.12 Security Documents and Collateral Agent.

(a) The Lenders and the other Secured Parties authorize the Collateral Agent and the Administrative Agent to release any Collateral or Guarantors in accordance with Section 9.18 or if approved, authorized or ratified in accordance with Section 9.08 or otherwise in accordance with the Intercreditor Agreement. In addition, the Lenders and the other Secured Parties authorize the Collateral Agent to make such changes to the Security Documents and/or provide such consents with respect to the Security Documents as are required as part of any Permitted Reorganizations including, but not limited to, allowing for the issuance of additional Equity Interests under a pledge agreement.

(b) The Lenders and the other Secured Parties hereby irrevocably authorize and instruct the Collateral Agent to, without any further consent of any Lender or any other Secured Party, enter into (or acknowledge and consent to) or amend, renew, extend, supplement, restate, replace, waive or otherwise modify (i) the Intercreditor Agreement (including the Flutter Intercreditor Agreement and, upon the TLB Refinancing Date, the Refinancing Intercreditor Agreement) and (ii) in the Collateral Agent's sole discretion, any Security Document in connection with the incurrence of Indebtedness that is to be secured by a Lien on the Collateral that is not prohibited (including with respect to priority) under this Agreement. The Lenders and the other Secured Parties irrevocably agree that (x) the Collateral Agent may rely exclusively on a certificate of a Responsible Officer of the Company as to whether any such other Liens are not prohibited and (y) the Intercreditor Agreement entered into by the Collateral Agent and the Administrative Agent (including the Flutter Intercreditor Agreement, and when executed, the Refinancing Intercreditor Agreement) shall be binding on the Secured Parties, and each Lender and each of the other Secured Parties hereby agrees that it will take no actions contrary to the provisions of the Intercreditor Agreement. The foregoing provisions of this paragraph are intended as an inducement to any provider of any Indebtedness not prohibited by Section 6.01 hereof to extend credit to the Loan Parties and such persons are intended third-party beneficiaries of such provisions.

(c) Furthermore, the Lenders and the other Secured Parties hereby authorize the Administrative Agent and the Collateral Agent to release any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document (i) to the holder of any Lien on such property that is permitted by clauses (c), (i), (j) or (mm) of Section 6.02 or Section 6.02(a) (if the Liens thereunder are of a type that is contemplated by any of the foregoing clauses) in each case to the extent the contract or agreement pursuant to which such Lien is granted prohibits any other Liens on such property or (ii) that is or becomes Excluded Property; and the Administrative Agent and the Collateral Agent shall do so upon request of the Company; provided, that prior to any

such request, the Company shall have in each case delivered to the Administrative Agent a certificate of a Responsible Officer of the Company certifying (x) that such Lien is permitted under this Agreement, (y) in the case of a request pursuant to clause (i) of this sentence, that the contract or agreement pursuant to which such Lien is granted prohibits any other Lien on such property and (z) in the case of a request pursuant to clause (ii) of this sentence, that (A) such property is or has become Excluded Property and (B) if such property has become Excluded Property as a result of a contractual restriction, such restriction does not violate Section 6.09(c).

Section 8.13 Right to Realize on Collateral and Enforce Guarantees

In case of the pendency of any receivership, administration, examinership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Loan Party, (i) the Administrative Agent (irrespective of whether the principal of any Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrowers) shall be entitled and empowered, by intervention in such proceeding or otherwise (A) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of any or all of the Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Ancillary Lenders, the Issuing Banks and the Administrative Agent and any Subagents allowed in such judicial proceeding, and (B) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same, and (ii) any custodian, receiver, examiner, administrative receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender, Ancillary Lenders and Issuing Bank to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders, the Ancillary Lenders, and the Issuing Banks, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under the Loan Documents. Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender, the Ancillary Lenders, or Issuing Bank any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender, Ancillary Lender or Issuing Bank or to authorize the Administrative Agent to vote in respect of the claim of any Lender, Ancillary Lender or Issuing Bank in any such proceeding.

Anything contained in any of the Loan Documents to the contrary notwithstanding, the Borrower, the Administrative Agent, the Collateral Agent and each Secured Party hereby agree that (a) no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce the Guarantee, it being understood and agreed that all powers, rights and remedies hereunder may be exercised solely by the Administrative Agent or the Collateral Agent, on behalf of the Secured Parties in accordance with the terms hereof and all powers, rights and remedies under the Security Documents may be exercised solely by the Collateral Agent, and (b) in the event of a

foreclosure by the Collateral Agent on any of the Collateral pursuant to a public or private sale or other disposition, the Collateral Agent or any Lender may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition and the Collateral Agent, as agent for and representative of the Secured Parties (but not any Lender or Lenders in its or their respective individual capacities unless the Required Lenders shall otherwise agree in writing) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Obligations as a credit on account of the purchase price for any collateral payable by the Collateral Agent at such sale or other Disposition.

Section 8.14 Withholding Tax.

To the extent required by any Applicable Law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the IRS or any authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including because the appropriate form was not delivered, was not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstances that rendered the exemption from, or reduction of, withholding Tax ineffective), such Lender shall indemnify the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by any applicable Loan Party and without limiting the obligation of any applicable Loan Party to do so) fully for all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, including penalties, fines, additions to Tax and interest, together with all expenses incurred, including legal expenses, allocated staff costs and any out of pocket expenses. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due to the Administrative Agent under this Section 8.14. The agreements in this Section 8.14 shall survive the resignation of the Agent, any assignment of rights by a Lender or the termination of the Commitments and the repayment, satisfaction or discharge of all Obligations. For the avoidance of doubt, for purposes of this Section 8.14, the term "Lender" shall also include any Issuing Bank and Ancillary Lender.

Section 8.15 Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such person became a Lender party hereto, to, and (y) covenants, from the date such person became a Lender party hereto to the date such person ceases being a Lender party hereto that at least one of the following is and will be true:

(ii) the transaction exemption set forth in one or more PTEs, such as PTE84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined byin-house asset managers), is applicable and all of the conditions for exemptive relief are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iii) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84- 14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement.

(b) In addition, unless sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or such Lender has not provided another representation, warranty and covenant as provided in sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such person became a Lender party hereto, to, and (y) covenants, from the date such person became a Lender party hereto to the date such person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, the Arrangers and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrowers or any other Loan Party, that:

(c) Each of the Administrative Agent and the Arrangers hereby informs the Lenders that each such person is not undertaking to provide impartial investment advice, or to give advice in a fiduciary capacity, in connection with the transactions contemplated hereby, and that such person has a financial interest in the transactions contemplated hereby in that such person or an Affiliate thereof (i) may receive interest or other payments with respect to the Loans, the Letters of Credit, the Commitments and this Agreement, (ii) may recognize a gain if it extended the Loans, the Letters of Credit or the Commitments for an amount less than the amount being paid for an interest in the Loans, the Letters of Credit or the Commitments by such Lender or (iii) may receive fees or other payments in connection with the transactions contemplated hereby, the Loan Documents or otherwise, including structuring fees, commitment fees, arrangement fees, facility fees, upfront fees, underwriting fees, ticking fees, agency fees, administrative agent or collateral agent fees, utilization fees, minimum usage fees, letter of credit fees, fronting fees, deal-away or alternate transaction fees, amendment fees, processing fees, term out premiums, banker's acceptance fees, breakage or other early termination fees or fees similar to the foregoing.

Section 8.16 Payments Set Aside.

To the extent that any payment by or on behalf of the Borrowers is made to the Administrative Agent, any Ancillary Lender, any Issuing Bank or any Lender, or the Administrative Agent, such Issuing Bank, Ancillary Lender or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Administrative Agent, such Ancillary Lender, such Issuing Bank or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor

Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender, each Ancillary Lender and each Issuing Bank severally agree to pay to the Administrative Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by the Administrative Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the applicable Overnight Rate from time to time in effect. The obligations of the Lenders, the Ancillary Lenders and each Issuing Bank under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

Section 8.17 Appointment of the Collateral Agent, as of the TLB Refinancing Date.

(a) The Lenders and the other Secured Parties agree that, effective as of the TLB Refinancing Date, (i) Lloyds Bank Plc as existing Collateral Agent ("Existing Collateral Agent") shall be deemed to have delivered requisite notice to the Borrowers and the Lenders of its resignation as Collateral Agent, as applicable, as provided under Section 8.10, (ii) the Company has appointed, and the Required Lenders and consented to the appointment of Wilmington Trust (London) Limited as the successor Collateral Agent ("New Collateral Agent") under this Agreement and other Loan Documents, the New Collateral Agent shall be deemed to have accepted its appointment as collateral agent under the Credit Agreement and the other Loan Documents, (iv) the New Collateral Agent shall succeed to and become vested with all the rights, powers, privileges and duties of the Collateral Agent under this Agreement and each of the other Loan Documents, including with respect to all rights and interests as a secured party, and (v) the Intercreditor Agreement shall be amended and restated in the form attached hereto as Exhibit G with Wilmington Trust (London Limited) as Security Agent for the Secured Parties (as defined in and under the Refinancing Intercreditor Agreement). Effective as of the TLB Refinancing Date, (i) the Existing Collateral Agent hereby transfers, assigns, grants and conveys unto the New Collateral Agent all of its right, title, claims and interest in and to the Security Documents and the other Loan Documents together with any rider, addendum, exhibit, schedule and attachment thereto, and all UCC financing statements, (and any similar filing or registration statement in the relevant jurisdiction), intellectual property notices or agreements and deeds and documents of title to property and notice of security to third parties filed, registered or delivered in connection therewith, and each of the Liens and security interests granted to such Existing Collateral Agent under the Loan Documents in the Collateral, together with all attendant liens, rights, title, assignments and interests (including any parallel debt claims, abstracts and other claims and any security interests) pertaining to, or arising from, the Security Documents, in each case without representation, warranty or recourse, and (ii) the Existing Collateral Agent shall promptly (but, in any case within 30 Business Days of the TLB Refinancing Date (or such longer period as may be agreed between the Existing Collateral Agent and the New Collateral Agent)) transfer all Collateral within its possession or control held by the Existing Collateral Agent for the benefit of the Secured Parties to the possession or control of the New Collateral Agent in its capacity as Collateral Agent. The New Collateral Agent hereby accepts such transfer, assignment, grant and conveyance, on and as of the TLB Refinancing Date, for its benefit

and to the extent applicable, the benefit of the Secured Parties, and the Borrowers (on behalf of themselves and the other Loan Parties) consents to the foregoing. Notwithstanding anything herein to the contrary, all of such assigned security interests and liens pursuant to this Section 8.17 shall in all respects be continuing and in effect without novation and are hereby reaffirmed. Effective as of the TLB Refinancing Date, any obligations, liabilities, rights, powers, privileges, duties and protections pertaining to the Collateral Agent (including without limitation, Sections 8.01(a), 8.01(b), 8.02, 8.03 (with respect to the Collateral Agent only), 8.04 (with respect to the Collateral Agent only), 8.08 (with respect to the Collateral Agent only), 8.10 (with respect to the Collateral Agent only), 9.05 (with respect to the Collateral Agent only) of this Agreement) shall be superseded in full by the Refinancing Intercreditor Agreement (including, without limitation, clause 17 and 18 thereof). It is hereby agreed that in the event of a conflict between the provisions of this Agreement and the Intercreditor Agreement, the Intercreditor Agreement will prevail.

(b) The Parties hereto acknowledge and agree that the New Collateral Agent shall bear no responsibility for (and shall have no liability for) any actions taken or omitted to be taken by the Existing Collateral Agent while the Existing Collateral Agent served as Collateral Agent, under the Credit Agreement and the other Loan Documents, and the Existing Collateral Agent shall bear no responsibility for any actions taken or omitted to be taken by the New Collateral Agent as of the TLB Refinancing Date under the Credit Agreement or any other Loan Document.

(c) Nothing herein shall constitute an assumption by the New Collateral Agent of any liability of the Existing Collateral Agent arising out of a breach by the Existing Collateral Agent of its obligations under the Credit Agreement or any other Loan Document to which it was a party immediately prior to the TLB Refinancing Date.

(d) The Borrowers, the Existing Collateral Agent and the New Collateral Agent agree that, following the TLB Refinancing Date, the Existing Collateral Agent shall furnish promptly, at the Borrowers' expense, such other documents, instruments and agreements as may be reasonably requested by the Borrowers or the New Collateral Agent from time to time, and shall take such further action as may be necessary or reasonably requested by the Borrowers or the New Collateral Agent, in each case in order to effect the matters contemplated by this Section 8.17. The Borrowers shall promptly reimburse the Existing Collateral Agent for all reasonable and documented costs and out-of-pocket expenses incurred by the Existing Collateral Agent after the TLB Refinancing Date in connection with any actions taken pursuant to this Section 8.17.

(e) In furtherance of the assignment in this Section 8.17, the Existing Collateral Agent's security interest in the Collateral (as defined herein) of the Loan Parties under this Credit Agreement and the other Loan Documents, the Existing Collateral Agent, the Borrowers and the other Loan Parties hereby agree to execute and deliver such other documents, certificates and instruments as the New Collateral Agent shall reasonably request in order to perfect and protect (and continue the perfection and protection of) the New Collateral Agent's interest in such security interests and, without limiting the generality of the foregoing, as of the TLB Refinancing Date, the Existing Collateral Agent hereby authorizes the New Collateral Agent to (or, in each case, to have done on its behalf)

file the UCC-3 financing statements, assigning and/or otherwise amending any financing statements (although, for the avoidance of doubt the New Collateral Agent shall not be required to make, or be held responsible for making, any such filings) with respect to security interests created under the Loan Documents; provided, that from and after the TLB Refinancing Date but prior to the completion of each of the applicable filings described above, any reference to either of the Existing Collateral Agent in such UCC statements or other Loan Document or filing or registration related thereto, shall constitute a reference to the applicable Existing Collateral Agent as collateral representative or sub-agent of the New Collateral Agent (unless no such modification to such filing or registration is necessary to reflect the appointment of the New Collateral Agent), solely for the purpose of facilitating the continued effectiveness of such UCC financing statements, other Loan Documents, filings, or registrations, from the TLB Refinancing Date until the applicable filings and other matters described above have been completed.

(f) In the event that, after the TLB Refinancing Date, the Existing Collateral Agent receives (or continue to hold) any instrument, agreement, report, financial statement, insurance policy, notice or other document in their capacity as Existing Collateral Agent, the Existing Collateral Agent agrees to promptly forward the same to the New Collateral Agent or the Loan Parties, as applicable, as specified by the New Collateral Agent in writing and to hold the same in trust for the New Collateral Agent or such Loan Party, as the case may be, until so forwarded. In the event that, after the TLB Refinancing Date, the New Collateral Agent receives any amount owing to the Existing Collateral Agent under this Credit Agreement or any other Loan Document, the New Collateral Agent agrees that such payment shall be held in trust for the Existing Collateral Agent, and the New Collateral Agent shall return such payment to the Existing Collateral Agent.

Section 8.18 Erroneous Payments.

(a) If the Administrative Agent (x) notifies a Lender, Issuing Bank or Secured Party, or any Person who has received funds on behalf of a Lender, Issuing Bank or Secured Party (any such Lender, Swingline Lender, Issuing Bank, Secured Party or other recipient (and each of their respective successors and assigns), a "Payment Recipient") that the Administrative Agent has determined in its sole discretion that any funds received by such Payment Recipient from the Administrative Agent or any of its Affiliates (whether as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, a "Payment") were erroneously or mistakenly transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Lender, Swingline Lender, Issuing Bank, Secured Party or other Payment Recipient on its behalf) (any such funds, whether transmitted or received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an "Erroneous Payment") and demands the return of such Payment (or a portion thereof), such Payment Recipient shall promptly, but in no event later than two Business Days thereafter (or such later date as the Administrative Agent may in its sole discretion, specify in writing), return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon (except to the extent waived in writing by the Administrative Agent) in respect of each day from and including the date such Payment (or portion thereof)

was received by such Payment Recipient to the date such amount is repaid to the Administrative Agent in same day funds at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect, and (y) to the extent permitted by applicable law, such payment Recipient shall not assert, and hereby waives, as to the Administrative Agent, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Payments received, including without limitation any defense based on "discharge for value" or any similar doctrine. A notice of the Administrative Agent to any Payment Recipient under this clause (a) shall be conclusive, absent manifest error.

(b) Each Lender, Issuing Bank, Secured Party, or any Person who has received funds on behalf of a Lender, Issuing Bank or Secured Party (and each of their respective successors and assigns), hereby further agrees that if it receives a Payment from the Administrative Agent or any of its Affiliates (i) that is in a different amount than, or on a different date from, that specified in a notice of payment sent by the Administrative Agent (or any of its Affiliates) with respect to such Payment, (a "Payment Notice"), or (ii) that was not preceded or accompanied by a Payment Notice, it shall be on notice, in each such case, that an error has been made with respect to such Payment. Each Lender, Issuing Bank or Secured Party, or other such recipient, agrees that, in each such case, or if it otherwise becomes aware a Payment (or a portion thereof) may have been sent in error, such Lender, Issuing Bank or Secured Party, or other such recipient, shall promptly notify the Administrative Agent of such occurrence and, upon demand from the Administrative Agent, it shall promptly, but in no event later than one Business Day thereafter (or such later date as the Administrative Agent, may, in its sole discretion, specify in writing), return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon (except to the extent waived in writing by the Administrative Agent) in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender to the date such amount is repaid to the Administrative Agent at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect.

(c) The parties hereto agree that (i) irrespective of whether the Administrative Agent may be equitably subrogated, in the event that an Erroneous Payment (or portion thereof) is not recovered from any Payment Recipient that has received such Erroneous Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights and interests of such Payment Recipient (and, in the case of any Payment Recipient who has received funds on behalf of a Lender, Issuing Bank or Secured Party, to the rights and interests of such Lender, Issuing Bank or Secured Party, as the case may be) under the Loan Documents with respect to such amount (the "Erroneous Payment Subrogation Rights") and (ii) an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by a Borrower or any other Loan Party; provided that this Section 8.18 shall not be interpreted to increase (or accelerate the due date for), or have the effect of increasing (or accelerating the due date for), the Obligations of a Borrower relative to the amount (and/or timing for payment) of the Obligations that would have been payable had such Erroneous Payment not been made by the Administrative

Agent; provided, further, that for the avoidance of doubt, immediately preceding clauses (i) and (ii) shall not apply to the extent any such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Administrative Agent from a Borrower for the purpose of making such Erroneous Payment.

(d) To the extent permitted by Applicable Law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payment received, including without limitation, any defense based on "discharge for value" or any similar doctrine.

(e) Each party's obligations, agreements and waivers under this Section 8.18 shall survive the resignation or replacement of the Administrative Agent, any transfer of rights or obligations by, or the replacement of, a Lender, Ancillary Lender or Issuing Bank, the termination of the Commitments and/or the repayment, satisfaction or discharge of all Obligations (or any portion thereof) under any Loan Document.

ARTICLE IX *Miscellaneous*

Section 9.01 Notices; Communications.

(a) Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in Section 9.01(b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by electronic mail or other electronic means as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to any Loan Party, the Administrative Agent, the Swingline Lenders or the Issuing Banks as of the Closing Date to the address, electronic mail address or telephone number specified for such person on Schedule 9.01; and

(ii) if to any other Lender or any other Issuing Bank or Ancillary Lender, to the address, electronic mail address or telephone number specified in its Administrative Questionnaire.

(b) Notices and other communications to the Lenders and the Issuing Banks hereunder may be delivered or furnished by electronic communication (including e mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent. The Administrative Agent or the Company may, in their discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by them, provided that approval of such procedures may be limited to particular notices or communications.

(c) Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received. Notices delivered through electronic communications to the extent provided in Section 9.01(b) above shall be effective as provided in such Section 9.01(b).

(d) Any party hereto may change its address for notices and other communications hereunder by notice to the other parties hereto. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender.

(e) Documents required to be delivered pursuant to Section 5.04 may be delivered electronically (including as set forth in Section 9.17) and if so delivered, shall be deemed to have been delivered on the date (i) on which the Company or a Borrower (or any Parent Entity) posts such documents, or provides a link thereto on the website of the Company or the Borrowers (or any Parent Entity) on the Internet at the website address listed on Schedule 9.01, or (ii) on which such documents are posted on the Company's, any Parent Entity's or the Borrowers' behalf on an Internet or intranet website, if any, to which each Lender entitled to access thereto and the Administrative Agent have access (whether a commercial, third-party website or whether sponsored by the Administrative Agent); provided, that the Company shall notify the Administrative Agent (by electronic mail) of the posting of any such documents and provide to the Administrative Agent by electronic mail electronic versions (i.e., soft copies) of such documents. Except for such certificates required by Section 5.04(b), the Administrative Agent shall have no obligation to request the delivery or to maintain copies of the documents referred to above, and in any event shall have no responsibility to monitor compliance by the Company, any Parent Entity or the Borrowers with any such request for delivery, and each Lender shall be solely responsible for requesting delivery to it or maintaining its copies of such documents.

Section 9.02 Survival of Agreement.

All covenants, agreements, representations and warranties made by the Loan Parties herein, in the other Loan Documents and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the Lenders, the Ancillary Lenders and each Issuing Bank and shall survive the making by the Lenders of the Loans and the execution and delivery of the Loan Documents and the issuance of the Letters of Credit, regardless of any investigation made by such persons or on their behalf, and shall continue in full force and effect until the Termination Date. Without prejudice to the survival of any other agreements contained herein, indemnification and reimbursement obligations contained herein (including pursuant to Section 2.15, Section 2.16, Section 2.17 and Section 9.05) shall survive the Termination Date.

Section 9.03 Binding Effect.

This Agreement shall become effective on the date of this Agreement, and thereafter shall be binding upon and inure to the benefit of the Company, the Borrowers, the Administrative Agent, the Collateral Agent, each Ancillary Lender, each Issuing Bank and each Lender and their respective permitted successors and assigns.

Section 9.04 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of an Issuing Bank that issues any Letter of Credit), except that (i) except as permitted by Section 6.05, the Borrowers may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrowers without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 9.04. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of an Issuing Bank that issues any Letter of Credit), Participants (to the extent provided in clause (d) of this Section 9.04), and, to the extent expressly contemplated hereby, the Related Parties of each of the Agents, the Issuing Banks, the Ancillary Lenders and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement or the other Loan Documents. For the avoidance doubt, pursuant to Section 8.12, each Assignee (as defined below) shall be deemed to have irrevocably agreed to be bound by (x) on and from the Closing Date until the TLB Refinancing Date, the Flutter Intercreditor Agreement as an Institutional Debt Lender (as defined therein), as if it had been an original party to the Flutter Intercreditor Agreement and (y) on and from the TLB Refinancing Date, the Refinancing Intercreditor Agreement as a Senior Lender, as if it had been an original party to the Refinancing Intercreditor Agreement.

(b) (i) Subject to the conditions set forth in subclause (ii) below, any Lender may assign to one or more assignees (each, an "Assignee") all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld or delayed) of:

(A) the Company, which consent with respect to the assignment of Term B Loans will be deemed to have been given if the Company has not given its decision within ten (10) Business Days after delivery of any request for such consent; provided, that no consent of the Company shall be required for an assignment of (x) a Term B Loan to a Lender, an Affiliate of a Lender, an Approved Fund, or in the case of assignments during the primary syndication of the Commitments and Loans to persons identified to and agreed by the Company in writing prior to the Closing Date, (y) a Term A Loan to a Term A Lender, an Affiliate of that Lender or, in each case, if an Event of Default under Section 7.01(b), (c),

(h) or (i) has occurred and is continuing, any other person, and (z) a Revolving Facility Commitment or Revolving Facility Loan to a Revolving Facility Lender, an Affiliate of a Revolving Facility Lender or Approved Fund with respect to a Revolving Facility Lender, or, in each case, if an Event of Default under Section 7.01(b), (c), (h) or (i) has occurred and is continuing, any other person, provided that, that (1) no Lender shall be permitted to assign or transfer any portion of its rights and obligations with respect to Term B Loans under this Agreement to a Defaulting Lender or an Ineligible Institution (to the extent that the list of Ineligible Institutions has been provided to such Lender) and (2) no Lender shall be permitted to assign or transfer any portion of its rights and obligations with respect to Term A Loans, Revolving Facility Loans or Revolving Facility Commitments, to a Defaulting Lender, Loan To Own Investor, Industrial Competitor and/or, in each case, any of their Subsidiaries, provided further that, no consent of the Company shall be required for an assignment, transfer, sub-participation (or any transaction having a similar or equivalent economic effect to such person) of a Term A Loan, a Revolving Facility Commitment or Revolving Facility Loan to a Loan To Own Investor, if an Event of Default under Sections 7.01(b) and/or (c) has been continuing for more than 5 Business Days or an Event of Default under Sections 7.01(h) or (i) has occurred and is continuing; and

(B) the Administrative Agent; provided, that no consent of the Administrative Agent shall be required for an assignment of all or any portion of a Term Loan to a Lender, an Affiliate of a Lender, an Approved Fund, a Borrower or an Affiliate of a Borrower made in accordance with Section 9.04(i); and

(C) the Issuing Banks; provided, that no consent of the Issuing Banks shall be required for an assignment of all or any portion of a Term Loan.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitments or Loans under any Facility, the amount of the Commitments or Loans of the assigning Lender subject to each such assignment shall not be less than (x) in the case of Term Loans denominated in Dollars, Sterling or an Alternate Currency other than Euros, $1,000,000 (or the Dollar Equivalent, as applicable) in excess thereof, (y) in the case of Term Loans denominated in Euros, €1,000,000 in excess thereof and (z) in the case of Revolving Facility Loans or Revolving Facility Commitments, $5,000,000 (or the Dollar Equivalent, as applicable) in excess thereof, unless each of the Company and the Administrative Agent otherwise consent; provided, that (1) no such consent

of the Company shall be required if an Event of Default under Section 7.01(b), (c), (h) or (i) has occurred and is continuing and (2) such amounts shall be aggregated in respect of each Lender and its Affiliates or Approved Funds (with simultaneous assignments to or by two or more Related Funds shall be treated as one assignment), if any;

(B) the parties to each assignment shall (1) execute and deliver to the Administrative Agent an Assignment and Acceptance via an electronic settlement system acceptable to the Administrative Agent or (2) if previously agreed with the Administrative Agent, manually execute and deliver to the Administrative Agent an Assignment and Acceptance, in each case together with a processing and recordation fee of (x) $3,500 in the case of assignments of any Loans or Commitments denominated in Dollars, Sterling or an Alternate Currency and (y) €3,500 in the case of assignments of any Loans or Commitments denominated in Euros (which fee may be waived or reduced in the discretion of the Administrative Agent);

(C) the Assignee shall confirm in such Assignment and Acceptance (i) whether it is (x) an Irish Qualifying Lender (other than an Irish Treaty Lender) or (y) an Irish Treaty Lender or (z) not an Irish Qualifying Lender and (b) whether it is a Loan to Own Investor and/or Industrial Competitor;

(D) the Assignee, if it is not a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire and any tax forms required to be delivered pursuant to Section 2.17;

(E) the Assignee shall not be the Company, or any of the Borrowers' Affiliates or Subsidiaries except in accordance with Section 9.04(i); and

(F) notwithstanding the foregoing, assignment or transfer to or assumption by any person of Commitments or Loans with respect to any Dutch Borrower pursuant to this Section 9.04 shall only be permitted if the person to whom such Loans or Commitments are transferred is a Non-Public Lender.

Notwithstanding the foregoing, each Loan Party and the Lenders acknowledge and agree that the Administrative Agent shall not have any responsibility or obligation to determine whether any Assignee or potential Assignee is an Ineligible Institution, Defaulting Lender, a Loan To Own Investor or an Industrial Competitor and the Administrative Agent shall have no liability with respect to any assignment made to such Person.

For the purposes of this Section 9.04, "Approved Fund" shall mean any person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course and that is administered or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers or manages a Lender. Notwithstanding the foregoing or anything to the contrary herein, no Lender shall be permitted to assign or transfer any portion of its rights and obligations under this Agreement to (A) any Ineligible Institution, (B) any Defaulting Lender or any of its Subsidiaries, or any person who, upon becoming a Lender hereunder, would constitute any of the foregoing persons described in this clause (B), or (C) a natural person. Notwithstanding the foregoing, each Loan Party and the Lenders acknowledge and agree that the Administrative Agent shall not have any responsibility or obligation to determine whether any Lender or potential Lender is an Ineligible Institution and the Administrative Agent shall have no liability with respect to any assignment made to an Ineligible Institution. Any assigning Lender shall, in connection with any potential assignment, provide to the Company a copy of its request (including the name of the prospective assignee) concurrently with its delivery of the same request to the Administrative Agent irrespective of whether or not an Event of Default under Section 7.01(b), (c), (h) or (i) has occurred and is continuing.

(iii) Subject to acceptance and recording thereof pursuant to subclause (v) below, from and after the effective date specified in each Assignment and Acceptance the Assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Section 2.15, Section 2.16, Section 2.17 and Section 9.05 (subject to the limitations and requirements of those Sections)). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with clause (c) of this Section 9.04 (except to the extent such participation is not permitted by such clause (c) of this Section 9.04, in which case such assignment or transfer shall be null and void).

(iv) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Company and the Borrowers, shall maintain at one of its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders and the Commitments of, and principal and interest amounts of the Loans and Revolving L/C Exposure owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrowers, the Administrative Agent, the Issuing Banks, the Ancillary Lenders and the Lenders shall treat each person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Company and the Borrowers, the Issuing Banks, the Ancillary Lenders, the Collateral Agent and any Lender, at any reasonable time and from time to time upon reasonable prior notice; provided, that no Lender or Ancillary Lender shall, in such capacity, have access to, or be otherwise permitted to review any information in the Register other than information with respect to such Lender or Ancillary Lender.

(v) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an Assignee, the Assignee's completed Administrative Questionnaire (unless the Assignee shall already be a Lender hereunder), the processing and recordation fee referred to in clause (b) of this Section 9.04, if applicable, and any written consent to such assignment required by clause (b) of this Section 9.04 and any applicable tax forms, the Administrative Agent shall accept such Assignment and Acceptance and promptly record the information contained therein in the Register. No assignment, whether or not evidenced by a promissory note, shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this subclause (v).

(c) No Term A Lender or RCF Lender shall be permitted to enter into any participation or any transaction having a similar or equivalent economic effect of an assignment or a participation with respect to a Term A Loan or the Revolving Facility with a Defaulting Lender, a Loan To Own Investor, or an Industrial Competitor unless with the Company's prior written consent or if such transaction would have been permitted as an assignment of such Term A Loan or Revolving Facility hereunder (and for the avoidance of doubt, the restriction in this clause shall not apply with respect to collateral assignments of the type described in clause (e)).

(d)

(i) Subject to clause (c) of this Section 9.04, any Lender may, without the consent of the Company or the Borrowers or the Administrative Agent, sell participations in Loans and Commitments to one or more banks or other entities other than (I) any Ineligible Institution (to the extent that the list of Ineligible Institutions has been made available to all Lenders; provided, that regardless of whether the list of Ineligible Institutions has been made available to all Lenders, no Lender may sell participations in Loans or Commitments to an Ineligible Institution without the consent of the Company if the list of Ineligible Institutions has been made available to such Lender) or (II) any Defaulting Lender or any of its Subsidiaries, or any person who, upon becoming a Lender hereunder, would constitute any of the foregoing persons described in this clause (II) (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it); provided, that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Company, the Borrowers, the Administrative Agent, the Issuing Banks and the Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to

enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement and the other Loan Documents; provided, that (x) such agreement may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that both (1) requires the consent of each Lender directly affected thereby pursuant to clauses (i), (ii), (iii) or (vi) of the first proviso to Section 9.08(b) and (2) directly adversely affects such Participant (but, for the avoidance of doubt, not any waiver of any Default or Event of Default) and (y) no other agreement with respect to amendment, modification or waiver may exist between such Lender and such Participant. Subject to clause (d) (iii) of this Section 9.04, the Company and the Borrowers agree that each Participant shall be entitled to the benefits of Section 2.15, Section 2.16 and Section 2.17 (subject to the limitations and requirements of those Sections including Section 2.17(d) and Section 2.19) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to clause (b) of this Section 9.04 (it being agreed that any documentation required to be provided pursuant to Section 2.17(d) shall be provided solely to the participating Lender). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.06 as though it were a Lender; provided, that such Participant shall be subject to Section 2.18(c) as though it were a Lender. Notwithstanding the foregoing, each Loan Party and the Lenders acknowledge and agree that the Administrative Agent shall not have any responsibility or obligation to determine whether any Participant or potential Participant is an Ineligible Institution and the Administrative Agent shall have no liability with respect to any participation made to an Ineligible Institution.

(ii) Each Lender that sells a participation shall, acting solely for this purpose as anon-fiduciary agent of the Company and the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts and interest amounts of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"). The entries in the Participant Register shall be conclusive absent manifest error, and each party hereto shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. Without limitation of the requirements of this Section 9.04(d), no Lender shall have any obligation to disclose all or any portion of a Participant Register to any person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans or other Loan Obligations under any Loan Document), except to the extent that such disclosure is necessary to establish that such Commitment, Loan or other Loan Obligation is in registered form under Section 5f.103-1(c) or Proposed Section 1.1653-5(b) (or, in each case, any successor or amended version) for U.S. federal income tax purposes or is otherwise required by Applicable Law. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(iii) A Participant shall not be entitled to receive any greater payment under Section 2.15, Section 2.16 or Section 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, except to the extent that the entitlement to a greater payment results from a Change in Law after the Participant became a Participant.

(e) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other central bank and in the case of any Lender that is an Approved Fund, any pledge or assignment to any holders of obligations owed, or securities issued, by such Lender, including to any trustee for, or any other representative of, such holders, and this Section 9.04 shall not apply to any such pledge or assignment of a security interest; provided, that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or Assignee for such Lender as a party hereto.

(f) The Borrowers, upon receipt of written notice from the relevant Lender, agree to issue Notes to any Lender requiring Notes to facilitate transactions of the type described in clause (e) above.

(g) Notwithstanding the foregoing, any Conduit Lender may assign any or all of the Loans it may have funded hereunder to its designating Lender without the consent of the Borrowers or the Administrative Agent. Each of the Company, the Borrowers, each Lender and the Administrative Agent hereby confirms that it will not institute against a Conduit Lender or join any other person in instituting against a Conduit Lender any bankruptcy, reorganization, arrangement, insolvency or liquidation proceeding under any state bankruptcy or similar law, for one year and one day after the payment in full of the latest maturing commercial paper note issued by such Conduit Lender; provided, however, that each Lender designating any Conduit Lender hereby agrees to indemnify, save and hold harmless each other party hereto and each Loan Party for any loss, cost, damage or expense arising out of its inability to institute such a proceeding against such Conduit Lender during such period of forbearance.

(h) If the Borrowers wish to replace the Loans or Commitments under any Facility with ones having different terms, it shall have the option, with the consent of the Administrative Agent and subject to at least three (3) Business Days' advance notice to the Lenders under such Facility, instead of prepaying the Loans or reducing or terminating the Commitments to be replaced, to (i) require the Lenders under such Facility to assign such Loans or Commitments to the Administrative Agent or its designees and (ii) amend the terms thereof in accordance with Section 9.08 (with such replacement, if applicable, being deemed to have been made pursuant to Section 9.08(d)). Pursuant to any such assignment, all Loans and Commitments to be replaced shall be purchased at par (plus any applicable premium) (allocated among the Lenders under such Facility in the same manner as would be required if such Loans were being optionally prepaid or such Commitments were being optionally reduced or terminated by the Borrowers), accompanied by payment of any accrued interest and fees thereon and any amounts owing

pursuant to Section 9.05(b). By receiving such purchase price, the Lenders under such Facility shall automatically be deemed to have assigned the Loans or Commitments under such Facility pursuant to the terms of the form of Assignment and Acceptance attached hereto as Exhibit A, and accordingly no other action by such Lenders shall be required in connection therewith. The provisions of this clause (h) are intended to facilitate the maintenance of the perfection and priority of existing security interests in the Collateral during any such replacement.

(i) Notwithstanding anything to the contrary in this Agreement, including Section 2.18(c) (which provisions shall not be applicable to clauses (i) or (j) of this Section 9.04), any of the Company or its Subsidiaries, including the Borrowers, may purchase by way of assignment and become an Assignee with respect to Term Loans at any time and from time to time from Lenders in accordance with Section 9.04(b) hereof (each, a "Permitted Loan Purchase"); provided, that, in respect of any Permitted Loan Purchase, (A) no Permitted Loan Purchase shall be made from the proceeds of any extensions of credit under the Revolving Facility, (B) upon consummation of any such Permitted Loan Purchase, the Loans purchased pursuant thereto shall be deemed to be automatically and immediately cancelled and extinguished in accordance with Section 9.04(j), (C) in connection with any such Permitted Loan Purchase, any of the Company or its Subsidiaries, including the Borrowers and such Lender that is the assignor (an "Assignor") shall execute and deliver to the Administrative Agent a Permitted Loan Purchase Assignment and Acceptance (and for the avoidance of doubt, (x) shall make the representations and warranties set forth in the Permitted Loan Purchase Assignment and Acceptance and (y) shall not be required to execute and deliver an Assignment and Acceptance pursuant to Section 9.04(b)(ii)(B) and shall otherwise comply with the conditions to assignments under this Section 9.04) and (D) no Default or Event of Default would exist immediately after giving effect on a Pro Forma Basis to such Permitted Loan Purchase.

(j) Each Permitted Loan Purchase shall, for purposes of this Agreement be deemed to be an automatic and immediate cancellation and extinguishment of such Term Loans and the Company shall, upon consummation of any Permitted Loan Purchase, notify the Administrative Agent that the Register be updated to record such event as if it were a prepayment of such Loans.

(k) In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Company and the Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent, each Issuing Bank, each Ancillary Lender and any other Lender hereunder (and interest accrued thereon) and (y) acquire (and fund

as appropriate) its full pro rata share of all Loans and participations in Letters of Credit in accordance with its Revolving Facility Percentage; provided that notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under Applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Section 9.05 Expenses; Indemnity.

(a) The Borrowers jointly and severally agree to pay (i) all reasonable and documented out-of-pocket expenses (including Other Taxes) incurred by the Administrative Agent, the Collateral Agent or the Arrangers in connection with the preparation, negotiation, execution, delivery and administration of this Agreement and the other Loan Documents, or by the Administrative Agent or the Collateral Agent in connection with the syndication of commitments, the Term Loans (including the obtaining and maintaining of CUSIP numbers for the Loans) or the administration of this Agreement and any amendments, modifications or waivers of the provisions hereof or thereof, including (i) in connection with post-closing searches to confirm that security filings and recordations have been properly made and including any costs and expenses of the service provider referred to in Section 8.03, (ii) all reasonable out of pocket expenses incurred by the Issuing Bank in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder, (iii) expenses incurred in connection with due diligence, (iv) the reasonable fees, charges and disbursements of counsel for the Administrative Agent, the Collateral Agent and the Arrangers, and, if necessary, the reasonable fees, charges and disbursements of one local counsel per jurisdiction, and (v) all reasonable and documented out-of-pocket expenses (including Other Taxes) incurred by the Agents, any Issuing Bank, any Ancillary Lender, or any Lender in connection with the enforcement of their rights in connection with this Agreement and the other Loan Documents, in connection with the Loans made or the Letters of Credit issued hereunder, including the fees, charges and disbursements of a single counsel for all such persons, taken as a whole, and, if necessary, a single local counsel in each appropriate jurisdiction for all such persons, taken as a whole (and, in the case of an actual or perceived conflict of interest where such person affected by such conflict informs the Company of such conflict and thereafter retains its own counsel with the Company's prior written consent (not to be unreasonably withheld), of another firm of counsel for such affected person).

(b) The Borrowers jointly and severally agree to indemnify the Administrative Agent, the Collateral Agent, the Arrangers, the Joint Bookrunners, each Issuing Bank, each Ancillary Lender, each Lender, each of their respective Affiliates, successors and assigns, and each of their respective directors, officers, employees, agents, trustees, advisors and members (each such person being called an "Indemnitee") against, and to hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable counsel fees, charges and disbursements (excluding the allocated costs of in house counsel and limited to not more than one counsel for all such Indemnitees, taken as a whole, and, if necessary, a single local counsel in each appropriate jurisdiction for all such Indemnitees, taken as a whole (and, in the case of an

actual or perceived conflict of interest where the Indemnitee affected by such conflict informs the Company of such conflict and thereafter retains its own counsel with the Company's prior written consent (not to be unreasonably withheld), of another firm of counsel for such affected Indemnitee)), incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of any claim, litigation, investigation or proceeding, whether or not any Indemnitee is a party thereto and regardless of whether such matter is initiated by a third party or by the Company or any of the Subsidiaries or Affiliates, in each case, relating to (i) the execution or delivery of this Agreement or any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto and thereto of their respective obligations thereunder or the consummation of the Transactions and the other transactions contemplated hereby, (ii) the use of the proceeds of the Loans or the use of any Letter of Credit (including any refusal by any Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit) or the use of the Ancillary Facility, (iii) any violation of or liability under Environmental Laws by the Company or any Subsidiary, or (iv) any actual or alleged presence, Release or threatened Release of or exposure to Hazardous Materials at, under, on, from or to any property owned, leased or operated by the Borrowers or any Subsidiary; provided, that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from the gross negligence, bad faith or willful misconduct of such Indemnitee or any of its Related Parties, (y) arose from a material breach of such Indemnitee's or any of its Related Parties' obligations under any Loan Document (as determined by a court of competent jurisdiction in a final, non-appealable judgment), provided, that this subclause (y) shall not apply to the Collateral Agent or any of their Related Parties or (z) arose from any claim, actions, suits, inquiries, litigation, investigation or proceeding that does not involve an act or omission of the Company or any of its Affiliates and is brought by an Indemnitee against another Indemnitee (other than any claim, actions, suits, inquiries, litigation, investigation or proceeding against any Agent, Issuing Bank, Ancillary Lender, Swingline Lender or Arranger in its capacity as such). None of the Indemnitees (or any of their respective affiliates) shall be responsible or liable to the Company, the Borrowers or any of their respective subsidiaries, Affiliates or stockholders or any other person or entity for any special, indirect, consequential or punitive damages, which may be alleged as a result of the Facilities or the Transactions. The provisions of this Section 9.05 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent, the Collateral Agent, any Arranger, any Issuing Bank, any Ancillary Lender, or any Lender. All amounts due under this Section 9.05 shall be payable within 30 days after written demand therefor accompanied by reasonable documentation with respect to any reimbursement, indemnification or other amount requested.

(c) Except as expressly provided in Section 9.05(a) with respect to Other Taxes, which shall not be duplicative with any amounts paid pursuant to Section 2.17, this Section 9.05 shall not apply to any Taxes (other than Taxes that represent losses, claims, damages, liabilities and related expenses resulting from a non-Tax claim), which shall be governed exclusively by Section 2.17 and, to the extent set forth therein, Section 2.15.

(d) To the fullest extent permitted by Applicable Law, none of the Company, the Borrowers or the Subsidiaries shall assert, and hereby waive, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof. No Indemnitee shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.

(e) The agreements in this Section 9.05 shall survive the resignation of the Administrative Agent, the Collateral Agent, any Ancillary Lender, any Swingline Lender or any Issuing Bank, the replacement of any Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all the other Obligations and the termination of this Agreement.

Section 9.06 Right of Set-off.

If an Event of Default shall have occurred and be continuing, each Lender, each Ancillary Lender and each Issuing Bank is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other Indebtedness at any time owing by such Lender, such Ancillary Lender or such Issuing Bank to or for the credit or the account of the Company, the Borrowers or any Subsidiary against any of and all the obligations of the Company or the Borrowers or any Subsidiary now or hereafter existing under this Agreement or any other Loan Document held by such Lender, such Ancillary Lender or such Issuing Bank, irrespective of whether or not such Lender, such Ancillary Lender or such Issuing Bank shall have made any demand under this Agreement or such other Loan Document and although the obligations may be unmatured; provided, that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.22 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, each Issuing Bank, the Ancillary Lenders and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. Each Lender that exercises such right of set-off shall give prompt notice to the Company; provided that the failure to give such notice shall not affect the validity of such set-off and application. The rights of each Lender, each Ancillary Lender and each Issuing

Bank under this Section 9.06 are in addition to other rights and remedies (including other rights of set-off) that such Lender, such Ancillary Lender or such Issuing Bank may have. Any credit balances taken into account by an Ancillary Lender when operating a net limit in respect of any overdraft under an Ancillary Facility shall on enforcement of the Loan Documents be applied first in reduction of the overdraft provided under that Ancillary Facility in accordance with its terms.

Section 9.07 Applicable Law.

THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSES OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT (OTHER THAN AS EXPRESSLY SET FORTH IN OTHER LOAN DOCUMENTS) SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.

Section 9.08 Waivers; Amendment.

(a) No failure or delay of the Administrative Agent, any Issuing Bank, any Ancillary Lender or any Lender in exercising any right or power hereunder or under any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, each Issuing Bank, each Ancillary Lender, and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by the Company, the Borrowers or any other Loan Party therefrom shall in any event be effective unless the same shall be permitted by clause (b) below, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on the Company, the Borrowers or any other Loan Party in any case shall entitle such person to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except (x) as provided in Section 2.21, (y) in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Company, the Borrowers, the Administrative Agent and the Required Lenders (or, (A) in respect of any waiver, amendment or modification of Section 6.11 (or any Default or Event of Default in respect thereof) the Required TLA/RCF Lenders voting as a single Class, rather than the Required Lenders or (B) in respect of any waiver, amendment or modification of Section 4.01 after the Closing Date, the Required Revolving Facility Lenders voting as a single Class, rather than the Required Lenders, or (C) in respect of any waiver, amendment or modification of Section 2.11(b) or (c), the Required Prepayment Lenders, rather than the Required Lenders), and (z) in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by each Loan Party party thereto and the Administrative Agent and consented to by the Required Lenders and (aa) as set forth in the definition of GAAP; provided, however, that no such agreement shall:

(i) decrease or forgive the principal amount of, or extend the final maturity of, or decrease the rate of interest on, any Loan or any L/C Disbursement, or extend the stated expiration of any Letter of Credit beyond the applicable Revolving Facility Maturity Date (except as provided in Section 2.05(c)), without the prior written consent of each Lender directly adversely affected thereby (which, notwithstanding the foregoing, such consent of such Lender directly adversely affected thereby shall be the only consent required hereunder to make such modification); provided, that any amendment to the financial definitions in this Agreement shall not constitute a reduction in the rate of interest for purposes of this clause (i),

(ii) increase or extend the Commitment of any Lender, or decrease the Commitment Fees, L/C Participation Fees or any other Fees of any Lender without the prior written consent of such Lender (which, notwithstanding the foregoing, such consent of such Lender shall be the only consent required hereunder to make such modification); provided, that waivers or modifications of conditions precedent, covenants, Defaults or Events of Default, mandatory prepayments or of a mandatory reduction in the aggregate Commitments shall not constitute an increase or extension of the Commitments of any Lender for purposes of this clause (ii),

(iii) extend or waive any Term Loan Installment Date or reduce the amount due on any Term Loan Installment Date or extend any date on which payment of interest on any Loan or any L/C Disbursement or any Fees is due, without the prior written consent of each Lender directly adversely affected thereby (which, notwithstanding the foregoing, such consent of such Lender directly adversely affected thereby shall be the only consent required hereunder to make such modification),

(iv) amend the provisions of Section 7.02 with respect to the pro rata application of payments required thereby in a manner that by its terms modifies the application of such payments required thereby to be on a less than pro rata basis, without the prior written consent of each Lender adversely affected thereby (which, notwithstanding the foregoing, such consent of such Lender directly adversely affected thereby shall be the only consent required hereunder to make such modification),

(v) amend or modify the provisions of this Section 9.08 or the definition of the terms “Required Lenders,” “Majority Lenders,” “Required Revolving Facility Lenders,” “Required TLA/RCF Lenders” or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the prior written consent of each Lender adversely affected

thereby, in each case except, for the avoidance of doubt, as otherwise provided in Section 9.08(d) and (e) (it being understood that, with the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Lenders on substantially the same basis as the Loans and Commitments are included on the Closing Date),

(vi) release all or substantially all of the Collateral or all or substantially all of the value of the guarantees by the Company, the Borrowers or the Subsidiary Loan Parties, unless, in each case to the extent sold or otherwise disposed of in a transaction permitted by this Agreement, without the prior written consent of each Lender other than a Defaulting Lender,

(vii) effect any waiver, amendment or modification that by its terms adversely affects the rights in respect of payments or collateral of Lenders participating in any Facility differently from those of Lenders participating in another Facility, without the consent of the Majority Lenders participating in the adversely affected Facility except, for the avoidance of doubt, as otherwise provided in Section 9.08(d) and (e) (it being agreed that the Required Lenders may waive, in whole or in part, any prepayment or Commitment reduction required by Section 2.11 so long as the application of any prepayment or Commitment reduction still required to be made is not changed);

provided, further, that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent, the Collateral Agent, a Swingline Lender, an Ancillary Lender or an Issuing Bank hereunder without the prior written consent of the Administrative Agent, the Collateral Agent, such Swingline Lender, such Ancillary Lender or such Issuing Bank acting as such at the effective date of such agreement, as applicable. Each Lender shall be bound by any waiver, amendment or modification authorized by this Section 9.08 and any consent by any Lender pursuant to this Section 9.08 shall bind any Assignee of such Lender.

Notwithstanding anything to the contrary herein, no Defaulting Lender shall have the right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be affected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) the Commitment of any Defaulting Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender disproportionately adversely relative to other affected Lenders shall require the consent of such Defaulting Lender.

(c) Without the consent of any Lender, Swingline Lender, Ancillary Lender or Issuing Bank, the Loan Parties and the Administrative Agent and/or Collateral Agent may (in their respective sole discretion) enter into any amendment, modification or waiver of any Loan Document, or enter into any new agreement or instrument,

(i) to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties, to include holders of Other First Liens in the benefit of the Security Documents in connection with the incurrence of any Other First Lien Debt, or as required by local law (or with the advice of local counsel) to give effect to, or protect any security interest for the benefit of the Secured Parties, in any property or so that the security interests therein comply with Applicable Law or this Agreement or in each case to otherwise enhance the rights or benefits of any Lender under any Loan Document or to give effect to the provisions of Section 5.10(j);

(ii) to cause any Loan Document (other than this Agreement) to be consistent with this Agreement and the other Loan Documents; or

(iii) to the extent necessary to integrate any Incremental Term Loan Commitments or Incremental Revolving Facility Commitments in a manner consistent with Section 2.21, including, with respect to Other Revolving Loans or Other Term Loans, as may be necessary to establish such Incremental Term Loan Commitments or Revolving Facility Commitments as a separate Class or tranche from the existing Commitments or Incremental Revolving Facility Commitments (including to add syndication or documentation agents and make customary changes and references related thereto), as applicable, and, in the case of Extended Term Loans, to reduce the amortization schedule of the related existing Class of Term Loans proportionately, to integrate any Other First Lien Debt, and, in each case, such amendment shall become effective without any further action or consent of any other party to any Loan Document.

(d) Notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent, the Company and the Borrowers (a) to permit additional extensions of credit to be outstanding hereunder from time to time and the accrued interest and fees and other obligations in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans and the Revolving Facility Loans and the accrued interest and fees and other obligations in respect thereof and (b) to include appropriately the holders of such extensions of credit in any determination of the requisite lenders required hereunder, including Required Lenders, Required Prepayment Lenders and the Required Revolving Facility Lenders.

(e) Notwithstanding the foregoing, technical and conforming modifications to the Loan Documents (including to effect changes to the terms and conditions applicable solely to the Swingline Lenders or Issuing Banks in respect of issuances of Swingline Loans or Letters of Credit, respectively) may be made with the consent of the Company and the Administrative Agent (but without the consent of any Lender) to the extent necessary to cure any ambiguity, omission, mistake, defect or inconsistency (as reasonably determined by the Administrative Agent and the Borrower) and, provided that, any such technical and conforming modifications shall be deemed approved by the Required Lenders if Lenders shall have received at least five Business Days' prior written notice of such amendment and the Administrative Agent shall not have received, within five Business Days of the date of such notice to the Lenders, a written notice from the Required Lenders stating that the Required Lenders object to such amendment.

(f) Each of the parties hereto hereby agrees that the Administrative Agent may take any and all action as may be necessary to ensure that all Term Loans established pursuant to Section 2.21 after the Closing Date that will be included in an existing Class of Term Loans outstanding on such date (an "Applicable Date"), when originally made, are included in each Borrowing of outstanding Term Loans of such Class (the "Existing Class Loans"), on a pro rata basis, and/or to ensure that, immediately after giving effect to such new Term Loans (the "New Class Loans" and, together with the Existing Class Loans, the "Class Loans"), each Lender holding Class Loans will be deemed to hold its Pro Rata Share of each Class Loan on the Applicable Date (but without changing the amount of any such Lender's Term Loans), and each such Lender shall be deemed to have effectuated such assignments as shall be required to ensure the foregoing. The "Pro Rata Share" of any Lender on the Applicable Date is the ratio of (1) the sum of such Lender's Existing Class Loans immediately prior to the Applicable Date plus the amount of New Class Loans made by such Lender on the Applicable Date over (2) the aggregate principal amount of all Class Loans on the Applicable Date.

(g) With respect to the incurrence of any secured or unsecured Indebtedness (including any intercreditor agreement relating thereto), the Company may elect (in its discretion, but shall not be obligated) to deliver to the Administrative Agent a certificate of a Responsible Officer at least three Business Days prior to the incurrence thereof (or such shorter time as the Administrative Agent may agree in its reasonable discretion), together with either drafts of the material documentation relating to such Indebtedness or a description of such Indebtedness (including a description of the Liens intended to secure the same or the subordination provisions thereof, as applicable) in reasonably sufficient detail to be able to make the determinations referred to in this paragraph, which certificate shall either, at the Company's election, (x) state that the Company has determined in good faith that such Indebtedness satisfies the requirements of the applicable provisions of Section 6.01 and Section 6.02 (taking into account any other applicable provisions of this Section 9.08), in which case such certificate shall be conclusive evidence thereof, or (y) request the Administrative Agent to confirm, based on the information set forth in such certificate and any other information reasonably requested by the Administrative Agent, that such Indebtedness satisfies such requirements, in which case the Administrative Agent may determine whether, in its reasonable judgment, such requirements have been satisfied (in which case it shall deliver to the Company a written confirmation of the same), with any such determination of the Administrative Agent to be conclusive evidence thereof, and the Lenders hereby authorize the Administrative Agent to make such determinations.

(h) Notwithstanding the foregoing, this Agreement may be amended, waived or otherwise modified with the written consent of the Administrative Agent, the Company (i) and with respect to the provisions of Section 4.01, solely as they relate to the Revolving Facility Loans and Letters of Credit, the Required Revolving Facility Lenders, and (ii) and, with respect to the provisions of Section 6.11 (or Article VII or any other provision incorporating such Section 6.11 with respect to the effects thereof), the Required TLA/RCF Lenders voting as a single Class.

(i) Notwithstanding the foregoing, this Agreement may be amended, with the written consent of each Revolving Facility Lender or the Incremental Term Lender, as applicable, the Administrative Agent, the Company and the Borrowers to the extent necessary to integrate any Alternate Currency.

(j) Notwithstanding the foregoing, this Agreement may be amended, waived or otherwise modified with the written consent of the Company, the Administrative Agent, each applicable Swingline Lender or each applicable Issuing Bank with respect to any amendment or waiver solely affecting the rights or obligations of such Swingline Lender or such Issuing Bank, including the appointment of any additional Swingline Lender (and the establishment of its Swingline Commitment hereunder).

(k) Notwithstanding the foregoing:

(i) any redesignation or transfer of all or any part of a Commitment and/or a participation in any Loan from an existing tranche or Facility to another existing tranche or Facility and/or to a new tranche or Facility established as an Incremental Term Facility, Other Term Loans, Incremental Revolving Facility, Other Revolving Loans or Revolving Facility or pursuant to any other term of any of the Loan Documents (or any other similar or equivalent transaction) may be approved with the consent of the Lender(s) holding that Commitment and/or, as the case may be, participation (or part thereof) and the Company (without any requirement for any consent or approval from any other person) and in such cases, this Agreement may be amended, with the written consent of each such affected Lender, Incremental Revolving Facility Lender or the Incremental Term Lender, as applicable, the Administrative Agent and the Company,

(ii) no consent of any Lender, Ancillary Lender, any Agent, Issuing Bank or Swingline Lender is required to effect any amendment, amendment and restatement or supplement to the Intercreditor Agreement or other intercreditor agreement or intercreditor arrangement permitted under this Agreement that is for the purpose of adding the holders of any Indebtedness as expressly contemplated by the terms of the Intercreditor Agreement or such other intercreditor agreement or intercreditor arrangement permitted under this Agreement, as applicable (it being understood that any such amendment, amendment and restatement or supplement may make such other changes to the applicable intercreditor agreement as, in the good faith determination of the Administrative Agent, are required to effectuate the foregoing; provided that such other changes are not adverse, in any material respect, to the interests of the Lenders taken as a whole),

(iii) a Lender, an Agent, an Issuing Bank, Swingline Lender, Ancillary Lender and/or any Secured Party may unilaterally waive, relinquish or otherwise irrevocably give up all or any of its individual rights under any Loan Document with the consent of the Company, and

(iv) the consent of each Lender adversely affected shall be required for amendments to Section 2.18 (*Payments Generally; Pro Rata Treatment; Sharing of Set-offs*) and for amendments to cause the Liens securing the Facilities to be subordinated to any other Liens or for amendments to cause the obligations under the Facilities to be subordinated to any other Indebtedness, unless such other Indebtedness and Liens are offered to each Lender on a pro rata basis and with the same economics.

(l) In connection with any determination as to whether the Required Lenders, the majority in interest of any Class or any other requisite Lenders have (A) consented (or not consented) to any waiver, amendment or modification of any provision of this Agreement or any other Loan Document or any departure by any Loan Party therefrom, (B) otherwise acted on any matter related to this Agreement or any Loan Document or (C) directed or required the Administrative Agent, the Collateral Agent or any Lender to undertake any action (or refrain from taking any action) with respect to, or under, this Agreement or any other Loan Document, any Lender (other than an Excluded Lender) that, as a result of its interest (or its and its Covered Affiliates' collective interests) in any total return swap, total rate of return swap, credit default swap or other derivative contract (other than any such total return swap, total rate of return swap, credit default swap or other derivative contract entered into pursuant to bona fide market making activities), has a net short position with respect to any of the Loans or Commitments (each such Lender, a "Net Short Lender") shall have no right to vote any of its Loans and Commitments and shall be deemed to have voted its interest as a Lender without discretion in the same proportion as the allocation of voting with respect to such matter by Lenders who are not Net Short Lenders. In connection with any waiver, amendment or modification of this Agreement or the other Loan Documents, each Lender (other than any Excluded Lender) will be deemed to have represented to the Borrowers and the Administrative Agent that it does not constitute a Net Short Lender, in each case, unless such Lender shall have notified the Borrowers and the Administrative Agent prior to the requested response date with respect to such waiver, amendment or modification that it constitutes a Net Short Lender (it being understood and agreed that the Borrowers and the Administrative Agent shall be entitled to rely on each such representation and deemed representation). For purposes of this clause (l):

(i) "Covered Affiliate" means any Affiliate of a Lender (provided that for this purpose, Affiliates shall not include Persons that are subject to customary procedures to prevent the sharing of confidential information between such Lender and such Person if such Person has independent fiduciary duties to investors or other equityholders of such Person and such investors or equityholders are not the same as the investors or equityholders of such Lender).

(ii) "Excluded Lender" means (A) any Lender that is a Regulated Bank, (B) any Revolving Facility Lender as of the Closing Date and (C) any Affiliate of a Regulated Bank to the extent that (1) all of the equity of such Affiliate is directly or indirectly owned by either (I) such Regulated Bank or (II) a parent entity that also owns, directly or indirectly, all of the equity of such Regulated Bank and (2) such Affiliate is a securities broker or dealer registered with the SEC under section 15 of the Securities Exchange Act of 1934).

(iii) "Regulated Bank" means (a) any swap dealer registered with the U.S. Commodity Futures Trading Commission or security-based swap dealer registered with the U.S. Securities and Exchange Commission, as applicable or (b) a commercial bank that is (i) a U.S. depository institution the deposits of which are insured by the Federal Deposit Insurance Corporation; (ii) a corporation organized under section 25A of the U.S. Federal Reserve Act of 1913; (iii) a branch, agency or commercial lending company of a foreign bank operating pursuant to approval by and under the supervision of the Federal Reserve Board under 12 CFR part 211; (iv) a non-U.S. branch of a foreign bank managed and controlled by a U.S. branch referred to in clause (iii); or (v) any other U.S. or non-U.S. depository institution or any branch, agency or similar office thereof supervised by a bank regulatory authority in any jurisdiction.

(iv) For purposes of determining whether a Lender (alone or together with its Covered Affiliates) has a "net short position" on any date of determination: (i) derivative contracts with respect to the Loans and Commitments and such contracts that are the functional equivalent thereof shall be counted at the notional amount of such contract in Dollars, (ii) notional amounts in other currencies shall be converted to the Dollar equivalent thereof by such Lender in a commercially reasonable manner consistent with generally accepted financial practices and based on the prevailing conversion rate (determined on a mid-market basis) on the date of determination, (iii) derivative contracts in respect of an index that includes the Borrowers, any Parent Entities or any Subsidiary or any instrument issued or guaranteed by the Borrowers, any Parent Entities or any Subsidiary shall not be deemed to create a short position with respect to such Loans and Commitments, so long as (x) such index is not created, designed, administered or requested by such Lender or its Covered Affiliates and (y) the Borrowers, their Parent Entities and the other Subsidiaries and any instrument issued or guaranteed by such persons, collectively, shall represent less than 5% of the components of such index, (iv) derivative transactions that are documented using either the 2014 ISDA Credit Derivatives Definitions or the 2003 ISDA Credit Derivatives Definitions (collectively, the "ISDA CDS Definitions") shall be deemed to create a short position with respect to the relevant Loans and Commitments if such Lender or its Covered Affiliates is a protection buyer or the equivalent thereof for such derivative transaction and (x) the relevant Loans and Commitments is a "Reference Obligation" under the terms of such derivative transaction (whether specified by name in the related documentation, included as a "Standard Reference Obligation" on the most recent list published by Markit (or any successor entity), if "Standard Reference Obligation" is specified as applicable in the relevant documentation or in any other manner), (y) the relevant Loans and Commitments would be a "Deliverable Obligation" under the terms of such derivative transaction or (z) the Borrowers, any Parent Entities or any Subsidiary is designated as a "Reference

Entity" under the terms of such derivative transaction and (v) credit derivative transactions or other derivatives transactions not documented using the ISDA CDS Definitions shall be deemed to create a short position with respect to any Loans and Commitments if such transactions are functionally equivalent to a transaction that offers the Lender or its Covered Affiliates protection against a decline in the value of such Loans and Commitments, or in the credit quality of the Borrowers, any Parent Entity or any Subsidiary, in each case, other than as part of an index so long as (x) such index is not created, designed, administered or requested by such Lender or its Covered Affiliates and (y) any Parent Entity, the Borrowers and the Subsidiaries, and any instrument issued or guaranteed by such persons, collectively, shall represent less than 5% of the components of such index.

The Administrative Agent shall not (w) have a duty to inquire as to or investigate the accuracy of any representation or deemed representation made pursuant to this Section, (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Net Short Lender, (y) make any calculations, investigations or determinations with respect to any derivative contracts and/or net short positions or (z) have any liability with respect to or arising out of any assignment or participation of Loans and/or Commitments, or disclosure of confidential information, to any a Net Short Lender.

Section 9.09 Interest Rate Limitation.

Notwithstanding anything herein to the contrary, if at any time the applicable interest rate, together with all fees and charges that are treated as interest under Applicable Law (collectively, the "Charges"), as provided for herein or in any other document executed in connection herewith, or otherwise contracted for, charged, received, taken or reserved by any Lender, any Ancillary Lender or any Issuing Bank, shall exceed the maximum lawful rate (the "Maximum Rate") that may be contracted for, charged, taken, received or reserved by such Lender in accordance with Applicable Law, the rate of interest payable hereunder, together with all Charges payable to such Lender, such Ancillary Lender or such Issuing Bank, shall be limited to the Maximum Rate; provided, that such excess amount shall be paid to such Lender, such Ancillary Lender or such Issuing Bank on subsequent payment dates to the extent not exceeding the legal limitation.

Section 9.10 Entire Agreement.

This Agreement, the other Loan Documents and the agreements regarding certain Fees referred to herein constitute the entire contract between the parties relative to the subject matter hereof. Any previous agreement among or representations from the parties or their Affiliates with respect to the subject matter hereof is superseded by this Agreement and the other Loan Documents. Notwithstanding the foregoing, the Fee Letters shall survive the execution and delivery of this Agreement and remain in full force and effect. Nothing in this Agreement or in the other Loan Documents, expressed or implied, is intended to confer upon any party other than the parties hereto and thereto any rights, remedies, obligations or liabilities under or by reason of this Agreement or the other Loan Documents.

Section 9.11 Waiver of Jury Trial.

EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF ANY LEGAL PROCEEDING, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.11.

Section 9.12 Severability.

In the event any one or more of the provisions contained in this Agreement or in any other Loan Document should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

Section 9.13 Counterparts; Electronic Execution of Assignments and Certain Other Documents.

(a) This Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which, when taken together, shall constitute but one contract, and shall become effective as provided in Section 9.03. Delivery of an executed counterpart to this Agreement by electronic transmission pursuant to procedures approved by the Administrative Agent shall be as effective as delivery of a manually signed original.

(b) The words “execution,” “execute”, “signed,” “signature,” and words of like import in or related to any document to be signed in connection with this Agreement and the transactions contemplated hereby (including without limitation Assignment and Acceptances, amendments, Borrowing Requests, waivers and consents) shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any Applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the

New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that notwithstanding anything contained herein to the contrary the Administrative Agent is under no obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it. Without limiting the generality of the foregoing, the Borrowers and each other Loan Party hereby (i) agrees that, for all purposes, electronic images of this Agreement or any other Loan Documents (in each case, including with respect to any signature pages thereto) shall have the same legal effect, validity and enforceability as any paper original, and (ii) waives any argument, defense or right to contest the validity or enforceability of the Loan Documents based solely on the lack of paper original copies of any Loan Documents, including with respect to any signature pages thereto.

Section 9.14 Headings.

Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

Section 9.15 Jurisdiction; Consent to Service of Process.

(a) The Borrowers and each other Loan Party irrevocably and unconditionally agrees that it will not commence any action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, against the Administrative Agent, the Collateral Agent, any Issuing Bank, any Ancillary Lender, any Lender, or any Affiliate of the foregoing in any way relating to this Agreement or any other Loan Document or the transactions relating hereto or thereto, in any forum other than the courts of the State of New York sitting in New York County, and of the United States District Court of the Southern District of New York sitting in New York County, and any appellate court from any thereof, and each of the parties hereto irrevocably and unconditionally submits to the jurisdiction of such courts and agrees that all claims in respect of any such action, litigation or proceeding may be heard and determined in such New York State court or, to the fullest extent permitted by Applicable Law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action, litigation or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or in any other Loan Document shall affect any right that the Administrative Agent, the Collateral Agent, any Ancillary Lender, any Issuing Bank or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against any Borrower or any other Loan Party or its properties in the courts of any jurisdiction.

(b) Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the other Loan Documents in any New York State or federal court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) By the execution and delivery of this Agreement, each Loan Party agrees that service of process upon such Loan Party and written notice of said service to any Loan Party in accordance with the manner provided for notices in Section 9.01 shall be deemed in every respect effective service of process upon such Loan Party, in any such suit or proceeding. To the extent that any Loan Party has or hereafter may acquire any immunity from jurisdiction of any court of (i) any jurisdiction in which it owns or leases property or assets, or (ii) the United States or the State of New York or any political subdivision thereof or from any legal process (whether through service of notice, attachment prior to judgment, attachment in aid of execution, execution or otherwise) with respect to itself or its property and assets or this Agreement or any of the other Loan Documents or actions to enforce judgments in respect of any thereof, such Loan Party hereby irrevocably waives such immunity in respect of its obligations under the above-referenced documents, to the extent permitted by law. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

(d) Each of the Company and each Borrower as of the Closing Date hereby unconditionally appoints Corporation Service Company, with an office on the Closing Date at 80 State Street, Albany, NY, United States, 12207 - 2543 and its successors hereunder (the "Process Agent"), as its agent to receive on behalf of the Company and such Borrower and their respective property all writs, claims, process and summonses in any action or proceeding brought against it in the State of New York; provided, upon prior written notice to the Administrative Agent, each such Loan Party may unconditionally appoint, in lieu of the foregoing Process Agent, C T Corporation System, with an office on the Closing Date at 80 State Street, Albany, NY, United States, 12207 – 2543 and its successors hereunder (the "Replacement Process Agent"), as its agent to receive on behalf of the Company and such Borrower and their respective property all writs, claims, process and summonses in any action or proceeding brought against it in the State of New York. Such service may be made by mailing or delivering a copy of such process to the Company or the respective Borrower (as applicable) in care of the Process Agent (or the Replacement Process Agent, as applicable) at the address specified above for the Process Agent (or the Replacement Process Agent, as applicable), and each of the Company and each Borrower irrevocably authorizes and directs the Process Agent (or the Replacement Process Agent, as applicable) to accept such service on its behalf. Failure by the Process Agent (or the Replacement Process Agent, as applicable) to give notice to the Company or a Borrower or failure of the Company or any Borrower to receive notice of such service of process shall not impair or affect the validity of such service on the Process Agent (or the Replacement Process Agent, as applicable) or the Company or a Borrower, or of any judgment based thereon. the Company and each Borrower each covenant and agree that it shall take any and all reasonable action, including the execution and filing of any and all documents, that may be necessary to continue the delegation of the Process Agent (or the Replacement Process Agent, as applicable) above in full force and effect, and to cause the Process Agent (or the Replacement Process Agent, as applicable) to act as such. Nothing herein shall in any way be deemed to limit the ability to serve any such writs, process or summonses in any other manner permitted by Applicable Law.

Section 9.16 Confidentiality.

Each of the Lenders, each Ancillary Lender, each Issuing Bank and each of the Agents agrees that it shall maintain in confidence any information relating to the Company, any Parent Entity, the Borrowers and any Subsidiary furnished to it by or on behalf of the Company, any Parent Entity, the Borrowers or any Subsidiary (other than information that (a) has become generally available to the public other than as a result of a disclosure by such party, (b) has been independently developed by such Lender, such Ancillary Lender, such Issuing Bank or such Agent without violating this Section 9.16 or (c) was available to such Lender, such Ancillary Lender, such Issuing Bank or such Agent from a third party having, to such person's knowledge, no obligations of confidentiality to the Company, any Parent Entity, the Borrowers or any other Loan Party) and shall not reveal the same other than to its directors, trustees, officers, employees, agents and advisors with a need to know and any numbering, administration or settlement service providers or to any person that approves or administers the Loans on behalf of such Lender (so long as each such person shall have been instructed to keep the same confidential in accordance with this Section 9.16), except: (A) to the extent necessary to comply with law or any legal process or the requirements of any Governmental Authority, the National Association of Insurance Commissioners or of any securities exchange on which securities of the disclosing party or any Affiliate of the disclosing party are listed or traded, (B) as part of normal reporting or review procedures to, or examinations by, Governmental Authorities or self-regulatory authorities, including the National Association of Insurance Commissioners or the Financial Industry Regulatory Authority, Inc., (C) to its parent companies, Affiliates or auditors (so long as each such person shall have been instructed to keep the same confidential in accordance with this Section 9.16), (D) in order to enforce its rights under any Loan Document in a legal proceeding, (E) to any pledgee under Section 9.04(e) or any other prospective assignee of, or prospective Participant in, any of its rights under this Agreement (so long as such person shall have been instructed to keep the same confidential in accordance with this Section 9.16), (F) to any direct or indirect contractual counterparty in Hedging Agreements or such contractual counterparty's professional advisor (so long as such contractual counterparty or professional advisor to such contractual counterparty agrees to be bound by the provisions of this Section 9.16) and (G) to any rating agency for the purpose of obtaining a credit rating applicable to any Lender (so long as such disclosure is limited to the material terms of the Facilities and such agency agrees to be bound by the provisions of this Section 9.16 or terms substantially similar to this Section); provided that, in the case of clauses (E) and (F) and solely to the extent that the list of Ineligible Institutions has been made available to all Lenders, no information may be provided to any Ineligible Institution or person who is known to be acting for an Ineligible Institution. To the extent permitted by section 275 of the Australian PPSA, the parties agree to keep all information of the kind mentioned in section 275(1) and 275(4) of the Australian PPSA confidential and not to disclose that information to any other person, other than to the extent permitted hereunder.

Section 9.17 Platform; Borrower Materials.

The Borrowers hereby acknowledge that (a) the Administrative Agent and/or the Arrangers will make available to the Lenders, the Ancillary Lenders and the Issuing Banks materials and/or information provided by or on behalf of the Borrowers hereunder (collectively, "Borrower Materials") by posting the Borrower Materials on IntraLinks or another similar electronic system (the "Platform"), and (b) certain of the Lenders may be "public-side" Lenders (i.e., Lenders that do not wish to receive material non-public information with respect to the Company, the Borrowers or their securities) (each, a "Public Lender"). The Company and the Borrowers hereby agree that they will use commercially reasonable efforts to identify that portion of the Borrower Materials that may be distributed to the Public Lenders and that (i) all such Borrower Materials shall be clearly and conspicuously marked "PUBLIC" which, at a minimum, shall mean that the word "PUBLIC" shall appear prominently on the first page thereof, (ii) by marking Borrower Materials "PUBLIC," the Company and the Borrowers shall be deemed to have authorized the Administrative Agent, the Arrangers, the Ancillary Lenders, the Issuing Banks and the Lenders to treat such Borrower Materials as solely containing information that is either (A) publicly available information or (B) not material (although it may be sensitive and proprietary) with respect to the Company, the Borrowers or their securities for purposes of United States Federal and state securities laws (provided, however, that such Borrower Materials shall be treated as set forth in Section 9.16, to the extent such Borrower Materials constitute information subject to the terms thereof), (iii) all Borrower Materials marked "PUBLIC" are permitted to be made available through a portion of the Platform designated "Public Investor;" and (iv) the Administrative Agent and the Arrangers shall be entitled to treat any Borrower Materials that are not marked "PUBLIC" as being suitable only for posting on a portion of the Platform not designated "Public Investor."

Section 9.18 Release of Liens and Guarantees.

(a) The Lenders, the Ancillary Lenders, the Issuing Banks and the other Secured Parties hereby irrevocably agree that the Liens granted to the Collateral Agent by the Loan Parties on any Collateral and guarantees provided by the Guarantors under the Guarantee Agreement shall be automatically released: (i) in full upon the occurrence of the Termination Date as set forth Section 9.18(c) below; (ii) in the case of Liens, upon the Disposition of such Collateral by any Loan Party to a person that is not (and is not required to become) a Loan Party in a transaction not prohibited by this Agreement (and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Loan Party upon its reasonable request without further inquiry), provided that, for the avoidance of doubt, with respect to any disposal consisting of an operating lease or license, the underlying property retained by such Loan Party will not be so released, (iii) to the extent that such Collateral comprises property leased to a Loan Party, upon termination or expiration of such lease (and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Loan Party upon its reasonable request without further inquiry), (iv) if the release of such Lien or Guarantee is approved, authorized or ratified in writing by the Required Lenders (or such other percentage of the Lenders whose consent may be required in accordance with Section 9.08), (v) to the extent that the property constituting such Collateral is owned by any Guarantor, upon the release of such Guarantor

from its obligations under the Guarantee in accordance with the provisions of this Agreement and the Guarantee Agreement (and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Loan Party upon its reasonable request without further inquiry), (vi) as provided in Section 8.12 (and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Loan Party upon its reasonable request without further inquiry), (vii) in the case of Guarantee in accordance with the terms of this Agreement or any other Loan Documents and (viii) as required by the Collateral Agent to effect any Disposition of Collateral in connection with any exercise of remedies of the Collateral Agent pursuant to the Security Documents. Any such release (other than pursuant to clause (i) above) shall not in any manner discharge, affect, or impair the Obligations, Guarantees or any Liens (other than those being released) upon (or obligations (other than those being released) of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any Disposition, all of which shall continue to constitute part of the Collateral except to the extent otherwise released in accordance with the provisions of the Loan Documents; provided that for the avoidance of doubt, a Guarantor shall not be automatically released from its guarantee upon becoming a non-Wholly Owned Subsidiary unless the relevant disposition or issuance was to an unaffiliated third party (as reasonably determined by the Company in good faith) for fair market value and for a bona fide business purpose and no Guarantor shall be released from its guarantee if such Guarantor continues to guarantee any other Material Indebtedness of the Borrowers.

(b) Upon the request of the Company, the Collateral Agent, the Administrative Agent and/or the Lenders shall, execute and deliver any required guarantee or security release and/or amendment of the Security Documents, in each case, to the extent reasonably required by the Company (and the Collateral Agent and the Administrative Agent may rely conclusively on a certificate to that effect provided to it by any Loan Party upon its reasonable request without further inquiry) to comply with the provisions of, Section 5.10 and the Agreed Guarantee and Security Principles.

(c) The Lenders, the Ancillary Lenders, the Issuing Banks and the other Secured Parties hereby authorize the Administrative Agent and the Collateral Agent, as applicable, to execute and deliver any instruments, documents, and agreements necessary or desirable to evidence and confirm the release of any Guarantor or Collateral pursuant to the foregoing provisions of this Section 9.18 and to return to the Company or the Borrowers all possessory collateral (including share certificates (if any)) held by it in respect of any Collateral so released, all without the further consent or joinder of any Lender or any other Secured Party. Any representation, warranty or covenant contained in any Loan Document relating to any such Collateral or Guarantor shall no longer be deemed to be made. In connection with any release hereunder, the Administrative Agent and the Collateral Agent shall promptly (and the Secured Parties hereby authorize the Administrative Agent and the Collateral Agent to) take such action and execute any such documents as may be reasonably requested by the Company and at the Company's expense in connection with the release of any Liens created by any Loan Document in respect of such Subsidiary, property or asset; provided, that the Administrative Agent shall have received a certificate of a Responsible Officer of the Company containing such certifications as the Administrative Agent shall reasonably request and any such release shall be without recourse to or warranty by the Administrative Agent or Collateral Agent.

(d) Notwithstanding anything to the contrary contained herein or any other Loan Document, on the Termination Date, all Liens granted to the Collateral Agent by the Loan Parties on any Collateral and all obligations of the Borrowers and the other Loan Parties under any Loan Documents (other than such obligations that expressly survive the Termination Date pursuant to the terms hereof) shall, in each case, be automatically released and, upon request of the Company, the Administrative Agent and/or the Collateral Agent, as applicable, shall (without notice to, or vote or consent of, any Secured Party) take such actions as shall be required to evidence the release its security interest in all Collateral (including returning to the Company or the Borrowers all possessory collateral (including all share certificates (if any)) held by it in respect of any Collateral), and to evidence the release of all obligations under any Loan Document (other than such obligations that expressly survive the Termination Date pursuant to the terms hereof), whether or not on the date of such release there may be any (i) obligations in respect of any Secured Hedge Agreements or any Secured Cash Management Agreements and (ii) any contingent indemnification obligations or expense reimburse claims not then due; provided, that the Administrative Agent shall have received a certificate of a Responsible Officer of the Company containing such certifications as the Administrative Agent shall reasonably request. Any such release of obligations shall be deemed subject to the provision that such obligations shall be reinstated if after such release any portion of any payment in respect of the obligations guaranteed thereby shall be rescinded, avoided, or must otherwise be restored or returned upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrowers or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrowers or any Guarantor or any substantial part of its property, or otherwise, all as though such payment had not been made. The Borrowers agree to pay all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent or the Collateral Agent (and their respective representatives) in connection with taking such actions to release security interest in all Collateral and all obligations under the Loan Documents as contemplated by this Section 9.18(d).

(e) Subject to the terms of the Intercreditor Agreement, Obligations of the Company or the Borrowers or any of its Subsidiaries under any Secured Cash Management Agreement or Secured Hedge Agreement (after giving effect to all netting arrangements relating to such Secured Hedge Agreements) shall be secured and guaranteed pursuant to the Security Documents only to the extent that, and for so long as, the other Obligations are so secured and guaranteed. No person shall have any voting rights under any Loan Document solely as a result of the existence of obligations owed to it under any such Secured Hedge Agreement or Secured Cash Management Agreement. For the avoidance of doubt, no release of Collateral or Guarantors effected in the manner permitted by this Agreement shall require the consent of any holder of obligations under Secured Hedge Agreements or any Secured Cash Management Agreements.

Section 9.19 Judgment Currency.

If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrowers in respect of any such sum due from it to the Administrative Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the Borrowers in the Agreement Currency, such Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to such Borrowers (or to any other person who may be entitled thereto under Applicable Law).

Section 9.20 USA PATRIOT Act and Beneficial Ownership Regulation. Each Lender that is subject to the USA PATRIOT Act and the Beneficial

Ownership Regulation and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrowers that pursuant to the requirements of the USA PATRIOT Act and the Beneficial Ownership Regulation, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the USA PATRIOT Act and the Beneficial Ownership Regulation.

Section 9.21 No Advisory or Fiduciary Responsibility.

In connection with all aspects of each transaction contemplated hereby, the Company and the Borrowers acknowledge and agree that: (i) the credit facilities provided for hereunder and any related arranging or other services in connection therewith (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document) are an arm's length commercial transaction between the Company, Borrowers, the other Loan Parties and their respective Affiliates, on the one hand, and the Agents, the Arrangers and the Lenders, on the other hand, and the Company, the Borrowers and the other Loan Parties are capable of evaluating and understanding and understand and accept the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents (including any amendment, waiver or other

modification hereof or thereof); (ii) in connection with the process leading to such transaction, each Agent, each Arranger and each Lender is and has been acting solely as a principal and is not the financial advisor, agent or fiduciary, for the Borrowers, any Loan Party or any of their respective Affiliates, stockholders, creditors or employees or any other person; (iii) none of the Agents, any Arranger or any Lender has assumed or will assume an advisory, agency or fiduciary responsibility in favor of the Company, the Borrowers or any other Loan Party with respect to any of the transactions contemplated hereby or the process leading thereto, including with respect to any amendment, waiver or other modification hereof or of any other Loan Document (irrespective of whether any Agent, any Joint Lead Bookrunner or any Lender has advised or is currently advising the Company, the Borrowers or any other Loan Party or their respective Affiliates on other matters) and none of the Agents, any Arranger or any Lender has any obligation to the Borrowers, the other Loan Parties or their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; (iv) the Agents, the Arrangers, the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Company, the Borrowers and the other Loan Parties and their respective Affiliates, and none of the Agents, any Arranger or any Lender has any obligation to disclose any of such interests by virtue of any advisory, agency or fiduciary relationship; and (v) the Agents, the Arrangers and the Lenders have not provided and will not provide any legal, accounting, regulatory or tax advice with respect to any of the transactions contemplated hereby (including any amendment, waiver or other modification hereof or of any other Loan Document) and the Borrowers and the other Loan Parties have consulted their own legal, accounting, regulatory and tax advisors to the extent they deemed appropriate. The Company and the Borrowers each hereby waives and releases, to the fullest extent permitted by law, any claims that it may have against the Agents, the Arrangers and the Lenders with respect to any breach or alleged breach of agency or fiduciary duty.

Section 9.22 Agency of the Company for the Borrowers.

Each Borrower hereby designates the Company as its borrower representative (the "Borrower Representative"). The Borrower Representative will be acting as agent on each of the Borrowers behalf for the purposes of issuing notices of Borrowing and notices of conversion/continuation of any Loans pursuant to Section 2.14(a) or similar notices, giving instructions with respect to the disbursement of the proceeds of the Loans, selecting interest rate options, requesting Letters of Credit, giving and receiving all other notices and consents hereunder or under any of the other Loan Documents and taking all other actions (including in respect of compliance with covenants and certifications) on behalf of any Borrower or the Borrowers under the Loan Documents. The Borrower Representative hereby accepts such appointment. Each Borrower agrees that each notice, election, representation and warranty, covenant, agreement and undertaking made on its behalf by the Borrower Representative shall be deemed for all purposes to have been made by such Borrower and shall be binding upon and enforceable against such Borrower to the same extent as if the same had been made directly by such Borrower.

Section 9.23 No Liability of the Issuing Banks.

The Borrowers assume all risks of the acts or omissions of any beneficiary or transferee of any Letter of Credit with respect to its use of such Letter of Credit. Neither any Issuing Bank nor any of its officers or directors shall be liable or responsible for: (a) the use that may be made of any Letter of Credit or any acts or omissions of any beneficiary or transferee in connection therewith; (b) the validity, sufficiency or genuineness of documents, or of any endorsement thereon, even if such documents should prove to be in any or all respects invalid, insufficient, fraudulent or forged; (c) payment by such Issuing Bank against presentation of documents that do not comply with the terms of a Letter of Credit, including failure of any documents to bear any reference or adequate reference to the Letter of Credit; or (d) any other circumstances whatsoever in making or failing to make payment under any Letter of Credit, except that the Borrowers shall have a claim against such Issuing Bank, and such Issuing Bank shall be liable to the Borrowers, to the extent of any direct, but not consequential, damages suffered by the Borrowers that the Borrowers prove were caused by (i) such Issuing Bank's willful misconduct or gross negligence as determined in a final, non-appealable judgment by a court of competent jurisdiction in determining whether documents presented under any Letter of Credit comply with the terms of the Letter of Credit or (ii) such Issuing Bank's willful failure to make lawful payment under a Letter of Credit after the presentation to it of a draft and certificates strictly complying with the terms and conditions of the Letter of Credit. In furtherance and not in limitation of the foregoing, such Issuing Bank may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary.

Section 9.24 Acknowledgement and Consent to Bail-In of Affected Financial Institutions

Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder that may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

Section 9.25 Co-Borrowers and Flutter Finance; Additional Borrowers and Guarantors.

(a) Notwithstanding anything to the contrary contained in this Agreement, the parties hereto agree that the Co-Borrower shall be a co-borrower with respect to all Loans and other Obligations of the TLB Borrower hereunder, and each reference herein to the "TLB Borrower" with respect to any Loans or Obligations of the TLB Borrower hereunder shall be deemed to be a reference to each of the TLB Borrower and the Co-Borrower, jointly and severally. Each of the TLB Borrower and the Co- Borrower shall be jointly and severally liable for all such Loans and other Obligations, regardless of which Borrower actually receives the benefit thereof or the manner in which they account for such Loans and Obligations on their books and records. Upon the commencement and during the continuation of any Event of Default, the Agents and the applicable Lenders may (in accordance with the terms of this Agreement and the other Loan Documents) proceed directly and at once, without notice, against the TLB Borrower or the Co-Borrower, or all of them, to collect and recover the full amount, or any portion of, such Obligations, without first proceeding against the other Borrower or any other person, or any security or collateral for such Obligations. Each Borrower consents and agrees that neither the Agents nor the Lenders shall be under any obligation to marshal any assets in favor of any Borrower or against or in payment of any or all of such Obligations.

(b) From time to time, and with ten Business Days' notice to the Administrative Agent (or such shorter period as the Administrative Agent may agree) (the "Joinder Date"), the Company may cause one or more additional direct or indirect Wholly Owned Subsidiaries (other than an Excluded Subsidiary) organized or incorporated under the laws of England & Wales, any state of the United States of America, Ireland, the Netherlands or any other jurisdiction approved by all of the Lenders (for the avoidance of doubt, other than any Defaulting Lender) with a Commitment under the Facilities in respect of which it will become a Borrower, to become a Borrower (other than with respect to any Term B Loans existing at the time of such election) hereunder by delivering, or causing to be delivered, to the Administrative Agent in respect of each applicable Subsidiary, the following: (i) a joinder agreement in form and substance reasonably satisfactory to the Administrative Agent, executed and delivered by such Subsidiary, (ii) Notes (or replacement Notes as applicable) dated as of the applicable Joinder Date payable to each applicable Lender for which an existing Note is outstanding on such Joinder Date, (iii) a written confirmation by the Loan Parties that their guarantee obligations shall apply to the obligations of such Subsidiary under the Loan Documents from and after the Joinder Date, (iv) all documentation and information as is reasonably requested by the Lenders, prior to

the Joinder Date, as required under "know your customer" rules and regulations and (v) such other approvals or documents as the Administrative Agent may reasonably request; provided that (x) no Subsidiary may become a Borrower hereunder pursuant to this Section 9.25 if a Default or Event of Default shall have occurred and be continuing on the applicable Joinder Date, or shall result from the joinder of such Subsidiary as a Borrower on such Joinder Date; provided further that if, following receipt of "know your customer" information, any Lender concludes that the relevant Subsidiary constitutes a 'relevant financial institution' for the purposes of Article 2 of The Financial Services and Markets Act 2000 (Excluded Activities and Prohibitions) Order 2014, all the Lenders approve the addition of that Subsidiary.

(c) Once a person has become a Borrower, it (i) shall be a "Borrower" in respect of the applicable Class and will have the right to request Revolving Facility Loans, Letters of Credit or Term Loans of such Class, as the case may be, in accordance with Article II hereof until the earlier to occur of the Revolving Facility Maturity Date or the Term Facility Maturity Date for such Class, as applicable, or the date on which such Borrower resigns as a Borrower in accordance with Section 9.25(d) and (ii) shall be deemed a Borrower for all purposes of Article II of this Agreement with respect to Loans made to such Borrower, unless the context requires otherwise.

(d) A Borrower may elect to resign as a Borrower if all of the Obligations of such Borrower have been paid in full or assigned to another Borrower pursuant to documentation satisfactory to the Administrative Agent; provided that: (i) no Default or Event of Default is continuing or would result from the resignation of such Borrower; (ii) such resigning Borrower has delivered to the Administrative Agent a notice of resignation; and (iii) where that Borrower is also a Guarantor (unless its Guarantee is being released in accordance with Section 9.18), its obligations in its capacity as Guarantor continue to be legal, valid, binding and enforceable and in full force and effect. Upon satisfaction of the requirements in subclauses (i), (ii) and (iii) of this clause (d), the relevant Borrower shall cease to be a Borrower.

(e) Upon execution and delivery by the Administrative Agent and any Subsidiary that elects to become a party hereto as Guarantor of an instrument substantially in the form of Exhibit I of the Guarantee Agreement (or another instrument reasonably satisfactory to the Administrative Agent and the Company), such Subsidiary shall become a Subsidiary Loan Party hereunder with the same force and effect as if originally named as a Subsidiary Loan Party herein.

(f) The Company may request that a Guarantor (other than the Company) ceases to be a Guarantor by delivering to the Administrative Agent a Resignation Letter; provided that the Administrative Agent shall accept a Resignation Letter and notify the Company and the Lenders of its acceptance if: (i) the Company is, and will immediately following such resignation be, in compliance with the Guarantor Coverage Test, (ii) that Guarantor is not, or will not be from the resignation date, a Borrower, and (iii) no Default is continuing or would result from the acceptance of the Resignation Letter (and the Company has confirmed this is the case).

Section 9.26 Representation of a Dutch Loan Party.

If, in respect of a Dutch Loan Party, this Agreement or any other Transaction Document is signed or executed by another person (a "Dutch Attorney-in- Fact") acting on behalf of such Dutch Loan Party pursuant to a power of attorney executed and delivered by such Dutch Loan Party, it is hereby expressly acknowledged and accepted in accordance with article 14 of the Hague Convention on the Law Applicable to Agency of 14 March 1978 by the other parties to this Agreement or any other Transaction Document that the existence and extent of such Attorney-in-Fact's authority and the effects of such Dutch Attorney-in-Fact's exercise or purported exercise of his or her authority shall be governed by the laws of the Netherlands.

Section 9.27 Application of Gaming Laws.

(a) This Agreement and the other Loan Documents are subject to Gaming Laws. Without limiting the foregoing and notwithstanding anything herein or in any other Loan Document to the contrary, the Lenders, Agents and Secured Parties acknowledge that (i) they are subject to the jurisdiction of the Gaming Authorities, in their discretion, for licensing, qualification or findings of suitability or to file or provide other information, and (ii) all rights, remedies and powers in or under this Agreement and the other Loan Documents, including with respect to the Collateral (including the pledge and delivery of the Pledged Collateral (as defined in the applicable Security Documents)) and the ownership and operation of facilities, are, in each case, subject to the jurisdiction of the Gaming Authorities, and may be exercised only to the extent that the exercise thereof does not violate any applicable provisions of the Gaming Laws and only to the extent that required approvals (including prior approvals) are obtained from the relevant Gaming Authorities.

(b) The Lenders, Agents and Secured Parties agree to cooperate with all Gaming Authorities in connection with the provision in a timely manner of such documents or other information as may be requested by such Gaming Authorities relating to the Loan or Loan Documents.

