[Table of Contents](#)

All information permitted under applicable laws to be omitted from this Prospectus will be contained in one or more Prospectus Supplements that will be delivered to purchasers together with this Prospectus. Each Prospectus Supplement will be incorporated by reference into this Prospectus for the purposes of securities legislation as of the date of such Prospectus Supplement and only for the purposes of the distribution of the Securities to which such Prospectus Supplement pertains.

The outstanding Common Shares are listed and admitted for trading on the Toronto Stock Exchange (“TSX”) under the symbol “TSGI” and on the NASDAQ Stock Market (“NASDAQ”) under the symbol “TSG”. Unless otherwise specified in the applicable Prospectus Supplement, Securities other than Common Shares will not be listed on any securities exchange. **There is no market through which the Securities, other than the Common Shares, may be sold, and purchasers may not be able to resell such Securities purchased under this Prospectus and any applicable Prospectus Supplement. This may affect the pricing of such Securities in the secondary market, the transparency and availability of trading prices, the liquidity of the Securities and the extent of issuer regulation. See “Risk Factors”.** Unless otherwise indicated in the Prospectus Supplement relating to an offering of Securities, the particular offering of Securities will be subject to approval of certain legal matters on behalf of the Company by Osler, Hoskin & Harcourt LLP, with respect to Canadian legal matters and certain U.S. legal matters, and Greenberg Traurig P.A., with respect to certain U.S. legal matters.

Investing in the Securities involves significant risks. Investors should carefully read and consider the “Risk Factors” section in this Prospectus beginning on page 8, in the documents incorporated by reference herein, and in any applicable Prospectus Supplement.

This offering is made by a Canadian issuer that is permitted, under a multijurisdictional disclosure system adopted by the United States and Canada, to prepare this Prospectus in accordance with Canadian disclosure requirements. Prospective investors should be aware that such requirements are different from those of the United States. Financial statements included or incorporated herein have been prepared in accordance with International Financial Reporting Standards as issued by the International Accounting Standards Board (“IFRS”), and are subject to Canadian auditing and auditor independence standards and thus may not be comparable to financial statements of United States companies.

The enforcement by investors of civil liabilities under U.S. federal securities laws may be affected adversely because we are incorporated or organized under the laws of Canada, certain of our officers and directors reside outside of the United States, most of the Company’s assets and the assets of such persons are located outside the United States, and certain of the underwriters or experts identified herein or in any Prospectus Supplement may be residents of Canada or otherwise located outside of the United States.

THESE SECURITIES HAVE NOT BEEN APPROVED OR DISAPPROVED BY THE U.S. SECURITIES AND EXCHANGE COMMISSION (“SEC”) NOR HAS THE SEC PASSED UPON THE ACCURACY OR ADEQUACY OF THIS PROSPECTUS. ANY REPRESENTATION TO THE CONTRARY IS A CRIMINAL OFFENSE.

The specific terms of the Securities with respect to a particular offering will be set out in the applicable Prospectus Supplement and may include, where applicable, the number of Securities offered, the offering price, the currency and any other terms specific to the Securities being offered. A Prospectus Supplement may include specific terms pertaining to the Securities that are not within the alternatives and parameters set forth in this Prospectus. Where required by statute, regulation or policy, and where Securities are offered in currencies other than Canadian dollars, appropriate disclosure of foreign exchange rates applicable to the Securities will be included in the Prospectus Supplement describing the Securities.

Prospective investors should be aware that the acquisition of the Securities described herein may have tax consequences both in the United States and Canada. This Prospectus does not, and any applicable Prospectus Supplement may not fully, describe these tax consequences. Prospective investors should read the

tax discussion in any applicable Prospectus Supplement, but note that such discussion may be only a general summary that does not cover all tax matters that may be of importance to a prospective investor. Each prospective investor is urged to consult its own tax advisors about the tax consequences relating to the purchase, ownership and disposition of the Securities in light of the investor's own circumstances.

No underwriter has been involved in the preparation of this Prospectus or has performed any review of the contents of this Prospectus.