(c) The Lenders acknowledge and agree that if any Borrower receives a notice from any applicable Gaming Authority that any Lender is a Disqualified holder (and such Lender is notified by the Company or any Borrower in writing of such Disqualification), the Company or any Borrower shall, following any available appeal of such determination by such Gaming Authority (unless the rules of the applicable Gaming Authority do not permit such Lender to retain its Loans or Commitments pending appeal of such determination), have the right to (i) cause such Disqualified holder to transfer and assign, without recourse all of its interests, rights and obligations in its Loans and Commitments or (ii) in the event that (A) a Borrower is unable to assign such Loan or Commitments after using its best efforts to cause such an assignment and (B) no Default or Event of Default has occurred and is continuing, prepay such Disqualified holder's Loan and terminate such Disqualified holder's Commitments, as applicable. Notice to such Disqualified holder shall be given ten days prior to the required date of assignment or prepayment, as the case may be, and shall be accompanied by evidence demonstrating that

such transfer or prepayment is required pursuant to Gaming Laws. If reasonably requested by any Disqualified holder, the Company or any Borrower will use commercially reasonable efforts to cooperate with any such holder that is seeking to appeal such determination and to afford such holder an opportunity to participate in any proceedings relating thereto. Notwithstanding anything herein to the contrary, any prepayment of a Loan shall be at a price that, unless otherwise directed by a Gaming Authority, shall be equal to the sum of the principal amount of such Loan and interest to the date on which such Lender or holder became a Disqualified holder (plus any fees and other amounts accrued for the account of such Disqualified holder to the date such Lender or holder became a Disqualified holder).

(d) If during the existence of an Event of Default hereunder or any of the other Loan Documents, it shall become necessary or, in the opinion of the Administrative Agent, advisable for an agent, supervisor, receiver or other representative of the Lenders to become licensed or found qualified under any Gaming Law as a condition to receiving the benefit of any Collateral encumbered by the Loan Documents or to otherwise enforce the rights of the Agents, Secured Parties and the Lenders under the Loan Documents, the Company hereby agrees to consent to the application for such license or qualification and to execute such further documents as may be required in connection with the evidencing of such consent.

(i) each Secured Party with the benefit of the security interest need not comply with sections 95, 118, 121(4), 125, 130, 132(3)(d) or 132(4) of the Australian PPSA; and

(ii) sections 142 and 143 of the Australian PPSA are excluded;

(b) For the purposes of section 115(7) of the Australian PPSA, each Secured Party with the benefit of the security interest need not comply with sections 132 and 137(3);

However, this Section does not apply to a right, power or remedy which can only be exercised under the Australian PPSA.

Section 9.29 Acknowledgment Regarding Any Supported QFCs

In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support: and

(b) As used in this Section 9.29, the following terms have the following meanings:

(i) terms defined in the Senior Facilities Agreement shall have the same meaning when used in this Agreement (unless separately defined in this Agreement); and

(ii) the provisions of section 1.02 (*Terms Generally*) of the Senior Facilities Agreement apply to this Agreement as though they were set out in full in this Agreement (except that references to the Senior Facilities Agreement are to be construed as references to this Agreement).

Following the Senior Lender Discharge Date, references in this Agreement to any term being defined by reference to a definition in, or the provisions of section 1.02 (*Terms Generally*) of, the Senior Facilities Agreement shall:

(A) be construed as a reference to the relevant definition in, or the provisions of such clause of, the Senior Facilities Agreement as at the Senior Lender Discharge Date; or

(B) if required by the Parent, be construed as a reference to any equivalent term or terms in, or provision or provisions of, any other Secured Debt Documents which remain in existence (in each case as notified in writing by the Parent to the Security Agent from time to time).

(t) Notwithstanding anything to the contrary in this Agreement or any other Debt Document, nothing in this Agreement or any Debt Document shall prohibit a non-cash contribution of any asset (including, without limitation, any participation, claim, commitment, rights, benefits and/or obligations in respect of any Liabilities and/or any other indebtedness borrowed or issued by any member of the Group from time to time) to the Parent (and subsequently any other members of the Group).

(u) If the terms of any Secured Debt Document:

(i) do not require the relevant Agent, Creditors or Operating Facility Lenders to provide approval (or deem approval to have been provided) for a particular matter, step or action (for the avoidance of doubt, excluding any such terms which expressly entitle the relevant Agent, Creditors or Operating Facility Lenders to withhold their approval for that matter, step or action); or

(ii) do not seek to regulate a particular matter, step or action (which shall be the case if the relevant matter, step or action is not the subject of an express requirement or restriction in that Secured Debt Document),

for the purpose of this Agreement that matter, step or action shall not be prohibited by the terms of that Secured Debt Document.

(v) In determining whether any indebtedness or other amount (including, without limitation, any Debt Refinancing, any Permitted Senior Financing Debt, any Permitted Second Lien Financing Debt and any Permitted Parent Financing Debt) is prohibited by the terms of any Debt Document, the terms of any Debt Documents which:

(i) relate to any Liabilities which are to be refinanced or otherwise replaced with such indebtedness or other amount; or

(ii) will not exist or will cease to be in effect on the date on which such indebtedness or other amount is incurred by a member of the Group,

shall not be taken into account.

(w) In determining whether or not any Liabilities have been fully and finally discharged, contingent liabilities (such as the risk of clawback flowing from a preference) will be disregarded, except to the extent that there is a reasonable likelihood that those liabilities will become actual liabilities.

(x) For the avoidance of doubt and notwithstanding anything to the contrary in this Agreement or any other Debt Document, nothing in this Agreement shall prohibit any debt exchange, non-cash rollover or other similar or equivalent transaction in relation to any Liabilities.

(y) If there is any conflict between the terms of this Agreement and any other Debt Document, the terms of this Agreement will prevail (save to the extent that to do so would result in or have the effect of any member of the Group contravening any applicable law or regulation, or present a material risk of liability for any member of the Group and/or its directors or officers, or give rise to a material risk of breach of fiduciary or statutory duties).

(z) Notwithstanding anything to the contrary in this Agreement or any other Debt Document, no payments made by or amounts received or recovered from a CFC shall be applied to any obligations of a US Person (whether under Clause 14 (*Application of Proceeds*) or otherwise).

(bb) For the avoidance of doubt, any notification given by a Secured Party pursuant to paragraph (h) of Clause 17.1 (*Appointment by Secured Parties*) shall apply to any provision of this Agreement setting out an authorisation of, and/or giving a power of attorney to, the Security Agent to sign or execute a document on behalf of any other Secured Party (in each case regardless of the legal nature or governing law of such authorisation or power of attorney).

(cc) For the purposes of this Agreement, "entitled to participate" shall be interpreted to mean that (i) any offer, or indication of a potential offer, that a holder of any Senior Liabilities or Senior Parent Liabilities makes shall be considered by those running the Public Auction against the same criteria as any offer, or indication of a potential offer, by any other bidder or potential bidder and (ii) any holder of any Senior Liabilities or Senior Parent Liabilities that is considering making an offer in any Public Auction is provided (subject to applicable securities laws or regulations) with the same information, including any due diligence reports, and access to management that is being provided to any other bidder at the same stage of the process. For the avoidance of doubt, if, after having applied those same criteria, the offer or indication of a potential offer made by a holder of any Senior Liabilities or Senior Parent Liabilities is not considered by those running the Public Auction to be sufficient to continue in the public auction process, such consideration being against the same criteria as any offer, or indication of a potential offer, by any other bidder or potential bidder (such continuation may include being invited to review additional information or being invited to have an opportunity to make a subsequent or revised offer, whether in another round of bidding or otherwise), then the right to participate which a holder of any Senior Liabilities or Senior Parent Liabilities under this Agreement shall be deemed to be satisfied.

(b) Notwithstanding any term of this Agreement, the consent of any person who is not a Party is not required to rescind or vary this Agreement at any time.

For the purposes of the preceding sentence, upon any such person becoming a Senior Noteholder, Permitted Senior Financing Creditor, Permitted Second Lien Financing Creditor, Senior Parent Noteholder or Permitted Parent Financing Creditor, that person shall be deemed a Party to this Agreement, provided that such person is deemed to be a Party to this Agreement under the terms of the relevant Notes Indenture, Permitted Senior Financing Agreement, Permitted Second Lien Financing Agreement or Permitted Parent Financing Agreement. In relation to any amendment or waiver of this Agreement, no such person that is deemed to be a party to this Agreement by virtue of this Clause 1.3 is required to consent to or execute any amendment or waiver in order for such amendment or waiver to be effective.

2.1 **Primary Creditor Liabilities**

Subject to Clause 2.3 (*Senior Parent Liabilities and Transaction Security*), each of the Parties agrees that:

(a) the Liabilities owed by the Debtors (other than any Senior Parent Debt Issuer to the extent relating to Liabilities in respect of Senior Parent Notes and/or Permitted Parent Financing Debt where that Senior Parent Debt Issuer is the issuer or, as the case may be, the borrower) to the Primary Creditors and the Operating Facility Lenders shall rank in right and priority of payment in the following order and are postponed and subordinated to any prior ranking Liabilities as follows:

(b) Notwithstanding paragraph (a) above, the Senior Parent Creditors and the Permitted Parent Financing Creditors agree that, until the First/Second Lien Discharge Date, they may not take any steps to appropriate the assets of a Senior Parent Debt Issuer subject to the Security Documents in connection with any Enforcement Action, other than as expressly permitted by this Agreement. For the avoidance of doubt, this paragraph shall not impair the right of the Senior Parent Creditors and/or the Permitted Parent Financing Creditors to institute suit for the recovery of any payment due by a Senior Parent Debt Issuer in respect of the Senior Parent Liabilities and/or the Permitted Parent Financing Liabilities (in each case to the extent relating to Liabilities in respect of Senior Parent Notes and/or Permitted Parent Financing Debt where that Senior Parent Debt Issuer is the issuer or, as the case may be, the borrower).

2.4 **Investor Liabilities and Intra-Group Liabilities**

(a) Each of the Parties agrees that the Investor Liabilities and the Intra-Group Liabilities are postponed and subordinated to the Liabilities owed by the Debtors to the Primary Creditors and the Operating Facility Lenders.

(a) The Creditors and the Operating Facility Lenders acknowledge that the Debtors (or any of them) may wish to:

(i) incur incremental Borrowing Liabilities and/or Guarantee Liabilities in respect of incremental Borrowing Liabilities (and/or incur any other indebtedness, which indebtedness may be made available on a secured or unsecured basis, ranking *pari passu* with or senior or junior to other indebtedness and with or without the benefit of any guarantee, indemnity, Transaction Security or other assurance against loss); or

(ii) refinance or replace Borrowing Liabilities and/or incur Guarantee Liabilities in respect of any such refinancing or replacement of Borrowing Liabilities, which in any such case is intended to rank *pari passu* with any other Liabilities and/or share*pari passu* in any Transaction Security and/or to rank behind any other Liabilities and/or to share in any Transaction Security behind any such other Liabilities.

(b) The Creditors and the Operating Facility Lenders each confirm and undertake that, if and to the extent any incurrence, financing, refinancing or replacement referred to in paragraph (a) above and such ranking and such Security is not prohibited by the terms of the Debt Financing Agreements at such time, they will (at the cost of the Debtors) co-operate with the Parent and the Debtors with a view to enabling and facilitating such incurrence, financing, refinancing or replacement and such sharing in the Security to take place in a timely manner. In particular, but without limitation, each of the Secured Parties hereby authorises and directs each of their respective Agents and the Security Agent to (unless such Secured Party is required under applicable law to act in its own name, in which case it shall) execute any amendment to this Agreement and such other Debt Documents required by the Parent to reflect, enable and/or facilitate any such arrangements (including as regards the ranking of any such arrangements) to the extent such incurrence, financing, refinancing, replacement and/or sharing is not prohibited by the Debt Financing Agreements to which the relevant Secured Party is a party. This Clause 2.5 is without prejudice to any obligations of any Secured Party set out in or contemplated by Clause 16 (*Additional Debt*).

3.5 **Restrictions on Enforcement: Senior Lenders, Operating Facility Lenders, Senior Notes Creditors and Permitted Senior Financing Creditors**

(a) No Senior Lender, Operating Facility Lender, Senior Notes Creditor or Permitted Senior Financing Creditor may take any Enforcement Action under paragraph (c), (d) or (e) of the definition thereof without the prior written consent of an Instructing Group.

(b) If an Instructing Group provides consent to any Senior Lender, Operating Facility Lender, Senior Notes Creditor, Permitted Senior Financing Creditor or Hedge Counterparty to take any Enforcement Action, such consent shall apply equally to all Senior Lenders, Operating Facility Lenders, Senior Notes Creditors, Permitted Senior Financing Creditors and Hedge Counterparties to take the same Enforcement Action (in each case to the extent permitted by the terms of the relevant Debt Documents) and notice of any such consent shall be provided to all the Agents, the Security Agent and each Hedge Counterparty as soon as reasonably practicable.

(c) Notwithstanding paragraph (a) above or anything to the contrary in this Agreement, after the occurrence of an Insolvency Event in relation to the Parent or a Debtor (the "**Insolvent Party**"), each Senior Lender, Operating Facility Lender, Senior Notes Creditor and/or Permitted Senior Financing Creditor may, to the extent it is permitted to do so by the terms of the relevant Debt Documents, take Enforcement Action under paragraph (e) of that definition against the Insolvent Party and/or claim in any winding-up, dissolution, administration, reorganisation or other similar insolvency event or process in relation to the Insolvent Party for Liabilities owing to it (provided that no Senior Secured Creditor or Operating Facility Lender may give any directions to the Security Agent pursuant to or in reliance on this paragraph (c) in relation to any enforcement of any Transaction Security).

3.6 **Restriction on Enforcement: Ancillary Lenders and Issuing Banks**

Subject to Clause 3.7 (*Permitted Enforcement: Ancillary Lenders and Issuing Banks*):

(a) in the case of any Ancillary Lender or Issuing Bank under the Senior Facilities Finance Documents, so long as any of the Senior Lender Liabilities (other than any Liabilities owed to the Ancillary Lenders or Issuing Banks) are or may be outstanding, none of the Ancillary Lenders nor the Issuing Banks shall (in such capacity) be entitled to take any Enforcement Action in respect of any of the Liabilities owed to it;

(b) in the case of any Ancillary Lender or Issuing Bank under the Permitted Senior Financing Documents, so long as any of the Permitted Senior Financing Liabilities in relation to those Permitted Senior Financing Documents (other than any Liabilities owed to the Ancillary Lenders or Issuing Banks) are or may be outstanding, none of the Ancillary Lenders nor the Issuing Banks shall (in such capacity) be entitled to take any Enforcement Action in respect of any of the Liabilities owed to it; and

(c) in the case of any Ancillary Lender under an Operating Facility Document, so long as any of the Senior Lender Liabilities or the Permitted Senior Financing Liabilities are or may be outstanding, none of the Ancillary Lenders shall (in such capacity) be entitled to take any Enforcement Action in respect of any of the Liabilities owed to it.

3.7 **Permitted Enforcement: Ancillary Lenders and Issuing Banks**

(a) The Ancillary Lenders and Issuing Banks may take Enforcement Action if:

(i) at the same time as, or prior to, that action, Enforcement Action has been taken in respect of:

(A) in the case of any Ancillary Lender or Issuing Bank under the Senior Facilities Finance Documents, the Senior Lender Liabilities (excluding the Liabilities owing to Ancillary Lenders and the Issuing Banks), in which case the Ancillary Lenders and the Issuing Banks may take the same Enforcement Action as has been taken in respect of those Senior Lender Liabilities;

(B) in the case of any Ancillary Lender or Issuing Bank under the Permitted Senior Financing Documents, the Permitted Senior Financing Liabilities in relation to those Permitted Senior Financing Documents (excluding the Liabilities owing to Ancillary Lenders and the Issuing Banks), in which case the Ancillary Lenders and the Issuing Banks may take the same Enforcement Action as has been taken in respect of those Permitted Senior Financing Liabilities; or

(C) in the case of any Ancillary Lender under an Operating Facility Document, the Senior Lender Liabilities or the Permitted Senior Financing Liabilities, in which case the Ancillary Lenders may take the same Enforcement Action as has been taken in respect of those Senior Lender Liabilities or, as the case may be, those Permitted Senior Financing Liabilities;

(ii) that action is contemplated by, and can be taken by the Ancillary Lenders or Issuing Bank as the case may be under, the Senior Facilities Agreement, any relevant Permitted Senior Financing Agreement, any relevant Operating Facility Document or Clause 3.4 (*Security: Ancillary Lenders and Issuing Banks*) (as applicable);

(iii) that Enforcement Action is taken in respect of SFA Cash Cover which has been provided in accordance with the Senior Facilities Agreement or, as the case may be, the relevant Permitted Senior Financing Agreement;

(iv) at the same time as or prior to, that action, the consent of the Majority Senior Lenders (in the case of any Ancillary Lender or Issuing Bank under the Senior Facilities Finance Documents or in respect of an Operating Facility) or the Majority Permitted Senior Financing Creditors (in the case of any Ancillary Lender or Issuing Bank under a Permitted Senior Financing Agreement or in respect of an Operating Facility) to that Enforcement Action is obtained; or

(v) an Insolvency Event has occurred in relation to any member of the Group, in which case after the occurrence of that Insolvency Event, each Ancillary Lender and each Issuing Bank shall be entitled (if it has not already done so) to exercise any right it may otherwise have in respect of that member of the Group to:

(A) accelerate any of that member of the Group's Senior Lender Liabilities, Permitted Senior Financing Liabilities or Operating Facility Liabilities (as the case may be) or declare them prematurely due and payable on demand;

(B) make a demand under any guarantee, indemnity or other assurance against loss given by that member of the Group in respect of any Senior Lender Liabilities, Permitted Senior Financing Liabilities or Operating Facility Liabilities (as the case may be);

(C) exercise any right of set-off or take or receive any Payment in respect of any Senior Lender Liabilities or, as the case may be, Permitted Senior Financing Liabilities of that member of the Group; or

(D) claim and prove in the liquidation of that member of the Group for the Senior Lender Liabilities or, as the case may be, Permitted Senior Financing Liabilities owing to it.

(b) Clause 3.6 (*Restriction on Enforcement: Ancillary Lenders and Issuing Banks*) shall not restrict any right of an Ancillary Lender to net or set-off in relation to a Multi-account Overdraft Facility, in accordance with the terms of the Senior Facilities Agreement, the relevant Permitted Senior Financing Agreement or the relevant Operating Facility Document (as the case may be), to the extent that the netting or set-off represents a reduction from a Permitted Gross Amount of that Multi-account Overdraft Facility to or towards its Designated Net Amount.

3.8 **Option to purchase: Senior Notes Creditors and Permitted Senior Financing Creditors**

(a) Senior Notes Creditors holding at least a simple majority of the Senior Notes Liabilities or Permitted Senior Financing Creditors holding at least a simple majority of the Permitted Senior Financing Liabilities (the "**Senior Secured Acquiring Creditors**") may, after an Acceleration Event which is continuing, by giving not less than ten (10) days' notice to the Security Agent (with the first notice to prevail in the event that more than one set of Creditors serves such a notice), require the transfer to them (or to a nominee or nominees), in accordance with Clause 19.3 (*Change of Senior Lender, Second Lien Lender, Permitted Senior Financing Creditor, Permitted Second Lien Financing Creditor or Permitted Parent Financing Creditor*), of all, but not part, of the rights, benefits and obligations in respect of the Senior Lender Liabilities and the Operating Facility Liabilities if:

(i) that transfer is lawful and, subject to paragraph (ii) below, otherwise permitted by the terms of the Senior Facilities Agreement and the Operating Facility Documents;

(ii) any conditions relating to such a transfer contained in the Senior Facilities Agreement and the Operating Facility Documents are complied with, other than:

(A) any requirement to obtain the consent of, or consult with, a member of the Group in relation to such transfer, which consent or consultation shall not be required; and

(B) to the extent to which all the Senior Secured Acquiring Creditors provide cash cover for any Letter of Credit, the consent of the relevant Issuing Bank relating to such transfer;

(iii) the Senior Facility Agent, on behalf of the Senior Lenders, is paid an amount equal to the aggregate of:

(A) any amounts provided as cash cover by the Senior Secured Acquiring Creditors for any Letter of Credit (as envisaged in paragraph (a)(ii)(B) above);

(B) all of the Senior Lender Liabilities at that time (whether or not due), including all amounts that would have been payable under the Senior Facilities Agreement if the Senior Facilities were being prepaid by the relevant Debtors on the date of that payment; and

(C) all costs and expenses (including legal fees) incurred by the Senior Facility Agent and/or the Senior Lenders and/or the Security Agent as a consequence of giving effect to that transfer;

(iv) the Operating Facility Lenders are paid an amount equal to the aggregate of:

(A) all of the Operating Facility Liabilities at that time (whether or not due), including all amounts that would have been payable under the Operating Facility Documents if the Operating Facilities were being prepaid by the relevant Debtors on the date of that payment; and

(B) all costs and expenses (including legal fees) incurred by the Operating Facility Lenders and/or the Security Agent as a consequence of giving effect to that transfer;

(v) as a result of that transfer:

(A) the Senior Lenders have no further actual or contingent liability to a Debtor under the Senior Facilities Finance Documents; and

(B) the Operating Facility Lenders have no further actual or contingent liability to a Debtor under the Operating Facility Documents;

(vi) an indemnity is provided from each of the Senior Secured Acquiring Creditors (other than any Senior Agent) or from another third party acceptable to all the Senior Lenders and the Operating Facility Lenders in a form reasonably satisfactory to each Senior Lender and Operating Facility Lender in respect of all costs, expenses, losses and liabilities which may be sustained or incurred by any Senior Lender or Operating Facility Lender in consequence of any sum received or recovered by any Senior Lender or Operating Facility Lender from any person being required (or it being alleged that it is required) to be paid back by or clawed back from any Senior Lender or Operating Facility Lender for any reason;

(vii) the transfer is made without recourse to, or representation or warranty from, the Senior Lenders or the Operating Facility Lenders, except that each Senior Lender and Operating Facility Lender shall be deemed to have represented and warranted on the date of that transfer that it has the corporate power to effect that transfer and it has taken all necessary action to authorise the making by it of that transfer; and

(viii) the Senior Parent Creditors have not exercised their rights under Clause 6.13 (*Option to purchase: Senior Parent Creditors*) or, having exercised such rights, have not failed to complete the acquisition of the relevant Senior Secured Liabilities in accordance with Clause 6.13 (*Option to purchase: Senior Parent Creditors*).

(b) Subject to paragraph (b) of Clause 3.9 (*Hedge Transfer: Senior Notes Creditors and Permitted Senior Financing Creditors*) the Senior Secured Acquiring Creditors may only require a Senior Liabilities Transfer if, at the same time, they require a Hedge Transfer in accordance with Clause 3.9 (*Hedge Transfer: Senior Notes Creditors and Permitted Senior Financing Creditors*) and if, for any reason, a Hedge Transfer cannot be made in accordance with Clause 3.9 (*Hedge Transfer: Senior Notes Creditors and Permitted Senior Financing Creditors*), no Senior Liabilities Transfer may be required to be made.

(c) At the request of a Senior Agent (on behalf of the Senior Secured Acquiring Creditors):

(i) the Senior Facility Agent shall notify that Senior Agent of:

(A) the sum of the amounts described in paragraphs (a)(iii)(B) and (C) above; and

(B) the amount of each Letter of Credit for which cash cover is to be provided to it by the Senior Secured Acquiring Creditors; and

(ii) the Operating Facility Lenders shall notify that Senior Agent of the sum of the amounts described in paragraphs (a)(iv)(A) and (B) above.

3.9 **Hedge Transfer: Senior Notes Creditors and Permitted Senior Financing Creditors**

(a) Senior Notes Creditors holding at least a simple majority of the Senior Notes Liabilities or Permitted Senior Financing Creditors holding at least a simple majority of the Permitted Senior Financing Liabilities (the "**Acquiring Hedge Creditors**") may, after an Acceleration Event which is continuing, by giving not less than ten days' notice to the Security Agent (with the first notice to prevail in the event that more than one set of Creditors serves such a notice), require a Hedge Transfer:

(i) if either:

(A) the Acquiring Hedge Creditors require, at the same time, a Senior Liabilities Transfer under Clause 3.8 (*Option to purchase: Senior Notes Creditors and Permitted Senior Financing Creditors*); or

(B) the Acquiring Hedge Creditors require that Hedge Transfer at any time on or after the Senior Lender Discharge Date; and

(ii) if:

(A) that transfer is lawful and otherwise permitted by the terms of the Hedging Agreements, in which case no Debtor or other member of the Group party to the relevant Hedging Agreements shall be entitled to withhold its consent to that transfer;

(B) any conditions (other than the consent of, or any consultation with, any Debtor or other member of the Group) relating to that transfer contained in the Hedging Agreements are complied with;

(C) each Hedge Counterparty is paid (in the case of a positive number) or pays (in the case of a negative number) an amount equal to the aggregate of (1) the Hedging Purchase Amount in respect of the hedging transactions under the relevant Hedging Agreement at that time and (2) all costs and expenses (including legal fees) incurred by such Hedge Counterparty as a consequence of giving effect to that transfer;

(D) as a result of that transfer, the Hedge Counterparties have no further actual or contingent liability to any Debtor under the Hedging Agreements;

(E) an indemnity is provided from each of the Acquiring Hedge Creditors (other than any Senior Agent) which is receiving (or for which a nominee is receiving) that transfer (or from another third party acceptable to the relevant Hedge Counterparty) in a form reasonably satisfactory to the relevant Hedge Counterparty in respect of all losses which may be sustained or incurred by that Hedge Counterparty in consequence of any sum received or recovered by that Hedge Counterparty being required (or it being alleged that it is required) to be paid back by or clawed back from the Hedge Counterparty for any reason;

(F) that transfer is made without recourse to, or representation or warranty from, the relevant Hedge Counterparty, except that the relevant Hedge Counterparty shall be deemed to have represented and warranted on the date of that transfer that it has the corporate power to effect that transfer and it has taken all necessary action to authorise the making by it of that transfer; and

(G) the Senior Parent Creditors have not exercised their rights under Clause 6.14 (*Hedge Transfer: Senior Parent Creditors*) or, having exercised such rights, have not failed to complete the Hedge Transfer concerned in accordance with Clause 6.14 (*Hedge Transfer: Senior Parent Creditors*).

(b) The Acquiring Hedge Creditors and any Hedge Counterparty may agree (in respect of the Hedging Agreements (or one or more of them) to which that Hedge Counterparty is a party) that a Hedge Transfer required by the Acquiring Hedge Creditors pursuant to paragraph (a) above shall not apply to that Hedging Agreement(s) or to the Hedging Liabilities and Hedge Counterparty Obligations under that Hedging Agreement(s).

(c) If the Acquiring Hedge Creditors are entitled to require a Hedge Transfer under this Clause 3.9, the Hedge Counterparties shall at the request of a Senior Agent (on behalf of the Acquiring Hedge Creditors) provide details of the amounts referred to in paragraph (a)(ii)(C) above.

4. HEDGE COUNTERPARTIES AND HEDGING LIABILITIES

4.1 Identity of Hedge Counterparties

(a) Subject to paragraph (b) below, no person providing hedging arrangements to any Debtor shall be entitled to share in any of the Transaction Security or in the benefit of any guarantee or indemnity under any of the Secured Debt Documents in respect of any of the liabilities arising in relation to those hedging arrangements nor shall those liabilities be treated as Hedging Liabilities unless that person is or becomes a party to this Agreement as a Hedge Counterparty.

(b) Paragraph (a) above shall not apply to a Hedging Ancillary Lender.

4.2 **Restriction on Payment: Hedging Liabilities**

Prior to the Senior Debt Discharge Date, the Debtors shall not, and the Parent shall procure that no other member of the Group will, make any Payment of the Hedging Liabilities at any time unless:

(a) that Payment is permitted under Clause 4.3 (*Permitted Payments: Hedging Liabilities*); or

(b) the taking or receipt of that Payment is permitted under paragraph (c) of Clause 4.9 (*Permitted Enforcement: Hedge Counterparties*).

4.3 **Permitted Payments: Hedging Liabilities**

(a) Any member of the Group may at any time make any Payment of the Hedging Liabilities:

(i) if the Payment is a scheduled Payment arising under a Hedging Agreement (or another ordinary course payment under a Hedging Agreement, including any payment in relation to fees, costs and expenses);

(ii) to the extent that the relevant Debtor's obligation to make the Payment arises as a result of the operation of:

(A) any of sections 2(d) (Deduction or Withholding for Tax), 2(e) (Default Interest; Other Amounts), 8(a) (Payment in the Contractual Currency), 8(b) (Judgments) and 11 (Expenses) of the 1992 ISDA Master Agreement of that Hedging Agreement (if the Hedging Agreement is based on a 1992 ISDA Master Agreement);

(B) any of sections 2(d) (Deduction or Withholding for Tax), 8(a) (Payment in the Contractual Currency), 8(b) (Judgments), 9(h)(i) (Prior to Early Termination) and 11 (Expenses) of the 2002 ISDA Master Agreement of that Hedging Agreement (if the Hedging Agreement is based on a 2002 ISDA Master Agreement); or

(C) any provision of a Hedging Agreement which is similar in meaning and effect to any provision listed in paragraph (A) or (B) above (if the Hedging Agreement is not based on an ISDA Master Agreement);

(iii) to the extent that the relevant Debtor's obligation to make the Payment arises from a Non-Credit Related Close-Out;

(iv) to the extent that:

(A) the relevant Debtor's obligation to make the Payment arises from a Credit Related Close-Out in relation a Hedging Agreement; and

(B) no Senior Event of Default (other than an Event of Default under a Second Lien Facility Agreement and/or a Permitted Second Lien Financing Agreement) is continuing at the time of that Payment;

(v) subject to Clause 4.13 (*On or after Senior Lender Discharge Date/Senior Debt Discharge Date*), if the Majority Senior Creditors and the relevant member of the Group give prior consent to the Payment being made;

(vi) if the Payment is a Payment pursuant to Clause 14.1 (*Order of application*) or Clause 14.2 (*Liabilities of the Senior Parent Debt Issuer*); or

(vii) prior to a Distress Event, if the Payment arises directly or indirectly as a result of any close-out, termination or other similar or equivalent action by a member of the Group (provided that the Group will remain in compliance with any minimum hedging requirements under the Senior Financing Agreements).

(b) Without prejudice to the terms and requirements of any Hedging Agreement, nothing in this Agreement obliges a Hedge Counterparty to make a payment to a Debtor under a Hedging Agreement to which they are both party if any scheduled Payment due from that Debtor to the Hedge Counterparty under that Hedging Agreement is due but unpaid. This provision shall not affect any Payment which is due from a Hedge Counterparty to a Debtor as a result of a Hedging Agreement to which they are both a party being terminated or closed out.

4.4 **Payment obligations continue**

No Debtor shall be released from the liability to make any Payment (including of default interest, which shall continue to accrue) under any Debt Document by the operation of Clauses 4.2 (*Restriction on Payment: Hedging Liabilities*) and 4.3 (*Permitted Payments: Hedging Liabilities*) even if its obligation to make that Payment is restricted at any time by the terms of any of those Clauses.

4.5 **No acquisition of Hedging Liabilities**

Prior to the Senior Debt Discharge Date, the Debtors shall not, and shall procure that no other member of the Group will:

(a) enter into any Liabilities Acquisition in respect of any of the Hedging Liabilities with any person which is not a member of the Group; or

(b) beneficially own all or any part of the share capital of a company that is party to a Liabilities Acquisition in respect of any of the Hedging Liabilities (unless that Liabilities Acquisition would not have been prohibited by this Clause 4.5 if made by a member of the Group),

in each case pursuant to which payment is made by a member of the Group to a person which is not a member of the Group in respect of Hedging Liabilities, unless:

(i) subject to Clause 4.13 (*On or after Senior Lender Discharge Date/Senior Debt Discharge Date*), the prior consent of the Majority Senior Lenders is obtained; or

(ii) the relevant Liabilities Acquisition relates to Hedging Liabilities (or rights, benefits and/or obligations in relation thereto) in respect of which a Payment could be made under Clause 4.3 (*Permitted Payments: Hedging Liabilities*) (including any Hedging Liabilities in respect of which a Payment could be made under paragraph (a)(vii) of that Clause following a close-out, termination or any other similar or equivalent action by a member of the Group).

4.6 **Amendments and Waivers: Hedging Agreements**

(a) Subject to paragraph (b) below, the Hedge Counterparties may not, at any time, amend or waive any term of the Hedging Agreements.

(b) A Hedge Counterparty and any member of the Group may at any time amend or waive any term of a Hedging Agreement in accordance with the terms of that Hedging Agreement from time to time (and subject only to any consent required under that Hedging Agreement) if:

(i) that amendment or waiver does not breach another term of this Agreement; and

(ii) that amendment or waiver will not result in the Group ceasing to be in compliance with any minimum hedging requirements under the Debt Financing Agreements.

4.7 **Security: Hedge Counterparties**

The Hedge Counterparties may not take, accept or receive the benefit of any Security, guarantee, indemnity or other assurance against loss from any member of the Group in respect of the Hedging Liabilities other than:

(a) the Common Transaction Security;

(b) any guarantee, indemnity or other assurance against loss contained in:

(i) the Senior Facilities Agreement or any Permitted Senior Financing Agreement;

(ii) this Agreement;

(iii) any Common Assurance; or

(iv) the relevant Hedging Agreement (provided any such guarantee, indemnity or other assurance against loss is no greater in extent than any of those referred to in paragraphs (i) to (iii) above, ignoring for this purpose any limitations applicable to any guarantee, indemnity or other assurance referred to in paragraphs (i) to (iii) above);

(c) as otherwise contemplated by Clause 3.3 (*Security and Guarantees: Senior Secured Creditors*); and

(d) the indemnities contained in the ISDA Master Agreements (in the case of a Hedging Agreement which is based on an ISDA Master Agreement) or any indemnities which are similar in meaning and effect to those indemnities (in the case of a Hedging Agreement which is not based on an ISDA Master Agreement).

4.8 **Restriction on Enforcement: Hedge Counterparties**

Subject to Clause 4.9 (*Permitted Enforcement: Hedge Counterparties*) and Clause 4.10 (*Required Enforcement: Hedge Counterparties*) and without prejudice to each Hedge Counterparty's rights under Clauses 12.2 (*Enforcement Instructions*) and 12.3 (*Manner of enforcement*), the Hedge Counterparties shall not take any Enforcement Action in respect of any of the Hedging Liabilities or any of the hedging transactions under any of the Hedging Agreements at any time.

4.9 **Permitted Enforcement: Hedge Counterparties**

(a) To the extent it is able to do so under the relevant Hedging Agreement, a Hedge Counterparty may terminate or close-out in whole or in part any hedging transaction under that Hedging Agreement prior to its stated maturity:

(i) if, prior to a Senior Acceleration Event, the Parent has certified to that Hedge Counterparty that that termination or close-out would not result in a breach of the terms of any Debt Financing Agreement, provided that the Parent shall not withhold its certification for any reason other than where such breach would occur as a result of such termination or close-out;

(ii) if a Senior Acceleration Event has occurred and is continuing;

(iii) if:

(A) in relation to a Hedging Agreement which is based on the 1992 ISDA Master Agreement:

(1) an Illegality or Tax Event or Tax Event Upon Merger (each as defined in the 1992 ISDA Master Agreement); or

(2) an event similar in meaning and effect to a "Force Majeure Event" (being the occurrence of one or more of the events specified in paragraph (B) below),

has occurred in respect of that Hedging Agreement;

(B) in relation to a Hedging Agreement which is based on the 2002 ISDA Master Agreement, an Illegality or Tax Event, Tax Event Upon Merger or a Force Majeure Event (each as defined in the 2002 ISDA Master Agreement) has occurred in respect of that Hedging Agreement; or

(C) in relation to a Hedging Agreement which is not based on an ISDA Master Agreement, any event similar in meaning and effect to an event described in paragraphs (A) or (B) above has occurred under and in respect of that Hedging Agreement;

(iv) if an Insolvency Event of Default has occurred and is continuing in relation to a Debtor which is party to that Hedging Agreement;

(v) subject to Clause 4.13 (*On or after Senior Lender Discharge Date/Senior Debt Discharge Date*), if the Majority Senior Creditors and the member of the Group party to the relevant Hedging Agreement give prior consent to that termination or close-out being made;

(vi) for the purpose of ensuring that the aggregate notional amount of all hedging entered into by the Group with one or more hedging counterparty in respect of any specific indebtedness or other exposure does not exceed the maximum aggregate amount of that indebtedness or other exposure from time to time (in each case to the extent agreed by the member of the Group party to that Hedging Agreement, it being noted that the Group may wish to enter into basis rate swaps and/or other arrangements which may result in the notional amount of hedging being increased as part of a general hedging strategy); or

(vii) in accordance with a close-out or termination right which arises pursuant to section 1.5 (*No fault termination right*) of the ISDA Benchmarks Supplement, or section 8.6.4 (*No fault termination right*) of the 2021 ISDA Interest Rate Derivative Definitions, in each case, to the extent incorporated by reference into the relevant Hedging Agreement.

(b) If a Debtor has defaulted on any Payment due under a Hedging Agreement (after allowing any applicable notice or grace periods) and the default has continued unwaived for more than five Business Days after notice of that default has been given to the Security Agent pursuant to paragraph (i) of Clause 22.3 (*Notification of prescribed events*), the relevant Hedge Counterparty:

(i) may, to the extent it is able to do so under the relevant Hedging Agreement, terminate or close-out in whole or in part any hedging transaction under that Hedging Agreement; and

(ii) until the Security Agent has given notice to that Hedge Counterparty that the Transaction Security is being enforced, or that any formal steps are being taken to enforce the Transaction Security, in each case in accordance with the terms of this Agreement and the relevant Security Documents, shall be entitled to exercise any right it might otherwise have to sue for, commence or join legal or arbitration proceedings against any Debtor to recover any Hedging Liabilities due under that Hedging Agreement.

(c) After the occurrence of an Insolvency Event in relation to any Group Company, to the extent permitted by the relevant Hedging Agreement, each Hedge Counterparty shall be entitled to exercise any right it may otherwise have in respect of that Group Company to:

(i) prematurely close-out or terminate any Hedging Liabilities of that Group Company in accordance with the terms of the relevant Hedging Agreement;

(ii) make a demand under any guarantee, indemnity or other assurance against loss given by that Group Company in respect of any relevant Hedging Liabilities;

(iii) exercise any right of set-off or take or receive any Payment in respect of any relevant Hedging Liabilities of that Group Company; or

(iv) claim and prove in the liquidation of that Group Company for the Hedging Liabilities owing to it.

4.10 **Required Enforcement: Hedge Counterparties**

(a) Subject to paragraph (b) below, a Hedge Counterparty shall promptly terminate or close-out in full any hedging transaction under all or any of the Hedging Agreements to which it is party prior to their stated maturity, following:

(i) the occurrence of a Senior Acceleration Event which is continuing and delivery to it of a notice from the Security Agent that such Senior Acceleration Event has occurred and is continuing; and

(ii) delivery to it of a subsequent notice from the Security Agent (acting on the instructions of an Instructing Group) instructing it to do so.

(b) Paragraph (a) above shall not apply to the extent that such Senior Acceleration Event occurred as a result of an arrangement made between any Debtor and any Primary Creditor with the purpose of bringing about that Senior Acceleration Event.

(c) If a Hedge Counterparty is entitled to terminate or close-out any hedging transaction under paragraph (b) of Clause 4.9 (*Permitted Enforcement: Hedge Counterparties*) (or would have been able to if that Hedge Counterparty had given the notice referred to in that paragraph) but has not terminated or closed out each such hedging transaction, that Hedge Counterparty shall promptly terminate or close-out in full each such hedging transaction following a request to do so by the Security Agent (acting on the instructions of an Instructing Group).

4.11 **Treatment of Payments due to Debtors on termination of hedging transactions**

(a) If, on termination of any hedging transaction under any Hedging Agreement occurring after a Distress Event, a settlement amount or other amount (following the application of any Close-Out Netting, Payment Netting or Inter-Hedging Agreement Netting in respect of that Hedging Agreement) falls due from a Hedge Counterparty to the relevant Debtor then that amount shall be paid by that Hedge Counterparty to the Security Agent, treated as the proceeds of enforcement of the Transaction Security and applied in accordance with the terms of this Agreement.

(b) The payment of that amount by the Hedge Counterparty to the Security Agent in accordance with paragraph (a) above shall discharge the Hedge Counterparty's obligation to pay that amount to that Debtor.

4.12 **Terms of Hedging Agreements**

(a) The Hedge Counterparties (to the extent party to the Hedging Agreement in question) and the Debtors party to the Hedging Agreements shall ensure that, at all times:

(i) each Hedging Agreement is based either:

(A) on an ISDA Master Agreement; or

(B) on another framework agreement which is similar in effect to an ISDA Master Agreement;

(ii) in the event of a termination of the hedging transaction entered into under a Hedging Agreement, whether as a result of:

(A) a Termination Event or an Event of Default, each as defined in the relevant Hedging Agreement (in the case of a Hedging Agreement which is based on an ISDA Master Agreement); or

(B) an event similar in meaning and effect to either of those described in paragraph (A) above (in the case of a Hedging Agreement which is not based on an ISDA Master Agreement),

that Hedging Agreement will:

(1) if it is based on a 1992 ISDA Master Agreement, provide for payments under the "Second Method" and will make no material amendment to section 6(e) (*Payments on Early Termination*) of the ISDA Master Agreement;

(2) if it is based on a 2002 ISDA Master Agreement, make no material amendment to the provisions of section 6(e) (*Payments on Early Termination*) of the ISDA Master Agreement; or

(3) if it is not based on an ISDA Master Agreement, provide for any other method the effect of which is that the party to which that event is referable will be entitled to receive payment under the relevant termination provisions if the net replacement value of all terminated transactions entered into under that Hedging Agreement is in its favour; and

(iii) each Hedging Agreement will provide that the relevant Hedge Counterparty will be entitled to designate an Early Termination Date (as defined in the relevant ISDA Master Agreement) or otherwise be able to terminate each transaction under such Hedging Agreement if so required pursuant to paragraphs (a) and (b) of Clause 4.10 (*Required Enforcement: Hedge Counterparties*).

(b) Unless otherwise agreed by the Parent from time to time:

(i) each Hedging Agreement shall be documented using the 2002 ISDA Master Agreement;

(ii) each Hedging Agreement shall include only standard ISDA representations and undertakings (and not, for the avoidance of doubt, any additional representations and undertakings contained in the Senior Financing Agreements), in each case amended as necessary so as to be no more onerous on any member of the Group than the provisions of the Senior Financing Agreements;

(iii) no Hedging Agreement shall contain any events of default (however described) in respect of the Group other than the following:

(A) failure by the member of the Group party to that Hedging Agreement to pay on the due date any amount payable by it under that Hedging Agreement (subject to any applicable grace period);

(B) the occurrence of a Senior Acceleration Event which is continuing; and

(C) the occurrence of an Insolvency Event of Default in relation to the member of the Group which is party to that Hedging Agreement,

provided that, for the avoidance of doubt, a Hedging Agreement may contain standard ISDA termination events relating to illegality, tax events and force majeure;

(iv) in the event of any refinancing, replacement, increase or other restructuring of all or any part of the Senior Secured Liabilities, the Operating Facility Liabilities or the Senior Parent Liabilities (a "**Refinancing**") each Hedge Counterparty shall promptly provide its consent to any amendment to, request under and/or replacement of any Hedging Agreement or other Debt Document required by the Parent in order to facilitate that Refinancing (a "**Refinancing Request**"), in each case unless such Refinancing is materially prejudicial to the interests of that Hedge Counterparty (provided that such Refinancing shall not be considered materially prejudicial if any amended or replacement intercreditor arrangements place that Hedge Counterparty in substantially the same, or a better, position relative to the other Senior Secured Creditors as it was in under the intercreditor arrangements existing immediately prior to such amendment or replacement); and

(v) in the event that a Hedge Counterparty (1) does not consent to any Refinancing Request (without prejudice to its obligations under sub-paragraph (iv) above) or (2) does not consent to any other amendment or waiver requested by a member of the Group pursuant to Clause 25 (*Consents, Amendments and Override*) (in each case within the time period specified by the relevant member of the Group for consent to be provided, which shall not be shorter than five Business Days from the date the relevant request is made by a member of the Group), each member of the Group shall be entitled to:

(A) terminate any hedging arrangements with that Hedge Counterparty (the "**Non-Consenting Counterparty**") (and the amount payable to or by the Non-Consenting Counterparty on such early termination shall be calculated on the basis that an Additional Termination Event has occurred and that both the Non-Consenting Counterparty and the relevant member of the Group are Affected Parties or on such other basis as may be agreed by the Non-Consenting Counterparty and the relevant member of the Group); and/or

(B) require that any of those arrangements (the "**Transferred Arrangements**") be transferred (and the Non-Consenting Counterparty will so transfer) to another person selected by the Parent (the "**Acquiring Counterparty**") willing to assume the same (with the transfer price payable by the Acquiring Counterparty or, as the case may be, the Non-Consenting Counterparty being equal to the amount that would have been payable to or by the Non-Consenting Counterparty upon the early termination of the Transferred Arrangements under the relevant Hedging Agreements by reason of an Additional Termination Event on the proposed transfer date, and on the basis that both the Non-Consenting Counterparty and the relevant Debtor are Affected Parties or as otherwise agreed by the Non-Consenting Counterparty and the relevant member of the Group),

where the terms "Additional Termination Event" and "Affected Parties" as used above shall have the meaning given to them in the relevant Hedging Agreements (or if a Hedging Agreement is not based on an ISDA Master Agreement, such terms shall have the meaning given to the equivalent provisions used in that Hedging Agreement).

Each Hedge Counterparty will, on the request of the Parent, as soon as reasonably practical execute any document and/or take such other action as is reasonably required to effect any amendment, replacement, waiver or release of a Hedging Agreement or other Debt Document requested by the Parent in accordance with paragraph (iv) above.

(c) Notwithstanding anything to the contrary in any Secured Debt Document but without prejudice to any minimum hedging requirements in the Debt Financing Agreements, no default (however described) under the terms of a Hedging Agreement (or the termination of a Hedging Agreement) shall constitute an Event of Default (other than any non-payment default constituting a Senior Payment Default).

(d) Notwithstanding anything to the contrary in any Hedging Agreement, no Hedging Agreement shall prohibit or restrict any action by any member of the Group not prohibited or restricted under the Senior Financing Agreements.

(e) Any hedging agreement executed by any member of the Group prior to the date on which it became a member of the Group which the Parent intends should become a Hedging Agreement (an "**Existing Hedging Agreement**") shall be deemed amended by this Agreement to the extent necessary so as to ensure that the terms of such Existing Hedging Agreement comply with the terms of this Agreement in all respects (and the relevant Debtor and the Hedge Counterparty party to such Existing Hedging Agreement each consent and agree to all such amendments by their execution of, or accession to, this Agreement and acknowledge and confirm that the Existing Hedging Agreement will be construed accordingly).

(f) To the extent that the terms of a Hedging Agreement are inconsistent with the terms of this Agreement the terms of this Agreement shall prevail.

4.13 **On or after Senior Lender Discharge Date/Senior Debt Discharge Date**

At any time on or after the Senior Debt Discharge Date, any action which is permitted under any of Clause 4.3 (*Permitted Payments: Hedging Liabilities*), Clause 4.5 (*No acquisition of Hedging Liabilities*) or Clause 4.9 (*Permitted Enforcement: Hedge Counterparties*) by reason of the prior consent of the Majority Senior Creditors will, unless otherwise agreed by the Parent by reference to this Clause 4.13, be permitted to the extent that such action would not result in the Group ceasing to be in compliance with any minimum hedging requirements under:

(a) any Second Lien Financing Agreement (unless the prior consent of the relevant Senior Agent is obtained or the Second Lien Discharge Date has occurred); and

(b) any Senior Parent Financing Agreement (unless the prior consent of the relevant Senior Parent Agent is obtained or the Senior Parent Discharge Date has occurred).

4.14 **Notice and acknowledgement of Transaction Security**

(a) Each Debtor that has created Transaction Security over any of its rights under any Hedging Agreement hereby gives notice (including in terms as required by the applicable Security Document) to each Hedge Counterparty of the Transaction Security over such Hedging Agreements created pursuant to the Security Documents.

(b) Each Hedge Counterparty, by its entry into this Agreement (or, as the case may be, by its entry into a Creditor/Agent Accession Undertaking as a Hedge Counterparty):

(i) agrees and consents to any Debtor granting Transaction Security (by way of assignment, charge or otherwise) over all or any part of its rights under any Hedging Agreement to which that Hedge Counterparty is a party; and

(ii) acknowledges receipt of the notice given under paragraph (a) above and that it will continue to deal solely with the relevant Debtor in relation to that Hedging Agreement until such time as it receives any written notice (as permitted by the applicable Security Document) to the contrary from the Security Agent following the occurrence of an Acceleration Event which is continuing.

5. **SECOND LIEN SECURED CREDITORS AND SECOND LIEN LIABILITIES**

5.1 **Restriction on Payment: Second Lien Liabilities**

Prior to the Senior Discharge Date, the Debtors shall not, and the Parent shall procure that no other member of the Group will, make any Payment of the Second Lien Liabilities at any time unless:

(a) that Payment is permitted under Clause 5.2 (*Permitted Payments: Second Lien Liabilities*), Clause 9.5 (*Filing of claims*) or Clause 16 (*Additional Debt*); or

(b) the taking or receipt of that Payment is permitted under Clause 5.8 (*Permitted Second Lien enforcement*).

5.2 **Permitted Payments: Second Lien Liabilities**

Any member of the Group may:

(a) prior to the Senior Discharge Date, directly or indirectly make any Payment directly or indirectly in respect of the Second Lien Liabilities at any time:

(i) if:

(A) the Payment is of:

(1) any of the principal amount of the Second Lien Liabilities which is:

(aa) not prohibited by the Senior Financing Agreements;

(bb) paid on or after the final maturity date of the relevant Second Lien Liabilities (provided that, unless the Senior Lender Discharge Date has occurred or as otherwise agreed by the Majority Senior Lenders and the Parent, such final maturity date does not fall on a date prior to the date falling 85 months after the First Utilisation Date);

(cc) any provision in any Second Lien Facility Agreement or other Second Lien Finance Document which is substantially equivalent to section 2.20 (*Illegality*) of the Senior Facilities Agreement (provided that the relevant illegality does not arise as a result of action taken by a Second Lien Secured Creditor which is taken with the intention of triggering a prepayment under such provision);

(dd) any provision in any Second Lien Facility Agreement or other Second Lien Finance Document which is substantially equivalent to section 2.19 (*Mitigation Obligations; Replacement of Lenders*) of the Senior Facilities Agreement provided that no Senior Event of Default is continuing; or

(2) any other amount which is not an amount of principal (including any interest which has been capitalised to become an amount of principal);

(B) no Second Lien Payment Stop Notice is outstanding; and

(C) no Senior Payment Default has occurred and is continuing;

(ii) if the Required Senior Consent has been obtained;

(iii) if the Payment is of Second Lien Agent Liabilities;

(iv) of any Notes Security Costs;

(v) of costs, commissions, taxes, fees and expenses incurred in respect of or in relation to (or reasonably incidental to) any Second Lien Debt Documents (including in relation to any reporting or listing requirements under the Second Lien Debt Documents);

(vi) if the Payment is funded directly or indirectly with Second Lien Debt, Permitted Second Lien Financing Debt, Permitted Parent Financing Debt and/or the proceeds of any indebtedness incurred under or pursuant to any Second Lien Debt Document and/or Senior Parent Notes;

(vii) if the Payment is funded directly or indirectly with the proceeds of Available Shareholder Amounts;

(viii) of any other amount not exceeding €5,000,000 (or its equivalent) in aggregate in any financial year of the Parent; or

(ix) for so long as a Second Lien Event of Default is continuing, if the Payment is of all or part of the Second Lien Liabilities as a result of those Second Lien Liabilities being released or otherwise discharged solely in consideration of the issue of shares in any Holding Company of the Parent (each a "**Debt for Equity Swap**") provided that:

(A) no cash or cash equivalent payment is made in respect of the Second Lien Liabilities;

(B) any Liabilities owed by a member of the Group to another member of the Group or any other Holding Company of the Parent that arise as a result of any such Debt for Equity Swap are subordinated to the Senior Liabilities on terms agreed by the Majority Senior Creditors;

(C) any Liabilities owed by a member of the Group to another member of the Group arising as a result of such Debt for Equity Swap are subject to Transaction Security;

(D) at the time that any Debt for Equity Swap becomes effective, no Distressed Disposal is due to occur at such time which is reasonably likely to be adversely impeded by the occurrence of such Debt for Equity Swap; and

(E) no member of the Group shall become liable for, or incur, any material tax liability as a result of such Debt for Equity Swap and (subject to receipt of any required countersigned release or reliance letters and for informational purposes only) a tax report from a reputable independent firm of accountants is provided to the Security Agent (on which the Security Agent and the Senior Secured Creditors can rely), confirming that no such material tax liability has arisen or will arise as a result of such Debt for Equity Swap,

provided that for the purposes of this paragraph (a)(ix), unless and until the Parent has notified the relevant Agent in writing that it has not effected, is not pursuing and will not pursue a Debt for Equity Swap in respect of such Event of Default, any Event of Default under the Senior Facilities Agreement, any Senior Notes Indenture and any Permitted Senior Financing Agreement shall be construed to be continuing if it has not been waived; and

(b) on or after the Senior Discharge Date, make any Payment directly or indirectly in respect of the Second Lien Liabilities at any time.

A reference in this Clause 5.2 to a Payment shall be construed to include any other direct or indirect step, matter, action or dealing in relation to any Second Lien Liabilities which are otherwise prohibited under Clause 5.1 (*Restriction on Payment: Second Lien Liabilities*).

5.3 **Issue of Second Lien Payment Stop Notice**

(a) Until the Senior Discharge Date, except with the Required Senior Consent, no Debtor shall make (and the Parent shall procure that no member of the Group will make), and no Second Lien Secured Creditor may receive from any member of the Group, any Permitted Second Lien Payment (other than, for the avoidance of doubt, a roll-up or capitalisation of any amount and Second Lien Agent Liabilities and except as provided in paragraphs (a)(ii) to (a)(vii) of Clause 5.2 (*Permitted Payments: Second Lien Liabilities*)) if:

(i) a Senior Payment Default is continuing; or

(ii) a Material Event of Default is continuing, from the date which is one Business Day after the date on which any Senior Agent delivers a notice (a "**Second Lien Payment Stop Notice**") specifying the event or circumstance in relation to that Material Event of Default to the Parent, the Security Agent and the Senior Parent Agents until the earliest of:

(A) the date falling 120 days after delivery of that Second Lien Payment Stop Notice;

(B) in relation to payments of Second Lien Liabilities, if a Second Lien Standstill Period is in effect at any time after delivery of that Second Lien Payment Stop Notice, the date on which that Second Lien Standstill Period expires;

(C) the date on which the relevant Material Event of Default has been remedied or waived in accordance with the applicable Senior Financing Agreement;

(D) the date on which the Senior Agent which delivered the relevant Second Lien Payment Stop Notice delivers a notice to the Parent, the Security Agent and the Second Lien Agents cancelling the Second Lien Payment Stop Notice;

(E) the Senior Discharge Date; and

(F) the date on which the Security Agent or a Second Lien Agent takes Enforcement Action permitted under this Agreement against a Debtor.

(b) Unless each of the Second Lien Agents waives this requirement:

(i) a new Second Lien Payment Stop Notice may not be delivered unless and until 360 days have elapsed since the delivery of the immediately prior Second Lien Payment Stop Notice; and

(ii) no Second Lien Payment Stop Notice may be delivered by a Senior Agent in reliance on a Material Event of Default more than 90 days after the date that Senior Agent received notice of that Material Event of Default.

(c) The Senior Agents may only serve one Second Lien Payment Stop Notice with respect to the same event or set of circumstances. Subject to paragraph (b) above, this shall not affect the right of the Agents to issue a Second Lien Payment Stop Notice in respect of any other event or set of circumstances.

(d) No Second Lien Payment Stop Notice may be served by an Agent in respect of a Material Event of Default which had been notified to the Agents at the time at which an earlier Second Lien Payment Stop Notice was issued.

(e) For the avoidance of doubt, this Clause 5.3:

(i) acts as a suspension of payment and not as a waiver of the right to receive payment on the date such payments are due;

(ii) will not prevent the accrual or capitalisation of interest (including default interest) in accordance with the Second Lien Debt Documents; and

(iii) will not prevent the payment of any Second Lien Agent Liabilities.

5.4 **Effect of Second Lien Payment Stop Notice or Senior Payment Default**

Any failure to make a Payment due under the Second Lien Debt Documents as a result of the issue of a Second Lien Payment Stop Notice or the occurrence of a Senior Payment Default shall not prevent:

(a) the occurrence of a Second Lien Event of Default as a consequence of that failure to make a Payment in relation to the relevant Second Lien Debt Document; or

(b) the issue of a Second Lien Enforcement Notice on behalf of the Second Lien Secured Creditors.

5.5 **Payment obligations and capitalisation of interest continue**

(a) No Debtor shall be released from the liability to make any Payment (including of default interest, which shall continue to accrue) under any Second Lien Debt Document by the operation of Clauses 5.1 (*Restriction on Payment: Second Lien Liabilities*) to 5.4 (*Effect of Second Lien Payment Stop Notice or Senior Payment Default*) even if its obligation to make that Payment is restricted at any time by the terms of any of those Clauses.

(b) The accrual and capitalisation of interest (if any) in accordance with the Second Lien Debt Documents shall continue notwithstanding the issue of a Second Lien Payment Stop Notice.

5.6 **Cure of Payment stop: Second Lien Secured Creditors**

If:

(a) at any time following the issue of a Second Lien Payment Stop Notice or the occurrence of a Senior Payment Default, that Second Lien Payment Stop Notice ceases to be outstanding and/or, as the case may be, the Senior Payment Default ceases to be continuing; and

(b) any Debtor then promptly pays to the Second Lien Secured Creditors an amount equal to any Payments which had accrued under the Second Lien Debt Documents and which would have been Permitted Second Lien Payments but for that Second Lien Payment Stop Notice or Senior Payment Default,

then any Event of Default (including any cross default or similar provision under any other Debt Document) which may have occurred as a result of that suspension of Payments shall be waived and any Second Lien Enforcement Notice which may have been issued as a result of that Event of Default shall be waived, in each case without any further action being required on the part of the Second Lien Secured Creditors or any other Creditor or Operating Facility Lender.

5.7 **Restrictions on enforcement by Second Lien Secured Creditors**

Until the Senior Discharge Date, except with the prior consent of or as required by an Instructing Group:

(a) no Second Lien Secured Creditor shall direct the Security Agent to enforce or otherwise require the enforcement of any Transaction Security; and

(b) no Second Lien Secured Creditor shall take or require the taking of any Enforcement Action in relation to the Second Lien Liabilities,

except as permitted under Clause 5.8 (*Permitted Second Lien enforcement*), provided, however, that no such action required by the Security Agent need be taken except to the extent the Security Agent is otherwise entitled under this Agreement to direct such action.

5.8 **Permitted Second Lien enforcement**

(a) Subject to Clause 5.11 (*Enforcement on behalf of Second Lien Secured Creditors*), the restrictions in Clause 5.7 (*Restrictions on enforcement by Second Lien Secured Creditors*) will not apply if:

(i) a Second Lien Event of Default (the "**Relevant Second Lien Default**") is continuing;

(ii) each Senior Agent has received a notice of the Relevant Second Lien Default specifying the event or circumstance in relation to the Relevant Second Lien Default from the relevant Second Lien Agent;

(iii) a Second Lien Standstill Period (as defined below) has elapsed; and

(iv) the Relevant Second Lien Default is continuing at the end of the relevant Second Lien Standstill Period.

(b) Promptly upon becoming aware of a Second Lien Event of Default, the relevant Second Lien Agent may by notice (a "**Second Lien Enforcement Notice**") in writing notify the Senior Agents of the existence of such Second Lien Event of Default.

5.9 **Second Lien Standstill Period**

In relation to a Relevant Second Lien Default, a Second Lien Standstill Period shall mean the period beginning on the date (the "**Second Lien Standstill Start Date**") the relevant Second Lien Agent serves a Second Lien Enforcement Notice on each of the Senior Agents in respect of such Relevant Second Lien Default and ending on the earliest to occur of:

(a) the date falling 120 days after the Second Lien Standstill Start Date;

(b) the date the Senior Secured Parties (other than the Second Lien Secured Creditors) take any Enforcement Action in relation to a particular Second Lien Borrower or Second Lien Guarantor, provided, however, that if a Second Lien Standstill Period ends pursuant to this paragraph (b), the Second Lien Secured Creditors may only take the same Enforcement Action in relation to the relevant Second Lien Borrower or Second Lien Guarantor as the Enforcement Action taken by the Senior Secured Parties (other than the Second Lien Secured Creditors) against such Second Lien Borrower or Second Lien Guarantor and not against any other member of the Group;

(c) the date of an Insolvency Event in relation to the relevant Second Lien Borrower or a particular Second Lien Guarantor against whom Enforcement Action is to be taken;

(d) the expiry of any other Second Lien Standstill Period outstanding at the date such first-mentioned Second Lien Standstill Period commenced (unless that expiry occurs as a result of a cure, waiver or other permitted remedy);

(e) the date on which the consent of each of the Senior Facility Agent (acting on the instructions of the Majority Senior Lenders), any Senior Notes Trustee (acting on behalf of the Senior Noteholders) and any Senior Creditor Representative (acting on the instructions of the Majority Permitted Senior Financing Creditors) has been obtained; and

(f) a failure to pay the principal amount outstanding under any Second Lien Facility or on any Permitted Second Lien Financing Debt, as the case may be, at the final stated maturity of the amounts outstanding on that Second Lien Facility or on that Permitted Second Lien Financing Debt, as the case may be (provided that, unless the Senior Lender Discharge Date has occurred or as otherwise agreed by the Majority Senior Lenders and the Parent, such final stated maturity does not fall on a date prior to the date falling 85 months after the First Utilisation Date),

the "**Second Lien Standstill Period**".

5.10 **Subsequent Second Lien Facility Defaults**

The Second Lien Secured Creditors may take Enforcement Action under Clause 5.8 (*Permitted Second Lien enforcement*) in relation to a Relevant Second Lien Default even if, at the end of any relevant Second Lien Standstill Period or at any later time, a further Second Lien Standstill Period has begun as a result of any other Second Lien Event of Default.

5.11 **Enforcement on behalf of Second Lien Secured Creditors**

If the Security Agent has notified the Second Lien Agents that it is enforcing Security created pursuant to any Security Document over shares of a Second Lien Borrower or a Second Lien Guarantor, no Second Lien Secured Creditor may take any action referred to in Clause 5.8 (*Permitted Second Lien enforcement*) against that Second Lien Borrower or Second Lien Guarantor (or any Subsidiary of that Second Lien Borrower or Second Lien Guarantor) while the Security Agent is taking steps to enforce that Security in accordance with the instructions of an Instructing Group where such action might be reasonably likely to adversely affect such enforcement or the amount of proceeds to be derived therefrom.

5.12 **Option to purchase: Second Lien Secured Creditors**

(a) Subject to paragraphs (b) and (c) below, any of the Second Lien Agent(s) (on behalf of the Second Lien Secured Creditors) may, after a Senior Acceleration Event, by giving not less than ten (10) days' notice to the Security Agent, require the transfer to the Second Lien Secured Creditors (or to a nominee or nominees), in accordance with Clause 19.3 (*Change of Senior Lender, Second Lien Lender, Permitted Senior Financing Creditor, Permitted Second Lien Financing Creditor or Permitted Parent Financing Creditor*), of all, but not part, of the rights, benefits and obligations in respect of the Senior Lender Liabilities, the Senior Notes Liabilities, any Permitted Senior Financing Liabilities and the Operating Facility Liabilities if:

(i) that transfer is lawful and, subject to paragraph (ii) below, otherwise permitted by the terms of the Senior Facilities Agreement (in the case of the Senior Lender Liabilities), any Senior Notes Indenture(s) pursuant to which any Senior Notes remain outstanding (in the case of the Senior Notes Liabilities), any Permitted Senior Financing Agreement pursuant to which any relevant Permitted Senior Financing Liabilities remain outstanding (in the case of the Permitted Senior Financing Liabilities) and/or any Operating Facility Documents pursuant to which any relevant Operating Facility Liabilities remain outstanding (in the case of the Operating Facility Liabilities);

(ii) any conditions relating to such a transfer contained in the Senior Facilities Agreement (in the case of the Senior Lender Liabilities), any Senior Notes Indenture(s) pursuant to which any Senior Notes remain outstanding (in the case of the Senior Notes Liabilities), any Permitted Senior Financing Agreement pursuant to which any relevant Permitted Senior Financing Liabilities remain outstanding (in the case of the Permitted Senior Financing Liabilities) and/or any Operating Facility Documents pursuant to which any relevant Operating Facility Liabilities remain outstanding (in the case of the Operating Facility Liabilities) are complied with, other than:

(A) any requirement to obtain the consent of, or consult with, any Debtor or other member of the Group relating to such transfer, which consent or consultation shall not be required; and

(B) to the extent to which all the Second Lien Secured Creditors (acting as a whole) provide cash cover for any Letter of Credit, the consent of the relevant Issuing Bank relating to such transfer;

(iii)

(A) the Senior Facility Agent, on behalf of the Senior Lenders, is paid an amount equal to the aggregate of:

(1) any amounts provided as cash cover by the Second Lien Secured Creditors for any Letter of Credit (as envisaged in paragraph (a)(ii)(B) above);

(2) all of the Senior Lender Liabilities at that time (whether or not due), including all amounts that would have been payable under the Senior Facilities Agreement if the Senior Facilities were being prepaid by the relevant Debtors on the date of that payment; and

(3) all costs and expenses (including legal fees) incurred by the Senior Facility Agent, the Senior Lenders and/or the Security Agent as a consequence of giving effect to that transfer; and

(B) the applicable Senior Notes Trustee, on behalf of the relevant Senior Notes Creditors, is paid an amount equal to the aggregate of:

(1) all of the Senior Notes Liabilities at that time (whether or not due), including all amounts that would have been payable (including any prepayment premium or make-whole amount) under the Senior Notes Indenture if the Senior Notes were being redeemed by the relevant Debtors on the date of that payment; and

(2) all costs and expenses (including legal fees) incurred by the Senior Notes Trustee and/or the Senior Notes Creditors as a consequence of giving effect to that transfer;

(C) the applicable Senior Creditor Representative, on behalf of the relevant Permitted Senior Financing Creditors, is paid an amount equal to the aggregate of:

(1) any amount provided as cash cover by the Senior Parent Creditors for any Letter of Credit (as envisaged in paragraph (a)(ii)(B) above);

(2) all of the Permitted Senior Financing Liabilities at that time (whether or not due), including all amounts that would have been payable (including any prepayment premium or make-whole amount) under the Permitted Senior Financing Documents if the Permitted Senior Financing Debt was being prepaid or redeemed (as applicable) by the relevant Debtors on the date of that payment; and

(3) all costs and expenses (including legal fees) incurred by the Senior Creditor Representative, the Permitted Senior Financing Creditors and/or the Security Agent as a consequence of giving effect to that transfer; and

(D) the Operating Facility Lenders are paid an amount equal to the aggregate of:

(1) all of the Operating Facility Liabilities at that time (whether or not due), including all amounts that would have been payable under the Operating Facility Documents if the Operating Facilities were being prepaid by the relevant Debtors on the date of that payment; and

(2) all costs and expenses (including legal fees) incurred by the Operating Facility Lenders and/or the Security Agent as a consequence of giving effect to that transfer;

(iv) as a result of that transfer the Senior Lenders, the Senior Notes Creditors, the Permitted Senior Financing Creditors and the Operating Facility Lenders have no further actual or contingent liability to the Parent or any other Debtor under the relevant Secured Debt Documents;

(v) an indemnity is provided from each Second Lien Secured Creditor (other than any Second Lien Agent) (or from another third party acceptable to all the Senior Lenders, the Senior Notes Creditors, the Permitted Senior Financing Creditors and the Operating Facility Lenders) in a form reasonably satisfactory to each Senior Lender, Senior Notes Creditor, Permitted Senior Financing Creditor and Operating Facility Lender in respect of all costs, expenses, losses and liabilities which may be sustained or incurred by any Senior Lender, Senior Notes Creditor, Permitted Senior Financing Creditor or Operating Facility Lender in consequence of any sum received or recovered by any Senior Lender, Senior Notes Creditor, Permitted Senior Financing Creditor or Operating Facility Lender from any person being required (or it being alleged that it is required) to be paid back by or clawed back from any Senior Lender, Senior Notes Creditor, Permitted Senior Financing Creditor or Operating Facility Lender for any reason; and

(vi) the transfer is made without recourse to, or representation or warranty from, the Senior Lenders, the Senior Notes Creditors, the Permitted Senior Financing Creditors or the Operating Facility Lenders, except that each Senior Lender, Senior Notes Creditor, Permitted Senior Financing Creditor and Operating Facility Lender shall be deemed to have represented and warranted on the date of that transfer that it has the corporate power to effect that transfer and it has taken all necessary action to authorise the making by it of that transfer.

(b) Subject to paragraph (b) of Clause 5.13 (*Hedge Transfer: Second Lien Secured Creditors*), a Second Lien Agent (on behalf of all the Second Lien Secured Creditors) may only require a Senior Secured Liabilities Transfer if, at the same time, they require a Hedge Transfer in accordance with Clause 5.13 (*Hedge Transfer: Second Lien Secured Creditors*) and if, for any reason, a Hedge Transfer cannot be made in accordance with Clause 5.13 (*Hedge Transfer: Second Lien Secured Creditors*), no Senior Secured Liabilities Transfer may be required to be made.

(c) At the request of a Second Lien Agent (on behalf of all the Second Lien Secured Creditors):

(i) the Senior Facility Agent shall notify the Second Lien Agents of:

(A) the sum of the amounts described in paragraphs (a)(iii)(A)(2) and (3) above; and

(B) the amount of each Letter of Credit for which cash cover is to be provided to it by all the Second Lien Secured Creditors (acting as a whole);

(ii) any relevant Senior Notes Trustee shall notify the Second Lien Agents of the sum of amounts described in paragraphs (a)(iii)(B)(1) and (2) above;

(iii) any relevant Senior Creditor Representative shall notify the Second Lien Agents of:

(A) the sum of the amounts described in paragraphs (a)(iii)(C)(2) and (3) above; and

(B) the amount of each Letter of Credit for which cash cover is to be provided to it by all the Second Lien Secured Creditors (acting as a whole); and

(iv) the Operating Facility Lenders shall notify the Second Lien Agents of the sum of amounts described in paragraphs (a)(iii)(D)(1) and (2) above.

5.13 **Hedge Transfer: Second Lien Secured Creditors**

(a) A Second Lien Agent (on behalf of all the Second Lien Secured Creditors, acting as a whole) may, by giving not less than 10 days' notice to the Security Agent, require a Hedge Transfer:

(i) if either:

(A) the Second Lien Secured Creditors require, at the same time, a Senior Secured Liabilities Transfer under Clause 5.12 (*Option to purchase: Second Lien Secured Creditors*); or

(B) all the Second Lien Secured Creditors (acting as a whole) require that Hedge Transfer at any time on or after the Senior Discharge Date; and

(ii) if:

(A) that transfer is lawful and otherwise permitted by the terms of the Hedging Agreements, in which case no Debtor or other member of the Group shall be entitled to withhold its consent to that transfer;

(B) any conditions (other than the consent of, or any consultation with, any Debtor or other member of the Group) relating to that transfer contained in the Hedging Agreements are complied with;

(C) each Hedge Counterparty is paid (in the case of a positive number) or pays (in the case of a negative number) an amount equal to the aggregate of (1) the Hedging Purchase Amount in respect of the hedging transactions under the relevant Hedging Agreement at that time and (2) all costs and expenses (including legal fees) incurred by such Hedge Counterparty as a consequence of giving effect to that transfer;

(D) as a result of that transfer, the Hedge Counterparties have no further actual or contingent liability to any Debtor under the Hedging Agreements;

(E) an indemnity is provided from each Second Lien Secured Creditor (other than any Second Lien Agent) which is receiving (or for which a nominee is receiving) that transfer (or from another third party acceptable to the relevant Hedge Counterparty) in a form reasonably satisfactory to the relevant Hedge Counterparty in respect of all losses which may be sustained or incurred by that Hedge Counterparty in consequence of any sum received or recovered by that Hedge Counterparty being required (or it being alleged that it is required) to be paid back by or clawed back from the Hedge Counterparty for any reason; and

(F) that transfer is made without recourse to, or representation or warranty from, the relevant Hedge Counterparty, except that the relevant Hedge Counterparty shall be deemed to have represented and warranted on the date of that transfer that it has the corporate power to effect that transfer and it has taken all necessary action to authorise the making by it of that transfer.

(b) A Second Lien Agent (acting on behalf of all the Second Lien Secured Creditors) and any Hedge Counterparty may agree (in respect of the Hedging Agreements (or one or more of them) to which that Hedge Counterparty is a party) that a Hedge Transfer required by all the Second Lien Secured Creditors (acting as a whole) pursuant to paragraph (a) above shall not apply to that/those Hedging Agreement(s) or to the Hedging Liabilities and Hedge Counterparty Obligations under that/those Hedging Agreement(s).

(c) If a Second Lien Agent is entitled to require a Hedge Transfer under this Clause 5.13, the Hedge Counterparties shall at the request of any Second Lien Agent provide details of the amounts referred to in paragraph (a)(ii)(C) above.

6. SENIOR PARENT CREDITORS AND SENIOR PARENT LIABILITIES

6.1 Restriction on Payment and dealings: Senior Parent Liabilities

Until the First/Second Lien Discharge Date, no Senior Parent Debt Issuer shall (and Parent shall ensure that no member of the Group will):

(a) pay, repay, prepay, redeem, acquire or defease any principal, interest or other amount on or in respect of, or make any distribution in respect of, any Senior Parent Liabilities in cash or in kind or apply any such money or property in or towards discharge of any Senior Parent Liabilities except as permitted by Clause 6.2 (*Permitted Senior Parent Payments*), Clause 6.9 (*Permitted Senior Parent enforcement*), Clause 9.5 (*Filing of claims*) or Clause 16 (*Additional Debt*);

(b) exercise any set-off against any Senior Parent Liabilities, except as permitted by Clause 6.2 (*Permitted Senior Parent Payments*), Clause 6.8 (*Restrictions on enforcement by Senior Parent Creditors*), Clause 9.5 (*Filing of claims*) or Clause 16 (*Additional Debt*); or

(c) create or permit to subsist any Security over any assets of any member of the Group or give any guarantee (and the Senior Parent Agents may not, and no Senior Parent Creditor may, accept the benefit of any such Security or guarantee from any Group Company) for, or in respect of, any Senior Parent Liabilities other than:

(i) the Senior Parent Guarantees;

(ii) at the option of the Parent, all or any of the Transaction Security (provided that, for the avoidance of doubt, each of the Parties agrees that the Transaction Security shall rank and secure the Senior Parent Liabilities as set out in Clause 2.2 (*Transaction Security*));

(iii) any Security over any assets of any Senior Parent Debt Issuer (other than, without prejudice to paragraph (ii) above, any such assets subject to the Parent Security);

(iv) any other Security or guarantee provided by a member of the Group (the "**Credit Support Provider**") provided that, to the extent legally possible:

(A) the Credit Support Provider becomes party to this Agreement as a Debtor (if not already a Party in that capacity);

(B) all amounts actually received or recovered by any Senior Parent Agent or Senior Parent Creditor with respect to any such Security shall immediately be paid to the Security Agent and applied in accordance with Clause 14 (*Application of Proceeds*);

(C) any such Security may only be enforced in accordance with Clause 12.6 (*Security held by other Creditors*); and

(D) any such guarantee is expressed to be subject to the terms of this Agreement; and

(v) any Security, guarantee, indemnity or other assurance against loss from any member of the Group in connection with:

(A) any escrow or similar or equivalent arrangements entered into in respect of amounts which are being held (or will be held) by a person which is not a member of the Group prior to release of those amounts to a member of the Group; or

(B) any actual or proposed defeasance, redemption, prepayment, repayment, purchase or other discharge of any Senior Lender Liabilities, Operating Facility Liabilities, Senior Notes Liabilities and/or Permitted Senior Financing Liabilities (in each case provided that such defeasance, redemption, prepayment, repayment, purchase or other discharge is not prohibited by the terms of this Agreement).

6.2 **Permitted Senior Parent Payments**

Any member of the Group may:

(a) prior to the First/Second Lien Discharge Date, directly or indirectly make any Payment directly or indirectly in respect of the Senior Parent Liabilities at any time:

(i) if:

(A) the Payment is of:

(1) any of the principal amount of the Senior Parent Liabilities which is either:

(aa) not prohibited by the Senior Financing Agreements; or

(bb) paid on or after the final maturity date of the relevant Senior Parent Liabilities (provided that, unless the Senior Lender Discharge Date has occurred or as otherwise agreed by the Majority Senior Lenders and the Parent such final maturity date does not fall on a date prior to the date falling 85 months after the First Utilisation Date);

(cc) any provision in any Senior Parent Financing Agreement or other Senior Parent Finance Document which is substantially equivalent to section 2.20 (*Illegality*) of the Senior Facilities Agreement (provided that the relevant illegality does not arise as a result of action taken by a Senior Parent Creditor which is taken with the intention of triggering a prepayment under such provision);

(dd) any provision in any Senior Parent Financing Agreement or other Senior Parent Finance Document which is substantially equivalent to section 2.19 (*Mitigation Obligations; Replacement of Lenders*) of the Senior Facilities Agreement provided that no Senior Event of Default is continuing; or

(2) any other amount which is not an amount of principal (including any interest which has been capitalised to become an amount of principal);

(B) no Senior Parent Payment Stop Notice is outstanding;

(C) no Senior Payment Default has occurred and is continuing; and

(D) no Second Lien Payment Default has occurred and is continuing;

(ii) if the Required Senior Consent and the Required Second Lien Consent has been obtained;

(iii) if the Payment is of a Senior Parent Notes Trustee Amount;

(iv) if the Payment is made by the relevant Senior Parent Debt Issuer and funded directly or indirectly with amounts which have not been received by that Senior Parent Debt Issuer from another member of the Group;

(v) of any Notes Security Costs;

(vi) of costs, commissions, taxes, fees and expenses incurred in respect of or in relation to (or reasonably incidental to) any Senior Parent Finance Documents (including in relation to any reporting or listing requirements under the Senior Parent Finance Documents);

(vii) if the Payment is funded directly or indirectly with Permitted Parent Financing Debt and/or the proceeds of any indebtedness incurred under or pursuant to any Senior Parent Notes;

(viii) if the Payment is funded directly or indirectly with the proceeds of Available Shareholder Amounts;

(ix) of any other amount not exceeding €5,000,000 (or its equivalent) in aggregate in any financial year of the Parent; or

(iv) for so long as a Senior Parent Event of Default is continuing, if the Payment is of all or part of the Senior Parent Liabilities as a result of those Senior Parent Liabilities being released or otherwise discharged solely in consideration of the issue of shares in any Holding Company of the Parent (each a "**Debt for Equity Swap**") provided that:

(A) no cash or cash equivalent payment is made in respect of the Senior Parent Liabilities;

(B) any Liabilities owed by a member of the Group to another member of the Group or any other Holding Company of the Parent that arise as a result of any such Debt for Equity Swap are subordinated to the Senior Liabilities on terms agreed by the Majority Senior Creditors;

(C) any Liabilities owed by a member of the Group to another member of the Group arising as a result of such Debt for Equity Swap are subject to Transaction Security;

(D) at the time that any Debt for Equity Swap becomes effective, no Distressed Disposal is due to occur at such time which is reasonably likely to be adversely impeded by the occurrence of such Debt for Equity Swap; and

(E) no member of the Group shall become liable for, or incur, any material tax liability as a result of such Debt for Equity Swap and (subject to receipt of any required countersigned release or reliance letters and for informational purposes only) a tax report from a reputable independent firm of accountants is provided to the Security Agent (on which the Security Agent and the Senior Secured Creditors can rely), confirming that no such material tax liability has arisen or will arise as a result of such Debt for Equity Swap,

provided that for the purposes of this paragraph (a)(iv), unless and until the Parent has notified the relevant Agent in writing that it has not effected, is not pursuing and will not pursue a Debt for Equity Swap in respect of such Event of Default, any Event of Default under the Senior Facilities Agreement, any Senior Notes Indenture and any Permitted Senior Financing Agreement shall be construed to be continuing if it has not been waived; and

(b) on or after the First/Second Lien Discharge Date, make any Payment directly or indirectly in respect of the Senior Parent Liabilities at any time.

A reference in this Clause 6.2 to a Payment shall be construed to include any other direct or indirect step, matter, action or dealing in relation to any Senior Parent Liabilities which are otherwise prohibited under Clause 6.1 (*Restriction on Payment and dealings: Senior Parent Liabilities*).

6.3 **Issue of Senior Parent Payment Stop Notice**

(a) Until the Senior Discharge Date, except with the Required Senior Consent, and until the Second Lien Discharge Date, except with the Required Second Lien Consent, no Senior Parent Debt Issuer shall make (and the Parent shall procure that no member of the Group will make), and no Senior Parent Finance Party may receive from any member of the Group, any Permitted Senior Parent Payment (other than, for the avoidance of doubt, a roll-up or capitalisation of any amount and Senior Parent Notes Trustee Amounts and except as provided in paragraphs (a)(ii) to (a)(viii) of Clause 6.2 (*Permitted Senior Parent Payments*)) if:

(i) a Senior Payment Default and/or a Second Lien Payment Default is continuing; or

(ii) a Senior Event of Default (other than a Senior Payment Default and/or a Second Lien Payment Default) is continuing, from the date which is one Business Day after the date on which any Senior Agent delivers a notice (a "**Senior Parent Payment Stop Notice**") specifying the event or circumstance in relation to that Senior Event of Default to the Parent, the Security Agent and the Senior Parent Agents until the earliest of:

(A) the date falling 179 days after delivery of that Senior Parent Payment Stop Notice;

(B) in relation to payments of Senior Parent Liabilities, if a Senior Parent Standstill Period is in effect at any time after delivery of that Senior Parent Payment Stop Notice, the date on which that Senior Parent Standstill Period expires;

(C) the date on which the relevant Senior Event of Default has been remedied or waived in accordance with the applicable Senior Financing Agreement;

(D) the date on which the Senior Agent which delivered the relevant Senior Parent Payment Stop Notice delivers a notice to the Parent, the Security Agent and the Senior Parent Agents cancelling the Senior Parent Payment Stop Notice;

(E) the First/Second Lien Discharge Date; and

(F) the date on which the Security Agent or a Senior Parent Agent takes Enforcement Action permitted under this Agreement against a Debtor.

(b) Unless each of the Senior Parent Agents waives this requirement:

(i) a new Senior Parent Payment Stop Notice may not be delivered unless and until 360 days have elapsed since the delivery of the immediately prior Senior Parent Payment Stop Notice; and

(ii) no Senior Parent Payment Stop Notice may be delivered by a Senior Agent in reliance on a Senior Event of Default more than 60 days after the date that Senior Agent received notice of that Senior Event of Default.

(c) The Senior Agents may only serve one Senior Parent Payment Stop Notice with respect to the same event or set of circumstances. Subject to paragraph (b) above, this shall not affect the right of the Agents to issue a Senior Parent Payment Stop Notice in respect of any other event or set of circumstances.

(d) No Senior Parent Payment Stop Notice may be served by an Agent in respect of a Senior Event of Default which had been notified to the Agents at the time at which an earlier Senior Parent Payment Stop Notice was issued.

(e) For the avoidance of doubt, this Clause 6.3:

(i) acts as a suspension of payment and not as a waiver of the right to receive payment on the date such payments are due;

(ii) will not prevent the accrual or capitalisation of interest (including default interest) in accordance with the Senior Parent Finance Documents; and

(iii) will not prevent the payment of any Senior Parent Notes Trustee Amounts or other amounts funded directly or indirectly with amounts which have not been received by the relevant Senior Parent Debt Issuer from another member of the Group.

6.4 **Effect of Senior Parent Payment Stop Notice or Senior Payment Default**

Any failure to make a Payment due under the Senior Parent Finance Documents as a result of the issue of a Senior Parent Payment Stop Notice or the occurrence of a Senior Payment Default shall not prevent:

(a) the occurrence of a Senior Parent Event of Default as a consequence of that failure to make a Payment in relation to the relevant Senior Parent Finance Document; or

(b) the issue of a Senior Parent Enforcement Notice on behalf of the Senior Parent Creditors.

6.5 **Payment obligations and capitalisation of interest continue**

(a) Neither the relevant Senior Parent Debt Issuer nor any other Debtor shall be released from the liability to make any Payment (including of default interest, which shall continue to accrue) under any Senior Parent Finance Document by the operation of Clauses 6.1 (*Restriction on Payment and dealings: Senior Parent Liabilities*) to 6.4 (*Effect of Senior Parent Payment Stop Notice or Senior Payment Default*) even if its obligation to make that Payment is restricted at any time by the terms of any of those Clauses.

(b) The accrual and capitalisation of interest (if any) in accordance with the Senior Parent Finance Documents shall continue notwithstanding the issue of a Senior Parent Payment Stop Notice.

6.6 **Cure of Payment stop: Senior Parent Creditors**

If:

(a) at any time following the issue of a Senior Parent Payment Stop Notice or the occurrence of a Senior Payment Default, that Senior Parent Payment Stop Notice ceases to be outstanding and/or, as the case may be, the Senior Payment Default ceases to be continuing; and

(b) the relevant Senior Parent Debt Issuer or the relevant Debtor then promptly pays to the Senior Parent Creditors an amount equal to any Payments which had accrued under the Senior Parent Finance Documents and which would have been Permitted Senior Parent Payments but for that Senior Parent Payment Stop Notice or Senior Payment Default,

then any Event of Default (including any cross default or similar provision under any other Debt Document) which may have occurred as a result of that suspension of Payments shall be waived and any Senior Parent Enforcement Notice which may have been issued as a result of that Event of Default shall be waived, in each case without any further action being required on the part of the Senior Parent Creditors or any other Creditor or Operating Facility Lender.

6.7 **Amendments and waivers: Senior Parent Creditors**

The Senior Parent Creditors, the relevant Senior Parent Debt Issuer and the Debtors may at any time amend or waive the terms of the Senior Parent Notes Finance Documents and/or the Permitted Parent Financing Documents in accordance with their respective terms from time to time (and subject only to any consent required under them).

6.8 **Restrictions on enforcement by Senior Parent Creditors**

Until the First/Second Lien Discharge Date, except with the prior consent of or as required by an Instructing Group:

(a) no Senior Parent Creditor shall direct the Security Agent to enforce or otherwise require the enforcement of any Transaction Security; and

(b) no Senior Parent Creditor shall take or require the taking of any Enforcement Action in relation to the Senior Parent Guarantees,

except as permitted under Clause 6.9 (*Permitted Senior Parent enforcement*), provided, however, that no such action required by the Security Agent need be taken except to the extent the Security Agent is otherwise entitled under this Agreement to direct such action.

6.9 **Permitted Senior Parent enforcement**

(a) Subject to Clause 6.12 (*Enforcement on behalf of Senior Parent Creditors*), the restrictions in Clause 6.8 (*Restrictions on enforcement by Senior Parent Creditors*) will not apply if:

(i) a Senior Parent Event of Default (the "**Relevant Senior Parent Default**") is continuing;

(ii) each Senior Agent has received a notice of the Relevant Senior Parent Default specifying the event or circumstance in relation to the Relevant Senior Parent Default from the relevant Senior Parent Agent;

(iii) a Senior Parent Standstill Period (as defined below) has elapsed; and

(iv) the Relevant Senior Parent Default is continuing at the end of the relevant Senior Parent Standstill Period.

(b) Promptly upon becoming aware of a Senior Parent Event of Default, the relevant Senior Parent Agent may by notice (a "**Senior Parent Enforcement Notice**") in writing notify the Senior Agents of the existence of such Senior Parent Event of Default.

6.10 **Senior Parent Standstill Period**

In relation to a Relevant Senior Parent Default, a Senior Parent Standstill Period shall mean the period beginning on the date (the "**Senior Parent Standstill Start Date**") the relevant Senior Parent Agent serves a Senior Parent Enforcement Notice on each of the Senior Agents in respect of such Relevant Senior Parent Default and ending on the earliest to occur of:

(a) the date falling 179 days after the Senior Parent Standstill Start Date;

(b) the date the Senior Secured Parties take any Enforcement Action in relation to a particular Senior Parent Guarantor, provided, however, that if a Senior Parent Standstill Period ends pursuant to this paragraph (b), the Senior Parent Finance Parties may only take the same Enforcement Action in relation to the Senior Parent Guarantor as the Enforcement Action taken by the Senior Secured Parties against such Senior Parent Guarantor and not against any other member of the Group;

(c) the date of an Insolvency Event in relation to the relevant Senior Parent Debt Issuer or a particular Senior Parent Guarantor against whom Enforcement Action is to be taken;

(d) the expiry of any other Senior Parent Standstill Period outstanding at the date such first-mentioned Senior Parent Standstill Period commenced (unless that expiry occurs as a result of a cure, waiver or other permitted remedy);

(e) the date on which the consent of each of the Senior Facility Agent (acting on the instructions of the Majority Senior Lenders), the Second Lien Facility Agent (acting on the instructions of the Majority Second Lien Lenders), any Senior Notes Trustee (acting on behalf of the Senior Noteholders), any Senior Creditor Representative (acting on the instructions of the Majority Permitted Senior Financing Creditors) and any Second Lien Creditor Representative (acting on the instructions the Majority Permitted Second Lien Financing Creditors) has been obtained; and

(f) a failure to pay the principal amount outstanding on any Senior Parent Notes or on any Permitted Parent Financing Debt, as the case may be, at the final stated maturity of the amounts outstanding on the Senior Parent Notes or on the Permitted Parent Financing Debt, as the case may be (provided that (i) unless the Senior Lender Discharge Date has occurred or as otherwise agreed by the Majority Senior Lenders and the Parent, such final stated maturity does not fall on a date prior to the date falling 85 months after the First Utilisation Date and (ii) if any Second Lien Debt has been incurred unless the Second Lien Lender Discharge Date has occurred or as otherwise agreed by the Majority Second Lien Lenders and the Parent, such final stated maturity does not fall on a date prior to the date falling 85 months after the First Utilisation Date),

the "**Senior Parent Standstill Period**".

6.11 **Subsequent Senior Parent Notes Defaults**

The Senior Parent Finance Parties may take Enforcement Action under Clause 6.9 (*Permitted Senior Parent enforcement*) in relation to a Relevant Senior Parent Default even if, at the end of any relevant Senior Parent Standstill Period or at any later time, a further Senior Parent Standstill Period has begun as a result of any other Senior Parent Event of Default.

6.12 **Enforcement on behalf of Senior Parent Creditors**

If the Security Agent has notified the Senior Parent Agents that it is enforcing Security created pursuant to any Security Document over shares of a Senior Parent Guarantor, no Senior Parent Creditor may take any action referred to in Clause 6.9 (*Permitted Senior Parent enforcement*) against that Senior Parent Guarantor or any Subsidiary of that Senior Parent Guarantor while the Security Agent is taking steps to enforce that Security in accordance with the instructions of an Instructing Group where such action might be reasonably likely to adversely affect such enforcement or the amount of proceeds to be derived therefrom.

6.13 **Option to purchase: Senior Parent Creditors**

(a) Subject to paragraphs (b) and (c) below, any of the Senior Parent Agent(s) (on behalf of the Senior Parent Creditors) may, after a Senior Acceleration Event and/or a Second Lien Facility Acceleration Event, by giving not less than ten (10) days' notice to the Security Agent, require the transfer to the Senior Parent Creditors (or to a nominee or nominees), in accordance with Clause 19.3 (*Change of Senior Lender, Second Lien Lender, Permitted Senior Financing Creditor, Permitted Second Lien Financing Creditor or Permitted Parent Financing Creditor*), of all, but not part, of the rights, benefits and obligations in respect of the Senior Secured Liabilities and the Operating Facility Liabilities if:

(i) that transfer is lawful and, subject to paragraph (ii) below, otherwise permitted by the terms of the Senior Facilities Agreement (in the case of the Senior Lender Liabilities), any Second Lien Facility Agreement (in the case of the Second Lien Lender Liabilities), any Senior Notes Indenture(s) pursuant to which any Senior Notes remain outstanding (in the case of the Senior Notes Liabilities), any Permitted Senior Financing Agreement pursuant to which any relevant Permitted Senior Financing Liabilities remain outstanding (in the case of the Permitted Senior Financing Liabilities), any Permitted Second Lien Financing Agreement pursuant to which any relevant Permitted Second Lien Financing Liabilities remain outstanding (in the case of the Permitted Second Lien Financing Liabilities) and/or any Operating Facility Documents pursuant to which any relevant Operating Facility Liabilities remain outstanding (in the case of the Operating Facility Liabilities);

(A) any requirement to obtain the consent of, or consult with, any Debtor or other member of the Group relating to such transfer, which consent or consultation shall not be required; and

(B) to the extent to which all the Senior Parent Creditors (acting as a whole) provide cash cover for any Letter of Credit, the consent of the relevant Issuing Bank relating to such transfer;

(iii)

(A) the Senior Facility Agent, on behalf of the Senior Lenders, is paid an amount equal to the aggregate of:

(1) any amounts provided as cash cover by the Senior Parent Creditors for any Letter of Credit (as envisaged in paragraph (a)(ii)(B) above);

(3) all costs and expenses (including legal fees) incurred by the Senior Creditor Representative, the Permitted Senior Financing Creditors and/or the Security Agent as a consequence of giving effect to that transfer;

(D) the Operating Facility Lenders are paid an amount equal to the aggregate of:

(b) Subject to paragraph (b) of Clause 6.14 (*Hedge Transfer: Senior Parent Creditors*), a Senior Parent Agent (on behalf of all the Senior Parent Creditors) may only require a Senior Secured Liabilities Transfer if, at the same time, they require a Hedge Transfer in accordance with Clause 6.14 (*Hedge Transfer: Senior Parent Creditors*) and if, for any reason, a Hedge Transfer cannot be made in accordance with Clause 6.14 (*Hedge Transfer: Senior Parent Creditors*), no Senior Secured Liabilities Transfer may be required to be made.

(i) if either:

(A) the Senior Parent Creditors require, at the same time, a Senior Secured Liabilities Transfer under Clause 6.13 (*Option to purchase: Senior Parent Creditors*); or

(B) all the Senior Parent Creditors (acting as a whole) require that Hedge Transfer at any time on or after the First/Second Lien Discharge Date; and

(F) that transfer is made without recourse to, or representation or warranty from, the relevant Hedge Counterparty, except that the relevant Hedge Counterparty shall be deemed to have represented and warranted on the date of that transfer that it has the corporate power to effect that transfer and it has taken all necessary action to authorise the making by it of that transfer.

(b) A Senior Parent Agent (acting on behalf of all the Senior Parent Creditors) and any Hedge Counterparty may agree (in respect of the Hedging Agreements (or one or more of them) to which that Hedge Counterparty is a party) that a Hedge Transfer required by all the Senior Parent Creditors (acting as a whole) pursuant to paragraph (a) above shall not apply to that/those Hedging Agreement(s) or to the Hedging Liabilities and Hedge Counterparty Obligations under that/those Hedging Agreement(s).

(c) If a Senior Parent Agent is entitled to require a Hedge Transfer under this Clause 6.14, the Hedge Counterparties shall at the request of any Senior Parent Agent provide details of the amounts referred to in paragraph (a)(ii)(C) above.

7. INVESTOR LIABILITIES

7.1 Restriction on Payment: Investor Liabilities

Prior to the Final Discharge Date, the Debtors shall not, and shall procure that no other member of the Group will, make any Payment of the Investor Liabilities at any time unless:

(b) the taking or receipt of that Payment is permitted under Clause 7.7 (*Permitted Enforcement: Investors*).

7.2 Permitted Payments: Investor Liabilities

Any member of the Group may directly or indirectly make any Payments in respect of Investor Liabilities (whether of principal, interest or otherwise) at any time if:

(a) the Payment is not prohibited by the Debt Financing Agreements; or

(b) in relation to each Debt Financing Agreement that prohibits the Payment, the requisite Senior Secured Creditors or, as the case may be, Senior Parent Creditors under that Debt Financing Agreement consent to that Payment being made.

7.3 Payment obligations continue

Neither the Parent nor any other Debtor shall be released from the liability to make any Payment (including of default interest, which shall continue to accrue) under any Debt Document by the operation of Clauses 7.1 (*Restriction on Payment: Investor Liabilities*) and 7.2 (*Permitted Payments: Investor Liabilities*) even if its obligation to make that Payment is restricted at any time by the terms of any of those Clauses.

7.4 No acquisition of Investor Liabilities

Prior to the Final Discharge Date, the Debtors shall not, and shall procure that no other member of the Group will:

(a) enter into any Liabilities Acquisition in respect of any of the Investor Liabilities with any person which is not a member of the Group; or

(b) beneficially own all or any part of the share capital of a company that is party to a Liabilities Acquisition in respect of any of the Investor Liabilities (unless that Liabilities Acquisition would not have been prohibited by this Clause 7.4 if made by a member of the Group),

in each case pursuant to which any payment is made by a member of the Group to a person which is not a member of the Group in respect of Investor Liabilities, unless:

(i) that action is not prohibited by the Debt Financing Agreements;

Subject to Clause 7.7 (*Permitted Enforcement: Investors*) and unless otherwise agreed by an Instructing Group, the Investors shall not be entitled to take any Enforcement Action in respect of any of Investor Liabilities at any time prior to the Final Discharge Date.

7.7 **Permitted Enforcement: Investors**

After the occurrence of an Insolvency Event in relation to the Parent, the Investors may (unless otherwise directed by the Security Agent or unless the Security Agent has taken, or has given notice that it intends to take, action on behalf of the Investors in accordance with Clause 9.5 (*Filing of claims*)), exercise any right it may otherwise have against the Parent to:

(a) accelerate any of the Investor Liabilities or declare them prematurely due and payable or payable on demand;

(b) make a demand under any guarantee, indemnity or other assurance against loss given in respect of any Investor Liabilities;

(c) exercise any right of set-off or take or receive any Payment in respect of any Investor Liabilities; or

(d) claim and prove in the liquidation of the Parent for any Investor Liabilities owing to it.

7.8 **Investor Liabilities: Exceptions**

Notwithstanding anything to the contrary, nothing in this Agreement or any of the Secured Debt Documents shall prohibit or restrict:

(a) any Payment made to an Investor under and in accordance with the terms of any Secured Debt Document (provided that, for the avoidance of doubt, this paragraph (a) shall not apply to a Payment which is not made under a Secured Debt Document or a Payment which is expressly prohibited by Clause 4 (*Hedge Counterparties and Hedging Liabilities*), Clause 5 (*Second Lien Secured Creditors and Second Lien Liabilities*) and/or Clause 6 (*Senior Parent Creditors and Senior Parent Liabilities*);

(b) any Payment or other return made by way of a roll-up or capitalisation of any amount, an issue of shares, an incurrence of indebtedness constituting Investor Liabilities (including the issue of payment-in-kind instruments) or any other similar or equivalent step, action or arrangement;

(c) any forgiveness, write-off or capitalisation of Investor Liabilities (or any other similar or equivalent step or action);

(e) any Liabilities Acquisition (including pursuant to section 9.04(i) (*Successors and Assigns*) of the Senior Facilities Agreement and any equivalent provisions of the other Debt Financing Agreements) and any payments or other actions arising in connection therewith (in each case unless that Liabilities Acquisition is otherwise prohibited by the terms of the Debt Financing Agreements);

(f) any Investor from granting any Security over or in relation to the Investor Liabilities or any related rights in respect thereof; or

(g) any Investor Liabilities benefiting from any Security, guarantee, indemnity or other assurance against loss in accordance with this Clause 7 where the relevant Investor Liabilities are subject to the terms of this Agreement (and consequently any right to take Enforcement Action in respect of the related Security, guarantee, indemnity or other assurance against loss is subject to the other provisions of this Clause 7).

8. INTRA-GROUP LENDERS AND INTRA-GROUP LIABILITIES

8.1 **Restriction on Payment: Intra-Group Liabilities**

Prior to the Final Discharge Date, the Debtors shall not, and the Parent shall procure that no other member of the Group will, make any Payments of the Intra-Group Liabilities at any time unless:

(a) that Payment is permitted under Clause 8.2 (*Permitted Payments: Intra-Group Liabilities*); or

(b) the taking or receipt of that Payment is permitted under paragraph (c) of Clause 8.7 (*Permitted Enforcement: Intra-Group Lenders*).

8.2 **Permitted Payments: Intra-Group Liabilities**

(a) Subject to paragraph (b) below, the Debtors may directly or indirectly make any Payments in respect of the Intra-Group Liabilities (whether of principal, interest or otherwise) at any time.

(b) Payments in respect of the Intra-Group Liabilities may not be made pursuant to paragraph (a) above if, at the time of the Payment, an Acceleration Event has occurred and is continuing and the Security Agent (acting on the instructions of an Instructing Group) has delivered a written notice to the Parent stating that no Payments may be made in respect of the Intra-Group Liabilities, in each case unless:

(i) an Instructing Group consents to that Payment being made; or

(ii) in relation to each Debt Financing Agreement that prohibits that Payment being made, the requisite Senior Secured Creditors or, as the case may be, Senior Parent Creditors under that Debt Financing Agreement consent to that action; or

(iii) that Payment is made to facilitate Payment of:

(A) prior to the First/Second Lien Discharge Date, any Senior Liabilities, Senior Notes Trustee Amounts and/or Senior Parent Notes Trustee Amounts; and

(B) on or after the First/Second Lien Discharge Date, any Senior Parent Liabilities.

8.3 **Payment obligations continue**

No Debtor shall be released from the liability to make any Payment (including of default interest, which shall continue to accrue) under any Debt Document by the operation of Clauses 8.1 (*Restriction on Payment: Intra-Group Liabilities*) and 8.2 (*Permitted Payments: Intra-Group Liabilities*) even if its obligation to make that Payment is restricted at any time by the terms of any of those Clauses.

8.4 **Acquisition of Intra-Group Liabilities**

(a) Subject to paragraph (b) below, each Debtor may, and may permit any other member of the Group to:

(i) enter into any Liabilities Acquisition; or

(ii) beneficially own all or any part of the share capital of a company that is party to a Liabilities Acquisition,

in respect of any Intra-Group Liabilities at any time.

(b) Subject to paragraph (c) below, no action described in paragraph (a) above may take place in respect of any Intra-Group Liabilities if, at the time of that action, an Acceleration Event has occurred and is continuing and the Security Agent (acting on the instructions of an Instructing Group) has delivered a written notice to the Parent stating that no action described in paragraph (a) above may take place in respect of any Intra-Group Liabilities.

(c) The restrictions in paragraph (b) above shall not apply if:

(i) an Instructing Group consents to that action; or

(ii) that action is taken to facilitate Payment of:

(A) prior to the First/Second Lien Discharge Date, any Senior Liabilities, Senior Notes Trustee Amounts and/or Senior Parent Notes Trustee Amounts; and

(B) on or after the First/Second Lien Discharge Date, any Senior Parent Liabilities.

8.5 **Security: Intra-Group Lenders**

Prior to the Final Discharge Date, the Intra-Group Lenders may not take, accept or receive the benefit of any Security, guarantee, indemnity or other assurance against loss in respect of the Intra-Group Liabilities unless:

(a) that Security, guarantee, indemnity or other assurance against loss is not prohibited by the Debt Financing Agreements;

(b) prior to the First/Second Lien Discharge Date, in relation to each Senior Financing Agreement that prohibits that Security, guarantee, indemnity or other assurance against loss, the requisite Senior Secured Creditors under that Senior Financing Agreement consent to that Security, guarantee, indemnity or other assurance against loss; or

(c) on or after the First/Second Lien Discharge Date, in relation to each Senior Parent Financing Agreement that prohibits that Security, guarantee, indemnity or other assurance against loss, the requisite Senior Parent Creditors under that Senior Parent Financing Agreement consent to that Security, guarantee, indemnity or other assurance against loss.

8.6 **Restriction on enforcement: Intra-Group Lenders**

Subject to Clause 8.7 (*Permitted Enforcement: Intra-Group Lenders*), none of the Intra-Group Lenders shall be entitled to take any Enforcement Action in respect of any of the Intra-Group Liabilities at any time prior to the Final Discharge Date.

8.7 **Permitted Enforcement: Intra-Group Lenders**

After the occurrence of an Insolvency Event in relation to any Group Company, each Intra-Group Lender may (unless otherwise directed by the Security Agent or unless the Security Agent has taken, or has given notice that it intends to take, action on behalf of that Intra-Group Lender in accordance with Clause 9.5 (*Filing of claims*)), exercise any right it may otherwise have against that Group Company to:

(a) accelerate any of that Group Company's Intra-Group Liabilities or declare them prematurely due and payable or payable on demand;

(b) make a demand under any guarantee, indemnity or other assurance against loss given by that Group Company in respect of any Intra-Group Liabilities;

(c) exercise any right of set-off or take or receive any Payment in respect of any Intra-Group Liabilities of that Group Company; or

(d) claim and prove in the liquidation of that Group Company for the Intra-Group Liabilities owing to it.

8.8 **Intra-Group Liabilities: Exceptions**

Notwithstanding anything to the contrary in this Agreement or any other Secured Debt Document and without imposing any additional obligation or restriction on any member of the Group, nothing in this Agreement (including this Clause 8 or Clause 19 (*Changes to the Parties*)) or any other Secured Debt Document shall prohibit or restrict any capitalisation, forgiveness, write-off, waiver, release, transfer or other discharge of any Intra-Group Liabilities (or any amounts due, payable or owing in connection therewith) or any other amount due, payable or owing by one member of the Group to another member of the Group, in the case of Intra-Group Liabilities unless an Acceleration Event has occurred and is continuing and the Security Agent (acting on the instructions of an Instructing Group) has delivered a written notice to the Parent stating that no such action shall be permitted without the prior consent of an Instructing Group.

9. EFFECT OF INSOLVENCY EVENT

9.1 **SFA Cash Cover**

This Clause 9 is subject to Clause 14.4 (*Treatment of SFA Cash Cover and Senior Lender Cash Collateral*) and, in the case of a Notes Trustee only, to Clause 26.1 (*Liability*).

9.2 **Payment of distributions**

(a) After the occurrence of an Insolvency Event in relation to any Debtor or, following an Acceleration Event which is continuing, any member of the Group, any Party entitled to receive a distribution out of the assets of that member of the Group in respect of Liabilities owed to that Party shall (in the case of any Creditor or Operating Facility Lender, only to the extent that such distribution would otherwise constitute a receipt or recovery of a type subject to the provisions of Clause 10.2 (*Turnover by the Creditors*) and, in all cases if prior to a Distress Event, only if required by the Security Agent acting on the instructions of an Instructing Group), subject to receiving payment instructions and any other relevant information from the Security Agent and to the extent it is able to do so, direct the person responsible for the distribution of the assets of that member of the Group to pay that distribution to the Security Agent until the Liabilities owing to the Secured Parties have been paid in full.

(b) The Security Agent shall apply distributions paid to it under paragraph (a) above in accordance with Clause 14 (*Application of Proceeds*).

9.3 Set-Off

(a) Subject to paragraph (b) below, to the extent that any member of the Group's Liabilities are discharged by way ofset-off (mandatory or otherwise) after the occurrence of an Insolvency Event in relation to that member of the Group, any Creditor and any Operating Facility Lender which benefited from that set-off shall (in the case of any Creditor or Operating Facility Lender, only to the extent that the relevant discharge constitutes a receipt or recovery of a type subject to the provisions of Clause 10.2 (*Turnover by the Creditors*) and, in all cases if prior to a Distress Event, only if required by the Security Agent acting on the instructions of an Instructing Group), subject to receiving payment instructions and any other relevant information from the Security Agent, pay an amount equal to the amount of the Liabilities owed to it which are discharged by that set-off to the Security Agent for application in accordance with Clause 14 (*Application of Proceeds*).

(b) Paragraph (a) above shall not apply to:

(i) any such discharge of the Multi-account Overdraft Liabilities to the extent that the relevant discharge represents a reduction from a Permitted Gross Amount of a Multi-account Overdraft Facility to or towards its Designated Net Amount;

(ii) any Close-Out Netting by a Hedge Counterparty or a Hedging Ancillary Lender;

(iii) any Payment Netting by a Hedge Counterparty or a Hedging Ancillary Lender;

(iv) any Inter-Hedging Agreement Netting by a Hedge Counterparty;

(v) any Inter-Hedging Ancillary Document Netting by a Hedging Ancillary Lender; and

(vi) any set-off which gives effect to a Permitted Payment (or another payment or distribution not prohibited by the terms of this Agreement) which is otherwise permitted to be made under this Agreement notwithstanding the occurrence of the relevant Insolvency Event.

9.4 **Non-cash distributions**

Subject to Clause 14.1 (*Order of application*) and Clause 14.2 (*Liabilities of the Senior Parent Debt Issuer*), if the Security Agent or any other Secured Party receives a distribution in a form other than in cash in respect of any of the Liabilities, the Liabilities will not be reduced by that distribution until and except to the extent that the realisation proceeds are actually applied towards the Liabilities.

9.5 **Filing of claims**

Without prejudice to any Ancillary Lender's right of netting or set-off relating to a Multi-account Overdraft Facility (to the extent that the netting or set-off represents a reduction from a Permitted Gross Amount of that Multi-account Overdraft Facility to or towards its Designated Net Amount), after the occurrence of an Insolvency Event in relation to any Debtor (or, following an Acceleration Event which is continuing, any member of the Group), each Creditor and each Operating Facility Lender irrevocably authorises the Security Agent (acting in accordance with Clause 9.7 (*Security Agent instructions*)), on its behalf, to:

(a) take any Enforcement Action (in accordance with the terms of this Agreement) against that member of the Group;

(b) demand, sue, prove and give receipt for any or all of that member of the Group's Liabilities;

(c) collect and receive all distributions on, or on account of, any or all of that member of the Group's Liabilities; and

(d) file claims, take proceedings and do all other things the Security Agent considers reasonably necessary to recover that member of the Group's Liabilities.

9.6 **Creditors' actions**

Each Creditor and each Operating Facility Lender will:

(a) do all things that the Security Agent (acting in accordance with Clause 9.7 (*Security Agent instructions*)) reasonably requests in order to give effect to this Clause 9; and

(b) if the Security Agent is not entitled to take any of the actions contemplated by this Clause 9 or if the Security Agent (acting in accordance with Clause 9.7 (*Security Agent instructions*)) requests that a Creditor or an Operating Facility Lender take that action, undertake that action itself in accordance with the instructions of the Security Agent (acting in accordance with Clause 9.7 (*Security Agent instructions*)) or grant a power of attorney to the Security Agent (on such terms as the Security Agent (acting in accordance with Clause 9.7 (*Security Agent instructions*)) may reasonably require, although no Notes Trustee shall be under any obligation to grant such powers of attorney) to enable the Security Agent to take such action.

9.7 **Security Agent instructions**

For the purposes of Clause 9.5 (*Filing of claims*) and Clause 9.6 (*Creditors' actions*) the Security Agent shall act:

(a) (except in relation to a Senior Parent Debt Issuer to the extent relating to Liabilities in respect of Senior Parent Notes and/or Permitted Parent Financing Debt where that Senior Parent Debt Issuer is the issuer or, as the case may be, the borrower) on the instructions of the group of Primary Creditors entitled, at that time, to give instructions under Clause 12.2 (*Enforcement Instructions*) or Clause 12.3 (*Manner of enforcement*); or

(b) in the absence of any such instructions, as the Security Agent sees fit.

9.8 **US Insolvency Proceedings**

(a) Notwithstanding the foregoing, or any other provision in this Agreement, in the event that any Debtor becomes subject to an Insolvency Event under the US Bankruptcy Code, no Secured Party, or any representative thereof, shall exercise any rights with respect to the Security Property of such Debtor, and each such persons hereby agrees not to take any action under the applicable bankruptcy proceeding that would be inconsistent with its agreement hereunder without the consent of the Majority Senior Creditors until payment in full and in cash of the Senior Secured Liabilities.

(b) If any Debtor commences a US Insolvency Proceeding, then this Agreement, which the Parties hereto expressly acknowledge is a "subordination agreement" under section 510(a) of the US Bankruptcy Code, shall be effective during the US Insolvency Proceeding of any such Debtor and the relative rights as to the Transaction Security and proceeds thereof shall continue after any Debtor commences a US Insolvency Proceeding on the same basis as prior to the date of the petition.

(c) In a US Insolvency Proceeding the provision of any debtor-in-possession financing (each a "**DIP Financing**") under section 364 of the US Bankruptcy Code that is secured by liens (the "**DIP Financing Liens**") senior to or pari passu with the liens securing the Senior Secured Liabilities or any consent to the use of cash collateral under section 363 of the US Bankruptcy Code shall be permitted with the consent of the Majority Senior Creditors. Any Party may provide DIP Financing; provided that such DIP Financing may not "roll-up" or otherwise include or refinance any pre-petition Secured Obligations junior in right of repayment or lien enforcement to the Senior Secured Liabilities. Each other Creditor agrees that, with respect to any such DIP Financing and DIP Financing Liens, it (i) will not oppose or object (nor will they join with or support any other person in opposing or objecting) unless the Majority Senior Creditors, shall then oppose or object to such DIP Financing or such DIP Financing Liens and (ii) will oppose and object to, at the instruction of the Majority Senior Creditors, or a Creditor Representative authorised by the Majority Senior Creditors, any DIP Financing that does not refinance and "roll-up" the Senior Secured Liabilities to a priming, senior secured, super priority administrative expense claim status.

(d) In connection with any US Insolvency Proceeding, the Senior Secured Creditors, notwithstanding anything to the contrary contained herein, shall retain all rights to vote to accept or reject any plan of reorganization, composition, arrangement or liquidation.

(e) In connection with any US Insolvency Proceeding, in the event that any Creditor that is subordinated in right of enforcement of liens to the Senior Secured Creditors becomes a judgment lien creditor in respect of Security Property, such judgment lien shall be subordinated to the liens securing the Senior Secured Liabilities on the same basis as the other Security securing such Secured Obligations are so subordinated to the liens securing the Senior Secured Liabilities under this Agreement.

10. TURNOVER OF RECEIPTS

10.1 SFA Cash Cover

This Clause 10 is subject to Clause 14.4 (*Treatment of SFA Cash Cover and Senior Lender Cash Collateral*) and, in the case of a Notes Trustee only, to Clause 26.1 (*Liability*).

10.2 Turnover by the Creditors

Subject to Clause 10.3 (*Exclusions*), Clause 10.4 (*Permitted assurance and receipts*), Clause 16 (*Additional Debt*) and, in the case of a Notes Trustee only, to Clause 26.1 (*Liability*), if at any time prior to the Final Discharge Date, any Creditor or Operating Facility Lender receives or recovers from any member of the Group:

(c) notwithstanding paragraphs (a) and (b) above, and other than where Clause 9.3 (*Set-Off*) applies, any amount:

(i) on account of, or in relation to, any of the Liabilities after the occurrence of a Distress Event (including as a result of any litigation or proceedings against a member of the Group, other than after the occurrence of an Insolvency Event in respect of that member of the Group); or

(ii) by way of set-off in respect of any of the Liabilities owed to it after the occurrence of a Distress Event,

other than, in each case:

(A) any amount received or recovered in accordance with Clause 14 (*Application of Proceeds*); and

(B) in the case of Intra-Group Liabilities, any amount received or recovered in accordance with Clause 8 (Intra-Group Lenders and Intra-Group Liabilities) (to the extent permitted to be received or recovered notwithstanding that an Acceleration Event is continuing);

(e) other than where Clause 9.3 (*Set-Off*) or Clause 16 (*Additional Debt*) applies, any distribution in cash or in kind or Payment of, or on account of or in relation to, any of the Liabilities owed by any member of the Group which is not in accordance with Clause 14 (*Application of Proceeds*) and which is made as a result of, or after, the occurrence of an Insolvency Event in respect of that member of the Group,

that Creditor or Operating Facility Lender will (in the case of any receipts and recoveries referred to in paragraph (e) above, if a Distress Event has not occurred, only if required by the Security Agent acting on the instructions of an Instructing Group):

(i) in relation to receipts and recoveries not received or recovered by way ofset-off:

(A) hold an amount of that receipt or recovery equal to the Relevant Liabilities (or if less, the amount received or recovered) on trust for the Security Agent and, subject to receiving payment instructions and any other relevant information from the Security Agent, promptly pay that amount to the Security Agent for application in accordance with the terms of this Agreement; and

10.3 **Exclusions**

Clause 10.2 (*Turnover by the Creditors*) shall not apply to any receipt or recovery:

(a) by way of:

(i) Close-Out Netting by a Hedge Counterparty or a Hedging Ancillary Lender;

(ii) Payment Netting by a Hedge Counterparty or a Hedging Ancillary Lender;

(iii) Inter-Hedging Agreement Netting by a Hedge Counterparty; or

(iv) Inter-Hedging Ancillary Document Netting by a Hedging Ancillary Lender; or

(c) made in accordance with Clause 15 (*Equalisation*);

(d) to the extent that such receipt or recovery was funded directly or indirectly with Permitted Senior Financing Debt, Second Lien Debt, Permitted Second Lien Financing Debt, Permitted Parent Financing Debt and/or the proceeds of any indebtedness incurred under or pursuant to any Senior Notes and/or Senior Parent Notes;

(e) in respect of funds received by the Security Agent for its own account; or

(f) that has been distributed by a Senior Notes Trustee to the Senior Noteholders in accordance with the Senior Notes Finance Documents or by a Senior Parent Notes Trustee to the Senior Parent Noteholders in accordance with the Senior Parent Finance Documents, unless the Senior Notes Trustee or the Senior Parent Notes Trustee, as applicable, had received at least two Business Days' prior notice that an Acceleration Event or an Insolvency Event has occurred in relation to a Debtor or that the receipt or recovery falls within Clause 10.2 (*Turnover by the Creditors*) in each case prior to distribution of the relevant amount.

10.4 **Permitted assurance and receipts**

Nothing in this Agreement shall restrict the ability of any Primary Creditor, Operating Facility Lender or Investor to:

(a) arrange with any person which is not a member of the Group any assurance against loss in respect of, or reduction of its credit exposure to, a Debtor (including assurance by way of credit based derivative or sub participation); or

(b) make any assignment or transfer permitted by Clause 19 (*Changes to the Parties*),

which:

(i) is not prohibited by any Debt Financing Agreement; and

(ii) is not in breach of:

(A) Clause 4.5 (*No acquisition of Hedging Liabilities*); or

(B) Clause 7.4 (*No acquisition of Investor Liabilities*),

and that Primary Creditor, Operating Facility Lender or Investor shall not be obliged to account to any other Party for any sum received by it as a result of that action.

10.5 **Sums received by Debtors**

If any of the Debtors receives or recovers any sum which, under the terms of any of the Secured Debt Documents, should have been paid to the Security Agent, that Debtor will:

(a) hold an amount of that receipt or recovery equal to the Relevant Liabilities (or if less, the amount received or recovered) on trust for the Security Agent and, unless otherwise agreed by the Security Agent and subject to receiving payment instructions and any other relevant information from the Security Agent, promptly pay that amount to the Security Agent for application in accordance with the terms of this Agreement; and

(b) unless otherwise agreed by the Security Agent and subject to receiving payment instructions and any other relevant information from the Security Agent, promptly pay an amount equal to the amount (if any) by which the receipt or recovery exceeds the Relevant Liabilities to the Security Agent for application in accordance with the terms of this Agreement.

10.6 **Saving provision**

If, for any reason, any of the trusts expressed to be created in this Clause 10 should fail or be unenforceable, the affected Creditor, Operating Facility Lender or Debtor will, unless otherwise agreed by the Security Agent and subject to receiving payment instructions and any other relevant information from the Security Agent, promptly pay an amount equal to that receipt or recovery to the Security Agent for application in accordance with the terms of this Agreement.

11. REDISTRIBUTION

11.1 **Recovering Creditor's rights**

(a) Any amount paid by a Creditor or an Operating Facility Lender (a "**Recovering Creditor**") to the Security Agent under Clause 9 (*Effect of Insolvency Event*) or Clause 10 (*Turnover of Receipts*) shall be treated as having been paid by the relevant Debtor and distributed to the Security Agent, other Agents, Arrangers, Primary Creditors and Operating Facility Lenders (each a "**Sharing Creditor**") in accordance with the terms of this Agreement.

(b) On a distribution by the Security Agent under paragraph (a) above of a Payment received by a Recovering Creditor from a Debtor, as between the relevant Debtor and the Recovering Creditor an amount equal to the amount received or recovered by the Recovering Creditor and paid to the Security Agent (the "**Shared Amount**") will be treated as not having been paid by that Debtor.

11.2 **Reversal of redistribution**

(a) If any part of the Shared Amount received or recovered by a Recovering Creditor becomes repayable to a Debtor and is repaid by that Recovering Creditor to that Debtor, then:

(i) each Sharing Creditor shall, upon request of the Security Agent, pay to the Security Agent for the account of that Recovering Creditor an amount equal to the appropriate part of its share of the Shared Amount (together with an amount as is necessary to reimburse that Recovering Creditor for its proportion of any interest on the Shared Amount which that Recovering Creditor is required to pay) (the "**Redistributed Amount**"); and

(ii) as between the relevant Debtor, each Recovering Creditor and each relevant Sharing Creditor, an amount equal to the relevant Redistributed Amount will be treated as not having been paid by that Debtor.

(b) The Security Agent shall not be obliged to pay any Redistributed Amount to a Recovering Creditor under paragraph (a)(i) above until it has been able to establish to its satisfaction that it has actually received that Redistributed Amount from the relevant Sharing Creditor.

11.3 **Deferral of Subrogation**

(a) No Creditor, Operating Facility Lender or Debtor will exercise any rights which it may have by reason of the performance by it of its obligations under the Debt Documents to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights under the Debt Documents of any Creditor or Operating Facility Lender which ranks ahead of it in accordance with the priorities set out in Clause 2 (*Ranking and Priority*) until such time as all of the Liabilities owing to each prior ranking Creditor and Operating Facility Lender (or, in the case of any Debtor, owing to each Creditor and Operating Facility Lender) have been irrevocably paid in full.

(b) No Investor or Intra-Group Lender will exercise any rights which it may have to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights under the Debt Documents of any other prior ranking Creditor or Operating Facility Lender until such time as all of the Liabilities owing to each prior ranking Creditor and Operating Facility Lender have been irrevocably paid in full.

12. **ENFORCEMENT OF TRANSACTION SECURITY**

12.1 **SFA Cash Cover**

This Clause 12 is subject to Clause 14.4 (*Treatment of SFA Cash Cover and Senior Lender Cash Collateral*).

12.2 **Enforcement Instructions**

(a) The Security Agent may refrain from enforcing the Transaction Security unless instructed otherwise by:

(i) an Instructing Group;

(ii) if required under paragraph (c) below, the Majority Second Lien Creditors; or

(iii) if required under paragraph (d) below, the Majority Senior Parent Creditors.

(b) Subject to the Transaction Security having become enforceable in accordance with its terms:

(i) an Instructing Group; or

(ii) to the extent permitted to enforce or to require the enforcement of the Transaction Security prior to the Senior Discharge Date under Clause 5.8 (*Permitted Second Lien enforcement*), the Majority Second Lien Creditors; or

(iii) to the extent permitted to enforce or to require the enforcement of the Transaction Security prior to the First/Second Lien Discharge Date under Clause 6.9 (*Permitted Senior Parent enforcement*), the Majority Senior Parent Creditors,

may give or refrain from giving instructions to the Security Agent to enforce or refrain from enforcing the Transaction Security as they see fit.

(c) Prior to the Senior Discharge Date:

(i) if an Instructing Group has instructed the Security Agent not to enforce or to cease enforcing the Transaction Security; or

(ii) in the absence of instructions from an Instructing Group,

and, in each case, an Instructing Group has not required any Debtor to make a Distressed Disposal, the Security Agent shall give effect to any instructions to enforce the Transaction Security which the Majority Second Lien Creditors are then entitled to give to the Security Agent under Clause 5.8 (*Permitted Second Lien enforcement*).

(d) Prior to the First/Second Lien Discharge Date:

(i) if an Instructing Group has instructed the Security Agent not to enforce or to cease enforcing the Transaction Security; or

(ii) in the absence of instructions from an Instructing Group,

and, in each case, an Instructing Group has not required any Debtor to make a Distressed Disposal, the Security Agent shall give effect to any instructions to enforce the Transaction Security which the Majority Senior Parent Creditors are then entitled to give to the Security Agent under Clause 6.9 (*Permitted Senior Parent enforcement*).

(e) The Security Agent is entitled to rely on and comply with instructions given in accordance with this Clause 12.2.

(f) Subject to Clause 12.6 (*Security held by other Creditors*), no Secured Party:

(i) shall have any independent power to enforce, or to have recourse to, any Transaction Security or to exercise any rights or powers arising under the Security Documents; or

(ii) may enforce or have recourse to any Transaction Security,

except through the Security Agent in the manner contemplated by this Agreement.

12.3 **Manner of enforcement**

If the Transaction Security is being enforced pursuant to Clause 12.2 (*Enforcement Instructions*), the Security Agent shall enforce the Transaction Security in such manner (including, without limitation, the selection of any administrator, examiner or equivalent officer of any Debtor to be appointed by the Security Agent) as:

(a) an Instructing Group;

(b) prior to the Senior Discharge Date, if:

(i) the Security Agent has, pursuant to paragraph (c) of Clause 12.2 (*Enforcement Instructions*), given effect to instructions given by the Majority Second Lien Creditors to enforce the Transaction Security; and

(ii) an Instructing Group has not given instructions as to the manner of enforcement of the Transaction Security,

the Majority Second Lien Creditors; or

(c) prior to the First/Second Lien Discharge Date, if:

(i) the Security Agent has, pursuant to paragraph (d) of Clause 12.2 (*Enforcement Instructions*), given effect to instructions given by the Majority Senior Parent Creditors to enforce the Transaction Security; and

(ii) an Instructing Group has not given instructions as to the manner of enforcement of the Transaction Security,

the Majority Senior Parent Creditors,

shall instruct or, in the absence of any such instructions, as the Security Agent sees fit (it being understood that, absent such instructions, the Security Agent may elect to take no action).

12.4 **Exercise of voting rights**

(a) To the fullest extent permitted under applicable law, each Creditor (other than any Notes Trustee) and each Operating Facility Lender agrees with the Security Agent that it will cast its vote in any proposal put to the vote by or under the supervision of any judicial or supervisory authority in respect of any insolvency, pre insolvency or rehabilitation or similar proceedings relating to any member of the Group as instructed by the Security Agent.

(b) The Security Agent shall give instructions for the purposes of paragraph (a) above as directed by an Instructing Group.

(c) Nothing in this Clause 12.4 entitles any Party to exercise or require any other Creditor or Operating Facility Lender to exercise such power of voting or representation to waive, reduce, discharge, extend the due date for payment or otherwise reschedule any of the Liabilities owed to that Creditor or Operating Facility Lender.

12.5 **Waiver of rights**

To the extent permitted under applicable law and subject to Clause 12.2 (*Enforcement Instructions*), Clause 12.3 (*Manner of enforcement*), Clause 14 (*Application of Proceeds*) and paragraph (c) of Clause 13.2 (*Distressed Disposals*), each of the Secured Parties and the Debtors waives all rights it may otherwise have to require that the Transaction Security be enforced in any particular order or manner or at any particular time or that any sum received or recovered from any person, or by virtue of the enforcement of any of the Transaction Security or of any other security interest, which is capable of being applied in or towards discharge of any of the Secured Obligations is so applied.

12.6 **Security held by other Creditors**

If any Transaction Security is held by a Creditor or Operating Facility Lender other than the Security Agent, then that Creditor or Operating Facility Lender may only enforce that Transaction Security in accordance with instructions given by an Instructing Group pursuant to this Clause 12 (and, for this purpose, reference to the "Security Agent" shall be construed as references to that Creditor or Operating Facility Lender).

12.7 **Consultation Period**

(a) Subject to paragraph (b) below, before giving any instructions to the Security Agent to enforce the Transaction Security or refrain or cease from enforcing the Transaction Security or to take any other Enforcement Action, the Agent(s) of the Creditors represented in the Instructing Group concerned (and, if applicable, any relevant Hedge Counterparties) shall consult with each other Agent, each other Hedge Counterparty,

each Operating Facility Lender and the Security Agent in good faith about the instructions to be given by the Instructing Group for a period of not less than 10 Business Days (or, in the case of any consultation involving a Senior Notes Trustee, a Senior Parent Notes Trustee or a Creditor Representative in respect of any high-yield notes, debt securities or other similar instruments, 30 days) from the date on which details of the proposed instructions are received by such Agents, Hedge Counterparties, Operating Facility Lenders and the Security Agent (or such shorter period as each Agent, Hedge Counterparty, Operating Facility Lender and the Security Agent shall agree) (the "**Consultation Period**"), and only following the expiry of a Consultation Period shall the Instructing Group be entitled to give any instructions to the Security Agent to enforce the Transaction Security or refrain or cease from enforcing the Transaction Security or take any other Enforcement Action.

(b) No Agent or Hedge Counterparty shall be obliged to consult in accordance with paragraph (a) above and an Instructing Group shall be entitled to give any instructions to the Security Agent to enforce the Transaction Security or take any other Enforcement Action prior to the end of a Consultation Period (in each case provided that such instructions are consistent with any applicable requirements of this Agreement and the Security Documents) if:

(i) the Transaction Security has become enforceable as a result of an Insolvency Event; or

(ii) the Instructing Group or any Agent of the Creditors represented in the Instructing Group determines in good faith (and notifies each other Agent, the Hedge Counterparties and the Security Agent) that to enter into such consultations and thereby delay the commencement of enforcement of the Transaction Security would reasonably be expected to have a material adverse effect on:

(A) the Security Agent's ability to enforce any of the Transaction Security; or

(B) the realisation proceeds of any enforcement of the Transaction Security,

and, where this paragraph (b) applies:

(1) any instructions shall be limited to those necessary to protect or preserve the interests of the Senior Secured Creditors on behalf of which the relevant Instructing Group is acting in relation to the matters referred to in (A) and (B) above; and

(2) the Security Agent shall act in accordance with the instructions first received.

(c) As soon as reasonably practicable following receipt of any instructions from an Instructing Group to enforce the Transaction Security, refrain or cease from enforcing the Transaction Security or, as the case may be, take any other Enforcement Action, the Security Agent shall provide a copy of such instructions to each Agent, Hedge Counterparty and Operating Facility Lender (unless it received those instructions from that person).

12.8 **Duties owed**

Each of the Secured Parties and the Debtors acknowledges that, in the event that the Security Agent enforces or is instructed to enforce the Transaction Security prior to the First/Second Lien Discharge Date, the duties of the Security Agent and of any Receiver or Delegate owed to the Senior Parent Creditors in respect of the method, type and timing of that enforcement or of the exploitation, management or realisation of any of that Transaction Security shall, subject to paragraph (c) of Clause 13.2 (*Distressed Disposals*), be no different to or greater than the duty that is owed by the Security Agent, Receiver or Delegate to the Debtors under general law.

13. PROCEEDS OF DISPOSALS AND ADJUSTMENT OF MANDATORYPREPAYMENTS

13.1 **Non-Distressed Disposals**

(a) The Security Agent (on behalf of itself and the Secured Parties) hereby agrees (and is irrevocably authorised and instructed to do so without any consent, sanction, authority or further confirmation from any Creditor, Operating Facility Lender or Debtor) that it shall (at the request and cost of the relevant Debtor or the Parent) promptly release (or procure that any other relevant person releases) from the Transaction Security and the Secured Debt Documents:

(i) any Security (and/or any other claim relating to a Debt Document) over any asset which is the subject of:

(A) a disposal not prohibited by the terms of any Debt Financing Agreement (including a disposal to a member of the Group, but without prejudice to any obligation of any member of the Group in a Debt Financing Agreement to provide replacement security); or

(B) any other transaction not prohibited by the terms of any Debt Financing Agreement pursuant to which that asset will cease to be held or owned by a member of the Group;

(ii) any Security (and/or any other claim relating to a Debt Document) over any document or other agreement requested in order for any member of the Group to effect any amendment or waiver in respect of that document or agreement or otherwise exercise any rights, comply with any obligations or take any action in relation to that document or agreement (in each case to the extent not prohibited by the terms of any Debt Financing Agreement);

(iii) any Security (and/or any other claim relating to a Debt Document) over any asset of any member of the Group which has ceased to be a Debtor (or will cease to be a Debtor simultaneously with such release); and

(iv) any Security (and/or any other claim relating to a Debt Document) over any other asset to the extent that such release is in accordance with the terms of the Debt Financing Agreements.

In the case of a disposal of shares or other ownership interests in a Debtor (or any Holding Company of any Debtor), or any other transaction pursuant to which a Debtor (or any Holding Company of any Debtor) will cease to be a member of the Group or a Debtor (including, without limitation, pursuant to Clause 19.12 *(Resignation of a Debtor*) or by reason of that Debtor, or a Holding Company of that Debtor, being designated as an Unrestricted Subsidiary), the Security Agent (on behalf of itself and

the Secured Parties) hereby agrees (and is irrevocably authorised and instructed to do so without any consent, sanction, authority or further confirmation from any Creditor, Operating Facility Lender, other Secured Party or Debtor) that it shall (at the request and cost of the relevant Debtor or the Parent) promptly release (or procure that any other relevant person releases) that Debtor and its Subsidiaries from all present and future liabilities (both actual and contingent) under the Secured Debt Documents and the respective assets of such Debtor and its Subsidiaries (and the shares in any such Debtor and/or Subsidiary) from the Transaction Security and the Secured Debt Documents (including any claim relating to a Debt Document and any Guarantee Liabilities or Other Liabilities).

(b) When making any request for a release pursuant to sub-paragraph (a)(i), (a)(ii) or (a)(iv) of this Clause 13.1 the Parent shall confirm in writing to the Security Agent that:

(i) in the case of any release requested pursuant to sub-paragraph (a)(i) or (a)(ii) above, the relevant disposal or other action is not prohibited by the terms of any Debt Financing Agreement; or

(ii) in the case of any release requested pursuant to paragraph (a)(iv) above, the relevant release is in accordance with terms of the Debt Financing Agreements,

and the Security Agent shall be entitled to rely on that confirmation for all purposes under the Secured Debt Documents.

(c) The Security Agent shall (at the cost and expense of the relevant Debtor or the Parent but without the need for any further consent, sanction, authority or further confirmation from any Creditor, Operating Facility Lender, other Secured Party or Debtor) promptly enter into (or procure that any relevant person enters into) and deliver such documentation and/or take such other action as the Parent (acting reasonably) shall require to give effect to any release or other matter contemplated by this Clause 13.1 (including the issuance of any certificates of non-crystallisation of floating charges, any consent to dealing or any other similar or equivalent document that may be required or desirable).

(d) Without prejudice to the foregoing and for the avoidance of doubt, if requested by the Parent in accordance with the terms of any of the Debt Financing Agreements (and provided that the requested action is not expressly prohibited by any of the other Debt Financing Agreements), the Security Agent and the other Creditors and Operating Facility Lenders shall (at the cost of the relevant Debtor and/or the Parent) promptly execute any guarantee, security or other release and/or any amendment, supplement or other documentation relating to the Security Documents as contemplated by the terms of any of the Debt Financing Agreements (and the Security Agent is authorised to execute, and will promptly execute if requested by the Parent, without the need for any further consent, sanction, authority or further confirmation from any Creditor or Operating Facility Lender, any such release or document on behalf of the Creditors and the Operating Facility Lenders). When making any request pursuant to this paragraph (d) the Parent shall confirm in writing to the Security Agent that such request is in accordance with the terms of a Debt Financing Agreement (and the requested action is not expressly prohibited by any of the other Debt Financing Agreements) and the Security Agent shall be entitled to rely on that confirmation for all purposes under the Secured Debt Documents.

(e) Notwithstanding anything to the contrary in any Debt Document, nothing in any Security Document shall operate or be construed so as to prevent any transaction, matter or other step not prohibited by the terms of this Agreement or the Debt Financing Agreements (a "**Permitted Transaction**"). The Security Agent (on behalf of itself and the Secured Parties) hereby agrees (and is irrevocably authorised and instructed to do so without any consent, sanction, authority or further confirmation from any Party) that it shall (at the request and cost of the relevant Debtor or the Parent) promptly execute any release or other document and/or take such other action under or in relation to any Debt Document (or any asset subject or expressed to be subject to any Security Document) as is requested by the Parent in order to complete, implement or facilitate a Permitted Transaction. In the event that the Parent makes any request pursuant to and in reliance on the preceding sentence, the Security Agent shall be permitted to request a confirmation from the Parent that the relevant transaction, matter or other step is a Permitted Transaction and the Security Agent shall be entitled to rely on that confirmation for all purposes under the Secured Debt Documents.

(f) For the avoidance of doubt and notwithstanding anything to the contrary in the Senior Parent Finance Documents, if any member of the Group is required or permitted under the Senior Debt Documents to apply the proceeds of any disposal or other transaction in prepayment, redemption or any other discharge or reduction of any Senior Liabilities:

(i) no such application of those proceeds shall require the consent of any Party or Senior Parent Creditor or will result in a direct or indirect breach of any Senior Parent Finance Document; and

(ii) any such application shall discharge in full any obligation to apply those proceeds in prepayment, redemption or any other discharge or reduction of any Senior Parent Liabilities.

This paragraph (f) is without prejudice to any right of any member of the Group to apply any proceeds of any disposal or other transaction in prepayment, redemption or any other discharge or reduction of any Senior Parent Liabilities to the extent permitted or contemplated by this Agreement or any other Senior Debt Document.

(g) The Security Agent is irrevocably authorised by each Secured Party to (and will on the request and at the cost of the Parent):

(i) release the Transaction Security; and

(ii) release each Investor, each Debtor and each other member of the Group from all liabilities, undertakings and other obligations under the Secured Debt Documents,

on the Final Discharge Date (or at any time following such date on the request of the Parent).

13.2 **Distressed Disposals**

(a) Subject to paragraph (d) below, if a Distressed Disposal is being effected the Security Agent is irrevocably authorised (at the cost of the relevant Debtor or the Parent and without any consent, sanction, authority or further confirmation from any Creditor, Operating Facility Lender, other Secured Party or Debtor):

(i) *release of Transaction Security/non-crystallisation certificates*: to release the Transaction Security or any other claim over the asset which is the subject of the Distressed Disposal and execute and deliver or enter into any release of that Transaction Security or claim and issue any letters of non-crystallisation of any floating charge or any consent to dealing that may, in the discretion of the Security Agent, be considered necessary or desirable;

(ii) *release of liabilities and Transaction Security on a share sale (Debtor)*: if the asset which is disposed of consists of shares in the capital of a Debtor, to release:

(A) that Debtor and any Subsidiary of that Debtor from all or any part of:

(1) its Borrowing Liabilities;

(2) its Guarantee Liabilities; and

(3) its Other Liabilities;

(B) any Transaction Security granted by that Debtor or any Subsidiary of that Debtor over any of its assets; and

(C) any other claim of any Investor, Intra-Group Lender or other Debtor over that Debtor's assets or over the assets of any Subsidiary of that Debtor,

on behalf of the relevant Creditors, Operating Facility Lenders, Debtors and Agents;

(iii) *release of liabilities and Transaction Security on a share sale (Holding Company)*: if the asset which is disposed of consists of shares in the capital of any Holding Company of a Debtor, to release:

(A) that Holding Company and any Subsidiary of that Holding Company from all or any part of:

(1) its Borrowing Liabilities;

(2) its Guarantee Liabilities; and

(3) its Other Liabilities;

(B) any Transaction Security granted by that Holding Company or any Subsidiary of that Holding Company over any of its assets; and

(C) any other claim of any Investor, Intra-Group Lender or other Debtor over that Holding Company's assets or over the assets of any Subsidiary of that Holding Company,

on behalf of the relevant Creditors, Operating Facility Lenders, Debtors and Agents;

(iv) *disposal of liabilities on a share sale*: if the asset which is disposed of consists of shares in the capital of a Debtor or the Holding Company of a Debtor and the Security Agent (acting in accordance with paragraph (j) below) decides to dispose of all or any part of:

(A) the Liabilities; or

(B) the Debtor Liabilities,

owed by that Debtor or Holding Company or any Subsidiary of that Debtor or Holding Company:

(I) (if the Security Agent, acting in accordance with paragraph (j) below, does not intend that any transferee of those Liabilities or Debtor Liabilities (the "**Transferee**") will be treated as a Primary Creditor or a Secured Party for the purposes of this Agreement), to execute and deliver or enter into any agreement to dispose of all or part of those Liabilities or Debtor Liabilities provided that notwithstanding any other provision of any Debt Document the Transferee shall not be treated as a Primary Creditor or a Secured Party for the purposes of this Agreement; and

(II) (if the Security Agent, acting in accordance with paragraph (g) below, does intend that any Transferee will be treated as a Primary Creditor or a Secured Party for the purposes of this Agreement), to execute and deliver or enter into any agreement to dispose of:

(1) all (and not part only) of the Liabilities owed to the Primary Creditors and the Operating Facility Lenders; and

(2) all or part of any other Liabilities and the Debtor Liabilities,

on behalf of, in each case, the relevant Creditors, Operating Facility Lenders and Debtors;

(v) *transfer of obligations in respect of liabilities on a share sale*. if the asset which is disposed of consists of shares in the capital of a Debtor or the Holding Company of a Debtor (the "**Disposed Entity**") and the Security Agent (acting in accordance with paragraph (j) below) decides to transfer to another Debtor (the "**Receiving Entity**") all or any part of the Disposed Entity's obligations or any obligations of any Subsidiary of that Disposed Entity in respect of:

(A) the Intra-Group Liabilities; or

(B) the Debtor Liabilities,

to execute and deliver or enter into any agreement to:

(1) agree to the transfer of all or part of the obligations in respect of those Intra-Group Liabilities or Debtor Liabilities on behalf of the relevant Intra-Group Lenders and Debtors to which those obligations are owed and on behalf of the Debtors which owe those obligations; and

(2) (if the Receiving Entity is a Holding Company of the Disposed Entity which is also a guarantor of Senior Liabilities) to accept the transfer of all or part of the obligations in respect of those Intra-Group Liabilities or Debtor Liabilities on behalf of the Receiving Entity or Receiving Entities to which the obligations in respect of those Intra-Group Liabilities or Debtor Liabilities are to be transferred.

(b) The net proceeds of each Distressed Disposal (and the net proceeds of any disposal of Liabilities or Debtor Liabilities pursuant to paragraph (a)(iv) above) shall be paid to the Security Agent for application in accordance with Clause 14 (*Application of Proceeds*) (to the extent that the asset disposed of constituted Charged Property, as if those proceeds were the proceeds of an enforcement of the Transaction Security and, to the extent that any disposal of Liabilities or Debtor Liabilities has occurred pursuant to paragraph (a)(iv)(2) above, as if that disposal of Liabilities or Debtor Liabilities had not occurred).

(c) In the case of a Distressed Disposal (or a disposal of Liabilities pursuant to paragraph (a)(iv)(2) above) effected by or at the request of the Security Agent (acting in accordance with paragraph (j) below), the Security Agent shall take reasonable care to obtain a fair market price in the prevailing market conditions (though the Security Agent shall have no obligation to postpone any such Distressed Disposal or disposal of Liabilities in order to achieve a higher price).

(d) If a Distressed Disposal is being effected at a time when the Majority Second Lien Creditors are entitled to give, and have given, instructions under paragraphs (b) or (c) of Clause 12.2 (*Enforcement Instructions*) or Clause 12.3 (*Manner of enforcement*), the Security Agent is not authorised to release any Debtor, Subsidiary or Holding Company from any Borrowing Liabilities or Guarantee Liabilities owed to any Senior Secured Creditor unless those Borrowing Liabilities or Guarantee Liabilities and any other Senior Secured Liabilities will be paid (or repaid) in full (or, in the case of any contingent Liability relating to a Letter of Credit, an Operating Facility or an Ancillary Facility made the subject of cash collateral arrangements acceptable to the relevant Senior Creditor or Operating Facility Lender), following that release.

(e) If a Distressed Disposal is being effected at a time when the Majority Senior Parent Creditors are entitled to give, and have given, instructions under paragraphs (b) or (d) of Clause 12.2 (*Enforcement Instructions*) or Clause 12.3 (*Manner of enforcement*), the Security Agent is not authorised to release any Debtor, Subsidiary or Holding Company from any Borrowing Liabilities or Guarantee Liabilities owed to any Senior Secured Creditor or Second Lien Secured Creditors unless those Borrowing Liabilities or Guarantee Liabilities and any other Senior Secured Liabilities or Second Lien Liabilities will be paid (or repaid) in full (or, in the case of any contingent Liability relating to a Letter of Credit, an Operating Facility or an Ancillary Facility made the subject of cash collateral arrangements acceptable to the relevant Senior Creditor, Second Lien Secured Creditor or Operating Facility Lender), following that release.

(f) Where Borrowing Liabilities, Guarantee Liabilities and/or Other Liabilities would otherwise be released pursuant to paragraph (a) above, the Creditor or Operating Facility Lender concerned may elect to have those Borrowing Liabilities, Guarantee Liabilities and/or, as the case may be, Other Liabilities transferred to the Parent in which case the Security Agent is irrevocably authorized (to the extent legally possible and at the cost of the relevant Debtor or the Parent and without any consent, sanction, authority or further confirmation from any Creditor, Operating Facility Lender, other Secured Party or Debtor) to execute such documents as are required to so transfer those Borrowing Liabilities, Guarantee Liabilities and/or, as the case may be, Other Liabilities.

(g) Subject to paragraphs (h) and (i) below, in the case of a Distressed Disposal (or a disposal of Liabilities pursuant to paragraph (a)(iv)(2) above) effected by or at the request of the Security Agent (acting in accordance with paragraph (j) below), unless the consent of each Senior Agent is otherwise obtained, it is a further condition to any release, transfer or disposal under paragraph (a) above that:

(i) the proceeds of such disposal are in cash (or substantially all in cash); and

(ii) such sale or disposal is made:

(A) pursuant to a Public Auction in respect of which the Primary Creditors are entitled to participate; or

(B) where a Financial Adviser selected by the Security Agent has delivered an opinion in respect of such sale or disposal that the amount received in connection therewith is fair from a financial point of view, taking into account all relevant circumstances, including the method of enforcement, provided that the liability of such Financial Adviser may be limited to the amount of its fees in respect of such engagement (it being acknowledged that the Security Agent shall have no obligation to select or engage any Financial Adviser unless it shall have been indemnified and/or secured and/or prefunded to its satisfaction).

(h) If prior to the Second Lien Discharge Date a Distressed Disposal is being effected such that any Second Lien Liabilities will be released or disposed of, or any Transaction Security securing the Second Lien Liabilities will be released, it is a further condition to the release that either:

(i) each Second Lien Agent has approved the release; or

(ii) where shares or assets of a Second Lien Borrower or a Second Lien Guarantor are sold:

(A) the proceeds of such sale or disposal are in cash (or substantially in cash); and

(B) all claims (for the avoidance of doubt, whether with or without the benefit of Transaction Security) of the Senior Creditors, the Senior Notes Creditors, the Permitted Senior Financing Creditors and the Operating Facility Lenders (other than in relation to performance bonds or guarantees or similar instruments) against a member of the Group (if any) all of whose shares (other than any minority interest not owned by members of the Group) or assets are sold or disposed of pursuant to such Enforcement Action, are unconditionally released and discharged or sold or disposed of concurrently with such sale (and are not assumed by the purchaser or one of its Affiliates) and all Security under the Security Documents in respect of such shares or assets that are sold or disposed of is simultaneously and unconditionally released and discharged concurrently with such sale, provided that if each of the Senior Facility Agent, any Senior Notes Trustee and any Senior Creditor Representative (acting reasonably and in good faith):

(1) determines that the Senior Secured Creditors will recover a greater amount if any such claim (for the avoidance of doubt, whether with or without the benefit of Transaction Security) is sold or otherwise transferred to the purchaser or one of its Affiliates and not released and discharged; and

(2) serves a written notice on the Security Agent confirming the same, the Security Agent shall be entitled to sell or otherwise transfer such claim to the purchaser or one of its Affiliates; and

(C) such sale or disposal is made:

(1) pursuant to a Public Auction in respect of which the Primary Creditors are entitled to participate; or

(2) where a Financial Adviser selected by the Security Agent has delivered an opinion in respect of such sale or disposal that the amount received in connection therewith is fair from a financial point of view, taking into account all relevant circumstances, including the method of enforcement, provided that the liability of such Financial Adviser may be limited to the amount of its fees in respect of such engagement (it being acknowledged that the Security Agent shall have no obligation to select or engage any Financial Adviser unless it shall have been indemnified and/or secured and/or prefunded to its satisfaction).

(i) If prior to the Senior Parent Discharge Date a Distressed Disposal is being effected such that the Senior Parent Guarantees or any Transaction Security over assets of a Senior Parent Debt Issuer or any Senior Parent Guarantor will be released and/or any Senior Parent Liabilities will be released or disposed of, it is a further condition to the release that either:

(i) each Senior Parent Agent has approved the release; or

(ii) where shares or assets of a Senior Parent Guarantor or assets of a Senior Parent Debt Issuer are sold:

(A) the proceeds of such sale or disposal are in cash (or substantially in cash); and

(B) all claims (for the avoidance of doubt, whether with or without the benefit of Transaction Security) of the Senior Secured Creditors and the Operating Facility Lenders (other than in relation to performance bonds or guarantees or similar instruments) against a member of the Group (if any) all of whose shares (other than any minority interest not owned by members of the Group) or assets are sold or disposed of pursuant to such Enforcement Action, are unconditionally released and discharged or sold or disposed of concurrently with such sale (and are not assumed by the purchaser or one of its Affiliates) and all Security under the Security Documents in respect of such shares or assets that are sold or disposed of is simultaneously and unconditionally released and discharged concurrently with such sale, provided that if each Senior Agent (acting reasonably and in good faith):

(1) determines that the Senior Secured Creditors will recover a greater amount if any such claim (for the avoidance of doubt, whether with or without the benefit of Transaction Security) is sold or otherwise transferred to the purchaser or one of its Affiliates and not released and discharged; and

(2) serves a written notice on the Security Agent confirming the same,

the Security Agent shall be entitled to sell or otherwise transfer such claim to the purchaser or one of its Affiliates; and

(C) such sale or disposal is made:

(1) pursuant to a Public Auction in respect of which the Primary Creditors are entitled to participate; or

(2) where a Financial Adviser selected by the Security Agent has delivered an opinion in respect of such sale or disposal that the amount received in connection therewith is fair from a financial point of view, taking into account all relevant circumstances, including the method of enforcement, provided that the liability of such Financial Adviser may be limited to the amount of its fees in respect of such engagement (it being acknowledged that the Security Agent shall have no obligation to select or engage any Financial Adviser unless it shall have been indemnified and/or secured and/or prefunded to its satisfaction).

(j) For the purposes of paragraphs (a)(ii), (a)(iii), (a)(iv), (a)(v), (c), (f) and (g) above, the Security Agent shall act:

(i) if the relevant Distressed Disposal is being effected by way of enforcement of the Transaction Security in accordance with Clause 12.3 (*Manner of enforcement*); and

(ii) in any other case:

(A) on the instructions of an Instructing Group; or

(B) in the absence of any such instructions, as the Security Agent sees fit.

(k) If any Transaction Security proposed to be released under this Clause 13.2 includes SFA Cash Cover, the Security created or evidenced, or expressed to be created or evidenced, under or pursuant to the relevant document in relation to such cash cover shall not be released without the consent of the Security Agent or the Issuing Bank or Ancillary Lender with which that SFA Cash Cover is held.

13.3 **Claims and Proceeds (before Distress Event)**

(a) So long as the requirements of paragraph (b) below are met (or the Parent has confirmed that if and when applicable they will be met), if any contractual, insurance or other claim is to be made, or is made, by a member of the Group prior to a Distress Event and that claim (or the proceeds of any such claim) is or are expressed to be subject to the Transaction Security, the Security Agent is irrevocably authorised (and shall at the request and the cost of the relevant Debtor or the Parent and without need of any letter of authority or further confirmation from any Creditor, Operating Facility Lender, other Secured Party or Debtor) to:

(i) give a consent under or release the Transaction Security, or any other claim, over any relevant document, policy or other asset to the extent necessary to allow that member of the Group to make that claim (and to allow each member of the Group to comply with any obligations in respect of that claim and those proceeds under the Secured Debt Documents); and

(ii) execute and deliver or enter into any such consent under or release of that Transaction Security, or claim, that may, in the discretion of the Parent, be necessary or desirable.

(b) If any claim proceeds the subject of any action taken under paragraph (a)(i) or (a)(ii) above are required to be applied in mandatory prepayment of any Senior Liabilities and/or Senior Parent Liabilities, then, subject to Clause 13.4 (*Adjustment of Mandatory Prepayments*), those proceeds shall be applied as required by the terms of the Secured Debt Documents (provided that, notwithstanding anything to the contrary in the Senior Parent Finance Documents, in the event of any conflict between the terms of the Senior Debt Documents and the Senior Parent Finance Documents, any application in accordance with the terms of the Senior Debt Documents shall satisfy all obligations of the Group in respect of such proceeds and no consent of any other Party or Creditor shall be required for that application).

13.4 **Adjustment of Mandatory Prepayments**

If the making of any mandatory prepayment by any member of the Group in respect of any of the Senior Lender Liabilities, the Senior Notes Liabilities, the Senior Parent Notes Liabilities, the Permitted Senior Financing Liabilities, the Permitted Parent Financing Liabilities and/or the Operating Facility Liabilities (an "**Original Mandatory Prepayment**") would directly or indirectly result in a payment (a "**Hedge Reduction Payment**") being made to any Hedge Counterparty as a consequence of any close-out or termination (in whole or in part) which is intended to ensure that the maximum aggregate notional amount of any hedging does not exceed the maximum aggregate amount of any indebtedness or the exposure the subject of that hedging, if elected by the Parent, the maximum aggregate amount of the mandatory prepayment required to be made by the Group will be reduced so that the aggregate of:

(a) the amount of the reduced mandatory prepayment; and

(b) each Hedge Reduction Payment which would result from that reduced mandatory payment

is equal to the amount of the Original Mandatory Prepayment.

13.5 **Creditors' and Debtors' actions**

(a) Each Creditor, Operating Facility Lender and Debtor will:

(i) do all things that the Security Agent reasonably requests in order to give effect to this Clause 13 (which shall include, without limitation, the execution of any assignments, transfers, releases or other documents that the Security Agent may consider to be necessary to give effect to the releases or disposals contemplated by this Clause 13); and

(ii) if the Security Agent is not entitled to take any of the actions contemplated by this Clause 13 or if the Security Agent requests that any Creditor, Operating Facility Lender, other Secured Party or Debtor take any such action, take that action itself in accordance with the instructions of the Security Agent, provided that the proceeds of any relevant disposal or other step or action are applied in accordance with Clause 13.1 *(Non-Distressed Disposals*) or Clause 13.2(*Distressed Disposals*) as the case may be.

(b) Each Secured Party irrevocably authorises and instructs the Security Agent (at the cost of the relevant Secured Party and without any consent, sanction, authority or further confirmation from any Secured Party) to be its agent to do anything which that Secured Party has authorized the Security Agent or any other Party to do under this Agreement or is itself required to do under this Agreement, but has failed to do (which shall include, without limitation, the execution of any assignments, transfers, releases or other documents that the Security Agent may consider to be necessary) to give effect to the release and disposals contemplated by this Clause 13.

(b) To the extent that any SFA Cash Cover is not held with the Relevant Issuing Bank or Relevant Ancillary Lender, all amounts from time to time received or recovered in connection with the realisation or enforcement of that SFA Cash Cover shall be paid to the Security Agent and shall be held by the Security Agent on trust to apply them at any time as the Security Agent (in its discretion) sees fit, to the extent permitted by applicable law, in the following order of priority:

For the purpose of calculating any person's share of any sum payable to or by it, the Security Agent shall be entitled to:

(a) notionally convert the Liabilities owed to any person into a common base currency (decided in its discretion by the Security Agent), that notional conversion to be made at the Security Agent's Spot Rate of Exchange in respect of the conversion of the actual currency of the Liabilities owed to that person at the time at which that calculation is to be made into the notional base currency; and

(b) the First/Second Lien Discharge Date, the Second Lien Discharge Date or the Senior Parent Discharge Date (as the case may be) has not yet occurred (nor would occur after taking into account such payments),

then the Receiving Creditors shall make such payments to the Senior Secured Creditors, the Operating Facility Lenders, the Second Lien Lenders, the Permitted Second Lien Financing Creditors and the Senior Parent Creditors (as the case may be) as the Security Agent shall require to place the Senior Secured Creditors, the Operating Facility Lenders, the Second Lien Lenders, the Permitted Second Lien Financing Creditors and the Senior Parent Creditors (as the case may be) in the position they would have been in had such amounts been available for application against the Senior Liabilities, the Operating Facility Liabilities, the Second Lien Liabilities and the Senior Parent Liabilities (as the case may be) provided that this Clause 15.4 shall not apply to any receipt or recovery that has been distributed by:

(i) a Senior Notes Trustee to the Senior Noteholders in accordance with the Senior Notes Finance Documents;

(b) Before each occasion on which it intends to implement the provisions of this Clause 15 in relation to the Second Lien Lenders and the Permitted Second Lien Financing Creditors, the Security Agent shall send notice to the Second Lien Facility Agent (on behalf of the Second Lien Lenders) and each relevant Second Lien Creditor Representative (on behalf of the relevant Permitted Second Lien Financing Creditors) requesting that it notify it of, respectively, its Second Lien Exposure and that of each Second Lien Lender and Permitted Second Lien Financing Creditor (if any).

(c) Before each occasion on which it intends to implement the provisions of this Clause 15 in relation to the Senior Parent Creditors, the Security Agent shall send notice to each relevant Senior Parent Agent (on behalf of the relevant Senior Parent Creditors) requesting that it notify it of, respectively, its Senior Parent Exposure and that of each Senior Parent Creditor (if any).

(i) Notwithstanding anything to the contrary in this Agreement or any Security Document, any of the Liabilities (or any other liabilities and obligations subject to or intended to be subject to the terms of this Agreement from time to time) may be refinanced, replaced, increased, incurred or otherwise restructured in whole or in part from time to time (including, without limitation, by way of the incurrence of Permitted Senior Financing Debt, Second Lien Debt, Permitted Second Lien Financing Debt and/or Permitted Parent Financing Debt, the issue of additional Senior Notes and/or Senior Parent Notes, the establishment of new or additional Operating Facilities or the incurrence of indebtedness as contemplated by Clause 2.5 (*Additional and/or Refinancing Debt*)) (a "**Debt Refinancing**") in each case provided that the terms of that Debt Refinancing are not otherwise prohibited by the Debt Financing Agreements.

(b) Notwithstanding anything to the contrary in any Secured Debt Document, each Party shall be required to enter into any amendment to or replacement of the then current Secured Debt Documents (including for the purpose of reflecting the terms and ranking of any Debt Refinancing in the Secured Debt Documents and/or any amendment

required by the Parent pursuant to Clause 16.3 (*Senior Facilities Refinancing*)) and/or take such other action as is required by the Parent in order to facilitate any Debt Refinancing, including in relation to any changes to, the taking of, or the release coupled with the retaking of, any guarantee or Security, provided that the Security Agent shall not be required to execute a release of assets from any existing Transaction Security pursuant to this paragraph (b) unless the Parent has confirmed in writing to the Security Agent that it has determined in good faith (taking into account any applicable legal limitations and other relevant considerations in relation to the Debt Refinancing) that it is either not possible or not desirable to implement the Debt Refinancing on terms satisfactory to the Parent by instead granting additional Transaction Security and/or amending the terms of the existing Transaction Security. Each Agent and the Security Agent is irrevocably authorised and instructed by each Party (other than the Debtors), each Secured Party and each Primary Creditor to (unless such Party, Secured Party and/or Primary Creditor is required under applicable law to act in its own name, in which case it shall) execute any such amended or replacement Secured Debt Documents and/or take such action on behalf of the Parties, the Secured Parties and the Primary Creditors (or, as the case may be, in its own name) (and shall in each case promptly do so on the request of and at the cost of the Parent).

16.3 **Senior Facilities Refinancing**

In the event of any refinancing or replacement of all or any part of the Senior Lender Liabilities (or any such refinancing or replacement indebtedness from time to time), the Parent shall be entitled to require that the definition of Instructing Group is amended such that the relevant refinancing or replacement indebtedness is treated in the same manner as the Senior Facilities (meaning that for the purpose of calculating the voting entitlement of any person, at the option of the Parent all or any part of the relevant refinancing or replacement indebtedness may be treated as Senior Secured Credit Participations of the Senior Creditors and not Senior Notes/Permitted Financing Credit Participations).

16.4 **Further Assurance**

Without prejudice to the other provisions of this Clause 16, each Agent, each Secured Party and each Primary Creditor agrees that it shall co-operate with the Parent, each other member of the Group and each Agent in order to facilitate any Debt Refinancing (including by way of, at the request and cost of the Parent, executing any document or agreement and/or giving instructions to any person).

(m) For the avoidance of doubt, the Guarantee Limitations shall apply mutatis mutandis to any Security Agent Claim to the same extent that they are applicable to the relevant Secured Creditor Claim.

17.3 **No independent power**

Subject to Clause 12.6 (*Security held by other Creditors*) and Clause 14.4 (*Treatment of SFA Cash Cover and Senior Lender Cash Collateral*), the Secured Parties shall not have any independent power to enforce, or have recourse to, any of the Transaction Security or to exercise any rights or powers arising under the Security Documents (excluding, for the avoidance of doubt, any relevant Debt Financing Agreement) except through the Security Agent.

17.4 **Instructions to Security Agent and exercise of discretion**

(a) Subject to paragraphs (d) and (e) below, the Security Agent shall act in accordance with any instructions given to it by an Instructing Group or, if so instructed by an Instructing Group, refrain from exercising any right, power, authority or discretion vested in it as Security Agent or as a holder of a Security Agent Claim and shall be entitled to assume that (i) any instructions received by it from an Agent, the Creditors or a group of Creditors are duly given in accordance with the terms of the Debt Documents and (ii) unless it has received actual notice of revocation, that those instructions or directions have not been revoked.

(b) The Security Agent shall be entitled to request instructions, or clarification of any direction, from an Instructing Group (or from the Majority Second Lien Creditors or the Majority Senior Parent Creditors, to the extent they are entitled to give instructions to the Security Agent) as to whether, and in what manner, it should exercise or refrain from exercising any rights, powers, authorities and discretions and the Security Agent may refrain from acting unless and until those instructions or clarification are received by it.

(c) Save as provided in Clause 12 (*Enforcement of Transaction Security*), any instructions given to the Security Agent by an Instructing Group shall override any conflicting instructions given by any other Parties.

(d) Paragraph (a) above shall not apply:

(i) where a contrary indication appears in this Agreement (including under Clause 25 (*Consents, Amendments and Override*);

(ii) where this Agreement requires the Security Agent to act in a specified manner or to take a specified action;

(iii) in respect of any provision which protects the Security Agent's own position in its personal capacity as opposed to its role as Security Agent for the Secured Parties including, without limitation, the provisions set out in Clause 17.6 (*Security Agent's discretions*) to Clause 17.21 (*Disapplication*);

(i) it has not received any instructions from an Instructing Group as to the exercise of that discretion; or

(ii) the exercise of that discretion is subject to paragraph (d)(iv) above,

the Security Agent shall:

(A) other than where paragraph (B) below applies, do so having regard to the interests of all the Secured Parties; or

(B) if (in its opinion) there is a Creditor Conflict in relation to the matter in respect of which the discretion is to be exercised, do so having regard only to the interests of all the Senior Secured Creditors.

17.5 **Security Agent's Actions**

Without prejudice to the provisions of Clause 12 (*Enforcement of Transaction Security*) and Clause 17.4 (*Instructions to Security Agent and exercise of discretion*), the Security Agent may (but shall not be obliged to), in the absence of any instructions to the contrary, take such action in the exercise of any of its powers and duties under the Secured Debt Documents as it considers in its discretion to be appropriate.

17.6 **Security Agent's discretions**

The Security Agent may:

(a) assume (unless it has received actual notice to the contrary from a Hedge Counterparty, an Operating Facility Lender or from one of the Agents in its capacity as Security Agent) that (i) no Default has occurred and no Debtor is in breach of or default under its obligations under any of the Debt Documents and (ii) any right, power, authority or discretion vested by any Debt Document in any person has not been exercised;

(e) refrain from acting in accordance with the instructions of any Party (including bringing any legal action or proceeding arising out of or in connection with the Debt Documents) until it has received any indemnification and/or security that it may in its discretion require (whether by way of payment in advance or otherwise) for all costs, losses and liabilities which it may incur in so acting;

(f) act under the Debt Documents through its personnel or agents; and

(g) assume that (i) the Senior Lender Discharge Date has not occurred until notified by the Senior Facility Agent or the Parent to the contrary, (ii) the Second Lien Lender Discharge Date has not occurred until notified by the Second Lien Facility Agent or the Parent to the contrary, (iii) the Senior Notes Discharge Date has not occurred until notified by the Senior Notes Trustee or the Parent to the contrary, (iii) the Permitted Senior Financing Discharge Date has not occurred until notified by the relevant Senior Creditor Representative or the Parent to the contrary, (iv) the Permitted Second Lien Financing Discharge Date has not occurred until notified by the relevant Second Lien Creditor Representative or the Parent to the contrary, (v) the Senior Parent Notes Discharge Date has not occurred until notified by the Senior Parent Notes Trustee or the Parent to the contrary or (vi) the Permitted Parent Financing Discharge Date has not occurred until notified by the relevant Senior Parent Creditor Representative or the Parent to the contrary.

17.8 **Excluded obligations**

Notwithstanding anything to the contrary expressed or implied in the Debt Documents, the Security Agent shall not:

(a) be bound to enquire as to (i) whether or not any Default has occurred or (ii) the performance, default or any breach by a Debtor of its obligations under any of the Debt Documents and until it has received notice of any such Default, non-performance, default or breach shall be entitled to assume that no such event has occurred;

(c) be bound to disclose to any other person (including but not limited to any Secured Party) (i) any confidential information or (ii) any other information if disclosure would, or might in its reasonable opinion, constitute a breach of any law or be a breach of fiduciary duty; or

(d) have or be deemed to have any relationship of trust or agency with, any Debtor or any Investor.

17.9 **Exclusion of liability**

None of the Security Agent, any Receiver nor any Delegate shall accept responsibility or be liable for:

17.11 **Own responsibility**

Without affecting the responsibility of any Debtor for information supplied by it or on its behalf in connection with any Debt Document, each Secured Party confirms to the Security Agent that it has been, and will continue to be, solely responsible for making its own independent appraisal and investigation of all risks arising under or in connection with any Debt Document including but not limited to:

(a) the financial condition, status and nature of each member of the Group;

The Security Agent shall not be responsible for any loss which may be suffered by any person as a result of the lack of or inadequacy of any such insurance.

(b) Where the Security Agent is named on any insurance policy as an insured party or loss payee, it shall not be responsible for any loss which may be suffered by reason of, directly or indirectly, its failure to notify the insurers of any material fact relating to the risk assumed by such insurers or any other information of any kind, unless an Agent shall have requested it to do so in writing and the Security Agent shall have failed to do so within fourteen (14) days after receipt of that request.

17.16 **Refrain from illegality**

Notwithstanding anything to the contrary expressed or implied in the Debt Documents, the Security Agent may refrain from doing anything which in its opinion will or may be contrary to any relevant law, directive or regulation of any jurisdiction and the Security Agent may do anything which is, in its opinion, necessary to comply with any such law, directive or regulation.

17.17 **Business with the Debtors**

The Security Agent may accept deposits from, lend money to, and generally engage in any kind of banking or other business with any of the Debtors.

17.21 **Disapplication**

Section 1 of the Trustee Act 2000 shall not apply to the duties of the Security Agent in relation to the trusts constituted by this Agreement. Where there are any inconsistencies between the Trustee Act 1925 or the Trustee Act 2000 and the provisions of this Agreement, the provisions of this Agreement shall, to the extent allowed by law, prevail and, in the case of any inconsistency with the Trustee Act 2000, the provisions of this Agreement shall constitute a restriction or exclusion for the purposes of that Act.

17.22 **Intra-Group Lenders and Debtors: Power of Attorney**

Each Intra-Group Lender and Debtor by way of security for its obligations under this Agreement irrevocably appoints the Security Agent to be its attorney to do anything which that Intra-Group Lender or Debtor has authorised the Security Agent or any other Party to do under this Agreement or is itself required to do under this Agreement but has failed to do (and the Security Agent may delegate that power on such terms as it sees fit).

18. **CHANGE OF SECURITY AGENT AND DELEGATION**

18.1 **Resignation of the Security Agent**

(a) The Security Agent may, with the consent of the Parent (not to be unreasonably withheld or delayed), resign and appoint one of its affiliates as successor by giving notice to the Parent, each Agent and the Hedge Counterparties provided that:

(b) Alternatively the Security Agent may, after consultation with the Parent for not less than 30 days, resign by giving notice to the other Parties in which case an Instructing Group may appoint a successor Security Agent provided that:

(i) such successor Security Agent is also appointed under each Debt Financing Agreement; and

(ii) if it succeeds the Security Agent, such successor Security Agent is acting through an office in the United Kingdom (or any other jurisdiction approved by the Parent) being a reputable bank experienced in multi-jurisdictional transactions of this type (**provided that** such successor Security Agent may not be incorporated, domiciled, established, located, resident or acting through an office situated in a Non-Cooperative Jurisdiction).

(c) If an Instructing Group has not appointed a successor Security Agent in accordance with paragraph (b) above within 30 days after the notice of resignation was given, the Security Agent (after consultation with the Parent and the Agents) may appoint a successor Security Agent acting through an office in the United Kingdom (or any other jurisdiction approved by the Parent) being a reputable bank experienced in multi-jurisdictional transactions of this type (**provided that** such successor Security Agent may not be incorporated, domiciled, established, located, resident or acting through an office situated in a Non-Cooperative Jurisdiction).

(e) The Security Agent's resignation notice shall only take effect upon (i) the appointment of a successor and (ii) the transfer of all of the Security Property to that successor.

(f) Upon the appointment of a successor, the Retiring Security Agent shall be discharged from any further obligation in respect of the Debt Documents (other than its obligations under paragraph (b) of Clause 17.18 (*Winding up of trust*) and under paragraph (d) above) but shall, in respect of any act or omission by it whilst it was the Security Agent, remain entitled to the benefit of Clauses 17 (*The Security Agent*), 21.1 (*Debtors' indemnity*) and 21.3 (*Primary Creditors' indemnity*). Its successor and each of the other Parties shall have the same rights and obligations amongst themselves as they would have had if that successor had been an original Party.

(g) An Instructing Group may, after consultation with the Parent, by notice to the Security Agent, require it to resign in accordance with paragraph (b) above. In this event, the Security Agent shall resign in accordance with paragraph (b) above.

(h) In the event that any amount payable by a Debtor under a Debt Document is not (or will not be when the relevant corporate income tax is calculated) deductible from that Debtor's taxable income by reason of that amount being:

(i) paid or accrued to a Security Agent incorporated, domiciled, established, resident, located or acting through an office situated in a Non-Cooperative Jurisdiction; or

(ii) paid to an account opened in the name of or for the benefit of a Security Agent in a financial institution situated in a Non-Cooperative Jurisdiction,

the Parent may, by notice to the Security Agent, require it to resign in accordance with paragraph (b) above. In this event, the Security Agent shall resign in accordance with paragraph (b) above (with a successor Security Agent to be appointed by an Instructing Group in accordance with paragraph (b) above within 30 days of notice by the Parent requiring the Security Agent to resign).

(b) That delegation may be made upon any terms and conditions (including the power to sub delegate) and subject to any restrictions that the Security Agent, that Receiver or that Delegate (as the case may be) may, in its discretion, think fit in the interests of the Secured Parties and it shall not be bound to supervise, or be in any way responsible for any loss incurred by reason of any misconduct or default on the part of any such delegate or sub delegate.

18.3 **Additional Security Agents**

(a) The Security Agent may (at the expense of the Primary Creditors, other than any Notes Trustee, in proportions determined in a manner consistent with paragraph (a) of Clause 21.3 (*Primary Creditors' indemnity*)) at any time appoint (and subsequently remove) any person to act as a separate agent or trustee or as a co-trustee jointly with it (i) if it

considers that appointment to be in the interests of the Secured Parties or (ii) for the purposes of conforming to any legal requirements, restrictions or conditions which the Security Agent deems to be relevant or (iii) for obtaining or enforcing any judgment in any jurisdiction, and the Security Agent shall give prior notice to the Parent and each of the Agents of that appointment.

(ii) if any Senior Notes have been issued and the Proposed Amendment is prohibited by the terms of the relevant Senior Notes Indenture, the Senior Notes Trustee;

(iii) if any Second Lien Debt has been incurred and the Proposed Amendment is prohibited by the terms of the relevant Second Lien Facility Agreement, the Second Lien Facility Agent in respect of that Second Lien Debt (if applicable acting on the instructions of the requisite Second Lien Lenders in accordance with the terms of that Second Lien Facility Agreement);

(iv) if any Permitted Senior Financing Debt has been incurred and the Proposed Amendment is prohibited by the terms of the relevant Permitted Senior Financing Agreement, the Senior Creditor Representative in respect of that Permitted Senior Financing Debt (if applicable, acting on the instructions of the Majority Permitted Senior Financing Creditors);

(v) if any Permitted Second Lien Financing Debt has been incurred and the Proposed Amendment is prohibited by the terms of the relevant Permitted Second Lien Financing Agreement, the Second Lien Creditor Representative in respect of that Permitted Second Lien Financing Debt (if applicable, acting on the instructions of the Majority Permitted Second Lien Financing Creditors);

(vi) if any Senior Parent Notes have been issued and the Proposed Amendment is prohibited by the terms of the relevant Senior Parent Notes Indenture, the Senior Parent Notes Trustee;

(vii) if any Permitted Parent Financing Debt has been incurred and the Proposed Amendment is prohibited by the terms of the relevant Permitted Parent Financing Agreement, the Senior Parent Creditor Representative in respect of that Permitted Parent Financing Debt (if applicable, acting on the instructions of the Majority Permitted Parent Financing Creditors);

(viii) if a Hedge Counterparty is providing hedging to a Debtor under a Hedging Agreement, that Hedge Counterparty (in each case only to the extent that the relevant amendment or waiver adversely affects the continuing rights and/or obligations of that Hedge Counterparty and is an amendment or waiver which is expressed to require the consent of that Hedge Counterparty under the applicable Hedging Agreement, as notified by the Parent to the Security Agent at the time of the relevant amendment or waiver);

(ix) if an Operating Facility Lender is providing one or more facility to a Debtor under an Operating Facility Document, that Operating Facility Lender (in each case only to the extent that the relevant amendment or waiver adversely affects the continuing rights and/or obligations of that Operating Facility Lender and is an amendment or waiver which is expressed to require the consent of that Operating Facility Lender under the applicable Operating Facility Document, as notified by the Parent to the Security Agent at the time of the relevant amendment or waiver);

(x) the Investors; and

(xi) the Parent.

(b) Notwithstanding anything to the contrary, any amendment or waiver of any Secured Debt Document made or effected in accordance with:

(i) Clause 2.5 (*Additional and/or Refinancing Debt*), Clause 13.1 *(Non-Distressed Disposals*), Clause 16 (*Additional Debt*) or any other provision of this Agreement; or

(ii) any other provision of any Secured Debt Document (provided that such amendment or waiver is not expressly prohibited by the terms of any other Secured Debt Document),

shall be binding on all Parties.

(c) Any amendment, waiver or consent which relates only to the rights or obligations applicable to Creditors under a particular Debt Financing Agreement (and which does not materially and adversely affect the rights or interests of Creditors under other Debt Financing Agreements) may be approved with only the consent of the Agent in respect of that Debt Financing Agreement (if applicable, acting on the instructions of the requisite Creditors under that Debt Financing Agreement) and the Parent. For the avoidance of doubt, this paragraph (c) is without prejudice to the ability to effect, make or grant any amendment, waiver or consent pursuant to or in accordance with paragraph (a) above or any other provision of this Clause 25.

(d) Notwithstanding anything to the contrary in the Secured Debt Documents, a Secured Party may unilaterally waive, relinquish or otherwise irrevocably give up all or any of its rights under any Secured Debt Document with the consent of the Parent.

(e) Any term of this Agreement or a Security Document may be amended or waived by the Parent and the Security Agent without the consent of any other Party if that amendment or waiver is:

(i) to cure defects or omissions, resolve ambiguities or inconsistencies or reflect changes of a minor, technical or administrative nature; or

(ii) otherwise for the benefit of all or any of the Secured Parties (but if for the benefit of some but not all Secured Parties, the amendment or waiver must not be adverse to any Secured Party).

(f) Notwithstanding anything to the contrary, if any amendment, waiver or consent requested by the Parent in relation to this Agreement and/or the Security Documents:

(i) is not prohibited by the terms of any Debt Financing Agreement (provided that, for the avoidance of doubt, this paragraph (i) shall not override (A) any express requirement or restriction in a Debt Financing Agreement in relation to the matter, step or action the subject of the proposed amendment, waiver or consent or (B) any express requirement for consent under Clause 4.3 (*Permitted Payments: Hedging Liabilities*) or Clause 6.2 (*Permitted Senior Parent Payments*)); or

(ii) has been approved by the requisite Senior Secured Creditors or, as the case may be, Senior Parent Creditors under each Debt Financing Agreement that otherwise prohibits that amendment, waiver or consent,

that amendment, waiver or consent shall be automatically and immediately deemed to have been approved and given for all purposes under this Agreement (and, if applicable, the relevant Security Documents). If the terms of any Debt Financing Agreement:

(A) require the relevant Agent or Creditors to provide approval (or deem approval to have been provided) for any particular amendment, waiver or consent (for the avoidance of doubt, excluding any such terms which expressly entitle the relevant Agent or Creditors to withhold their approval for that amendment, waiver or consent); or

(B) do not seek to regulate the relevant matter, step or action the subject of the amendment, waiver or consent (which shall be the case if the amendment or waiver of any relevant document or agreement is not expressly regulated by that Debt Financing Agreement and such amendment or waiver does not relate to a matter, step or action which is the subject of an express requirement or restriction in that Debt Financing Agreement),

for the purpose of this Clause 25 that amendment, waiver or consent shall not be prohibited by the terms of that Debt Financing Agreement.

For the purpose of this paragraph (f) and paragraph (a) of Clause 16.2 (*Debt Refinancing Terms*) only, the term Debt Financing Agreement shall include any Hedging Agreement pursuant to which the consent of a Hedge Counterparty is expressly required for the relevant amendment or waiver under and in accordance with sub-paragraph (a)(viii) above.

25.2 **Amendments and Waivers: Security Documents**

(a) Without prejudice to any amendment, waiver or consent approved in accordance with Clause 25.1 (*Required consents*) and subject to paragraph (b) below and to paragraph (b) of Clause 25.4 (*Exceptions*), the Security Agent may, if authorised by an Instructing Group, and if the Parent consents, amend the terms of, waive any of the requirements of or grant consents under, any of the Security Documents which shall be binding on each Party.

(b) Subject to paragraphs (b) and (c) of Clause 25.4 (*Exceptions*), in case of any amendment or waiver of, or consent under, any Security Document which would adversely affect the nature or scope of the Charged Property or the manner in which the proceeds of enforcement of the Transaction Security are distributed, that amendment, waiver or consent shall require approval in accordance with Clause 25.1 (*Required consents*).

(c) Notwithstanding anything to the contrary in the Secured Debt Documents, each Secured Party may (in their sole discretion) elect to disclaim or waive, in whole or in part, any claim, right, benefit or interest in any guarantee, indemnity, Security (including, without limitation, the Transaction Security) or any other similar and/or equivalent credit support provided by a member of the Group (including, for the avoidance of doubt, the right to receive any portion of the Recoveries) in connection with, or pursuant to, the Secured Debt Documents (the "**Disclaimed Collateral**"), provided that any such election shall not (or be deemed to) constitute, or result in, an Event of Default under any Secured Debt Document or a breach of any representation, warranty, undertaking or other term in any Secured Debt Document.

25.3 **Effectiveness**

(a) Any amendment, waiver or consent given, made or effected in accordance with any of the provisions of this Clause 25, or in accordance with any other term of any Secured Debt Document, will be binding on all Parties and the Security Agent may effect, on behalf of any Agent, Arranger, Creditor or Operating Facility Lender, any amendment, waiver or consent permitted by this Clause 25 or any other term of any Secured Debt Document.

(b) Each Agent, Arranger, Creditor and Operating Facility Lender irrevocably and unconditionally authorises and instructs the Security Agent (for the benefit of the Security Agent and the Parent) to execute any documentation relating to a proposed amendment, waiver or consent as soon as the requisite Creditor and Operating Facility Lender consent (as applicable) is received (or on such later date as may be agreed by the Security Agent and Parent).

(c) The Parent may effect, as agent for each Debtor and Intra-Group Lender, any amendment, waiver or consent given, made or effected in accordance with any of the provisions of this Clause 25 or in accordance with any other term of any Debt Document (and is for this purpose released from the restrictions on self-dealing and representation of more than one party with respect to one and the same transaction under any applicable laws, including, but not limited to, any restrictions pursuant to section 181 of the German Civil Code (*Bürgerliches Gesetzbuch*)).

25.4 **Exceptions**

(a) Subject to paragraphs (b) and (c) below, an amendment, waiver or consent which adversely relates to the express rights or obligations of an Agent, an Arranger or the Security Agent (in each case in such capacity) may not be effected without the consent of that Agent, that Arranger or the Security Agent (as the case may be) at such time.

(b) Neither paragraph (a) above nor Clause 25.2 (*Amendments and Waivers: Security Documents*) shall apply:

(i) to any release of Transaction Security, claim or Liabilities; or

(ii) to any consent,

which, in each case, the Security Agent gives in accordance with Clause 13 (*Proceeds of Disposals and Adjustment of Mandatory Prepayments*).

(c) Paragraph (a) above shall apply to an Arranger only to the extent that Arranger Liabilities are then owed to that Arranger.

25.5 **Disenfranchisement of Defaulting Lenders**

(a) In ascertaining whether:

(i) any relevant percentage (including, for the avoidance of doubt, unanimity) of Senior Secured Credit Participations, Second Lien Secured Credit Participations and/or Senior Parent Credit Participations; or

(ii) the agreement of any specified group of Senior Secured Creditors or Senior Parent Creditors,

has been obtained to approve any request for a Consent or to carry any other vote or approve any action under this Agreement, that Defaulting Lender's Commitments will be reduced to zero.

(b) For the purposes of this Clause 25.5, the relevant Agent may assume that the following Creditors are Defaulting Lenders:

(i) any Senior Lenders, Permitted Senior Financing Creditors, Second Lien Lenders, Permitted Second Lien Financing Creditors or the Senior Parent Creditors (as applicable) which has notified the Security Agent and its relevant Agent that it has become a Defaulting Lender;

(ii) any Senior Lenders, Permitted Senior Financing Creditors, Second Lien Lenders, Permitted Second Lien Financing Creditors or the Senior Parent Creditors (as applicable) if the relevant Agent has notified the Security Agent that that Creditor is a Defaulting Lender; and

(iii) any Senior Lenders, Permitted Senior Financing Creditors, Second Lien Lenders, Permitted Second Lien Financing Creditors or the Senior Parent Creditors (as applicable) in relation to which it is aware that any of the events or circumstances referred to in the definition of "Defaulting Lender" in the

Senior Facilities Agreement, any Permitted Senior Financing Agreement, any Second Lien Facility Agreement, any Permitted Second Lien Financing Agreement or any Permitted Parent Financing Agreement (as appropriate) has occurred,

unless it has received notice to the contrary from the Creditor concerned (together with any supporting evidence reasonably requested by the Security Agent) or the Security Agent is otherwise aware that the Creditor concerned has ceased to be a Defaulting Lender.

25.6 **Calculation of Credit Participations**

(a) For the purpose of ascertaining whether any relevant percentage of Senior Secured Credit Participations, Second Lien Secured Credit Participations or Senior Parent Credit Participations has been obtained under this Agreement, the relevant Agent or the Security Agent may notionally convert any Senior Secured Credit Participations, Second Lien Secured Credit Participations or, as the case may be, Senior Parent Credit Participations into their Common Currency Amounts.

(b) Each Agent will, upon request from the Security Agent, promptly provide the Security Agent with:

(i) details of the Senior Secured Credit Participations of the Senior Secured Creditors whom it represents and (if applicable) details of the extent to which such Senior Secured Credit Participations have been voted for or against any request;

(ii) details of the Second Lien Secured Credit Participations of the Second Lien Secured Creditors whom it represents and (if applicable) details of the extent to which such Second Lien Secured Credit Participations have been voted for or against any request; and

(ii) details of the Senior Parent Credit Participations of the Senior Parent Creditors whom it represents and (if applicable) details of the extent to which such Senior Parent Credit Participations have been voted for or against any request.

(c) Each Hedge Counterparty will, upon request from the Security Agent or any other Agent, promptly provide the Security Agent with details of its Senior Secured Credit Participations (which shall be calculated as at the same time stipulated by the Security Agent or the relevant Agent (as applicable) in such request) and (if applicable) details of the extent to which such Senior Secured Credit Participations have been voted for or against any request.

25.7 **Deemed consent**

(a) If, at any time prior to the First/Second Lien Discharge Date, the Senior Secured Creditors (or the requisite Senior Secured Creditors) and the Parent give a Consent in respect of any Senior Debt Documents then, if that action was permitted by the terms of this Agreement, the Intra-Group Lenders will (or will be deemed to):

(i) give a corresponding Consent in equivalent terms in relation to each of the Debt Documents to which they are a party; and

(ii) do anything (including executing any document) that the Security Agent and the Parent may reasonably require by written notice to give effect to this paragraph (a).