This Prospectus constitutes a public offering of Securities only in those jurisdictions where they may be lawfully offered for sale and therein only by persons permitted to sell the Securities. The Company and the Selling Securityholders may offer and sell Securities to, or through, underwriters and also may offer and sell certain Securities directly to other purchasers or through agents pursuant to exemptions from registration or qualification under applicable securities laws. See "Plan of Distribution". A Prospectus Supplement relating to a particular offering of Securities will identify each underwriter or agent, as the case may be, engaged by the Company or the Selling Securityholders in connection with the offering and sale of the Securities, and will set forth the terms of the offering of the Securities, including the method of distribution of such Securities, the identity of the Selling Securityholders, if any, the proceeds to the Company and the Selling Securityholders, as applicable, any fees, discounts or any other compensation payable to underwriters or agents and any other material terms of the plan of distribution.

In connection with any offering of the Securities (unless otherwise specified in a Prospectus Supplement), the underwriters or agents may over-allot or effect transactions that stabilize, maintain or otherwise affect the market price of the Securities at a level above that which might otherwise exist in the open market. Such transactions may be commenced, interrupted or discontinued at any time. See "Plan of Distribution".

Our head and registered office is located at 200 Bay Street, South Tower, Suite 3205, Toronto, Ontario M5J 2J3.

The Stars Group currently estimates that PokerStars holds a majority of the global market share of real-money poker player liquidity, or the volume of real-money poker players, and is among the leaders in play-money poker player liquidity. The Stars Group also continues to estimate that its combined online casino, including PokerStars Casino, is currently among the world's fastest growing and has one of the largest player bases among its competitors.

In addition to pursuing growth opportunities in poker in existing and new markets, including through the innovation of new product features and enhancements, geographic expansion, improvements to the poker ecosystem, and marketing campaigns, The Stars Group believes there are potentially significant opportunities for growth in the online casino and sportsbook verticals. The Stars Group believes that such potential opportunities include the ability to leverage its brand and product recognition (particularly poker) to acquire new customers, including recreational customers, and capitalize on network effects and cross-selling these new verticals to its existing and new customer base. The Stars Group continues to improve its online casino and sportsbook product offerings, including through mobile applications and other enhancements, expanding its game and sports portfolios and geographic reach, and launching external marketing campaigns. In addition to online casino and sportsbook, The Stars Group currently intends to expand upon and explore other growth opportunities, including, without limitation, expanding upon its current social gaming offering, and pursuing other interactive entertainment opportunities.

The Stars Group, through certain of its subsidiaries, is licensed or approved to offer, or offers under third-party licenses or approvals, its products and services in various jurisdictions throughout the world, including in Europe, both within and outside of the European Union, North America and elsewhere. In particular, PokerStars is the world's most licensed online gaming brand, holding licenses or related operating approvals in 17 jurisdictions. The Stars Group intends to seek licensure with respect to more European Union member states if and when such member states introduce their own independent regulatory and licensing regimes and generally following a determination that such national regulatory frameworks are compliant with European Union law. Outside of the European Union, The Stars Group anticipates there may be a potential for regulation of online gaming, including online poker, casino and/or sportsbook, which may result in potential licensing or partnerships with private operators or governmental bodies with respect to various jurisdictions. The Stars Group supports regulation of online gaming, including licensing and taxation regimes, which it believes will promote sustainable online gaming markets that are beneficial for consumers, governments and the citizens of the regulating jurisdiction, operators, and the industry as a whole, and expects to continue to invest substantial resources into these efforts, particularly in markets that management believes may in the future have the greatest impact on the Company's business. See also "Regulatory Environment" in the 2016 Annual Information Form.

The Securities offered pursuant to any Prospectus Supplement may be sold from time to time in one or more transactions at: (i) a fixed price or prices, which may be changed from time to time; (ii) market prices prevailing at the time of sale; (iii) prices related to such prevailing market prices; or (iv) other negotiated prices, including sales in transactions that are deemed to be “at-the-market distributions” as defined in National Instrument 44-102 - *Shelf Distributions* and subject to limitations imposed by and the terms of any regulatory approval required and obtained under applicable Canadian securities laws, including sales made directly on the TSX, NASDAQ or other existing trading markets for the Securities. We may only offer and sell the Securities pursuant to a Prospectus Supplement during the period that this Prospectus, including any amendments hereto, remains effective. The Prospectus Supplement for any of the Securities being offered thereby will set forth the terms of the offering of such Securities, including the type of Securities being offered, the name or names of any underwriters or agents, the Selling Securityholders, if any, the purchase price of such Securities, the proceeds to us from such sale, any underwriting commissions or discounts and other items constituting underwriters’ compensation. Only underwriters or agents so named in the Prospectus Supplement are deemed to be underwriters or agents in connection with the Securities offered thereby.