(b) If, at any time on or after the First/Second Lien Discharge Date and before the Senior Parent Discharge Date, the Senior Parent Creditors (or the requisite Senior Parent Creditors) and the Parent give a Consent in respect of the Senior Parent Finance Documents then, if that action was permitted by the terms of this Agreement, the Intra-Group Lenders will (or will be deemed to):

(i) give a corresponding Consent in equivalent terms in relation to each of the Debt Documents to which they are a party; and

(ii) do anything (including executing any document) that the Security Agent and the Parent may reasonably require by written notice to give effect to this paragraph (b).

25.8 **Excluded consents**

Clause 25.7 (*Deemed consent*) does not apply to any Consent which has the effect of:

(a) increasing or decreasing the Liabilities;

(b) changing the basis upon which any Permitted Payments are calculated (including the timing, currency or amount of such Payments); or

(c) changing the terms of this Agreement or of any Security Document.

25.9 **Senior Parent administrative consents**

If the Senior Secured Creditors (or the requisite Senior Secured Creditors) at any time give any Consent in relation to any of the Senior Debt Documents of a minor, technical or administrative nature which does not adversely affect the interests of the Senior Parent Creditors or change the commercial terms contained in the Senior Parent Finance Documents then, if that action was approved by the Parent and permitted by the terms of this Agreement, the Senior Parent Creditors will (or will be deemed to):

(a) give a corresponding Consent in equivalent terms in relation to each of the Secured Debt Documents to which they are a party; and

(b) do anything (including executing any document) that the Security Agent and the Parent may reasonably require by written notice to give effect to this Clause 25.9.

25.10 **No liability**

None of the Senior Secured Creditors or the Agents will be liable to any other Creditor, Agent or Debtor for any Consent given or deemed to be given under this Clause 25.

26. **NOTES TRUSTEE**

26.1 **Liability**

(a) Each Notes Trustee enters into this Agreement not individually or personally but solely in its capacity as trustee in the exercise of the powers and authority conferred and vested in it under the relevant Notes Finance Documents for and on behalf of the Noteholders for which the Notes Trustee acts as trustee and by the appointment of the relevant Notes

Trustee as common representative of the Noteholders only for which the Notes Trustee acts as trustee. Each Notes Trustee shall have no liability for acting for itself or in any capacity other than as trustee and nothing in this Agreement shall impose on it any obligation to pay any amount out of its personal assets. Notwithstanding any other provision of this Agreement, its obligations hereunder (if any) to make any payment of any amount or to hold any amount on trust shall be only to make payment of such amount to or hold any such amount on trust to the extent that (i) it has actual knowledge that such obligation has arisen and (ii) it has received and, on the date on which it acquires such actual knowledge, has not distributed to the Noteholders for which it acts as trustee in accordance with the relevant Notes Indenture any such amount.

(b) In no case shall any Notes Trustee be (i) personally responsible, liable or accountable in damages or otherwise to any other Party for any loss, damage or claim incurred by reason of any act or omission performed or omitted by that Notes Trustee in good faith in accordance with this Agreement or any of the Notes Finance Documents in a manner that such Notes Trustee believed to be within the scope of the authority conferred on it by this Agreement or any of the Notes Finance Documents or by law, or (ii) personally liable for or on account of any of the statements, representations, warranties, covenants or obligations stated to be those of any other Party, all such liability, if any, being expressly waived by the Parties and any person claiming by, through or under such Party; provided however, that each Note Trustee shall be personally liable under this Agreement for its own gross negligence or willful misconduct. It is also acknowledged and agreed that no Notes Trustee shall have any responsibility or liability for the actions of any individual Creditor or Noteholder (save in respect of its own actions).

(c) Notwithstanding anything in this Agreement to the contrary, each Notes Trustee shall only have an obligation to turn over or repay amounts received under this Agreement by it if (i) it had actual knowledge that the receipt or recovery is an amount received in breach of this Agreement and (ii) to the extent that, prior to receiving such knowledge, it had not distributed the amount of such receipt or recovery in accordance with the relevant Notes Indenture. No Notes Trustee shall be charged with knowledge (actual or otherwise) or existence of facts that would impose any obligation on it hereunder to make any payment or prohibit it from making any payment unless, not less than two Business Days prior to the date of such payment, a Responsible Officer of the Notes Trustee receives written notice satisfactory to it that such payments are required or prohibited by this Agreement.

(d) Notwithstanding anything contained herein, no provision of this Agreement shall alter or otherwise affect the rights and obligations of the Parent or any other Debtor to make payments in respect of Notes Trustee Amounts as and when the same are due and payable pursuant to the applicable Notes Finance Documents or the receipt and retention by any Notes Trustee of the same or the taking of any step or action by any Notes Trustee in respect of its rights under the applicable Notes Finance Documents to the same.

(e) No Notes Trustee is responsible for the appointment or for monitoring the performance of the Security Agent.

(f) The Security Agent agrees and acknowledges that it shall have no claim against any Notes Trustee in respect of any fees, costs, expenses and liabilities due and payable to, or incurred by, the Security Agent.

(g) No Notes Trustee shall be under any obligation to instruct or direct the Security Agent to take any Enforcement Action unless it has been instructed to do so by the relevant Noteholders and has been indemnified and/or secured and/or prefunded to its satisfaction.

(h) The provisions of this Clause 26 shall survive the termination of this Agreement.

26.2 **No action**

(a) Notwithstanding any other provision of this Agreement, no Notes Trustee shall have any obligation to take any action under this Agreement unless it is indemnified and/or secured and/or prefunded to its satisfaction in respect of all costs, expenses and liabilities which it would in its opinion thereby incur (including legal fees together with any associated VAT). No Notes Trustee shall have an obligation to indemnify any other person, whether or not a Party, in respect of any of the transactions contemplated by this Agreement. In no event shall the permissive rights of a Notes Trustee to take action under this Agreement be construed as an obligation to do so.

(b) Prior to taking any action under this Agreement any Notes Trustee may request and rely upon an opinion of counsel or opinion of another qualified expert, at the expense of the Parent or another Debtor.

(c) Notwithstanding any other provisions of this Agreement or any other Notes Finance Document to which a Notes Trustee is a party, in no event shall a Notes Trustee be liable for special, indirect, punitive or consequential loss or damages of any kind whatsoever (including but not limited to loss of business, goodwill, opportunity or profits) whether or not foreseeable even if such Notes Trustee has been advised of the likelihood of such loss or damage and regardless of whether the claim for loss or damage is made in negligence, for breach of contract or otherwise.

26.3 **Reliance on certificates**

Any Notes Trustee shall be entitled to and may rely on any notice, consent or certificate given or granted by any Party without being under any obligation to enquire or otherwise determine whether any such notice, consent or certificate has been given or granted by such Party properly acting in accordance with the provisions of this Agreement.

26.4 **No fiduciary duty**

No Notes Trustee shall be deemed to owe any fiduciary duty to any Creditor (save in respect of such persons for whom it acts as trustee) and shall not be personally liable to any Creditor if it shall in good faith mistakenly pay over or, distribute to any Creditor or to any other person cash, property or securities to which the other Creditor shall be entitled by virtue of this Agreement or otherwise. With respect to the Creditors, each Notes Trustee undertakes to perform or to observe only such of its covenants or obligations as are specifically set forth in the Notes Finance Documents pursuant to which it acts as trustee and this Agreement and no implied agreement, covenants or obligations with respect to the other Creditors shall be read into this Agreement against any Notes Trustee.

26.5 **Debt assumptions**

(a) Each Notes Trustee is entitled to assume that in respect of the Senior Liabilities and the Senior Parent Liabilities:

(i) no Senior Payment Default has occurred;

(ii) no Second Lien Payment Default has occurred;

(iii) none of the Senior Creditor Liabilities, Second Lien Liabilities or Senior Parent Liabilities have been accelerated;

(iv) no Default, Event of Default or termination event (however described) has occurred; and

(v) neither the First/Second Lien Discharge Date nor the Senior Parent Discharge Date has occurred,

unless a Responsible Officer of the relevant Notes Trustee has actual knowledge to the contrary.

(b) No Notes Trustee is obliged to monitor or enquire whether any Event of Default has occurred.

26.6 **Creditors**

In acting pursuant to this Agreement and the relevant Notes Indenture, no Notes Trustee is required to have any regard to the interests of the Senior Lenders, Second Lien Lenders, Permitted Senior Financing Creditors, Permitted Second Lien Financing Creditors, Permitted Parent Financing Creditors, Hedge Counterparties, Operating Facility Lenders, (in the case of the Senior Parent Notes Trustee) the Senior Notes Creditors or (in the case of the Senior Notes Trustee) the Senior Parent Notes Creditors.

26.7 **Reliance and advice**

Each Notes Trustee may:

(a) rely on any notice or document believed by it to be genuine and correct and to have been signed by, or with the authority of, the proper person;

(b) rely on any statement made by any person regarding any matters which may be assumed to be within its powers to verify; and

(c) engage, pay for and rely on professional advisers selected by it (including those representing a person other than such Notes Trustee).

26.8 **Other Parties not affected**

No provision of this Clause 26 shall alter or change the rights and obligations as between the other Parties in respect of each other. This Clause 26 is intended to afford protection to the Notes Trustees only.

26.9 **Instructions**

In acting under this Agreement, each Notes Trustee is entitled to seek instructions from the Noteholders for whom it is acting as trustee at any time and, where it acts on the instructions of the Noteholders, no Notes Trustee shall incur any liability to any person for so acting. No Notes Trustee is liable to any person for any loss suffered as a result of any delay caused as a result of its seeking instructions from such Noteholders.

26.10 **Responsibility of Notes Trustee**

(a) No Notes Trustee shall be responsible to any other Secured Party for the legality, validity, effectiveness, enforceability, adequacy, accuracy, completeness or performance of:

(i) any Secured Debt Document or any other document;

(ii) any statement or information (whether written or oral) made in or supplied in connection with any Secured Debt Document or any other document; or

(iii) any observance by any Debtor of its obligations under any Secured Debt Document or any other document.

(b) Each Notes Trustee may rely and shall be fully protected in acting or refraining from acting upon any notice, certificate or other document reasonably believed by it to be genuine and correct and to have been signed by, or with the authority of, the proper person.

26.11 **Confirmation**

Without affecting the responsibility of any Debtor or the Parent for information supplied by it or on its behalf in connection with any Debt Document, each Secured Party (other than the Notes Trustees (in their personal capacity) and the Security Agent) confirms that it:

(a) has made, and will continue to make, its own independent appraisal of all risks arising under or in connection with the Secured Debt Documents (including the financial condition and affairs of each Debtor or their related entities and the nature and extent of any recourse against any Party or its assets); and

(b) has not relied on any information provided to it by any Notes Trustee in connection with any Secured Debt Documents.

26.12 **Provision of information**

No Notes Trustee is obliged to review or check the adequacy, accuracy or completeness of any document it forwards to another Party. No Notes Trustee is responsible for:

(a) providing any Secured Party with any credit or other information concerning the risks arising under or in connection with the Debt Documents (including any information relating to the financial condition or affairs of any Debtor, the Parent or their related entities or the nature or extent of recourse against any Party or its assets) whether coming into its possession before, on or after the date of this Agreement; or

(b) obtaining any certificate or other document from any Debtor or the Parent.

26.13 **Departmentalism**

In acting as a Notes Trustee, each Notes Trustee shall be treated as acting through its agency division which shall be treated as a separate entity from its other divisions and departments. Any information received or acquired by a Notes Trustee which, in its opinion, is received or acquired by some other division or department or otherwise than in its capacity as a Notes Trustee may be treated as confidential by such Notes Trustee and will not be treated as information possessed by a Notes Trustee in its capacity as such.

26.14 **Disclosure of information**

Each Debtor irrevocably authorises any Notes Trustee to disclose to any Secured Party any information that is received by that Notes Trustee in its capacity as a Notes Trustee.

26.15 **Illegality**

Each Notes Trustee may refrain from doing anything (including disclosing any information) which might, in its opinion, constitute a breach of any law or regulation and may do anything which, in its opinion, is necessary or desirable to comply with any law or regulation.

26.16 **Resignation of Notes Trustee**

Each Notes Trustee may resign or be removed in accordance with the terms of the applicable Notes Indenture, provided that a replacement Notes Trustee agrees with the Parties to become the replacement trustee under this Agreement by the execution of a Creditor/Agent Accession Undertaking.

26.17 **Notes Trustee assumptions**

(a) Each Notes Trustee is entitled to assume that:

(i) any payment or other distribution made pursuant to this Agreement in respect of the Senior Parent Liabilities, Second Lien Liabilities or Senior Notes Liabilities (as the case may be) has been made in accordance with the ranking in Clause 2 (*Ranking and Priority*) and is not prohibited by any provisions of this Agreement and is made in accordance with these provisions;

(ii) the proceeds of enforcement of any Security conferred by the Security Documents have been applied in the order set out in Clause 14 (*Application of Proceeds*);

(iii) any Security, collateral, guarantee or indemnity or other assurance granted to it has been so granted in compliance with Clause 3.3 (*Security and Guarantees: Senior Secured Creditors*) or, as the case may be, Clause 6.1 (*Restriction on Payment and dealings: Senior Parent Liabilities*); and

(iv) any Senior Notes or Senior Parent Notes issued comply with the provisions of this Agreement,

unless a Responsible Officer of such Notes Trustee has actual knowledge to the contrary.

(b) No Notes Trustee shall have any obligation under Clause 9 (*Effect of Insolvency Event*) or Clause 11 (*Redistribution*) in respect of amounts received or recovered by it unless (i) a Responsible Officer has actual knowledge that such Clauses apply to the receipt or recovery, and (ii) it has not distributed to the relevant Noteholders in accordance with the Notes Indenture any amount so received or recovered.

26.18 **Agents**

Each Notes Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any attorney or agent appointed with due care by it hereunder.

26.19 **No Requirement for Bond or Surety**

No Notes Trustee shall be required to give any bond or surety with respect to the performance of its duties or the exercise of its powers under this Agreement.

27. GUARANTEE AND INDEMNITY

27.1 Guarantee and indemnity

Each Debtor irrevocably and unconditionally jointly and severally:

(a) guarantees to each Guarantee Party punctual performance by each other Debtor of all that Debtor's payment obligations to it under the Guarantee Agreements;

(b) undertakes with each Guarantee Party that whenever another Debtor does not pay any amount when due to it under or in connection with any Guarantee Agreement, that Debtor shall immediately on demand pay that amount as if it was the principal Debtor; and

(c) agrees with each Guarantee Party that if, for any reason, any amount claimed by a Guarantee Party under this Clause 27 is not recoverable on the basis of a guarantee, it will be liable as a principal debtor and primary obligor to indemnify that Guarantee Party against any cost, loss or liability it incurs as a result of a Debtor not paying any amount expressed to be payable by it to that Guarantee Party under any Guarantee Agreement on the date when it is expressed to be due. The amount payable by a Debtor under this indemnity will not exceed the amount it would have had to pay under this Clause 27 if the amount claimed had been recoverable on the basis of a guarantee,

subject to any limitation referred to in Clause 27.11 (*Limitations on Guarantees*) or in any Debtor Accession Deed by which it became a Debtor.

27.2 Continuing guarantee

This guarantee is a continuing guarantee and will extend to the ultimate balance of sums payable by any Debtor under the Guarantee Agreements, regardless of any intermediate payment or discharge in whole or in part.

27.3 Reinstatement

If any payment by a Debtor or any discharge given by a Guarantee Party (whether in respect of the obligations of any Debtor or any security for those obligations or otherwise) is avoided or reduced as a result of insolvency or any similar event:

(a) the liability of each Debtor shall continue as if the payment, discharge, avoidance or reduction had not occurred; and

(b) each Guarantee Party shall be entitled to recover the value or amount of that security or payment from the Debtor, as if the payment, discharge, avoidance or reduction had not occurred.

27.4 Waiver of defences

The obligations of each Debtor under this Clause 27 will not be affected by any act, omission, matter or thing which, but for this Clause 27, would reduce, release or prejudice any of its obligations under this Clause 27 (without limitation and whether or not known to it or any Guarantee Party) including:

(a) any time, waiver or consent granted to, or composition with, any Debtor or other person;

(b) the release of any other Debtor or any other person under the terms of any composition or arrangement with any creditor of any member of the Group;

(c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Debtor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;

(d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of a Debtor or any other person;

(e) any amendment (however fundamental) or replacement of a Guarantee Agreement or any other document or security provided that a Debtor shall be a party thereto;

(f) any unenforceability, illegality or invalidity of any obligation of any person under any Guarantee Agreement or any other document or security; or

(g) any insolvency or similar proceedings.

27.5 **Debtor intent**

Without prejudice to the generality of Clause 27.4 (*Waiver of defences*) but subject to Clause 27.11 (*Limitations on Guarantees*), each Debtor expressly confirms that it intends that this guarantee shall extend from time to time to any (however fundamental) variation, increase, extension or addition of or to any of the Guarantee Agreements.

27.6 **Immediate recourse**

Each Debtor waives any right it may have of first requiring any Guarantee Party (or any Security Agent or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from any person before claiming from that Debtor under this Clause 27. This waiver applies irrespective of any law or any provision of a Guarantee Agreement to the contrary.

27.7 **Appropriations**

Until all amounts which may be or become payable by the Debtors to it under or in connection with the Guarantee Agreements have been irrevocably paid in full, each Guarantee Party (or any trustee or agent on its behalf) may:

(a) refrain from applying or enforcing any other monies, security or rights held or received by that Guarantee Party (or any trustee or agent on its behalf) in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and no Debtor shall be entitled to the benefit of the same; and

(b) hold in an interest-bearing suspense account any monies received from any Debtor or on account of any Debtor's liability under this Clause 27.

27.8 **Deferral of Debtor's rights**

(a) Until all amounts which may be or become payable by the Debtors under or in connection with the Guarantee Agreements have been irrevocably paid in full and unless any relevant Guarantee Party otherwise directs or as permitted by this Agreement, no Debtor will exercise any rights which it may have by reason of performance by it of its obligations under the Guarantee Agreements:

(i) to be indemnified by a Debtor;

(ii) to claim any contribution from any other guarantor of any Debtor's obligations under the Guarantee Agreements;

(iii) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Guarantee Parties under the Guarantee Agreements or of any other guarantee or security taken pursuant to, or in connection with, the Guarantee Agreements by any Guarantee Party;

(iv) to bring legal or other proceedings for an order requiring any Debtor to make any payment, or perform any obligation, in respect of which any Debtor has given a guarantee, undertaking or indemnity under Clause 27.1 (*Guarantee and indemnity*);

(v) to exercise any right of set-off against any Debtor; and/or

(vi) to claim or prove as a creditor of any Debtor in competition with any Guarantee Party.

(b) If a Debtor receives any benefit, payment or distribution in relation to such rights, it shall, other than to the extent such Debtor is permitted to retain such benefit, payment or distribution in accordance with this Agreement, hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the relevant Guarantee Party by the Debtors under or in connection with the Guarantee Agreements to be repaid in full on trust (to the extent it is able to do so in accordance with any law applicable to it) for that Guarantee Party.

27.9 **Additional security**

This guarantee is in addition to and is not in any way prejudiced by any other guarantee or security now or subsequently held by any Guarantee Party.

27.10 **Release of Debtors' right of contribution**

If any Debtor (a "**Retiring Debtor**") ceases to be a Debtor in accordance with the terms of this Agreement, then on the date such Retiring Debtor ceases to be a Debtor:

(a) that Retiring Debtor is released by each other Debtor from any liability (whether past, present or future and whether actual or contingent) to make a contribution to any other Debtor arising by reason of the performance by any other Debtor of its obligations under the Guarantee Agreements; and

(b) each other Debtor waives any rights it may have by reason of the performance of its obligations under the Guarantee Agreements to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Guarantee Parties under any Guarantee Agreement or of any other security taken pursuant to, or in connection with, any Guarantee Agreement where such rights or security are granted by or in relation to the assets of the Retiring Debtor.

27.11 **Limitations on Guarantees**

Notwithstanding anything to the contrary in this Agreement or any other Debt Document:

(a) *Financial Assistance*:

(i) This guarantee does not apply to any liability to the extent that it would result in this guarantee constituting unlawful financial assistance within the meaning of Section 677 of the Companies Act 2006 or any equivalent provision of any applicable law including section 260A of the Australian Corporations Act, section 100 of the Gibraltar Companies Act 2014, within the meaning of article 110 of the Maltese Companies Act (Chapter 386 of the Laws of Malta), or otherwise being unlawful or in breach of the fiduciary or statutory duties of any director or officer of any member of the Group.

(ii) If, notwithstanding paragraph (i) above, the giving of the guarantee in respect of obligations under the Debt Documents or the granting of any Transaction Security would be unlawful financial assistance, then, to the extent necessary to give effect to paragraph (i) above, if and to the extent specified by the Parent in writing:

(A) the obligations under the Debt Documents will be deemed to have been split into two tranches, being "Tranche 1" comprising those obligations which can be guaranteed and/or secured without breaching or contravening relevant financial assistance laws and "Tranche 2" comprising the remainder of the obligations under the Debt Documents (with the Tranche 2 obligations excluded from any relevant obligations and liabilities under the Debt Documents, including this Clause 27); or

(B) the obligations under the Debt Documents will be deemed subject to other arrangements agreed by the Parent and the Security Agent.

(b) *Dutch Debtors:* Notwithstanding anything to the contrary contained in this Agreement or in any other Secured Debt Document, the obligations and liabilities under the Secured Debt Documents (including this Clause 27) of a Dutch Debtor and any Debtor which is a Subsidiary of a Dutch Debtor shall exclude, and shall not be or be construed as, any guarantee, indemnity, security or other obligation of such Debtor, to the extent that it would:

(i) constitute unlawful financial assistance within the meaning of Section 2:98c of the Dutch Civil Code or any other applicable financial assistance rules of any relevant jurisdiction; or

(ii) as regards any Dutch Debtor only, constitute ultra vires within the meaning of Section 2:7 of the Dutch Civil Code.

(c) *US Debtors*:

(i) Notwithstanding anything to the contrary contained in this Agreement or in any other Secured Debt Document:

(A) the maximum liability of each US Debtor under the Debt Documents (including this Clause 27) shall in no event exceed an amount equal to the greatest amount that would not render such US Debtor's obligations hereunder and under the other Secured Debt Documents subject to avoidance under the US Bankruptcy Code or to being set aside, avoided or annulled under any Fraudulent Transfer Law, in each case subject to applicable law and after giving effect to:

(1) all other liabilities of such Debtor, contingent or otherwise, that are relevant under such Fraudulent Transfer Law (specifically excluding, however, any liabilities of such Debtor in respect of intercompany indebtedness to any Debtor to the extent that such Indebtedness would be discharged in an amount equal to the amount paid by such Debtor hereunder); and

(2) the value as assets of such Debtor (as determined under the applicable provisions of such Fraudulent Transfer Law) of any rights to subrogation, contribution, reimbursement, indemnity or similar rights held by such Debtor pursuant to applicable law; and

(B) without prejudice to any of the other provisions of this Agreement or any other Secured Debt Document, each Party agrees that, in the event any payment or distribution is made on any date by a US Debtor under the Debt Documents (including this Clause 27), each such US Debtor shall be entitled to be indemnified by each other Debtor in an amount equal to such payment, in each case multiplied by a fraction of which the numerator shall be the net worth of the contributing Debtor and the denominator shall be the aggregate net worth of all Debtors.

(ii) Notwithstanding any other provision of this Agreement or any other Secured Debt Document to the contrary, no obligation of a US Debtor shall be (or be deemed) guaranteed by, or otherwise supported directly or indirectly by the assets of, any person that is:

(A) a Subsidiary of a US Person (where such US Person is (aa) a member of the Group, (bb) a Subsidiary of a member of the Group or (cc) a joint venture in which any member of the Group has an ownership interest); and

(B) a "controlled foreign corporation" as defined in Section 957(a) of the US Internal Revenue Code.

(iii) Each US Debtor and each Guarantee Party (by its acceptance of the guarantee under this Clause 27) hereby confirms that it is its intention that the guarantee under this Clause 27 shall not constitute a fraudulent transfer or conveyance for purposes of any bankruptcy, insolvency or similar law, the Uniform Fraudulent Conveyance Act of the United States or any similar federal, state or foreign law.

(d) *Luxembourg Guarantors*:

(i) Notwithstanding anything to the contrary in this Agreement or any other Secured Debt Document, the obligations and liabilities of a Luxembourg Guarantor under the Debt Documents (including this Clause 27) and/or the aggregate obligations and exposure of any Security provider incorporated or existing under the laws of Luxembourg (together with a Luxembourg

Guarantor, the "**Luxembourg Debtors**" and each a "**Luxembourg Debtor**") for the obligations of any Debtor which is not a direct or indirect Subsidiary of such Luxembourg Debtor shall, together with any similar guarantee and/or Security obligations of such Luxembourg Debtor arising under any other Debt Documents, be limited to an aggregate amount not exceeding the higher of:

(A) the sum of 90% of such Luxembourg Debtor's *capitaux propres* (as referred to in Annex 1 to the Grand Ducal Regulation dated 18 December 2015 setting out the form and content of the presentation of the balance sheet and profit and loss account, enforcing the Luxembourg law of 19 December 2002 on the register of commerce and companies and the accounting and annual accounts of undertakings, as amended (the "**Grand Ducal Regulation**")) and its Intra-Group Liabilities, as shown in its most recently and duly approved financial statements as at the date of this Agreement (or, as the case may be, the date on which it became a Debtor); and

(B) the sum of 90% of such Luxembourg Debtor's *capitaux propres* (as referred to in Annex 1 to the Grand Ducal Regulation) and its Intra-Group Liabilities as shown in its most recently and duly approved financial statements as at the date on which a demand under a guarantee is made or Transaction Security granted by it is enforced.

(ii) For the purpose of this Clause, "**Intra-Group Liabilities**" shall mean any amounts owed by a Luxembourg Debtor to any other member of the Group that have not been financed (directly or indirectly) by a borrowing under any Secured Debt Document.

(iii) The limitation in paragraph (i) above in relation to a Luxembourg Debtor shall not apply to any amounts borrowed under any Secured Debt Document and made available, in any form whatsoever, to such Luxembourg Debtor or any of its direct or indirect Subsidiaries. For the avoidance of doubt, any amounts borrowed under any Secured Debt Document and made available, in any form whatsoever, to any Luxembourg Debtor or any of its direct or indirect Subsidiaries shall form part of, and be covered by, the guarantee and/or Transaction Security given by such Luxembourg Debtor.

(iv) Notwithstanding anything to the contrary in this Agreement or any other Secured Debt Document, the obligations and liabilities of a Luxembourg Debtor under the Secured Debt Documents (including this Clause 27) shall not extend or be deemed to extend to (or otherwise relate to, cover or include) any obligations or liabilities to the extent that to do so would constitute:

(1) a breach of the financial assistance prohibitions contained in article 430-19 of the Luxembourg law on commercial companies dated 10 August 1915, as amended; or

(2) a misuse of corporate assets (*abus de biens sociaux*) as defined in article 1500-11 of the Luxembourg law on commercial companies dated 10 August 1915, as amended.

(e) *Irish Debtors:* Notwithstanding anything to the contrary in this Agreement or any other Debt Document, the guarantee set out in this Clause 27 shall not apply to any liability of any Irish Debtor to the extent that it would result in the guarantee constituting unlawful financial assistance within the meaning of Section 82 of the Irish Companies Act or constituting a breach of Section 239 of the Irish Companies Act.

(f) *Gibraltar Debtor*: Notwithstanding anything to the contrary in this Agreement or any other Secured Debt Document, the obligations and liabilities of the Gibraltar Debtor shall be limited at any time (with no double counting), to the maximum amount due and recoverable from the Gibraltar Debtor without (i) causing the Gibraltar Debtor to be presumed insolvent as defined under section 10(1)(b) of the Insolvency Act 2011 of Gibraltar or insolvent as defined under section 4 of the Insolvent Partnership Regulations 2014 of Gibraltar; (ii) comprising a void transaction under the Insolvency Act 2011 of Gibraltar or the Companies Act 2014 of Gibraltar; and (iii) comprising a voidable transaction per Part 9 of the Insolvency Act 2011 of Gibraltar.

(g) *Excluded Swap Obligations:* The guarantee of each Debtor under this Clause 27 does not apply to any Excluded Swap Obligation of such Debtor (and no amount received from any Debtor under any Debt Document shall be applied to any Excluded Swap Obligation of such Debtor, whether under Clause 14 (*Application of Proceeds*) or otherwise).

(h) *Additional Debtors*: In relation to any person which becomes a Debtor after the date of this Agreement, the guarantee of that Debtor shall in addition be subject to any limitations relating to that Debtor set out in any relevant Debtor Accession Deed.

28. COUNTERPARTS

This Agreement may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of this Agreement.

29. GOVERNING LAW

This Agreement and any non-contractual obligations arising out of or in connection with it are governed by English law.

30. ENFORCEMENT

30.1 Jurisdiction

(a) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Agreement (including a dispute relating to the existence, validity or termination of this Agreement or any non-contractual obligation arising out of or in connection with this Agreement) (a "**Dispute**").

(b) The Parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no Party will argue to the contrary.

30.2 Service of process

(a) Without prejudice to any other mode of service allowed under any relevant law each Debtor (unless incorporated in England and Wales):

(i) irrevocably appoints Power Leisure Bookmaker Limited (registered number 3822566) of One Chamberlain Square Cs, Birmingham, United Kingdom, B3 3AX (or any replacement agent for service of process in England notified to the Facility Agent from time to time) as its agent for service of process in relation to any proceedings before the English courts in connection with this Agreement; and

(ii) agrees that failure by a process agent to notify the relevant Debtor of the process will not invalidate the proceedings concerned.

(d) A Debtor may irrevocably appoint another person as its agent for service of process in relation to any proceedings before the English courts in connection with this Agreement, subject to notifying the Security Agent accordingly. In the case of any replacement of an existing agent for service of process, following the new process agent's appointment and notification to the Security Agent of such new appointment, the existing process agent may resign.

This Agreement has been entered into on the date stated at the beginning of this Agreement and executed as a deed by the Intra-Group Lenders and the Debtors and is intended to be and is delivered by them as a deed on the date specified above.

Notwithstanding any term of this Deed, the consent of any such third party is not required to rescind or vary this Deed at any time.

1.4 **Permitted Transactions**

The terms of this Deed shall not operate or be construed so as to prohibit or restrict any transaction, matter or other step not prohibited by the Debt Financing Agreements and the Security Agent shall promptly enter into such documentation and/or take such other action as is required by the Chargor (acting reasonably) in order to facilitate any such transaction, matter or other step, including by way of executing any confirmation, consent to dealing, release or other similar or equivalent document, provided that any costs and expenses incurred by the Security Agent entering into such documentation and/or taking such other action at the request of the Chargor pursuant to this Clause 1.4 shall be for the account of the Chargor to the extent set out in Section 9.05 (*Expenses; Indemnity*) of the Senior Facilities Agreement (or the equivalent provision of any other applicable Debt Financing Agreement).

2. CREATION OF SECURITY

2.1 **General**

(a) All the security created under this Deed:

(i) is created in favour of the Security Agent;

(ii) is created over present and future assets of the Chargor;

(iii) is security for the payment, discharge and performance of all the Secured Obligations; and

(iv) is made with full title guarantee in accordance with the Law of Property (Miscellaneous Provisions) Act 1994.

2.2 **Shares**

The Chargor charges by way of a first fixed charge:

(a) all of its Shares; and

(b) all Related Rights.

2.3 **Ranking**

The Chargor and the Security Agent (on behalf of itself and the Secured Parties) acknowledge that the ranking of the Security created pursuant to this Deed is subject to the Intercreditor Agreement and the application of proceeds pursuant to this Deed is provided for in the Intercreditor Agreement.

3. DEFAULT INTEREST

The Chargor shall pay interest on demand at the default rate of interest specified in the applicable Secured Debt Document and in accordance with the terms of the applicable Secured Debt Document on all amounts (including principal, interest, costs and amounts recoverable from the Chargor by way of indemnity) due but not paid by the Chargor to the Security Agent under this Deed from the due date of payment until the date of the actual payment to the Security Agent whether before or after judgment.

4. SHARES

4.1 **Shares: Before an Acceleration Event**

For so long as no Acceleration Event is continuing the Chargor shall be permitted to:

(a) retain and use all dividends, interest and other monies arising from the Shares;

(b) exercise (or refrain from exercising) all voting rights in relation to the Shares **provided that** the Chargor shall not exercise such voting rights in any manner which (other than pursuant to a step or matter which does not otherwise breach the terms of the Debt Financing Agreements) adversely affects the validity or enforceability of the Security created by it under this Deed or causes a Default to occur; and

(c) deal with, and exercise (or refrain from exercising) any other powers and rights relating to, the Shares in any other manner whatsoever to the extent not prohibited by the Debt Financing Agreements.

4.2 **Shares: After an Acceleration Event**

(a) The Security Agent may, at its discretion, whilst an Acceleration Event is continuing and in accordance with the Agreed Security Principles (in the name of the Chargor or otherwise and without any further consent or authority from the Chargor):

(i) exercise (or refrain from exercising) any voting rights in respect of the Shares;

(ii) apply all dividends, interest and other monies arising from the Shares in accordance with Clause 10 (*Application of Proceeds*);

(iii) transfer the Shares into the name of such nominee(s) of the Security Agent as it shall require; and

(iv) exercise (or refrain from exercising) the powers and rights conferred on or exercisable by the legal or beneficial owner of the Shares,

in such manner and on such terms as the Security Agent may think fit, and the proceeds of any such action shall form part of the Security Assets.

(b)

(i) If the exercise of rights by the Security Agent under sub-paragraph (a) above gives rise to a notifiable acquisition under section 6 of the National Security and Investment Act 2021 ("**NSIA**"), the Security Agent shall not exercise those rights until it has received the necessary approvals under section 13(2) of the NSIA, and the exercise of those rights will not breach the terms of a final order, if any, made under section 26(3) of the NSIA. For the avoidance of doubt, this sub-paragraph (b) is for the benefit of the Security Agent only and the Security Agent shall be entitled to exercise rights under sub-paragraph (a) above without obtaining any approvals under the NSIA, if it determines that it is not necessary or advisable to obtain the same.

(ii) If any Security Asset remains registered in the name of the Chargor, the Chargor irrevocably appoints the Security Agent or its nominee as its proxy to exercise all voting rights in respect of those Security Assets at any time during the Enforcement Period.

4.3 **Shares: Delivery of Documents of Title**

The Chargor must:

(a) as soon as reasonably practicable from the date of this Deed deposit with the Security Agent, or as the Security Agent may direct, all share certificates in relation to the Shares which it is the beneficial or legal owner on the date of this Deed and as soon as reasonably practicable all Stock Transfer Forms in relation to those Shares;

(b) as soon as reasonably practicable after becoming the beneficial or legal owner of any Shares at any time after the date of this Deed, deposit with the Security Agent, or as the Security Agent may direct, all share certificates in relation to those Shares, together with all Stock Transfer Forms in relation to those Shares; and

(c) The Chargor undertakes that prior to depositing any share certificates in accordance with paragraphs (a) or (b) above, such share certificates shall be held by the Chargor strictly to the order of the Security Agent and shall not be given to a third party without the consent of the Security Agent.

4.4 **Calls**

(a) The Chargor must pay all calls and other payments due and payable in respect of any Security Assets.

(b) If the Chargor fails to do so, the Security Agent may pay those calls or other payments on behalf of the Chargor. The Chargor must promptly on request reimburse the Security Agent for any payment reasonably made by the Security Agent under this Clause 4.4 (*Calls*).

4.5 **Other obligations in respect of Security Assets**

No Secured Party is obliged to:

(a) perform any obligation of the Chargor;

(b) make any payment, or make any enquiry as to the nature or sufficiency of any payment received by it or the Chargor; or

(c) present or file any claim or take any other action to collect or enforce the payment of any amount to which it may be entitled under this Deed,

in respect of any Security Assets.

4.6 **Financial Collateral**

(a) To the extent that the assets mortgaged or charged under this Deed constitute "financial collateral" and this Deed and the obligations of the Chargor under this Deed constitute a "security financial collateral arrangement" (in each case for the purpose of and as defined in the Financial Collateral Arrangements (No. 2) Regulations 2003 (SI 2003 No. 3226)) the Security Agent will have the right after this Security has become enforceable to appropriate all or any part of that financial collateral in or towards the satisfaction of the Secured Obligations.

(b) Where any financial collateral is appropriated:

(i) if the financial collateral is listed or traded on a recognised exchange its value will be taken as the value at which it could have been sold on the exchange on the date of appropriation; or

(ii) in any other case, the value of the financial collateral will be such amount as the Security Agent reasonably determines having taken into account advice obtained by it from an independent investment or accountancy firm of national standing selected by it,

and each Secured Party will give credit for the proportion of the value of the financial collateral appropriated to its use.

5. RESTRICTIONS ON DEALINGS

The Chargor may not:

(a) create or allow to exist any Security on any of its assets; or

(b) either in a single transaction or in a series of transactions and whether related or not and whether voluntarily or involuntarily dispose of all or any part of its assets,

unless permitted, or not otherwise prohibited, under each of the Debt Financing Agreements.

6. WHEN SECURITY BECOMES ENFORCEABLE

6.1 **Acceleration Event**

This Security will become immediately enforceable if an Acceleration Event has occurred and is continuing.

6.2 **Discretion**

At any time during an Enforcement Period, the Security Agent may in its absolute discretion enforce all or any part of this Security in any manner it sees fit.

6.3 **Registration**

The Security Agent shall be entitled at any time during an Enforcement Period to complete any Stock Transfer Forms then held by the Security Agent in respect of the Security Assets in the name of the Security Agent and the Chargor shall do whatever the Security Agent reasonably requires in order to procure the prompt registration of such transfer and the prompt issue of a new certificate or certificates for the relevant Security Assets in the name of the Security Agent.

7. ENFORCEMENT OF SECURITY

7.1 **General**

(a) For the purposes of all powers implied by statute, the Secured Obligations are deemed to have become due and payable at the date of this Deed.

(b) Section 103 of the Act (restricting the power of sale) and Section 93 of the Act (restricting the right of consolidation) do not apply to this Security.

(c) The statutory powers of leasing conferred on the Security Agent are extended so as to authorise the Security Agent to lease, make agreements for leases, accept surrenders of leases and grant options as the Security Agent may think fit and without the need to comply with any provision of section 99 or section 100 of the Act.

7.2 **No liability as mortgagee in possession**

Neither the Security Agent nor any Receiver will be liable by reason of entering into possession of a Security Asset to account as mortgagee in possession or for any loss on realisation or for any default or omission for which a mortgagee in possession might be liable.

7.3 **Privileges**

Each Receiver and the Security Agent is entitled to all the rights, powers, privileges and immunities conferred by the Act on mortgagees and receivers duly appointed under the Act, except that Section 103 of the Act does not apply.

7.4 **Protection of third parties**

No person (including a purchaser) dealing with the Security Agent or a Receiver or its or his agents will be concerned to enquire:

(a) whether the Secured Obligations have become payable;

(b) whether any power which the Security Agent or a Receiver is purporting to exercise has become exercisable or is being properly exercised;

(c) whether any money remains due under the Secured Debt Documents; or

(d) how any money paid to the Security Agent or to that Receiver is to be applied.

7.5 **Redemption of prior mortgages**

(a) At any time after this Security has become enforceable, the Security Agent may:

(i) redeem any prior Lien against any Security Asset; and/or

(ii) procure the transfer of that Lien to itself; and/or

(iii) settle and pass the accounts of the prior mortgagee, chargee or encumbrancer; any accounts so settled and passed will be, in the absence of manifest error, conclusive and binding on the Chargor.

(b) The Chargor must pay to the Security Agent, immediately on demand, the costs and expenses reasonably incurred by the Security Agent in connection with any such redemption and/or transfer, including the payment of any principal or interest.

7.6 **Contingencies**

If this Security is enforced at a time when no amount is due under the Secured Debt Documents but at a time when amounts may or will become due, the Security Agent (or the Receiver) may pay the proceeds of any recoveries effected by it into a suspense account.

7.7 **Persons with Significant Control regime**

Whilst an Acceleration Event is continuing and in respect of any Shares which constitute Security Assets, the Chargor shall promptly:

(a) within the relevant timeframe, comply with any notice it receives pursuant to Part 21A of the Companies Act 2006 from any company incorporated in the United Kingdom; and

(b) promptly provide the Security Agent with a copy of that notice.

8. RECEIVER

8.1 Appointment of Receiver

(a) Except as provided below, the Security Agent may appoint any one or more persons to be a Receiver of all or any part of the Security Assets if:

(i) an Acceleration Event is continuing; or

(ii) the Chargor so requests the Security Agent in writing at any time.

(b) Any appointment under Clause 8.1(a) above may be by deed, under seal or in writing under its hand.

(c) Except as provided below, any restriction imposed by law on the right of a mortgagee to appoint a Receiver (including under section 109(1) of the Act) does not apply to this Deed.

(d) The Security Agent is not entitled to appoint a Receiver solely as a result of the obtaining of a moratorium (or anything done with a view to obtaining a moratorium) under Section 1A of the Insolvency Act 1986.

(e) The Security Agent shall not appoint an administrative receiver (as defined in section 29(2) of the Insolvency Act 1986) over the Security Assets if the Security Agent is prohibited from so doing by section 72A of the Insolvency Act 1986 and no exception to the prohibition on appointing an administrative receiver applies.

8.2 Removal

The Security Agent may by writing under its hand remove any Receiver appointed by it and may, whenever it thinks fit, appoint a new Receiver in the place of any Receiver whose appointment may for any reason have terminated.

8.3 Remuneration

The Security Agent may fix the remuneration of any Receiver appointed by it and any maximum rate imposed by law (including under section 109(6) of the Act) will not apply.

8.4 Agent of the Chargor

(a) A Receiver will be deemed to be the agent of the Chargor for all purposes and accordingly will be deemed to be in the same position as a Receiver duly appointed by a mortgagee under the Act. The Chargor is solely responsible for the contracts, engagements, acts, omissions, defaults and losses of a Receiver and for liabilities incurred by a Receiver.

(b) No Secured Party will incur any liability (either to the Chargor or to any other person) by reason of the appointment of a Receiver.

8.5 Relationship with Security Agent

To the fullest extent allowed by law, any right, power or discretion conferred by this Deed (either expressly or impliedly) or by law on a Receiver may after this Security becomes enforceable be exercised by the Security Agent in relation to any Security Asset without first appointing a Receiver or notwithstanding the appointment of a Receiver.

9. POWERS OF RECEIVER

9.1 **General**

(a) A Receiver has all the rights, powers and discretions set out below in this Clause in addition to those conferred on it by any law. This includes all the rights, powers and discretions conferred on a receiver (or a receiver and manager) under the Act and the Insolvency Act, 1986.

(b) If there is more than one Receiver holding office at the same time, each Receiver may (unless the document appointing him states otherwise) exercise all the powers conferred on a Receiver under this Deed individually and to the exclusion of any other Receiver.

9.2 **Possession**

A Receiver may take immediate possession of, get in and collect any Security Asset.

9.3 **Sale of assets**

(a) A Receiver may sell, exchange, convert into money and realise any Security Asset by public auction or private contract and generally in any manner and on any terms which he thinks fit.

(b) The consideration for any such transaction may consist of cash, debentures or other obligations, shares, stock or other valuable consideration and any such consideration may be payable in a lump sum or by instalments spread over any period which he thinks fit.

9.4 **Receipts**

A Receiver may give a valid receipt for any moneys and execute any assurance or thing which may be proper or desirable for realising any Security Asset.

9.5 **Delegation**

A Receiver may delegate his powers in accordance with this Deed.

9.6 **Other powers**

A Receiver may:

(a) do all other acts and things which he may consider desirable or necessary for realising any Security Asset or incidental or conducive to any of the rights, powers or discretions conferred on a Receiver under or by virtue of this Deed or law;

(b) exercise in relation to any Security Asset all the powers, authorities and things which he would be capable of exercising if he were the absolute beneficial owner of that Security Asset; and

(c) use the name of the Chargor for any of the above purposes.

10. APPLICATION OF PROCEEDS

(a) All amounts from time to time received or recovered by the Security Agent or any Receiver pursuant to the terms of this Deed or in connection with the realisation or enforcement of all or any part of this Security will be held by the Security Agent and applied in or towards payment of or provision for the Secured Obligations in accordance with the terms of the Intercreditor Agreement.

(b) This Clause is subject to the payment of any claims having priority over this Security, to the extent permitted or not prohibited by the Debt Financing Agreements. This Clause does not prejudice the right of any Secured Party to recover any shortfall from the Chargor.

11. EXPENSES AND INDEMNITY

The provisions of clauses 20 (*Costs and Expenses*) and 21.1 (*Debtors' Indemnity*) of the Intercreditor Agreement shall (without double counting) be deemed incorporated in this Deed as if set out in this Deed, *mutatis mutandis.*

12. DELEGATION

12.1 Power of Attorney

The Security Agent or any Receiver may delegate by power of attorney or in any other manner to any person any right, power or discretion exercisable by it under this Deed.

12.2 Terms

Any such delegation may be made upon any terms (including power tosub-delegate) which the Security Agent or any Receiver may think fit.

12.3 Liability

Neither the Security Agent nor any Receiver will be in any way liable or responsible to the Chargor for any loss or liability arising from any act, default, omission or misconduct on the part of any delegate or sub-delegate unless caused by its or his gross negligence or wilful misconduct, in each case, as determined by a court of competent jurisdiction in a final, non-appealable judgment.

13. FURTHER ASSURANCES

The provisions of section 5.10(o) (*Further Assurances; Additional Security*) of the Senior Facilities Agreement shall be deemed incorporated in this Deed as if set out in this Deed, *mutatis mutandis*.

14. POWER OF ATTORNEY

The Chargor, by way of security, irrevocably and severally appoints the Security Agent, each Receiver and any of their delegates orsub-delegates to be its attorney during an Enforcement Period to take any action which the Chargor is obliged to take under this Deed, or may be deemed by such attorney necessary or desirable for any purpose of this Deed or to enhance or perfect the security intended to be constituted by it or to convey or transfer legal ownership of any Security Asset. The Chargor ratifies and confirms whatever any attorney does or purports to do under its appointment under this Clause.

15. MISCELLANEOUS

15.1 **Covenant to pay**

The Chargor must pay or discharge the Secured Obligations in the manner provided for in the Secured Debt Documents.

15.2 **Tacking**

Each Lender must perform its obligations under the Secured Debt Documents (including any obligation to make available further advances).

15.3 **New Accounts**

(a) If any subsequent charge or other interest affects any Security Asset, any Secured Party may open a new account with the Chargor.

(b) If a Secured Party does not open a new account, it will nevertheless be treated as if it had done so at the time when it received or was deemed to have received notice of that charge or other interest.

(c) As from that time all payments made to that Secured Party will be credited or be treated as having been credited to the new account and will not operate to reduce any Secured Obligation.

16. RELEASE

Following the occurrence of any of the following:

(a) at the end of the Security Period;

(b) if the Chargor resigns as a Debtor (as defined in the Intercreditor Agreement), under, and in accordance with the terms of, each of the relevant Secured Debt Documents to which it is a party; or

(c) if the Chargor disposes of any Security Assets or any part thereof to the extent permitted, or not otherwise prohibited, under the Debt Financing Agreements,

the Security Agent shall, in each case, at the request and cost of the Chargor, take whatever action is reasonably necessary to release its Security Assets from this Security, in each case without recourse to or any representation or warranty by or from any Secured Party and subject to the Security Agent's receipt, upon request, of a certification by the Borrower and the Chargor stating that such transaction and release are in compliance with the Intercreditor Agreement and the applicable Secured Debt Document.

17. CALCULATIONS AND CERTIFICATES

17.1 **Accounts**

In any litigation or arbitration proceedings arising out of or in connection with this Deed, the entries made in the accounts maintained by a Secured Party are prima facie evidence of the matters to which they relate.

17.2 **Certificates and determinations**

Any certification or determination by a Secured Party of a rate or amount under a Secured Debt Document is, in the absence of manifest error, conclusive evidence of the matters to which it relates.

17.3 **Day count conventions**

Any interest, commission or fee accruing under this Deed will accrue from day to day and is calculated on the basis of the actual number of days elapsed and a year of 360 days.

18. PARTIAL INVALIDITY

If, at any time, any term of this Deed is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction that will not affect:

(a) the legality, validity or enforceability in that jurisdiction of any other term of this Deed; or

(b) the legality, validity or enforceability in other jurisdictions of that or any other term of this Deed.

19. REMEDIES AND WAIVERS

No failure to exercise, nor any delay in exercising, on the part of any Secured Party, any right or remedy under this Deed will operate as a waiver, nor will any single or partial exercise of any right or remedy prevent any further or other exercise or the exercise of any other right or remedy. The rights and remedies provided in this Deed are cumulative and not exclusive of any rights or remedies provided by law and may be waived only in writing and specifically.

20. COUNTERPARTS

(a) This Deed may be executed in any number of counterparts. This has the same effect as if the signatures on the counterparts were on a single copy of this Deed.

(b) Any signature (including, without limitation, (x) any electronic symbol or process attached to, or associated with, a contract or other record and adopted by a person with the intent to sign, authenticate or accept such contract or record and (y) any facsimile, E-pencil or .pdf signature) hereto through electronic means, shall have the same legal validity and enforceability as a manually executed signature or use of a paper-based record-keeping system to the fullest extent permitted by applicable law. For the avoidance of doubt, the foregoing also applies to any amendment, extension or renewal of this Deed.

(c) The Chargor represents and warrants to the other Parties that it has the corporate capacity and authority to execute the Deed through electronic means and there are no restrictions for doing so in that Chargor's constitutive documents.

21. GOVERNING LAW

This Deed and any non-contractual obligations arising out of or in connection with it are governed by English law.

22. ENFORCEMENT

22.1 **Jurisdiction**

(a) The English courts have exclusive jurisdiction to settle any dispute arising out of or in connection with this Deed (including a dispute relating to the existence, validity or termination of this Deed or any non-contractual obligation arising out of or in connection with this Deed) (a **Dispute**).

(b) The Parties agree that the English courts are the most appropriate and convenient courts to settle Disputes and accordingly no Party will argue to the contrary.

(c) This Clause 22.1 (*Jurisdiction*) is for the benefit of the Secured Parties only. As a result, to the extent allowed by law:

(i) no Secured Party will be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction; and

(ii) the Secured Parties may take concurrent proceedings in any number of jurisdictions.

22.2 **Service of process**

Without prejudice to any other mode of service allowed under any relevant law, the Chargor:

(a) irrevocably appoint Power Leisure Bookmakers Limited as its agent under this Deed for service of process in relation to any proceedings before the English courts in connection with this Deed; and

(b) agrees that failure by a process agent to notify the Chargor of the process will not invalidate the proceedings concerned.

22.3 **Waiver of immunity**

The Chargor irrevocably and unconditionally:

(a) agrees not to claim any immunity from proceedings brought by a Secured Party against it in relation to this Deed and to ensure that no such claim is made on its behalf;

(b) consents generally to the giving of any relief or the issue of any process in connection with those proceedings; and

(c) waives all rights of immunity in respect of it or its assets.

THIS DEED has been entered into and executed as a deed by the Chargor with the intention that it be delivered on the date stated at the beginning of this Deed.

SECTION 2.0—NATURE OF SECURITY AND COVENANT TO PAY

2.1 Nature and Scope of Security

This Security is in addition to, independent of and shall not in any way prejudice or affect any other Security now or hereafter held by the Collateral Agent for the Secured Obligations. The Security shall not merge with nor be prejudiced by any other Security or the invalidity of any such Security.

4.3 Opening of New Accounts

If the Collateral Agent receives or is deemed to be affected by actual or constructive notice of any subsequent Security Interest affecting all or part of the Security Assets or if for any reason any security created by this Deed ceases to be a continuing security, the Collateral Agent may open a new account for the Chargor and if the Collateral Agent does not open a new account, it shall nevertheless be treated as if it had done so at the time it received or was deemed to have received such notice. As from that time all payments made to the Collateral Agent by the Chargor shall be treated as having been credited to such new account and shall not operate to reduce or have the effect of discharging any part of the Secured Obligations.

To the fullest extent allowed by law, any right, power or discretion conferred by this Deed (either expressly or impliedly) or by law on a Receiver may after this Security becomes enforceable during the Enforcement Period be exercised by the Collateral Agent in relation to any Security Asset without first appointing a Receiver or notwithstanding the appointment of a Receiver.

(a) To the extent that the assets mortgaged or charged under this Deed constitute "financial collateral" and this Deed and the obligations of the Chargor under this Deed constitute a "security financial collateral arrangement" (in each case for the purpose of and as defined in the European Communities (Financial Collateral Arrangements) Regulations 2010) the Collateral Agent will have the right after this Security has become enforceable during the Enforcement Period to appropriate all or any part of that financial collateral in or towards the satisfaction of the Secured Obligations.

As from that time all payments made to the Collateral Agent by the Chargor shall be treated as having been credited to such new account and shall not operate to reduce or have the effect of discharging any part of the Secured Obligations.

the Collateral Agent shall, in each case, at the request and cost of the Chargor, take whatever action is reasonably necessary to release its Security Assets from this Security, in each case without recourse to or any representation or warranty by or from any Secured Party and subject to the Collateral Agent's receipt, upon request, of a certification by the Borrower and the Chargor stating that such transaction and release are in compliance with the Intercreditor Agreement and the applicable Secured Debt Document.

4.6 Discretion of Collateral Agent and Receivers

To the fullest extent allowed by law, any right, power or discretion conferred by this Deed (either expressly or impliedly) or by law on a Receiver may after this Security becomes enforceable during the Enforcement Period be exercised by the Collateral Agent in relation to any Security Asset without first appointing a Receiver or notwithstanding the appointment of a Receiver.

(i) exercise (or refrain from exercising) any voting rights in respect of the Shares;

(ii) apply all dividends, interest and other monies arising from the Shares in accordance with Clause 8.5 (*Application of Monies*);

(iii) transfer the Shares into the name of such nominee(s) of the Collateral Agent as it shall require; and

(iv) exercise (or refrain from exercising) the powers and rights conferred on or exercisable by the legal or beneficial owner of the Shares,

in such manner and on such terms as the Collateral Agent may think fit, and the proceeds of any such action shall form part of the Security Assets.

5.5 Financial Collateral

(a) To the extent that the assets mortgaged or charged under this Deed constitute "financial collateral" and this Deed and the obligations of the Chargor under this Deed constitute a "security financial collateral arrangement" (in each case for the purpose of and as defined in the European Communities (Financial Collateral Arrangements) Regulations 2010) the Collateral Agent will have the right after this Security has become enforceable during the Enforcement Period to appropriate all or any part of that financial collateral in or towards the satisfaction of the Secured Obligations.

(b) Where any financial collateral is appropriated:

(i) if the financial collateral is listed or traded on a recognised exchange its value will be taken as the value at which it could have been sold on the exchange on the date of appropriation; or

(ii) in any other case, the value of the financial collateral will be such amount as the Collateral Agent reasonably determines having taken into account advice obtained by it from an independent investment or accountancy firm of national standing selected by it,

and each Secured Party will give credit for the proportion of the value of the financial collateral appropriated to its use.

5.6 Restrictions on Dealings

(a) The Chargor may not:

(i) create or allow to exist any Security on any of its assets; or

(ii) either in a single transaction or in a series of transactions and whether related or not and whether voluntarily or involuntarily dispose of all or any part of its assets,

unless permitted, or not otherwise prohibited, under each of the Debt Financing Agreements.

SECTION 6.0 - REPRESENTATIONS AND WARRANTIES

6.1 Representations and Warranties

The Chargor hereby unconditionally and irrevocably represents and warrants to each Secured Party that:

(a) it is the sole legal and beneficial owner of its Shares and Related Rights; and

(b) the Shares represent the entire issued share capital of the Company.

6.2 Times for making representations

The representations and warranties set out in this Deed are made by the Chargor on the date of this Deed.

SECTION 7.0 - ENFORCEABILITY OF SECURITY

7.1 Acceleration Event

This Security will become immediately enforceable if an Acceleration Event occurs and is continuing.

7.2 Discretion

At any time during an Enforcement Period, the Collateral Agent may, in its absolute discretion, without further notice to or demand on the Chargor and without the restrictions contained in the Act (in particular, but not limited to, the provisions of section 96(1) of the Act), enforce the Security Assets (or any part thereof) in any manner it sees fit and exercise the power of sale and all other powers conferred on mortgagees by law and by the Act in each case as varied or extended by this Deed.

7.3 Registration

The Collateral Agent shall be entitled at any time during an Enforcement Period to complete any Share Transfer Deeds then held by the Collateral Agent in respect of the Security Assets in the name of the Collateral Agent and the Chargor shall do whatever the Collateral Agent reasonably requires in order to procure the prompt registration of such transfer and the prompt issue of a new certificate or certificates for the relevant Security Assets in the name of the Collateral Agent.

SECTION 8.0 - RIGHTS AND POWERS OF THE COLLATERAL AGENT

8.1 Statutory Powers

The power to take possession, the power of sale, the power to appoint a receiver and all other powers conferred on mortgagees and/or receivers by this Deed, and by the Act and the Companies Act, in each case as varied or extended by this Deed, will be immediately exercisable at any time after this Security has become enforceable during the Enforcement Period. The Collateral Agent may exercise all such powers without the restrictions contained in the Act, in particular without the need:

(a) to give notice to the Chargor or any other person or make demand for payment or advertisement or other formality; or

(b) to comply to with section 96(1)(c) of the Act; or

(c) to comply with the requirements of section 99 (*Mortgagee in Possession*) of the Act; or

(d) for the occurrence of any of the events specified in paragraphs (a) to (c) of section 100(1) of the Act or paragraphs (a) to (c) of section 108(1) of the Act; or

(e) to give notice as specified in the final proviso to section 100(1) of the Act; or

(f) to obtain the consent of the Chargor or a court order authorising the exercise of the power of sale under sections 100(2) or (3) of the Act; or

(g) to give any notice to the Chargor under section 103(2) of the Act; or

(h) to obtain the consent of the Chargor under section 112(3)(c) of the Act.

8.2 Due Date for Statutory Purposes

The Secured Obligations are deemed to have become due on the date of this Deed and the power of sale and all other powers conferred on mortgagees under the Act, as varied and amended by this Deed shall arise immediately on execution of this Deed but shall not be enforceable until such time as the Security has become enforceable during the Enforcement Period.

8.3 Protection of Third Parties

No person (including a purchaser) dealing with the Collateral Agent or any Receiver or its or his agents will be concerned to enquire:

(a) whether any of the Secured Obligations have become payable or remain due; or

(b) whether due notice has been given to any person; or

(c) whether any power which the Collateral Agent or any Receiver is purporting to exercise has become exercisable or has been or is being properly exercised; or

(d) whether any Receiver is authorised to act; or

(e) how any money paid to the Collateral Agent or to any Receiver is to be applied,

and all protections to purchasers contained in sections 105(1), 106 and 108(5) of the Act shall apply to any person (including a purchaser) dealing with the Collateral Agent or any Receiver in like manner as if the statutory powers under the Act had not been varied or extended by this Deed. The provisions of section 105(2) of the Act shall not apply to this Deed or any enforcement of this Security.

8.4 Conclusive Receipt

The receipt of the Collateral Agent or any Receiver shall be absolute and conclusive discharge of a purchaser and shall relieve such purchaser from being concerned to see to the application of any monies paid to or by the direction of the Collateral Agent or any Receiver.

8.5 Application of Monies

(a) All amounts from time to time received or recovered by the Collateral Agent or any Receiver pursuant to the terms of this Deed or in connection with the realisation or enforcement of all or any part of this Security will be held by the Collateral Agent and applied in or towards payment of or provision for the Secured Obligations in accordance with the terms of the Intercreditor Agreement.

(b) This Clause is subject to the payment of any claims having priority over this Security, to the extent permitted or not prohibited by the Debt Financing Agreements. This Clause does not prejudice the right of any Secured Party to recover any shortfall from the Chargor.

(c) Sections 106(3), 107 and 109 of the Act shall not apply to the application of any monies received or realised pursuant to the exercise of powers conferred by this Deed.

8.6 Delegation

The Collateral Agent and any Receiver shall have full power to delegate to any person any right, power, discretion exercisable by it under this Deed or under the Act upon any terms as they may deem fit provided always that the Collateral Agent or any Receiver should not be in any way liable to the Chargor for any loss or damage arising for any act, default or omission for misconduct on the part of any such delegate. No delegation made pursuant to this Deed shall preclude the subsequent exercise of any such right, power or discretion by the Collateral Agent or any Receiver nor shall it preclude the Collateral Agent or any Receiver from making any subsequent delegation to some other person. Any such delegation may be revoked by the Collateral Agent or any Receiver at any time.

8.7 Expenses and Indemnity

The provisions of clause 20 (*Costs and Expenses*) and clause 21.1 (*Debtors' indemnity*) of the Intercreditor Agreement shall (without double counting) be deemed incorporated in this Deed as if set out in this Deed, mutatis mutandis.

8.8 Prior Security

At any time on or after this Security has become enforceable during the Enforcement Period, the Collateral Agent may:

(a) redeem any prior Security over any part of the Security Assets; and/or

(b) take a transfer of any such Security it itself; and or

(c) settle and pass accounts of any person in whom the prior Security may for the time being be vested and any account so settled and passed shall be binding and conclusive on the Chargor, who hereby authorises any prior mortgagee/chargee pursuant to this Clause to give to the Collateral Agent all information and account relating to the prior Security.

The Chargor shall immediately on demand pay to the Collateral Agent the costs and expenses reasonably incurred by the Collateral Agent in connection with any such redemption and/or transfer, including the payment of any principal or interest.

SECTION 9.0 - RECEIVERS

9.1 Power of Appointment

(a) At any time after this Security has become enforceable during the Enforcement Period and without the need for the occurrence of any of the events specified in section 108(1)(a) to (c) inclusive of the Act, the Collateral Agent may without further notice under seal or in writing under the hand of any director, secretary, employee or agent for the time being of the Collateral Agent appoint one or more persons as Receiver of the Security Assets or any part thereof and may from time to time remove any Receiver so appointed in writing under the hand of any employee or agent of the Collateral Agent and appoint another or others in his stead and/or appoint another person to act with any such Receiver.

(b) If at any time there is more than one Receiver appointed over all or any of the Security Assets, each Receiver, unless specified to the contrary in any appointment document, may exercise all powers conferred by this Deed severally.

(c) Any appointment of a Receiver or Receivers may be made either before or after the Collateral Agent shall have entered into or taken possession of the Security Assets or any part thereof.

(d) At any time after this Security has become enforceable during the Enforcement Period, any right, power or discretion conferred by this Deed or by law on a Receiver may be exercised by the Collateral Agent without first appointing a Receiver or notwithstanding the appointment of a Receiver.

9.2 Powers of Receiver

(a) At any time after this Security has become enforceable during the Enforcement Period, a Receiver shall have and be entitled to exercise, in relation to the Security Assets, all powers conferred on a mortgagee or a receiver by statute and, in relation to the Security Assets, all powers conferred by the Act and the Companies Act, without the restrictions contained in the Act. In addition, at any time after this Security has have become enforceable during the Enforcement Period, a Receiver shall have the power on behalf of and at the cost of the Chargor to do or omit to do anything which the Chargor could do or omit to do in relation to the Security Assets or any part thereof and in particular but without limitation shall have power to do all or any of the following:

(i) to take possession of, collect and get in the Security Assets and for that purpose to make demands, to take, defend or discontinue any proceedings or submit any matter to arbitration or mediation in the name of the Chargor;

(ii) to exercise in respect of the Security Assets all voting and other powers or rights and remedies available to the registered owner thereof as the Receiver thinks fit;

(iii) to sell, dispose of, convert into money or realise (or concur in so doing) any of the Security Assets by public auction or private contract and to carry such sale or disposal into effect and by deed in the name and on behalf of the Chargor. The consideration for such sale or disposition may be cash, debentures, shares or other valuable consideration, payable in instalments or immediately in a lump sum;

(iv) to make any arrangement or compromise or enter into, perform, repudiate, rescind, vary or cancel any contracts, in relation to the Security Assets, which the Receiver shall think expedient;

(v) to give a valid receipt for any money or execute any assurance or thing that may be necessary or desirable for realising the Security Assets;

(vi) to effect, maintain, renew, increase or vary such insurances, in relation to the Security Assets, as the Receiver shall, in the Receiver's absolute discretion, think fit;

(vii) to promote the formation of a subsidiary company and/or companies of the Chargor with a view to such subsidiary company and/or companies purchasing, leasing, licensing or otherwise acquiring interests in all or any of the Security Assets;

(viii) to redeem any prior Security and to settle and prove the accounts of the holder of such Security. Any accounts so settled and proved shall be conclusive and binding on the Chargor and the money so paid shall be taken to be an expense properly incurred by the Receiver;

(ix) to settle, adjust, refer to arbitration, compromise and arrange any claims, accounts, disputes, questions and demands with or by any person who is or claims to be a creditor of the Chargor or relating in any way to the Security Assets or any part thereof and take, defend, continue and discontinue any proceedings relating to the Security Assets or any part thereof;

(x) to raise or borrow money or incur any other liability, either unsecured or secured, on the Security Assets or any part thereof either in priority to the Security or otherwise and on such terms and conditions as the Receiver may think fit and no person lending any such money shall be concerned to enquire as to the propriety or purpose of the exercise of this power or to see to the application of any monies so raised or borrowed provided that no Receiver shall exercise this power without first obtaining the written consent of the Collateral Agent but the Collateral Agent shall incur no responsibility or liability to the Chargor or otherwise by reason of its giving or refusing such consent whether absolutely or subject to any limitation or condition;

(xi) to do anything else in connection with the Security Assets which the Receiver may think disposable for the purpose of making productive and increasing the market value of the Security Assets;

(xii) to appoint, hire and employ and to remunerate managers, agents, professional advisors, consultants, workmen and others on such terms and generally in such manner as the Receiver shall think fit in connection with any exercise by the Receiver of any of the powers referred to in this Deed or otherwise for any purpose connected with the Security Assets or any part thereof and to discharge any person so appointed, hired or employed; and

(xiii) to do all such other acts and things as may be considered by the Receiver to be incidental or conducive to any of the matters and powers aforesaid and which the Receiver may or can lawfully do as agent for the Chargor or necessary or desirable for the preservation or realisation of the Security and the Security Assets and to use the name of the Chargor for all the above purposes.

(b) At any time after this Security has become enforceable during the Enforcement Period, unless otherwise directed by the Collateral Agent, such Receiver may also exercise all the powers and authority vested in the Collateral Agent by this Deed and in particular all powers vested in the Collateral Agent by Section 8.0 of this Deed. section 108(4) of the Act shall not apply to this Deed.

(c) At any time after this Security has become enforceable during the Enforcement Period , the Collateral Agent may from time to time or at any time require such Receiver to give security for the due performance of his duties as such Receiver and may fix the nature and amount of security to be so given but the Collateral Agent shall not be bound in any case to require any such security.

9.3 Liability of the Collateral Agent and Receiver

(a) Neither the Collateral Agent nor any Receiver will be liable by reason of entering into possession of a Security Asset to account as mortgagee in possession or for any loss on realisation or for any default or omission for which a mortgagee in possession might be liable.

(b) The Collateral Agent and each Receiver is entitled to all the rights, powers, authority, discretions and immunities conferred on mortgagees and receivers (save as varied or modified by this Deed) by the Act and the Companies Act and shall not be liable for any default or omission in relation to the Security Assets or any exercise or non-exercise of any power, authority or discretion conferred on the Collateral Agent or any Receiver in relation to the Security Assets or any part thereof by or pursuant to this Deed, the Act or the Companies Act unless such loss or damage is caused by the fraud, wilful misconduct or negligence of the Collateral Agent or such Receiver (as applicable).

9.4 Receiver Agent of the Chargor

Any Receiver appointed hereunder shall be deemed to be in the same position as a Receiver duly appointed under the Act and shall be the agent of the Chargor for all purposes. The Chargor shall be solely responsible for all acts, omissions, remuneration, defaults, losses of and liabilities incurred by the Receiver as agent for the Chargor. No Secured Party shall incur any liability whatsoever to the Chargor, or to any other person for any such acts, defaults, omissions, misconduct or negligence of any Receiver appointed under this Deed or otherwise (excluding any liability arising as a result of the Collateral Agent's fraud, wilful misconduct or negligence).

9.5 Remuneration of Receiver

A Receiver shall be entitled to remuneration at a rate to be fixed by agreement between such Receiver and the Collateral Agent (or failing such agreement to be fixed by the Collateral Agent). The provisions of section 108(7) of the Act shall not apply to this Deed.

SECTION 10.0 - GENERAL PROVISIONS

10.3 Assignment

(a) The Chargor may not assign or transfer any of its rights or obligations under this Deed without the prior consent of the Collateral Agent.

(c) References to the Collateral Agent in this Deed include any successor Collateral Agent appointed under the Intercreditor Agreement.

Any restrictions on the right of consolidation of mortgages including the provisions of section 92 of the Act shall not apply to the Security and to this Deed.

10.5 Power of Attorney

The Chargor, by way of security, irrevocably and severally appoints the Collateral Agent, each Receiver and any of their delegates or sub-delegates to be its attorney during an Enforcement Period to take any action which it is obliged to take under this Deed, or may be deemed by such attorney necessary or desirable for any purpose of this Deed or to enhance or perfect the security intended to be constituted by it or to convey or transfer legal ownership of any Security Asset. The Chargor ratifies and confirms whatever any attorney does or purports to do under its appointment under this Clause.

10.6 Enforcement of Other Rights

The Chargor waives any right it may have of first requiring the Collateral Agent to proceed against or enforce any other rights or security the Collateral Agent may have or benefit from before enforcing the Security.

10.7 Calculations and Certificates

(b) the legality, validity or enforceability in other jurisdictions of that or any other term of this Deed.

10.9 Remedies and Waivers

No failure to exercise, nor any delay in exercising, on the part of any Secured Party, any right or remedy under this Deed will operate as a waiver, nor will any single or partial exercise of any right or remedy prevent any further or other exercise or the exercise of any other right or remedy. The rights and remedies provided in this Deed are cumulative and not exclusive of any rights or remedies provided by law and may be waived only in writing and specifically.

10.10 Notices

Any notice, demand or other communication required or permitted to be given or made under or in connection with this Deed shall be given or made in accordance with clause 23 (*Notices*) of the Intercreditor Agreement.

(b) The Parties agree that the courts of Ireland are the most appropriate and convenient courts to settle Disputes and accordingly no Party will argue to the contrary.

(c) This Clause 10.14 is for the benefit of the Secured Parties only. (i) irrevocably appoints PPB Treasury Unlimited Company as its agent under this Deed for service of process in relation to any Dispute before the Irish Courts in connection with this Deed; and

(ii) agrees that failure by a process agent to notify the Chargor of any process will not invalidate the Dispute concerned.

(b) If any person appointed as process agent under this Clause 10.15 (*Service of Process*) is unable for any reason so to act, the Chargor must immediately (and in any event within 7 days of the event taking place) appoint another agent on terms acceptable to the Security Agent. Failing this, the Security Agent may appoint another process agent for this purpose.

SECTION 2.02. Delivery of the Pledged Collateral.

(a) Each Pledgor confirms that it has delivered to the Security Agent, for the benefit of the Secured Parties, any Pledged Securities in existence on the date hereof and agrees promptly after the date hereof (with respect to any Pledged Securities from time to time acquired after the date hereof) to deliver or cause to be delivered to the Security Agent, for the benefit of the Secured Parties, any and all such Pledged Securities; provided that any such Pledged Securities acquired by any Pledgor after the date hereof shall be delivered to the Security Agent, for the benefit of the Secured Parties, within 120 days after the acquisition thereof (or such longer time as the Security Agent shall permit in its reasonable discretion); provided, further, that each Pledgor shall have no obligation to deliver Pledged Securities, in the case of promissory notes or other instruments evidencing Indebtedness, in an outstanding principal amount of less than $10,000,000.

(b) the Pledged Stock (with respect to Pledged Stock issued by an issuer other than a Subsidiary of the Company organized under the laws of any jurisdiction of the United States, to the best of each Pledgor's knowledge) have been duly and validly authorized and issued by the issuers thereof and are fully paid and nonassessable;

(c) except for the security interests granted hereunder, each Pledgor (i) is and, subject to any transfers made in compliance with the Secured Debt Documents, will continue to be the direct owner, beneficially and of record, of the Pledged Securities indicated on Schedule III (as may be supplemented from time to time pursuant to Section 2.02(b)) as owned by such Pledgor, (ii) holds the same free and clear of all Liens, other than Permitted Liens, (iii) will make no assignment, pledge, hypothecation or transfer of, or create or permit to exist any security interest in or other Lien on, the Pledged Collateral, other than pursuant to a transaction not prohibited by the Debt Financing Agreements and other than Permitted Liens and (iv) subject to the rights of such Pledgor under the Debt Financing Agreements to dispose of Pledged Collateral, will use commercially reasonable efforts to defend its title or interest thereto or therein against any and all Liens (other than Permitted Liens), however arising, of all persons;

(d) other than as permitted by the Debt Financing Agreements and except for restrictions and limitations imposed by the Debt Financing Agreements or securities laws generally, the Pledged Collateral is and will continue to be freely transferable and assignable, and none of the Pledged Collateral is or will be subject to any option, right of first refusal, shareholders agreement, charter, by-law, memorandum of association or articles of association provisions or contractual restriction of any nature that might prohibit, impair, delay or otherwise affect the pledge of such Pledged Collateral hereunder, the sale or disposition thereof pursuant hereto or the exercise by the Security Agent of rights and remedies hereunder;

(e) each Pledgor has the power and authority to pledge the Pledged Collateral pledged by it hereunder in the manner hereby done or contemplated;

(f) other than as set forth in the Facilities Agreement or the schedules thereto, no consent or approval of any Governmental Authority, any securities exchange or any other person was or is necessary to the validity of the pledge effected hereby (other than such as have been obtained and are in full force and effect);

(g) by virtue of the execution and delivery by the Pledgors of this Agreement, when any Pledged Securities are delivered to the Security Agent, for the benefit of the Secured Parties, in accordance with this Agreement and a Uniform Commercial Code financing statement in respect of the Pledged Collateral is filed in the appropriate filing office, the Security Agent will obtain, for the benefit of the Secured Parties, a legal, valid and perfected lien upon and security interest in such Pledged Collateral, subject only to Permitted Liens, as security for the payment and performance of the Secured Obligations, to the extent such perfection is governed by the Uniform Commercial Code; and

(h) the pledge effected hereby is effective to vest in the Security Agent, for the benefit of the Secured Parties, the rights of the Security Agent in the Pledged Collateral as set forth herein.

SECTION 2.04. Certification of Limited Liability Company and Limited Partnership Interests.

(a) Each interest in any limited liability company or limited partnership of a Domestic Subsidiary Controlled by any Pledgor, pledged hereunder and represented by a certificate, shall be a "security" within the meaning of Article 8 of the New York UCC and shall be governed by Article 8 of the New York UCC, and each such interest shall at all times hereafter be represented by a certificate.

(b) Each interest in any limited liability company or limited partnership of a Domestic Subsidiary Controlled by a Pledgor, pledged hereunder and not represented by a certificate shall not be a "security" within the meaning of Article 8 of the New York UCC and shall not be governed by Article 8 of the New York UCC (or other applicable Uniform Commercial Code in effect in another jurisdiction), and the Pledgors shall at no time elect to treat any such interest as a "security" within the meaning of Article 8 of the New York UCC or its equivalent in other jurisdictions or issue any certificate representing such interest, unless promptly thereafter (and in any event within 120 days or such longer period as the Security Agent may permit in its reasonable discretion) the applicable Pledgor provides notification to the Security Agent of such election and promptly delivers any such certificate to the Security Agent pursuant to the terms hereof.

(c) In the case of each Pledgor which is an issuer of Pledged Collateral, such Pledgor agrees (i) to be bound by the terms of this Agreement relating to the Pledged Collateral issued by it and will comply with such terms insofar as such terms are applicable to it, (ii) promptly to note on its books the security interests granted to the Security Agent and confirmed under this Agreement, (iii) that it will comply with instructions of the Security Agent in accordance with this Agreement with respect to the Pledged Collateral (including all Equity Interests of such issuer) without further consent by the applicable Pledgor, and (iv) agrees to notify the Security Agent upon obtaining knowledge of any interest in favor of any person in the applicable Pledged Collateral that is adverse to the interest of the Security Agent therein

SECTION 2.05. Registration in Nominee Name; Denominations. The Security Agent, on behalf of the Secured Parties, shall have the right (in its sole and absolute discretion) to hold the Pledged Securities in the name of the applicable Pledgor, endorsed or assigned in blank or in favor of the Security Agent or, if an Acceleration Event shall have occurred and be continuing, in its own name as pledgee or the name of its nominee (as pledgee or as sub-agent). Upon the occurrence and during the continuance of an Acceleration Event, each Pledgor will promptly give to the Security Agent copies of any notices or other communications received by it with respect to Pledged Securities registered in the name of such Pledgor. If an Acceleration Event shall have occurred and be continuing, the Security Agent shall have the right to exchange the certificates representing Pledged Securities for certificates of smaller or larger denominations for any purpose consistent with this Agreement. Each Pledgor shall use its commercially reasonable efforts to cause each issuer of Pledged Securities that is not a party to this Agreement to comply with a request by the Security Agent, pursuant to this Section 2.05, to exchange certificates representing Pledged Securities of such Subsidiary for certificates of smaller or larger denominations.

SECTION 2.06. Voting Rights; Dividends and Interest, etc.

(a) Unless and until an Acceleration Event shall have occurred and be continuing:

(i) Each Pledgor shall be entitled to exercise any and all voting and/or other consensual rights and powers inuring to an owner of Pledged Collateral or any part thereof for any purpose consistent with the terms of the Debt Financing Agreements; provided that such rights and powers shall not be exercised in any manner that could materially and adversely affect the rights and remedies of any of the Security Agent or the other Secured Parties under this Agreement or any other Debt Financing Agreement or the ability of the Secured Parties to exercise the same.

(ii) The Security Agent shall promptly execute and deliver to each Pledgor, or cause to be executed and delivered to such Pledgor, all such proxies, powers of attorney and other instruments as such Pledgor may reasonably request for the purpose of enabling such Pledgor to exercise the voting and/or consensual rights and powers it is entitled to exercise pursuant to subparagraph (i) above.

(iii) Each Pledgor shall be entitled to receive and retain any and all dividends, interest, principal and other distributions paid on or distributed in respect of the Pledged Collateral to the extent and only to the extent that such dividends, interest, principal and other distributions are permitted, and not otherwise prohibited by the Debt Financing Agreements; provided that any noncash dividends, interest, principal or other distributions that would constitute Pledged Securities, whether resulting from a subdivision, combination or reclassification of the outstanding Equity Interests of the issuer of any Pledged Securities or received in exchange for Pledged Securities or any part thereof, or in redemption thereof, or as a result of any merger, consolidation, acquisition or other exchange of assets to which such issuer may be a party or otherwise, shall be and become part of the Pledged Collateral, and, if received by any Pledgor, shall be promptly (and in any event within 120 days of their receipt (or such longer time as the Security Agent shall permit in its reasonable discretion)) delivered to the Security Agent, for the benefit of the Secured Parties, in the same form as so received (endorsed in a manner reasonably satisfactory to the Security Agent).

(b) Upon the occurrence and during the continuance of an Acceleration Event, all rights of any Pledgor to dividends, interest, principal or other distributions that such Pledgor is authorized to receive pursuant to paragraph (a)(iii) of this Section 2.06 shall cease, and all such rights shall thereupon become vested, for the benefit of the Secured Parties, in the Security Agent, which shall have the sole and exclusive right and authority to receive and retain such dividends, interest, principal or other distributions; provided, that the Security Agent shall have the right from time to time following and during the continuance of an Acceleration Event to permit the Pledgors to receive and retain such amounts. All dividends, interest, principal or other distributions received by any Pledgor contrary to the provisions of this Section 2.06 shall not be commingled by such Pledgor with any of its other funds or property but shall be held separate and apart therefrom, shall be held in trust for the benefit of the Security Agent, for the benefit of the Secured Parties, and shall be forthwith delivered to the Security Agent, for the benefit of the Secured Parties, in the same form as so received (endorsed in a manner reasonably satisfactory to the Security Agent). Any and all money and other property paid over to or received by the Security Agent pursuant to the provisions of this paragraph (b) shall be retained by the Security Agent in an account to be established by the Security Agent upon receipt of such money or other property and shall be applied

in accordance with the provisions of Section 4.02. After all Acceleration Events have been cured or waived (as applicable) and the Grantor has delivered to the Security Agent a certificate to that effect, the Security Agent shall promptly repay to each Pledgor (without interest) all dividends, interest, principal or other distributions that such Pledgor would otherwise be permitted to retain pursuant to the terms of paragraph (a)(iii) of this Section 2.06 and that remain in such account.

(c) Upon the occurrence and during the continuance of an Acceleration Event, all rights of any Pledgor to exercise the voting and/or consensual rights and powers it is entitled to exercise pursuant to paragraph (a)(i) of this Section 2.06, and the obligations of the Security Agent under paragraph (a)(ii) of this Section 2.06, shall cease, and all such rights shall thereupon become vested in the Security Agent, for the benefit of the Secured Parties, which shall have the sole and exclusive right and authority to exercise such voting and consensual rights and powers; provided that the Security Agent shall have the right from time to time following and during the continuance of an Acceleration Event to permit the Pledgors to exercise such rights. After all Acceleration Events have been cured or waived and the Grantor has delivered to the Security Agent a certificate to that effect, all rights of any Pledgor to exercise the voting and/or consensual rights and powers it is entitled to exercise pursuant to paragraph (a)(i) of this Section 2.06, and the obligations of the Security Agent under paragraph (a)(ii) of this Section 2.06, shall in each case be reinstated.

ARTICLE III.

(i) all Accounts;

(ii) all Chattel Paper;

(iii) all Documents;

(iv) all Equipment;

(v) all General Intangibles;

(vi) all Instruments (other than the Pledged Collateral, which is governed by Article II);

Notwithstanding anything to the contrary in this Agreement, the Intercreditor Agreement or any other Secured Debt Document, this Agreement shall not constitute a grant of a security interest in (and the Article 9 Collateral shall not include) any Excluded Property. Notwithstanding anything in this Agreement or any other Secured Debt Document to the contrary, the Pledgors shall not be required (a) to create or perfect security interests in particular assets if, and for so long as and to the extent that the Security Agent and the Grantor reasonably agree that the cost (including any material adverse tax consequences) of obtaining such a security interest or perfection thereof are excessive in relation to the benefit to the Secured Parties of the security to be afforded thereby and (b) to deliver control agreements or other control or similar arrangements with respect to Deposit Accounts, Securities Accounts or Commodities Accounts or take any action other than the filing of financing statements with respect to Letter of Credit Rights that are not Supporting Obligations or with respect to vehicles and other assets subject to a certificate of title.

(b) Each Pledgor hereby irrevocably authorizes the Security Agent at any time and from time to time to file in any relevant jurisdiction any initial financing statements with respect to the Article 9 Collateral or any part thereof and amendments or continuations thereto that contain the information required by Article 9 of the Uniform Commercial Code of each applicable jurisdiction for the filing of any financing statement or amendment, including (i) whether such Pledgor is an organization, the type of organization and any organizational identification number issued to such Pledgor, and (ii) a description of collateral that describes such property in any other manner as the Security Agent may reasonably determine is necessary or advisable to ensure the perfection of the security interest in the Article 9 Collateral granted under this Agreement, including describing such property as “all assets” or “all personal property” or words of similar effect. Each Pledgor agrees to provide such information to the Security Agent promptly upon request.

The Security Agent is further authorized to file with the United States Patent and Trademark Office and the United States Copyright Office (or any successor office) such documents as may be necessary or advisable for the purpose of perfecting, confirming, continuing, enforcing, protecting or providing notices of the Security Interest granted by each Pledgor, and naming any Pledgor or the Pledgors as debtors and the Security Agent as secured party. Notwithstanding anything to the contrary herein, no Pledgor shall be required to take any action under the laws of any jurisdiction other than the United States of America (or any political subdivision thereof) and its territories and possessions for the purpose of perfecting the Security Interest in any Article 9 Collateral of such Pledgor constituting Patents, Trademarks or Copyrights.

(c) The Security Interest is granted as security only and shall not subject the Security Agent or any other Secured Party to, or in any way alter or modify, any obligation or liability of any Pledgor with respect to or arising out of the Article 9 Collateral.

SECTION 3.02. Representations and Warranties. The Pledgors jointly and severally represent and warrant to the Security Agent for the benefit of the Secured Parties that:

(a) Each Pledgor has good and valid rights in and title to the Article 9 Collateral with respect to which it has purported to grant a Security Interest hereunder and has full power and authority to grant to the Security Agent the Security Interest in such Article 9 Collateral pursuant hereto and to execute, deliver and perform its obligations in accordance with the terms of this Agreement, without the consent or approval of any other person other than any consent or approval that has been obtained and is in full force and effect or has otherwise been disclosed herein or in the Facilities Agreement and the Schedules thereto.

(b) Uniform Commercial Code financing statements or other appropriate filings, recordings or registrations containing a description of the Article 9 Collateral have been prepared by the Security Agent based upon the information provided to the Security Agent for filing in each governmental, municipal or other office specified to the Security Agent (or specified by notice from the Grantor to the Security Agent after the Closing Date in the case of filings, recordings or registrations required by Section 5.10 of the Facilities Agreement), and constitute all the filings, recordings and registrations (other than filings required to be made in the United States Patent and Trademark Office and the United States Copyright Office in order to perfect the Security Interest in Article 9 Collateral consisting of United States Patents, United States registered Trademarks and United States registered Copyrights) that are necessary to establish a legal, valid and perfected security interest in favor of the Security Agent (for the benefit of the Secured Parties) in respect of all Article 9 Collateral in which the Security Interest may be perfected by filing, recording or registration in the United States (or any political subdivision thereof) and its territories and possessions, and no further or subsequent filing, refiling, recording, rerecording, registration or reregistration is necessary in any such jurisdiction, except as provided under applicable law with respect to the filing of continuation statements or amendments. Each Pledgor represents and warrants that a fully executed short form agreement (which form shall be reasonably acceptable to the Security Agent) containing a description of all Article 9 Collateral consisting of Intellectual Property with respect to registered United States Patents (and Patents for which registration applications are pending), registered United States Trademarks (and Trademarks for which registration applications are pending) and registered United States Copyrights (and Copyrights for which registration applications are pending) has been delivered to the Security Agent for recording with the United States Patent and Trademark Office and the United States Copyright Office pursuant to 35 U.S.C. § 261, 15 U.S.C. § 1060 or 17 U.S.C. § 205 and the regulations thereunder, as applicable, to protect the validity of and to establish a legal, valid and perfected security interest in favor of the Security Agent, for the benefit of the Secured Parties, in respect of all Article 9 Collateral consisting of such Intellectual Property in which a security interest may be perfected by recording with the United States Patent and Trademark Office and the United States Copyright Office, and no further or subsequent filing, refiling, recording, rerecording, registration or reregistration is necessary (other than (x) the Uniform Commercial Code financing statements and (y) such actions as are necessary to perfect the Security Interest with respect to any Article 9 Collateral consisting of Patents, Trademarks and Copyrights (or registration or application for registration thereof) acquired or developed after the Closing Date).

(c) The Security Interest constitutes (i) a legal and valid security interest in all the Article 9 Collateral securing the payment and performance of the Secured Obligations, (ii) subject to the filings described in Section 3.02(b), a perfected security interest in all Article 9 Collateral in which a security interest may be perfected by filing, recording or registering a Uniform Commercial Code financing statement or analogous document in the United States (or any political subdivision thereof) and its territories and possessions pursuant to the Uniform Commercial Code or other applicable law in such jurisdictions and (iii) subject to Section 3.02(b), a security interest that shall be perfected in all Article 9 Collateral in which a security interest may be perfected upon the receipt and recording of this Agreement (or a short form hereof) with the United States Patent and Trademark Office and the United States Copyright Office, as applicable. The Security Interest is and shall be prior to any other Lien on any of the Article 9 Collateral other than Permitted Liens.

(d) The Article 9 Collateral is owned by the Pledgors free and clear of any Lien, other than Permitted Liens. None of the Pledgors has filed or consented to the filing of (i) any financing statement or analogous document under the Uniform Commercial Code or any other applicable laws covering any Article 9 Collateral, (ii) any assignment in which any Pledgor assigns any Article 9 Collateral or any security agreement or similar instrument covering any Article 9 Collateral with the United States Patent and Trademark Office or the United States Copyright Office or (iii) any assignment in which any Pledgor assigns any Article 9 Collateral or any security agreement or similar instrument covering any Article 9 Collateral with any foreign governmental, municipal or other office, which financing statement or analogous document, assignment, security agreement or similar instrument is still in effect, except, in each case, for Permitted Liens.

(e) None of the Pledgors holds any Commercial Tort Claim individually reasonably estimated to be equal to or in excess of $10,000,000 except as set forth on Schedule II (as may be supplemented from time to time).

(f) All Accounts owned by the Pledgors have been originated by the Pledgors and all Inventory owned by the Pledgors has been acquired by the Pledgors in the ordinary course of business.

SECTION 3.03. Covenants.

(a) Each Pledgor agrees to comply with Section 5.10(d)(viii) of the Facilities Agreement. Each Pledgor agrees promptly to provide the Security Agent with certified organizational documents reflecting any of the changes described in Section 5.10(d)(ix) of the Facilities Agreement.

(b) Subject to the rights of such Pledgor under the Debt Financing Agreements to dispose of Collateral, each Pledgor shall, at its own expense, use commercially reasonable efforts to defend title to the Article 9 Collateral against all persons and to defend the Security Interest of the Security Agent, for the benefit of the Secured Parties, in the Article 9 Collateral and the priority thereof against any Lien that is not a Permitted Lien.

(c) Each Pledgor agrees, at its own expense, to execute, acknowledge, deliver and cause to be duly filed all such further instruments and documents and take all such actions as the Security Agent may from time to time reasonably request to better assure, preserve, protect and perfect the Security Interest and the rights and remedies created hereby, including the payment of any fees and taxes required in connection with the execution and delivery of this Agreement and the granting of the Security Interest and the filing of any financing statements (including fixture filings) or other documents in connection herewith or therewith.

Without limiting the generality of the foregoing, each Pledgor hereby authorizes the Security Agent, with prompt notice thereof to the Pledgors, to supplement this Agreement by supplementing Schedule IV or adding additional schedules hereto to specifically identify any asset or item that may constitute Copyrights, Patents, Trademarks, Copyright Licenses, Patent Licenses or Trademark Licenses; provided that any Pledgor shall have the right, exercisable within 90 days after it has been notified by the Security Agent of the specific identification of such Collateral, to advise the Security Agent in writing of any inaccuracy of the representations and warranties made by such Pledgor hereunder with respect to such Collateral. Each Pledgor agrees that it will use its commercially reasonable efforts to take such action as shall be necessary in order that all representations and warranties hereunder shall be true and correct with respect to such Collateral within 90 days after the date it has been notified by the Security Agent of the specific identification of such Collateral.

(d) After the occurrence of an Acceleration Event and during the continuance thereof, the Security Agent shall have the right to verify under reasonable procedures the validity, amount, quality, quantity, value, condition and status of, or any other matter relating to, the Article 9 Collateral, including, in the case of Accounts or Article 9 Collateral in the possession of any third person, by contacting Account Debtors or the third person possessing such Article 9 Collateral for the purpose of making such a verification. The Security Agent shall have the right to share any information it gains from such inspection or verification with any Secured Party.

(e) At its option, after the Security Agent shall have given three Business Days' prior written notice to the relevant Pledgors, the Security Agent may discharge any past due taxes, assessments, charges, fees, Liens, security interests or other encumbrances at any time levied or placed on the Article 9 Collateral and that is not a Permitted Lien, and may pay for the maintenance and preservation of the Article 9 Collateral to the extent any Pledgor fails to do so as required by this Agreement or a Debt Financing Agreement, and each Pledgor jointly and severally agrees to reimburse the Security Agent on demand for any reasonable and documented payment made or any reasonable and documented out-of-pocket expense incurred by the Security Agent pursuant to the foregoing authorization; provided, however, that nothing in this Section 3.03(e) shall be interpreted as excusing any Pledgor from the performance of, or imposing any obligation on the Security Agent or any Secured Party to cure or perform, any covenants or other promises of any Pledgor with respect to taxes, assessments, charges, fees, Liens, security interests or other encumbrances and maintenance as set forth herein or in a Debt Financing Agreement.

(f) Each Pledgor (rather than the Security Agent or any Secured Party) shall remain liable for the observance and performance of all the conditions and obligations to be observed and performed by it under each contract, agreement or instrument relating to the Article 9 Collateral.

(g) Each Pledgor irrevocably makes, constitutes and appoints the Security Agent (and all officers, employees or agents designated by the Security Agent) as such Pledgor's true and lawful agent (and attorney-in-fact) for the purpose, during the continuance of an

Acceleration Event, of making, settling and adjusting claims in respect of Article 9 Collateral under policies of insurance, endorsing the name of such Pledgor on any check, draft, instrument or other item of payment for the proceeds of such policies of insurance and for making all determinations and decisions with respect thereto.

SECTION 3.04. Other Actions. In order to further ensure the attachment, perfection and priority of, and the ability of the Security Agent to enforce, for the benefit of the Secured Parties, the Security Agent's security interest in the Article 9 Collateral, each Pledgor agrees, in each case at such Pledgor's own expense, to take the following actions with respect to the following Article 9 Collateral:

(a) Commercial Tort Claims. If any Pledgor shall at any time hold or acquire a Commercial Tort Claim in an amount reasonably estimated to be equal to or exceed $10,000,000, such Pledgor shall promptly (and in no event later than the date the Parent delivers the compliance certificate to the Administrative Agent pursuant to Section 5.04(b) of the Facilities Agreement with respect to the fiscal half-year (or in the case of any such event that occurs in the last fiscal half-year of a fiscal year, fiscal year) in which such event occurs) notify the Security Agent thereof in a writing signed by such Pledgor, including a summary description of such claim, and grant to the Security Agent in writing a security interest therein and in the proceeds thereof, all upon the terms of this Agreement, with such writing to be in form and substance reasonably satisfactory to the Security Agent.

SECTION 3.05. Covenants Regarding Patent, Trademark and Copyright Collateral.

(a) Except as otherwise permitted by the Debt Financing Agreements, each Pledgor agrees that it will not knowingly do any act or omit to do any act (and will exercise commercially reasonable efforts to prevent its licensees from doing any act or omitting to do any act) whereby any Patent material to the normal conduct of such Pledgor's business may become prematurely invalidated or dedicated to the public, and agrees that it shall take commercially reasonable steps with respect to any material products covered by any such Patent as necessary and sufficient to establish and preserve its rights under applicable patent laws.

(b) Except as otherwise permitted by the Debt Financing Agreements, each Pledgor will, and will use its commercially reasonable efforts to cause its licensees or its sublicensees to, for each Trademark material to the normal conduct of such Pledgor's business, (i) maintain such Trademark in full force free from any adjudication of abandonment or invalidity for non-use, (ii) maintain the quality of products and services offered under such Trademark, (iii) display such Trademark with notice of federal or foreign registration or claim of trademark or service mark as required under applicable law and (iv) not knowingly use or knowingly permit its licensees' use of such Trademark in violation of any third-party rights.

(c) Except as otherwise permitted by the Debt Financing Agreements, each Pledgor will, and will use its commercially reasonable efforts to cause its licensees or its sublicensees to, for each work covered by a material Copyright necessary to the normal conduct of such Pledgor's business that it publishes, displays and distributes, use copyright notice as required under applicable copyright laws.

(d) Each Pledgor shall notify the Security Agent promptly if it knows that any Patent, Trademark or Copyright material to the normal conduct of such Pledgor's business may imminently become abandoned, lost or dedicated to the public, or of any materially adverse determination or development, excluding office actions and similar determinations or developments, in the United States Patent and Trademark Office, United States Copyright Office or any court, regarding such Pledgor's ownership of any such material Patent, Trademark or Copyright or its right to register or to maintain the same.

(e) Each Pledgor, either itself or through any agent, employee, licensee or designee, shall upon the reasonable request of the Security Agent, (i) promptly provide reasonably details of each application by itself, or through any agent, employee, licensee or designee, for any Patent with the United States Patent and Trademark Office and each registration of any Trademark or Copyright with the United States Patent and Trademark Office, the United States Copyright Office filed during the period since the last notice to the Security Agent pursuant to this clause, and (ii) upon the reasonable request of the Security Agent, execute and deliver any and all agreements, instruments, documents and papers as the Security Agent may reasonably request to evidence the Security Agent's security interest in such Patent, Trademark or Copyright; provided that the provisions hereof shall automatically apply to such Patent, Trademark or Copyright and any such Patent, Trademark or Copyright shall automatically constitute Collateral as if such would have constituted Collateral at the time of execution hereof and be subject to the Lien and security interest created by this Agreement without further action by any party.

(f) Except as otherwise permitted by the Debt Financing Agreements, each Pledgor shall exercise its reasonable business judgment consistent with the practice in any proceeding before the United States Patent and Trademark Office, the United States Copyright Office with respect to maintaining and pursuing each material application relating to any Patent, Trademark and/or Copyright (and obtaining the relevant grant or registration) material to the normal conduct of such Pledgor's business and to maintain (i) each issued Patent and (ii) the registrations of each Trademark and each Copyright that is material to the normal conduct of such Pledgor's business, including, when applicable and necessary in such Pledgor's reasonable business judgment, timely filings of applications for renewal, affidavits of use, affidavits of incontestability and payment of maintenance fees, and, if any Pledgor believes necessary in its reasonable business judgment, to initiate opposition, interference and cancellation proceedings against third parties.

(g) In the event that any Pledgor knows or has reason to know that any Article 9 Collateral consisting of a Patent, Trademark or Copyright material to the normal conduct of its business has been or is about to be materially infringed, misappropriated or diluted by a third party, such Pledgor shall promptly notify the Security Agent and shall, if such Pledgor deems it necessary in its reasonable business judgment, promptly sue and recover any and all damages, and take such other actions as are reasonably appropriate under the circumstances.

(h) Upon and during the continuance of an Acceleration Event, at the request of the Security Agent, each Pledgor shall use commercially reasonable efforts to obtain all requisite consents or approvals from the licensor under each Copyright License, Patent License or Trademark License to effect the assignment of all such Pledgor's right, title and interest thereunder to (in the Security Agent's sole discretion) the designee of the Security Agent or the Security Agent.

ARTICLE IV.

Remedies

SECTION 4.01. Remedies upon Acceleration Event. In accordance with the terms of the Intercreditor Agreement, upon the occurrence and during the continuance of an Acceleration Event, each Pledgor agrees to deliver each item of Collateral to the Security Agent on demand, and it is agreed that the Security Agent shall have the right to take any or all of the following actions at the same or different times: (a) with respect to any Article 9 Collateral consisting of Intellectual Property, on demand, to cause the Security Interest to become an assignment, transfer and conveyance of any of or all such Article 9 Collateral by the applicable Pledgors to the Security Agent or to license or sublicense, whether general, special or otherwise, and whether on an exclusive or a nonexclusive basis, any such Article 9 Collateral throughout the world on such terms and conditions and in such manner as the Security Agent shall determine (other than in violation of any then-existing licensing arrangements to the extent that waivers thereunder cannot be obtained), (b) with or without legal process and with or without prior notice or demand for performance, to take possession of the Article 9 Collateral and without liability for trespass to the applicable Pledgor to enter any premises where the Article 9 Collateral may be located for the purpose of taking possession of or removing the Article 9 Collateral and, generally, to exercise any and all rights afforded to a secured party under the applicable Uniform Commercial Code or other applicable law, and (b) instead of exercising the power of sale herein conferred upon it, proceed by suits at law or in equity to foreclose the lien granted by any of the Mortgages and sell the Mortgaged Property or any portion thereof under one or more judgments or decrees of a court or courts of competent jurisdiction. Without limiting the generality of the foregoing, each Pledgor agrees that the Security Agent shall have the right to exercise all rights and remedies of a secured party on default under the UCC, PPSA or other applicable law and, subject to the requirements of applicable law, to sell or otherwise dispose of all or any part of the Collateral at a public or private sale or at any broker's board or on any securities exchange, for cash, upon credit or for future delivery as the Security Agent shall deem appropriate. The Security Agent shall be authorized in connection with any sale of a security (if it deems it advisable to do so) pursuant to the foregoing to restrict the prospective bidders or purchasers to persons who represent and agree that they are purchasing such security for their own account, for investment, and not with a view to the distribution or sale thereof. Upon consummation of any such sale of Collateral pursuant to this Section 4.01 the Security Agent shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each such purchaser at any such sale shall hold the property sold absolutely, free from any claim or right on the part of any Pledgor, and each Pledgor hereby waives and releases (to the extent permitted by law) all rights of redemption, stay, valuation and appraisal that such Pledgor now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted.

The Security Agent shall give the applicable Pledgors 10 days' written notice (which each Pledgor agrees is reasonable notice within the meaning of Section 9-611 of the New York UCC or its equivalent in other jurisdictions) of the Security Agent's intention to make any sale of Collateral. At any such sale, the Collateral, or the portion thereof, to be sold may be sold in one lot as an entirety or in separate parcels, as the Security Agent may (in its sole and absolute discretion) determine. The Security Agent shall not be obligated to make any sale of any Collateral if it shall determine not to do so, regardless of the fact that notice of sale of such Collateral shall have been given. The Security Agent may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. In the case of any sale of all or any part of the Collateral made

on credit or for future delivery, the Collateral so sold may be retained by the Security Agent until the sale price is paid by the purchaser or purchasers thereof, but the Security Agent shall not incur any liability in the event that any such purchaser or purchasers shall fail to take up and pay for the Collateral so sold and, in the case of any such failure, such Collateral may be sold again upon notice given in accordance with provisions above. At any public (or, to the extent permitted by law, private) sale made pursuant to this Section 4.01, any Secured Party may credit bid for or purchase for cash, free (to the extent permitted by law) from any right of redemption, stay, valuation or appraisal on the part of any Pledgor (all such rights being also hereby waived and released to the extent permitted by law), the Collateral or any part thereof offered for sale and such Secured Party may, upon compliance with the terms of sale, hold, retain and dispose of such property without further accountability to any Pledgor therefor. For purposes hereof, a written agreement to purchase the Collateral or any portion thereof shall be treated as a sale thereof; the Security Agent shall be free to carry out such sale pursuant to such agreement and no Pledgor shall be entitled to the return of the Collateral or any portion thereof subject thereto, notwithstanding the fact that after the Security Agent shall have entered into such an agreement all Events of Default shall have been remedied and the Secured Obligations paid in full. As an alternative to exercising the power of sale herein conferred upon it, the Security Agent may proceed by a suit or suits at law or in equity to foreclose this Agreement and to sell the Collateral or any portion thereof pursuant to a judgment or decree of a court or courts having competent jurisdiction or pursuant to a proceeding by a court-appointed receiver. Any sale pursuant to the provisions of this Section 4.01 shall be deemed to conform to the commercially reasonable standards as provided in Section 9-610(b) of the New York UCC or its equivalent in other jurisdictions.

SECTION 4.02. Application of Proceeds. The Security Agent shall promptly apply the proceeds, moneys or balances of any collection or sale of Collateral, as well as any Pledged Collateral in accordance with the terms of the Intercreditor Agreement.

The Security Agent shall have absolute discretion as to the time of application of any such proceeds, moneys or balances in accordance with the Intercreditor Agreement. If, despite the provisions of this Agreement or the Intercreditor Agreement, any Secured Party shall receive any payment or other recovery in excess of its portion of payments on account of the Secured Obligations to which it is then entitled in accordance with this Agreement or the Intercreditor Agreement, such Secured Party shall hold such payment or other recovery in trust for the benefit of all Secured Parties hereunder for distribution in accordance with this Section 4.02.

Upon any sale of Collateral by the Security Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the purchase money by the Security Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Security Agent or such officer or be answerable in any way for the misapplication thereof.

This clause is subject to the payment of any claims having priority over the Collateral, to the extent permitted or not prohibited by the Debt Financing Agreements. This clause does not prejudice the right of any Secured Party to recover any shortfall from any Pledgor.

SECTION 4.03. Grant of License to Use Intellectual Property. For the purpose of enabling the Security Agent to exercise rights and remedies under this Agreement at such time as the Security Agent shall be lawfully entitled to exercise such rights and remedies following an Acceleration Event, each Pledgor hereby grants to (in the Security Agent's sole discretion) a designee of the Security Agent or the Security Agent, for the benefit of the Secured Parties, an

irrevocable, non-exclusive license (exercisable without payment of royalty or other compensation to any Pledgor) to use, license or sublicense any of the Article 9 Collateral consisting of Intellectual Property now owned or hereafter acquired by such Pledgor, wherever the same may be located, and including in such license reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof, the right to prosecute and maintain all Intellectual Property and the right to sue for past infringement of the Intellectual Property. The use of such license by the Security Agent may be exercised, at the option of the Security Agent, upon the occurrence and during the continuation of an Acceleration Event; provided that any license, sublicense or other transaction entered into by the Security Agent in accordance herewith shall be binding upon the Pledgors notwithstanding any subsequent cure of an Acceleration Event.

SECTION 4.04. Securities Act, etc. In view of the position of the Pledgors in relation to the Pledged Collateral, or because of other current or future circumstances, a question may arise under the Securities Act of 1933, as now or hereafter in effect, or any similar federal statute hereafter enacted analogous in purpose or effect (such Act and any such similar statute as from time to time in effect being called the "Federal Securities Laws") with respect to any disposition of the Pledged Collateral permitted hereunder. Each Pledgor understands that compliance with the Federal Securities Laws might very strictly limit the course of conduct of the Security Agent if the Security Agent were to attempt to dispose of all or any part of the Pledged Collateral, and might also limit the extent to which or the manner in which any subsequent transferee of any Pledged Collateral could dispose of the same. Similarly, there may be other legal restrictions or limitations affecting the Security Agent in any attempt to dispose of all or part of the Pledged Collateral under applicable Blue Sky or other state securities laws or similar laws analogous in purpose or effect. Each Pledgor acknowledges and agrees that in light of such restrictions and limitations, the Security Agent, in its sole and absolute discretion, (a) may proceed to make such a sale whether or not a registration statement for the purpose of registering such Pledged Collateral or part thereof shall have been filed under the Federal Securities Laws or, to the extent applicable, Blue Sky or other state securities laws and (b) may approach and negotiate with a single potential purchaser or a limited number of potential purchasers (as determined by the Security Agent in its sole and absolute discretion) to effect such sale. Each Pledgor acknowledges and agrees that any such sale might result in prices and other terms less favorable to the seller than if such sale were a public sale without such restrictions. In the event of any such sale, the Security Agent shall incur no responsibility or liability for selling all or any part of the Pledged Collateral at a price that the Security Agent, in its sole and absolute discretion, may in good faith deem reasonable under the circumstances, notwithstanding the possibility that a substantially higher price might have been realized if the sale were deferred until after registration as aforesaid or if more purchasers were approached. The provisions of this Section 4.04 will apply notwithstanding the existence of a public or private market upon which the quotations or sales prices may exceed substantially the price at which the Security Agent sells.

SECTION 4.05. Public Sales. Each Pledgor agrees that, upon the occurrence and during the continuance of an Acceleration Event, if for any reason the Security Agent desires to sell any of the Pledged Collateral at a public sale, it will, at any time and from time to time, upon the written request of the Security Agent, use its commercially reasonable efforts to take or to cause the issuer of such Pledged Collateral to take such action and prepare, distribute and/or file such documents, as are required or advisable in the reasonable opinion of counsel for the Security Agent to permit the public sale of such Pledged Collateral; provided that in no event shall any Pledgor be required to qualify, file or register, or cause the issuer of such Pledged Collateral to qualify, file or register, any of the Pledged Collateral under federal or state securities laws.

ARTICLE V.

Miscellaneous

SECTION 5.01. Notices. All communications and notices hereunder shall (except as otherwise expressly permitted herein) be in writing and given as provided in the applicable Secured Debt Document, as such address may be changed by written notice to the Security Agent and the Grantor. All communications and notices hereunder to any Loan Party shall be given to it in care of the Parent, with such notice to be given as provided in the applicable Secured Debt Document.

SECTION 5.02. Security Interest Absolute. All rights of the Security Agent hereunder, the Security Interest, the security interest in the Pledged Collateral and all obligations of each Pledgor hereunder shall be absolute and unconditional irrespective of (a) any lack of validity or enforceability of the Facilities Agreement, any other Debt Financing Agreement, any agreement with respect to any of the Secured Obligations or any other agreement or instrument relating to any of the foregoing, (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Secured Obligations, or any other amendment or waiver of or any consent to any departure from the Intercreditor Agreement, any other Debt Financing Agreement, or any other agreement or instrument, (c) any exchange, release or non-perfection of any Lien on other collateral, or any release or amendment or waiver of or consent under or departure from any guarantee, securing or guaranteeing all or any of the Secured Obligations or (d) any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Pledgor in respect of the Secured Obligations, this Agreement or the Intercreditor Agreement (other than a defense of payment or performance).

SECTION 5.03. Limitation by Law. All rights, remedies and powers provided in this Agreement may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law or regulation, and all the provisions of this Agreement are intended to be subject to all applicable mandatory provisions of law or regulation that may be controlling and to be limited to the extent necessary so that they shall not render this Agreement invalid, unenforceable, in whole or in part, or not entitled to be recorded, registered or filed under the provisions of any applicable law or regulation. Each Pledgor and the Security Agent, for itself and on behalf of each Secured Party, hereby confirms that it is the intention of all such persons that this Agreement and the pledge and security interest in the Collateral granted under this Agreement not constitute a fraudulent transfer or conveyance for purposes of the Bankruptcy Code or any other federal, state or foreign bankruptcy, insolvency, receivership or similar law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar foreign, federal or state law to the extent applicable to this Agreement and the Security Interest and the security interest in the Pledged Collateral granted hereunder. To effectuate the foregoing intention, the Security Agent, for itself and on behalf of each Secured Party, and the Pledgors hereby irrevocably agree that the Security Interest and the security interest in the Pledged Collateral granted hereunder at any time shall be limited to the maximum extent as will result in the Security Interest and the security interest in the Pledged Collateral granted under this Agreement not constituting a fraudulent transfer or conveyance.

SECTION 5.04. Binding Effect; Several Agreement. This Agreement shall become effective as to any party to this Agreement when a counterpart hereof executed on behalf of such party shall have been delivered to the Security Agent and a counterpart hereof shall have been executed on behalf of the Security Agent, and thereafter shall be binding upon such party and the Security Agent and their respective permitted successors and assigns, and shall inure to the benefit of such party, the Security Agent and the other Secured Parties and their respective permitted successors and assigns, except that no party shall have the right to assign or transfer its rights or obligations hereunder or any interest herein or in the Collateral (and any such assignment or transfer shall be void) except as expressly contemplated by this Agreement or any Secured Debt Documents. This Agreement shall be construed as a separate agreement with respect to each Pledgor and may be amended, modified, supplemented, waived or released by the Security Agent with respect to any Pledgor without the approval of any other Pledgor and without affecting the obligations of any other Pledgor hereunder.

SECTION 5.05. Successors and Assigns. Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the permitted successors and assigns of such party; and all covenants, promises and agreements by or on behalf of any Pledgor or the Security Agent that are contained in this Agreement shall bind and inure to the benefit of their respective permitted successors and assigns.

SECTION 5.06. Agent's Fees and Expenses; Indemnification.

The provisions of Clause 20 (*Costs and Expenses*) and Clause 21.1 (*Debtors' indemnity*) of the Intercreditor Agreement shall (without double counting) be deemed incorporated in this Agreement as if set out in this Agreement, mutatis mutandis.

SECTION 5.07. Agent Appointed Attorney-in-Fact. Each Pledgor hereby appoints the Security Agent the attorney-in-fact of such Pledgor for the purpose of carrying out the provisions of this Agreement and, upon the occurrence and during the continuance of an Acceleration Event, taking any action and executing any instrument that the Security Agent may deem necessary or advisable to accomplish the purposes hereof, which appointment is irrevocable and coupled with an interest. Without limiting the generality of the foregoing, the Security Agent shall have the right, upon the occurrence and during the continuance of an Acceleration Event, with full power of substitution either in the Security Agent's name or in the name of such Pledgor, (a) to receive, endorse, assign or deliver any and all notes, acceptances, checks, drafts, money orders or other evidences of payment relating to the Collateral or any part thereof, (b) to demand, collect, receive payment of, give receipt for and give discharges and releases of all or any of the Collateral; (c) to ask for, demand, sue for, collect, receive and give acquittance for any and all moneys due or to become due under and by virtue of any Collateral; (d) to sign the name of any Pledgor on any invoice or bill of lading relating to any of the Collateral; (e) to send verifications of Accounts to any Account Debtor; (f) to commence and prosecute any and all suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect or otherwise realize on all or any of the Collateral or to enforce any rights in respect of any Collateral; (g) to settle, compromise, compound, adjust or defend any actions, suits or proceedings relating to all or any of the Collateral; (h) to notify, or to require any Pledgor to notify, Account Debtors to make payment directly to the Security Agent; and (i) to use, sell, assign, transfer, pledge, make any agreement with respect to or otherwise deal with all or any of the Collateral, and to do all other acts and things necessary to carry out the purposes of this Agreement, as fully and completely as though the Security Agent were the absolute owner of the Collateral for all purposes; provided that nothing herein contained shall be construed as requiring or obligating the Security Agent to make any commitment or to make any inquiry as to the nature or sufficiency of any payment received by the Security Agent, or to present or file any claim or notice, or to take any action with respect to the Collateral or any part thereof or the moneys due or to become due in respect thereof or any property covered thereby. The Security Agent and the other Secured Parties shall be accountable only for amounts actually received as a result of the exercise of the powers granted to them herein, and neither they nor any of their respective officers, directors, employees or agents shall be responsible to any Pledgor for any act or failure to act hereunder, except for their own gross negligence or willful misconduct.

SECTION 5.08. GOVERNING LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSES OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO ANY PRINCIPLE OF CONFLICTS OF LAW THAT COULD REQUIRE THE APPLICATION OF ANY OTHER LAW.

SECTION 5.09. Waivers; Amendment.

(a) No failure or delay by the Security Agent, any Lender or any other Secured Party in exercising any right, power or remedy hereunder or under any other Secured Debt Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or remedy, or any abandonment or discontinuance of steps to enforce such a right, power or remedy, preclude any other or further exercise thereof or the exercise of any other right, power or remedy. The rights, powers and remedies of the Security Agent, the Lenders or any other Secured Party hereunder and under the other Secured Debt Documents are cumulative and are not exclusive of any rights, powers or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any Pledgor therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 5.09, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default, Event of Default or Acceleration Event, regardless of whether the Security Agent, any Lender or any other Secured Party may have had notice or knowledge of such Default or Acceleration Event at the time. No notice or demand on any Pledgor in any case shall entitle any Pledgor to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof or of any other Security Document may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Security Agent and the Pledgor or Pledgors with respect to which such waiver, amendment or modification is to apply, subject to any consent required in accordance with the Intercreditor Agreement. The Security Agent may conclusively rely on a certificate of an officer of the Parent as to whether any amendment contemplated by this Section 5.09(b) is permitted.

(c) Notwithstanding anything to the contrary contained herein, the Security Agent may grant extensions of time for the creation or perfection of security interests in or the obtaining of insurance (including title insurance) or surveys with respect to particular assets (including extensions for the perfection of security interests in the assets of the Pledgors on such date) where it reasonably determines, in consultation with the Parent, that perfection or obtaining of such items cannot be accomplished by the time or times at which it would otherwise be required by this Agreement or the other Secured Debt Documents.

SECTION 5.10. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR THE OTHER SECURED DEBT DOCUMENTS (WHETHER BASED ON

CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF ANY LEGAL PROCEEDING, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 5.10.

SECTION 5.11. Severability. In the event any one or more of the provisions contained in this Agreement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall not in any way be affected or impaired thereby. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 5.12. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which when taken together shall constitute but one contract, and shall become effective as provided in Section 5.04. DEED OF INDEMNITY

ARTHUR COX

THIS DEED OF INDEMNITY (this "**Deed**") is dated _____ 2024 and made between:

(1) **FLUTTER ENTERTAINMENT PLC**, a company incorporated in Ireland under company number 16956 and whose registered office is at Belfield Office Park, Beech Hill Road, Clonskeagh, Dublin 4, Ireland, D04 V972 (the "**Company**"); and

(2) **[●]**, with an address at [●], in their capacity as a director of the Company (the "**Indemnitee**").

RECITALS

A. The Company desires to attract and retain the services of highly qualified individuals, such as the Indemnitee, to serve the Company and its subsidiaries from time to time (each a "**Group Company**" or together the "**Group**").

B. Each of the Company and the Indemnitee recognize the increased risk of litigation and other claims being asserted against the Indemnitee by virtue of their status as a director of the Company.

C. In recognition of the Indemnitee's need for (i) substantial protection against personal liability and (ii) specific contractual assurance that such protection will be available to the Indemnitee (regardless of, among other things, any amendment or revocation of the Company's Articles of Association or any change in the composition of the Board or any transaction relating to the Company), the Company wishes to provide in this Deed for the indemnification of, and advancement of expenses to, the Indemnitee by the Company on the terms and subject to the conditions set out herein.

D. This Deed is a supplement to and in furtherance of any indemnification in favour of the Indemnitee provided for in the Articles of Association (the "**Articles**") of the Company or otherwise by law or statute applicable to the Company and/or any Group Company, any resolutions adopted pursuant thereto, and shall not be deemed a substitute therefor, nor to diminish or abrogate any rights of the Indemnitee thereunder.

NOW, THEREFORE, the Company hereby irrevocably and unconditionally agrees and undertakes as follows in favour of the Indemnitee:

1. **DEFINITIONS**

1.1 In this Deed the following expressions shall, unless the context otherwise requires, have the following meanings:

Arbitrator	shall have the meaning specified in Clause 5.1;
Articles	shall have the meaning given to it in Recital D;
Board	the Board of Directors of the Company;
Companies Act 2014	means the Companies Act 2014 as updated or amended from time to time;

Expenses	all properly incurred experts' costs, forensic costs, legal fees, barristers' costs, court costs and other properly incurred expenses paid or incurred by the Indemnitee in good faith in connection with investigating, defending, prosecuting (subject to Clause 4.2), being a witness in, participating in (including on appeal), or preparing for any of the foregoing in any Proceeding relating to any Indemnifiable Event, and any local or foreign taxes imposed as a result of the actual or deemed receipt of any payments under this Deed. In no event, however, shall Expenses include any compensation recovered from the Indemnitee pursuant to the Company's Executive Incentive Compensation Clawback Policy, as in effect from time to time, or any successor policy thereto, regardless of the method of recoupment of such compensation;
Group	shall have the meaning given to it in Recital A;
Group Company	shall have the meaning given to it in Recital A;
Indemnity	means the indemnity given in Clause 3;
Indemnity Claim	means any Proceeding which could give rise to any claim, action or demand by the Indemnitee against the Company pursuant to this Deed;
Indemnifiable Event	any act, event, circumstance or occurrence that takes place either prior to or after the execution of this Deed, related to the fact that the Indemnitee is or was a director, secretary, officer, employee, trustee, fiduciary or agent of the Company or any Group Company or related to anything done or not done by the Indemnitee in such capacity;
Officer	shall have the same meaning as in the Companies Act 2014;
Proceeding	shall mean: (i) any threatened, pending, or completed legal, judicial, arbitral, administrative or regulatory action, suit, proceeding, arbitration or alternative dispute resolution mechanism (including an action by, or in the right or name of, the Company); or (ii) any inquiry, hearing, tribunal or investigation, whether conducted by a Group Company or any other person, that the Indemnitee acting in good faith believes on reasonable grounds may lead to: (a) the institution of any legal, judicial, arbitral, administrative or regulatory action, suit, proceeding, arbitration or alternative dispute resolution mechanism (whether civil, criminal, administrative or investigative); or (b) adverse consequences or findings in respect of the Indemnitee in his/her capacity (or former capacity, as the case may be) as a director or officer of the Company or any Group Company; and
Run-off insurance	shall have its ordinary meaning and for the avoidance of doubt shall include a provision in a claims-made policy whereby the insurer remains liable for claims relating to an Indemnifiable Event that took place before the expiry or cancellation of the policy referred to in Clause 2.1(a)(i).

1.2 In this Deed, unless otherwise specified:

(a) references to Clauses are to clauses of this Deed;

(b) a reference to any statute or statutory provision or statutory instrument shall be construed as a reference to the same as it may have been, or may from time to time be, amended, modified, or re-enacted;

(c) references to a "person" shall be construed so as to include any individual, firm, company, government, state or agency of a state, local or municipal authority or government body or any joint venture, association or partnership (whether or not having separate legal personality);

(d) headings to Clauses are for convenience only and do not affect the interpretation of this Deed; and

(e) general words shall not be given a restrictive meaning by reason of the fact that they are followed by particular examples intended to be embraced by the general words.

2. **D&O INSURANCE**

2.1 The Company shall:

(a) to the extent it has not already done so, put in place and maintain for the benefit of the Indemnitee:

(i) directors' and officers' liability insurance (including run-off insurance) with coverage at least equal to the coverage provided for other directors and officers of the Company by the directors' and officers' liability insurance policy in effect at the date of this Deed; and

(ii) directors' and officers' liability run-off insurance cover following the retirement of the Indemnitee as a director or officer of the Company and any Group Companies, with such cover being provided for a duration that is reasonable and appropriate for a company of comparable size and scale to the Company;

(b) not cancel the policy mentioned in this Clause 2 or otherwise knowingly do anything which would cause such policy not to remain in full force and effect;

(c) pay all premiums required to maintain such policy; and

(d) honour and discharge all of its obligations under such policy for actions and omissions for the duration of its term.

2.2 The parties agree that the rights of the Indemnitee under this Deed shall be in addition to, and not in limitation of, any other rights that the Indemnitee shall have as a director or officer of any Group Company pursuant to an insurance policy, any other indemnification arrangements in place in favour of the Indemnitee or otherwise.

2.3 If the Company:

(a) consolidates with, acquires or is acquired by or merges into any other person and shall not be the continuing or surviving corporation or entity of such consolidation, acquisition or merger (or, if the Company is the surviving entity but, immediately after the consolidation, the beneficial shareholders of the Company immediately prior to the consolidation hold, directly or indirectly, 50% or less of the issued share capital of the Company carrying voting rights); or

(b) transfers or conveys more than 50% of its properties, assets and/or business to any other person,

then, and in each such case, to the extent necessary, proper provision shall be made by the Company so that its successors and assigns shall assume the obligations set forth in this Clause 2.

2.4 The Company agrees that it shall indemnify each Indemnitee against all Expenses incurred by such Indemnitee in connection with any action brought by the Indemnitee:

(a) in respect of any failure by the Company to comply with the terms of this Clause 2; and/or

(b) for recovery under the insurance policy referred to in this Clause 2 but only to the extent that the Indemnitee is determined to be entitled to such insurance recovery.

3. **INDEMNITY**

Subject to Clause 4:

3.1 In the event the Indemnitee was, is, or becomes a witness in, or is threatened to be made a witness in, any Proceeding by reason of (or arising in part out of) an Indemnifiable Event in respect of the Company or any Group Company, the Company shall on demand (i) indemnify such Indemnitee from and against any and all Expenses; and (ii) provide such Indemnitee (at the Company's expense) with such reasonable assistance including reasonable access rights to information, documents, personnel and records of the Company as is reasonably necessary to enable such Indemnitee to prepare for the Proceedings and protect his/her good name (subject to any legally binding obligations of confidentiality undertaken by the Company in favour of any third parties, applicable law and provided that the Company shall not be obliged to disclose commercially sensitive information to such Indemnitee if he/she is no longer a director or officer of the Company).

3.2 In the event the Indemnitee was, is, or becomes a party to, or is threatened to be made a party to, a Proceeding by reason of (or arising in part out of) an Indemnifiable Event in respect of the Company or any Group Company, the Company shall on demand (i) indemnify such Indemnitee from and against any and all Expenses; and (ii) provide such Indemnitee (at the Company's expense) with such reasonable assistance, including reasonable access rights to information, documents and records of the Company as is reasonably necessary to enable such Indemnitee to prepare for and defend himself/herself against any such Proceeding (subject to any legally binding obligations of confidentiality undertaken by the Company in favour of any third parties, applicable law and provided that the Company shall not be obliged to disclose commercially sensitive information to such Indemnitee if he/she is no longer a director or officer of the Company).

3.3 In addition to any indemnity contained in the Articles, the Company shall indemnify the Indemnitee against all Expenses, losses and liabilities incurred by the Indemnitee in the execution and discharge of his/her duties to the Company or in relation thereto including any liability incurred by the Indemnitee in defending any proceedings, civil or criminal, which relate to anything done or omitted or alleged to have been done or omitted by the Indemnitee as an officer or employee of the Company or of any Group Company and in which judgment is given in his/her favour (or the proceedings are otherwise disposed of without any finding or admission of any material breach of duty on his/her part) or in which the Indemnitee is acquitted or in connection with any application under any statute for relief from liability in respect of any such act or omission in which relief is granted to the Indemnitee by a court.

3.4 To the extent that the Indemnitee has been successful in defence of any Proceeding relating in whole or in part to an Indemnifiable Event in respect of the Company or any Group Company or in defence of any issue or matter therein, the Indemnitee shall be indemnified by the Company hereunder against all Expenses incurred in connection therewith.

3.5 The Company represents and warrants to the Indemnitee that all authorisations required or desirable:

(a) to enable it to enter into and perform and comply with its obligations under this Deed; and

(b) to ensure that those obligations are valid and legally binding and enforceable,

have been obtained or effected and are in full force and effect.

4. **EXCLUSIONS FOR SECTION 235 OF THE COMPANIES ACT 2014 AND OTHER MATTERS**

4.1 Notwithstanding any other provision of this Deed to the contrary, the Company shall not be obligated under this Deed to make any payment pursuant to this Deed:

(a) which is prohibited by applicable law (including in respect of any liability expressly prohibited from being indemnified pursuant to Section 235 of the Companies Act 2014 (as amended from time to time, including any successor provisions)), **PROVIDED THAT** (i) where Sections 235(3) and 233 of the Companies Act 2014 apply to the Indemnitee, this Clause 4 shall not restrict any rights that the Indemnitee may have under this Deed to the extent permitted by such sections and (ii) to the extent any such prohibitions are amended or determined by a court of a competent jurisdiction to be void or inapplicable, or relief to the contrary is granted, then the Indemnitee shall receive the greatest rights then available under law;

(b) to the extent that the Indemnitee is entitled to recover, and does in fact recover, the relevant Expenses (in respect of which indemnity might otherwise be sought by the Indemnitee pursuant to this Deed) pursuant to:

(i) any provision as to the indemnification of directors or officers contained in the Articles or applicableby-laws of the Company and/or (as the case may be) the Articles or applicable by-laws of any of the Group Companies;

(ii) any of the insurance policies referred to in Clause 2; or

(iii) any indemnity granted to the Indemnitee by any other Group Company, or

(c) to the extent that such payment relates to compensation recovered from the Indemnitee pursuant to the Company's Executive Incentive Compensation Clawback Policy, as in effect from time to time, or any successor policy thereto, regardless of the method of recoupment of such compensation.

4.2 Notwithstanding anything in this Deed to the contrary, the Indemnitee shall not be entitled to indemnification pursuant to this Deed in connection with any Proceedings initiated by the Indemnitee unless:

(a) the Company has joined in or the Board has consented to the initiation of such Proceeding; or

(b) the Proceedings are to enforce indemnification rights under this Deed,

it being understood and agreed that such consent shall not be unreasonably withheld in connection with any compulsory counterclaim brought by the Indemnitee in response to an action, suit or proceeding otherwise indemnifiable under this Deed.

4.3 Furthermore, the Indemnitee shall not be entitled to indemnification pursuant to this Deed:

(a) to the extent that a court of competent jurisdiction determines that indemnification or payment is not permitted in any particular jurisdiction by any applicable law, regulation, listing rule, disclosure or other similar rules from time to time binding on the relevant Group Company;

(b) where there has been dishonesty or fraud by the Indemnitee;

(c) in respect of any liability incurred by the Indemnitee to the Company or any Group Company;

(d) in respect of loss of earnings or any other employment benefit including, without limitation, rights to bonus or other monetary incentives, share options or other share-based incentives or pension or other retirement benefits which the Indemnitee may suffer as a result of any period of disqualification from the position of officer by any relevant court, tribunal or other legal or regulatory authority; or

(e) where the Indemnitee has improperly derived a personal benefit or profit.

4.4 Without prejudice to any other rights or remedies which may be available to the Indemnitee, the Indemnity shall not extend to any liability (including any costs and expenses) incurred by, or attaching to, the Indemnitee:

(a) to pay a fine imposed in criminal proceedings;

(b) to pay a sum payable to a regulatory authority by way of a penalty in respect ofnon-compliance with any requirement of a regulatory nature (howsoever arising);

(c) in defending any criminal proceedings in which the Indemnitee is convicted;

(d) in defending civil proceedings brought by a Group Company in which judgment is given against the Indemnitee; or

(e) in connection with an application for relief in which the court refuses to grant the Indemnitee relief,

unless, in connection with the matters giving rise to the liability in (a) to (e), the Board determines that the Indemnitee acted in good faith with a view to the best interests of any relevant Group Company.

4.5 In computing the amount of an Indemnity Claim there shall be taken into account the amount of any tax deduction or tax saving obtained by the Indemnitee in consequence of the matter that has given rise to the Indemnity Claim.

4.6 Subject to Clauses 4.2 and 4.3:

(a) it is the Company's intent to indemnify the Indemnitee from and against any and all Expenses, losses and liabilities by reason of (or arising in whole or part out of) an Indemnifiable Event to the fullest extent permitted by law; and

(b) to the extent a change in applicable law (whether by statute, judicial decision or otherwise) after the date of this Deed permits greater indemnification than would be afforded currently under the Articles and/or (as the case may be) the articles of association, constitution or equivalent document of any Group Company, applicable law or this Deed, it is the Company's intent that the Indemnitee shall enjoy by this Deed the greater benefits afforded by such change.

4.7 For the purposes of this Deed, the meaning of the phrase, "*to the fullest extent permitted by law"* shall include, but not be limited to:

(a) the fullest extent permitted by the provisions of the laws of Ireland and or the Articles and/or (as the case may be) the articles of association, constitution or equivalent document of any Group Company; and

(b) the fullest extent authorised or permitted by any amendments to or replacements of the laws of Ireland and/or the Articles or the articles of association, constitution or equivalent document of any Group Company adopted after the date of this Deed that increase the extent to which a company may indemnify its directors, company secretary and other officers of the Company.

4.8 If a company ceases to be a Group Company after the date of this Deed, the Company shall only be liable to indemnify the Indemnitee in respect of liabilities in relation to that company which arose before the date on which that company ceased to be a Group Company.

4.9 If a company becomes a Group Company after the date of this Deed, the Company shall only be liable to indemnify the Indemnitee in respect of liabilities arising after the date on which that company became a Group Company.

5. **ARBITRATION**

5.1 Any dispute or difference of any kind howsoever arising out of or in connection with the rights of the Indemnitee to indemnity under this Deed shall be fully and finally decided by an arbitrator (the "**Arbitrator**") agreed by the Indemnitee and the Company or, in default of agreement, appointed by the President for the time being of the Law Society of Ireland (or, if she is unwilling or unable to do so, by the next senior officer of the Law Society who is willing and able to make the appointment); provided always that these provisions shall apply also to the appointment (whether by agreement or otherwise) of any replacement arbitrator where the original arbitrator (or any replacement) has been removed by order of the High Court, or refuses to act, or is incapable of acting or dies.

5.2 The costs of any Arbitrator appointed pursuant to Clause 5.1 shall be borne by such person(s) as the Arbitrator shall determine.

6. **NOTIFICATION AND DEFENCE OF PROCEEDING**

6.1 Promptly after receipt by the Indemnitee of notice of the commencement of any Proceeding, the Indemnitee shall, if a claim in respect thereof is to be made against the Company under this Deed, notify the Company of the commencement thereof; but the omission to so notify the Company will not relieve the Company from any liability that it may have to the Indemnitee, except to the extent the Company is actually and materially prejudiced in its defence of such action, suit or proceeding as a result of such failure.

6.2 To obtain indemnification under this Deed, the Indemnitee shall submit to the Company a written request therefor including such documentation and information as is reasonably available to the Indemnitee and is reasonably necessary to enable the Company to determine whether and to what extent the Indemnitee is entitled to indemnification.

6.3 With respect to any action, suit or proceeding of which the Company is so notified as provided in this Deed, the Company shall, subject to the last two sentences of this Clause 6.3, be entitled to assume the defence of such action, suit or proceeding, with counsel reasonably acceptable to the Indemnitee, upon the delivery to the Indemnitee of written notice of its election to do so. After delivery of such notice, approval of such counsel by the Indemnitee and the retention of such counsel by the Company, the Company will not be liable to the Indemnitee under this Deed for any subsequently-incurred fees of separate counsel engaged by the Indemnitee with respect to the same action, suit or proceeding unless the employment of separate counsel by the Indemnitee has been previously authorized in writing by the Company. Notwithstanding the foregoing, if the Indemnitee, based on the advice of his or her counsel, shall have reasonably concluded (with written notice being given to the Company setting forth the basis for such conclusion) that, in the conduct of any such defence, there is or is reasonably likely to be a conflict of interest or position between the Company and the Indemnitee with respect to a significant issue, then the Company will not be entitled, without the written consent of the Indemnitee, to assume such defence. In addition, the Company will not be entitled, without the written consent of the Indemnitee, to assume the defence of any claim brought by or in the right of the Company.

6.4 To the fullest extent permitted by applicable law, the Company's assumption of the defence of an action, suit or proceeding in accordance with Clause 6.3 above will constitute an irrevocable acknowledgement by the Company that any loss and liability suffered by the Indemnitee and Expenses, judgments, fines and amounts paid in settlement by or for the account of the Indemnitee incurred in connection therewith are indemnifiable by the Company pursuant to Clause 3 of this Deed.

6.5 The determination whether to grant the Indemnitee's indemnification request shall be made promptly and in any event within 30 days following the Company's receipt of a request for indemnification in accordance with Clause 6.1. If the Company determines that the Indemnitee is entitled to such indemnification or, as contemplated by Clause 6.4 above, the Company has acknowledged such entitlement, the Company will make payment to the Indemnitee of the indemnifiable amount within such 30 day period. If the Company is not deemed to have so acknowledged such entitlement or the Company's determination of whether to grant the Indemnitee's indemnification request shall not have been made within such 30 day period, the requisite determination of entitlement to indemnification shall, subject to Clause 4.3, nonetheless be deemed to have been made and the Indemnitee shall be entitled to such indemnification, absent (i) a misstatement by the Indemnitee of a material fact, or an omission of a material fact necessary to make the Indemnitee's statement not materially misleading, in connection with the request for indemnification, or (ii) a prohibition of such indemnification under applicable law.

6.6 In the event that (i) the Company determines in accordance with this Clause 6.6 that the Indemnitee is not entitled to indemnification under this Deed, (ii) the Company denies a request for indemnification, in whole or in part, or fails to respond or make a determination of entitlement to indemnification within 30 days following receipt of a request for indemnification as described above, (iii) payment of indemnification is not made within such 30 day period, or (iv) the Company or any other person takes or threatens to take any action to declare this Deed void or unenforceable, or institutes any litigation or other action or proceeding designed to deny, or to recover from, the Indemnitee the benefits provided or intended to be provided to the Indemnitee hereunder, the Indemnitee shall be entitled to an adjudication in any court of competent jurisdiction of his or her entitlement to such indemnification or advancement of expenses. The Indemnitee's expenses incurred in connection with successfully establishing the Indemnitee's right to indemnification or advancement of Expenses, in whole or in part, in any such proceeding or otherwise, shall also be indemnified by the Company to the fullest extent permitted by applicable law.

7. **AMENDMENTS AND WAIVER**

No supplement, modification, or amendment of this Deed shall be binding unless executed in writing by the Company and the Indemnitee. No waiver of any of the provisions of this Deed shall be binding unless in the form of writing signed by the party against whom enforcement of the waiver is sought, and no such waiver shall operate as a continuing waiver. Except as specifically provided herein, no failure to exercise or any delay in exercising any right or remedy hereunder shall constitute a waiver thereof.

8. **SETTLEMENT PROVISIONS**

The Company shall have no obligation to indemnify the Indemnitee under this Deed for any amounts paid in settlement of any action, suit or proceeding without the Company's prior written consent. The Company shall not settle any action, suit or proceeding in any manner that would impose any fine or other obligation on the Indemnitee without the Indemnitee's prior written consent. Neither the Company nor the Indemnitee will unreasonably withhold his, her, its or their consent to any proposed settlement.

9. **ASSIGNMENT AND CEASING DIRECTORSHIP**

The benefit of this Deed shall be personal to the Indemnitee and may not be assigned by the Indemnitee save with the prior written consent of the Company. The indemnification provided by the Company under this Deed shall continue as to the Indemnitee for any action taken or not taken while serving as a director or officer of the Company and which pertains to an Indemnifiable Event in respect of the Company or any Group Company, even though the Indemnitee may have ceased to be a director or officer of the Company or Group Company at the time of any Proceeding or is deceased (in which case this Deed shall endure to the benefit of his/her estate).

10. **ENTIRE AGREEMENT**

This Deed constitutes the entire agreement between the parties hereto with respect to the matters covered hereby, and any other prior or contemporaneous oral or written understandings or agreements with respect to the matters covered hereby are expressly superseded by this Deed; provided, however, that this Deed is a supplement to and shall be construed in furtherance of any obligations of the Company under the Articles, applicable law, agreements or deeds with the Company or any Group Company in which the Indemnitee is or was serving or has agreed to serve at the request of the Company as a director, officer, employee or agent (which, for purposes hereof, shall include a trustee, fiduciary, partner or manager or similar capacity) while serving as a director or officer of the Company and any applicable insurance maintained for the benefit of the Indemnitee, and shall not be deemed a substitute therefor, nor to diminish or abrogate any rights of the Indemnitee thereunder. In the event of a conflict between this Deed and any then-existing agreement or deed between the Company and the Indemnitee, the agreement or deed (or provision thereof), as applicable, granting the Indemnitee the greatest legally enforceable rights shall prevail.

11. **GOVERNING LAW AND JURISDICTION**

11.1 This Deed shall be governed by and construed and enforced in accordance with the laws of Ireland.

11.2 The courts of Ireland shall have exclusive jurisdiction in relation to any dispute or claim arising out of or in connection with this Deed or its subject matter, formation, existence, negotiation, validity, termination or enforceability (including non-contractual obligations, disputes or claims) and the Company irrevocably submits to the non-exclusive jurisdiction of those courts.

12. **INVALIDITY**

If any provision (or portion thereof) of this Deed shall be held by a court of competent jurisdiction to be invalid, void, or otherwise unenforceable, the remaining provisions shall remain enforceable to the fullest extent permitted by law. Furthermore, to the fullest extent possible, the provisions of this Deed (including, without limitation, each portion of this Deed containing any provision held to be invalid, void, or otherwise unenforceable that is not itself invalid, void or unenforceable) shall be construed so as to give effect to the intent manifested by the provision held invalid, void or unenforceable.

13. **TAX**

13.1 Any payment in respect of an Indemnity Claim shall be paid by the Company free and clear of all deductions for or on account of Tax, save as required by law.

13.2 If any deduction is required by law to be made from any payment in respect of an Indemnity Claim, then the Company shall pay to the Indemnitee such sum as will, after such deduction has been made, leave the Indemnitee with the same amount as they would have been entitled to receive had no such deduction been required by law.

13.3 If any payment in respect of an Indemnity Claim is required to be brought into the charge to Tax in the hands of the Indemnitee, the Company shall pay such sum as is required to ensure that the total amount paid, less any Tax payable on such amount, is equal to the amount that would be payable if the sum payable by the Company were not required by law to be brought into the charge to Tax in the hands of the Indemnitee.

14. **NOTICES**

All notices, demands, and other communications required or permitted hereunder shall be made in writing and shall be deemed to have been duly given if delivered by hand, against receipt, or mailed, postage prepaid, certified or registered mail, return receipt requested, and addressed to:

14.1 the Company at its registered office (for the attention of the secretary of the Company); and

14.2 unless otherwise notified to the Company in writing, the Indemnitee at the address set out in the recitals to this Deed.

Notice of change of address shall be effective only when given in accordance with this Clause 14. All notices complying with this Clause 14 shall be deemed to have been received on the date of hand delivery or on the third business day after mailing.

15. **ELECTRONIC SIGNATURES**

15.1 The Company consents to the execution of this Deed or any documents referred to herein by electronic signature, provided that such manner of execution is permitted by law.

15.2 The Company:

(a) agrees that an executed copy of this Deed may be retained in electronic form; and

(b) acknowledges that such electronic form shall constitute an original of this and may be relied upon as evidence of this Deed.

IN WITNESS WHEREOF this Deed has been executed and delivered as a deed by the parties hereto on the date first written above.

INDEMNIFICATION AGREEMENT

This Indemnification Agreement is effective as of _____ (this "**Agreement**") and is between The Stars Group Inc., an Ontario corporation (the "**Company**"), and the undersigned individual (the "**Indemnitee**").

Background

The Company is a wholly owned subsidiary of Flutter Entertainment plc, a public limited company organized under the laws of Ireland ("**Flutter**" and, together with its subsidiaries, the "**Group**"). The Company believes that, in order for the Group to attract and retain highly competent persons to serve as directors or in other capacities, including as officers, it is appropriate to provide such persons with adequate protection through indemnification against the risks of claims and actions against them arising out of their services to and activities on behalf of the Group.

The Company desires and has requested the Indemnitee to serve as a director and/or officer of Flutter and, in order to induce the Indemnitee to serve in such capacity, the Company is willing to grant the Indemnitee the indemnification provided for herein. The Indemnitee is willing to so serve on the basis that such indemnification be provided.

The parties by this Agreement desire to set forth their agreement regarding indemnification and the advancement of expenses.

In consideration of the Indemnitee's service to Flutter, the covenants and agreements set forth below and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the parties hereto, intending to be legally bound, hereby agree as follows:

Section 1. Indemnification.

To the fullest extent permitted by the *Business Corporations Act* (Ontario) (the "**OBCA**"), subject to Sections 2, 3(g), 7 and 8:

(a) The Company shall indemnify the Indemnitee if the Indemnitee was or is made or is threatened to be made a party to, or is otherwise involved in, as a witness or otherwise, any threatened, pending or completed action, suit or proceeding (brought in the right of Flutter or otherwise), whether civil, criminal, administrative or investigative and whether formal or informal, including appeals, by reason of the fact that the Indemnitee is or was or has agreed to serve as a director or officer of Flutter, or while serving as a director or officer of Flutter, is or was serving or has agreed to serve at the request of the Company as a director, officer, employee or agent (which, for purposes hereof, shall include a trustee, fiduciary, partner or manager or other capacity similar to a director or officer) of another corporation, limited liability company, partnership, joint venture, trust, employee benefit plan or other enterprise or entity, or by reason of any action alleged to have been taken or omitted in any such capacity.

(b) The indemnification provided by this Section 1 shall be from and against all loss and liability suffered and expenses (including attorneys' fees), judgments, fines (or other financial penalties), including as a result of a conviction or reprimand under the law because of the Indemnitee's position as a director or officer of Flutter, amounts paid in settlement actually and reasonably incurred by or on behalf of the Indemnitee in connection with such action, suit or

proceeding, including any appeals, and the full amount of any income taxes that the Indemnitee is is required to pay as a consequence of receiving any payment made by the Company pursuant to this Agreement, unless, in computing the Indemnitee's income for income tax purposes the Indemnitee is entitled to deduct the amounts paid by the Indemnitee on account of any loss or liability for which the Indemnitee has been indemnified by the Company under this Agreement.

(c) Should any payment made pursuant to this Agreement be deemed by any taxing authority to constitute a taxable benefit or otherwise be or become subject to any tax or levy, then the Company shall pay such greater amounts as may be necessary to ensure that the amount received by or on behalf of the Indemnitee after the payment of or withholding for such tax, is equal to the amount of the costs, charges and expenses actually incurred by or on behalf of the Indemnitee such that the Indemnitee shall be indemnified for any and all such taxes.

Section 2. Advance Payment of Expenses.

(a) Subject to Section 2(b) and 3(g), to the fullest extent permitted by the OBCA, expenses (including attorneys' fees) incurred by the Indemnitee in appearing at, participating in or defending any action, suit or proceeding or in connection with an enforcement action as contemplated by Section 3(e), shall be paid by the Company in advance of the final disposition of such action, suit or proceeding within 30 days after receipt by the Company of a statement or statements from the Indemnitee requesting such advance or advances from time to time. The Indemnitee hereby undertakes and agrees to repay any monies or other amounts advanced (without interest) to the extent that it is ultimately determined that the Indemnitee is not entitled under this Agreement to be indemnified by the Company in respect thereof. Advances shall be unsecured and interest free. Advances shall be made without regard to the Indemnitee's ability to repay the expenses and without regard to Indemnitee's ultimate entitlement to indemnification under the other provisions of this Agreement. No other form of undertaking shall be required of the Indemnitee other than the execution of this Agreement. This Section 2 shall be subject to Section 3(b) and shall not apply to any claim made by the Indemnitee for which indemnity is excluded pursuant toSection 7, Section 8 and Section 9.

(b) Nothing in Section 2(a) shall require the Company to make any payment to the Indemnitee to the extent such payment would cause Flutter or any other member of the Group to be in breach of section 239 of the Companies Act 2014 of Ireland.

Section 3. Procedure for Indemnification; Notification and Defense of Claim.

(a) Promptly after receipt by the Indemnitee of notice of the commencement of any action, suit or proceeding, the Indemnitee shall, if a claim in respect thereof is to be made against the Company hereunder, notify the Company and Flutter in writing of the commencement thereof. The failure to promptly notify the Company and Flutter of the commencement of the action, suit or proceeding, or of the Indemnitee's request for indemnification, will not relieve the Company from any liability that it may have to the Indemnitee hereunder, except to the extent the Company is actually and materially prejudiced in its defense of such action, suit or proceeding as a result of such failure. To obtain indemnification under this Agreement, the Indemnitee shall submit to the Company and Flutter a written request therefor including such documentation and information as is reasonably available to the Indemnitee and is reasonably necessary to enable the Company to determine whether and to what extent the Indemnitee is entitled to indemnification.

(b) With respect to any action, suit or proceeding of which the Company and Flutter are so notified as provided in this Agreement, the Company shall, subject to the last two sentences of this paragraph, be entitled to assume the defense of such action, suit or proceeding, with counsel reasonably acceptable to the Indemnitee, upon the delivery to the Indemnitee of written notice of its election to do so. After delivery of such notice, approval of such counsel by the Indemnitee and the retention of such counsel by the Company, the Company will not be liable to the Indemnitee under this Agreement for any subsequently-incurred fees of separate counsel engaged by the Indemnitee with respect to the same action, suit or proceeding unless the employment of separate counsel by the Indemnitee has been previously authorized in writing by the Company. Notwithstanding the foregoing, if the Indemnitee, based on the advice of his or her counsel, shall have reasonably concluded (with written notice being given to the Company and Flutter setting forth the basis for such conclusion) that, in the conduct of any such defense, there is or is reasonably likely to be a conflict of interest or position between the Company and the Indemnitee with respect to a significant issue, then the Company will not be entitled, without the written consent of the Indemnitee, to assume such defense. In addition, the Company will not be entitled, without the written consent of the Indemnitee, to assume the defense of any claim brought by or in the right of Flutter or the Company.

(c) To the fullest extent permitted by the OBCA, the Company's assumption of the defense of an action, suit or proceeding in accordance with paragraph (b) above will constitute an irrevocable acknowledgement by the Company that any loss and liability suffered by the Indemnitee and expenses (including attorneys' fees), judgments, fines and amounts paid in settlement by or for the account of the Indemnitee incurred in connection therewith are indemnifiable by the Company under Section 1 of this Agreement.

(d) The determination whether to grant the Indemnitee's indemnification request shall be made promptly and in any event within 30 days following the Company's and Flutter's receipt of a request for indemnification in accordance with Section 3(a). If the Company determines that the Indemnitee is entitled to such indemnification or, as contemplated by paragraph (c) above, the Company has acknowledged such entitlement, the Company will make payment to the Indemnitee of the indemnifiable amount within such 30 day period. If the Company is not deemed to have so acknowledged such entitlement or the Company's determination of whether to grant the Indemnitee's indemnification request shall not have been made within such 30 day period, the requisite determination of entitlement to indemnification shall, subject to Section 7 and Section 8, nonetheless be deemed to have been made and the Indemnitee shall be entitled to such indemnification, absent (i) a misstatement by the Indemnitee of a material fact, or an omission of a material fact necessary to make the Indemnitee's statement not materially misleading, in connection with the request for indemnification, or (ii) a prohibition of such indemnification under the OBCA.

(e) In the event that (i) the Company determines in accordance with thisSection 3 that the Indemnitee is not entitled to indemnification under this Agreement, (ii) the Company denies a request for indemnification, in whole or in part, or fails to respond or make a determination of entitlement to indemnification within 30 days following receipt of a request for indemnification as described above, (iii) payment of indemnification is not made within such 30 day period, (iv) advancement of expenses is not timely made in accordance with Section 2, or (v) the Company or any other person takes or threatens to take any action to declare this Agreement void or unenforceable, or institutes any litigation or other action or proceeding designed to deny, or to recover from, the Indemnitee the benefits provided or intended to be provided to the Indemnitee hereunder, the Indemnitee shall be entitled to an adjudication in any court of competent jurisdiction of his or her entitlement to such indemnification or advancement of expenses. The Indemnitee's expenses (including attorneys' fees) incurred in connection with successfully establishing the Indemnitee's right to indemnification or advancement of expenses, in whole or in part, in any such proceeding or otherwise shall also be indemnified by the Company to the fullest extent permitted by the OBCA.

(f) The Indemnitee shall be presumed to be entitled to indemnification and advancement of expenses under this Agreement upon submission of a request therefor in accordance with Section 2 or Section 3 of this Agreement, as the case may be. The Company shall have the burden of proof in overcoming such presumption, and such presumption shall be used as a basis for a determination of entitlement to indemnification and advancement of expenses unless the Company overcomes such presumption by clear and convincing evidence.

(g) In respect of an action by or on behalf of Flutter to procure a judgment in its favour to which the Indemnitee is made a party because of the Indemnitee's position as director or officer of Flutter, the Company will, upon the Indemnitee's request, make an application for the approval of a court to make advances pursuant to Section 2(a) and to indemnify the Indemnitee under this Agreement, in accordance with section 136(4.1) of the OBCA. The Company will have no obligation or liability to advance monies under Section 2(a), or to indemnify the Indemnitee under this Agreement, in respect of any action to which section 136(4.1) of the OCBA applies unless and until court approval for such advance or indemnity is obtained.

Section 4. Change in Control.

(a) The Company agrees that if there is a Change in Control, then with respect to all matters thereafter arising concerning the rights of the Indemnitee to indemnification and advancement of expenses under this Agreement, any other agreement, the Company's certificate of incorporation or bylaws or Flutter's Articles of Association now or hereafter in effect, the Company shall seek legal advice only from independent counsel selected by the Indemnitee and approved by the Company (which approval shall not be unreasonably withheld). The Company agrees to pay the reasonable fees of the independent counsel referred to above and to indemnify fully such counsel against any and all expenses (including attorney's fees), claims, liabilities and damages arising out of or relating to this Agreement or its engagement pursuant hereto.

(b) For purposes of this Section 4, the following definitions shall apply:

(i) A "Change in Control" shall be deemed to have occurred if Flutter:

(A) consolidates with, acquires or is acquired by or merges into any other person and shall not be the continuing or surviving corporation or entity of such consolidation, acquisition or merger (or, if Flutter is the surviving entity but, immediately after the consolidation, the beneficial shareholders of Flutter immediately prior to the consolidation hold, directly or indirectly, 50% or less of the issued share capital of Flutter carrying voting rights); or

(B) transfers or conveys more than 50% of its properties, assets and/or business to any other person.

(ii) The term "**independent counsel**" means a law firm, or a member of a law firm, that is experienced in matters of corporation law in the jurisdiction of the governing law to which the advice relates and neither presently is, nor in the past five years has been, retained to represent: (A) the Company, Flutter or the Indemnitee in any matter material to either such party, or (B) any other party to the action, suit or proceeding giving rise to a claim for indemnification hereunder. Notwithstanding the foregoing, the term "independent counsel" shall not include any person who, under the applicable standards of professional conduct then prevailing, would have a conflict of interest in representing either the Company or the Indemnitee in an action to determine the Indemnitee's rights under this Agreement.

Section 5. Subrogation.

(a) Subject to Section 11(b), in the event of any payment by the Company under this Agreement, the Company shall be subrogated to the extent of such payment to all of the rights of recovery of the Indemnitee with respect to any insurance policy. The Indemnitee shall execute all papers required and take all action necessary to secure such rights, including execution of such documents as are necessary to enable the Company to bring suit to enforce such rights in accordance with the terms of such insurance policy. The Company shall pay or reimburse all expenses actually and reasonably incurred by the Indemnitee in connection with such subrogation.

(b) Subject to Section 11(b), the Company shall not be liable under this Agreement to make any payment of amounts otherwise indemnifiable hereunder (including, but not limited to, judgments, fines and amounts paid in settlement, and excise taxes or penalties relating to the Employee Retirement Income Security Act of 1974, as amended) if and to the extent that the Indemnitee has otherwise actually received such payment under this Agreement or any insurance policy, contract, agreement or otherwise (including, for the avoidance of doubt, any other agreement with Flutter or any other member of the Group).

Section 6. Certain Definitions. For purposes of this Agreement, the following definitions shall apply:

(a) The term "**action, suit or proceeding**" shall be broadly construed and shall include, without limitation, the investigation, preparation, prosecution, defense, settlement, arbitration and appeal of, and the giving of testimony in, any threatened, pending or completed claim, action, suit, arbitration, alternative dispute mechanism or proceeding, whether civil, criminal, administrative or investigative.

(b) The term "**by reason of the fact that the Indemnitee is or was or has agreed to serve as a director or officer of Flutter, or while serving as a director or officer of Flutter, is or was serving or has agreed to serve at the request of the Company or Flutter as a director, officer, employee or agent (which, for purposes hereof, shall include a trustee, partner or manager or other capacity similar to a director or officer) of another corporation, limited liability company, partnership, joint venture, trust, employee benefit plan or other enterprise or entity**" shall be broadly construed and shall include, without limitation, any actual or alleged act or omission to act.

(c) The term "**expenses**" shall be broadly construed and shall include, without limitation, all direct and indirect costs of any type or nature whatsoever (including, without limitation, all attorneys' fees and related disbursements, court costs, experts' costs, appeal bonds, other out-of-pocket costs and reasonable compensation for time spent by the Indemnitee for which the Indemnitee is not otherwise compensated by the Company, Flutter or any third party), actually and reasonably incurred by the Indemnitee in connection with either the investigation, defense or appeal of an action, suit or proceeding, being a witness in, participating in, or preparing for any of the foregoing or establishing or enforcing a right to indemnification under this Agreement or otherwise incurred in connection with a claim that is indemnifiable hereunder.

(d) The term "**Flutter Market Capitalization**" means the aggregate market value of all ordinary shares in Flutter, excluding treasury shares, as at the close of business on the last business day preceding the date of this Agreement.

(e) The term "**judgments, fines and amounts paid in settlement**" shall be broadly construed and shall include, without limitation, all direct and indirect payments of any type or nature whatsoever, as well as any penalties or excise taxes assessed on a person with respect to an employee benefit plan).

(f) The term "**UK DTRs**" means the Disclosure, Guidance and Transparency Rules of the United Kingdom Financial Conduct Authority.

(g) The term "**UK Listing Rules**" means the Listing Rules of the United Kingdom Financial Conduct Authority.

(h) The term "**UK Listing Rules Sunset Date**" means the date on which Rule 11 of the UK Listing Rules (or any replacement or equivalent Listing Rule regulating "related party transactions") ceases to apply to Flutter.

Section 7. Limitation on Indemnification.

Notwithstanding any other provision herein to the contrary, the Company shall not be obligated pursuant to this Agreement:

(a) Claims Initiated by the Indemnitee. Prior to a Change in Control, to indemnify or advance expenses to the Indemnitee with respect to an action, suit or proceeding (or part thereof), however denominated, initiated by the Indemnitee, other than (i) an action, suit or proceeding brought to establish or enforce a right to indemnification or advancement of expenses under this Agreement (which shall be governed by the provisions of Section 7(b) of this Agreement) and (ii) an action, suit or proceeding (or part thereof) that was authorized or consented to by the board of directors of Flutter, it being understood and agreed that such authorization or consent shall not be unreasonably withheld in connection with any compulsory counterclaim brought by the Indemnitee in response to an action, suit or proceeding otherwise indemnifiable under this Agreement.

(b) Action for Indemnification. To indemnify the Indemnitee for any expenses incurred by the Indemnitee with respect to any action, suit or proceeding instituted by the Indemnitee to enforce or interpret this Agreement, unless the Indemnitee is successful in such action, suit or proceeding in establishing the Indemnitee's right, in whole or in part, to indemnification or advancement of expenses hereunder (in which case such indemnification or advancement shall be to the fullest extent permitted by the OBCA), or unless and to the extent that the court in such action, suit or proceeding shall determine that, despite the Indemnitee's failure to establish his or her right to indemnification, the Indemnitee is entitled to indemnification for such expenses; provided, however, that nothing in this Section 7(b) is intended to limit the Company's obligations with respect to the advancement of expenses to the Indemnitee in connection with any such action, suit or proceeding instituted by the Indemnitee to enforce or interpret this Agreement, as provided in Section 2 hereof.

(c) Actions Based on Federal Statutes Regarding Profit Recovery and Return of Bonus Payments To indemnify the Indemnitee on account of (i) any suit in which judgment is rendered against the Indemnitee for disgorgement of profits made from the purchase or sale by the Indemnitee of securities of Flutter pursuant to the provisions of Section 16(b) of the Securities Exchange Act of 1934, as amended (the "**Exchange Act**"), or (ii) any reimbursement of Flutter by the Indemnitee of any bonus or other incentive-based or equity-based compensation or of any profits realized by the Indemnitee from the sale of securities of Flutter, as required in each case under the Exchange Act (including any such reimbursements that arise from an accounting restatement of Flutter pursuant to Section 304 of the Sarbanes-Oxley Act of 2002 (the "**Sarbanes-Oxley Act**"), pursuant to Flutter's Executive Incentive Compensation Clawback Policy, as in effect, or any successor recoupment policy thereto as required by Rule 10D-1 under the Exchange Act or any listing standards of Flutter's principal stock exchange, or the payment to Flutter of profits arising from the purchase and sale by the Indemnitee of securities in violation of Section 306 of the Sarbanes-Oxley Act).

(d) Best Interests/Reasonable Grounds. To indemnify the Indemnitee under this Agreement unless the Indemnitee (i) acted honestly and in good faith with a view to the best interests of Flutter, and (ii) in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, the Indemnitee had reasonable grounds for believing that the Indemnitee's conduct was lawful.

(e) Fraud or Willful Misconduct. To indemnify the Indemnitee on account of conduct by the Indemnitee where such conduct has been determined by a final (not interlocutory) judgment or other adjudication of a court or arbitration or administrative body of competent jurisdiction as to which there is no further right or option of appeal or the time within which an appeal must be filed has expired without such filing to have been knowingly fraudulent or constitute willful misconduct.

(f) Prohibited by Law. To indemnify the Indemnitee in any circumstance where such indemnification has been determined by a final (not interlocutory) judgment or other adjudication of a court or arbitration or administrative body of competent jurisdiction as to which there is no further right or option of appeal, or the time within which an appeal must be filed has expired without such filing having been made, to be prohibited by law.

Section 8. Interaction with UK Listing Rules and UK DTRs.

Notwithstanding any other provision herein to the contrary:

(a) Prior to the UK Listing Rules Sunset Date, to the extent that any claim(s) made by the Indemnitee pursuant to this Agreement would constitute a "related party transaction" pursuant to Rule 11 of the UK Listing Rules (or any replacement or equivalent UK Listing Rule regulating such transactions) and would not otherwise be exempt from the requirements applicable to "related party transactions" thereunder, the maximum liability of the Company to the Indemnitee pursuant to this Agreement shall not exceed an amount equal to 0.25% of the Flutter Market Capitalization, and the Indemnitee hereby agrees not to seek, and waives any right to, indemnification above this amount to which the Indemnitee may otherwise be entitled to, or seek, pursuant to the OBCA or any Bylaw of the Company.

(b) To the extent that any claim(s) made by the Indemnitee pursuant to this Agreement would constitute a "related party transaction" pursuant to Rule 7.3 of the UK DTRs (or any replacement or equivalent UK DTR regulating such transactions) and would not otherwise be exempt from the requirements applicable to "related party transactions" thereunder, the maximum liability of the Company to the Indemnitee pursuant to this Agreement shall not exceed an amount equal to 5% of the Flutter Market Capitalization, and the Indemnitee hereby agrees not to seek, and waives any right to, indemnification above this amount to which the Indemnitee may otherwise be entitled to, or seek, pursuant to the OBCA or any Bylaw of the Company.

Section 9. Certain Settlement Provisions. The Company shall have no obligation to indemnify the Indemnitee under this Agreement for any amounts paid in settlement of any action, suit or proceeding without the Company's prior written consent. The Company shall not settle any action, suit or proceeding in any manner that would impose any fine or other obligation on the Indemnitee without the Indemnitee's prior written consent. Neither the Company nor the Indemnitee will unreasonably withhold his, her, its or their consent to any proposed settlement.

Section 10. Savings Clause. If any provision or provisions (or portion thereof) of this Agreement shall be invalidated on any ground by any court of competent jurisdiction, then the Company shall nevertheless indemnify the Indemnitee if the Indemnitee was or is made or is threatened to be made a party or is otherwise involved in any threatened, pending or completed action, suit or proceeding (brought in the right of Flutter or otherwise), whether civil, criminal, administrative or investigative and whether formal or informal, including appeals, by reason of the fact that the Indemnitee is or was or has agreed to serve as a director or officer of Flutter, or while serving as a director or officer of Flutter, is or was serving or has agreed to serve at the request of the Company or Flutter as a director, officer, employee or agent (which, for purposes hereof, shall include a trustee, partner or manager or similar capacity) of another corporation, limited liability company, partnership, joint venture, trust, employee benefit plan or other enterprise, or by reason of any action alleged to have been taken or omitted in such capacity, from and against all loss and liability suffered and expenses (including attorneys' fees), judgments, fines and amounts paid in settlement reasonably incurred by or on behalf of the Indemnitee in connection with such action, suit or proceeding, including any appeals, to the fullest extent permitted by any applicable portion of this Agreement that shall not have been invalidated.

Section 11. Contribution/Jointly Indemnifiable Claims.

(a) In order to provide for just and equitable contribution in circumstances in which the indemnification provided for herein is held by a court of competent jurisdiction to be unavailable to the Indemnitee in whole or in part, it is agreed that, in such event, the Company shall, to the fullest extent permitted by the OBCA, contribute to the payment of all of the Indemnitee's loss and liability suffered and expenses (including attorneys' fees), judgments, fines and amounts paid in settlement reasonably incurred by or on behalf of the Indemnitee in connection with any action, suit or proceeding, including any appeals, in an amount that is just and equitable in the circumstances; provided, that, without limiting the generality of the foregoing, such contribution shall not be required where such holding by the court is due to any limitation on indemnification set forth in Sections 5(b), 7 (other than clause (f)), 8 or 9 hereof.

(b) Given that certain jointly indemnifiable claims may arise due to the service of the Indemnitee as a director and/or officer of Flutter at the request of the Indemnitee-related entities, the Company acknowledges and agrees that the Company shall be fully and primarily responsible for the payment to the Indemnitee in respect of indemnification or advancement of expenses in connection with any such jointly indemnifiable claim, pursuant to and in accordance with the terms of this Agreement, irrespective of any right of recovery the Indemnitee may have from the Indemnitee-related entities. Under no circumstance shall the Company be entitled to any right of subrogation against or contribution by the Indemnitee-related

entities and no right of advancement, indemnification or recovery the Indemnitee may have from the Indemnitee-related entities shall reduce or otherwise alter the rights of the Indemnitee or the obligations of the Company hereunder. In the event that any of the Indemnitee-related entities shall make any payment to the Indemnitee in respect of indemnification or advancement of expenses with respect to any jointly indemnifiable claim, the Indemnitee-related entity making such payment shall be subrogated to the extent of such payment to all of the rights of recovery of the Indemnitee against the Company, and the Indemnitee shall execute all papers reasonably required and shall do all things that may be reasonably necessary to secure such rights, including the execution of such documents as may be necessary to enable the Indemnitee-related entities effectively to bring suit to enforce such rights. The Company and the Indemnitee agree that each of the Indemnitee-related entities shall be third-party beneficiaries with respect to this Section 11(b), entitled to enforce this Section 11(b) as though each such Indemnitee-related entity were a party to this Agreement. For purposes of this Section 11(b), the following terms shall have the following meanings:

(i) The term "Indemnitee-related entities" means any corporation, limited liability company, partnership, joint venture, trust, employee benefit plan or other enterprise (other than Flutter or any other corporation, limited liability company, partnership, joint venture, trust, employee benefit plan or other enterprise the Indemnitee has agreed, on behalf of the Company or Flutter or at the Company's or Flutter's request, to serve as a director, officer, employee or agent and which service is covered by the indemnity described in this Agreement) from whom the Indemnitee may be entitled to indemnification or advancement of expenses with respect to which, in whole or in part, the Company may also have an indemnification or advancement obligation (other than as a result of obligations under an insurance policy).

(ii) The term "jointly indemnifiable claims" shall be broadly construed and shall include, without limitation, any action, suit or proceeding for which the Indemnitee shall be entitled to indemnification or advancement of expenses from both the Indemnitee-related entities and the Company pursuant to the OBCA, any agreement or the certificate of incorporation, bylaws, partnership agreement, operating agreement, certificate of formation, certificate of limited partnership or comparable organizational documents of the Company or the Indemnitee-related entities, as applicable.

Section 12. Form and Delivery of Communications. All notices, requests, demands and other communications under this Agreement shall be in writing and shall be deemed to have been duly given if (a) delivered by hand, upon receipt by the party to whom said notice or other communication shall have been directed, (b) mailed by certified or registered mail with postage prepaid, on the third business day after the date on which it is so mailed, (c) mailed by reputable overnight courier, one day after deposit with such courier and with written verification of receipt or (d) sent by email or facsimile transmission, with receipt of oral or written confirmation that such transmission has been received. Notice to the Company shall be directed to Edward Traynor, Group General Counsel and Company Secretary, by email at cosec@flutter.com. Notice to Flutter shall be directed to Edward Traynor, Group General Counsel and Company Secretary, or by email at cosec@flutter.com. Notice to the Indemnitee shall be directed to the Indemnitee's contact information on file with Flutter's Secretary or Flutter's legal department.

Section 13. Duration of Agreement. This Agreement shall terminate as regards the Indemnitee on the first date on which the Indemnitee ceases to serve as a director, secretary, officer and/or executive of Flutter or any Group Company provided that such termination shall be without prejudice to the ability of the Indemnitee to bring a claim where the circumstances giving rise to such claim occurred on or prior to the date of such termination.

Section 14. Nonexclusivity. The provisions for indemnification and advancement of expenses set forth in this Agreement shall not be deemed exclusive of any other rights which the Indemnitee may have under any provision of law, in any court in which a proceeding is brought, other agreements or otherwise, and the Indemnitee's rights hereunder shall inure to the benefit of the heirs, executors and administrators of the Indemnitee. No amendment or alteration of the Company's Certificate of Incorporation or Bylaws, Flutter's Articles of Association, or any other agreement shall adversely affect the rights provided to the Indemnitee under this Agreement. Nothing in this Agreement shall in any way adversely affect or diminish the obligation of the Company to indemnify the Indemnitee pursuant to section 136(4.2) of the OBCA.

Section 15. No Construction as Employment Agreement. Nothing contained herein shall be construed as giving the Indemnitee any right to be retained as a director of Flutter or in the employ of Flutter. For the avoidance of doubt, the indemnification and advancement of expenses provided under this Agreement shall continue as to the Indemnitee even though he or she may have ceased to be a director or officer of Flutter, provided that the payment of such expenses relate to a claim initiated by the Indemnitee under this Agreement prior to his or her ceasing to be a director or officer of Flutter.

Section 16. Interpretation of Agreement. It is understood that the parties hereto intend this Agreement to be interpreted and enforced so as to provide indemnification to the Indemnitee to the fullest extent now or hereafter permitted by the OBCA.

Section 17. Entire Agreement. This Agreement and the documents expressly referred to herein constitute the entire agreement between the parties hereto with respect to the matters covered hereby, and any other prior or contemporaneous oral or written understandings or agreements with respect to the matters covered hereby are expressly superseded by this Agreement; provided, however, that this Agreement is a supplement to and in furtherance of any obligations of Flutter under Flutter's Articles of Association, applicable law, agreements or deeds with Flutter or any other entity in which the Indemnitee is or was serving or has agreed to serve at the request of the Company or Flutter as a director, officer, employee or agent (which, for purposes hereof, shall include a trustee, fiduciary, partner or manager or similar capacity) while serving as a director or officer of Flutter and any applicable insurance maintained for the benefit of the Indemnitee, and shall not be deemed a substitute therefor, nor to diminish or abrogate any rights of the Indemnitee thereunder. In the event of a conflict between this Agreement and any then-existing agreement or deed between Flutter and the Indemnitee, the agreement or deed (or provision thereof), as applicable, granting the Indemnitee the greatest legally enforceable rights shall prevail.

Section 18. Modification and Waiver.

(a) Subject to clause (b) below, no supplement, modification, waiver or amendment of this Agreement shall be binding unless executed in writing by both of the parties hereto. No waiver of any of the provisions of this Agreement shall be deemed or shall constitute a waiver of any other provision hereof (whether or not similar) nor shall such waiver constitute a continuing waiver. For the avoidance of doubt, this Agreement may not be terminated by the Company without the Indemnitee's prior written consent.

(b) If any provision of this Agreement cannot be implemented as originally contemplated because, or requires modification in order to comply with, changes of law or regulation in any jurisdiction, the Company shall be entitled to unilaterally modify such provision without the consent of the Indemnitee to enable the intent of the parties to be reflected and implemented.

Section 19. Successor and Assigns. All of the terms and provisions of this Agreement shall be binding upon, shall inure to the benefit of and shall be enforceable by the parties hereto and their respective successors, assigns, heirs, executors, administrators and legal representatives.

(a) The Company shall require and cause any direct or indirect successor (whether by purchase, merger, consolidation or otherwise) to all or substantially all of the business or assets of such the Company, by written agreement in form and substance reasonably satisfactory to the Indemnitee, expressly to assume and agree to perform this Agreement in the same manner and to the same extent that the Company would be required to perform if no such succession had taken place.

(b) The benefit of this Agreement shall be personal to the Indemnitee and may not be assigned by the Indemnitee save with the prior written consent of the Company. The indemnification provided by the Company under this Agreement shall continue as to the Indemnitee for any action taken or not taken while serving as a director or officer of the Company or Flutter and which pertains to an indemnifiable claim under this Agreement in respect of the Company or Flutter, even though the Indemnitee may have ceased to be a director or officer of the Company or Flutter at the time of any action, suit, or proceeding or is deceased (in which case this Agreement shall endure to the benefit of his/her estate).

Section 20. Service of Process and Venue. The Company and the Indemnitee hereby irrevocably and unconditionally (i) agree that any action or proceeding arising out of or in connection with this Agreement shall be brought only in courts of the Province of Ontario situated in the City of Toronto (the "**Ontario Court**"), and not in any other court in any other jurisdiction, (ii) attorn and submit to the exclusive jurisdiction of the Ontario Court for purposes of any action or proceeding arising out of or in connection with this Agreement, (iii) appoint, to the extent such party is not otherwise subject to service of process in the Province of Ontario, irrevocably Stikeman Elliott LLP, at its office in Toronto, Ontario, Canada, 5300 Commerce Court West, 199 Bay Street, Toronto, Ontario, Canada M5L 1B9 Attn: J.R. Laffin as its agent in the Province of Ontario as such party's agent for acceptance of legal process in connection with any such action or proceeding against such party with the same legal force and validity as if served upon such party personally within the Province of Ontario, (iv) waive any objection to the laying of venue of any such action or proceeding in the Ontario Court, and (v) waive, and agree not to plead or to make, any claim that any such action or proceeding brought in the Ontario Court has been brought in an improper or inconvenient forum.

Section 21. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein. If a court of competent jurisdiction shall make a final determination that the provisions of the law of any jurisdiction other than Ontario govern indemnification by the Company of the Indemnitee, then the indemnification provided under this Agreement shall in all instances be enforceable to the fullest extent permitted under such law, notwithstanding any provision of this Agreement to the contrary.

Section 22. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed to be an original and all of which together shall be deemed to be one and the same instrument, notwithstanding that both parties are not signatories to the original or same counterpart. The words "execution," "signed," "signature," "delivery," and words of like import in or relating to this Agreement or any document to be signed in connection with this Agreement shall be deemed to include electronic signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, and the parties hereto consent to conduct the transactions contemplated hereunder by electronic means. This Agreement, to the extent signed and delivered by means of a email transmission, shall be treated in all manner and respects as an original agreement and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person.

Section 23. Headings. The section and subsection headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement.

This Agreement has been duly executed and delivered to be effective as of the date first above written.

2.3 **Contents of Award or Option Notification**

Unless the Compensation Committee shall otherwise determine, an Award Notification or Option Notification shall contain:

(g) a statement that, until the Vesting of an Award or exercise of an Option, the Award Holder or Option Holder, as the case may be, shall not have any rights over or in respect of the Shares specified in the Award or Option and on Vesting of an Award or exercise of an Option his right shall be limited to those Shares in respect of which the Compensation Committee has determined that relevant Performance Condition(s) applicable to the relevant Performance Period have been achieved;

2.5 **Persons to whom Awards or Options may be granted**

An Award or Option may not be granted to an individual who is not an Eligible Employee at the Date of Grant.

2.6 **Awards and Options non-transferable**

An Award or Option shall not be capable of being transferred, charged or otherwise alienated (except in the event of the Participant's death, to his personal representatives), without the prior approval, in writing, of the Compensation Committee, and shall lapse immediately if the Award Holder or Option Holder, as the case may be, purports to

transfer, charge or otherwise alienate the Award, or Option, as the case may be, without such approval. All of the terms of this Plan shall apply to any Award or Option so transferred, charged or alienated. An Award or Option shall lapse immediately if the Participant is declared bankrupt or enters into a compromise with his creditors generally.

2.7 **Right to Refuse Awards or Options**

An Award Holder or Option Holder, as the case may be, may by notice, in writing, to the Compensation Committee, within thirty days after the Date of Grant, refuse to accept the Award or Option. In such a case, the Award or Option, as the case may be, shall be treated as having never been made. An Award Holder or Option Holder may also renounce an Award or Option at any time prior to the Vesting of such Award or exercise of such Option, as the case may be.

2.8 **Subscription Price**

No price shall be payable by an Award Holder or Option Holder upon the grant or Vesting of an Award or grant or exercise of an Option, as the case may be, where the Shares the subject of the Award or Option are sourced from the pool of Shares held by the Trustee. Upon the Vesting of an Award or exercise of an Option in respect of Shares sourced from the Company (which may include treasury shares held by the Company), the Group Member that employs the Award Holder or Option Holder or the Trustee, if so agreed, as the case may be, shall pay to the Company such price as shall be specified by the Company provided such price shall at the time equal or exceed the aggregate nominal value of the Shares the subject of the Award or Option less the aggregate nominal value of any treasury shares sourced from the Company for the purposes of the Vesting.

3. **Limit on Number of Shares to be the Subject of Awards or Options Under this Plan**

3.1 **General**

Subject to Rule 3.4, the number of Shares which may be the subject of Awards and Options shall be limited as set out in this Rule 3.

For the purpose of Awards and Options granted under this Plan, Shares may be sourced from the pool of Shares held by the Trustee or by the issue of new Shares by the Company (which may include treasury shares held by the Company). As Shares held by the Trustee will be sourced from market purchases and are non-dilutive only Awards and Options sourced from the issue of Shares by the Company under this Plan or any other Employee Share Scheme will count for the purpose of the limits set out in the remainder of this Rule. The Compensation Committee may decide to change the way in which it is intended that an Award or Option may be satisfied after it has been granted, having regard to the provisions of Rule 3.

3.2 **Ten per cent in ten years**

The Compensation Committee may not grant Awards or Options which might result in the issue of new Shares if it would have the effect of increasing the total number of Shares that have been, or may be issued, pursuant to awards and options granted under the Plan and any other employee share-based schemes of the Company in the ten year period preceding the proposed Date of Grant so as to exceed 10% of the Company’s issued share capital at the Date of Grant.

3.3 **Five per cent in ten years**

The Compensation Committee may not grant Awards or Options which might result in the issue of new Shares if it would have the effect of increasing the total number of Shares that have been, or may be issued, pursuant to awards and options granted under the Plan and all other discretionary share-based schemes of the Company in the ten year period immediately preceding the proposed Date of Grant so as to exceed 5% of the Company's issued share capital at the Date of Grant.

3.4 **Computation**

For the purpose of the limits contained in this Rule 3:

(a) Any Shares committed for issue under an Award or an Option shall be taken into account once only by reference to the date when the Award or Option is made. Treasury shares used to settle the Vesting of an Award or the exercise of an Option shall count as newly issued shares and shall be included in the calculation of the issued share capital for the purpose of calculating the limits until such time as guidelines published by institutional investor representative bodies recommend otherwise;

(b) the limits shall count and apply to any Awards and Shares committed for issue under any sub plan or schedule created under Rule 17.5;

(c) there shall be disregarded any Shares subject to an Award or Option which have lapsed, been renounced or refused or otherwise become incapable of Vesting;

(d) Shares issued by the Company to holders of awards under any share based incentive scheme of Betfair or its subsidiaries: (i) in satisfaction of any right to acquire Shares granted to such persons in replacement of such awards at the time of and in connection with the merger of the Company and Betfair; and (ii) pursuant to the articles of association of Betfair as amended in connection with the merger of the Company and Betfair, shall be disregarded as shall any Shares delivered to such award holders by any trustee holding Shares for the benefit of former employees of Betfair or its subsidiaries;

(e) there shall be disregarded any shares issued by Betfair under any share-based incentive scheme of Betfair or its subsidiaries during the ten-year period preceding any Date of Grant; and

(f) no account shall be taken of any Shares where the right to receive such Shares has been or is to be satisfied other than by the issue or allotment of any part of the share capital of the Company or, for so long as treasury shares held by the Company count as newly issued shares under paragraph (a), the transfer of treasury shares (including, without limitation, by the transfer of existing Shares (including, if they cease to count as newly issued shares under paragraph (a), treasury shares held by the Company) or cash).

4. **Limit on Number of Shares Granted to Eligible Employees**

No Eligible Employee may be granted Awards or Options which would, at the time they are granted, cause the value of all the Shares subject to Awards and/or Options granted under this Plan to that Eligible Employee to exceed (a) in a particular calendar year, in aggregate, 1600% of his Base Salary at the time of grant and (b) in respect of the maximum value of Shares that may in the ordinary course Vest in a particular calendar year, 400% of his Base Salary at the time of grant. For the avoidance of doubt, Shares which are the subject of an Award or Option will be valued based on their Market Value.

5. **Conditions Attaching to Awards and Options**

5.1 **Imposition of Conditions**

Subject to Rules 5.5 and 5.6, on the grant of an Award or an Option or at or around the time of the commencement of a relevant Performance Period, the Compensation Committee may impose such conditions on Vesting or exercise which the Compensation Committee determines to be appropriate in its absolute discretion.

5.2 **Nature of Conditions**

Any condition imposed under Rule 5.1 shall:

(a) be objective;

(b) include a Performance Condition(s) determined by the Compensation Committee (in its absolute discretion) which is appropriate to incentivise Eligible Employees to meet the Group's strategic goals; and

(c) specify such other targets as the Compensation Committee deems appropriate,

and be set out in, or attached in the form of a schedule to the Award Notification or Option Notification, as the case may be, or otherwise be the subject of a supplementary notification to the Participant.

5.3 **Substitution, variation or waiver of Conditions in respect of Awards or Options Granted**

If the Compensation Committee considers that any condition imposed under Rule 5.2 is no longer appropriate or fair to Award Holders or Option Holders (e.g. due to the imposition of industry specific taxation changes including product fees), it may make such adjustments to the Performance Condition calculations or substitute, vary or waive the condition (and make such consequential amendments to the Rules) in such manner as:

(a) is reasonable in the circumstances; and

(b) is neither materially more nor less difficult to satisfy than was intended at the Date of Grant.

The outstanding Award or Option shall then take effect subject to the condition as so substituted, varied or waived.

5.4 **Notification of Award Holders and Option Holders**

The Compensation Committee, as soon as is reasonably practicable, shall notify each Award Holder and Option Holder of any determination made by it under this Rule 5.

5.5 **Malus**

(a) Notwithstanding any other Rule of the Plan, the Compensation Committee may, in its absolute discretion and in circumstances in which the Compensation Committee considers such action is appropriate, decide at any time prior to the Vesting of an Award or, in respect of that part of an Option that has not yet Vested and/or has Vested but has not been exercised, the second anniversary (or, where and to the extent specified in the Award Notification, such later anniversary as the Compensation Committee may determine) specified in the Award of the date on which that part first becomes exercisable, that the Participant to whom the Award or Option was granted (in this Rule 5.5, the "**Relevant Participant**") shall be subject to Malus and may therefore decide to:

(i) reduce the number of Shares to which the Award or Option relates;

(ii) cancel the Award or Option;

(iii) impose further conditions on the Award or Option; and / or

(iv) delay the Vesting of the Award or the exercise of an Option if the action or conduct of the Relevant Participant, Group Member or relevant business unit is under investigation by the Company, or the Company has been notified by a regulatory authority that an investigation into such action or conduct has been commenced so that the delivery of the Shares in respect of such Award or Option will be delayed until any action or investigation is completed.

(b) The circumstances in Rule 5.5(a) include, but are not limited to:

(i) where there is a material restatement of the financial statements of the Company or any of its Subsidiaries for any of the financial years ending after the grant of such Award or Option. The Compensation Committee will in its sole discretion determine what constitutes a material restatement;

(ii) the financial statements of the Company used in assessing the number of Shares over which the Award or Option was granted were misstated, or that any other information relied on in making such assessment proves to have been incorrect and, in any case, the Award or Option was granted in respect of a greater number of Shares than would have been the case had there not been such a misstatement or reliance on incorrect information or had such error not been made or had such event not occurred;

(iii) the Compensation Committee forms the view that in assessing the extent to which any Performance Condition and/or any other condition imposed on the Award or Option was satisfied such assessment was based on an error, or on inaccurate or misleading information or assumptions and that such error, information or assumptions resulted or would result either directly or indirectly in that Award or Option Vesting to a greater degree than would have been the case had that error not been made;

(iv) some or all of the Performance Conditions, which were deemed to have been satisfied in respect of the Award or Option have only been satisfied as a consequence of any direct or indirect manipulation on the part of the Relevant Participant. For the purpose of this Rule, "manipulation" means anything done, without the knowledge of the Compensation Committee, for the Relevant Participant's own personal gain which is unreasonable and not done for the benefit of the Company;

(v) the Relevant Participant is guilty of serious misconduct, gross negligence or fraud;

(vi) the Group or part of the Group (in respect of which the Relevant Participant has performed any functions or oversight role), in the reasonable opinion of the Compensation Committee, following consultation with the risk committee of the Board, if applicable, suffered a material failure of risk management;

(ix) the Group or part of the Group (in respect of which the Relevant Participant has performed any functions or oversight role) receives notification in writing that it may become subject to any regulatory sanctions, where the Compensation Committee forms the view that the conduct of the Relevant Participant contributed to the circumstances leading to such notification.

(a) The Compensation Committee may decide at any time up to the second anniversary (or, where and to the extent specified in the Award Notification, such later anniversary as the Compensation Committee may determine) of the Vesting of an Award or, in the case of an Option, in respect of that part of the Option that has been exercised, up to the second anniversary (or, where and to the extent specified in the Award Notification, such later anniversary as the Compensation Committee may determine) of the date on which that part of the Option first became exercisable, that the person to whom the Award or Option was granted (in this Rule 5.6, the "**Relevant Participant**") shall be subject to Clawback for any of the following:

(iii) the Compensation Committee forms the view that, in assessing the extent to which any Performance Condition and/or any other condition imposed on the Award or Option was satisfied, such assessment was based on an error, or on inaccurate or misleading information or assumptions and that such error, information or assumptions resulted either directly or indirectly in that Award Vesting to a greater degree than would have been the case had that error not been made;

(xi) the Relevant Participant is in breach of any applicable restrictions on competition, solicitation or the use of confidential information (whether arising out of the Relevant Participant's employment contract, his termination arrangements or any internal policies).

(b) Where the Compensation Committee decides that an Award or Option is subject to Clawback:

(D) the number of Shares subject to any vested but unexercised Option; and/or

(E) the number of Shares subject to any vested but unexercised right to acquire Shares granted to the Relevant Participant under any share incentive plan (other than the Plan) operated by any Group Member.