Similarly, one or more Selling Securityholders of the Company may sell Securities to or through underwriters or dealers purchasing as principals and may also sell the Securities to one or more purchasers directly, through statutory exemptions, or through agents designated from time to time. See “Selling Securityholders”.

If underwriters are used in the sale, the Securities will be acquired by the underwriters for their own account and may be resold from time to time in one or more transactions, including negotiated transactions, at a fixed public offering price or at varying prices determined at the time of sale. Unless otherwise set forth in the Prospectus Supplement relating thereto, the obligations of underwriters to purchase the Securities will be subject to certain conditions, but the underwriters will be obligated to purchase all the Securities offered by the Prospectus Supplement if any of such Securities are purchased. We may offer the Securities to the public through underwriting syndicates represented by managing underwriters or by underwriters without a syndicate. The Company may agree to pay the underwriters a fee or commission or allow a discount or concession for various services relating to the offering of any Securities, which such fee, commission, discount or concession may be changed from time to time. Unless set forth in the applicable Prospectus Supplement, any such fee or commission will be paid out of our general corporate funds. [Table of Contents](#)

Unless otherwise specified in the applicable Prospectus Supplement, the Company does not intend to list any of the Securities other than the Common Shares on any securities exchange. As a result, unless otherwise specified in the applicable Prospectus Supplement, there can be no assurance that an active trading market for the Securities other than Common Shares will develop or be sustained, there may otherwise be no market through which such Securities may be sold and purchasers may not be able to resell such Securities purchased under this Prospectus and the relevant Prospectus Supplement. This may affect the pricing of such Securities in the secondary market, the transparency and availability of trading prices, the liquidity of such Securities and the extent of issuer regulation. No assurances can be given that a market for trading in Securities of any series or issue will develop or as to the liquidity of any such market, whether or not the Securities are listed on a securities exchange.

In connection with any offering of Securities, except with respect to “at-the-market distributions”, underwriters, agents or dealers may over-allot or effect transactions that stabilize or maintain the market price of the Securities offered at a higher level than that which might otherwise exist in the open market. Such transactions may be commenced, interrupted or discontinued at any time.

No underwriter or dealer involved in an “at-the-market distribution”, no affiliate of such an underwriter or dealer and no person or company acting jointly or in concert with such an underwriter or dealer will over-allot Securities in connection with such distribution or effect any other transactions that are intended to stabilize or maintain the market price of the Securities. In the event that the Company determines to pursue an “at-the-market distribution” in Canada, the Company will apply for the required exemptive relief from the applicable Canadian securities regulators.

SELLING SECURITYHOLDERS

This Prospectus may also, from time to time, relate to the offering of the Securities by way of a secondary offering by certain Selling Securityholders.

The terms under which the Securities may be offered by Selling Securityholders will be described in the applicable Prospectus Supplement. The Prospectus Supplement for or including any offering of Securities by Selling Securityholders will include, without limitation, where applicable: (i) the names of the Selling Securityholders; (ii) the number and type of Securities owned, controlled or directed by each Selling Securityholder; (iii) the number of Securities being distributed for the accounts of each Selling Securityholder; (iv) the number of Securities to be owned, controlled or directed by each Selling Securityholder after the distribution and the percentage that number or amount represents out of the total number of outstanding Securities; (v) whether the Securities are owned by the Selling Securityholders, both of record and beneficially, of record only or beneficially only; (vi) if a Selling Securityholder purchased any of the Securities held by him, her or it in the 12 months preceding the date of the Prospectus Supplement, the date or dates the Selling Securityholder acquired the Securities; and (vii) if a Selling Securityholder acquired the Securities held by him, her or it in the 12 months preceding the date of the Prospectus Supplement, the cost thereof to the Selling Securityholder in the aggregate and on a per security basis.