(c) Where Shares have been delivered to the Relevant Participant, the Compensation Committee may require the Relevant Participant to transfer to the Company (or as the Company directs) for nil consideration some or all of the Shares delivered to him under the Award or Option, or pay to the Company (or as the Company directs) an amount equal to the value of those Shares (as determined by the Compensation Committee) on such terms as the Compensation Committee may direct (including, but without limitation, on terms that the relevant amount is to be deducted from the Relevant Participant's salary or from any other payment to be made to the Relevant Participant by any Group Member).

(d) Any reduction made pursuant to Rule 5.6(b)(ii)(A) and/or Rule 5.6(b)(ii)(B) shall take effect immediately prior to the Vesting of the Award or Option or the right vesting or becoming exercisable (as applicable) (or at such other time as the Compensation Committee decides) and any reduction made pursuant to Rule 5.6(b)(ii)(C) and/or Rule 5.6(b)(ii)(D) shall take effect at such time as the Compensation Committee decides.

(e) Where Rule 5.6(a) above applies, the amount and/or such number of Shares to be subject to Clawback shall be such amount and/or such number of Shares as the Compensation Committee decides is appropriate but the amount of the Clawback and/or such number of Shares shall be limited to the net (post-tax) amount of such value.

(f) This Rule may be applied in different ways for different Participants in relation to the same or different events, or in different ways for the same Relevant Participant in relation to different Awards or Options.

(g) This Rule shall not apply after the Company is subject to a takeover or other corporate event under Rule 9 (provided that the relevant event is not an Internal Reorganisation).

(h) The Company may adopt such other malus and clawback policy to the extent necessary or appropriate to comply with all applicable laws, including, without limitation, the Dodd-Frank Wall Street Reform and Consumer Protection Act and any rules, regulations or listing standards promulgated thereunder and all Awards or Options shall be subject to such policy (whether or not such policy was in place at the time of grant of the Award or Option).

5.7 **Provisions ancillary to Rules 5.5 and 5.6**

(a) Without limiting Rule 15, the Relevant Participant will not be entitled to any compensation in respect of any adjustment under Rules 5.5 or 5.6, and the operation of Malus or Clawback will not limit any other remedy any Group Member may have.

(b) Where a Relevant Participant is required to return any Shares or to forfeit the right to any Shares under Rule 5.5 or 5.6, such Shares shall be deemed to be forfeitable shares.

(c) The Compensation Committee will notify the Relevant Participant of any application of Malus or Clawback under Rule 5.5 or 5.6.

5.8 **Substitution, Variation or Waiver of Conditions in respect of Awards or Options to be Granted**

If prior to the grant of an Award or Option, there is introduced, or proposed to be introduced, in any jurisdiction in which any member of the Group does business any industry specific taxation change, including product fees, which impacts, or may impact, upon the calculation of any Performance Condition in respect of any Accounting Period, or part of an Accounting Period, forming part of the Performance Period but did not equivalently impact upon any Performance Condition in respect of the Accounting Period immediately preceding the relevant Accounting Period, the Compensation Committee, acting reasonably, may take such action that it thinks appropriate in the adjustment of any part of the Performance Condition calculations or in the substitution, variation or waiver of any condition in respect of Awards or Options to be granted to ensure consistency of comparison in the numbers underlying the calculation of the Performance Condition.

6. **Grant of Options**

Options may be granted by the Compensation Committee in favour of Eligible Employees in respect of Shares sourced from the Trustee or from the Company with the price payable by the Option Holder on exercise being zero, in the case of Shares sourced from the Trustee, or the aggregate nominal value of the Shares the subject of the Option (which shall be paid by the Group Member which employs the Option Holder or the Trustee, if so agreed, as the case may be), in the case of Shares sourced from the unissued share capital of the Company, with the performance period being the same as the Performance Period and the performance conditions being the same as those applicable to Awards granted under the terms of the Plan. The provisions of this Plan which apply to Awards shall also apply to Options with all necessary modifications and changes as determined by the Compensation Committee. All such Options shall be granted on the basis that they shall be exercisable within a period of less than ten years after the Date of Grant (or such shorter period as may be determined on the Date of Grant) where the exercise price is less than the Market Value at the Date of Grant.

7. **Vesting of Awards and Options**

7.1 **Vesting of Awards and Options**

Subject to Rules 8 and 9, an Award may Vest and an Option may become exercisable on such date as may be specified by the Compensation Committee after the date on which the relevant Performance Condition applicable in respect of a Performance Period (in its original form or as substituted or varied from time to time), has been determined by the Compensation Committee to be satisfied provided that no Award Holder shall be entitled to Vest such Award and no Option Holder entitled to exercise an Option earlier than the later of the (i) third anniversary of the Date of Grant thereof and (ii) the anniversary of the Date of Grant immediately following the third anniversary of the commencement of the relevant Performance Period.

The Compensation Committee may adjust the Vesting or exercise dates and limits set out herein and the Performance Period in its absolute discretion to take account of any change in the Company's Accounting Period which may occur during the period commencing on the Date of Grant of an Award or Option and ending on the date such Award or Option Vests.

The Compensation Committee may adjust the Vesting outcome (either up or down) in respect of a Performance Period in its absolute discretion to ensure that the overall outcome reflects underlying business performance or the Participant's overall performance over the Performance Period.

7.2 **Award and Option Holders to be employed within the Group**

Except as otherwise provided in Rule 8, an Award may Vest or an Option may be exercised only while the Award Holder or Option Holder is employed within the Group and if he ceases to be employed within the Group, any Award or Option granted to him shall lapse to the extent that it has not Vested or been exercised prior to the date of such cessation.

7.3 **Effect of any Dealing Restriction Period**

If an Award becomes capable of Vesting or an Option capable of exercise during a period when a Dealing Restriction applies, the holder thereof shall not become entitled to receive the Shares nor shall the Trustee or the Company be under any obligation to deliver the Shares until the Dealing Restriction ends notwithstanding any other provision contained in these Rules.

7.4 **Acquisition of Shares for Awards and Options**

(a) The Company may from time to time fund the Trustee as and when the Trustee requires funds to purchase Shares in the market or otherwise;

(b) In circumstances determined by the Compensation Committee, in its absolute discretion, a request may be made to the Trustee to satisfy the obligation to deliver Shares on Award Vesting or Option exercise to any Award Holder or Option Holder (other than an executive director) by the payment to the Award Holder or Option Holder, as the case may be, of a cash payment equal to the aggregate Market Value of the Shares the subject of such Award or Option (the "**Net Payment**").

7.5 **Post Vesting Holding Period**

The Compensation Committee, in its absolute discretion, may at any time, impose on an Award Holder or Option Holder, as the case may be, the requirement to retain Shares derived from any Award or Option or any Net Payment for such period, and on such conditions as it shall determine in its absolute discretion, provided that in specifying the number of such Shares, or the amount of the Net Payment, to be held, due regard shall be had to the need for such holders to discharge taxation, social charge and social insurance liabilities arising on the Vesting or exercise of any such Award or Option or the receipt of any Net Payment, as the case maybe, and provided further that the Compensation Committee shall be entitled to impose such a requirement on one Award Holder or Option Holder but not on another (a "**Retention Restriction**"). Unless the Compensation Committee determines otherwise, all Shares (after any sale required to discharge taxation, social charge and social insurance liabilities arising on the Vesting or exercise of any such Award or Option) received by a director of the Company in respect of an Award or Option shall be subject to a Retention Restriction until the anniversary of the Date of Grant of such Award or Option next following the end of its final Performance Period.

8. **Cessation of Employment**

8.1 Notwithstanding, the provisions of Rules 7.1 and 7.2, if a Participant ceases to be employed by a Group Member before or after his Award is capable of Vesting or Option is capable of exercise, as the case may be, by reason of:

(a) death;

(b) ill health, injury or disability evidenced to the satisfaction of the Company;

(c) redundancy (within the meaning of the Redundancy Payments Acts 1967 to 2022 or any overseas equivalent) if the Company so decides;

(d) retirement, with the agreement of the Company;

(e) his office or employment being with either a company which ceases to be a Group Member or relating to a business or part of a business which is transferred to a person who is not a Group Member; or

(f) for any other reason, if the Compensation Committee so decides,

his Award or Option shall lapse except to the extent it is already Vested or it Vests as provided in Rule 8.3 or except as the Compensation Committee shall otherwise determine, and such lapse be effective either on (i) the date of cessation of employment with the Group Member or (ii) such other date as shall be determined by the Compensation Committee in its absolute discretion (including, but not limited to, the date on which any post cessation restrictive covenants entered into by the Participant expire).

8.2 Any Option which does not lapse immediately on cessation of the Participant's employment with the Group Member shall lapse unless exercised by the Participant or by his personal representative within a period of six months (or such other period as determined by the Compensation Committee in its discretion) after: (a) if applicable, the date on which the Option becomes exercisable having been excepted from lapse in accordance with Rule 8.1; or (b) in the case of an Option which was already exercisable on the date of cessation of employment, either (x) the date of cessation of employment with the Group Member, or (y) such other date as shall be determined by the Compensation Committee in its absolute discretion (including, but not limited to, the date on which any post cessation restrictive covenants entered into by the Participant expire), PROVIDED ALWAYS THAT no Option shall be capable of exercise after the expiry of either (i) ten years from the Date of Grant thereof or (ii) such shorter exercise period as was determined on the Date of Grant.

8.3 Subject to Rules 8.4 to 8.6, the number of Shares in respect of which Vesting or exercise may occur shall be determined by the Compensation Committee in its absolute discretion, taking into account, in respect of each Performance Period:

(a) the extent to which any Performance Condition applicable to that Performance Period has been satisfied either (as determined by the Compensation Committee) at the date of cessation of office or employment or at the end of the original Performance Period; and

(b) unless the Compensation Committee determines otherwise, the period of time (if any) that has elapsed from the commencement of the that Performance Period to the date of cessation of office or employment,

and to the extent that an Award does not Vest, or an Option does not become exercisable, in each case in full, the remainder will lapse immediately.

8.4 The Compensation Committee may, at any time prior to the date of eventual exercise, and in its absolute discretion, revoke any determination under Rule 8.1 to permit an Award or Option to continue for any reason including (without limitation) a breach by the Award Holder or Option Holder of any restrictive covenants contained within his or her employment contract or any settlement agreement in respect of termination of his employment or otherwise, in which case the Award or Option shall lapse immediately from the date of such revocation.

8.5 An Award Holder or Option Holder shall not be treated for the purposes of these Rules as ceasing to be employee until such time as he is no longer an employee or an officer of any Group Member.

8.6 Where an Award Holder or Option Holder's contract of employment with the Group is terminated:

(a) without notice, such employment shall be deemed to cease on the date on which the termination takes effect;

(b) by a Group Member with a payment in lieu of notice, such employment shall be deemed to cease on the date on which the termination takes effect and shall not include notice not worked; and

(c) where the said contract is terminated by notice given by a Group Member or by an Award Holder or Option Holder, such employment shall be deemed to cease on the date on which that notice expires.

8.7 **Retention Restriction Release**

The Compensation Committee, in its absolute discretion, may release any Shares or any Net Payment the subject of a Retention Restriction after an Award Holder or Option Holder ceases to be employed for any of the reasons set out in Rule 8.1 or for such other reason as the Compensation Committee, in its absolute discretion, may decide.

8.8 **Award Holder Relocating Abroad**

Notwithstanding any other provision of these Rules, if it is proposed that an Award Holder or Option Holder (who is not an executive director of the Company), while continuing to be an Eligible Employee, shall work in a country other than the country in which he is currently working and, by reason of such change he:

(a) suffers less favourable tax treatment in respect of his Awards or Options; or

(b) becomes subject to a restriction that impedes or limits the issuance or transfer of the Shares subject to an Award or Option or limits or impedes his ability to hold or deal with such Shares,

his Award or Option, at the discretion of the Compensation Committee, may (i) either Vest or be exercised, as the case may be, in whole or in part, at such time or times as the Compensation Committee shall determine; or (ii) be adjusted in a manner designed to overcome in whole or in part, such treatment or restriction.

9. **Takeover, Reconstruction, Amalgamation or Winding-Up of the Company**

9.1 **Corporate Events**

Where any of the events described in Rule 9.2 occur, then subject to Rules 10 and 11, Awards and Option will Vest in accordance with Rule 9.3 at the time of such event unless they Vest earlier in accordance with Rule 9.4(b). Subject to Rule 9.3 Options will be exercisable for 30 days from the date of the relevant event described in Rule 9.2, after which all Options will lapse.

9.2 **Relevant Events**

The events referred to in Rule 9.1 are:

(a) **General offer**

If any person (either alone or together with any person Acting in Concert with him)

(i) obtains Control of the Company as a result of making a general offer to acquire Shares; or

(ii) already having Control of the Company, makes an offer to acquire all of the Shares other than those which are already owned by him and such offer becomes wholly unconditional.

(b) **Scheme of arrangement**

A compromise or arrangement in accordance with Chapter 1 of Part 9 of the Companies Act 2014 for the purposes of a change of Control of the Company is sanctioned by the Court.

(c) **Winding-up**

On the passing of a resolution for the voluntary winding-up or the making of an order for the compulsory winding up of the Company.

9.3 **Determination of the Compensation Committee**

(a) An Award or Option will Vest pursuant to Rule 9.1 taking into account all factors which the Compensation Committee considers relevant, the extent to which the Performance Condition has been satisfied and, unless the Compensation Committee determines otherwise, the period of time from the commencement of the relevant Performance Period to the date of the relevant event. To the extent that an Award or Option does not Vest, or is not exchanged in accordance with Rule 10, it will lapse immediately.

(b) Any reference to the Compensation Committee in this Rule 9 means the members of the Compensation Committee immediately prior to the relevant event which is the subject of this Rule 9.

9.4 **Other Events**

(a) If the Company is or may be affected by a merger with another company, demerger, delisting, special dividend or other event which, in the opinion of the Compensation Committee, may affect the current or future value of Shares:

(i) the Compensation Committee may determine that an Award or Option will Vest or must be exercised conditionally on the event occurring;

(ii) if the event does not occur then the conditional Vesting or exercise will not be effective and the Award or Option will continue to subsist;

(iii) if an Award or Option Vests under this Rule 9.4, it will Vest taking into account the extent to which any Performance Condition has been satisfied at the date of the relevant event and, unless the Compensation Committee determines otherwise, the period of time from the date of commencement of the relevant Performance Period to the date of the relevant event; and

(iv) to the extent that an Award or Option does not Vest, it will lapse immediately.

The Compensation Committee will then also determine the period during which any Vested Option may be exercised, after which time it will lapse.

(b) If the Compensation Committee determines that there would be any adverse tax consequence if an Award or Option were to Vest on or after an event described in this Rule 9, then the Compensation Committee may resolve that Awards will Vest on an earlier date.

9.5 **Discretion of Compensation Committee**

In determining the basis of Vesting or exercise of Awards or Options, as the case may be, in the circumstances set out in Rules 9.1 to 9.4 or the release of a Retention Restriction in respect of Shares derived from Awards or Options or a Net Payment, the Compensation Committee, acting fairly and reasonably, may take such actions as it considers fair in the circumstances.

10. **Exchange of Awards and Options on Takeover of the Company**

10.1 An Award will not Vest or an Option will not become exercisable under Rule 9 but will be exchanged on the terms set out in Rule 10 to the extent that:

(a) an offer to exchange the Award (the "**Existing Award**") or Option (the "**Existing Option**") is made and accepted by a Participant;

(b) there is an Internal Reorganisation; or

(c) the Compensation Committee decides (before the event) that an Existing Award or Existing Option will be exchanged automatically.

10.2 If Rule 10.1 applies, the Existing Award will not Vest or Existing Option will not become exercisable but will be exchanged in consideration of the issue of a new award (the "**New Award**") or new option (the "**New Option**") which, in the opinion of the Compensation Committee, is equivalent to the Existing Award or Existing Option, but relates to shares in a different company (whether the acquiring company or a different company) ("**New Shares**").

10.3 The New Award or New Option shall not be regarded for the purposes of this Rule 10 as equivalent to the Award or the Option unless:

(a) save for any condition imposed under Rule 5.1, the New Award or the New Option shall Vest or be exercised, as the case may be, in the same manner as the Award and the Option and subject to the same provisions of the Plan as it had effect immediately before the release of the Award or Option, as the case may be;

(b) the aggregate Market Value of the shares which are the subject of the New Award or the New Option is the same as the maximum possible amount which would have been received where the Award or Option become exercisable in its entirety; and

(c) the total amount payable by the Award Holder or the Option Holder for the acquisition of the New Shares under the New Award or the New Option, as the case may be, is as nearly as may be equal to the total amount that would have been payable by the Award Holder or the Option Holder for the acquisition of the Shares under the Award or the Option, as the case may be.

10.4 The date of grant of the New Award or New Option shall be deemed to be the same as the Date of Grant of the Award or the Option, as the case may be.

10.5 In the application of the Plan to the New Award or the New Option, where appropriate, references to "Company" and "Shares" shall be read as if they were references to the company to whose shares the New Award or New Option, as the case may be, relates and the New Shares respectively, save that in the definition of "Committee" the reference to "Company" shall be read as if it were a reference to Flutter Entertainment plc.

11. **Lapse of Awards and Options**

In addition to any other Rule providing for lapsing, an Award or Option shall lapse on the earliest of:

11.1 subject to Rules 8.1 and 8.2, the date specified in the Award Notification or Option Notification for lapsing;

11.2 the Compensation Committee determining that any condition imposed under Rule 5.1 has not been satisfied in relation to the Award or Option and can no longer be satisfied either in whole or in part; and

11.3 the date on which a resolution is passed or an order is made by the court for the compulsory winding up of the Company.

12. **Shares Transferred/Issued on Vesting**

12.1 **Rights attaching to Shares**

Prior to Vesting or exercise an Award Holder or Option Holder, as the case may be, shall have no right over or in respect of any Shares which are capable of being acquired or held for the benefit of the Award Holder or Option Holder under the relevant Award or Option. On the Vesting of an Award or exercise of an Option, the relevant Shares shall, as to voting, dividend and other rights, including those arising on a liquidation of the Company, rank equally in all respects and as one class with the Shares in issue at the date of such Vesting and the Award Holder or Option Holder, as the case may be, shall be entitled to all rights attaching to such Shares arising by reference to a record date after the date of Vesting or exercise.

12.2 **Form of Delivery**

Where Shares are to be delivered to a Participant as a consequence of the Vesting of an Award or the exercise of an Option, the relevant Shares shall be delivered to the Participant in such manner as the Compensation Committee may in its discretion determine, including but not limited to procuring the issue of DIs representing the relevant Shares to the Participant or its nominee(s) and/or making arrangements for the relevant Shares to be held on behalf of the Participant in any securities settlement system to which the Shares are eligible for admission from time to time.

12.3 **Dividend Equivalents**

Subject to Rule 12.4, upon the Vesting of an Award or part thereof in respect of Shares sourced from the Trustee an Award Holder shall be entitled to receive such number of additional Shares, calculated by the Company (in its absolute discretion), by dividing the amount of dividends which would have been paid on a dividend payment date in respect of the number of Shares which are Vesting in the period commencing on the Date of Grant and ending on the day prior to Vesting in respect of that Performance Period by the price of a Share on the Official List (or equivalent such record) of the Stock Exchange at the close of business on the relevant dividend payment day. If there are more than one dividend payment days in the period, the number of Shares shall be the aggregate of such calculations (the "**Dividend Shares**"). The Dividend Shares shall form part of the Award for all purposes and be subject to the terms and conditions set out in these Rules as if they formed part of the Award ab initio. The entitlement to Dividend Shares shall only arise upon the Vesting of the original Award of which they form part and the Award Holder shall have no right or interest of any kind in respect of these Shares unless and until the Vesting of the original Award occurs. If an Award shall Vest in part the number of Dividend Shares the Award Holder shall receive shall be reduced so that the Dividend Shares received shall bear the same proportion to the total number of Dividend Shares as the proportion that the Award that Vests bears to the entire Award.

Upon the Vesting of an Award, or part thereof, in respect of Shares sourced from the unissued share capital of the Company, the Compensation Committee, in its absolute discretion, may determine to procure that the Board shall allot such additional number of Shares as shall equal the entitlement to Dividend Shares that would have been transferred to the Award Holder had he received an Award or Shares sourced from the pool of Shares held by the Trustee.

An Option Holder shall be entitled to Dividend Shares on the same basis as an Award Holder with the calculation of the amount of his dividend entitlement being based on the amount of dividends that would have been payable on the Shares the subject of the Option in the period commencing on the Date of Grant and ending on the earliest date the relevant Options (or part thereof) could have been exercised had such Shares been in issue.

12.4 **Exclusion**

The automatic entitlement of an Award Holder to Dividend Shares under the provisions of Rule 12.3 shall not apply to Dividend Shares that may be funded from any special or exceptional dividend payable by the Company and, in such circumstances, the Compensation Committee shall determine, in its absolute discretion, whether or not a Dividend Share entitlement shall arise.

For the avoidance of any doubt, the proceeds payable to the Trustee in respect of any repurchase by the Company of Shares from the Employee Benefit Trust are not within the remit of Rule 12.3.

13. **Adjustment of Awards and Options on Reorganisation and Exercise of Discretion**

13.1 **Power to adjust Awards and Option**

The number of Shares subject to an Award or an Option and/or any Performance Condition applicable thereto may be adjusted in such manner as the Compensation Committee determines, in the event of:

(a) any variation of the share capital of the Company; or

(b) a merger with another company, demerger, delisting, special dividend, rights issue or other event which may, in the opinion of the Compensation Committee, affect the current or future value of Shares.

13.2 **Notification of Award Holders and Option Holder**

The Compensation Committee shall, as soon as reasonably practicable, notify each Award Holder and Option Holder of any adjustment made under this Rule 13. The Compensation Committee may call in for endorsement or cancellation and re-issue of any Award Notification or Option Notification in order to take account of such adjustment.

13.3 **Exercise of Discretion**

Any decision to exercise a discretion provided for in any of Rules 2, 5, 7 and 8 in respect of a Participant, who is not an executive director of the Company, may be made by a person or persons duly authorised by the Compensation Committee.

14. **Deductions**

14.1 **Withholding Tax and Social Security Deductions**

Where, in relation to an Award or Option granted under the Plan, the Compensation Committee, the Trustee, the Company or any Group Member (as the case may be) is liable, or is in accordance with current practice believed by the Compensation Committee, the Trustee or the Company to be liable, to account to any revenue or other authority for any sum in respect of any tax or social security liability of the Award Holder or Option Holder (a "**Relevant Liability**"), neither the Trustee nor the Company, as appropriate, shall be under any obligation to acquire Shares for the benefit of the Award Holder or Option Holder or transfer or issue Shares, as appropriate, to the Award Holder or Option Holder unless the Award Holder or Option Holder, as the case may be, has paid to the Trustee, the Company or the member of the Group (as the case may be) an amount sufficient to discharge the liability.

In addition, any Group Member and/or the Trustee shall have the discretion to retain sufficient of the Shares the subject of any Award or Option to ensure that any liability to taxation or otherwise of the Award Holder or Option Holder or the Company or Group Member or the Trustee in respect of the receipt by any such holder of such Shares is capable of discharge.

14.2 **Indemnity**

Each Award or Option shall be granted on terms that the Participant agrees to indemnify and keep indemnified the Company and any Group Member and any other relevant person to the extent permitted by law in respect of any Relevant Liability, and that upon Vesting of an Award or exercise of an Option the provisions of Rule 14 shall apply (and for this purpose a company in the Group includes a company that has been a Group Member).

14.3 **Acceptance and signing of Award/Option Notification by Award/Option Holder**

The Compensation Committee may require an Award Holder or Option Holder to accept or sign a copy of the Award Notification or Option Notification or some other document in order to bind himself contractually to any such arrangement as is referred to in this Plan (including the application of Clawback in respect of them) and return the accepted/signed document to the Company by a specified date. Failure to return the accepted/signed document by the specified date shall cause the Award or Option to lapse.

15. **Legal Entitlement**

15.1 This Rule 15 applies during a Participant's employment with any Company in the Group and after the termination of such employment, whether or not the termination is held to be lawful.

15.2 This Rule 15 shall apply irrespective of whether the Compensation Committee has discretion in the operation of the Plan, or whether the Company or the Compensation Committee could be regarded as being subject to any obligations in the operation of the Plan.

15.3 Nothing in the Plan or its operation forms part of the terms of employment of a Participant and the rights and obligations arising from a Participant's employment with any Company in the Group are separate from, and are not affected by, his participation in the Plan.

15.4 Awards or Options will not (except as may be required by taxation law) form part of the emoluments of any Participant or count as wages or remuneration for pension or other purposes.

15.5 Nothing in the Plan or its operation will confer on any person any right to continue in employment and neither will it affect the right of any Group Member to terminate the employment of any person without liability at any time (with or without cause) or impose upon the Compensation Committee or any other person any duty or liability whatsoever in connection with:

(a) the lapsing of any Award or Option pursuant to the Plan;

(b) the failure or refusal to exercise any discretion under the Plan; or

(c) a Participant ceasing to hold office or employment for any reason whatsoever.

15.6 The issue of any Award or grant of an Option to a Participant does not create any right for that Participant to be issued any further Awards/Options or to be issued Awards/Options on any particular terms, including the number of Shares to which Awards/Option relate whether under this Plan or any other scheme.

15.7 Participation in the Plan is permitted only on the basis that the Eligible Employee accepts all the provisions of these Rules, including in particular this Rule 15. By participating in the Plan, a Participant waives all rights to compensation for any loss in relation to the Plan, including:

(a) any loss of office or employment;

(b) any loss or reduction of any rights, benefits or expectations in relation to the Plan in any circumstances or for any reason, including lawful or unlawful termination of the Participant's employment;

(c) any exercise of a discretion or a decision taken in relation to an Award or to the Plan, or any failure to exercise a discretion or take a decision;

(d) the operation, suspension, termination or amendment of the Plan.

15.8 Each of the provisions of each Rule of the Plan is entirely separate and independent from each of the other provisions of each Rule. If any provision is found to be invalid then it will be deemed never to have been part of the Rules and to the extent that it is possible to do so, this will not affect the validity or enforceability of any of the remaining provisions of the Rules.

15.9 No representation or guarantee is given in respect of the future value of the Shares which are the subject of any Awards. Each Award is made on the basis that the Participant accepts that such value is unknown, indeterminable and cannot be predicted with certainty. Furthermore, the issue of an Award or grant of an Option shall in no way affect the Company's right to adjust, reclassify, reorganise or otherwise change its capital or business structure or to merge, consolidate, dissolve, liquidate or sell or transfer all or any part of its business or assets.

15.10 No Group Member shall be liable for any foreign exchange rate fluctuation between the Participant's local currency and the euro that may affect the value of the Award or Option or of any amounts due to the Participant pursuant to the vesting of the Award or the subsequent sale of any Shares acquired upon Vesting and/or settlement.

16. **Administration of the Plan**

16.1 **Compensation Committee responsible for administration**

The Compensation Committee shall be responsible for, and shall have the conduct of, the administration of the Plan. The Compensation Committee may from time to time make or amend regulations for the administration of the Plan provided that such regulations shall not be inconsistent with the Rules of the Plan.

16.2 **Compensation Committee decision final and binding**

The decision of the Compensation Committee shall be final and binding in all matters relating to the administration of the Plan, including but not limited to the resolution of any ambiguity in the Rules of the Plan.

16.3 **Suspension or termination of grant of Awards/Options**

The Compensation Committee may terminate or from time to time suspend the grant of Awards or Options.

16.4 **Provision of Information**

The Trustee and an Award Holder or Option Holder shall provide to the Company as soon as reasonably practicable such information as the Company reasonably requests for the purpose of complying with its obligations under Section 128(11) of TCA 1997 (or overseas equivalent).

16.5 **Cost of Plan**

The cost of introducing and administering the Plan shall be met by the Company. The Company shall also be entitled, if it wishes, to charge to a Subsidiary the opportunity cost of issuing Shares to an Award Holder or Option Holder employed by the Subsidiary following the Vesting of an Award or Option, as the case may be.

17. **Amendment of the Plan**

17.1 **Power to amend the Plan**

Subject to Rules 17.2 and 17.3, the Compensation Committee may from time to time amend all or any of the Rules of the Plan.

17.2 **Amendments to the Plan**

Without the prior approval of the Company in general meeting, an amendment may not be made for the benefit of existing or future Award Holders or Option Holders to the Rules of the Plan relating to:

(a) the persons to whom or for whom securities, cash or other benefits are provided for under the Plan;

(b) the limit on the number or amount of Shares, cash or other benefits subject to the Plan;

(c) the maximum entitlement of any one Award Holder or Option Holder under the Plan;

(d) the basis for determining an Award Holder or Option Holder's entitlement to, and the terms of securities, cash or other benefits to be provided and for the adjustment thereof (if any) if there is a capitalisation issue, rights issue or open offer, subdivision or consolidation of Shares or reduction or any other variation of capital;

PROVIDED HOWEVER that this Rule 17.2 shall not prohibit any amendment which is of a minor nature and benefits the administration of the Plan or any amendment which is necessary or desirable in order to take account of a change of legislation or to obtain or maintain favourable tax, exchange control or regulatory treatment for participants in the Plan, the Company or some other Group Member.

17.3 **Rights of existing Award/Option Holders**

20.3 **Notice to Compensation Committee, Trustee or Company**

Any notice, document or other communication given to the Compensation Committee, Trustee or the Company in connection with the Plan shall be delivered or sent by post to the Company Secretary at the Company's registered office or such other address as may from time to time be notified to Award Holders or Option Holders but shall not in any event be duly given unless it is actually received at such address.

Notwithstanding the provisions of Rule 21, all disputes and differences arising out of this Plan or otherwise in connection therewith may be referred by the Company to arbitration pursuant to the provisions of the Arbitration Acts 2010 (as amended) and any Award Holder or Option Holder so affected shall submit to such arbitration.

3. **LIMIT ON NUMBER OF SHARES TO BE THE SUBJECT OF AWARDS OR OPTIONS UNDER THIS SCHEME**

3.1 **General**

Subject to Rule 3.4, the number of Shares which may be the subject of Awards and Options shall be limited as set out in this Rule 3.

For the purpose of Awards and Options granted under this Scheme, Shares may be sourced from the pool of Shares held by the Trustee or by the issue of new Shares by the Company (which shall include treasury shares held by the Company). As Shares held by the Trustee will be sourced from market purchases and are non dilutive only Awards and Options sourced from the issue of Shares by the Company under this Scheme or any other Employee Share Scheme will count for the purpose of the limits set out in the remainder of this Rule. The Compensation Committee may decide to change the way in which it is intended that an Award or Option may be satisfied after it has been granted, having regard to the provisions of Rule 3.

3.2 **Ten per cent in ten years**

The Compensation Committee may not grant Awards or Options which might result in the issue of new Shares if it would have the effect of increasing the total number of Shares that have been, or may be issued, pursuant to awards and options granted under the Scheme and any other employee share based schemes of the Company in the ten year period preceding the proposed Date of Grant so as to exceed 10% of the Company's issued share capital at the Date of Grant.

3.3 **Five per cent in ten years**

The Compensation Committee may not grant Awards or Options which might result in the issue of new Shares if it would have the effect of increasing the total number of Shares that have been, or may be issued, pursuant to this Scheme and all other discretionary Share based schemes in the ten year period immediately preceding the proposed Date of Grant so as to exceed 5% of the Company's issued share capital at the Date of Grant.

3.4 **Computation**

For the purpose of the limits contained in this Rule 3:-

3.4.1 Any Shares committed for issue under an Award or an Option shall be taken into account once only by reference to the date when the Award or Option is made. Treasury shares used to settle the Vesting of an Award or the exercise of an Option shall count as newly issued shares and shall be included in the calculation of the issued share capital for the purpose of calculating the limits until such time as guidelines published by institutional investor representative bodies recommend otherwise;

3.4.2 the limits shall count and apply to any Awards and Shares committed for issue under any sub plan or schedule created under Rule 17.5;

3.4.3 there shall be disregarded any Shares subject to an Award or Option which have lapsed, been renounced or refused or otherwise become incapable of Vesting;

3.4.4 Shares issued by the Company to holders of awards under any share based incentive scheme of Betfair or its subsidiaries: (i) in satisfaction of any right to acquire Shares granted to such persons in replacement of such awards at the time of and in connection with the merger of the Company and Betfair; and (ii) pursuant to the articles of association of Betfair as amended in connection with the merger of the Company and Betfair, shall be disregarded as shall any Shares delivered to such award holders by any trustee holding Shares for the benefit of former employees of Betfair or its subsidiaries;

3.4.5 there shall be disregarded any shares issued by Betfair under any share based incentive scheme of Betfair or its subsidiaries during the ten year period preceding any Date of Grant; and

3.4.6 no account shall be taken of any Shares where the right to receive such Shares has been or is to be satisfied other than by the issue or allotment of any part of the share capital of the Company (including, without limitation, by the transfer of existing Shares or cash).

4. LIMIT ON NUMBER OF SHARES GRANTED TO ELIGIBLE EMPLOYEES

4.1 **Individual Limits**

No Eligible Employee may be granted Awards or Options which would, at the time they are granted, cause the value of all the Shares subject to Awards and/or Options granted under this Scheme to that Eligible Employee in respect of a particular calendar year to exceed 280% of his Base Salary at that time. For the avoidance of doubt, Shares which are the subject of an Award or Option will be valued based on their Market Value.

5. CONDITIONS ATTACHING TO AWARDS AND OPTIONS

5.1 **Imposition of Conditions**

Subject to Rules 5.5 and 5.6, on the grant of an Award or an Option, the Compensation Committee may impose such conditions on Vesting or exercise which the Compensation Committee determines to be appropriate in its absolute discretion.

5.2 **Nature of Conditions**

Any condition imposed under Rule 5.1 shall:

5.2.1 be objective;

5.2.2 include a performance condition or conditions determined by the Compensation Committee (in its absolute discretion) at the start of each Performance Period which is appropriate to incentivise Eligible Employees to meet the Group's strategic goals;

5.2.3 specify such other targets as the Compensation Committee deems appropriate; and

5.2.4 specify the date on which the Award or Option shall lapse;

and be set out in, or attached in the form of a schedule to, the Award Notification or Option Notification, as the case may be.

5.3 **Substitution, variation or waiver of Conditions in respect of Awards or Options Granted**

If the Compensation Committee considers that any condition imposed under Rule 5.2 is no longer appropriate or fair to Award Holders or Option Holders (e.g. due to the imposition of industry specific taxation changes including product fees), it may make such adjustments to the Performance Condition calculations or substitute, vary or waive the condition (and make such consequential amendments to the Rules) in such manner as:

5.3.1 is reasonable in the circumstances; and

5.3.2 is neither materially more nor less difficult to satisfy than was intended at the Date of Grant.

The outstanding Award or Option shall then take effect subject to the condition as so substituted, varied or waived.

5.4 **Notification of Award and Options Holders**

The Compensation Committee, as soon as is reasonably practicable, shall notify each Award Holder and Option Holder of any determination made by it under this Rule 5.

5.5 **Malus**

5.5.1 Notwithstanding any other rule of the Scheme, the Compensation Committee may, in its absolute discretion and in circumstances in which the Compensation Committee considers such action is appropriate, decide at any time prior to the Vesting of an Award or the exercise of an Option that the Participant to whom the Award or Option was issued (the "Relevant Participant") shall be subject to Malus and may therefore decide to:

(a) reduce the number of Shares to which the Award or Option relates;

(b) cancel the Award or Option;

(c) impose further conditions on the Award or Option; or

(d) delay the Vesting of the Award or the exercise of an Option if the action or conduct of the Participant, Group Member or relevant business unit is under investigation by the Company, or the Company has been notified by a regulatory authority that an investigation into such action or conduct has been commenced so that the delivery of the Shares in respect of such Award or Option will be delayed until any action or investigation is completed.

5.5.2 The circumstances in Rule 5.5.1 include, but are not limited to:

(a) where there is a material restatement of the financial statements of the Company or any of its Subsidiaries for any of the financial years ending after the grant of such Award or Option. The Compensation Committee will in its sole discretion determine what constitutes a material restatement;

(b) the Group or part of the Group (in respect of which the Relevant Participant has performed any functions or oversight role), in the reasonable opinion of the Compensation Committee, following consultation with the risk committee of the Board, if applicable, suffered a material failure of risk management;

(c) serious reputational damage to the Company, any Group Member or a relevant business unit, where the Compensation Committee forms the view that the conduct of the Relevant Participant contributed to the circumstances leading to such reputational damage; or

(d) the Group or part of the Group (in respect of which the Participant has performed any functions or oversight role) receives notification in writing that it may become subject to any regulatory sanctions, where Compensation Committee forms the view that the conduct of the Relevant Participant contributed to the circumstances leading to such notification.

5.6 **Clawback of Awards or Options**

5.6.1 The Compensation Committee may decide at any time up to the second anniversary of the Vesting of an Award or, in the case of an Option, up to the second anniversary of the date on which that Option first becomes exercisable, that the person to whom the Award or Option was granted (the "Relevant Participant") shall be subject to clawback for any of the following:

(a) there is a material restatement of the financial statements of the Company or any of its Subsidiaries for any of the financial years ending after the grant of such Award or Option. The Compensation Committee will in its sole discretion determine what constitutes a material restatement; or

(b) the financial statements of the Company used in assessing the number of Shares over which the Award or Option was granted were misstated, or that any other information relied on in making such assessment proves to have been incorrect and, in any case, the Award or Option was granted in respect of a greater number of Shares than would have been the case had there not been such a misstatement or reliance on incorrect information or had such error not been made or had such event not occurred; or

(c) the Compensation Committee forms the view that, in assessing the extent to which any Performance Condition and/or any other condition imposed on the Award or Option was satisfied, such assessment was based on an error, or on inaccurate or misleading information or assumptions and that such error, information or assumptions resulted either directly or indirectly in that Award Vesting to a greater degree than would have been the case had that error not been made; or

(d) some or all of the Performance Conditions, which were deemed to have been satisfied in respect of the Award or Option have only been satisfied as a consequence of any direct or indirect manipulation on the part of the Relevant Participant. For the purpose of this Rule, "manipulation" means anything done, without the knowledge of the Compensation Committee, for the Relevant Participant's own personal gain which is unreasonable and not done for the benefit of the Company; or

(e) the Group or part of the Group (in respect of which the Relevant Participant has performed any functions or oversight role), in the reasonable opinion of the Compensation Committee, following consultation with the risk committee of the Board, if applicable, suffered a material failure of risk management; or

(f) the Relevant Participant is found guilty of or pleads guilty to a crime that is related to or damages the business or reputation of the Company or any of its Subsidiaries; or

(g) the Relevant Participant is guilty of serious misconduct or gross negligence, which causes loss or reputational damage to the Company or any of its Subsidiaries; or

(h) the Relevant Participant is in breach of any applicable restrictions on competition, solicitation or the use of confidential information (whether arising out of the Relevant Participant's employment contract, his termination arrangements or any internal policies.

5.6.2 Where the Compensation Committee decides that an Award or Option is subject to Clawback:

(a) the Compensation Committee may require the Relevant Participant to forfeit the right to all or part of the Shares which would, but for the operation of this Rule 5.6, be transferable to Relevant Participant in respect of such Award or Option; and/or

(b) the Compensation Committee may reduce (including, if appropriate, reducing to zero):

(i) the amount of the next bonus (if any) which would, but for the operation of Rule 5.6.1 be payable to the Relevant Participant under any bonus plan operated by any Group Member; and/or

(ii) the extent to which any other subsisting Awards or Options held by the Relevant Participant are to Vest notwithstanding the extent to which any Performance Condition and/or any other condition imposed on such other Awards or Option have been satisfied; and/or

(iii) the extent to which any rights to acquire Shares (including annual incentive deferred into Shares) granted to the Relevant Participant under any share incentive plan (other than the Scheme) operated by the Company vest or become exercisable notwithstanding the extent to which any conditions imposed on such rights to acquire Shares have been satisfied; and/or

(iv) the number of Shares subject to any vested but unexercised Option; and/or

(v) the number of Shares subject to any vested but unexercised right to acquire Shares granted to the Relevant Participant under any share incentive plan (other than the Scheme) operated by any Company in the Group.

5.6.3 Where Shares have been delivered to the Relevant Participant, the Compensation Committee may require the Relevant Participant to transfer to the Company (or as the Company directs) for nil consideration some or all of the Shares delivered to him under the Award or Option, or pay to the Company (or as the Company directs) an amount equal to the value of those Shares (as determined by the Compensation Committee) on such terms as the Compensation Committee may direct (including, but without limitation to, on terms that the relevant amount is to be deducted from the Relevant Participant's salary or from any other payment to be made to the Relevant Participant by any Group Member).

5.6.4 Any reduction made pursuant to Rule 5.6.2(b)(i) and/or Rule 5.6.2(b)(ii) shall take effect immediately prior to the Vesting of the Award or Option or the right vesting or becoming exercisable (as applicable) (or at such other time as the Compensation Committee decides) and any reduction made pursuant to Rule 5.6.2(b)(iii) and/or Rule 5.6.2(b)(iv) shall take effect at such time as the Compensation Committee decides.

5.6.5 Where Rule 5.6.1(e) above applies, the amount and/or such number of Shares to be subject to Clawback shall be such amount and/or such number of Shares as the Compensation Committee decides is appropriate but the amount of the Clawback and/or such number of Shares shall be limited to the net (post-tax) amount of such value.

5.6.6 This Rule may be applied in different ways for different Participants in relation to the same or different events, or in different ways for the same relevant Participant in relation to different Awards or Options.

5.6.7 Without limiting Rule 15, the relevant Participant will not be entitled to any compensation in respect of any adjustment under Rules 5.5 or 5.6, and the operation of Malus or Clawback will not limit any other remedy any member of the Group may have.

5.6.8 Where a relevant Participant is required to return any Shares or to forfeit the right to any Shares under Rule 5.5 or 5.6, such Shares shall be deemed to be forfeitable shares.

5.6.9 The Compensation Committee will notify the relevant Participant of any application of Malus or Clawback under Rule 5.5 or 5.6.

5.6.10 Nothing in Rule 5.5 or 5.6 shall apply to any Award, Option or other incentive granted prior to the date of adoption of this Scheme.

5.6.11 This Rule shall not apply after the Company is subject to a takeover or other corporate event under Rule 9 (provided that the relevant event is not an Internal Reorganisation).

5.7 **Compliance with applicable laws**

The Company may adopt such other malus and clawback policy to the extent necessary or appropriate to comply with all applicable laws, including, without limitation, the Dodd-Frank Wall Street Reform and Consumer Protection Act and any rules, regulations or listing standards promulgated thereunder and all Awards shall be subject to such policy (whether or not such policy was in place at the time of grant of the Award or Option).

5.8 **Substitution, Variation or Waiver of Conditions in respect of Awards or Options to be Granted**

If prior to the grant of an Award or Option, there is introduced, or proposed to be introduced, in any jurisdiction in which any member of the Group does business any industry specific taxation change, including product fees, which impacts, or may impact, upon the calculation of any Performance Condition in respect of any Accounting Period, or part of an Accounting Period, forming part of the Performance Period but did not equivalently impact upon any Performance Condition in respect of the Accounting Period immediately preceding the Performance Period, the Compensation Committee, acting reasonably, may take such action that it thinks appropriate in the adjustment of any part of the Performance Condition calculations or in the substitution, variation or waiver of any condition in respect of Awards or Options to be granted to ensure consistency of comparison in the numbers underlying the calculation of the Performance Condition.

6. GRANT OF OPTIONS

Options may be granted by the Compensation Committee in favour of Eligible Employees in respect of Shares sourced from the Trustee or from the Company with the price payable by the Option Holder on exercise being zero, in the case of Shares sourced from the Trustee, or the aggregate nominal value of the Shares the subject of the Option (which shall be paid by the Group Member which employs the Option Holder or the Trustee, if so agreed, as the case may be), in the case of Shares sourced from the unissued share capital of the Company, with the performance period being the same as the Performance Period and the performance conditions being the same as those applicable to Awards granted under the terms of the Scheme. The provisions of this Scheme which apply to Awards shall also apply to Options with all necessary modifications and changes as determined by the Compensation Committee. All such Options shall be granted on the basis that they shall be exercisable within a period of less than ten years after the Date of Grant (or such shorter period as may be determined on the Date of Grant) where the exercise price is less than the Market Value at the Date of Grant.

7. VESTING OF AWARDS AND OPTIONS

7.1 **Vesting of Awards and Options**

Subject to Rules 8 and 9, an Award may Vest and an Option may become exercisable on such date as may be specified by the Compensation Committee after the date on which the Performance Condition applicable thereto (in its original form or as substituted or varied from time to time), has been satisfied provided that no Award Holder shall be entitled to Vest such Award and no Option Holder entitled to exercise an Option earlier than the third anniversary of the Date of Grant thereof.

The Compensation Committee may adjust the Vesting or exercise dates and limits set out herein and the performance period in its absolute discretion to take account of any change in the Company's accounting period which may occur during the Vesting Period.

7.2 **Award and Option Holders to be employed within the Group**

Except as otherwise provided in Rule 8, an Award may Vest or an Option may be exercised only while the Award Holder or Option Holder is employed within the Group and if he ceases to be employed within the Group, any Award or Option granted to him shall lapse to the extent that it has not Vested or been exercised prior to the date of such cessation.

7.3 **Effect of any Dealing Restriction Period**

If an Award becomes capable of Vesting or an Option capable of exercise during a period when a Dealing Restriction applies, the holder thereof shall not become entitled to receive the Shares nor shall the Trustee or the Company be under any obligation to deliver the Shares until the Dealing Restriction ends notwithstanding any other provision contained in these Rules.

7.4 **Acquisition of Shares for Awards and Options**

7.4.1 The Company may from time to time fund the Trustee as and when the Trustee requires funds to purchase Shares in the market or otherwise;

7.4.2 In circumstances determined by the Compensation Committee, in its absolute discretion, a request may be made to the Trustee to satisfy the obligation to deliver Shares on Award Vesting or Option exercise to any Award Holder or Option Holder (other than an executive director) by the payment to the Award Holder or Option Holder, as the case may be, of a cash payment equal to the aggregate Market Value of the Shares the subject of such Award or Option (the "Net Payment").

7.5 **Post Vesting Holding Period**

The Compensation Committee, in its absolute discretion, may at any time, impose on an Award Holder or Option Holder, as the case may be, the requirement to retain Shares derived from any Award or Option or any Net Payment for such period, and on such conditions as it shall determine in its absolute discretion, provided that in specifying the number of such Shares, or the amount of the Net Payment, to be held, due regard shall be had to the need for such holders to discharge taxation liabilities arising on the Vesting or exercise of any such Award or Option or the receipt of any Net Payment, as the case maybe, and provided further that the Compensation Committee shall be entitled to impose such a requirement on one Award Holder or Option Holder but not on another (a "Retention Restriction"). Unless the Compensation Committee determines otherwise, all Shares (after any sale required to discharge taxation liabilities arising on the Vesting or exercise of any such Award or Option) received by an executive director of the Company in respect of such Award or Option shall be subject to a Retention Restriction of two years commencing on the date of Vesting of such Award or Option.

8. **CESSATION OF EMPLOYMENT**

8.1 Notwithstanding, the provisions of Rules 7.1 and 7.2, if a Participant ceases to be employed by a Group Member before or after his Award is capable of Vesting or Option is capable of exercise, as the case may be, by reason of:

8.1.1 death;

8.1.2 ill health, injury or disability evidenced to the satisfaction of the Company;

8.1.3 redundancy (within the meaning of the Redundancy Payments Acts 1967 to 2022 or any overseas equivalent) if the Company so decides;

8.1.4 retirement, with the agreement of the Company; or

8.1.5 his office or employment being with either a company which ceases to be a Group Member or relating to a business or part of a business which is transferred to a person who is not a Group Member; or

8.1.6 for any other reason, if the Compensation Committee so decides,

his Award or Option shall lapse except to the extent it is already Vested or it Vests as provided in Rule 8.3 or except as the Compensation Committee shall otherwise determine, and such lapse be effective either on (i) the date of cessation of employment with the Group Member or (ii) such other date as shall be determined by the Compensation Committee in its absolute discretion (including, but not limited to, the date on which any post cessation restrictive covenants entered into by the Participant expire).

8.2 Any Option which does not lapse immediately on cessation of employment with the Group Member shall lapse unless exercised by the Participant or by his personal representative within a period of six months (or such other period as determined by the Compensation Committee in its discretion) after: (a) if applicable, the date on which the Option becomes exercisable having been excepted from lapse in accordance with Rule 8.1; or (b) in the case of an Option which was already exercisable on the date of cessation of employment, either (x) the date of cessation of employment with the Group Member, or (y) such other date as shall be determined by the Compensation Committee in its absolute discretion (including, but not limited to, the date on which any post cessation restrictive covenants entered into by the Participant expire), PROVIDED ALWAYS THAT no Option shall be capable of exercise after the expiry of either (i) ten years from the Date of Grant thereof or (ii) such shorter exercise period as was determined on the Date of Grant.

8.3 Subject to Rules 8.4 to 8.6, the number of Shares in respect of which Vesting or exercising may occur shall be determined by the Compensation Committee in its absolute discretion, taking into account:

8.3.1 the extent to which any Performance Condition has been satisfied either (as determined by the Compensation Committee) at the date of cessation of office or employment or at the end of the original Performance Period; and

8.3.2 unless the Compensation Committee determines otherwise, the period of time that has elapsed from the Date of Grant to the date of cessation of office or employment,

and to the extent that an Award does not Vest, or an Option does not become exercisable, in each case in full, the remainder will lapse immediately.

8.4 The Compensation Committee may, at any time prior to the date of eventual exercise, and in its absolute discretion, revoke any determination under Rule 8.1 to permit an Award or Option to continue for any reason including (without limitation) a breach by the Award Holder or Option Holder of any restrictive covenants contained within his or her employment contract or any settlement agreement in respect of termination of his employment or otherwise, in which case the Award or Option shall lapse immediately from the date of such revocation.

8.5 An Award Holder or Option Holder shall not be treated for the purposes of these Rules as ceasing to be employee until such time as he is no longer an employee of any Group Member.

8.6 Where an Award Holder or Option Holder's contract of employment with the Group is terminated:

8.6.1 without notice, such employment shall be deemed to cease on the date on which the termination takes effect;

8.6.2 by a Group Member with a payment in lieu of notice, such employment shall be deemed to cease on the date on which the termination takes effect and shall not to include notice not worked; and

8.6.3 where the said contract is terminated by notice given by a Group Member or by an Award Holder or Option Holder, such employment shall be deemed to cease on the date on which that notice expires.

8.7 **Retention Restriction Release**

The Compensation Committee, in its absolute discretion, may release any Shares or any Net Payment the subject of a Retention Restriction after an Award Holder or Option Holder ceases to be employed for any of the reasons set out in Rule 8.1.

8.8 **Award Holder Relocating Abroad**

Notwithstanding any other provision of these Rules, if it is proposed that an Award Holder or Option Holder (who is not an executive director of the Company), while continuing to be an Eligible Employee, shall work in a country other than the country in which he is currently working and, by reason of such change he:

8.8.1 suffers less favourable tax treatment in respect of his Awards or Options; or

8.8.2 becomes subject to a restriction that impedes or limits the issuance or transfer of the Shares subject to an Award or Option or limits or impedes his ability to hold or deal with such Shares,

his Award or Option, at the discretion of the Compensation Committee, may (i) either Vest or be exercised, as the case may be, in whole or in part, at such time or times as the Compensation Committee shall determine; or (ii) be adjusted in a manner designed to overcome in whole or in part, such treatment or restriction.

9. **TAKEOVER, RECONSTRUCTION, AMALGAMATION OR WINDING UP OF COMPANY**

9.1 **Corporate Events**

Where any of the events described in Rule 9.2 occur, then subject to Rules 10 and 11, Awards and Option will Vest in accordance with Rule 9.3 at the time of such event unless they Vest earlier in accordance with Rule 9.4.2. Subject to Rule 9.3 Options will be exercisable for 30 days from the date of the relevant event described in Rule 9.2, after which all Options will lapse.

9.2 **Relevant Events**

The events referred to in Rule 9.1 are:

9.2.1 **General offer**

If any person (either alone or together with any person Acting in Concert with him)

(a) obtains Control of the Company as a result of making a general offer to acquire Shares; or

(b) already having Control of the Company, makes an offer to acquire all of the Shares other than those which are already owned by him and such offer becomes wholly unconditional.

9.2.2 **Scheme of arrangement**

A compromise or arrangement in accordance with Chapter 1 of Part 9 of the Companies Act 2014 for the purposes of a change of Control of the Company is sanctioned by the Court.

9.2.3 **Winding-up**

On the passing of a resolution for the voluntary winding-up or the making of an order for the compulsory winding up of the Company.

9.3 **Determination of the Compensation Committee**

9.3.1 An Award or Option will Vest pursuant to Rule 9.1 taking into account all factors which the Compensation Committee considers relevant, the extent to which any Performance Condition has been satisfied and, unless the Compensation Committee determines otherwise, the period of time from the Date of Grant to the date of the relevant event. To the extent that an Award or Option does not Vest, or is not exchanged in accordance with Rule 10, it will lapse immediately.

9.3.2 Any reference to the Compensation Committee in this Rule 9 means the members of the Compensation Committee immediately prior to the relevant event which is the subject of this Rule 9.

9.4 **Other Events**

9.4.1 If the Company is or may be affected by a merger with another company, demerger, delisting, special dividend or other event which, in the opinion of the Compensation Committee, may affect the current or future value of Shares:

(a) the Compensation Committee may determine that an Award or Option will Vest or must be exercised conditionally on the event occurring;

(b) if the event does not occur then the conditional Vesting or exercise will not be effective and the Award or Option will continue to subsist;

(c) if an Award or Option Vests under this Rule 9.4, it will Vest taking into account the extent to which any Performance Condition has been satisfied at the date of the relevant event and, unless the Compensation Committee determines otherwise, the period of time from the Date of Grant to the date of the relevant event (or if the event occurs during a post Vesting retention period, to the beginning of the post Vesting retention period); and

(d) to the extent that an Award or Option does not Vest, it will lapse immediately.

The Compensation Committee will then also determine the period during which any Vested Option may be exercised, after which time it will lapse.

9.4.2 If the Compensation Committee determines that there would be any adverse tax consequence if an Award or Option were to Vest on or after an event described in this Rule 9, then the Compensation Committee may resolve that Awards will Vest on an earlier date.

9.5 **Discretion of Compensation Committee**

In determining the basis of Vesting or exercise of Awards or Options, as the case may be, in the circumstances set out in Rules 9.1 to 9.4 or the release of a Retention Restriction in respect of Shares derived from Awards or Options or a Net Payment, the Compensation Committee, acting fairly and reasonably, may take such actions as it considers fair in the circumstances.

10. EXCHANGE OF AWARDS AND OPTIONS ON TAKEOVER OF COMPANY

10.1 An Award will not Vest or an Option will not become exercisable under Rule 9 but will be exchanged on the terms set out in Rule 10 to the extent that:

(a) an offer to exchange the Award (the "Existing Award") or Option (the "Existing Option") is made and accepted by a Participant;

(b) there is an Internal Reorganisation; or

(c) the Compensation Committee decides (before the event) that an Existing Award or Existing Option will be exchanged automatically.

10.2 If Rule 10.1 applies, the Existing Award will not Vest or Existing Option will not become exercisable but will be exchanged in consideration of the issue of a new award (the "New Award") or new option (the "New Option") which, in the opinion of the Compensation Committee, is equivalent to the Existing Award or Existing Option, but relates to shares in a different company (whether the acquiring company or a different company) ("New Shares").

10.3 The New Award or New Option shall not be regarded for the purposes of this Rule 10 as equivalent to the Award or the Option unless:

10.3.1 save for any condition imposed under Rule 5.1, the New Award or the New Option shall Vest or be exercised, as the case may be, in the same manner as the Award and the Option and subject to the same provisions of the Scheme as it had effect immediately before the release of the Award or Option, as the case may be;

10.3.2 the aggregate Market Value of the shares which are the subject of the New Award or the New Option is the same as the maximum possible amount which would have been received where the Award or Option become exercisable in its entirety; and

10.3.3 the total amount payable by the Award Holder or the Option Holder for the acquisition of the New Shares under the New Award or the New Option, as the case may be, is as nearly as may be equal to the total amount that would have been payable by the Award Holder or the Option Holder for the acquisition of the Shares under the Award or the Option, as the case may be.

10.4 The date of grant of the New Award or New Option shall be deemed to be the same as the Date of Grant of the Award or the Option, as the case may be.

10.5 In the application of the Scheme to the New Award or the New Option, where appropriate, references to "Company" and "Shares" shall be read as if they were references to the company to whose shares the New Award or New Option, as the case may be, relates and the New Shares respectively, save that in the definition of "Committee" the reference to "Company" shall be read as if it were a reference to Flutter Entertainment plc.

11. LAPSE OF AWARDS AND OPTIONS

In addition to any other Rule providing for lapsing, an Award or Option shall lapse on the earliest of:

11.1 subject to Rules 8.1 and 8.2, the date specified in the Award Notification or Option Notification for lapsing;

11.2 the Compensation Committee determining that any condition imposed under Rule 5.1 has not been satisfied in relation to the Award or Option and can no longer be satisfied either in whole or in part; and

11.3 the date on which a resolution is passed or an order is made by the court for the compulsory winding up of the Company.

12. SHARES TRANSFERRED/ISSUED ON VESTING

12.1 Rights attaching to Shares

Prior to Vesting or exercise an Award Holder or Option Holder, as the case may be, shall have no right over or in respect of any Shares which are capable of being acquired or held for the benefit of the Award Holder or Option Holder under the relevant Award or Option. On the Vesting of an Award or exercise of an Option, the relevant Shares shall, as to voting, dividend and other rights, including those arising on a liquidation of the Company, rank equally in all respects and as one class with the Shares in issue at the date of such Vesting and the Award Holder or Option Holder, as the case may be, shall be entitled to all rights attaching to such Shares arising by reference to a record date after the date of Vesting or exercise.

12.2 Dividend Equivalents

Subject to Rule 12.3, upon the Vesting of an Award or part thereof in respect of Shares sourced from the Trustee an Award Holder shall be entitled to receive such number of additional Shares, calculated by the Company (in its absolute discretion), by dividing the amount of dividends which would have been paid on a dividend payment date in respect of the number of Shares which are Vesting in the period commencing on the Date of Grant of such Award and ending on the day prior to Vesting by the price of a Share on the Official List (or equivalent such record) of the Stock Exchange at the close of business on the relevant dividend payment day. If there are more than one dividend payment days in the period, the

number of Shares shall be the aggregate of such calculations (the "Dividend Shares"). The Dividend Shares shall form part of the Award for all purposes and be subject to the terms and conditions set out in these Rules as if they formed part of the Award ab initio. The entitlement to Dividend Shares shall only arise upon the Vesting of the original Award of which they form part and the Award Holder shall have no right or interest of any kind in respect of these Shares unless and until the Vesting of the original Award occurs. If an Award shall Vest in part the number of Dividend Shares the Award Holder shall receive shall be reduced so that the Dividend Shares received shall bear the same proportion to the total number of Dividend Shares as the proportion that the Award that Vests bears to the entire Award.

Upon the Vesting of an Award, or part thereof, in respect of Shares sourced from the unissued share capital of the Company, the Compensation Committee, in its absolute discretion, may determine to procure that the Board shall allot such additional number of Shares as shall equal the entitlement to Dividend Shares that would have been transferred to the Award Holder had he received an Award or Shares sourced from the pool of Shares held by the Trustee.

An Option Holder shall be entitled to Dividend Shares on the same basis as an Award Holder with the calculation of the amount of his dividend entitlement being based on the amount of dividends that would have been payable on the Shares the subject of the Option in the period commencing on the Date of Grant and ending on the earliest date the relevant Options could have been exercised had such Shares been in issue.

12.3 **Exclusion**

The automatic entitlement of an Award Holder to Dividend Shares under the provisions of Rule 12.2 shall not apply to Dividend Shares that may be funded from any special or exceptional dividend payable by the Company and, in such circumstances, the Compensation Committee shall determine, in its absolute discretion, whether or not a Dividend Share entitlement shall arise.

For the avoidance of any doubt, the proceeds payable to the Trustee in respect of any repurchase by the Company of Shares from the Paddy Power Betfair Employee Benefit Trust are not within the remit of Rule 12.2.

13. ADJUSTMENT OF AWARDS AND OPTIONS ON REORGANISATION AND EXERCISE OF DISCRETION

13.1 **Power to adjust Awards and Option**

The number of Shares subject to an Award or an Option and/or any Performance Condition applicable thereto may be adjusted in such manner as the Compensation Committee determines, in the event of:

(a) any variation of the share capital of the Company; or

(b) a merger with another company, demerger, delisting, special dividend, rights issue or other event which may, in the opinion of the Compensation Committee, affect the current or future value of Shares.

13.2 **Notification of Award Holders and Option Holder**

The Compensation Committee shall, as soon as reasonably practicable, notify each Award Holder and Option Holder of any adjustment made under this Rule 13. The Compensation Committee may call in for endorsement or cancellation and re-issue of any Award Notification or Option Notification in order to take account of such adjustment.

13.3 **Exercise of Discretion**

Any decision to exercise a discretion provided for in any of Rules 2, 5, 7 and 8 in respect of a Participant, who is not an executive director of the Company, may be made by a person or persons duly authorised by the Compensation Committee.

14. DEDUCTIONS

14.1 **Withholding Tax and Social Security Deductions**

Where, in relation to an Award or Option granted under the Scheme, the Compensation Committee, the Trustee, the Company or any Group Member (as the case may be) is liable, or is in accordance with current practice believed by the Compensation Committee, the Trustee or the Company to be liable, to account to any revenue or other authority for any sum in respect of any tax or social security liability of the Award Holder or Option Holder (a "Relevant Liability"), neither the Trustee nor the Company, as appropriate, shall be under any obligation to acquire Shares for the benefit of the Award Holder or Option Holder or transfer or issue Shares, as appropriate, to the Award Holder or Option Holder unless the Award Holder or Option Holder, as the case may be, has paid to the Trustee, the Company or the member of the Group (as the case may be) an amount sufficient to discharge the liability.

In addition, any Group Member and/or the Trustee shall have the discretion to retain sufficient of the Shares the subject of any Award or Option to ensure that any liability to taxation or otherwise of the Award Holder or Option Holder or the Company or Group Member or the Trustee in respect of the receipt by any such holder of such Shares is capable of discharge.

14.2 **Indemnity**

Each Award or Option shall be granted on terms that the Participant agrees to indemnify and keep indemnified the Company and any Group Member and any other relevant person to the extent permitted by law in respect of any Relevant Liability, and that upon Vesting of an Award or exercise of an Option the provisions of Rule 14 shall apply (and for this purpose a company in the Group includes a company that has been a Group Member).

14.3 **Acceptance and signing of Award/Option Notification by Award/Option Holder**

The Compensation Committee may require an Award Holder or Option Holder to accept or sign a copy of the Award Notification or Option Notification or some other document in order to bind himself contractually to any such arrangement as is referred to in this Scheme (including the application of Clawback in respect of them) and return the accepted/signed document to the Company by a specified date. Failure to return the accepted/signed document by the specified date shall cause the Award or Option to lapse.

15. LEGAL ENTITLEMENT

15.1 This Rule 15 applies during a Participant's employment with any Company in the Group and after the termination of such employment, whether or not the termination is held to be lawful.

15.2 This Rule 15 shall apply irrespective of whether the Compensation Committee has discretion in the operation of the Scheme, or whether the Company or the Compensation Committee could be regarded as being subject to any obligations in the operation of the Scheme.

15.3 Nothing in the Scheme or its operation forms part of the terms of employment of a Participant and the rights and obligations arising from a Participant's employment with any Company in the Group are separate from, and are not affected by, his participation in the Scheme.

15.4 Awards or Options will not (except as may be required by taxation law) form part of the emoluments of any Participant or count as wages or remuneration for pension or other purposes.

15.5 Nothing in the Scheme or its operation will confer on any person any right to continue in employment and neither will it affect the right of any Group Member to terminate the employment of any person without liability at any time (with or without cause) or impose upon the Compensation Committee or any other person any duty or liability whatsoever in connection with:

15.5.1 the lapsing of any Award or Option pursuant to the Scheme;

15.5.2 the failure or refusal to exercise any discretion under the Scheme; or

15.5.3 a Participant ceasing to hold office or employment for any reason whatsoever.

15.6 The issue of any Award or grant of an Option to a Participant does not create any right for that Participant to be issued any further Awards/Options or to be issued Awards/Options on any particular terms, including the number of Shares to which Awards/Option relate whether under this Scheme or any other scheme.

15.7 Participation in the Scheme is permitted only on the basis that the Eligible Employee accepts all the provisions of these Rules, including in particular this Rule 15. By participating in the Scheme, a Participant waives all rights to compensation for any loss in relation to the Scheme, including:

15.7.1 any loss of office or employment;

15.7.2 any loss or reduction of any rights, benefits or expectations in relation to the Scheme in any circumstances or for any reason, including lawful or unlawful termination of the Participant's employment;

15.7.3 any exercise of a discretion or a decision taken in relation to an Award or to the Scheme, or any failure to exercise a discretion or take a decision;

15.7.4 the operation, suspension, termination or amendment of the Scheme.

15.8 Each of the provisions of each Rule of the Scheme is entirely separate and independent from each of the other provisions of each Rule. If any provision is found to be invalid then it will be deemed never to have been part of the Rules and to the extent that it is possible to do so, this will not affect the validity or enforceability of any of the remaining provisions of the Rules.

15.9 No representation or guarantee is given in respect of the future value of the Shares which are the subject of any Awards. Each Award is made on the basis that the Participant accepts that such value is unknown, indeterminable and cannot be predicted with certainty. Furthermore, the issue of an Award or grant of an Option shall in no way affect the Company's right to adjust, reclassify, reorganise or otherwise change its capital or business structure or to merge, consolidate, dissolve, liquidate or sell or transfer all or any part of its business or assets.

15.10 No Group Member shall be liable for any foreign exchange rate fluctuation between the Participant's local currency and the euro that may affect the value of the Award or Option or of any amounts due to the Participant pursuant to the vesting of the Award or the subsequent sale of any Shares acquired upon Vesting and/or settlement.

The jurisdiction agreement contained in this Rule 21 is made for the benefit of the Company only, which accordingly retains the right to bring proceedings in any other court of competent jurisdiction. By accepting the grant of an Award or Option and not renouncing it, an Award Holder or Option Holder, as the case may be, is deemed to have agreed to submit to such jurisdiction.

22. **ARBITRATION**

2. ADDITIONAL RULES

2.1 With respect to Awards and Options granted to US Taxpayers, the Scheme is intended to comply with the applicable requirements of Section 409A and shall be limited, construed and interpreted in accordance with such intent. To the extent that any Award or Option granted to a US Taxpayer is subject to Section 409A (as opposed to being exempt from Section 409A), it shall be paid in a manner that will comply with Section 409A. Notwithstanding anything herein to the contrary, any provision in the Rules applicable to Awards or Options granted to a US Taxpayers that is inconsistent with Section 409A shall be deemed to be amended to comply with Section 409A and to the extent such provision cannot be amended to comply therewith, such provision shall be null and void. The Compensation Committee may amend the Rules or any Award Certificate at any time without a US Taxpayer's consent to comply with applicable law including Section 409A. The Company shall have no liability to a US Taxpayer, or any other party, if an Award or Option that is intended to be exempt from, or compliant with, Section 409A is not so exempt or compliant or for any action taken by the Compensation Committee, the Board or the Company and, in the event that any amount or benefit under the Scheme becomes subject to penalties under Section 409A, responsibility for payment of such penalties shall rest solely with the affected US Taxpayers and not with the Company. Notwithstanding any contrary provision in the Rules or any Award Certificate issued to a US Taxpayer, any payment of "nonqualified deferred compensation" (within the meaning of Section 409A) that is otherwise required to be made under the Scheme to a US Taxpayer that is a "specified employee" (as defined under Section 409A) as a result of such US Taxpayer's separation from service (other than a payment that is not subject to Section 409A) shall be delayed for the first six (6) months following such separation from service (or, if earlier, the date of death of such US Taxpayer) and shall instead be paid (in a manner set forth in the Award Certificate) upon expiration of such delay period.

2.2 The Compensation Committee may adopt, amend and terminate such arrangements and grant such Awards or Options to US Taxpayers, not inconsistent with the intent of the Scheme, as it may deem necessary or desirable to comply with Section 409A. The terms and conditions of such Awards and Options may vary from the terms and conditions that would otherwise be required by the Rules solely to the extent the Compensation Committee deems necessary for such purpose.

2.3 Options may be granted to US Taxpayers in accordance with the Scheme and may have such exercise price as determined by the Compensation Committee at the time of grant. To the extent that an Option is granted to a US Taxpayer with an exercise price that is less than 100% of the fair market value of a Share at the time of grant, any such Option shall be designed by the Compensation Committee at the time of grant either (i) to require exercise within the Short-Term Deferral Period so that such Option exercise will be exempt from Section 409A under the Short-Term Deferral Exemption, or (ii) to require exercise upon the occurrence of a permissible payment event under Section 409A so that such Option exercise will comply with the payment timing requirements under Section 409A.

2.4 The Shares underlying any Option granted to a US Taxpayer will in all instances constitute "service recipient stock," and will be transferred by the Company that is, with respect to such US Taxpayer, an "eligible issuer of service recipient stock" for purposes of Section 409A.

2.5 Notwithstanding anything contained in the Rules to the contrary, the exercise period for any Option granted to a US Taxpayer may not be extended beyond the original exercise period established for such Option at the time of grant.

2.6 Awards other than Options granted under the Scheme to US Taxpayers shall be designed by the Compensation Committee at the time of grant either (i) to require payment or the release of Shares within the Short-Term Deferral Period (or pursuant to any other exemption from Section 409A) so that such payment or release of Shares will be exempt from Section 409A under the Short-Term Deferral Exemption, or (ii) to require payment or the release of Shares upon the occurrence of a permissible payment event under Section 409A so that such payment or release of Shares will comply with the payment timing requirements under Section 409A.

2.7 No setoffs or deductions against any amounts owed to a US Taxpayer by a Group Member may be made hereunder to satisfy the clawback contemplated by Rule 5.5 to the extent that such setoff or deduction would result in adverse tax consequences to the US Taxpayer under Section 409A.

2.8 To the extent that any exchange or adjustment of an Award or Option occurs under Rule 10 or Rule 13, respectively, the terms and conditions of any New Award or New Option (or any adjusted Award or Option, as applicable) shall not modify the timing and schedule of payments applicable to the corresponding original Award or Option prior to such exchange or adjustment or otherwise result in any change to the terms and conditions applicable under the corresponding original Award or Option prior to such exchange or adjustment if such modification or change would result in adverse tax consequences to a US Taxpayer under Section 409A. For purposes of the exchange or adjustment of any Option granted to any US Taxpayer, any such exchange or adjustment shall comply with the requirements of U.S. Treasury Regulation Section 1.424-1 (and any amendment thereto).

2.9 Awards and Options granted under the Scheme to a US Taxpayer constitute unsecured promises by the Company or other Group Member to pay benefits in the future. US Taxpayers holding such Awards or Options shall have the status of general unsecured creditors of the Company or such other Group Member. Each Group Member shall be solely responsible for payment of the benefits of its employees and their beneficiaries. Benefits covered under this Appendix 1 are unfunded for US federal tax purposes. Any amounts set aside to defray the liabilities assumed by the Company or other Group Member shall remain the general assets of the Company or such Group Member, and shall remain subject to the claims of the Company's or such Group Member's creditors until such amounts are distributed to Participants.

3. SECURITIES LAW COMPLIANCE

3.1 Notwithstanding any provision of the Scheme or any Option Certificate or Award Certificate to the contrary (but subject to Rule 3.3 below), (i) no Option or Award shall be granted and no Share shall be delivered or sold to a US Taxpayer unless such grant, delivery and sale is in compliance with US federal securities laws and any applicable US state securities laws, and (ii) Shares acquired by a US Taxpayer pursuant to the exercise of Options or settlement of Awards may only be resold in compliance with the registration requirements or an applicable exemption from the registration requirements of the US Securities Act of 1933, as it may be amended from time to time.

3.2 Notwithstanding any provision of the Scheme or any Option Certificate or Award Certificate to the contrary, Awards and Options granted to a Participant who is a California Participant on the Date of Grant shall be subject to the following additional limitations, terms, and conditions, which for purposes of compliance with California Securities Law only shall be deemed to be a separate plan maintained solely for California Participants:

(a) except to the extent otherwise provided under Rule 3.3 of this Appendix 1, each Award and Option shall be granted in accordance with Rule 701;

(b) Awards and Options may not be granted more than ten (10) years after the date on which the Scheme is adopted or the date on which the Scheme is approved by the issuer's security holders, whichever is earlier;

(c) in the event of the termination of a California Participant's employment with each Group Member due to the California Participant's death or incapacity, (i) each Option held by such California Participant as of the date of such termination, to the extent that on such date (A) such Option is vested and (B) the Market Value of the Shares underlying such Option exceeds the exercise price of such Option on such date, shall be automatically exercised on a cashless basis on the date of such termination, and (ii) all other Options held by such California Participant, to the extent not automatically exercised as provided herein, shall immediately lapse and automatically be cancelled and cease to have any further legal force or effect whatsoever;

(d) the rights of a California Participant to acquire Shares under the Scheme shall be non-transferable except to the extent of a transfer by will, laws of descent and distribution, to a revocable trust, or as permitted by Rule 701;

(e) the number of Shares issuable under an Award or Option shall be proportionately adjusted in the event of a stock split, reverse stock split, stock dividend, recapitalization, combination, reclassification or other distribution of the Company's equity securities without the receipt of consideration by the Company of or on the Shares; and

(f) the number of California Participants may not exceed 35 unless the Scheme is approved by holders of a majority of the outstanding securities of the Company entitled to vote within twelve (12) months of the issuance of Shares under the Scheme in California.

3.3 In lieu of meeting the requirements set forth under Rule 3.2 of this Appendix 1, Awards and Options may be granted under the Scheme to any California Participant in accordance with any other registration exemption permitted under California Securities Law or by qualification under such law or compliance with applicable registration requirements, subject to such conditions as required by such law.

2. **Issue of Awards**

2.1 Subject to any Dealing Restrictions and any other applicable laws or regulations in any jurisdiction, an Award may be issued to an Eligible Employee during an Issue Period.

2.2 Notwithstanding Rule 2.1, an Award may be issued at any other time when the Compensation Committee considers that circumstances are sufficiently exceptional to justify it being made outside an Issue Period.

2.3 Subject to the provisions of these Rules, the Eligible Employees to whom Awards are to be issued shall be determined by the Compensation Committee in its absolute discretion. All Awards shall be issued subject to the Rules and upon such other additional terms as the Compensation Committee may determine.

2.4 An Award shall be issued by the issue of an Award Notification.

2.5 Unless the Compensation Committee shall determine otherwise, an Award Notification shall contain:

(a) the Award Date of the Award which shall be either the date specified on the Award Notification (in which case such date may not be earlier than the date the Compensation Committee shall have resolved to issue the Award) or, if not specified, the date on which the Award Notification is executed/accepted (the "**Award Date**");

(b) the number of the Shares subject to the Award;

(c) a statement of:

(i) the Performance Conditions, if any, applicable to the Award; or

(ii) in the case of a Consolidated Award, either:

(A) the Performance Conditions, if any, applicable to the Award; or

(d) the date or dates on which the Award or parts of an Award may Vest (where applicable, in in respect of each Performance Period) and, in the case of a Nil-Cost Option, the period or periods during which the Nil-Cost Option or part of a Nil-Cost Option may be exercised;

(f) a statement that, until the Vesting of the Conditional Award or exercise of the Nil-Cost Option, the Participant shall not have any rights over or in respect of the Shares specified in the Conditional Award or the Nil-Cost Option;

(g) any Retention Restriction that shall apply to any Shares derived from the Award; and

(h) any other conditions which the Compensation Committee shall have specified in respect of the issue of the Award.

2.6 No price shall be payable by a Participant upon the grant or Vesting of an Award or grant or exercise of a Nil-Cost Option, as the case may be, where the Shares which are the subject of the Award or Nil-Cost Option are sourced from the pool of Shares held by the Trustee. Upon the Vesting of an Award or exercise of a Nil-Cost Option in respect of Shares sourced from the Company, the Group Member which employs the Participant or Option Holder or the Trustee, if so agreed, as the case may be, shall pay to the Company such price as is at least equal to the aggregate nominal value of the Shares the subject of the Award.

2.7 No Award may be issued under the Plan after the tenth anniversary of the Adoption Date. This shall not apply to a Nil-Cost Option which is granted on the Vesting of a Conditional Award granted before the expiry of the tenth anniversary of the Adoption Date.

3. **Limit on Number of Shares to be the subject of Awards under this Plan**

3.1 **General**

The number of Shares which may be the subject of Awards shall be limited as set out in this Rule 3. For the purpose of Awards granted under this Plan, Shares may be sourced from the pool of Shares held by the Trustee or, as determined by the Compensation Committee, by the issue of new Shares by the Company (which shall include treasury shares held by the Company). As Shares held by the Trustee will be sourced from market purchases and are non-dilutive, only Awards sourced from the issue of Shares by the Company will count for the purpose of the limits set out in the remainder of this Rule. The Compensation Committee may decide to change the way in which it is intended that an Award granted as a Nil-Cost Option may be satisfied after it has been granted, having regard to the provisions of Rule 3.2.

3.2 **10% and 5% Limits**

Subject to the provisions as to Adjustment of Awards in Rule 14 in the ten years preceding any given day, the aggregate number of Shares in the Company committed for issue under:-

(a) all share plans operated by the Company shall not exceed 10 per cent of the shares in issue immediately prior to that day; and

(b) this Plan and all other discretionary executive incentive share plans shall not exceed 5 per cent of the Shares in issue immediately prior to that day.

3.3 **Computation**

For the purpose of the limits contained in this Rule 3:

(a) any Shares committed for issue under an Award shall be taken into account once only by reference to the date when the Award is made;

(b) treasury shares used to settle the Vesting of a Conditional Award or the exercise of aNil-Cost Option shall count as newly issued Shares until such time as guidelines published by institutional investor representative bodies recommend otherwise;

(c) the limits shall count and apply to any Awards and Shares committed for issue under any Award granted under any sub plan created under Rule 16.4;

(d) no account shall be taken of any Shares where the right to receive such Shares has been or is to be satisfied other than by the issue or allotment of any part of the share capital of the Company (including, without limitation, by the transfer of existing shares or by cash);

(e) there shall be disregarded any Shares subject to a Conditional Award orNil-Cost Option which have lapsed, been renounced or refused or otherwise become incapable of Vesting;

(f) Shares issued by the Company to holders of awards under any share based incentive scheme of Betfair or its subsidiaries: (i) in satisfaction of any right to acquire Shares granted to such persons in replacement of such awards at the time of and in connection with the merger of the Company and Betfair; and (ii) pursuant to the articles of association of Betfair as amended in connection with the merger of the Company and Betfair, shall be disregarded as shall any Shares delivered to such award holders by any trustee holding Shares for the benefit of former employees of Betfair or its subsidiaries; and

(g) there shall be disregarded any shares issued by Betfair under any Betfair share based incentive scheme of Betfair or its subsidiaries during the ten year period preceding any Award Date.

3.4 **Individual Limits**

Except in the case of a Buy-out Award, no Participant may be granted Awards which would, at the time they are granted, cause the value of all the Shares subject to Awards granted under this Scheme to that Participant to exceed (a) in a particular calendar year, in aggregate, 1600% of his Base Salary at the time of grant and (b) in respect of the maximum value of Shares that may in the ordinary course Vest in a particular calendar year, 400% of his Base Salary at the time of grant. For the avoidance of doubt, Shares which are the subject of an Award will be valued based on their Market Value.

4. **Performance Conditions**

4.1 Unless the Compensation Committee determines otherwise, the Vesting of Awards will not be subject to the satisfaction of a Performance Condition.

4.2 When issuing any Award, the Compensation Committee may determine that Performance Conditions shall apply to all or part of the Award and in doing so shall specify the Performance Conditions which must be satisfied before the Award can Vest. Subject to Rules 11 and 12, any Performance Condition will be measured over the Performance Period.

4.3 Where the Award is subject to Performance Conditions and circumstances arise which cause the Compensation Committee to consider that:

(a) a substituted or amended Performance Condition would be more appropriate and/or the Compensation Committee considers that any Performance Condition is no longer appropriate or fair to Eligible Employees (e.g. due to the imposition of industry specific taxation changes including product fees); or

(b) the level of Vesting resulting from the application of the Performance Condition and/or any other conditions is not a fair and accurate reflection of the performance of the Company, the Group or any Group Member(s); and/or

(c) the level of Vesting resulting from the application of the Performance Condition and/or any other conditions is not a fair and accurate reflection of the performance of the Participant; and/or

(d) there is any other factor or there are any other circumstances which would make the level of Vesting resulting from the application of the Performance Condition and/or any other conditions inappropriate without adjustment;

it may substitute, vary or waive the Performance Condition in such manner as:

(i) is reasonable in the circumstances; and

(ii) (in the case of a new Performance Condition) is neither materially more nor less difficult to satisfy;

so that the relevant Award shall then take effect subject to the Performance Condition as so substituted, varied or waived and/or the level of Vesting of the relevant Award shall be thereby adjusted upwards or downwards (including for the avoidance of doubt to nil) by the application of the Performance Condition as so substituted, varied or waived.

4.4 Where the Award is subject to Performance Conditions and subject to Rules 11 and 12, the Participant shall receive all or part of the Shares which are the subject of the Award depending on the extent to which the Compensation Committee determines that the Performance Conditions have been satisfied in respect of such Award (or part thereof). The Compensation Committee shall make such determination as soon as reasonably practicable after the end of the Performance Period relating to an Award which is subject to the satisfaction of a Performance Condition (or part thereof). To the extent that an Award does not Vest in full, the remainder will lapse immediately.

5. **Restrictions on Transfer and Bankruptcy**

5.1 An Award shall not be capable of being transferred, charged or otherwise alienated (except in the event of the Participant's death, to his personal representatives), without the prior approval, in writing, of the Compensation Committee, and shall lapse immediately if the Participant purports to transfer, charge or otherwise alienate the Award without such approval. All of the terms of this Plan shall apply to any Award so transferred, charged or alienated.

5.2 An Award will lapse immediately if the Participant is declared bankrupt or enters into a compromise with his creditors generally.

6. **Dividend Equivalents**

6.1 Prior to the Vesting of a Conditional Award or so long as aNil-Cost Option remains unexercised, a Participant will have no rights (including any voting rights, dividend paid or other distributions that may be made) in respect of the Shares subject to his Conditional Award or Nil-Cost Option.

6.2 Subject to Rule 6.5, upon the Vesting of an Award, or part of, in respect of Shares sourced from the Trustee, the Participant shall be entitled to receive such number of additional Shares, calculated by the Company (in its absolute discretion), by dividing the amount of dividends which would have been paid on a dividend payment day in respect of the number of Shares which are vesting in the period commencing on the Award Date of such Award and ending on the day prior to Vesting by the price of a Share on the Official List (or equivalent such record) of the Stock Exchange at the close of business on the relevant dividend payment day. If there are more than one dividend payment days in the period, the number of Shares shall be the aggregate of such calculations (the "**Dividend Shares**"). The Dividend Shares shall form part of the Award for all purposes and be subject to the terms and conditions set out in these Rules as if they formed part of the Award ab initio. The entitlement to Dividend Shares shall only arise upon the Vesting of the original Award of which they form part and the Participant shall have no right or interest of any kind in respect of these Shares unless and until the Vesting of the original Award occurs. If an Award shall Vest in part the number of Dividend Shares the Participant shall receive shall be reduced so that the Dividend Shares received shall bear the same proportion to the total number of Dividend Shares as the proportion that the Award that Vests bears to the entire Award.

6.3 Upon the Vesting of an Award, or part of, in respect of Shares sourced from the unissued share capital of the Company, the Compensation Committee, in its absolute discretion, may determine to procure that the Board shall allot such additional number of Shares as shall equal the entitlement to Dividend Shares that would have been transferred to the Participant had he received an Award or Shares sourced from the pool of Shares held by the Trustee.

6.4 A Participant holding a Nil-Cost Option shall be entitled to Dividend Shares on the same basis as the holder of an Award with the calculation of the amount of his dividend entitlement being based on the amount of dividends that would have been payable on the Shares the subject of the Nil-Cost Option in the period commencing on the Award Date and ending on the earliest date the relevantNil-Cost Options could have been exercised had such Shares been in issue.

6.5 The entitlement of a Participant to Dividend Shares under the provisions of Rule 6.2 shall not apply to Dividend Shares that may be funded from any special or exceptional dividend payable by the Company and, in such circumstances, the Compensation Committee shall determine, in its absolute discretion, whether or not a Dividend Share entitlement shall arise.

6.6 For the avoidance of any doubt, the proceeds payable to the Trustee in respect of any repurchase by the Company of Shares from the Paddy Power plc Employee Benefit Trust are not within the remit of Rule 6.2.

7. **Vesting and Exercise**

7.1 Subject to Rules 9, 11 and 12, a Conditional Award will Vest:

(a) on the Normal Vesting Date; or

(b) if on the Normal Vesting Date (or on any other date on which a Award is due to Vest under Rule 11 or 12) a Dealing Restriction applies to the Award, on the date on which such Dealing Restriction lifts.

7.2 In relation to an Award in the form of a Conditional Award, at any time prior to the Vesting of that Award, the Compensation Committee may determine that no Shares shall be transferred to the Participant and if it does, it shall:

(a) grant a Nil-Cost Option which shall be exercisable in respect of such number of Shares as is equal to the number of Shares which were the subject of the Conditional Award, together with any additional Shares or cash to which a Participant becomes entitled under Rule 6. If the Participant is tax resident in Ireland at the Award Date, such Nil-Cost Option shall not be capable of being exercised after the seventh anniversary of the Award Date. In all other cases, such Nil-Cost Option shall not be capable of being exercised after the tenth anniversary of the Award Date; or

(b) pay the Cash Equivalent to the Participant as provided for in Rule 10.

7.3 The Vesting of a Conditional Award, the exercise of a Nil-Cost Option, the transfer of Shares and the sale of such Shares under this Plan will be subject to obtaining any approval or consent required by any relevant authority, any Dealing Restrictions and any other applicable laws or regulations in any jurisdiction.

7.4 Except as otherwise provided in Rule 11, a Conditional Award may Vest or aNil-Cost Option may be exercised only while the Participant is employed by a Group Member and if he ceases to be employed by a Group Member, any Conditional Award or Nil-Cost Option granted to him shall lapse to the extent that it has not Vested prior to the date of such cessation.

7.5 Subject to Rules 9 and 10 where Shares are to be delivered to a Participant as a consequence of the Vesting of a Conditional Award or the exercise of a Nil-Cost Option, the Shares may be:

(a) new Shares issued by the Company and the Trustee may fund the payment of the issue price of such Shares (which shall not be less than the nominal value of the Shares) using funds in the Employee Benefit Trust;

(b) treasury Shares reissued for nil consideration by the Company; or

(c) existing Shares which will be transferred by the Trustee to the Participant and the Company or another Group Member may fund the purchase of such Shares,

and the relevant Shares shall be delivered to the Participant in such manner as the Compensation Committee may in its discretion determine, including but not limited to procuring the issue of DIs representing the relevant Shares to the Participant or its nominee(s) and/or making arrangements for the relevant Shares to be held on behalf of the Participant in any securities settlement system to which the Shares are eligible for admission from time to time. In each case the Shares shall be delivered to the Participant within 30 days of the Vesting of a Conditional Award or the exercise of a Nil-Cost Option.

7.6 The Company may from time to time fund the Trustee as and when the Trustee requires funds to purchase Shares in the market or otherwise.

7.7 The Compensation Committee, in its absolute discretion, may at any time, impose on a Participant, as the case may be, the requirement to retain Shares derived from any Award for such period, and on such conditions as it shall determine in its absolute discretion, provided that in specifying the number of such Shares to be held, due regard shall be had to the need for such Participant to discharge taxation liabilities arising on the Vesting or exercise of any such Award and provided further that the Compensation Committee shall be entitled to impose such a requirement on one Participant but not on another (a "**Retention Restriction**").

8. **Malus and Clawback**

8.1 **Malus**

(a) Notwithstanding any other Rule of the Plan, the Compensation Committee may, in its absolute discretion and in circumstances in which the Compensation Committee considers such action is appropriate, decide at any time prior to the Vesting of an Award that the Participant to whom the Award was issued (the "**Relevant Participant**") shall be subject to Malus and may therefore decide to:

(i) reduce the number of Shares to which an Award relates;

(ii) cancel an Award;

(iii) impose further conditions on an Award; or

(iv) delay the Vesting of the Award if the action or conduct of the Participant, Group Member or relevant business unit is under investigation by the Company, or the Company has been notified by a regulatory authority that an investigation into such action or conduct has been commenced so that the delivery of the Shares in respect of such Award will be delayed until any action or investigation is completed.

(b) The circumstances in Rule 8.1(a) include, but are not limited to:

(i) where there is a material restatement of the financial statements of the Company or any of its Subsidiaries for any of the financial years ending after the grant of such Award. The Compensation Committee will in its sole discretion determine what constitutes a material restatement;

(ii) the financial statements of the Company used in assessing the number of Shares over which the Award was granted were misstated, or that any other information relied on in making such assessment proves to have been incorrect and, in any case, the Award was granted in respect of a greater number of Shares than would have been the case had there not been such a misstatement or reliance on incorrect information or had such error not been made or had such event not occurred;

(iii) the Compensation Committee forms the view that in assessing the extent to which any Performance Condition and/or any other condition imposed on the Award was satisfied such assessment was based on an error, or on inaccurate or misleading information or assumptions and that such error, information or assumptions resulted or would result either directly or indirectly in that Award Vesting to a greater degree than would have been the case had that error not been made;

(iv) some or all of the Performance Conditions, which were deemed to have been satisfied in respect of the Award have only been satisfied as a consequence of any direct or indirect manipulation on the part of the Relevant Participant. For the purpose of this Rule, "manipulation" means anything done, without the knowledge of the Compensation Committee, for the Relevant Participant's own personal gain which is unreasonable and not done for the benefit of the Company;

(v) the Relevant Participant is guilty of serious misconduct, gross negligence or fraud;

(vi) the Group or part of the Group (in respect of which the Relevant Participant has performed any functions or oversight role), in the reasonable opinion of the Compensation Committee, following consultation with the risk committee of the Board, if applicable, suffered a material failure of risk management;

(vii) any Group Member or a relevant business unit. (in respect of which the Relevant Participant has performed any functions or oversight role), in the reasonable opinion of the Compensation Committee suffered a material corporate failure;

(viii) the censure of the Company, any Group Member or a relevant business unit by a regulatory authority or events having a significant detrimental impact (as reasonably determined by the Compensation Committee) on the reputation of the Company, any Group Member or a relevant business unit, where the Compensation Committee is satisfied that the Relevant Participant was responsible for the censure or reputational damage and that the censure or reputational damage is attributable to them; or

(ix) the Group or part of the Group (in respect of which the Relevant Participant has performed any functions or oversight role) receives notification in writing that it may become subject to any regulatory sanctions, where the Compensation Committee forms the view that the conduct of the Relevant Participant contributed to the circumstances leading to such notification.

8.2 **Clawback**

(a) Notwithstanding any other Rule of the Plan, the Compensation Committee may decide at any time up to the second anniversary of the Vesting of an Award, that the Relevant Participant shall be subject to Clawback if:

(i) there is a material restatement of the financial statements of the Company or any of its Subsidiaries for any of the financial years ending after the grant of such Award. The Compensation Committee will in its sole discretion determine what constitutes a material restatement;

(ii) the financial statements of the Company used in assessing the number of Shares over which the Award was granted were misstated, or that any other information relied on in making such assessment proves to have been incorrect and, in any case, the Award was granted in respect of a greater number of Shares than would have been the case had there not been such a misstatement or reliance on incorrect information or had such error not been made or had such event not occurred;

(iii) the Compensation Committee forms the view that, in assessing the extent to which any Performance Condition and/or any other condition imposed on the Award was satisfied, such assessment was based on an error, or on inaccurate or misleading information or assumptions and that such error, information or assumptions resulted either directly or indirectly in that Award Vesting to a greater degree than would have been the case had that error not been made;

(iv) some or all of the Performance Conditions, which were deemed to have been satisfied in respect of the Award have only been satisfied as a consequence of any direct or indirect manipulation on the part of the Relevant Participant. For the purpose of this Rule, “manipulation” means anything done, without the knowledge of the Compensation Committee, for the Relevant Participant’s own personal gain which is unreasonable and not done for the benefit of the Company;

(v) the Group or part of the Group (in respect of which the Relevant Participant has performed any functions or oversight role), in the reasonable opinion of the Compensation Committee, following consultation with the risk committee of the Board, if applicable, suffered a material failure of risk management;

(vi) any Group Member or a relevant business unit. (in respect of which the Relevant Participant has performed any functions or oversight role), in the reasonable opinion of the Compensation Committee suffered a material corporate failure;

(vii) the Relevant Participant is found guilty of or pleads guilty to a crime that is related to or damages the business or reputation of the Company or any of its Subsidiaries;

(viii) the Relevant Participant is guilty of serious misconduct or gross negligence, which causes loss or reputational damage to the Company or any of its Subsidiaries;

(ix) the censure of the Company, any Group Member or a relevant business unit by a regulatory authority or events having a significant detrimental impact (as reasonably determined by the Compensation Committee) on the reputation of the Company, any Group Member or a relevant business unit, where the Compensation Committee is satisfied that the Relevant Participant was responsible for the censure or reputational damage and that the censure or reputational damage is attributable to them;

(x) the Group or part of the Group (in respect of which the Relevant Participant has performed any functions or oversight role) receives notification in writing that it may become subject to any regulatory sanctions, where the Compensation Committee forms the view that the conduct of the Relevant Participant contributed to the circumstances leading to such notification; or

(xi) the Relevant Participant is in breach of any applicable restrictions on competition, solicitation or the use of confidential information (whether arising out of the Relevant Participant's employment contract, his termination arrangements or any internal policies).

(b) Where the Compensation Committee decides that an Award is subject to Clawback:

(i) the Compensation Committee may require the Relevant Participant to forfeit the right to all or part of the Shares which would, but for the operation of this Rule 8, be transferable to the Relevant Participant in respect of such Award; and/or

(ii) the Compensation Committee may reduce (including, if appropriate, reducing to zero):

(A) the amount of the next bonus (if any) which would, but for the operation of Rule 8.2 be payable to the Relevant Participant under any bonus plan operated by any Group Member; and/or

(B) the extent to which any other subsisting Awards held by the Relevant Participant are to Vest notwithstanding the extent to which any Performance Condition and/or any other condition imposed on such other Awards have been satisfied; and/or

(C) the extent to which any rights to acquire Shares (including annual incentive deferred into Shares) granted to the Relevant Participant under any share incentive plan (other than the Plan) operated by the Company vest or become exercisable notwithstanding the extent to which any conditions imposed on such rights to acquire Shares have been satisfied; and/or

(D) the number of Shares subject to any vested but unexercised option; and/or

(E) the number of Shares subject to any vested but unexercised right to acquire Shares granted to the Relevant Participant under any share incentive plan (other than the Plan) operated by any Company in the Group.

(c) Any reduction made pursuant to Rule 8.2(b)(ii)(A) and/or Rule 8.2(b)(ii)(C) shall take effect immediately prior to the Conditional Award Vesting or the right vesting or becoming exercisable (as applicable) (or at such other time as the Compensation Committee decides) and any reduction made pursuant to Rule 8.2(b)(ii)(D) and/or Rule 8.2(b)(ii)(E) shall take effect at such time as the Compensation Committee decides.

(d) Where Shares have been delivered to the Relevant Participant, the Compensation Committee may require the Relevant Participant to transfer to the Company (or as the Company directs) for nil consideration some or all of the Shares delivered to him under the Award, or pay to the Company (or as the Company directs) an amount equal to the value of those Shares (as determined by the Compensation Committee) on such terms as the Compensation Committee may direct (including, but without limitation to, on terms that the relevant amount is to be deducted from the Relevant Participant's salary or from any other payment to be made to the Relevant Participant by any Group Member).

(e) Where Rule 8.2(a) above applies, the amount and/or such number of Shares to be subject to Clawback shall be such amount and/or such number of Shares as the Compensation Committee decides is appropriate but the amount and/or such number of Shares which is subject to the Clawback shall be limited to the net (post-tax) amount of such value.

8.3 This Rule 8 may be applied in different ways for different Participants in relation to the same or different events, or in different ways for the same relevant Participant in relation to different Awards.

8.4 Without limiting Rule 17, the Relevant Participant will not be entitled to any compensation in respect of any adjustment under this Rule 8, and the operation of Malus or Clawback will not limit any other remedy any member of the Group may have.

8.5 Where a Relevant Participant is required to return any Shares or to forfeit the right to any Shares under this Rule 8, such Shares shall be deemed to be forfeitable shares.

8.6 The Compensation Committee will notify the Relevant Participant of any application of Malus or Clawback under this Rule 8.

8.7 Nothing in this Rule 8 shall apply to any award, option or other incentive granted prior to the Adoption Date.

8.8 This Rule shall not apply after the Company is subject to a takeover or other corporate event under Rule 12 (provided that the relevant event is not an Internal Reorganisation).

8.9 The Company may adopt such other malus and clawback policy to the extent necessary or appropriate to comply with all applicable laws, including, without limitation, the Dodd-Frank Wall Street Reform and Consumer Protection Act and any rules, regulations or listing standards promulgated thereunder and all Awards shall be subject to such policy (whether or not such policy was in place at the time of grant of the Award).

9. **Taxation**

9.1 A Participant will be responsible for and shall indemnify each relevant Group Member and the Trustee against any Tax Liability relating to his Award. For the purpose of this Rule a Group Member includes a company that was and is no longer a Group Member. Any Group Member and/or the Trustee may withhold an amount equal to such Tax Liability from any amounts due to the Participant (to the extent such withholding is lawful) and/or make any other arrangements (including a loan) as it considers appropriate to ensure recovery of such Tax Liability including, without limitation, the sale of sufficient Shares acquired subject to the Award to realise an amount equal to the Tax Liability.

9.2 Where, in relation to an Award, the Compensation Committee, the Trustee, the Company or any Group Member (as the case may be) is liable, or is in accordance with current practice believed by the Compensation Committee, the Trustee or the Company to be liable, to account to any revenue or other authority for any sum in respect of any tax or social security liability of the Participant, neither the Trustee nor the Company, as appropriate, shall be under any obligation to acquire Shares for the benefit of the Participant or transfer or issue Shares, as appropriate, to the Participant unless the Participant, as the case may be, has paid to the Trustee, the Company or the Group Member (as the case may be) an amount sufficient to discharge the liability.

9.3 In addition, the Trustee shall have the discretion to retain sufficient of the Shares the subject of any Award to ensure that any liability to taxation or otherwise of the Participant or the Company or the Trustee in respect of the receipt by any such holder of such Shares is capable of discharge.

10. **Cash Equivalent**

10.1 Subject to Rule 10.2, at any time prior to the date on which a Conditional Award has Vested or, in the case of a Nil-Cost Option, has been exercised, the Compensation Committee may determine that in substitution for a Participant's right to acquire some or all of the Shares to which his Award relates or in substitution of Dividend Shares receivable under Rule 6, the Participant will instead receive a cash sum (the "**Cash Equivalent**"). The Cash Equivalent will be equal to the Market Value of that number of the Shares which would otherwise have been transferred and for these purposes:

(a) in the case of a Conditional Award, Market Value will be determined on the date of Vesting;

(b) in the case of a Nil-Cost Option, Market Value will be determined on the date of exercise; and

(c) in either case, the Cash Equivalent will be paid to the Participant as soon as practicable after the Vesting of the Conditional Award or the exercise of the Nil-Cost Option, net of any deductions (including but not limited to any Tax Liability or similar liabilities) as may be required by law.

10.2 The Compensation Committee may determine that this Rule 10 will not apply to an Award or any part of it.

10.3 In circumstances determined by the Compensation Committee, in its absolute discretion, a request may be made to the Trustee to satisfy the obligation to deliver Shares on Award Vesting or Nil-Cost Option exercise (to the relevant Participant other than an executive director of the Company) by the payment to such Participant, as the case may be, of a cash payment equal to the Cash Equivalent of the Shares the subject of such Award.

11. **Vesting in Special Circumstances**

11.1 Notwithstanding Rule 7.4, if an Award Holder dies before the Vesting or exercise of his Awards:

(a) all of the Shares which are the subject of any Award which is not subject to Performance Conditions shall Vest as soon as can be reasonably arranged by the Company following the Participant's death, or shall be capable of being exercised by his personal representative within twelve months following his death;

(b) any Award which is subject to Performance Conditions may Vest as provided in Rule 11.3 or except as the Compensation Committee shall otherwise determine; and

(c) any Nil-Cost Option shall lapse unless exercised by his personal representative within 12 months of the death of the Participant or if shorter, until the expiry of the Exercise Period.

11.2 Notwithstanding Rule 7.4, if a Participant ceases to be employed by a Group Member before the whole or any part of his Award Vests, by reason of:

(a) ill health, injury or disability evidenced to the satisfaction of the Company;

(b) redundancy (within the meaning of the Redundancy Payments Acts 1967 to 2022 or any overseas equivalent) if the Company so decides;

(c) retirement with the agreement of the Company;

(d) his office or employment being with either a company which ceases to be a Group Member or relating to a business or part of a business which is transferred to a person who is not a Group Member; or

(e) for any other reason, if the Compensation Committee so decides

his Award shall lapse except to the extent it is already Vested or it Vests as provided in Rule 11.3 or except as the Compensation Committee shall otherwise determine.

11.3 All of the Shares which are the subject of a Buy-out Award shall Vest in full unless the Compensation Committee otherwise determines. The number of Shares in respect of which the Award Vests pursuant to Rule 11.1(b) or 11.2 will be determined by the Compensation Committee and the Compensation Committee may, in its absolute discretion, determine that the level of Vesting shall be less than 100% in order to take into account:

(a) the extent to which any Performance Condition, if applicable, has not been satisfied at the date of cessation of office or employment; and/or

(b) the period of time that has elapsed from:

(i) in the case of an Award that is not a Consolidated Award, the Award Date to the date of cessation of office or employment; or

(ii) in the case of a Consolidated Award:

(B) in respect of each part of the Award that relates to a subsequent Performance Period, the anniversary of the Award Date immediately following the commencement of that Performance Period to the date of cessation of office or employment,

in each case compared to the period from the Award Date (or in the case of a Consolidated Award, the Award Date or the anniversary of the Award Date, as applicable) to the applicable Normal Vesting Date to a maximum of three years unless otherwise specified,

and to the extent that the Award does not Vest in full, the remainder will lapse immediately. Any Award which is to Vest under this Rule 11.3 shall Vest on the Normal Vesting Date or following successful completion of any post-cessation restrictive covenants entered into by the Participant, whichever is the later, unless the Compensation Committee determines that it shall Vest on an earlier date.

11.4 Any Nil-Cost Option which does not lapse on the cessation of employment by a Group Member of a Participant shall lapse unless exercised within 6 months (or such other period as determined by the Compensation Committee in its discretion) after the later of (i) the actual date of Vesting, (ii) the date of cessation of employment with the Group Member; and (iii) the end of any post-cessation restrictive covenants entered into by the Participant PROVIDED however that this shall not be after the end of the Exercise Period.

11.5 Notwithstanding Rule 7.4, if a Participant ceases to be employed by a Group Member for any other reason not referred to in Rule 11.1 or 11.2:

(a) all Awards which have not Vested shall lapse on such cessation; and

(b) any Vested Nil-Cost Option shall lapse unless exercised by the Participant or by his personal representative within a period of the earlier of the expiry of the Exercise Period and six months after the later of (i) the date of cessation of employment with the Group Member; and (ii) the end of any post-cessation restrictive covenants entered into by the Participant.

11.6 Notwithstanding any other provision of these Rules, if it is proposed that a Participant, while continuing to be an Eligible Employee, shall work in a country other than the country in which he is currently working and, by reason of such change he:

(a) suffers less favourable tax treatment in respect of his Awards; or

(b) becomes subject to a restriction that impedes or limits the issuance or transfer of the Shares subject to an Award or limits or impedes his ability to hold or deal with such Shares his Award, at the discretion of the Compensation Committee, may (i) either Vest or be exercised, as the case may be, in whole or in part, at such time or times as the Compensation Committee shall determine; or (ii) be adjusted in a manner designed to overcome in whole or in part, such treatment or restriction.

11.7 Notwithstanding Rule 11.2, the Compensation Committee may, at any time prior to the date of eventual exercise, and in its absolute discretion, determine that an Award shall lapse with immediate effect as a consequence of a breach by the Participant of any restrictive covenants contained within his employment contract or any settlement agreement in respect of termination of his employment or otherwise.

11.8 Where a Participant's contract of employment with the Group is terminated:

(a) without notice, such employment shall be deemed to cease on the date on which the termination takes effect;

(b) by a Group Member with a payment in lieu of notice, such employment shall be deemed to cease on the date on which the termination takes effect and shall not to include notice not worked;

(c) and where the said contract is terminated by notice given by a member of the Group Member or by a Participant, such employment shall be deemed to cease on the date on which that notice expires.

11.9 For the purposes of the Plan, no person will be treated as ceasing to hold office or employment with a Group Member until that person no longer holds:

(a) an office or employment with any Group Member; or

(b) a right to return to work.

11.10 The Compensation Committee, in its absolute discretion, may release any Shares the subject of a Retention Restriction after a Participant ceases to be employed for any of the reasons set out in this Rule 11.

12. **Corporate Events**

12.1 Where any of the events described in Rule 12.2 occur, then subject to Rules 13 and 14, all Awards will Vest as provided in this Rule 12. Nil-Cost Options will remain exercisable for 30 days from the date of the relevant event described in Rule 12.2, after which all Nil-Cost Options will lapse.

12.2 The events referred to in Rule 12.1 are:

(a) General offer

If any person (either alone or together with any person acting in concert with him);

(i) obtains Control of the Company as a result of making a general offer to acquire Shares; or

(ii) already having Control of the Company, makes an offer to acquire all of the Shares other than those which are already owned by him and such offer becomes wholly unconditional.

12.3 A Conditional Award will Vest pursuant to Rule 12.1 taking into account all factors which the Compensation Committee considers relevant, the extent to which any Performance Condition has been satisfied and, unless the Compensation Committee determines otherwise, the period of time from:

(a) in the case of an Award that is not a Consolidated Award, the Award Date to the date of cessation of office or employment; and

(b) in the case of a Consolidated Award:

(i) in respect of that part of the Award that relates to the first Performance Period, the Award Date to the date of to the date of the relevant event; and

(ii) in respect of each part of the Award that relates to a subsequent Performance Period, the anniversary of the Award Date immediately following the commencement of that Performance Period to the date of the relevant event,

in each case compared to the period from the Award Date (or in the case of a Consolidated Award, the Award Date or the anniversary of the Award Date, as applicable) to the applicable Normal Vesting Date to a maximum of three years unless otherwise specified,

and to the extent that a Conditional Award does not Vest, or is not exchanged in accordance with Rules 13, it will lapse immediately.

12.4 If the Company is or may be affected by a merger with another company, demerger, delisting, special dividend or other event which, in the opinion of the Compensation Committee, may affect the current or future value of Shares:

(a) the Compensation Committee may determine that an Award will Vest conditionally or that aNil-Cost Option may be exercised conditionally on the event occurring;

(b) if the event does not occur then the conditional Vesting or exercise will not be effective and the Award will continue to subsist;

(c) if a Conditional Award Vests under this Rule 12.3, it will Vest taking into account the extent to which any Performance Condition has been satisfied at the date of the relevant event and, unless the Compensation Committee determines otherwise, the period of time from:

(i) in the case of an Award that is not a Consolidated Award, the Award Date to the date of cessation of office or employment; and

The Compensation Committee will then also determine the period during which any VestedNil-Cost Option may be exercised, after which time it will lapse.

12.5 If the Compensation Committee determines that there would be any adverse tax consequence if Awards were to Vest on or after an event described in this Rule 12, then the Compensation Committee may resolve that Awards will Vest on an earlier date.

12.6 Any reference to the Compensation Committee in this Rule 12 means the members of the Compensation Committee immediately prior to the relevant event.

13. **Exchange**

13.1 A Conditional Award will not Vest orNil-Cost Option will not become exercisable under Rule 12.1 but will be exchanged on the terms set out in Rule 13.2 to the extent that:

(a) an offer to exchange the Conditional Award (the "**Existing Conditional Award**") or Nil-Cost Option (the "**Existing Nil-Cost Option**") is made and accepted by a Participant;

(b) there is an Internal Reorganisation; or

(c) the Compensation Committee decides (before the event) that an Existing Conditional Award or ExistingNil-Cost Option will be exchanged automatically.

13.2 If Rule 13 applies, the Existing Conditional Award will not Vest or ExistingNil-Cost Option will not become exercisable but will be exchanged in consideration of the issue of a new award (the "**New Award**") or new nil-cost option (the "**New Nil-Cost Option**") which, in the opinion of the Compensation Committee, is equivalent to the Existing Conditional Award or Existing Nil-Cost Option, but relates to shares in a different company (whether the acquiring company or a different company).

13.3 The New Award or New Option shall not be regarded for the purposes of this Rule 13 as equivalent to the Existing Conditional Award or the Existing Nil-Cost Option unless:

(a) Save for any new condition imposed under Rule 4, the New Award or the New Option shall Vest or be exercised, as the case may be, in the same manner as the Existing Conditional Award or the Existing Nil-Cost Option and subject to the same provisions of the Plan as it had effect immediately before the release of the Existing Conditional Award or the Existing Nil-Cost Option, as the case may be;

(b) the aggregate Market Value of the Shares which are the subject of the New Award or the New Option is the same as the maximum possible amount which would have been received on the Vesting of Existing Conditional Award or the exercise of Existing Nil-Cost Option; and

(c) the total amount payable by the Participant for the acquisition of the New Shares under the New Award or the New Option, as the case may be, is as nearly as may be equal to the total amount that would have been payable by the Participant for the acquisition of the Shares under the Existing Conditional Award or the Existing Nil-Cost Option, as the case may be.

The date of grant of the New Award or New Option shall be deemed to be the same as the Date of Grant of the Existing Conditional Award or Existing Nil-Cost Option, as the case may be. In the application of the Plan to the New Award or the New Option, where appropriate, references to "Company" and "Shares" shall be read as if they were references to the company to whose shares the New Award or New Option, as the case may be, relates and the New Shares respectively, save that in the definition of "Compensation Committee" the reference to "Company" shall be read as if it were a reference to Flutter Entertainment plc.

14. **Lapse of Awards and Options**

In addition to any other Rule providing for lapsing, an Award or Nil-Cost Option shall lapse on the earliest of:

(a) subject to Rule 11, the date specified in the Award Notification for lapsing;

(b) the Compensation Committee determining that any Performance Condition has not been satisfied in relation to the Award and can no longer be satisfied either in whole or in part; and

(c) the date on which a resolution is passed or an order is made by the court for the compulsory winding up of the Company.

15. **Adjustments and exercise of discretion**

15.1 The number of Shares subject to an Award may be adjusted in such manner as the Compensation Committee determines, in the event of:

(a) any variation of the share capital of the Company; or

(b) a merger with another company, demerger, delisting, special dividend, rights issue or other event which may, in the opinion of the Compensation Committee, affect the current or future value of Shares.

15.2 The Compensation Committee may also adjust any Performance Condition in accordance with Rule 4.3.

15.3 Any decision to exercise a discretion provided for in any of Rules 2.3, 4.3, 6.3, 7.7, 8, 10.3 or 11 in respect of a Participant, who is not an executive director of the Company, may be made by a person or persons duly authorised by the Compensation Committee.

16. **Amendments**

16.1 Except as described in this Rule 16, the Compensation Committee may at any time amend the Rules.

16.2 Without the prior approval of the Company in general meeting, an amendment may not be made for the benefit of existing or future Participant to the Rules of the Plan relating to:

(a) the persons to whom or for whom securities or other benefits are provided for under the Plan;

(b) the limit on the number or amount or other benefits of Shares which may be acquired under the Plan;

(c) the maximum entitlement of any one Participant under the Plan; or

(d) the basis for determining a Participant's entitlement to, and the terms of securities or other benefits to be provided and for the adjustment thereof (if any) if there is a capitalisation issue, rights issue or open offer, subdivision or consolidation of Shares or reduction or any other variation of capital,

PROVIDED HOWEVER that this Rule 16.2 shall not prohibit any amendment which is of a minor nature and benefits the administration of the Plan or any amendment which is necessary or desirable in order to take account of a change of any remuneration guidelines, legislation or regulatory requirement which the Compensation Committee reasonably considers is relevant in the context of such change or is reasonable to obtain or maintain favourable tax, exchange control or regulatory treatment for Participants, the Company or some other Group Member.

16.3 An amendment may not adversely affect the rights of an existing Participant except where the amendment has been approved by Participants who together represent the holders of Awards which have the majority of Shares which are the subject all Awards outstanding at such time.

16.4 The Compensation Committee shall have the power to make such amendments and alterations as are required, including the power to create new share based incentive plans and sub plans for Eligible Employees in jurisdictions outside of Ireland, to take account of local restrictions, taxation requirements, security laws etc or to take advantage of taxation laws specific to the provision of share based incentive schemes in any jurisdiction.

17. **Legal Entitlement**

17.1 This Rule 17 applies during a Participant's employment with any Group Member and after the termination of such employment, whether or not the termination is lawful.

17.2 This Rule 17 shall apply irrespective of whether the Compensation Committee has discretion in the operation of the Plan, or whether the Company or the Compensation Committee could be regarded as being subject to any obligations in the operation of the Plan.

17.3 Nothing in the Plan or its operation forms part of the terms of employment of a Participant and the rights and obligations arising from a Participant's employment with any Group Member are separate from, and are not affected by, his participation in the Plan.

17.4 Awards will not (except as may be required by taxation law) form part of the emoluments of any Participant or count as wages or remuneration for pension or other purposes.

17.5 Nothing in the Plan or its operation will confer on any person any right to continue in employment and neither will it affect the right of any Group Member to terminate the employment of any person without liability at any time (with or without cause) or impose upon the Compensation Committee or any other person any duty or liability whatsoever in connection with:

(a) the lapsing of any Award pursuant to the Plan;

(b) the failure or refusal to exercise any discretion under the Plan; or

(c) a Participant ceasing to hold office or employment for any reason whatsoever.

17.6 The issue of any Award to a Participant does not create any right for that Participant to be issued any further Awards or to be issued Awards on any particular terms, including the number of Shares to which Awards relate whether under this Plan or any other Plan.

17.7 Participation in the Plan is permitted only on the basis that the Eligible Employee accepts all the provisions of these Rules, including in particular this Rule 17. By participating in the Plan, a Participant waives all rights to compensation for any loss in relation to the Plan, including:

(a) any loss of office or employment;

(b) any loss or reduction of any rights, benefits or expectations in relation to the Plan in any circumstances or for any reason, including lawful or unlawful termination of the Participant's employment;

(c) any exercise of a discretion or a decision taken in relation to an Award or to the Plan, or any failure to exercise a discretion or take a decision;

(d) the operation, suspension, termination or amendment of the Plan.

17.8 Each of the provisions of each Rule of the Plan is entirely separate and independent from each of the other provisions of each Rule. If any provision is found to be invalid then it will be deemed never to have been part of the Rules and to the extent that it is possible to do so, this will not affect the validity or enforceability of any of the remaining provisions of the Rules.

17.9 No representation or guarantee given in respect of the future value of the Shares which are the subject of any Awards. Each Award is made on the basis that the Participant accepts that such value is unknown, indeterminable and cannot be predicted with certainty. Furthermore, the issue of an Award shall in no way affect the Company's right to adjust, reclassify, reorganise or otherwise change its capital or business structure or to merge, consolidate, dissolve, liquidate or sell or transfer all or any part of its business or assets.

17.10 No Group Member shall be liable for any foreign exchange rate fluctuation between the Participant's local currency and the euro that may affect the value of the Award or of any amounts due to the Participant pursuant to the vesting of the Award or the subsequent sale of any Shares acquired upon vesting and/or settlement.

18. **Data Protection**

18.1 By accepting the grant of an Award, a Participant acknowledges that his or her Personal Data will be processed and disclosed as follows:

(a) by the Company, the Trustee or any Group Member employing the Participant as they are required to collect, process and utilise the personal information or other relevant information pertaining to the Participant for purposes directly relevant to the Award granted to the Participant, and to disclose or transfer such information to other Group Members and, if necessary, a third party (including any broker, registrar or administrator) for the purpose of administering the Plan;

(b) by the Company, the Trustee, any Group Member employing the Participant and any such third party so that they may utilise such information for the purpose of administering the Plan, provided that such information shall be kept confidential and shall not be used by any of them for any purposes not related to the administration of the Plan;

(c) by the Company, the Trustee, any Group Member employing the Participant and any such third party (any of which may be located in the EEA or the UK or outside of the EEA and the UK) so that they may transfer the personal information or other relevant information pertaining to the Participant in the EEA/UK or outside of the EEA/UK for the purpose of administering the Plan (in which case the transfer shall be governed by "model contract clauses" or equivalent measures required under EU or UK data protection laws); and

(d) by and to any future purchaser of the Company or Subsidiary employing the Participant, or any future purchaser of their respective undertakings or any parts thereof, for the purpose of administering the Plan and/or confirming the Participant's entitlement to an Award and/or any Plan Shares where such entitlement is relevant to such purchase.

18.2 By accepting the grant of an Award, a Participant acknowledges that the purposes described in Rule 18.1 are necessary for the performance of the Plan or are otherwise necessary for the legitimate interests of the Company, the Trustee or any Group Member employing the Participant in connection with the administration of the Plan. Should the Participant exercise any data subject rights in relation to his or her personal data, such as the right of objection or erasure, the Participant acknowledges that it may no longer be possible to administer the Plan in respect of the Participant. In that case the Awards may lapse and shall not be capable of Vesting and the Participant shall be deemed to have waived (without any right to compensation) any right to Plan Shares which are being held on his behalf by the Trustee.

18.3 Each Participant shall be provided with the information regarding the following by the Company, the Trustees or any Group Member employing the Participant to the extent that they are acting as controllers of the Participant's Personal Data (save where the Participant already has the information):

(a) the purpose of the collection and use of the personal information or other relevant information pertaining to the Participant;

(b) the information to be collected and used;

(c) the period and method of retention and use of the personal information or other relevant information pertaining to the Participant;

(d) details of any third parties to whom their information is disclosed or transferred including the purpose of such disclosure or transfer and, where applicable, the safeguards applied to any transfers of data outside of the EEA/UK;

(e) the rights of the Participant in respect of access to, rectification and deletion of their information and any related disadvantages;

(f) where applicable, the contact details of the Data Protection Officer of the relevant controller; and

(g) the right to complain to the relevant data protection supervisory authority.

19. **General**

19.1 The Plan will terminate upon the date stated in Rule 2.4, or at any earlier time by the passing of a resolution by the Compensation Committee. Termination of the Plan will be without prejudice to the existing rights of Participants.

19.2 The Plan will be administered by the Compensation Committee. The Compensation Committee will have full authority, consistent with the Plan, to administer the Plan, including authority to interpret and construe any provision of the Plan and to adopt regulations for administering the Plan. Decisions of the Compensation Committee will be final and binding on all parties.

19.3 A Participant will provide to the Company as soon as reasonably practicable such information as the Company reasonably requests for the purposes of complying with its obligations under sections 897 and 897B of the TCA 1997 or under any other equivalent legislation in which the Participant is employed.

19.4 Any notice or other communication in connection with the Plan may be delivered personally or sent by electronic means or post, in the case of a company to their registered office (for the attention of the company secretary), and in the case of an individual to his last known address, or, where he is an employee of a Group Member, either to his last known address or to the address of the place of business at which he performs the whole or substantially the whole of the duties of his employment. Where a notice or other communication is given by post, it will be deemed to have been received 48 hours after it was put into the post properly addressed and stamped, and if by electronic means, when the sender receives electronic confirmation of delivery or if not available, 24 hours after sending the notice.

19.5 Any notice, document or other communication so sent to a Participant shall be deemed to have been duly given notwithstanding that such Participant is then deceased (and whether or not the Compensation Committee have notice of his death) except where his personal representatives have established their title to the satisfaction of the Compensation Committee and supplied to the Compensation Committee an address to which notices, documents and other communications are to be sent.

19.6 Any notice, document or other communication given to the Compensation Committee, Trustee or the Company in connection with the Plan shall be delivered or sent by post to the Company Secretary at the Company's registered office or such other address as may from time to time be notified to Participants but shall not in any event be duly given unless it is actually received at such address.

19.7 The formation, existence, construction, performance, validity and all aspects whatsoever of the Plan, any Rule of the Plan and any Award issued under the Plan shall be governed by Irish law. The Irish courts will have jurisdiction to settle any dispute in relation to the Plan. The jurisdiction agreement contained in this Rule is made for the benefit of the Company only, which accordingly retains the right (i) to bring proceedings in any other court of competent jurisdiction; or (ii) to require any dispute to be settled in accordance with Rule 19.8. By accepting the issue of an Award, a Participant is deemed to have agreed to submit to such jurisdiction.

19.8 All disputes in relation to the Plan may be referred by the Company to arbitration pursuant to the provisions of the Arbitration Act 2010 (as amended) and any Participant so affected will submit to such arbitration.

19.9 If in the opinion of the Compensation Committee, in its absolute discretion, a Participant is insolvent, it can take any and all action it deems necessary in respect of the retention, Vesting, exercise or transfer of any Conditional Award, Nil-Cost Option or Shares represented thereof as it determines in its absolute discretion.

2. **GENERAL**

2.1 Awards granted to US Taxpayers are intended to be exempt from the requirements of Section 409A pursuant to the Short-Term Deferral Exemption, and the Plan and any Award Certificate in respect of an Award granted to a US Taxpayer shall be interpreted, operated and administered in a manner consistent with such intention. Notwithstanding anything to the contrary contained in the Plan or any Award Certificate, payment in respect of any Award hereunder, including the payment of a Cash Equivalent or issuance of Shares pursuant to any Award granted under the Plan, shall be paid or transferred, if at all, to a US Taxpayer within the Short-Term Deferral Period.

2.2 Unless otherwise determined by the Compensation Committee, once Vested and, in the case of aNil-Cost Option, Vested and exercisable, subject to any applicable Dealing Restrictions or other securities law restrictions, (i) a Conditional Award or a Cash Equivalent shall be paid on or before the expiration of the Short-Term Deferral Period, and (ii) a Nil-Cost Option shall remain exercisable until the earlier of the expiration of the exercise period specified in the relevant Award Certificate (but not less than thirty (30) days following the termination of the US Taxpayer's employment or, if shorter, the remaining term of the Nil-Cost Option) and the expiration of the Short-Term Deferral Period (or until such earlier time as may be applicable pursuant to Rule 6.4), and thereafter, such Nil-Cost Option shall immediately lapse and automatically be cancelled and cease to have any further legal force or effect whatsoever.

2.3 To the extent of any substitution of a Conditional Award under Rule 6.2, or any exchange under Rule 12 or adjustment under Rule 3.3, 10.5 or 13 of any Conditional Award or Nil-Cost Option, the terms and conditions of any New Award or any substitute or NewNil-Cost Option (or any adjusted Conditional Award or Nil-Cost Option, as applicable) shall not (i) modify the payment timing of the original Conditional Award requiring the issuance of Shares or other payment prior to the expiration of the Short-Term Deferral Period, (ii) modify the exercise timing of the original Nil-Cost Option requiring exercise prior to the expiration of the Short-Term Deferral Period, or (iii) otherwise result in any change to the terms and conditions of such Conditional Award or Nil-Cost Option if such change would result in adverse tax consequences to a US Taxpayer under Section 409A.

2.4 No setoffs or deductions against any amounts owed to a US Taxpayer by a Group Member may be made hereunder to satisfy the clawback contemplated by Rule 7 to the extent that such setoff or deduction would result in adverse tax consequences to the US Taxpayer under Section 409A.

2.5 Notwithstanding any provision of the Plan or any Award Certificate to the contrary, the Compensation Committee, to the extent it deems necessary or advisable in its sole discretion, reserves the right, but shall not be required, to unilaterally amend or modify the Plan (including this Appendix 1) or any Award Certificate with respect to an Award granted to a US Taxpayer so that such Award qualifies for the Short-Term Deferral Exemption. No amendment may be made to the Plan (including this Appendix 1) or any Award Certificate, or otherwise apply to an Award, if and to the extent that the amendment would cause any Award granted to a US Taxpayer to violate Section 409A. A Group Member shall have no liability to a US Taxpayer, or any other party, if an Award that is intended to be exempt from Section 409A is not

so exempt or for any action taken by the Compensation Committee or the Group Member and, in the event that any amount or benefit under the Plan becomes subject to penalties under Section 409A, responsibility for payment of such penalties shall rest solely with the affected US Taxpayer and not with the Group Member.

3.1 Notwithstanding any provision of the Plan or any Award Certificate to the contrary (but subject to Rule 3.3 below), (i) no Award shall be granted and no Share shall be delivered or sold to a US Taxpayer unless such grant, delivery and sale is in compliance with US federal securities laws and any applicable US state securities laws, and (ii) Shares acquired by a US Taxpayer pursuant to the exercise of Nil-Cost Options or settlement of Conditional Awards may only be resold in compliance with the registration requirements or an applicable exemption from the registration requirements of the US Securities Act of 1933, as it may be amended from time to time.

3.2 Notwithstanding any provision of the Plan or any Award Certificate to the contrary, Conditional Awards andNil-Cost Options granted to a Participant who is a California Participant on the Award Date shall be subject to the following additional limitations, terms, and conditions, which for purposes of compliance with California Securities Law only shall be deemed to be a separate plan maintained solely for California Participants:

2. **GRANT OF AWARDS AND OPTIONS**

2.1 **Awards and Options granted by Compensation Committee**

Subject to the provisions of these Rules, the Eligible Employees to whom Awards or Options are granted and the terms of such Awards or Options shall be determined by the Compensation Committee in its absolute discretion.

2.2 **Procedure for grant of Awards and Options and Date of Grant**

Awards and Options may be granted during an Issue Period at such time or times in such amounts and on such terms as the Compensation Committee shall determine in its absolute discretion. An Award or Option shall be granted by the execution by the Compensation Committee of an Award Certificate or an Option Certificate, as the case may be, as a deed. The Compensation Committee may make Awards or grant Options, as the case may be, at any time during the term of the Scheme provided it is not prohibited or restricted from doing so by law or by a Dealing Restriction. An Award or Option may also be granted outside of the Issue Period where the Compensation Committee considers that circumstances are sufficiently exceptional to justify it being made outside of such period.

2.3 **Contents of Award or Option Certificate**

Unless the Compensation Committee shall determine otherwise, an Award Certificate or Option Certificate shall contain:

2.3.1 the Date of Grant of the Award or Option which shall be either the date specified in the Award Certificate or Option Certificate, as the case may be (in which case such date may not be earlier than the date the Compensation Committee shall have resolved to issue the Award or Option) or, if not specified, the date on which the Award Certificate or Option Certificate is executed;

2.3.2 the Performance Condition(s) applicable to the Award or Option, as the case may be;

2.3.3 the number of Shares subject to the Award or Option;

2.3.4 the date on which the Award may Vest or Option may be exercised, as the case may be and, in the case of an Option, the period during which it may be exercised;

2.3.5 a statement that it is a condition of the grant that the Participant sign a copy of the certificate in order to bind himself contractually to any such arrangement as is referred to in this Scheme (including the application of Clawback) and return the executed document to the Compensation Committee by a specified date;

2.3.6 a statement that, until the Vesting of an Award or exercise of an Option, the Award Holder or Option Holder, as the case may be, shall not have any rights over or in respect of the Shares specified in the Award or Option and on Vesting or exercise his right shall be limited to those Shares in respect of which the relevant Performance Condition(s) have been achieved;

2.3.7 state any Retention Restriction that shall apply to any Shares derived from the Award or Option; and

2.3.8 any other conditions to which the Award or Option is subject.

All Awards and Options shall be subject to the terms and conditions of this Scheme.

2.4 **Duration of Scheme**

An Award or Option may be granted at any time within a period of ten years after the Adoption Date. An Option must be exercised within a period of ten years after the Date of Grant thereof or such shorter period as may be determined on the Date of Grant.

2.5 **Persons to whom Awards or Options may be granted**

An Award or Option may not be granted to an individual who is not an Eligible Employee at the Date of Grant.

2.6 **Awards and Options non-transferable**

An Award or Option shall not be capable of being transferred, charged or otherwise alienated (except, in the case of a Participant's death, to his personal representatives), without the prior approval, in writing, of the Compensation Committee, and shall lapse immediately if the Award Holder or Option Holder, as the case may be, purports to transfer, charge or otherwise alienate the Award, or Option, as the case may be, without such approval. All of the terms of this Scheme shall apply to any Award or Option so transferred, charged or alienated. An Award or Option shall lapse immediately if the Participant is declared bankrupt or enters into a compromise with his creditors generally.

2.7 **Right to Refuse Awards or Options**

An Award Holder or Option Holder, as the case may be, may by notice, in writing, to the Compensation Committee, within thirty days after the Date of Grant, refuse to accept the Award or Option. In such a case, the Award or Option, as the case may be, shall be treated as having never been made. An Award Holder or Option Holder may also renounce an Award or Option at any time prior to the Vesting of such Award or exercise of such Option, as the case may be.

2.8 **Subscription Price**

No price shall be payable by an Award Holder or Option Holder upon the grant or Vesting of an Award or grant or exercise of an Option, as the case may be, where the Shares the subject of the Award or Option are sourced from the pool of Shares held by the Trustee. Upon the Vesting of an Award or exercise of an Option in respect of Shares sourced from the Company, the Award Holder or Option Holder, as the case may be, shall pay to the Company such price as shall be specified by the Compensation Committee provided such price shall at the time equal or exceed the aggregate nominal value of the Shares the subject of the Award or Option.

3. **LIMIT ON NUMBER OF SHARES TO BE THE SUBJECT OF AWARDS OR OPTIONS UNDER THIS SCHEME**

3.1 **General**

Subject to Rule 3.4, the number of Shares which may be the subject of Awards and Options shall be limited as set out in this Rule 3.

For the purpose of Awards and Options granted under this Scheme, Shares may be sourced from the pool of Shares held by the Trustee or by the issue of new Shares by the Company (which shall include treasury shares held by the Company). As Shares held by the Trustee will be sourced from market purchases and are non dilutive only Awards and Options sourced from the issue of Shares by

the Company under this Scheme or any other Employee Share Scheme will count for the purpose of the limits set out in the remainder of this Rule. The Compensation Committee may decide to change the way in which it is intended that an Award or Option may be satisfied after it has been granted, having regard to the provisions of Rule 3

3.2 **Ten per cent in ten years**

The Compensation Committee may not grant Awards or Options which might result in the issue of new Shares if it would have the effect of increasing the total number of Shares that have been or may be issued, pursuant to awards and options granted under the Scheme and any other employee share based schemes of the Company in the ten year period preceding the proposed Date of Grant so as to exceed 10% of the Company's issued share capital at the Date of Grant.

3.3 **Five per cent in ten years**

The Compensation Committee may not grant Awards or Options which might result in the issue of new Shares if it would have the effect of increasing the total number of Shares that have been, or may be issued, pursuant to this Scheme and all other discretionary Share based schemes in the ten year period immediately preceding the proposed Date of Grant so as to exceed 5% of the Company's issued share capital at the Date of Grant.

3.4 **Computation**

For the purpose of the limits contained in this Rule 3:

3.4.1 Any Shares committed for issue under an Award or an Option shall be taken into account once only by reference to the date when the Award or Option is made. Treasury shares used to settle the Vesting of an Award or the exercise of an Option shall count as newly issued shares and shall be included in the calculation of the issued share capital for the purpose of calculating the limits until such time as guidelines published by institutional investor representative bodies recommend otherwise;

3.4.2 the limits shall count and apply to any Awards and Shares committed for issue under any sub plan or schedule created under Rule 17.5;

3.4.3 there shall be disregarded any Shares subject to an Award or Option which have lapsed, been renounced or refused or otherwise become incapable of Vesting;

3.4.4 Shares issued by the Company to holders of awards under any share based incentive scheme of Betfair or its subsidiaries: (i) in satisfaction of any right to acquire Shares granted to such persons in replacement of such awards at the time of and in connection with the merger of the Company and Betfair; and (ii) pursuant to the articles of association of Betfair as amended in connection with the merger of the Company and Betfair, shall be disregarded as shall any Shares delivered to such award holders by any trustee holding Shares for the benefit of former employees of Betfair or its subsidiaries;

3.4.5 there shall be disregarded any shares issued by Betfair under any share based incentive scheme of Betfair or its subsidiaries during the ten year period preceding any Date of Grant; and

3.4.6 no account shall be taken of any Shares where the right to receive such Shares has been or is to be satisfied other than by the issue or allotment of any part of the share capital of the Company (including, without limitation, by the transfer of existing Shares or cash).

4. **LIMIT ON NUMBER OF SHARES GRANTED TO ELIGIBLE EMPLOYEES**

4.1 **Individual Limits**

No Eligible Employee may be granted Awards or Options which would, at the time they are granted, cause the value of all of the Shares subject to Awards and/or Options granted under the Scheme to that Eligible Employee in respect of a particular calendar year to exceed four times his Base Salary at that time. For the avoidance of doubt, Shares which are the subject of an Award or Option will be valued based on their Market Value.

5. **CONDITIONS ATTACHING TO AWARDS AND OPTIONS**

5.1 **Imposition of Conditions**

Subject to Rule 5.5, on the grant of an Award or an Option, the Compensation Committee may impose such conditions on Vesting or exercise which the Compensation Committee determines to be appropriate in its absolute discretion.

5.2 **Nature of Conditions**

Any condition imposed under Rule 5.1 shall:

5.2.1 be objective;

5.2.2 include a performance condition or conditions determined by the Compensation Committee (in its absolute discretion) at the start of each Performance Period which is appropriate to incentivise Eligible Employees to meet the Group's strategic goals;

5.2.3 specify such other targets as the Compensation Committee deems appropriate; and

5.2.4 specify the date on which the Award or Option shall lapse;

and be set out in, or attached in the form of a schedule to, the Award Certificate or Option Certificate, as the case may be. Management or the Compensation Committee shall have the discretion to adjust the formulaic vesting outcome (up or down) to ensure it accurately reflects the Company's underlying performance.

5.3 **Substitution, variation or waiver of Conditions in respect of Awards or Options Granted**

If the Compensation Committee considers that any condition imposed under Rule 5.2 is no longer appropriate or fair to Award Holders or Option Holders (e.g. due to the imposition of industry specific taxation changes including product fees), it may make such adjustments to the Performance Condition calculations or substitute, vary or waive the condition (and make such consequential amendments to the Rules) in such manner as:

5.3.1 is reasonable in the circumstances; and

5.3.2 is neither materially more nor less difficult to satisfy than was intended at the Date of Grant.

The outstanding Award or Option shall then take effect subject to the condition as so substituted, varied or waived.

5.4 **Notification of Award and Options Holders**

The Compensation Committee, as soon as is reasonably practicable, shall notify each Award Holder and Option Holder of any determination made by it under this Rule.

5.5 **Clawback of Awards or Options**

5.5.1 The Compensation Committee may decide at any time up to the second anniversary of the Vesting of an Award or, in the case of an Option, up to the second anniversary of the date on which that Option first becomes exercisable, that the person to whom the Award or Option was granted (the "Relevant Participant") shall be subject to clawback for any of the following:

(a) there is a material restatement of the financial statements of the Company or any of its Subsidiaries for any of the financial years ending after the grant of such Award or Option. The Compensation Committee will in its sole discretion determine what constitutes a material restatement; or

(b) the financial statements of the Company used in assessing the number of Shares over which the Award or Option was granted were misstated, or that any other information relied on in making such assessment proves to have been incorrect and, in any case, the Award or Option was granted in respect of a greater number of Shares than would have been the case had there not been such a misstatement or reliance on incorrect information or had such error not been made or had such event not occurred; or

(c) the Compensation Committee forms the view that in assessing the extent to which any Performance Condition and/or any other condition imposed on the Award or Option was satisfied such assessment was based on an error, or on inaccurate or misleading information or assumptions and that such error, information or assumptions resulted either directly or indirectly in that Award Vesting to a greater degree than would have been the case had that error not been made; or

(d) some or all of the Performance Conditions, which were deemed to have been satisfied in respect of the Award or Option have only been satisfied as a consequence of any direct or indirect manipulation on the part of the Relevant Participant. For the purpose of this Rule, "manipulation" means anything done, without the knowledge of the Compensation Committee, for the Relevant Participant's own personal gain which is unreasonable and not done for the benefit of the Company; or

(e) the Relevant Participant is found guilty of or pleads guilty to a crime that is related to or damages the business or reputation of the Company or any of its Subsidiaries; or

(f) the Relevant Participant is guilty of serious misconduct or gross negligence, which causes loss or reputational damage to the Company or any of its Subsidiaries.

5.5.2 Where the Compensation Committee decides that an Award or Option is subject to Clawback:

(a) the Compensation Committee may require the Relevant Participant to forfeit the right to all or part of the Shares which would, but for the operation of this Rule 5.5, be transferable to him in respect of such Award or Option; and/or

(b) the Compensation Committee may reduce (including, if appropriate, reducing to zero):

(i) the extent to which any other subsisting Awards or Options held by the Relevant Participant are to Vest notwithstanding the extent to which any Performance Condition and/or any other condition imposed on such other Awards or Option have been satisfied; and/or

(ii) the extent to which any rights to acquire Shares (including annual incentive deferred into Shares) granted to the Relevant Participant under any share incentive plan (other than the Scheme) operated by the Company vest or become exercisable notwithstanding the extent to which any conditions imposed on such rights to acquire Shares have been satisfied; and/or

(iii) the number of Shares subject to any vested but unexercised Option; and/or

(iv) the number of Shares subject to any vested but unexercised right to acquire Shares granted to the Relevant Participant under any share incentive plan (other than the Scheme) operated by any Company in the Group.

5.5.3 The Compensation Committee may require the Relevant Participant (whether or not he is a director or employee of a Group Member at the time when the Clawback is applied) to return or pay to such company as the Compensation Committee may direct, and on such terms as the Compensation Committee may direct (including, without limitation, on terms that the relevant amount is to be deducted from the Participant's salary or from any other payment to be made to the relevant Participant by any Group Member), such amount and/or such number of Shares as is required for the Clawback to be satisfied in full.

5.5.4 Any reduction made pursuant to Rule 5.5.2(b)(i) and/or Rule 5.5.2(b)(ii) shall take effect immediately prior to the Vesting of the Award or Option or the right vesting or becoming exercisable (as applicable) (or at such other time as the Compensation Committee decides) and any reduction made pursuant to Rule 5.5.2(b)(iii) and/or Rule 5.5.2(b)(iv) shall take effect at such time as the Compensation Committee decides.

5.5.5 The Compensation Committee may decide at any time to reduce the number of Shares subject to an Award or Option (including, if appropriate, reducing to zero) to give effect to a clawback provision of any form contained in any incentive plan (other than the Scheme) or bonus plan operated by any company in the Group. The value of the reduction shall be in accordance with the terms of the clawback provision in the relevant plan or, in the absence of any such term, on such basis as the Compensation Committee decides is appropriate.

5.5.6 Where Rule 5.5.1(e) above applies, the amount and/or such number of Shares to be subject to Clawback shall be such amount and/or such number of Shares as the Compensation Committee decides is appropriate but the amount of the Clawback and/or such number of Shares shall be limited to the net (post-tax) amount of such value.

5.5.7 Nothing in this Rule 5.5 shall apply to any Award, Option or other incentive granted prior to the date of adoption of this Scheme.

5.5.8 This Rule shall not apply after the Company is subject to a takeover or other corporate event under Rule 9 (provided that the relevant event is not an Internal Reorganisation).

5.6 **Compliance with applicable laws**

The Company may adopt such other malus and clawback policy to the extent necessary or appropriate to comply with all applicable laws, including, without limitation, the Dodd-Frank Wall Street Reform and Consumer Protection Act and any rules, regulations or listing standards promulgated thereunder and all Awards shall be subject to such policy (whether or not such policy was in place at the time of grant of the Award or Option).

5.7 **Substitution, Variation or Waiver of Conditions in respect of Awards or Options to be Granted**

If prior to the grant of an Award or Option, there is introduced, or proposed to be introduced, in any jurisdiction in which any member of the Group does business any industry specific taxation change, including product fees, which impacts, or may impact, upon the calculation of any Performance Condition in respect of any Accounting Period, or part of an Accounting Period, forming part of the Performance Period but did not equivalently impact upon any Performance Condition in respect of the Accounting Period immediately preceding the Performance Period, the Compensation Committee, acting reasonably, may take such action that it thinks appropriate in the adjustment of any part of the Performance Condition calculations or in the substitution, variation or waiver of any condition in respect of Awards or Options to be granted to ensure consistency of comparison in the numbers underlying the calculation of the Performance Condition.

6. GRANT OF OPTIONS

Options may be granted by the Compensation Committee in favour of Eligible Employees in respect of Shares sourced from the Trustee or from the Company with the price payable by the Option Holder on exercise being zero, in the case of Shares sourced from the Trustee, or, the aggregate nominal value of the Shares the subject of the Option, in the case of Shares sourced from unissued share capital of the Company, with the performance period being the same as the Performance Period and the performance conditions being the same as those applicable to Awards granted under the terms of the Scheme. The provisions of this Scheme which apply to Awards shall also apply to Options with all necessary modifications and changes as determined by the Compensation Committee. All such Options shall be granted on the basis that they shall be exercisable within a period of less than seven years after the Date of Grant where the exercise price is less than the Market Value at the Date of Grant.

7. VESTING OF AWARDS AND OPTIONS

7.1 **Vesting of Awards and Options**

Subject to Rules, 8 and 9, an Award may Vest and an Option may become exercisable on such date as may be specified by the Compensation Committee after the date on which the Performance Condition applicable thereto (in its original form or as substituted or varied from time to time), has been satisfied provided that no Award Holder shall be entitled to Vest such Award and no Option Holder entitled to exercise an Option earlier than the second anniversary of the Date of Grant thereof.

The Compensation Committee may adjust the Vesting or exercise dates and limits set out herein and the performance period in its absolute discretion to take account of any change in the Company's accounting period which may occur during the Vesting Period.

7.2 **Award and Option Holders to be employed within the Group**

Subject to the provisions of Rule 8, an Award may Vest or an Option may be exercised only while the Award Holder or Option Holder is employed within the Group and if he ceases to be employed within the Group, any Award or Option granted to him shall lapse to the extent that it has not Vested or been exercised prior to the date of such cessation.

7.3 **Effect of any Dealing Restriction Period**

If an Award becomes capable of Vesting or an Option capable of exercise during a period when a Dealing Restriction applies, the holder thereof shall not become entitled to receive the Shares nor shall the Trustee or the Company be under any obligation to deliver the Shares until the Dealing Restriction ends notwithstanding any other provision contained in these Rules.

7.4 **Acquisition of Shares for Awards and Options**

7.4.1 The Company may from time to time fund the Trustee as and when the Trustee requires funds to purchase Shares in the market or otherwise.

7.4.2 In circumstances determined by the Compensation Committee, in its absolute discretion, a request may be made to the Trustee to satisfy the obligation to deliver Shares on Award Vesting or Option exercise (to any Award Holder or Option Holder other than an executive director) by the payment to the Award Holder or Option Holder, as the case may be, of a cash payment equal to the aggregate Market Value of the Shares the subject of such Award or Option (the "Net Payment").

7.5 **Post Vesting Holding Period**

The Compensation Committee, in its absolute discretion, may at any time, impose on an Award Holder or Option Holder, as the case may be, the requirement to retain Shares derived from any Award or Option or any Net Payment for such period, and on such conditions as it shall determine in its absolute discretion, provided that in specifying the number of such Shares or the amount of the Net Payment, to be held, due regard shall be had to the need for such holders to discharge taxation liabilities arising on the Vesting or exercise of any such Award or Option or the receipt of any Net Payment, as the case may be, and provided further that the Compensation Committee shall be entitled to impose such a requirement on one Award Holder or Option Holder but not on another (a "Retention Restriction").

8. **CESSATION OF EMPLOYMENT**

8.1 Notwithstanding, the provisions of Rules 7.1 and 7.2, if a Participant ceases to be employed by a Group Member before or after his Award is capable of Vesting or Option is capable of exercise, as the case may be, by reason of:

8.1.1 death;

8.1.2 ill health, injury or disability evidenced to the satisfaction of the Compensation Committee;

8.1.3 redundancy (within the meaning of the Redundancy Payments Acts 1967 to 2022 or any overseas equivalent) if the Compensation Committee so decides;

8.1.4 retirement, with the agreement of the Compensation Committee;

8.1.5 his office or employment being with either a company which ceases to be a Group Member or relating to a business or part of a business which is transferred to a person who is not a Group Member; or

8.1.6 for any other reason, if the Compensation Committee so decides;

his Awards shall Vest and his Options shall become exercisable (to the extent not already exercisable), in each case to the extent determined by the Compensation Committee in accordance with Rule 8.2 either on (i) the date of cessation of employment with the Group Member, or (ii) the end of the original Vesting Period or (iii) such other date as shall be determined by the Compensation Committee in its absolute discretion (including, but not limited to, the date on which any post cessation restrictive covenants entered into by the Participant expire). Any Option shall lapse unless exercised by the Participant or by his personal representative within a period of six months (or such other period as determined by the Compensation Committee in its discretion) after: (a) the date on which the Option becomes exercisable in accordance with this Rule 8.1; or (b) in the case of an Option which was already exercisable on the date of cessation of employment, either (x) the date of cessation of employment with the Group Member, or (y) such other date as shall be determined by the Compensation Committee in its absolute discretion (including, but not limited to, the date on which any post cessation restrictive covenants entered into by the Participant expire).

8.2 Subject to Rules 8.3 to 8.5, the number of Shares in respect of which Vesting or exercising shall occur shall be determined by the Compensation Committee in its absolute discretion, taking into account:

8.2.1 the extent to which any Performance Condition has been satisfied either (as determined by the Compensation Committee) at the date of cessation of office or employment or at the end of the original Performance Period; and

8.2.2 unless the Compensation Committee determines otherwise, the period of time that has elapsed from the Date of Grant to the date of cessation of office or employment,

and to the extent that an Award does not Vest, or an Option does not become exercisable, in each case in full, the remainder will lapse immediately.

8.3 The Compensation Committee may, at any time prior to the date of eventual exercise, and in its absolute discretion, revoke any determination under Rule 8.1 to permit an Award or Option to continue for any reason including (without limitation) a breach by the Award Holder or Option Holder of any restrictive covenants contained within his or her employment contract or any settlement agreement in respect of termination of his employment or otherwise, in which case the Award or Option shall lapse immediately from the date of such revocation.

8.4 An Award Holder or Option Holder shall not be treated for the purposes of these Rules as ceasing to be employee until such time as he is no longer an employee of any Group Member.

8.5 Where an Award Holder or Option Holder's contract of employment with the Group is terminated without notice, such employment shall be deemed to cease on the date on which the termination takes effect, and where the said contract is terminated by notice given by a Group Member or by an Award Holder or Option Holder, such employment shall be deemed to cease on the date on which that notice expires..

8.6 **Retention Restriction Release**

The Compensation Committee, in its absolute discretion, may release any Shares or any Net Payment the subject of a Retention Restriction after an Award Holder or Option Holder ceases to be employed for any of the reasons set out in Rule 8.1.

8.7 **Award Holder Relocating Abroad**

Notwithstanding any other provision of these Rules, if it is proposed that an Award Holder or Option Holder (who is not an executive director of the Company), while continuing to be an Eligible Employee, shall work in a country other than the country in which he is currently working and, by reason of such change he:

8.7.1 suffers less favourable tax treatment in respect of his Awards or Options; or

8.7.2 becomes subject to a restriction that impedes or limits the issuance or transfer of the Shares subject to an Award or Option or limits or impedes his ability to hold or deal with such Shares,

his Award or Option, at the discretion of the Compensation Committee, may (i) either Vest or be exercised, as the case may be, in whole or in part, at such time or times as the Compensation Committee shall determine or (ii) be adjusted in a manner designed to overcome in whole or in part, such treatment or restriction.

9. TAKEOVER, RECONSTRUCTION, AMALGAMATION OR WINDING UP OF COMPANY

9.1 **Corporate Events**

Where any of the events described in Rule 9.2 occur, then subject to Rules 10 and 11, Awards and Option will Vest in accordance with Rule 9.3 at the time of such event unless they Vest earlier in accordance with Rule 9.4.2. Subject to Rule 9.3 Options will be exercisable for 30 days from the date of the relevant event described in Rule 9.2, after which all Options will lapse.

9.2 **Relevant Events**

The events referred to in Rule 9.1 are:

9.2.1 General offer

If any person (either alone or together with any person Acting in Concert with him)

(a) obtains Control of the Company as a result of making a general offer to acquire Shares; or

(b) already having Control of the Company, makes an offer to acquire all of the Shares other than those which are already owned by him and such offer becomes wholly unconditional.

9.2.2 Scheme of arrangement

A compromise or arrangement in accordance with Chapter 1 of Part 9 of the Companies Act 2014 for the purposes of a change of Control of the Company is sanctioned by the Court.

9.2.3 Winding-up

On the passing of a resolution for the voluntary winding-up or the making of an order for the compulsory winding up of the Company.

9.3 **Determination of the Compensation Committee**

9.3.1 An Award or Option will Vest pursuant to Rule 9.1 taking into account all factors which the Compensation Committee considers relevant, the extent to which any Performance Condition has been satisfied and, unless the Compensation Committee determines otherwise, the period of time from the Date of Grant to the date of the relevant event. To the extent that an Award or Option does not Vest, or is not exchanged in accordance with Rule 10, it will lapse immediately.

9.3.2 Any reference to the Compensation Committee in this Rule 9 means the members of the Compensation Committee immediately prior to the relevant event which is the subject of this Rule 9.

9.4 **Other Events**

9.4.1 If the Company is or may be affected by a merger with another company, demerger, delisting, special dividend or other event which, in the opinion of the Compensation Committee, may affect the current or future value of Shares:

(a) the Compensation Committee may determine that an Award or Option will Vest or must be exercised conditionally on the event occurring;

(b) if the event does not occur then the conditional Vesting or exercise will not be effective and the Award or Option will continue to subsist;

(c) if an Award or Option Vests under this Rule 9.4, it will Vest taking into account the extent to which any Performance Condition has been satisfied at the date of the relevant event and, unless the Compensation Committee determines otherwise, the period of time from the Date of Grant to the date of the relevant event (or if the event occurs during a post Vesting retention period, to the beginning of the post Vesting retention period); and

(d) to the extent that an Award or Option does not Vest, it will lapse immediately.

The Compensation Committee will then also determine the period during which any Vested Option may be exercised, after which time it will lapse.

9.4.2 If the Compensation Committee determines that there would be any adverse tax consequence if an Award or Option were to Vest on or after an event described in this Rule 9, then the Compensation Committee may resolve that Awards will Vest on an earlier date.

9.5 **Discretion of Compensation Committee**

In determining the basis of Vesting or exercise of Awards or Options, as the case may be, in the circumstances set out in Rules 9.1 to 9.4 or the release of a Retention Restriction in respect of Shares derived from Awards or Options or a Net Payment, the Compensation Committee, acting fairly and reasonably, may take such actions as it considers fair in the circumstances.

10. EXCHANGE OF AWARDS AND OPTIONS ON TAKEOVER OF COMPANY

10.1 An Award will not Vest or an Option will not become exercisable under Rule 9 but will be exchanged on the terms set out in Rule 10 to the extent that:

(a) an offer to exchange the Award (the "Existing Award") or Option (the "Existing Option") is made and accepted by a Participant;

(b) there is an Internal Reorganisation; or

(c) the Compensation Committee decides (before the event) that an Existing Award or Existing Option will be exchanged automatically.

10.2 If Rule 10.1 applies, the Existing Award will not Vest or Existing Option will not become exercisable but will be exchanged in consideration of the issue of a new award (the "New Award") or new option (the "New Option") which, in the opinion of the Compensation Committee, is equivalent to the Existing Award or Existing Option, but relates to shares in a different company (whether the acquiring company or a different company) ("New Shares").

10.3 The New Award or New Option shall not be regarded for the purposes of this Rule 10 as equivalent to the Award or the Option unless:

10.3.1 save for any condition imposed under Rule 5.1, the New Award or the New Option shall Vest or be exercised, as the case may be, in the same manner as the Award and the Option and subject to the same provisions of the Scheme as it had effect immediately before the release of the Award or Option, as the case may be;

10.3.2 the aggregate Market Value of the shares which are the subject of the New Award or the New Option is the same as the maximum possible amount which would have been received where the Award or Option become exercisable in its entirety; and

10.3.3 the total amount payable by the Award Holder or the Option Holder for the acquisition of the New Shares under the New Award or the New Option, as the case may be, is as nearly as may be equal to the total amount that would have been payable by the Award Holder or the Option Holder for the acquisition of the Shares under the Award or the Option, as the case may be.

10.4 The date of grant of the New Award or New Option shall be deemed to be the same as the Date of Grant of the Award or the Option, as the case may be.

10.5 In the application of the Scheme to the New Award or the New Option, where appropriate, references to "Company" and "Shares" shall be read as if they were references to the company to whose shares the New Award or New Option, as the case may be, relates and the New Shares respectively, save that in the definition of "Committee" the reference to "Company" shall be read as if it were a reference to Flutter Entertainment plc.

11. **LAPSE OF AWARDS AND OPTIONS**

In addition to any other Rule providing for lapsing, an Award or Option shall lapse on the earliest of:

11.1 subject to Rule 8.1, the date specified in the Award Certificate or Option Certificate for lapsing;

11.2 the Compensation Committee determining that any condition imposed under Rule 5.1 has not been satisfied in relation to the Award or Option and can no longer be satisfied either in whole or in part; and

11.3 the date on which a resolution is passed or an order is made by the court for the compulsory winding up of the Company.

12. **SHARES TRANSFERRED/ISSUED ON VESTING**

12.1 **Rights attaching to Shares**

Prior to Vesting or exercise an Award Holder or Option Holder, as the case may be, shall have no right over or in respect of any Shares which are capable of being acquired or held for the benefit of the Award Holder or Option Holder under the relevant Award or Option. On the Vesting of an Award or exercise of an Option, the relevant Shares shall, as to voting, dividend and other rights, including those arising on a liquidation of the Company, rank equally in all respects and as one class with the Shares in issue at the date of such Vesting and the Award Holder or Option Holder, as the case may be, shall be entitled to all rights attaching to such Shares arising by reference to a record date after the date of Vesting or exercise.

12.2 **Dividends**

Subject to Rule 12.3, upon the Vesting of an Award in respect of Shares sourced from the Trustee an Award Holder shall be entitled to receive such number of additional Shares, calculated by the Company (in its absolute discretion), by dividing the aggregate of the net after Tax dividends received in respect of the Shares the subject of the Award in the period commencing on the Date of Grant of such Award and ending on the day prior to Vesting by the price of the Shares on the Official List (or equivalent such record) of the Stock Exchange at the close of business on the day prior to Vesting (the "Dividend Shares"). The Dividend Shares shall form part of the Award for all purposes and be subject to the terms and conditions set out in these Rules as if they formed part of the Award ab initio. The entitlement to Dividend Shares shall only arise upon the Vesting of the original Award of which they form part and the Award Holder shall have no right or interest of any kind in respect of these Shares unless and until the Vesting of the original Award occurs. If an Award shall Vest in part the number of Dividend Shares the Award Holder shall receive shall be reduced so that the Dividend Shares received shall bear the same proportion to the total number of Dividend Shares as the proportion that the Award that Vests bears to the entire Award.

Upon the Vesting of an Award in respect of Shares sourced from the unissued share capital of the Company, the Compensation Committee, in its absolute discretion, may determine to procure that the Board shall allot such additional number of Shares as shall equal the entitlement to Dividend Shares that would have been transferred to the Award Holder had he received an Award or Share sourced from the pool of Shares held by the Trustee.

An Option Holder shall be entitled to Dividend Shares on the same basis as an Award Holder with the calculation of the amount of his dividend entitlement being based on the net after tax amount of dividends that would have been payable on the Shares the subject of the Option in the period commencing on the Date of Grant and ending on the earliest date the relevant Options could have been exercised had such Shares been in issue.

12.3 **Exclusion**

The automatic entitlement of an Award Holder to Dividend Shares under the provisions of Rule 12.2 shall not apply to Dividend Shares that may be funded from any special or exceptional dividend payable by the Company and, in such circumstances, the Compensation Committee shall determine, in its absolute discretion, whether or not a Dividend Share entitlement shall arise.

For the avoidance of any doubt, the proceeds payable to the Trustee in respect of any repurchase by the Company of Shares from the Paddy Power Betfair plc Employee Benefit Trust are not within the remit of Rule 12.2.

13. ADJUSTMENT OF AWARDS AND OPTIONS ON REORGANISATION

13.1 **Power to adjust Awards and Option**

The number of Shares subject to an Award or an Option and/or any Performance Condition applicable thereto may be adjusted in such manner as the Compensation Committee determines in the event of:

13.1.1 any variation of the share capital of the Company; or

13.1.2 a merger with another company, demerger, delisting, special dividend, rights issue or other event which may, in the opinion of the Compensation Committee, affect the current or future value of the Shares.

13.2 **Notification of Award Holders and Option Holder**

The Compensation Committee shall, as soon as reasonably practicable, notify each Award Holder and Option Holder of any adjustment made under this Rule 13. The Compensation Committee may call in for endorsement or cancellation and re-issue of any Award Certificate or Option Certificate in order to take account of such adjustment.

14. DEDUCTIONS

14.1 **Withholding Tax and Social Security Deductions**

Where, in relation to an Award or Option granted under the Scheme, the Compensation Committee, the Trustee, the Company or any Group Member (as the case may be) is liable, or is in accordance with current practice believed by the Compensation Committee, the Trustee or the Company to be liable, to account to any revenue or other authority for any sum in respect of any tax or social security liability of the Award Holder or Option Holder (a "Relevant Liability"), neither the Trustee nor the Company, as appropriate, shall be under any obligation to acquire Shares for the benefit of the Award Holder or Option Holder or transfer or issue Shares, as appropriate, to the Award Holder or Option Holder unless the Award Holder or Option Holder, as the case may be, has paid to the Trustee, the Company or Group Member (as the case may be) an amount sufficient to discharge the liability.

In addition, any Group Member and/or the Trustee shall have the discretion to retain sufficient of the Shares the subject of any Award or Option to ensure that any liability to taxation or otherwise of the Award Holder or Option Holder or the Company or the Group Member or the Trustee in respect of the receipt by any such holder of such Shares is capable of discharge.

14.2 **Indemnity**

Each Award or Option shall be granted on terms that the Participant agrees to indemnify and keep indemnified the Company and any Group Member and any other relevant person to the extent permitted by law in respect of any Relevant Liability and that upon Vesting of an Award or exercise of an Option, the provisions of Rule 14.2 shall apply (and for this purpose a company in the Group includes a company that has been a Group Member).

14.3 **Execution of Award/Option Certificate by Award/Option Holder**

The Compensation Committee may require an Award Holder or Option Holder to execute a copy of the Award Certificate or Option Certificate or some other document in order to bind himself contractually to any such arrangement as is referred to in this Scheme (including the application of Clawback in respect of them) and return the executed document to the Compensation Committee by a specified date. Failure to return the executed document by the specified date shall cause the Award or Option to lapse.

15. **LEGAL ENTITLEMENT**

15.1 This Rule 15 applies during a Participant's employment with any Company in the Group and after the termination of such employment, whether or not the termination is held to be lawful.

15.2 This Rule 15 shall apply irrespective of whether the Compensation Committee has discretion in the operation of the Scheme, or whether the Company or the Compensation Committee could be regarded as being subject to any obligations in the operation of the Scheme.

15.3 Nothing in the Scheme or its operation forms part of the terms of employment of a Participant and the rights and obligations arising from a Participant's employment with any Company in the Group are separate from, and are not affected by, his participation in the Scheme.

15.4 Awards or Options will not (except as may be required by taxation law) form part of the emoluments of any Participant or count as wages or remuneration for pension or other purposes.

15.5 Nothing in the Scheme or its operation will confer on any person any right to continue in employment and neither will it affect the right of any Group Member to terminate the employment of any person without liability at any time (with or without cause) or impose upon the Compensation Committee or any other person any duty or liability whatsoever in connection with:

15.5.1 the lapsing of any Award or Option pursuant to the Scheme;

15.5.2 the failure or refusal to exercise any discretion under the Scheme; or

15.5.3 a Participant ceasing to hold office or employment for any reason whatsoever.

15.6 The issue of any Award or grant of an Option to a Participant does not create any right for that Participant to be issued any further Awards/Options or to be issued Awards/Options on any particular terms, including the number of Shares to which Awards/Option relate whether under this Scheme or any other scheme.

15.7 Participation in the Scheme is permitted only on the basis that the Eligible Employee accepts all the provisions of these Rules, including in particular this Rule 15. By participating in the Scheme, a Participant waives all rights to compensation for any loss in relation to the Scheme, including:

15.7.1 any loss of office or employment;

15.7.2 any loss or reduction of any rights, benefits or expectations in relation to the Scheme in any circumstances or for any reason, including lawful or unlawful termination of the Participant's employment;

15.7.3 any exercise of a discretion or a decision taken in relation to an Award or to the Scheme, or any failure to exercise a discretion or take a decision;

15.7.4 the operation, suspension, termination or amendment of the Scheme.

15.8 Each of the provisions of each Rule of the Scheme is entirely separate and independent from each of the other provisions of each Rule. If any provision is found to be invalid then it will be deemed never to have been part of the Rules and to the extent that it is possible to do so, this will not affect the validity or enforceability of any of the remaining provisions of the Rules.

15.9 No representation or guarantee is given in respect of the future value of the Shares which are the subject of any Awards. Each Award is made on the basis that the Participant accepts that such value is unknown, indeterminable and cannot be predicted with certainty. Furthermore, the issue of an Award or grant of an Option shall in no way affect the Company's right to adjust, reclassify, reorganise or otherwise change its capital or business structure or to merge, consolidate, dissolve, liquidate or sell or transfer all or any part of its business or assets.

15.10 No Group Member shall be liable for any foreign exchange rate fluctuation between the Participant's local currency and the euro that may affect the value of the Award or Option or of any amounts due to the Participant pursuant to the vesting of the Award or the subsequent sale of any Shares acquired upon Vesting and/or settlement.

16. ADMINISTRATION OF SCHEME

16.1 Compensation Committee responsible for administration

The Compensation Committee shall be responsible for, and shall have the conduct of, the administration of the Scheme. The Compensation Committee may from time to time make or amend regulations for the administration of the Scheme provided that such regulations shall not be inconsistent with the Rules of the Scheme.

16.2 Compensation Committee decision final and binding

The decision of the Compensation Committee shall be final and binding in all matters relating to the administration of the Scheme, including but not limited to the resolution of any ambiguity in the Rules of the Scheme.

16.3 Suspension or termination of grant of Awards/Options

The Compensation Committee may terminate or from time to time suspend the grant of Awards or Options

16.4 Provision of Information

The Trustee and an Award Holder or Option Holder shall provide to the Company as soon as reasonably practicable such information as the Company reasonably requests for the purpose of complying with its obligations under Section 128(11) of TCA 1997.

16.5 **Cost of Scheme**

The cost of introducing and administering the Scheme shall be met by the Company. The Company shall also be entitled, if it wishes, to charge to a Subsidiary the opportunity cost of issuing Shares to an Award Holder or Option Holder employed by the Subsidiary following the Vesting of an Award or Option, as the case may be.

17. AMENDMENT OF SCHEME

17.1 **Power to amend Scheme**

Subject to Rules 17.2 and 17.3 the Compensation Committee may from time to time amend all or any of the Rules of the Scheme.

17.2 **Amendments to Scheme**

Without the prior approval of the Company in general meeting, an amendment may not be made for the benefit of existing or future Award Holders or Option Holders to the Rules of the Scheme relating to:

17.2.1 the persons to whom or for whom securities, cash or other benefits are provided for under the Scheme;

17.2.2 the limit on the number or amount of Shares, cash or other benefits subject to the Scheme;

17.2.3 the maximum entitlement of any one Award Holder or Option Holder under the Scheme;

17.2.4 the basis for determining an Award Holder or Option Holder's entitlement to, and the terms of securities, cash or other benefits to be provided and for the adjustment thereof (if any) if there is a capitalisation issue, rights issue or open offer, subdivision or consolidation of Shares or reduction or any other variation of capital;

PROVIDED HOWEVER that this Rule 17.2 shall not prohibit any amendment which is of a minor nature and benefits the administration of the Scheme or any amendment which is necessary or desirable in order to take account of a change of legislation or to obtain or maintain favourable tax, exchange control or regulatory treatment for participants in the Scheme, the Company or some other Group Member.

17.3 **Rights of existing Award/Option Holders**

An amendment may not adversely affect the rights of an existing Award Holder or Option Holder (save in respect of the Performance Conditions) except where the amendment has been approved by the existing Award Holders and Option Holders who together represent the holders of Awards and/or Options which have the majority of Shares which are the subject of Awards and Options outstanding at the time.

17.4 **Notification of Award/Option Holders**

The Compensation Committee shall, as soon as reasonably practicable, notify each Award Holder and Option Holder of any amendment to the Rules of the Scheme under this Rule 17.

17.5 **Changes to take account of foreign jurisdiction**

The Compensation Committee may incorporate additional schedules to the Rules in any jurisdiction in which employees are based. These schedules may vary the Rules or establish country specific sub plans to take account of any applicable tax, exchange control, securities laws or other regulations. The Shares issued pursuant to any Award or Option granted under any additional schedule will count towards the overall limits on the number of Shares that may be issued under the Scheme.

18. **DATA PROTECTION**

18.1 By accepting the grant of an Award, a Participant acknowledges that his or her Personal Data will be processed and disclosed as follows:

18.1.1 by the Company, the Trustee or any Group Member employing the Participant as they are required to collect, process and utilise the personal information or other relevant information pertaining to the Participant for purposes directly relevant to the Award granted to the Participant, and to disclose or transfer such information to other Group Members and, if necessary, a third party (including any broker, registrar or administrator) for the purpose of administering the Plan;

18.1.2 by the Company, the Trustee, any Group Member employing the Participant and any such third party so that they may utilise such information for the purpose of administering the Plan, provided that such information shall be kept confidential and shall not be used by any of them for any purposes not related to the administration of the Plan;

18.1.3 by the Company, the Trustee, any Group Member employing the Participant and any such third party (any of which may be located in the EEA or the UK or outside of the EEA and the UK) so that they may transfer the personal information or other relevant information pertaining to the Participant in the EEA/UK or outside of the EEA/UK for the purpose of administering the Plan (in which case the transfer shall be governed by "model contract clauses" or equivalent measures required under EU or UK data protection laws); and

18.1.4 by and to any future purchaser of the Company or Subsidiary employing the Participant, or any future purchaser of their respective undertakings or any parts thereof, for the purpose of administering the Plan and/or confirming the Participant's entitlement to an Award and/or any Plan Shares where such entitlement is relevant to such purchase.

18.2 By accepting the grant of an Award, a Participant acknowledges that the purposes described in Rule 18.1 are necessary for the performance of the Plan or are otherwise necessary for the legitimate interests of the Company, the Trustee or any Group Member employing the Participant in connection with the administration of the Plan. Should the Participant exercise any data subject rights in relation to his or her personal data, such as the right of objection or erasure, the Participant acknowledges that it may no longer be possible to administer the Plan in respect of the Participant. In that case the Awards may lapse and shall not be capable of Vesting and the Participant shall be deemed to have waived (without any right to compensation) any right to Plan Shares which are being held on his behalf by the Trustee.

18.3 Each Participant shall be provided with the information regarding the following by the Company, the Trustees or any Group Member employing the Participant to the extent that they are acting as controllers of the Participant's Personal Data (save where the Participant already has the information):

18.3.1 the purpose of the collection and use of the personal information or other relevant information pertaining to the Participant;

18.3.2 the information to be collected and used;

18.3.3 the period and method of retention and use of the personal information or other relevant information pertaining to the Participant;

18.3.4 details of any third parties to whom their information is disclosed or transferred including the purpose of such disclosure or transfer and, where applicable, the safeguards applied to any transfers of data outside of the EEA/UK;

18.3.5 the rights of the Participant in respect of access to, rectification and deletion of their information and any related disadvantages;

18.3.6 where applicable, the contact details of the Data Protection Officer of the relevant controller; and

18.3.7 the right to complain to the relevant data protection supervisory authority.

19. LISTING OF SHARES

If and for so long as the Shares are listed and traded on a Stock Exchange, the Company shall apply for the listing of any Shares issued under the Scheme as soon as possible. Where Shares are to be delivered to a Participant as a consequence of the Vesting of an Award or the exercise of an Option, the relevant Shares shall be delivered to the Participant in such manner as the Compensation Committee may in its discretion determine, including but not limited to procuring the issue of DIs representing the relevant Shares to the Participant or its nominee(s) and/or making arrangements for the relevant Shares to be held on behalf of the Participant in any securities settlement system to which the Shares are eligible for admission from time to time.

20. NOTICES

20.1 Notice by Trustee or Company

Any notice, document or other communication given by, or on behalf of, the Compensation Committee, the Trustee or the Company to any person in connection with the Scheme shall be deemed to have been duly given if delivered to him at his place of work, if he is employed within the Group, or sent through the post in a pre-paid envelope to the address last known to the Company to be his address and, if so sent, shall be deemed to have been duly given on the date of posting.

20.2 Deceased Award/Option Holders

Any notice, document or other communication so sent to an Award Holder or Option Holder shall be deemed to have been duly given notwithstanding that such Award Holder or Option Holder is then deceased (and whether or not the Compensation Committee have notice of his death) except where his personal representatives have established their title to the satisfaction of the Compensation Committee and supplied to the Compensation Committee an address to which notices, documents and other communications are to be sent.

20.3 **Notice to Compensation Committee, Trustees or Company**

Any notice, document or other communication given to the Compensation Committee, Trustee or the Company in connection with the Scheme shall be delivered or sent by post to the Company Secretary at the Company's registered office or such other address as may from time to time be notified to Award Holders or Option Holders but shall not in any event be duly given unless it is actually received at such address.

21. GOVERNING LAW

The formation, existence, construction, performance, validity and all aspects whatsoever of the Scheme, any term of the Scheme and any Award or Option granted under it shall be governed by the Laws of Ireland. The Courts of Ireland shall have jurisdiction to settle any dispute which may arise out of, or in connection with, the Scheme. The jurisdiction agreement contained in this Rule 21 is made for the benefit of the Company only, which accordingly retains the right to bring proceedings in any other court of competent jurisdiction. By accepting the grant of an Award or Option and not renouncing it, an Award Holder or Option Holder, as the case may be, is deemed to have agreed to submit to such jurisdiction.

22. ARBITRATION

Notwithstanding the provisions of Rule 21, all disputes and differences arising out of this Scheme or otherwise in connection therewith may be referred by the Company to arbitration pursuant to the provisions of the Arbitration Acts 2010 (as amended) and any Award Holder or Option Holder so affected shall submit to such arbitration.

APPENDIX 1

USA

This Appendix 1 shall apply to all Awards and Options granted under the Scheme to US Taxpayers. Except as amended or overridden by this Appendix 1, the Rules of the Scheme shall apply to Awards and Options granted under the Scheme to US Taxpayers. 2. **ADDITIONAL RULES**

2.1 With respect to Awards and Options granted to US Taxpayers, the Scheme is intended to comply with the applicable requirements of Section 409A and shall be limited, construed and interpreted in accordance with such intent. To the extent that any Award or Option granted to a US Taxpayer is subject to Section 409A (as opposed to being exempt from Section 409A), it shall be paid in a manner that will comply with Section 409A. Notwithstanding anything herein to the contrary, any provision in the Rules applicable to Awards or Options granted to a US Taxpayers that is inconsistent with Section 409A shall be deemed to be amended to comply with Section 409A and to the extent such provision cannot be amended to comply therewith, such provision shall be null and void. The Compensation Committee may amend the Rules or any Award Certificate at any time without a US Taxpayer's consent to comply with applicable law including Section 409A. The Company shall have no liability to a US Taxpayer, or any other party, if an Award or Option that is intended to be exempt from, or compliant with, Section 409A is not so exempt or compliant or for any action taken by the Compensation Committee, the Board or the Company and, in the event that any amount or benefit under the Scheme becomes subject to penalties under Section 409A, responsibility for payment of such penalties shall rest solely with the affected US Taxpayers and not with the Company. Notwithstanding any contrary provision in the Rules or any Award Certificate issued to a US Taxpayer, any payment of "nonqualified deferred compensation" (within the meaning of Section 409A) that is otherwise required to be made under the Scheme to a US Taxpayer that is a "specified employee" (as defined under Section 409A) as a result of such US Taxpayer's separation from service (other than a payment that is not subject to Section 409A) shall be delayed for the first six (6) months following such separation from service (or, if earlier, the date of death of such US Taxpayer) and shall instead be paid (in a manner set forth in the Award Certificate) upon expiration of such delay period.

2.2 The Compensation Committee may adopt, amend and terminate such arrangements and grant such Awards or Options to US Taxpayers, not inconsistent with the intent of the Scheme, as it may deem necessary or desirable to comply with Section 409A. The terms and conditions of such Awards and Options may vary from the terms and conditions that would otherwise be required by the Rules solely to the extent the Compensation Committee deems necessary for such purpose.

2.3 Options may be granted to US Taxpayers in accordance with the Scheme and may have such exercise price as determined by the Compensation Committee at the time of grant. To the extent that an Option is granted to a US Taxpayer with an exercise price that is less than 100% of the fair market value of a Share at the time of grant, any such Option shall be designed by the Compensation Committee at the time of grant either (i) to require exercise within the Short-Term Deferral Period so that such Option exercise will be exempt from Section 409A under the Short-Term Deferral Exemption, or (ii) to require exercise upon the occurrence of a permissible payment event under Section 409A so that such Option exercise will comply with the payment timing requirements under Section 409A.

2.4 The Shares underlying any Option granted to a US Taxpayer will in all instances constitute "service recipient stock," and will be transferred by the Company that is, with respect to such US Taxpayer, an "eligible issuer of service recipient stock" for purposes of Section 409A.

2.5 Notwithstanding anything contained in the Rules to the contrary, the exercise period for any Option granted to a US Taxpayer may not be extended beyond the original exercise period established for such Option at the time of grant.

2.6 Awards other than Options granted under the Scheme to US Taxpayers shall be designed by the Compensation Committee at the time of grant either (i) to require payment or the release of Shares within the Short-Term Deferral Period (or pursuant to any other exemption from Section 409A) so that such payment or release of Shares will be exempt from Section 409A under the Short-Term Deferral Exemption, or (ii) to require payment or the release of Shares upon the occurrence of a permissible payment event under Section 409A so that such payment or release of Shares will comply with the payment timing requirements under Section 409A.

2.7 No setoffs or deductions against any amounts owed to a US Taxpayer by a Group Member may be made hereunder to satisfy the clawback contemplated by Rule 5.5 to the extent that such setoff or deduction would result in adverse tax consequences to the US Taxpayer under Section 409A.

2.8 To the extent of any exchange of an Award or Option under Rule 10, or adjustment of an Award or Option under Rule 5.2 or 13, the terms and conditions of any New Award or New Option (or any adjusted Award or Option, as applicable) shall not modify the timing and schedule of payments applicable to the corresponding original Award or Option prior to such exchange or adjustment or otherwise result in any change to the terms and conditions applicable under the corresponding original Award or Option prior to such exchange or adjustment if such modification or change would result in adverse tax consequences to a US Taxpayer under Section 409A. For purposes of the exchange or adjustment of any Option granted to any US Taxpayer, any such exchange or adjustment shall comply with the requirements of U.S. Treasury Regulation Section 1.424-1 (and any amendment thereto).

2.9 Awards and Options granted under the Scheme to a US Taxpayer constitute unsecured promises by the Company or other Group Member to pay benefits in the future. US Taxpayers holding such Awards or Options shall have the status of general unsecured creditors of the Company or such other Group Member. Each Group Member shall be solely responsible for payment of the benefits of its employees and their beneficiaries. Benefits covered under this Appendix 1 are unfunded for US federal tax purposes. Any amounts set aside to defray the liabilities assumed by the Company or other Group Member shall remain the general assets of the Company or such Group Member, and shall remain subject to the claims of the Company's or such Group Member's creditors until such amounts are distributed to Participants.

3. **SECURITIES LAW COMPLIANCE**

3.1 Notwithstanding any provision of the Scheme or any Option Certificate or Award Certificate to the contrary (but subject to Rule 3.3 below), (i) no Option or Award shall be granted and no Share shall be delivered or sold to a US Taxpayer unless such grant, delivery and sale is in compliance with US federal securities laws and any applicable US state securities laws, and (ii) Shares acquired by a US Taxpayer pursuant to the exercise of Options or settlement of Awards may only be resold in compliance with the registration requirements or an applicable exemption from the registration requirements of the US Securities Act of 1933, as it may be amended from time to time.

3.2 Notwithstanding any provision of the Scheme or any Option Certificate or Award Certificate to the contrary, Awards and Options granted to a Participant who is a California Participant on the Date of Grant shall be subject to the following additional limitations, terms, and conditions, which for purposes of compliance with California Securities Law only shall be deemed to be a separate plan maintained solely for California Participants:

(a) except to the extent otherwise provided under Rule 3.3 of this Appendix 1, each Award and Option shall be granted in accordance with Rule 701;

(b) Awards and Options may not be granted more than ten (10) years after the date on which the Scheme is adopted or the date on which the Scheme is approved by the issuer's security holders, whichever is earlier;

(c) in the event of the termination of a California Participant's employment with each Group Member due to the California Participant's death or incapacity, (i) each Option held by such California Participant as of the date of such termination, to the extent that on such date (A) such Option is vested and (B) the Market Value of the Shares underlying such Option exceeds the exercise price of such Option on such date, shall be automatically exercised on a cashless basis on the date of such termination, and (ii) all other Options held by such California Participant, to the extent not automatically exercised as provided herein, shall immediately lapse and automatically be cancelled and cease to have any further legal force or effect whatsoever;

(d) the rights of a California Participant to acquire Shares under the Scheme shall be non-transferable except to the extent of a transfer by will, laws of descent and distribution, to a revocable trust, or as permitted by Rule 701;

(e) the number of Shares issuable under an Award or Option shall be proportionately adjusted in the event of a stock split, reverse stock split, stock dividend, recapitalization, combination, reclassification or other distribution of the Company's equity securities without the receipt of consideration by the Company of or on the Shares; and

(f) the number of California Participants may not exceed 35 unless the Scheme is approved by holders of a majority of the outstanding securities of the Company entitled to vote within twelve (12) months of the issuance of Shares under the Scheme in California.

3.3 In lieu of meeting the requirements set forth under Rule 3.2 of this Appendix 1, Awards and Options may be granted under the Scheme to any California Participant in accordance with any other registration exemption permitted under California Securities Law or by qualification under such law or compliance with applicable registration requirements, subject to such conditions as required by such law.

4. AMENDMENT AND ADMINISTRATION

For the avoidance of doubt, the Compensation Committee and/or the Board have the full authority, consistent with the Rules, to administer this Appendix 1, including authority to interpret and construe any provision of this Appendix 1, to identify Eligible Employees and Participants with respect to whom the provisions of this Appendix 1 may apply, and to adopt any regulations for administering this Appendix 1 and any documents it thinks necessary or appropriate. The decision of the Compensation Committee or Board, as applicable, on any matter concerning this Appendix 1 will be final and binding on all parties, notwithstanding any delegation of authority to a sub-committee.

2. **Operation of Plan in conjunction with any Bonus Plan**

The Compensation Committee may at any time and from time to time during the currency of the Plan notify such Eligible Employee as it may determine that all or part of a Bonus which may become payable to him shall be a Deferred Bonus which shall be subject to the terms of this Plan.

3. **Payment of a Deferred Bonus and issue of Awards**

3.1 The payment of a Deferred Bonus shall be deferred into an Award. The aggregate number of Shares which shall be the subject of such Award shall be the nearest whole number arising from the cash amount of the Deferred Bonus which is to be paid in Shares divided by the Market Value and rounded down to the nearest whole Share.

3.2 Without prejudice to the generality of the foregoing, the Compensation Committee may decide not to require part deferral of any part of a Deferred Bonus:

(a) in circumstances where there are adverse tax consequences for Participants or other compelling reasons; or

(b) in the case of Participants who are within two years of their normal retirement date.

3.3 Subject to any Dealing Restrictions and any other applicable laws or regulations in any jurisdiction, an Award may be issued to an Eligible Employee during an Issue Period.

3.4 Notwithstanding Rule 3.3, an Award may be issued at any other time when the Compensation Committee considers that circumstances are sufficiently exceptional to justify it being made outside an Issue Period.

3.5 An Award may only be issued to an Eligible Employee who has become eligible for a Bonus under the Bonus Plan.

3.6 Subject to the provisions of these Rules, the Eligible Employees to whom Awards are to be issued shall be determined by the Compensation Committee in its absolute discretion. All Awards shall be issued subject to the Rules and upon such other additional terms, which may include a Vesting underpin, as the Compensation Committee may determine.

3.7 An Award shall be issued by the issue of an Award Notification.

3.8 Unless the Compensation Committee shall determine otherwise, an Award Notification shall contain:

(a) the Award Date of the Award which shall be either the date specified on the Award Notification (in which case such date may not be earlier than the date the Compensation Committee shall have resolved to issue the Award) or, if not specified, the date on which the Award Notification is executed/accepted (the "**Award Date**");

(e) a statement that, until the Vesting of the Conditional Award or the exercise of theNil-Cost Option, the Participant shall not have any rights over or in respect of the Shares specified in the Conditional Award or the Nil-Cost Option;

(g) any other conditions which the Compensation Committee shall have specified in respect of the issue of the Award.

3.9 No price shall be payable by a Participant upon the grant or Vesting of an Award or grant or exercise of aNil-Cost Option, as the case may be, where the Shares the subject of the Award or Nil-Cost Option are sourced from the pool of Shares held by the Trustee. Upon the Vesting of an Award or exercise of a Nil-Cost Option in respect of Shares sourced from the Company, the Group Member which employs the Participant or Option Holder or the Trustee, if so agreed, as the case may be, shall pay to the Company such price as is at least equal to the aggregate nominal value of the Shares the subject of the Award.

3.10 No Award may be issued under the Plan after the tenth anniversary of the Adoption Date. This shall not apply to aNil-Cost Option which is granted on the Vesting of a Conditional Award granted before the expiry of the tenth anniversary of the Adoption Date.

4. Limit on Number of Shares to be the subject of Awards under Plan

4.1 General

The number of Shares which may be the subject of Awards shall be limited as set out in this Rule 4.

For the purpose of Awards granted under this Plan, Shares may be sourced from the pool of Shares held by the Trustee or, as determined by the Compensation Committee, by the issue of new Shares by the Company (which shall include treasury shares held by the Company). As Shares held by the Trustee will be sourced from market purchases and are non-dilutive, only Awards sourced from the issue of Shares by the Company will count for the purpose of the limits set out in the remainder of this Rule. The Compensation Committee may decide to change the way in which it is intended that an Award granted as a Nil-Cost Option may be satisfied after it has been granted, having regard to the provisions of Rule 4.2.

4.2 10% and 5% Limits

Subject to the provisions as to any adjustment of Awards under Rule 15, in the ten years preceding any given day, the aggregate number of Shares in the Company committed for issue under:

(a) all share plans operated by the Company shall not exceed 10 per cent of the shares in issue immediately prior to that day; and

(b) this Plan and all other discretionary executive incentive share plans shall not exceed 5 per cent of the Shares in issue immediately prior to that day;

4.3 **Computation**

For the purpose of the limits contained in this Rule 4:

(a) any Shares committed for issue under an Award shall be taken into account once only by reference to the date when the Award is made;

(b) treasury shares used to settle the Vesting of a Conditional Award or the exercise of aNil-Cost Option shall count as newly issued Shares until such time as guidelines published by institutional investor representative bodies recommend otherwise;

(c) the limits shall count and apply to any Awards and Shares committed for issue under any Award granted under any sub plan created under Rule 16.4;

(d) no account shall be taken of any Shares where the right to receive such Shares has been or is to be satisfied other than by the issue or allotment of any part of the share capital of the Company (including, without limitation, by the transfer of existing shares or by cash);

(e) there shall be disregarded any Shares subject to a Conditional Award or Nil-Cost Option which have lapsed, been renounced or refused or otherwise become incapable of Vesting;

(f) Shares issued by the Company to holders of awards under any share based incentive scheme of Betfair or its subsidiaries: (i) in satisfaction of any right to acquire Shares granted to such persons in replacement of such awards at the time of and in connection with the merger of the Company and Betfair; and (ii) pursuant to the articles of association of Betfair as amended in connection with the merger of the Company and Betfair, shall be disregarded as shall any Shares delivered to such award holders by any trustee holding Shares for the benefit of former employees of Betfair or its subsidiaries; and

(g) there shall be disregarded any shares issued by Betfair under any Betfair share based incentive scheme of Betfair or its subsidiaries during the ten year period preceding any Award Date.

5. **Restrictions on Transfer and Bankruptcy**

5.1 An Award shall not be capable of being transferred, charged or otherwise alienated (except in the event of the Participant's death, to his personal representatives), without the prior approval, in writing, of the Compensation Committee, and shall lapse immediately if the Participant purports to transfer, charge or otherwise alienate the Award without such approval. All of the terms of this Plan shall apply to any Award so transferred, charged or alienated.

5.2 An Award will lapse immediately if the Participant is declared bankrupt or enters into a compromise with his creditors generally.