DESCRIPTION OF COMMON SHARES

Each Common Share entitles its holder to notice of, and to one vote on, all matters submitted to The Stars Group’s shareholders for their consideration. The holders of Common Shares are entitled to receive, after payment of the full dividend on any Preferred Shares, non-cumulative annual dividends if, as and when declared by the Board of Directors of the Company (the “**Board**”). There are no fixed dates or time limits on payment of dividends on Common Shares. Holders of Common Shares do not have any pre-emptive rights, other rights to subscribe for additional shares, or any conversion rights. In the event of liquidation, dissolution or winding-up of the Company, the Company’s net assets available for distribution to its shareholders will be distributed rateably among the holders of the Common Shares, subject to the rights, privileges, restrictions and conditions of the Company’s then issued and outstanding Preferred Shares.

Certain gaming provisions in the Company’s articles of incorporation, as amended (the “**Articles**”), facilitate compliance with applicable gaming regulations (the “**Gaming Provisions**”). The Gaming Provisions protect the Company from the consequences of having a shareholder whose ownership of Common Shares or whose failure to make an application to seek licensure or suitability review from, or otherwise comply with the requirements of, a gaming regulatory authority (an “**Unsuitable Person**”) may result in the loss, suspension or revocation (or similar action) of any license, permit, authorization, waiver or other gaming regulatory approval held by the Company, or the denial of any license, permit, authorization, waiver or other gaming regulatory approval sought by the Company. The Gaming Provisions provide the Company with a right to redeem all Common Shares held by an Unsuitable Person at a redemption price determined pursuant to a written valuation and fairness opinion from an investment

banking firm of nationally recognized standing in the United States. The Gaming Provisions also require individuals who plan, either on their own or as part of a group acting in concert, to acquire or dispose of 5% or more of Common Shares to provide advance written notice to the Company prior to effecting such an acquisition or disposition. Notwithstanding the Gaming Provisions, the Company may not be able to exercise its redemption rights in full or at all. Under the OBCA, a corporation may not make any payment to redeem shares if there are reasonable grounds for believing that (a) the corporation is or, after the payment, would be unable to pay its liabilities as they become due, or (b) after the payment, the realizable value of the corporation's assets would be less than the aggregate of: (i) its liabilities, and (ii) the amount that would be required to pay the holders of shares that have a right to be paid, on a redemption or in a liquidation, rateably with or before the holders of the Common Shares being purchased or redeemed, to the extent that the amount has not been included in its liabilities. Furthermore, The Stars Group may become subject to contractual restrictions on its ability to redeem its shares by, for example, entering into a secured credit facility subject to such restrictions.

The foregoing description of the terms of the Common Shares does not purport to be complete and is subject to and qualified in its entirety by reference to the Articles and general by-laws of the Company, each of which is available on SEDAR at www.sedar.com and EDGAR at www.sec.gov.

DESCRIPTION OF PREFERRED SHARES

As of the date of this Prospectus, 1,139,249 Class A Convertible Preferred Shares of the Company (the “**Class A Preferred Shares**”) are issued and outstanding. To create any additional class or series of Preferred Shares, the Company must, among other things, comply with the terms of the Class A Preferred Shares and amend the Articles, and such amendment will be subject to shareholder approval. The particular class of Preferred Shares and the particular terms and provisions of any series of such class of Preferred Shares offered by any Prospectus Supplement will be described in the Prospectus Supplement filed in respect of such series of Preferred Shares. The following is a summary of the material rights, preferences, privileges, restrictions and conditions of the Class A Preferred Shares.

In connection with its financing of the Stars Interactive Group Acquisition, on August 1, 2014, the Company issued 1,139,356 Class A Preferred Shares having a stated value of US\$1.05 billion. The Class A Preferred Shares were issued at an offering price of \$1,000.00 per Class A Preferred Share. Each Class A Preferred Share is convertible at the holder's option at any time in whole or in part, initially into 41.67 Common Shares (the “**Conversion Ratio**”), based on an initial conversion price of \$24.00 per Common Share (the “**Initial Conversion Price**”), subject to adjustments in accordance with the terms of the Class A Preferred Shares. The Class A Preferred Shares rank senior to the Common Shares in receiving payment of their liquidation preference (which is initially \$1,000 per Class A Preferred Share, subject to adjustments to the Conversion Ratio), upon the liquidation, winding up or dissolution of the Company or in any other distribution of substantially all its assets (a “**Liquidation**”). The Class A Preferred Shares are not entitled to receive dividends and have no voting rights (or any related notice rights, including notice of shareholder meetings) except with respect to amendments to the terms of the Class A Preferred Shares or as otherwise required under applicable laws. The Conversion Ratio, representing the number of Common Shares that will be issued to a holder of Class A Preferred Shares for each Class A Preferred Share upon exercise of the conversion right, will be adjusted each February 1 and August 1 by multiplying the Conversion Ratio then in effect immediately prior to such adjustment by 1.03. As of the date of this Prospectus, the Company has made such adjustments on each February 1 and August 1 since the issuance of the Class A Preferred Shares. Based on the Initial Conversion Price and Conversion Ratio, each as adjusted, approximately 58,223,421 Common Shares would be issuable upon the conversion of all the Class A Preferred Shares as of January 15, 2018.

The Stars Group may give notice to holders of Class A Preferred Shares to force conversion (in whole or in part under certain circumstances) if the following two conditions are satisfied: (i) the closing share price of the Common Shares has been in excess of 175% of the Initial Conversion Price on any 20 trading days within a 30 consecutive day period, and (ii) except in certain circumstances, the average daily volume on any 20 trading days within the 30 consecutive day period referred to above was at least 1.75 million Common Shares. Any mandatory conversion will also be subject to specified regulatory and consent conditions.

Table of Contents

The Class A Preferred Shares also contain anti-dilution Conversion Ratio adjustments for certain dividends or distributions (cash, shares or otherwise), share splits, share combinations, below-market equity issuances, or rights, options or warrant issuances, tender offer or exchange offer payments, and reorganization events. In addition, upon a “fundamental change”, additional Common Shares may be issuable to holders of Class A Preferred Shares as a premium. “Fundamental change” events include:

- a person or group (other than The Stars Group, its subsidiaries, GSO Capital Partners LP and certain funds or accounts managed or advised by it or its affiliates (collectively, “**GSO**”), BlackRock Financial Management, Inc. and certain funds or accounts managed or advised by it or its affiliates (collectively, “**BlackRock**”), or any owner of 10% or more of the Common Shares as of August 1, 2014) becoming the beneficial owner of more than 50% of voting power for the election of The Stars Group’s directors;
- the consummation of a (i) recapitalization in which Common Shares are converted into or exchanged for other securities or assets; (ii) share exchange or merger in which Common Shares convert into cash, securities or other property; or (iii) sale, lease or other transfer of all or substantially all of The Stars Group’s assets to a third party (other than an The Stars Group subsidiary);
- Common Shares being delisted from any of the TSX, New York Stock Exchange, NASDAQ or London Stock Exchange, if then listed on any such exchange; or
- The Stars Group’s shareholders approving a Liquidation.

Under the terms of the Class A Preferred Shares, for so long as each of GSO and BlackRock holds 50% or more of the Class A Preferred Shares issued to it on August 1, 2014, The Stars Group undertakes:

- not to incur indebtedness unless (i) the ratio of Consolidated Net Debt to LTM EBITDA (as each term is defined in the Articles) would be 6.7 to 1 or less on a pro forma basis, or (ii) such indebtedness is Permitted Debt (as defined in the Articles);
- not to issue equity securities ranking equal or superior to the Class A Preferred Shares;
- not to make acquisitions that (i) individually exceed US\$250.0 million, or (ii) since August 1, 2014, total US\$500.0 million or more (subject to specified ordinary course of business and consent exceptions);
- (i) not to require a mandatory conversion of Class A Preferred Shares if such mandatory conversion would require a regulatory filing or waiver for any holder of Class A Preferred Shares in excess of that required for an institutional investor waiver in the State of New Jersey, and (ii) to notify GSO and BlackRock in writing at least 60 days prior to any action that will require a regulatory filing or waiver for any holder of Class A Preferred Shares in excess of that required for an institutional investor waiver in New Jersey;
- to cooperate with holders of Class A Preferred Shares in connection with anti-trust or competition filings relating to their investment in The Stars Group and/or conversion of Class A Preferred Shares;
- to maintain the listing of the Common Shares on the NASDAQ; and
- to comply with The Stars Group’s continuous disclosure requirements and provisions of the registration rights agreement to which it is a party.