6. **Dividend Equivalents**

6.1 Prior to the Vesting of a Conditional Award or so long as aNil-Cost Option remains unexercised, a Participant will have no rights (including any voting rights, dividend paid or other distributions that may be made) in respect of the Shares subject to his Conditional Award or Nil-Cost Option.

6.2 Subject to Rule 6.5, upon the Vesting of an Award in respect of Shares sourced from the Trustee, the Participant shall be entitled to receive such number of additional Shares, calculated by the Company (in its absolute discretion), by dividing the amount of dividends which would have been paid on a dividend payment day in respect of the Shares which are vesting on the period commencing on the Award Date of such Award and ending on the day prior to Vesting by the price of a Share on the Official List (or equivalent such record) of the Stock Exchange at the close of business on the relevant dividend payment day. If there are more than one dividend payment days in the period, the number of Shares shall be the aggregate of such calculations (the "**Dividend Shares**"). The Dividend Shares shall form part of the Award for all purposes and be subject to the terms and conditions set out in these Rules as if they formed part of the Award ab initio. The entitlement to Dividend Shares shall only arise upon the Vesting of the original Award of which they form part and the Participant shall have no right or interest of any kind in respect of these Shares unless and until the Vesting of the original Award occurs. If an Award shall Vest in part the number of Dividend Shares the Participant shall receive shall be reduced so that the Dividend Shares received shall bear the same proportion to the total number of Dividend Shares as the proportion that the Award that Vests bears to the entire Award.

6.3 Upon the Vesting of an Award in respect of Shares sourced from the unissued share capital of the Company, the Compensation Committee, in its absolute discretion, may determine to procure that the Board shall allot such additional number of Shares as shall equal the entitlement to Dividend Shares that would have been transferred to the Participant had he received an Award or Share sourced from the pool of Shares held by the Trustee.

6.4 A Participant holding a Nil-Cost Option shall be entitled to Dividend Shares on the same basis as the holder of an Award with the calculation of the amount of his dividend entitlement being based on the amount of dividends that would have been payable on the Shares the subject of the Nil-Cost Option in the period commencing on the Award Date and ending on the earliest date the relevantNil-Cost Options could have been exercised had such Shares been in issue.

6.5 The entitlement of a Participant to Dividend Shares under the provisions of Rule 6 shall not apply to Dividend Shares that may be funded from any special or exceptional dividend payable by the Company and, in such circumstances, the Compensation Committee shall determine, in its absolute discretion, whether or not a Dividend Share entitlement shall arise.

6.6 For the avoidance of any doubt, the proceeds payable to the Trustee in respect of any repurchase by the Company of Shares from the Paddy Power plc Employee Benefit Trust are not within the remit of Rule 6.5.

7. **Vesting and Exercise**

7.1 Subject to Rules 9, 11 and 12 and unless the Compensation Committee determines otherwise in the Award Notification, an Award will Vest as follows:

(a) half of the Award (or such other proportion (up to 100%) as may be determined by the Compensation Committee) will Vest on the expiry of the third anniversary of the Award Date for such Award (or such other date determined by the Compensation Committee); and

(b) in the case of the remaining proportion of the Award (if any) it shall Vest on the expiry of the fourth anniversary of the Award Date for such Award (or such other date determined by the Compensation Committee),

provided however, that if a Dealing Restriction or Vesting underpin applies to the Award, the Vesting of the Award or the exercise of any Nil-Cost Option shall either be delayed until such Dealing Restriction lifts, reduced or cancelled.

7.2 In relation to an Award in the form of a Conditional Award, at any time prior to the Vesting of that Award, the Compensation Committee may determine that no Shares shall be transferred to the Participant and if it does, it shall:

(a) grant a Nil-Cost Option which shall be exercisable in respect of such number of Shares as is equal to the number of Shares which were the subject of the Conditional Award, together with any additional Shares or cash to which a Participant becomes entitled under Rule 6. If the Participant is tax resident in Ireland at the Award Date, such Nil-Cost Option shall not be capable of being exercised after the seventh anniversary of the Award Date. In all other cases, such Nil-Cost Option shall not be capable of being exercised after the tenth anniversary of the Award Date; or

(b) pay the Cash Equivalent to the Participant as provided for in Rule 10.

7.3 The Vesting of a Conditional Award, the exercise of a Nil-Cost Option, the transfer of Shares and the sale of such Shares under this Plan will be subject to obtaining any approval or consent required by any relevant authority, any Dealing Restrictions and any other applicable laws or regulations in any jurisdiction.

7.4 Except as otherwise provided in Rule 11, a Conditional Award may Vest or a Nil-Cost Option may be exercised only while the Participant is employed by a Group Member and if he ceases to be employed by a Group Member, any Conditional Award or Nil-Cost Option granted to him shall lapse to the extent that it has not Vested prior to the date of such cessation.

7.5 Subject to Rules 9 and 10 where Shares are to be delivered to a Participant as a consequence of the Vesting of a Conditional Award or the exercise of a Nil-Cost Option, the Shares may be:

(a) new Shares issued by the Company and the Trustee may fund the payment of the issue price of such Shares (which shall not be less than the nominal value of the Shares) using funds in the Employee Benefit Trust;

(b) treasury Shares reissued for nil consideration by the Company; or

(c) existing Shares which will be transferred by the Trustee to the Participant and the Company or another Group Member may fund the purchase of such Shares,

and the relevant Shares shall be delivered to the Participant in such manner as the Compensation Committee may in its discretion determine, including but not limited to procuring the issue of DIs representing the relevant Shares to the Participant or its nominee(s) and/or making arrangements for the relevant Shares to be held on behalf of the Participant in any securities settlement system to which the Shares are eligible for admission from time to time. In each case the Shares shall be delivered to the Participant within 30 days of the Vesting of a Conditional Award or the exercise of a Nil-Cost Option.

7.6 The Company may from time to time fund the Trustee as and when the Trustee requires funds to purchase Shares in the market or otherwise.

7.7 The Compensation Committee, in its absolute discretion, may at any time, impose on a Participant, as the case may be, the requirement to retain Shares derived from any Award for such period, and on such conditions as it shall determine in its absolute discretion, provided that in specifying the number of such Shares to be held, due regard shall be had to the need for such Participant to discharge taxation liabilities arising on the Vesting or exercise of any such Award or Nil-Cost Option and provided further that the Compensation Committee shall be entitled to impose such a requirement on one Participant but not on another (a "**Retention Restriction**").

8. **Malus and Clawback**

8.1 Notwithstanding any other Rule of the Plan, the Compensation Committee may, in its absolute discretion and in circumstances in which the Compensation Committee considers such action is appropriate, decide at any time prior to the Vesting of an Award that the Participant to whom the Award was issued (the "**Relevant Participant**") shall be subject to Malus and may therefore decide to:

(a) reduce the number of Shares to which an Award relates;

(b) cancel an Award;

(c) impose further conditions on an Award; or

(d) delay the Vesting of the Award if the action or conduct of the Participant, Group Member or relevant business unit is under investigation by the Company, or the Company has been notified by a regulatory authority that an investigation into such action or conduct has been commenced so that the delivery of the Shares in respect of such Award will be delayed until any action or investigation is completed.

8.2 The circumstances in Rule 8.1 include, but are not limited to:

(a) where there is a material restatement of the financial statements of the Company or any of its Subsidiaries for any of the financial years ending after the grant of such Award. The Compensation Committee will in its sole discretion determine what constitutes a material restatement;

(b) the financial statements of the Company used in assessing the number of Shares over which the Award was granted were misstated, or that any other information relied on in making such assessment proves to have been incorrect and, in any case, the Award was granted in respect of a greater number of Shares than would have been the case had there not been such a misstatement or reliance on incorrect information or had such error not been made or had such event not occurred;

(c) the Compensation Committee forms the view that in assessing the extent to which any Performance Condition and/or any other condition imposed on the Award was satisfied such assessment was based on an error, or on inaccurate or misleading information or assumptions and that such error, information or assumptions resulted or would result either directly or indirectly in that Award Vesting to a greater degree than would have been the case had that error not been made;

(d) some or all of the Performance Conditions, which were deemed to have been satisfied in respect of the Award have only been satisfied as a consequence of any direct or indirect manipulation on the part of the Relevant Participant. For the purpose of this Rule, "manipulation" means anything done, without the knowledge of the Compensation Committee, for the Relevant Participant's own personal gain which is unreasonable and not done for the benefit of the Company;

(e) the Relevant Participant is guilty of serious misconduct, gross negligence or fraud;

(f) the Group or part of the Group (in respect of which the Relevant Participant has performed any functions or oversight role), in the reasonable opinion of the Compensation Committee, following consultation with the risk committee of the Board, if applicable, suffered a material failure of risk management;

(g) any Group Member or a relevant business unit (in respect of which the Relevant Participant has performed any functions or oversight role), in the reasonable opinion of the Compensation Committee suffered a material corporate failure;

(h) the censure of the Company, any Group Member or a relevant business unit by a regulatory authority or events having a significant detrimental impact (as reasonably determined by the Compensation Committee) on the reputation of the Company, any Group Member or a relevant business unit, where the Compensation Committee is satisfied that the Relevant Participant was responsible for the censure or reputational damage and that the censure or reputational damage is attributable to them; or

(i) the Group or part of the Group (in respect of which the Relevant Participant has performed any functions or oversight role) receives notification in writing that it may become subject to any regulatory sanctions, where the Compensation Committee forms the view that the conduct of the Relevant Participant contributed to the circumstances leading to such notification.

8.3 Notwithstanding any other Rule of the Plan the Compensation Committee may decide at any time up to the second anniversary of the Vesting of an Award, that the Relevant Participant shall be subject to Clawback if:

(a) there is a material restatement of the financial statements of the Company or any of its Subsidiaries for any of the financial years ending after the grant of such Award. The Compensation Committee will in its sole discretion determine what constitutes a material restatement;

(b) the financial statements of the Company used in assessing the number of Shares over which the Award was granted were misstated, or that any other information relied on in making such assessment proves to have been incorrect and, in any case, the Award was granted in respect of a greater number of Shares than would have been the case had there not been such a misstatement or reliance on incorrect information or had such error not been made or had such event not occurred;

(c) the Compensation Committee forms the view that, in assessing the extent to which any Performance Condition and/or any other condition imposed on the Award was satisfied, such assessment was based on an error, or on inaccurate or misleading information or assumptions and that such error, information or assumptions resulted either directly or indirectly in that Award Vesting to a greater degree than would have been the case had that error not been made;

(d) some or all of the Performance Conditions, which were deemed to have been satisfied in respect of the Award have only been satisfied as a consequence of any direct or indirect manipulation on the part of the Relevant Participant. For the purpose of this Rule, "manipulation" means anything done, without the knowledge of the Compensation Committee, for the Relevant Participant's own personal gain which is unreasonable and not done for the benefit of the Company;

(e) the Group or part of the Group (in respect of which the Relevant Participant has performed any functions or oversight role), in the reasonable opinion of the Compensation Committee, following consultation with the risk committee of the Board, if applicable, suffered a material failure of risk management;

(f) any Group Member or a relevant business unit. (in respect of which the Relevant Participant has performed any functions or oversight role), in the reasonable opinion of the Compensation Committee suffered a material corporate failure;

(g) the Relevant Participant is found guilty of or pleads guilty to a crime that is related to or damages the business or reputation of the Company or any of its Subsidiaries;

(h) the Relevant Participant is guilty of serious misconduct or gross negligence, which causes loss or reputational damage to the Company or any of its Subsidiaries;

(i) the censure of the Company, any Group Member or a relevant business unit by a regulatory authority or events having a significant detrimental impact (as reasonably determined by the Compensation Committee) on the reputation of the Company, any Group Member or a relevant business unit, where the Compensation Committee is satisfied that the Relevant Participant was responsible for the censure or reputational damage and that the censure or reputational damage is attributable to them;

(j) the Group or part of the Group (in respect of which the Relevant Participant has performed any functions or oversight role) receives notification in writing that it may become subject to any regulatory sanctions, where the Compensation Committee forms the view that the conduct of the Relevant Participant contributed to the circumstances leading to such notification; or

(k) the Relevant Participant is in breach of any applicable restrictions on competition, solicitation or the use of confidential information (whether arising out of the Relevant Participant's employment contract, his termination arrangements or any internal policies).

8.4 Where the Compensation Committee decides that an Award is subject to Clawback:

(a) the Compensation Committee may require the Relevant Participant to forfeit the right to all or part of the Shares which would, but for the operation of this Rule 8, be transferable to the Relevant Participant in respect of such Award; and/or

(b) the Compensation Committee may reduce (including, if appropriate, reducing to zero):

(i) the amount of the next bonus (if any) which would, but for the operation of Rule 8.3 be payable to the Relevant Participant under any bonus plan operated by any Group Member; and/or

(ii) the extent to which any other subsisting Awards held by the Relevant Participant are to Vest notwithstanding the extent to which any Performance Condition and/or any other condition imposed on such other Awards have been satisfied; and/or

(iii) the extent to which any rights to acquire Shares (including annual incentive deferred into Shares) granted to the Relevant Participant under any share incentive plan (other than the Plan) operated by the Company vest or become exercisable notwithstanding the extent to which any conditions imposed on such rights to acquire Shares have been satisfied; and/or

(iv) the number of Shares subject to any vested but unexercised option; and/or

(v) the number of Shares subject to any vested but unexercised right to acquire Shares granted to the Relevant Participant under any share incentive plan (other than the Plan) operated by any Company in the Group.

8.5 Any reduction made pursuant to Rule 8.4(b)(i) and/or Rule 8.4(b)(iii) shall take effect immediately prior to the Award Vesting or the right vesting or becoming exercisable (as applicable) (or at such other time as the Compensation Committee decides) and any reduction made pursuant to Rule 8.4(b)(iv) and/or Rule 8.4(b)(v) shall take effect at such time as the Compensation Committee decides.

8.6 Where Shares have been delivered to the Relevant Participant, the Compensation Committee may require the Relevant Participant to transfer to the Company (or as the Company directs) for nil consideration some or all of the Shares delivered to him under the Award, or pay to the Company (or as the Company directs) an amount equal to the value of those Shares (as determined by the Compensation Committee) on such terms as the Compensation Committee may direct (including, but without limitation to, on terms that the relevant amount is to be deducted from the Relevant Participant's salary or from any other payment to be made to the Relevant Participant by any Group Member).

8.7 Where Rule 8.3 above applies, the amount and/or such number of Shares to be subject to Clawback shall be such amount and/or such number of Shares as the Compensation Committee decides is appropriate but the amount and/or such number of Shares which is subject to the Clawback shall be limited to the net (post-tax) amount of such value.

8.8 This Rule 8 may be applied in different ways for different Participants in relation to the same or different events, or in different ways for the same Relevant Participant in relation to different Awards.

8.9 Without limiting Rule 17, the Relevant Participant will not be entitled to any compensation in respect of any adjustment under this Rule 8, and the operation of Malus or Clawback will not limit any other remedy any member of the Group may have.

8.10 Where a Relevant Participant is required to return any Shares or to forfeit the right to any Shares under this Rule 8, such Shares shall be deemed to be forfeitable shares.

8.11 The Compensation Committee will notify the Relevant Participant of any application of Malus or Clawback under this Rule 8.

8.12 Nothing in this Rule 8 shall apply to any award, option or other incentive granted prior to the Adoption Date.

8.13 This Rule shall not apply after the Company is subject to a takeover or other corporate event under Rule 12 (provided that the relevant event is not an Internal Reorganisation).

8.14 The Company may adopt such other malus and clawback policy to the extent necessary or appropriate to comply with all applicable laws, including, without limitation, the Dodd-Frank Wall Street Reform and Consumer Protection Act and any rules, regulations or listing standards promulgated thereunder and all Awards shall be subject to such policy (whether or not such policy was in place at the time of grant of the Award).

9. **Taxation**

9.1 A Participant will be responsible for and shall indemnify each relevant Group Member and the Trustee against any Tax Liability relating to his Award. For the purpose of this Rule a Group Member includes a company that was and is no longer a Group Member. Any Group Member and/or the Trustee may withhold an amount equal to such Tax Liability from any amounts due to the Participant (to the extent such withholding is lawful) and/or make any other arrangements (including a loan) as it considers appropriate to ensure recovery of such Tax Liability including, without limitation, the sale of sufficient Shares acquired subject to the Award to realise an amount equal to the Tax Liability.

9.2 Where, in relation to an Award, the Compensation Committee, the Trustee, the Company or any Group Member (as the case may be) is liable, or is in accordance with current practice believed by the Compensation Committee, the Trustee or the Company to be liable, to account to any revenue or other authority for any sum in respect of any tax or social security liability of the Participant, neither the Trustee nor the Company, as appropriate, shall be under any obligation to acquire Shares for the benefit of the Participant or transfer or issue Shares, as appropriate, to the Participant unless the Participant, as the case may be, has paid to the Trustee, the Company or the Group Member (as the case may be) an amount sufficient to discharge the liability.

9.3 In addition, the Trustee shall have the discretion to retain sufficient of the Shares the subject of any Award to ensure that any liability to taxation or otherwise of the Participant or the Company or the Trustee in respect of the receipt by any such holder of such Shares is capable of discharge.

10. **Cash Equivalent**

10.1 Subject to Rule 10.2, at any time prior to the date on which a Conditional Award has Vested or, in the case of a Nil-Cost Option, has been exercised, the Compensation Committee may determine that in substitution for a Participant's right to acquire some or all of the Shares to which his Award relates or in substitution of Dividend Shares receivable under Rule 6, the Participant will instead receive a cash sum (the "**Cash Equivalent**"). The Cash Equivalent will be equal to the Market Value of that number of the Shares which would otherwise have been transferred and for these purposes:

(a) in the case of a Conditional Award, Market Value will be determined on the date of Vesting;

(b) in the case of a Nil-Cost Option, Market Value will be determined on the date of exercise; and

(c) in either case, the Cash Equivalent will be paid to the Participant as soon as practicable after the Vesting of the Conditional Award or the exercise of the Nil-Cost Option, net of any deductions (including but not limited to any Tax Liability or similar liabilities) as may be required by law.

10.2 The Compensation Committee may determine that this Rule 10 will not apply to an Award or any part of it.

10.3 In circumstances determined by the Compensation Committee, in its absolute discretion, a request may be made to the Trustee to satisfy the obligation to deliver Shares on Award Vesting or Option exercise (to the relevant Participant other than an executive director) by the payment to such Participant, as the case may be, of a cash payment equal to the Cash Equivalent of the Shares the subject of such Award.

11. **Vesting in Special Circumstances**

11.1 Notwithstanding Rule 7.4, if a Participant dies before his Award Vests, all of his Award shall be deemed to have Vested. AnyNil-Cost Option remaining unexercised on the death of a Participant shall be exercised by his personal representative within a period of twelve months after the date of his death or if shorter, until the expiry of the exercise period.

11.2 Notwithstanding Rule 7.4, if a Participant ceases to be employed by a Group Member by reason of:

(a) ill health, injury or disability evidenced to the satisfaction of the Company;

(b) redundancy (within the meaning of the Redundancy Payments Acts 1967 to 2022 or any overseas equivalent) if the Company so decides;

(c) retirement with the agreement of the Company;

(d) his office or employment being with either a company which ceases to be a Group Member or relating to a business or part of a business which is transferred to a person who is not a Group Member; or

(e) for any other reason, if the Compensation Committee so decides;

each part of his Awards shall Vest (to the extent not already Vested) on the later of: (i) the relevant Vesting date specified in accordance with Rule 7.1, and (ii) the end of any post-cessation restrictive covenants entered into by the Participant, or such other date as the Compensation Committee feels is appropriate in the circumstances and any Nil-Cost Option shall lapse unless exercised by the Participant or by his personal representative within a period of six months (or such other period as determined by the Compensation Committee in its discretion) after the later of: (i) the relevant Vesting date specified in accordance with Rule 7.1; and (ii) the end of any post-cessation restrictive covenants entered into by the Participant, or such other date as the Compensation Committee feels is appropriate in the circumstances.

11.3 Notwithstanding Rule 7.4, if a Participant ceases to be employed by a Group Member for any other reason not referred to in Rule 11.1 or 11.2:

(a) all Awards which have not Vested shall lapse on such cessation; and

(b) any Vested Nil-Cost Option shall lapse unless exercised by the Participant or by his personal representative within a period of six months after the later of (i) the date of cessation of employment with the Group Member; and (ii) the end of any post-cessation restrictive covenants entered into by the Participant.

11.4 Notwithstanding any other provision of these Rules, if it is proposed that a Participant, while continuing to be an Eligible Employee, shall work in a country other than the country in which he is currently working and, by reason of such change he:

(a) suffers less favourable tax treatment in respect of his Awards; or

(b) becomes subject to a restriction that impedes or limits the issuance or transfer of the Shares subject to an Award or limits or impedes his ability to hold or deal with such Shares

his Award, at the discretion of the Compensation Committee, may (i) either Vest or be exercised, as the case may be, in whole or in part, at such time or times as the Compensation Committee shall determine; or (ii) be adjusted in a manner designed to overcome in whole or in part, such treatment or restriction.

11.5 Notwithstanding Rule 11.2, the Compensation Committee may, at any time prior to the date of eventual exercise, and in its absolute discretion, determine that an Award shall lapse with immediate effect as a consequence of a breach by the Participant of any restrictive covenants contained within his employment contract or any settlement agreement in respect of termination of his employment or otherwise.

11.6 Where a Participant's contract of employment with the Group is terminated without notice, such employment shall be deemed to cease on the date on which the termination takes effect, and where the said contract is terminated by notice given by a member of the Group or by a Participant, such employment shall be deemed to cease on the date on which that notice expires.

11.7 For the purposes of the Plan, no person will be treated as ceasing to hold office or employment with a Group Member until that person no longer holds:

(a) an office or employment with any Group Member; or

(b) a right to return to work.

11.8 The Compensation Committee, in its absolute discretion, may release any Shares the subject of a Retention Restriction after a Participant ceases to be employed for any of the reasons set out in this Rule 11.

12. **Corporate Events**

12.1 Where any of the events described in Rule 12.2 occur, then subject to Rule 13, all Awards will Vest as provided in this Rule 12Nil-Cost Options will remain exercisable for 30 days from the date of the relevant event described in Rule 12.2, after which all Nil-Cost Options will lapse.

12.2 The events referred to in Rule 12.1 are:

(a) General offer

If any person (either alone or together with any person acting in concert with him):

(i) obtains Control of the Company as a result of making a general offer to acquire Shares; or

(ii) already having Control of the Company, makes an offer to acquire all of the Shares other than those which are already owned by him and such offer becomes wholly unconditional.

(b) Scheme of arrangement

A compromise or arrangement in accordance with Chapter 1 of Part 9 of the Companies Act 2014 for the purposes of a change of Control of the Company is sanctioned by the Court.

(c) Winding-up

On the passing of a resolution for the voluntary winding-up or the making of an order for the compulsory winding up of the Company.

12.3 Other Events

If the Company is or may be affected by a merger with another company, demerger, delisting, special dividend or other event which, in the opinion of the Compensation Committee, may affect the current or future value of Shares:

(a) the Compensation Committee may determine that an Award will Vest conditionally or that aNil-Cost Option may be exercised conditionally on the event occurring; and

(b) if the event does not occur then the conditional Vesting or exercise will not be effective and the Award will continue to subsist.

The Compensation Committee will then also determine the period during which any vestedNil-Cost Option may be exercised, after which time it will lapse.

12.4 If the Compensation Committee determines that there would be any adverse tax consequence if Awards were to Vest on or after an event described in this Rule 12, then the Compensation Committee may resolve that Awards will Vest on an earlier date.

12.5 Any reference to the Compensation Committee in this Rule 12 means the members of the Compensation Committee immediately prior to the relevant event.

13. **Exchange**

13.1 A Conditional Award will not Vest orNil-Cost Option will not become exercisable under Rule 12.1 but will be exchanged on the terms set out in Rule 13.2 to the extent that:

(a) an offer to exchange the Conditional Award (the "**Existing Conditional Award**") or Nil-Cost Option (the "**Existing Nil-Cost Option**") is made and accepted by a Participant;

(b) there is an Internal Reorganisation; or

(c) the Compensation Committee decides (before the event) that an Existing Conditional Award or ExistingNil-Cost Option will be exchanged automatically.

13.2 If Rule 13 applies, the Existing Conditional Award will not Vest or ExistingNil-Cost Option will not become exercisable but will be exchanged in consideration of the issue of a new award (the "**New Award**") or new nil-cost option (the "**New Nil-Cost Option**") which, in the opinion of the Compensation Committee, is equivalent to the Existing Conditional Award or Existing Nil-Cost Option, but relates to shares in a different company (whether the acquiring company or a different company).

13.3 The New Award or New Option shall not be regarded for the purposes of this Rule 13 as equivalent to the Existing Conditional Award or the Existing Nil-Cost Option unless:

(a) the New Award or the New Option shall Vest or be exercised, as the case may be, in the same manner as the Existing Conditional Award or the Existing Nil-Cost Option and subject to the same provisions of the Plan as it had effect immediately before the release of the Existing Conditional Award or the Existing Nil-Cost Option, as the case may be;

(b) the aggregate Market Value of the Shares which are the subject of the New Award or the New Option is the same as the maximum possible amount which would have been received on the Vesting of Existing Conditional Award or the exercise of Existing Nil-Cost Option; and

(c) the total amount payable by the Participant for the acquisition of the New Shares under the New Award or the New Option, as the case may be, is as nearly as may be equal to the total amount that would have been payable by the Participant for the acquisition of the Shares under the Existing Conditional Award or the Existing Nil-Cost Option, as the case may be.

The date of grant of the New Award or New Option shall be deemed to be the same as the Date of Grant of the Existing Conditional Award or Existing Nil-Cost Option, as the case may be. In the application of the Plan to the New Award or the New Option, where appropriate, references to "Company" and "Shares" shall be read as if they were references to the company to whose shares the New Award or New Option, as the case may be, relates and the New Shares respectively, save that in the definition of "Compensation Committee" the reference to "Company" shall be read as if it were a reference to Flutter Entertainment plc.

14. **Lapse of Awards and Options**

In addition to any other Rule providing for lapsing, an Award or Nil-Cost Option shall lapse on the earliest of:

(a) subject to Rule 11, the date specified in the Award Notification for lapsing; and

(b) the date on which a resolution is passed or an order is made by the court for the compulsory winding up of the Company.

15. **Adjustments and exercise of discretion**

15.1 The number of Shares subject to an Award may be adjusted in such manner as the Compensation Committee determines, in the event of:

(a) any variation of the share capital of the Company; or

(b) a merger with another company, demerger, delisting, special dividend, rights issue or other event which may, in the opinion of the Compensation Committee, affect the current or future value of Shares.

15.2 Any decision to exercise a discretion provided for in any of Rules 3.6, 6.3, 7.7, 8, 10.3 or 11 in respect of a Participant, who is not an executive director of the Company, may be made by a person or persons duly authorised by the Compensation Committee.

16. **Amendments**

16.1 Except as described in this Rule 16, the Compensation Committee may at any time amend the Rules.

16.2 Without the prior approval of the Company in general meeting, an amendment may not be made for the benefit of existing or future Participant to the Rules of the Plan relating to:

(a) the persons to whom or for whom securities or other benefits are provided for under the Plan; or

(b) the limit on the number or amount or other benefits of Shares which may be acquired under the Plan,

PROVIDED HOWEVER that this Rule 16.2 shall not prohibit any amendment which is of a minor nature and benefits the administration of the Plan or any amendment which is necessary or desirable in order to take account of a change of any remuneration guidelines, legislation or regulatory requirement which the Compensation Committee reasonably considers is relevant in the context of such change or is reasonable to obtain or maintain favourable tax, exchange control or regulatory treatment for Participants, the Company or some other Group Member.

16.3 An amendment may not adversely affect the rights of an existing Participant except where the amendment has been approved by Participants who together represent the holders of Awards which have the majority of Shares which are the subject all Awards outstanding at such time.

16.4 The Compensation Committee shall have the power to make such amendments and alterations as are required, including the power to create new share based incentive plans and sub plans for Eligible Employees in jurisdictions outside of Ireland, to take account of local restrictions, taxation requirements, security laws etc or to take advantage of taxation laws specific to the provision of share based incentive schemes in any jurisdiction.

17. **Legal Entitlement**

17.1 This Rule 17 applies during a Participant's employment with any Group Member and after the termination of such employment, whether or not the termination is lawful.

17.2 This Rule 17 shall apply irrespective of whether the Compensation Committee has discretion in the operation of the Plan, or whether the Company or the Compensation Committee could be regarded as being subject to any obligations in the operation of the Plan.

17.3 Nothing in the Plan or its operation forms part of the terms of employment of a Participant and the rights and obligations arising from a Participant's employment with any Group Member are separate from, and are not affected by, his participation in the Plan.

17.4 Awards will not (except as may be required by taxation law) form part of the emoluments of any Participant or count as wages or remuneration for pension or other purposes.

17.5 Nothing in the Plan or its operation will confer on any person any right to continue in employment and neither will it affect the right of any Group Member to terminate the employment of any person without liability at any time (with or without cause) or impose upon the Compensation Committee or any other person any duty or liability whatsoever in connection with:

(a) the lapsing of any Award pursuant to the Plan;

(b) the failure or refusal to exercise any discretion under the Plan; or

(c) a Participant ceasing to hold office or employment for any reason whatsoever.

17.6 The issue of any Award to a Participant does not create any right for that Participant to be issued any further Awards or to be issued Awards on any particular terms, including the number of Shares to which Awards relate whether under this Plan or any other Plan.

17.7 Participation in the Plan is permitted only on the basis that the Eligible Employee accepts all the provisions of these Rules, including in particular this Rule 17. By participating in the Plan, a Participant waives all rights to compensation for any loss in relation to the Plan, including:

(a) any loss of office or employment;

(b) any loss or reduction of any rights, benefits or expectations in relation to the Plan in any circumstances or for any reason, including lawful or unlawful termination of the Participant's employment;

(c) any exercise of a discretion or a decision taken in relation to an Award or to the Plan, or any failure to exercise a discretion or take a decision;

(d) the operation, suspension, termination or amendment of the Plan.

17.8 Each of the provisions of each Rule of the Plan is entirely separate and independent from each of the other provisions of each Rule. If any provision is found to be invalid then it will be deemed never to have been part of the Rules and to the extent that it is possible to do so, this will not affect the validity or enforceability of any of the remaining provisions of the Rules.

17.9 No representation or guarantee given in respect of the future value of the Shares which are the subject of any Awards. Each Award is made on the basis that the Participant accepts that such value is unknown, indeterminable and cannot be predicted with certainty. Furthermore, the issue of an Award shall in no way affect the Company's right to adjust, reclassify, reorganise or otherwise change its capital or business structure or to merge, consolidate, dissolve, liquidate or sell or transfer all or any part of its business or assets.

17.10 No Group Member shall be liable for any foreign exchange rate fluctuation between the Participant's local currency and the euro that may affect the value of the Award or of any amounts due to the Participant pursuant to the vesting of the Award or the subsequent sale of any Shares acquired upon vesting and/or settlement.

18. **Data Protection**

18.1 By accepting the grant of an Award, a Participant acknowledges that his or her Personal Data will be processed and disclosed as follows:

(a) by the Company, the Trustee or any Group Member employing the Participant as they are required to collect, process and utilise the personal information or other relevant information pertaining to the Participant for purposes directly relevant to the Award granted to the Participant, and to disclose or transfer such information to other Group Members and, if necessary, a third party (including any broker, registrar or administrator) for the purpose of administering the Plan;

(b) by the Company, the Trustee, any Group Member employing the Participant and any such third party so that they may utilise such information for the purpose of administering the Plan, provided that such information shall be kept confidential and shall not be used by any of them for any purposes not related to the administration of the Plan;

(c) by the Company, the Trustee, any Group Member employing the Participant and any such third party (any of which may be located in the EEA or the UK or outside of the EEA and the UK) so that they may transfer the personal information or other relevant information pertaining to the Participant in the EEA/UK or outside of the EEA/UK for the purpose of administering the Plan (in which case the transfer shall be governed by "model contract clauses" or equivalent measures required under EU or UK data protection laws); and

(d) by and to any future purchaser of the Company or Subsidiary employing the Participant, or any future purchaser of their respective undertakings or any parts thereof, for the purpose of administering the Plan and/or confirming the Participant's entitlement to an Award and/or any Plan Shares where such entitlement is relevant to such purchase.

18.2 By accepting the grant of an Award, a Participant acknowledges that the purposes described in Rule 18.1 are necessary for the performance of the Plan or are otherwise necessary for the legitimate interests of the Company, the Trustee or any Group Member employing the Participant in connection with the administration of the Plan. Should the Participant exercise any data subject rights in relation to his or her personal data, such as the right of objection or erasure, the Participant acknowledges that it may no longer be possible to administer the Plan in respect of the Participant. In that case the Awards may lapse and shall not be capable of Vesting and the Participant shall be deemed to have waived (without any right to compensation) any right to Plan Shares which are being held on his behalf by the Trustee.

18.3 Each Participant shall be provided with the information regarding the following by the Company, the Trustees or any Group Member employing the Participant to the extent that they are acting as controllers of the Participant's Personal Data (save where the Participant already has the information):

(a) the purpose of the collection and use of the personal information or other relevant information pertaining to the Participant;

(b) the information to be collected and used;

(c) the period and method of retention and use of the personal information or other relevant information pertaining to the Participant;

(d) details of any third parties to whom their information is disclosed or transferred including the purpose of such disclosure or transfer and, where applicable, the safeguards applied to any transfers of data outside of the EEA/UK;

(e) the rights of the Participant in respect of access to, rectification and deletion of their information and any related disadvantages;

(f) where applicable, the contact details of the Data Protection Officer of the relevant controller; and

(g) the right to complain to the relevant data protection supervisory authority.

19. **General**

19.1 The Plan will terminate upon the date stated in Rule 3.7, or at any earlier time by the passing of a resolution by the Compensation Committee. Termination of the Plan will be without prejudice to the existing rights of Participants.

19.2 The Plan will be administered by the Compensation Committee. The Compensation Committee will have full authority, consistent with the Plan, to administer the Plan, including authority to interpret and construe any provision of the Plan and to adopt regulations for administering the Plan. Decisions of the Compensation Committee will be final and binding on all parties.

19.3 A Participant will provide to the Company as soon as reasonably practicable such information as the Company reasonably requests for the purposes of complying with its obligations under sections 897 and 897B of the TCA 1997 or under any other equivalent legislation in which the Participant is employed.

19.4 Any notice or other communication in connection with the Plan may be delivered personally or sent by electronic means or post, in the case of a company to their registered office (for the attention of the company secretary), and in the case of an individual to his last known address, or, where he is an employee of a Group Member, either to his last known address or to the address of the place of business at which he performs the whole or substantially the whole of the duties of his employment. Where a notice or other communication is given by post, it will be deemed to have been received 48 hours after it was put into the post properly addressed and stamped, and if by electronic means, when the sender receives electronic confirmation of delivery or if not available, 24 hours after sending the notice.

19.5 Any notice, document or other communication so sent to a Participant shall be deemed to have been duly given notwithstanding that such Participant is then deceased (and whether or not the Compensation Committee have notice of his death) except where his personal representatives have established their title to the satisfaction of the Compensation Committee and supplied to the Compensation Committee an address to which notices, documents and other communications are to be sent.

19.6 Any notice, document or other communication given to the Compensation Committee, Trustee or the Company in connection with the Plan shall be delivered or sent by post to the Company Secretary at the Company's registered office or such other address as may from time to time be notified to Participants but shall not in any event be duly given unless it is actually received at such address.

19.7 The formation, existence, construction, performance, validity and all aspects whatsoever of the Plan, any Rule of the Plan and any Award issued under the Plan shall be governed by Irish law. The Irish courts will have jurisdiction to settle any dispute in relation to the Plan. The jurisdiction agreement contained in this Rule is made for the benefit of the Company only, which accordingly retains the right (i) to bring proceedings in any other court of competent jurisdiction; or (ii) to require any dispute to be settled in accordance with Rule 19.8. By accepting the issue of an Award, a Participant is deemed to have agreed to submit to such jurisdiction.

19.8 All disputes in relation to the Plan may be referred by the Company to arbitration pursuant to the provisions of the Arbitration Act 2010 (as amended) and any Participant so affected will submit to such arbitration.

19.9 If in the opinion of the Compensation Committee, in its absolute discretion, a Participant is insolvent, it can take any and all action it deems necessary in respect of the retention, Vesting, exercise or transfer of any Conditional Award, Nil-Cost Option or Shares represented thereof as it determines in its absolute discretion.

2. GENERAL

2.1 Awards granted to US Taxpayers are intended to be exempt from the requirements of Section 409A pursuant to the Short-Term Deferral Exemption, and the Plan and any Award Certificate in respect of an Award granted to a US Taxpayer shall be interpreted, operated and administered in a manner consistent with such intention. Notwithstanding anything to the contrary contained in the Plan or any Award Certificate, payment in respect of any Award hereunder, including the payment of a Cash Equivalent or issuance of Shares pursuant to any Award granted under the Plan, shall be paid or transferred, if at all, to a US Taxpayer within the Short-Term Deferral Period.

2.2 Unless otherwise determined by the Compensation Committee, an Award granted under the Plan to a US Taxpayer shall become Vested and payable (in the case of a Conditional Award or a Cash Equivalent with respect to a Conditional Award or Nil-Cost Option) or Vested and exercisable (in the case of a Nil-Cost Option) to the extent permitted under the relevant Rule of the Plan on the earliest to occur of the following events:

(a) the Vesting date of the Award set forth by the Compensation Committee under Rule 7.1, subject to the US Taxpayer's continued employment with a Group Member on such date;

(b) the termination of the US Taxpayer's employment with each Group Member due to the US Taxpayer's death or incapacity;

(c) the termination of the US Taxpayer's employment with each Group Member due to redundancy;

(d) the occurrence of an event under Rule 11.2(d), subject to the US Taxpayer's continued employment with a Group Member on such date; and

(e) a change in Control or winding up of the Company under Rule 12 (subject to any exchange of the Award under Rule 13), subject to the US Taxpayer's continued employment with a Group Member on such date.

Once Vested and, in the case of aNil-Cost Option, Vested and exercisable as provided above, subject to any applicable Dealing Restrictions or other securities law restrictions, (i) a Conditional Award or a Cash Equivalent shall be paid on or before the expiration of the Short-Term Deferral Period, and (ii) a Nil-Cost Option shall remain exercisable until the earlier of the expiration of the exercise period specified in the relevant Award Certificate (but not less than thirty (30) days following the termination of the US Taxpayer's employment or, if shorter, the remaining term of the Nil-Cost Option) and the expiration of the Short-Term Deferral Period (or until such earlier time as may be applicable pursuant to Rule 7.4), and thereafter, such Nil-Cost Option shall immediately lapse and automatically be cancelled and cease to have any further legal force or effect whatsoever.

2.3 To the extent of any substitution of a Conditional Award under Rule 7.2, or any exchange under Rule 13 or adjustment under Rule 11.4 or 14 of any Conditional Award or Nil-Cost Option, the terms and conditions of any New Award or any substitute or New Nil-Cost Option (or any adjusted Conditional Award or Nil-Cost Option, as applicable) shall not (i) modify the payment timing of the original

Conditional Award requiring the issuance of Shares or other payment prior to the expiration of the Short-Term Deferral Period, (ii) modify the exercise timing of the original Nil-Cost Option requiring exercise prior to the expiration of the Short-Term Deferral Period, or (iii) otherwise result in any change to the terms and conditions of such Conditional Award or Nil-Cost Option if such change would result in adverse tax consequences to a US Taxpayer under Section 409A.

2.4 No setoffs or deductions against any amounts owed to a US Taxpayer by a Group Member may be made hereunder to satisfy the clawback contemplated by Rule 8 to the extent that such setoff or deduction would result in adverse tax consequences to the US Taxpayer under Section 409A.

2.5 Notwithstanding any provision of the Plan or any Award Certificate to the contrary, the Compensation Committee, to the extent it deems necessary or advisable in its sole discretion, reserves the right, but shall not be required, to unilaterally amend or modify the Plan (including this Appendix 1) or any Award Certificate with respect to an Award granted to a US Taxpayer so that such Award qualifies for the Short-Term Deferral Exemption. No amendment may be made to the Plan (including this Appendix 1) or any Award Certificate, or otherwise apply to an Award, if and to the extent that the amendment would cause any Award granted to a US Taxpayer to violate Section 409A. A Group Member shall have no liability to a US Taxpayer, or any other party, if an Award that is intended to be exempt from Section 409A is not so exempt or for any action taken by the Compensation Committee or the Group Member and, in the event that any amount or benefit under the Plan becomes subject to penalties under Section 409A, responsibility for payment of such penalties shall rest solely with the affected US Taxpayer and not with the Group Member.

3. SECURITIES LAW COMPLIANCE

3.1 Notwithstanding any provision of the Plan or any Award Certificate to the contrary (but subject to Rule 3.3. below), (i) no Award shall be granted and no Share shall be delivered or sold to a US Taxpayer unless such grant, delivery and sale is in compliance with US federal securities laws and any applicable US state securities laws, and (ii) Shares acquired by a US Taxpayer pursuant to the exercise of Nil-Cost Options or settlement of Conditional Awards may only be resold in compliance with the registration requirements or an applicable exemption from the registration requirements of the US Securities Act of 1933, as it may be amended from time to time.

3.2 Notwithstanding any provision of the Plan or any Award Certificate to the contrary, Conditional Awards andNil-Cost Options granted to a Participant who is a California Participant on the Award Date shall be subject to the following additional limitations, terms, and conditions, which for purposes of compliance with California Securities Law only shall be deemed to be a separate plan maintained solely for California Participants:

(a) except to the extent otherwise provided under Rule 3.3 of this Appendix 1, each Conditional Award andNil-Cost Option shall be granted in accordance with Rule 701;

(b) Awards may not be granted more than ten (10) years after the date on which the Plan is adopted or the date on which the Plan is approved by the issuer’s security holders, whichever is earlier;

(c) in the event of the termination of a California Participant's employment with each Group Member due to the California Participant's death or incapacity, (i) each Nil-Cost Option held by such California Participant as of the date of such termination, to the extent that on such date (A) such Nil-Cost Option is vested and (B) the Market Value of the Shares underlying such Nil-Cost Option exceeds the exercise price (if any) of such Nil-Cost Option on such date, shall be automatically exercised on a cashless basis on the date of such termination, and (ii) all other Nil-Cost Options held by such California Participant, to the extent not automatically exercised as provided herein, shall immediately lapse and automatically be cancelled and cease to have any further legal force or effect whatsoever;

(d) the rights of a California Participant to acquire Shares under the Plan shall be non-transferable except to the extent of a transfer by will, laws of descent and distribution, to a revocable trust, or as permitted by Rule 701;

(e) the number of Shares issuable under a Conditional Award or Nil-Cost Option shall be proportionately adjusted in the event of a stock split, reverse stock split, stock dividend, recapitalization, combination, reclassification or other distribution of the Company's equity securities without the receipt of consideration by the Company of or on the Shares; and

(f) the number of California Participants may not exceed 35 unless the Plan is approved by holders of a majority of the outstanding securities of the Company entitled to vote within twelve (12) months of the issuance of Shares under the Plan in California.

3.3 In lieu of the meeting requirements set forth under Rule 3.2 of this Appendix 1, Conditional Awards and Nil-Cost Options may be granted under the Plan to any California Participant in accordance with any other registration exemption permitted under California Securities Law or by qualification under such law or compliance with applicable registration requirements, subject to such conditions as required by such law.

4. AMENDMENT AND ADMINISTRATION

For the avoidance of doubt, the Compensation Committee and/or the Board have the full authority, consistent with the Rules, to administer this Appendix 1, including authority to interpret and construe any provision of this Appendix 1, to identify Eligible Employees and Participants with respect to whom the provisions of this Appendix 1 may apply, and to adopt any regulations for administering this Appendix 1 and any documents it thinks necessary or appropriate. The decision of the Compensation Committee or Board, as applicable, on any matter concerning this Appendix 1 will be final and binding on all parties, notwithstanding any delegation of authority to a sub-committee.

Subject to the limits set out in Rule 2.5, such application shall also specify whether, for the purpose of determining the number of Shares over which an Option is to be granted, the amount the applicant wishes to save each month under the Savings Contract and shall authorise the Participating Company by which such employee is from time to time employed to deduct such amount (or such lesser amount as is appropriate to the reduced amount determined in accordance with Rule 3) from his pay.

2.4 The amount for which Shares may be acquired under any Option shall be as nearly as possible (without involving fractions of a Share) equal to but shall not exceed the Repayment (as reduced pursuant to Rule 3, where appropriate) of the Participant under the Savings Contract entered into by him in connection with the grant of that Option.

2.5 The minimum monthly contribution payable under a Savings Contract by a Participant shall be the Minimum Contribution. The aggregate of any Participant's Monthly Contributions under all Savings Contracts shall not exceed the Maximum Contribution.

2.6 Each application for an Option shall provide that, in the event of excess applications, each application shall be deemed to have been modified or withdrawn in accordance with the steps taken by the Board to scale down applications pursuant to Rule 3.

2.7 Each application shall be deemed to be for an Option over the largest whole number of Shares which can be acquired at the Option Price with the Repayment under the Savings Contract entered into in connection with the Option.

2.8 On any occasion on which the Board invites applications for Options, the Board may in its discretion determine and announce the minimum and maximum level of contributions which may be paid (which contribution levels shall not be less or more than the respective such amounts as are permitted at the date of invitation by law, the Scheme or by the relevant Savings Contract) and/or the maximum number of Shares in respect of which Options will be granted in response to applications made pursuant to the invitations issued on that occasion.

3. **SCALING DOWN**

3.1 If valid applications are received for a total number of Shares in excess of any maximum number of Shares determined by the Board pursuant to Rule 2, or any limitation under Rule 5, the Board shall scale down applications, at its absolute discretion, by carrying out the following successive steps:

(a) in respect of each election for a Savings Contract with a Three Year Maturity Date, the Repayment shall be deemed not to include the relevant bonus; and

(b) so far as necessary, the proposed monthly contributions shall be reduced pro rata to the excess over such amount as the Board shall determine for this purpose, being not less than the Minimum Contribution; and

(c) so far as necessary, (but subject to Rule 3.2 below), applications shall be selected by lot until the number of Shares available equals or exceeds such total number of Shares applied for.

3.2 If the number of Shares available is insufficient to enable an Option based on Monthly Contributions of the Minimum Contribution a month to be granted to each Eligible Employee making a valid application, the Board may, as an alternative to selecting by lot, determine in its absolute discretion that no Options shall be granted.

3.3 If, in applying the scaling down provisions contained in this Rule 3, Options cannot be granted within the 30 day period referred to in Rule 4.3 below, the Board may extend that period by 12 days regardless of the expiry of the relevant Invitation Period.

4. GRANT OF OPTIONS

4.1 No Option shall be granted to any person if at the Date of Grant that person shall have ceased to be an Eligible Employee.

4.2 No Option shall be granted to any person at any time when he has, or has within the preceding 12 months had a Material Interest in a Close Company being either the Company or a company which has Control of the Company or is a member of a consortium which owns such a company.

4.3 Within 30 days of any Dealing Day by reference to which the Option Price was fixed (which date shall be within an Invitation Period) the Board may, subject to Rule 3 above, grant to each Eligible Employee who has submitted a valid application an Option in respect of the number of Shares for which application has been deemed to be made under Rule 2.7.

4.4 The Company shall issue to each Participant an option certificate in such form (not inconsistent with the provisions of the Scheme) as the Board may from time to time prescribe. Each such option certificate shall specify the Date of Grant of the Option, the number and class of Shares over which the Option is granted, the Option Price and the Maturity Date.

4.5 Except as otherwise provided in these Rules, every Option shall be personal to the Participant to whom it is granted and shall not be transferable.

4.6 No amount shall be paid in respect of the grant of an Option.

5. LIMITATIONS ON GRANTS OF OPTIONS

5.1 The number of Shares for which Options may be granted under the Scheme in any period of ten successive years shall not, when added to the number of Shares which shall have been or remain to be issued during the same period under share schemes which are required to be made available to all employees of the Company, exceed such number of Shares as represents five per cent, of the issued ordinary share capital of the Company.

5.2 In determining the above limits no account shall be taken of any Shares where the right to acquire such Shares was released, lapsed or otherwise has become incapable of exercise.

6. **RIGHTS OF EXERCISE AND LAPSE OF OPTIONS**

6.1 (a) Save as provided in Rules 6.2, 6.3, 6 4 and Rule 7, an Option shall not be exercised earlier than the Maturity Date under the Savings Contract entered into in connection therewith.

(b) Save as provided in Rule 6.2, an Option shall not be exercised later than 6 months after the Maturity Date under the Savings Contract entered into in connection therewith.

(c) Save as provided in Rules 6.2 and 6.3, an Option may only be exercised by a Participant whilst he is a director or employee of a Participating Company.

6.2 An Option may be exercised by the personal representatives of a deceased Participant:

(a) within 12 months following the date of his death if such death occurs before the Maturity Date;

(b) within 12 months following the Maturity Date in the event of his death within 6 months after the Maturity Date.

(e) the US Taxpayer's ceasing to be eligible to participate in the Scheme due to the occurrence of an event under Rule 6.3(b) or 6.3(c), subject to the US Taxpayer's continued employment with a Participating Company on such date;

(f) a change in Control of the Company under Rule 7 (subject to any agreement between the US Taxpayer and the Acquiring Company to exchange the Option under Rule 9), subject to the US Taxpayer's continued employment with a Participating Company on such date; and

(g) the occurrence of an event under Rule 8, subject to the US Taxpayer's continued employment with a Participating Company on such date.

Once vested and exercisable as provided above, such Option shall remain exercisable (subject to any applicable dealing or other securities law restrictions) until the earlier of the expiration of the exercise period specified in the relevant option certificate (but not less than thirty (30) days following the termination of the US Taxpayer's employment or, if shorter, the remaining term of the Option) and the expiration of the Short-Term Deferral Period, and thereafter, such Option shall immediately lapse and automatically be cancelled and cease to have any further legal force or effect whatsoever.

2.3 No setoffs or deductions against any amounts owed to a US Taxpayer by a Participating Company may be made hereunder to the extent that such setoff or deduction would result in adverse tax consequences to the US Taxpayer under Section 409A.

2.4 For avoidance of doubt, the Company may decide from time to time whether the monthly contribution to a Savings Account may, provided the prior written consent of the Eligible Employee has been obtained, be deducted from his/her monthly net pay.

2.5 To the extent that any exchange or adjustment of an Option occurs under Rule 9 or Rule 12, respectively, the terms and conditions of any New Option or adjusted Option, as applicable, shall not modify the requirement that such Option shall only be exercisable prior to the expiration of the Short-Term Deferral Period or otherwise result in any change to the terms and conditions of such Option if such modification or change would result in adverse tax consequences to a US Taxpayer under Section 409A.

2.6 Notwithstanding any provision of the Scheme or any option certificate to the contrary, the Compensation Committee, to the extent it deems necessary or advisable in its sole discretion, reserves the right, but shall not be required, to unilaterally amend or modify the Scheme (including this Appendix 2) or any option certificate in respect to an Option granted to a US Taxpayer so that the Option qualifies for the short-term deferral exemption from Section 409A. No amendment may be made to the Scheme (including this Appendix 2) or any option certificate, or otherwise apply to an Option, if and to the extent that the amendment would cause any Option granted to a US Taxpayer to violate Section 409A. The Company shall have no liability to a US Taxpayer, or any other party, if an Option that is intended to be exempt from Section 409A is not so exempt or for any action taken by the Compensation Committee or the Company and, in the event that any amount or benefit under the Scheme becomes subject to penalties under Section 409A, responsibility for payment of such penalties shall rest solely with the affected US Taxpayer and not with the Company.

3. SECURITIES LAW COMPLIANCE

3.1 Notwithstanding any provision of the Scheme or any option certificate to the contrary, (i) no Option shall be granted and no Share shall be delivered or sold to a US Taxpayer unless such grant, delivery and sale is in compliance with US federal securities laws and any applicable US state securities laws, and (ii) Shares acquired by a US Taxpayer pursuant to the exercise of Options may only be resold in compliance with the registration requirements or an applicable exemption from the registration requirements of the US Securities Act of 1933, as it may be amended from time to time.

3.2 Notwithstanding any provision of the Scheme or any option certificate to the contrary (but subject to Rule 3.3. below), Options granted to a Participant who is a California Participant on the Date of Grant shall be subject to the following additional limitations, terms, and conditions, which for purposes of compliance with California Securities Law only shall be deemed to be a separate plan maintained solely for California Participants:

(a) except to the extent otherwise provided under Rule 3.3 of this Appendix 2, each Option shall be granted in accordance with Rule 701;

(b) Options may not be granted more than ten (10) years after the date on which the Scheme is adopted or the date on which the Scheme is approved by the issuer's security holders, whichever is earlier;

(c) in the event of the termination of a California Participant's employment with each Participating Company due to the California Participant's death or incapacity, (i) each Option held by such California Participant as of the date of such termination, to the extent that on such date (A) such Option is vested and (B) the Market Value of the Shares underlying such Option exceeds the Exercise Price of such Option on such date, shall be automatically exercised on a cashless basis on the date of such termination, and (ii) all other Options held by such California Participant, to the extent not automatically exercised as provided herein, shall immediately lapse and automatically be cancelled and cease to have any further legal force or effect whatsoever;

(d) the rights of a California Participant to acquire Shares under the Scheme shall be non-transferable except to the extent of a transfer by will, laws of descent and distribution, to a revocable trust, or as permitted by Rule 701;

(e) the number of Shares issuable upon the exercise of an Option and the Option Price thereof shall be proportionately adjusted in the event of a stock split, reverse stock split, stock dividend, recapitalization, combination, reclassification or other distribution of the Company's equity securities without the receipt of consideration by the Company of or on the Shares; and

(f) the number of California Participants may not exceed 35 unless the Scheme is approved by holders of a majority of the outstanding securities of the Company entitled to vote within twelve (12) months of the issuance of Shares under the Scheme in California.

3.3 In lieu of meeting the requirements set forth under Rule 3.2 of this Appendix 2, Options may be granted under the Scheme to any California Participant in accordance with any other registration exemption permitted under California Securities Law or by qualification under such law or compliance with applicable registration requirements, subject to such conditions as required by such law.

4. AMENDMENT AND ADMINISTRATION

For the avoidance of doubt, the Compensation Committee and/or the Board have the full authority, consistent with the Rules, to administer this Appendix 2, including authority to interpret and construe any provision of this Appendix 2, to identify Eligible Employees and Participants with respect to whom the provisions of this Appendix 2 may apply, and to adopt any regulations for administering this Appendix 2 and any documents it thinks necessary or appropriate. The decision of the Compensation Committee or Board, as applicable, on any matter concerning this Appendix 2 will be final and binding on all parties, notwithstanding any delegation of authority to a sub-committee.

3.2. Any reference in the Scheme to an "Eligible Employee" shall be deemed a reference to an Eligible Employee as defined in this Appendix.

5. EXCHANGE RATE FLUCTUATIONS

If due to exchange rate fluctuations, the contents of the Savings Account are insufficient to exercise the Option in full (taking into account the contributions), the Company may require, at its discretion, that the Participant shall make additional payments to the Savings Account so as make good such shortfall prior to any exercise of an Option. If on the other hand, there is an excess of funds in the Savings Account due to exchange rate fluctuations, the excess funds less the bank transfer fee determined by the Company will be repaid to the Participant as soon as reasonably practicable after the date of exercise of the Option or dealt with in accordance with the directions of the Participant. For the avoidance of doubt, additional Shares may not be purchased.

5.2. A Participant may not make additional contributions to the Savings Account other than as provided in Rule 18.2 and for termination of employment reasons as set out more generally in the Rules. A Participant who is entitled to make additional contributions due to cessation of employment shall do so in the manner notified to the Participant in writing, which shall direct whether such additional contributions are (i) payable in a lump sum payment either (at the Company's direction) to the designated company account or to the Company's share plan administrator from time to time at the end of the permitted additional savings period; or (ii) payable in monthly instalments to the Savings Account.

5.3. An Option shall lapse if a Participant closes or makes any withdrawal from his Savings Account (other than for the purposes of exercising an Option) or if he/she fails to make monthly contributions in each case in such a manner as to breach the savings requirements notified to the Participant at the Date of Invitation in accordance with Rule 2.1.

5.4. For avoidance of doubt, the Company may decide from time to time whether a Participant's monthly contribution under their Savings Contract may, provided the prior written consent of the Participant has been obtained, be:

5.4.2. required to be transferred by the Participant to the relevant account.

6. EXERCISE PRICE

6.1. On the exercise of an Option, a Participant will pay an amount equal to the relevant Option Price multiplied by the number of Shares in respect of which the Option is exercised. 6.2. The exchange rate to be used at the relevant time an Option is exercised for the purposes of determining the conversion of the Australian dollar amount of the Repayment under the Savings Contract into the Pounds Sterling or Euro denominated Option Price for the purposes of determining the Exercise Price will be such group rate as determined by the Company's Finance team, as at the close of business in London, United Kingdom on the day before the exercise date of the Option.

For the avoidance of doubt, the Compensation Committee and/or the Board have the full authority, consistent with the Rules, to administer this Appendix, including authority to interpret and construe any provision of this Appendix, to identify Eligible Employees and Participants with respect to whom the provisions of this Appendix may apply, and to adopt any regulations for administering this Appendix and any documents it thinks necessary or appropriate. The decision of the Compensation Committee or Board, as applicable, on any matter concerning this Appendix will be final and binding on all parties, notwithstanding any delegation of authority to a sub-committee.

9. Tax

9.1. Any reference in the Rules to the requirement for the approval or consent of the Revenue Commissioners shall be read as if such approval or consent were not required.

9.2. If withholding tax obligations arise under Australian or foreign law in connection with any transaction under the Scheme (including the grant or exercise of Options) then the Participant or other person in respect of whom such obligations arise shall make arrangements satisfactory to the Company to meet those obligations. The Company will not be required to issue any Shares under the Scheme until such obligations are satisfied.

10. GENERAL RISKS

10.1. Every investment involves an element of risk and Eligible Employees should be aware that there are risks associated with share ownership. Shares should be considered a long-term investment. Ordinary shares in capital of the Company are subject to the general market risk that is inherent in all securities listed on a stock exchange. This may result in fluctuations in its share price that are not explained by its fundamental operations and activities.

10.2. The Company is a limited liability company which means that people holding Shares in the Company are not required to contribute any more capital for their Shares once those Shares have been fully paid for, even in the event of losses by the Company. However, it is possible that if there are losses, or profits fall, holders of Shares may not receive dividends or dividends may be reduced and the value of their Shares may fall. The price of Shares as quoted on the Stock Exchange is volatile and moves up and down with market sentiment as well as factors which are specific to the Company. The price at which the Shares trade on the Stock Exchange may be higher or lower than historical prices. If investors decide to sell their Shares, the amount which may be received on the sale may be higher or lower than their present market price. The Company's latest annual report contains details of its performance and the factors which have impacted upon this performance during the period to which the report relates. These documents may be viewed on the Company's website at the following link: https://www.flutter.com/investors/results-reports-and-presentations/year/2023/.

10.3. The Company is also required to notify the Stock Exchange of information about specified events and matters as they arise for the purposes of making that information available to the stock market conducted by the Stock Exchange. The most recent annual report and announcements of the Stock Exchange should be referred to for details of these matters.

10.4. In the future, the Company may elect to issue Shares or other securities. While the Company will be subject to the constraints of the rules of the Stock Exchange regarding the issue of Shares or other securities, security holders may be diluted as a result of such issues of Shares or other securities.

10.5. Some of the factors which may affect the price of the Shares include fluctuations in the domestic and international market for listed securities, general economic conditions, including interest rates, inflation rates, exchange rates, consumer sentiment, commodity and oil prices, changes to government fiscal, monetary or regulatory policies and settings, changes in legislation or regulation, inclusion in or removal from market indices, the nature of the markets in which the Company operates and general operational and business risks. Other factors which may negatively affect investor sentiment and influence the Company specifically or the stock market more generally include acts of terrorist, an outbreak of international hostilities or fires, floods, earthquakes, labour strikes, civil wars and other natural disasters.

11. CURRENCY CONVERSION

11.1. The trading price of the Company's Shares is shown in Pounds Sterling on the London Stock Exchange website under the code FLTR at https://www.londonstockexchange.com/live-markets/market-data-dashboard/price-explorer. The trading price of the Company's Shares is shown in Pounds Sterling and in US Dollar is also available on the Company's website at https://www.flutter.com/investors/share-price-centre/.

11.2. Participants can ascertain, from time to time, the market price of the Company's Shares in Australian dollars by checking the trading price in Pounds Sterling or US Dollar on one of the websites set out above and then converting that Pounds Sterling or US Dollar price into an Australian dollar amount based on the relevant foreign currency exchange rate at that time. Useful places to find foreign currency exchange rates include the Australian Taxation Office's (ATO) website at https://www.ato.gov.au/rates/foreign-exchange-rates/ and the Reserve Bank of Australia's (RBA) website at http://www.rba.gov.au/statistics/frequency/exchange-rates.html.

2.1 The following rule shall be inserted in place of Rule 2.1:

2.1 "The Board may, during any Invitation Period, invite applications for Options from such Eligible Employees or categories of Eligible Employees as the Board may determine. Each invitation shall provide information on the grounds for the offering and application for the Options, the number and the type of Options and underlying Shares, the rights attached and a copy of the Rules. The invitations shall be on such terms, being similar terms so as not to discriminate between Participants and in such form as the Board may from time to time determine. The foregoing right of indemnification shall not be available to a Covered Person to the extent that a court of competent jurisdiction in a final judgment or other final adjudication, in either case not subject to further appeal, determines that the acts or omissions of such Covered Person giving rise to the indemnification claim resulted from such Covered Person's bad faith, fraud or willful criminal act or omission or that such right of indemnification is otherwise prohibited by law or by the Company's Memorandum of Association and Articles of Association, in each case, as may be amended from time to time. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which Covered Persons may be entitled under the Company's Memorandum of Association and Articles of Association, any indemnification agreement between the Covered Person and the Company or any of its Affiliates, as a matter of law, or otherwise, or any other power that the Company may have to indemnify such persons or hold them harmless.

Notwithstanding the provisions of this Section 4(b), no Shares may again be optioned, granted or awarded if such action would cause an Incentive Stock Option to fail to qualify as an incentive stock option under Section 422 of the Code.

(c) Adjustments for Changes in Capitalization and Similar Events. (i) In the event of any extraordinary dividend or other extraordinary distribution (whether in the form of cash, Shares, other securities or other property), recapitalization, rights offering, share split, reverse share split, split-up or spin-off, the Committee shall equitably adjust, in the manner the Committee determines appropriate, any or all of (A) the number of Shares or other securities of the Company (or number and kind of other securities or property) with respect to which Awards may be granted, including the Share Limit and the ISO Limit, and (B) the terms of any outstanding Award so as to prevent the enlargement or diminishment of the benefits provided thereunder, including (1) the number of Shares or other securities of the Company (or number and kind of other securities or property) subject to such Award or to which such Award relates, (2) the Exercise Price, if applicable, with respect to such Award and (3) the vesting terms (including performance goals) applicable to such Award.

(e) Sources of Shares Deliverable Under Awards. Any Shares delivered pursuant to an Award may consist, in whole or in part, of authorized and unissued Shares, treasury Shares or Shares reacquired by the Company in any manner, including via an employee benefit trust or other such trust or nominee arrangement utilized by the Company and approved of by the Committee for the purposes of the grant or settlement of Awards provided that, where Shares to be delivered pursuant to an Award are newly issued by the Company, the nominal value of each such Share shall be fully paid up by or on behalf of the relevant Participant in accordance with Applicable Law. SECTION 7. General Award Terms.

(a) Minimum Vesting. Notwithstanding any other provision of the Plan to the contrary, but subject to Section 8, no Awards granted under the Plan (other than Cash Incentive Awards and any other cash-based Awards) shall vest earlier than the first anniversary of the date on which the Award is granted; provided that the Committee may grant Awards in respect of up to a maximum of 5% of the Share Limit (subject to adjustment under Section 4(c)) that shall not be subject to the foregoing minimum vesting requirement. The foregoing minimum vesting requirement shall not apply to (i) Awards granted to Non-Employee Directors for which the vesting period runs from the date of one annual meeting of the Company's shareholders to the next annual meeting of the Company's shareholders, (ii) Awards that vest or become exercisable due to a Participant's death or disability, (iii) Substitute Awards, or (iv) Awards settled in Shares in lieu of fully vested cash-based Awards that were subject to the forgoing minimum vesting requirement.

(b) Dividends and Dividend Equivalents. Any Award (other than an Option, SAR or Cash Incentive Award) may provide the Participant with dividends or dividend equivalents, payable in cash, Shares, other securities, other Awards or other property, on a current or deferred or vested or unvested basis, including (i) payment directly to the Participant, (ii) withholding of such amounts by the Company subject to vesting of the Award or (iii) reinvestment in additional Shares, Restricted Shares or other Awards; provided, however, that any dividends or dividend equivalents with respect to Awards subject to vesting requirements shall be accumulated in a manner determined by the Committee until such Award is earned and such dividends and dividend equivalents shall not be paid if such vesting requirements of the underlying Award are not satisfied.

(c) Recoupment of Awards. Awards shall be subject to the Company Executive Incentive Compensation Clawback Policy as adopted on September 7, 2023, as may be amended from time to time or any successor compensation recoupment policy thereto (the "Clawback Policy"). The Company may require a Participant to forfeit, return or reimburse the Company all or a portion of the Award and any amounts paid thereunder (i) pursuant to the terms of the Clawback Policy, (ii) pursuant to the terms of any other malus and clawback policies the Company may adopt from time to time, or (iii) as necessary or appropriate to comply with Applicable Laws.

(d) Repricing. Notwithstanding anything herein to the contrary, following shareholder approval of the Plan, in no event may any Option or SAR (i) be amended to decrease the Exercise Price thereof, (ii) be canceled at a time when its Exercise Price exceeds the Fair Market Value of the underlying Shares in exchange for another Award, award under any other equity- compensation plan or any cash payment or (iii) be subject to any action that would be treated, for accounting purposes, as a "repricing" of such Option or SAR, unless such amendment, cancelation or action is approved by the Company's shareholders. For the avoidance of doubt, an adjustment to the Exercise Price of an Option or SAR that is made in accordance with Section 4(c) shall not be considered a reduction in Exercise Price or "repricing" of such Option or SAR.

SECTION 8. Change in Control.

(a) Notwithstanding any other provisions of the Plan and unless the Committee determines otherwise, in the event a Change in Control occurs and the surviving entity or successor corporation in such Change in Control does not assume or substitute outstanding Awards (or any portion thereof), then immediately prior to such Change in Control such outstanding Awards, to the extent not assumed or substituted, shall become fully vested and, as applicable, exercisable and all forfeiture, repurchase and other restrictions on such Awards shall lapse immediately prior to such transaction, provided that, unless the Committee determines otherwise, to the extent the vesting of any such Award is subject to the satisfaction of specified Performance Goals, such Award shall vest at either (as the Committee may determine) (i) the target level of performance, which may be pro-rated based on the period elapsed between the beginning of the applicable performance period and the date of the Change in Control, or (ii) the actual performance level as of the most recent practicable date prior to the Change in Control (as determined by the Committee)

with respect to all applicable Performance Goals (and the vesting pursuant to this clause (ii) shall constitute "full vesting" for purposes of this Section 8(a)). Upon, or in anticipation of, a Change in Control, the Committee may cause any and all Awards outstanding hereunder to terminate at a specific time in the future, including but not limited to the date of such Change in Control, and shall give each Participant the right to exercise or receive payment in satisfaction of such Awards during a period of time as the Committee, in its sole and absolute discretion, shall determine. For the avoidance of doubt, if the value of an Award that is terminated in connection with this Section 8(a) is zero or negative at the time of such Change in Control (which value shall be determined by the Committee in its sole discretion and its determination shall be conclusive and binding), including, without limitation, any Options or SARs with an Exercise Price that is greater that the Fair Market Value of a Share as of the Change in Control date, such Award shall be terminated upon the Change in Control without payment of consideration therefor.

(b) For purposes of this Section 8, an Award shall be considered assumed or substituted if, following the Change in Control, the Award confers the right to purchase or receive, for each Share subject to the Award immediately prior to the Change in Control, the consideration (whether shares, cash or other securities or property) received in the Change in Control by holders of Shares for each Share held on the effective date of the Change in Control (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding Shares); provided, however, that if such consideration received in the Change in Control was not solely common shares of the successor corporation or its parent, the Committee may, with the consent of the successor corporation, provide for the consideration to be received upon the exercise of the Award, for each Share subject to an Award, to be solely common shares of the successor corporation or its parent substantially equal in fair market value to the per-share consideration received by holders of Shares in the Change in Control. In cases where an Award is subject to Performance Goals at the time of a Change in Control, such Award shall be considered assumed or substituted if, following the Change in Control, the Award is converted assuming achievement of the Performance Goals at target levels or as otherwise provided in the Award Agreement, which may provide that the Award shall convert on a pro rata basis based on achievement of the Performance Goals through the period immediately prior to the Change in Control. The determination of whether an Award shall be considered substituted or assumed and whether fair market value is substantially equal shall be made by the Committee in its sole discretion and its determination shall be conclusive and binding.

SECTION 9. General Provisions. (a) Non-transferability. During the Participant's lifetime, each Award (and any rights and obligations thereunder) shall be exercisable only by the Participant, or, if permissible under Applicable Law, by the Participant's legal guardian or representative, and no Award (or any rights and obligations thereunder) may be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by a Participant otherwise than by will or by the laws of descent and distribution, and any such purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance shall be void and unenforceable against the Company or any Affiliate; provided that the designation of a beneficiary shall not constitute an assignment, alienation, pledge, attachment, sale, transfer or encumbrance. All terms and conditions of the Plan and the applicable Award Agreements shall be binding upon any permitted successors and assigns.

(b) Limitations Applicable to Section 16 Persons. Notwithstanding any other provision of the Plan, the Plan, and any Award granted or awarded to any individual who is then subject to Section 16 of the Exchange Act, shall be subject to any additional limitations set forth in any applicable exemptive rule under Section 16 of the Exchange Act (including Rule 16b-3 of the Exchange Act and any amendments thereto) that are requirements for the application of such exemptive rule. To the extent permitted by Applicable Law, the Plan and Awards granted or awarded hereunder shall be deemed amended to the extent necessary to conform to such applicable exemptive rule.

(c) No Rights to Awards. No Participant or other Person shall have any claim to be granted any Award, and there is no obligation for uniformity of treatment of Participants or holders or beneficiaries of Awards. The terms and conditions of Awards and the Committee's determinations and interpretations with respect thereto need not be the same with respect to each Participant and may be made selectively among Participants, whether or not such Participants are similarly situated.

(d) Share Certificates. All certificates for Shares or other securities of the Company or any Affiliate delivered under the Plan pursuant to any Award or the exercise thereof shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the Plan, the applicable Award Agreement or the rules, regulations and other requirements of the SEC, each Applicable Exchange and any Applicable Law and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions. Notwithstanding any other provision of the Plan, unless otherwise determined by the Committee or required by any Applicable Law, the Company shall not deliver to any Participant certificates evidencing Shares issued in connection with any Award and instead such Shares shall be recorded in the books of the Company (or, as applicable, its transfer agent or share plan administrator).

(e) Data Privacy. By participating in the Plan, the Participant's attention is drawn to the Company's data privacy notice provided to them, which sets out how the Participant's personal data will be used and shared by the Company and its Subsidiaries. Such data privacy notice does not form part of this Plan and may be updated from time to time. Any such updates shall be notified to the Participant. As a condition of receipt of any Award, each Participant explicitly and unambiguously consents to the collection, use and transfer, in electronic or other form, of personal data as described in this Section 9(e) by and among, as applicable, the Company and its Subsidiaries for the exclusive purpose of implementing, administering and managing the Participant's participation in the Plan. The Company and its Subsidiaries may hold certain personal information about a Participant, including but not limited to, the Participant's name, home address and telephone number, date of birth, social security or insurance number or other identification number, salary, nationality, job title(s), any shares held in the Company or any of its Subsidiaries, details of all Awards, in each case, for the purpose of implementing, managing and administering the Plan and Awards (the "Data"). The Company and its Subsidiaries may transfer the Data amongst themselves as necessary for the purpose of implementation, administration and management of a Participant's participation in the Plan, and the Company and its Subsidiaries may each further transfer the Data to any third parties assisting the Company and its Subsidiaries in the implementation, administration and management of the Plan. These recipients may be located in the Participant's country, or elsewhere, and the Participant's country may have different data

privacy laws and protections than the recipients' country. Through acceptance of an Award, each Participant authorizes such recipients to receive, possess, use, retain and transfer the Data, in electronic or other form, for the purposes of implementing, administering and managing the Participant's participation in the Plan, including any requisite transfer of such Data as may be required to a broker or other third party with whom the Company or any of its Subsidiaries or the Participant may elect to deposit any Shares. The Data related to a Participant will be held only as long as is necessary to implement, administer, and manage the Participant's participation in the Plan. A Participant may, at any time, view the Data held by the Company with respect to such Participant, request additional information about the storage and processing of the Data with respect to such Participant, recommend any necessary corrections to the Data with respect to the Participant or refuse or withdraw the consents herein in writing, in any case without cost, by contacting the Participant's local human resources representative. The Company may cancel the Participant's ability to participate in the Plan and, in the Committee's discretion, the Participant may forfeit any outstanding Awards if the Participant refuses or withdraws such Participant's consents as described herein. For more information on the consequences of refusal to consent or withdrawal of consent, Participants may contact their local human resources representative.

(f) Withholding. A Participant may be required to pay to the Company or any Affiliate, and the Company or any Affiliate shall have the right and is hereby authorized to withhold from any Award, from any payment due or transfer made under any Award or under the Plan or from any compensation or other amount owing to a Participant, the amount (in cash, Shares, other securities, other Awards or other property) of any applicable withholding taxes (including, but not limited to, any income or other tax, mandatory charges or social security contributions in connection with an Award for which the Committee determines that the Participant is liable (or which may be recovered from the Participant) and for which the Company or its Affiliate (or former Affiliate) is obliged to account to any relevant tax or other governmental authority) in respect of an Award, its exercise or any payment or transfer under an Award or under the Plan and to take such other action as may be necessary in the opinion of the Committee or the Company to satisfy all obligations for the payment of such taxes, except to the extent such withholding would result in penalties under Section 409A of the Code. Without limiting the generality of the foregoing, subject to the Committee's prior approval, a Participant may satisfy, in whole or in part, such withholding liability by having the Company withhold from the number of Shares otherwise issuable pursuant to the Award, a number of Shares having a Fair Market Value equal to such withholding liability; provided that, in the event Shares are so withheld in connection with the vesting of an Award of Restricted Shares, such withheld Shares shall be deemed to have been surrendered to the Company for nil consideration and shall be immediately cancelled by the Company and shall not constitute treasury Shares.

(g) Section 409A. (i) It is intended that the provisions of the Plan comply with Section 409A of the Code, and all provisions of the Plan shall be construed and interpreted in a manner consistent with the requirements for avoiding taxes or penalties under Section 409A of the Code.

(ii) No Participant or the creditors or beneficiaries of a Participant shall have the right to subject any deferred compensation (within the meaning of Section 409A of the Code) payable under the Plan to any anticipation, alienation, sale, transfer, assignment, pledge, encumbrance, attachment or garnishment. Except as permitted under Section 409A of the Code, any deferred compensation (within the meaning of Section 409A of the Code) payable to any Participant or for the benefit of any Participant under the Plan may not be reduced by, or offset against, any amount owing by any such Participant to the Company or any of its Affiliates.

(iii) If, at the time of a Participant's separation from service (within the meaning of Section 409A of the Code), (A) such Participant shall be a specified employee (within the meaning of Section 409A of the Code and using the identification methodology selected by the Company from time to time) and (B) the Company shall make a good faith determination that an amount payable pursuant to an Award constitutes deferred compensation (within the meaning of Section 409A of the Code) the payment of which is required to be delayed pursuant to the six-month delay rule set forth in Section 409A of the Code in order to avoid taxes or penalties under Section 409A of the Code, then the Company shall not pay such amount on the otherwise scheduled payment date but shall instead pay it on the first business day after such six-month period. Such amount shall be paid without interest, unless otherwise determined by the Committee, in its sole discretion, or as otherwise provided in any applicable employment agreement between the Company and the relevant Participant. For purposes of Section 409A of the Code, any right to a series of installment payments under any Award shall be treated as a right to a series of separate payments.

(iv) Notwithstanding any provision of the Plan to the contrary, in light of the uncertainty with respect to the proper application of Section 409A of the Code, the Company reserves the right to make amendments to any Award as the Company deems necessary or desirable to avoid the imposition of taxes or penalties under Section 409A of the Code. In any case, a Participant shall be solely responsible and liable for the satisfaction of all taxes and penalties that may be imposed on such Participant or for such Participant's account in connection with an Award (including any taxes and penalties under Section 409A of the Code), and neither the Company nor any of its Affiliates shall have any obligation to indemnify or otherwise hold such Participant harmless from any or all of such taxes or penalties.

(h) Non-U.S. Holders. Notwithstanding any provision of the Plan to the contrary, in order to comply with the laws in countries other than the United States in which the Company and its Subsidiaries operate or have Eligible Persons, or in order to comply with the requirements of any non-U.S. securities exchange or other Applicable Law, the Committee, in its sole discretion, shall have the power and authority to: (i) determine which Subsidiaries shall be covered by the Plan; (ii) determine which Eligible Persons are eligible to participate in the Plan; (iii) modify the terms and conditions of any Award granted to Eligible Persons outside the United States to comply with Applicable Law outside the U.S. (including, without limitation, applicable non-U.S. laws or listing requirements of any non-U.S. securities exchange); (iv) establish subplans and modify exercise procedures and other terms and procedures, to the extent such actions may be necessary or advisable; provided, however, that no such subplans and/or modifications shall increase the Share Limit; and (v) take any action, before or after an Award is made, that it deems advisable to obtain approval or comply with any necessary local governmental regulatory exemptions or approvals or listing requirements of any non-U.S. securities exchange.

(i) Award Agreements. Each Award hereunder, except for Cash Incentive Awards, shall be evidenced by an Award Agreement, which shall be delivered to the Participant and shall specify the terms and conditions of the Award and any rules applicable thereto.

(j) No Limit on Other Compensation Arrangements. Nothing contained in the Plan shall prevent the Company or any Affiliate from adopting or continuing in effect other compensation arrangements (including other equity-based awards and cash incentive awards), and such arrangements may be either generally applicable or applicable only in specific cases.

(k) No Right to Employment. The grant of an Award shall not be construed as giving a Participant the right to be retained as a Director, officer, employee or consultant of or to the Company or any Affiliate, nor shall it be construed as giving a Participant any rights to continued service on the Board. Further, the Company or an Affiliate may at any time dismiss a Participant from employment or discontinue any directorship or consulting relationship, free from any liability or any claim under the Plan, unless otherwise expressly provided in the Plan or in any Award Agreement. The Plan and any Award Agreement shall not constitute or form part of any contract of employment or service between the Company or any Affiliate and a Participant. Unless otherwise expressly provided in any Award Agreement, the benefit to a Participant of participation in the Plan (including, in particular but not by way of limitation, of any Award granted to the Participant or any Shares issued, allotted or transferred to the Participant) shall not form any part of the Participant's remuneration or count as the Participant's remuneration for any purpose and shall not be pensionable. The rights or opportunity granted to a Participant on the grant of an Award shall not give the Participant any employment rights or additional rights and if the Participant ceases to be retained as a Director, officer, employee or consultant of or to the Company or any Affiliate, the Participant shall not be entitled to compensation for the loss of any right or benefit or prospective right or benefit under the Plan (including, in particular but not by way of limitation, any Award held by him or her should it lapse by reason of the Participant ceasing to be retained as a Director, officer, employee or consultant of or to the Company or any Affiliate) whether by way of damages for unfair dismissal, wrongful dismissal, breach of contract or otherwise. The rights or opportunity granted to a Participant on the grant of an Award shall not give the Participant any rights or additional rights in respect of any pension scheme operated by the Company or any Affiliate. A Participant shall not be entitled to any compensation or damages for any loss or potential loss which he or she may suffer by reason of being unable to acquire or retain Shares, cash or other property or any interest in Shares, cash or other property (or any equivalent or connected interest) pursuant to an Award in consequence of the loss or termination of the Participant's employment or otherwise ceasing to be retained as a Director, officer, employee or consultant of or to the Company or any Affiliate for any reason whatsoever (whether or not the termination is ultimately held to be wrongful or unfair).

(l) No Rights as Shareholder. No Participant or holder or beneficiary of any Award shall have any rights as a shareholder with respect to any Shares to be distributed under the Plan until the Participant or holder or beneficiary, as applicable, has become registered in the register of members of the Company as the holder of such Shares. In connection with each grant of Restricted Shares, except as provided in the applicable Award Agreement, the Participant shall be entitled to the rights of a shareholder (including the right to vote) in respect of such Restricted Shares. Except as otherwise provided in Section 4(c) or the applicable Award Agreement, no adjustments shall be made for dividends or distributions on (whether ordinary or extraordinary, and whether in cash, Shares, other securities or other property), or other events relating to, Shares subject to an Award for which the record date is prior to the date such Shares are delivered.

(m) Governing Law. The validity, construction and effect of the Plan and any rules and regulations relating to the Plan and any Award Agreement shall be determined in accordance with the laws of Ireland, without giving effect to the conflict of laws provisions thereof. The courts of Ireland will have exclusive jurisdiction to determine any dispute in relation to the application of this Plan, save to the extent that the Company refers the dispute to arbitration in accordance with Section 9(n). The exclusive jurisdiction provision contained in this Section is made for the benefit of the Company only, which accordingly retains the right (i) to bring proceedings in any other court of competent jurisdiction; or (ii) to require any dispute to be referred to arbitration in accordance with Section 9(n). By accepting the grant of an Award, a Participant is deemed to have agreed to submit to such jurisdiction.

(n) Arbitration. Any dispute in relation to the Plan may be referred by the Company to arbitration which (a) in the case of a Participant resident in Ireland, such arbitration shall be conducted pursuant to the provisions of the Arbitration Act 2010 of Ireland (as amended), to be held in Dublin before a single arbitrator, (b) in the case of a Participant resident in the U.S, such arbitration shall be conducted pursuant to the provisions of the American Arbitration Association ("AAA"), to be held in the state of the Participant's primary place of employment or service (i.e. Company location in which the Participant is based), before a single arbitrator, in accordance with the then-current Employment Arbitration Rules and Mediation Procedures of the AAA and the U.S. Federal Arbitration Act, as modified by the terms and conditions contained in this Section, and the Participant further acknowledges and agrees to waive all rights to a jury trial and the right to pursue any class or representative claims to the maximum extent allowed by law and, to the extent a class or representative claim may not be waived, the Participant agrees to stay any such claims until after all claims subject to arbitration are fully resolved, (c) in the case of a Participant resident in any other jurisdiction, such arbitration shall be conducted pursuant to the provisions of such arbitration rules as shall be selected by the Committee and are applicable in such jurisdiction and (d) any Participant so affected will submit to such arbitration and, by accepting the grant of an Award, is deemed to have agreed to submit to such jurisdiction.

(o) Severability. If any provision of the Plan or any Award is or becomes or is deemed to be invalid, illegal or unenforceable in any jurisdiction or as to any Person or Award, or would disqualify the Plan or any Award under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to the Applicable Laws, or if it cannot be construed or deemed amended without, in the determination of the Committee, materially altering the intent of the Plan or the Award, such provision shall be construed or deemed stricken as to such jurisdiction, Person or Award and the remainder of the Plan and any such Award shall remain in full force and effect.

(p) Other Laws; Restrictions on Transfer of Shares. The Committee may refuse to grant Awards or issue or transfer any Shares or other consideration under an Award if it determines that the grant, issuance or transfer of such Award or Shares or such other consideration might violate any Applicable Law or entitle the Company to recover the same under Section 16(b) of the Exchange Act, and any payment tendered to the Company by a Participant, other holder or beneficiary in connection with the exercise of such Award shall be promptly refunded to the relevant Participant, holder or beneficiary.

(q) No Trust or Fund Created. Neither the Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company or any Affiliate, on one hand, and a Participant or any other Person, on the other. To the extent that any Person acquires a right to receive payments from the Company or any Affiliate pursuant to an Award, such right shall be no greater than the right of any unsecured general creditor of the Company or such Affiliate.

(r) No Fractional Shares. No fractional Shares shall be issued or delivered pursuant to the Plan or any Award, and the Committee shall determine whether cash, other securities or other property shall be paid or transferred in lieu of any fractional Shares or whether such fractional Shares or any rights thereto shall be canceled, terminated or otherwise eliminated.

(s) Headings and Construction. Headings are given to the Sections and subsections of the Plan solely as a convenience to facilitate reference. Such headings shall not be deemed in any way material or relevant to the construction or interpretation of the Plan or any provision thereof. Whenever the words "include", "includes" or "including" are used in the Plan, they shall be deemed to be followed by the words "but not limited to", and the word "or" shall not be deemed to be exclusive.

(t) Paperless Administration. In the event that the Company establishes, for itself or using the services of a third party, an automated system for the documentation, granting or exercise of Awards, such as a system using an internet website or interactive voice response, then the paperless documentation, granting or exercise of Awards by a Participant may be permitted through the use of such an automated system.

(u) Effect of Plan upon Other Compensation Plans. The adoption of the Plan shall not affect any other compensation or incentive plans in effect for the Company or any Subsidiary. Nothing in the Plan shall be construed to limit the right of the Company or any Subsidiary: (a) to establish any other forms of incentives or compensation for any Eligible Person, or (b) to grant or assume options or other rights or awards otherwise than under the Plan in connection with any proper corporate purpose including without limitation, the grant or assumption of options in connection with the acquisition by purchase, lease, merger, consolidation or otherwise, of the business, shares or assets of any corporation, partnership, limited liability company, firm or association.

(v) Compliance with Laws. The Plan, the granting and vesting of Awards under the Plan and the issuance and delivery of Shares and the payment of money under the Plan or under Awards granted or awarded hereunder are subject to compliance with all Applicable Law (including but not limited to state, federal and non-U.S. securities law and margin requirements), and to such approvals by any listing, regulatory or governmental authority as may, in the opinion of counsel for the Company, be necessary or advisable in connection therewith. Any securities delivered under the Plan shall be subject to such restrictions, and the person acquiring such securities shall, if requested by the Company, provide such assurances and representations to the Company as the Company may deem necessary or desirable to assure compliance with all Applicable Law. The Committee, in its sole discretion, may take whatever actions it deems necessary or appropriate to effect compliance with Applicable Law, including, without limitation, placing legends on share certificates and issuing stop-transfer notices to agents and registrars.

Notwithstanding anything to the contrary herein, the Committee may not take any actions hereunder, and no Awards shall be granted, that would violate Applicable Law. To the extent permitted by Applicable Law, the Plan and Awards granted or awarded hereunder shall be deemed amended to the extent necessary to conform to Applicable Law.

(w) Unfunded Status of Awards. The Plan is intended to be an "unfunded" plan for incentive compensation. With respect to any payments not yet made to a Participant pursuant to an Award, nothing contained in the Plan or any Award Agreement shall give the Participant any rights that are greater than those of a general creditor of the Company or any Subsidiary.

(x) Relationship to Other Benefits. No payment pursuant to the Plan shall be taken into account in determining any benefits under any pension, retirement, savings, profit sharing, group insurance, welfare or other benefit plan of the Company or any Subsidiary except to the extent otherwise expressly provided in writing in such other plan or an agreement thereunder.

SECTION 10. Amendment and Termination. (a) Amendments to the Plan. Subject to any Applicable Law, the Plan may be amended, modified or terminated by the Board without the approval of the shareholders of the Company, except that, following the date that the Plan is approved by shareholders, to the extent required by any Applicable Law or the rules of any Applicable Exchange, shareholder approval shall be required for any amendment that would (i) increase the Share Limit or the ISO Limit (in either case, except for increases pursuant to an adjustment under Section 4(c)), (ii) expand the class of employees or other individuals eligible to participate in the Plan, (iii) extend the Expiration Date or (iv) result in any amendment, cancellation or action described in Section 7(d) being permitted without the approval of the Company's shareholders. No amendment, modification or termination of the Plan may, without the consent of the Participant to whom any Award shall previously have been granted, materially and adversely affect the rights of such Participant (or the Participant's transferee) under such Award, unless otherwise provided in the applicable Award Agreement.

(b) Amendments to Awards. The Committee may waive any conditions or rights under, amend any terms of, or alter, suspend, discontinue, cancel or terminate any Award previously granted, prospectively or retroactively; provided, however, that, except as set forth in the Plan, unless otherwise provided in the applicable Award Agreement, any such waiver, amendment, alteration, suspension, discontinuance, cancelation or termination that would materially and adversely impair the rights of any Participant or any holder or beneficiary of any Award previously granted shall not to that extent be effective without the consent of the applicable Participant, holder or beneficiary.

SECTION 11. Term of the Plan. The Plan shall be effective as of the date of its adoption by the Board (the "Effective Date"). No Award shall be granted under the Plan during any period of suspension or after the tenth anniversary of the date on which the Plan is adopted by the Board (such anniversary, the "Expiration Date"). Unless otherwise expressly provided in the Plan or in an applicable Award Agreement, any Award granted hereunder, and the authority of the Board or the Committee to amend, alter, adjust, suspend, discontinue or terminate any such Award or to waive any conditions or rights under any such Award, shall nevertheless continue thereafter. Any awards that are outstanding under the Plan as of the Expiration Date shall continue to be subject to the terms and conditions of the Plan and an applicable Award Agreement.

APPENDIX

NON-EMPLOYEE SUB-PLAN

TO THE FLUTTER ENTERTAINMENT PLC 2024 OMNIBUS INCENTIVE PLAN

This sub-plan (the "**Non-Employee Sub-Plan**") to the Flutter Entertainment plc 2024 Omnibus Incentive Plan (the "**Plan**") has been adopted in accordance with Section 3(b) of the Plan and governs the grant of Awards to Non-Employee Directors, Consultants (as defined below) and Affiliate Employees (as defined below). This Non-Employee Sub-Plan incorporates all the provisions of the Plan except as expressly modified in accordance with the provisions of this Non-Employee Sub-Plan.

In this Non-Employee Sub-Plan, the words and expressions used in the Plan shall bear, unless the context otherwise requires, the same meaning herein save to the extent the rules in this Non-Employee Sub-Plan provide to the contrary.

For the purposes of this Non-Employee Sub-Plan, the provisions of the Plan shall operate subject to the following modifications:

1. Interpretation.

In this Non-Employee Sub-Plan, unless the context otherwise requires, the following words and expressions have the following meanings:

"Affiliate Employee" means any person that is (a) an employee of an Affiliate which is not a Subsidiary, directly or indirectly, of the Company, and (b) is not otherwise an Employee.

"Consultant" means any person, including any adviser, engaged by the Company or any of its Subsidiaries to render services to such entity if the consultant or adviser: (i) renders bona fide services to the Company or any of its Subsidiaries; (ii) renders services not in connection with the offer or sale of securities in a capital-raising transaction and does not directly or indirectly promote or maintain a market for the Company's securities; and (iii) is a natural person. Notwithstanding the foregoing, a person is treated as a Consultant only if a Form S-8 Registration Statement under the Securities Act (if applicable) is available to register either the offer or the sale of the Company's securities to such person.

"Employee" means any current of the Company or any of its Subsidiaries.

"Service Provider" means any Non-Employee Director, Consultant or Affiliate Employee who also constitutes an Eligible Person within the meaning of the Plan.

2. Eligibility.

Service Providers shall be eligible to receive Awards under this Non-Employee Sub-Plan at the discretion of the Committee.

3. Payment of Shares.

Notwithstanding any other provision of the Plan, no newly issued Share(s) shall be delivered to a Service Provider in satisfaction of an Award pursuant to the terms of the Plan or this Non-Employee Sub-Plan unless the nominal value of each such newly issued Share(s) is fully paid up by or on behalf of the relevant Service Provider in accordance with Applicable Law.

4. Delivery of Shares pursuant to an Award.

Where Shares to be delivered pursuant to an Award are for the benefit of a Service Provider, they shall only be delivered in a manner that is, in the opinion of the Committee, compliant with the provisions of Applicable Law and any applicable securities laws or stock exchange rules and regulations and consistent with the requirements of Section 82 of the Companies Act.

5. Shares Subject to this Non-Employee Sub-Plan.

Subject to adjustment as provided in Section 4(c) of the Plan, the maximum number of Shares that may be allotted and/or issued to or for the benefit of Service Providers pursuant to Awards shall be limited to such number of Shares as the Company has been authorized by its shareholders to allot and/or issue pursuant to Section 1021 of the Companies Act (including any disapplication of Section 1022 of the Companies Act) from time to time.

6. No "*employees' share scheme*".

Without prejudice to other Awards granted pursuant to the Plan, Awards granted to Service Providers pursuant to this Non-Employee Sub-Plan are not granted pursuant to an "employees' share scheme" for the purposes of the Companies Act.