If The Stars Group fails to comply with these undertakings, the Conversion Ratio may be increased between a range of 2% and 6% per annum, depending on which undertaking is breached, for each year in which the breach occurs.

The foregoing description of the terms of the Class A Preferred Shares does not purport to be complete and is subject to and qualified in its entirety by reference to the Articles, which are available on SEDAR at www.sedar.com and EDGAR at www.sec.gov.

Unless otherwise indicated in the applicable Prospectus Supplement, the Indenture also permits the Company, without the consent of the holders of any Debt Securities, to increase the principal amount of any series of Debt Securities the Company has previously issued under the Indenture and to issue such increased principal amount. Any such additional Debt Securities, together with all other outstanding Debt Securities of that series, will constitute a single series of securities under the Indenture. Such additional Debt Securities will have the same terms as to ranking, redemption, waivers, amendments or otherwise as the applicable series of Debt Securities, and will vote together as one class on all matters with respect to such series of Debt Securities.

The Company may offer and sell Debt Securities, including original issue discount securities, at par or at a discount, in some cases substantial, below their stated principal amount. The Company will describe in the applicable Prospectus Supplement any material Canadian and U.S. federal income tax consequences and other special considerations applicable to any discounted Debt Securities or other Debt Securities offered and sold at par which are treated as having been issued at a discount for Canadian and/or U.S. federal income tax purposes. Any taxes withheld or deducted from payments in respect of Debt Securities and paid to the relevant tax authority shall be deemed to have been paid to the applicable holder.

Denominations, Payment, Interest, Registration and Transfer

Unless the applicable Prospectus Supplement states otherwise, any Debt Securities of any series that the Company issues in registered form will be issued in denominations of US\$2,000 and multiples of US\$1,000. The Company expects most Debt Securities to be issued in fully registered form without coupons.

Unless the applicable Prospectus Supplement states otherwise, the principal of, and any premium or interest on, any series of Debt Securities will be payable in the currency designated in the Prospectus Supplement at the corporate trust office of the U.S. Trustee. At the Company's option, however, payment of interest may be made by check delivered to the address of the person entitled to the interest payment as it appears in the security register for the series or, in accordance with arrangements satisfactory to the U.S. Trustee, by wire transfer of funds to an account designated by that person. The Company may at any time designate additional paying agents or rescind designation of any paying agents or approve a change in the office through which any paying agent acts, except that the Company will be required to maintain a paying agent in each place of payment for any series. All monies that the Company pays to a paying agent for the payment of any principal of, or any premium, make-whole amount, interest or additional amounts on, any Debt Security which remains unclaimed at the end of two years after that payment became due and payable will be repaid to the Company. After that time, the holder of the Debt Security will be able to look only to the Company for payment.

Any interest that the Company does not punctually pay on any interest payment date with respect to a Debt Security will cease to be payable to the holder on the applicable regular record date and may either:

- be paid to the holder at the close of business on a special record date for the payment of defaulted interest, to be determined by the U.S. Trustee; or
- be paid at any time in any other lawful manner, as more fully described in the Indenture.

[Table of Contents](#)

Subject to certain limitations imposed upon Debt Securities issued in book-entry form, Debt Securities of any series will be exchangeable for other Debt Securities of the same series and of the same total principal amount and authorized denomination or denominations upon the surrender of the Debt Securities at the corporate trust office of the U.S. Trustee. In addition, subject to certain limitations imposed upon Debt Securities issued in book-entry form, the Debt Securities of any series may be surrendered for conversion, transfer or exchange at the corporate trust office of the U.S. Trustee. Every Debt Security surrendered for conversion, transfer or exchange must be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Company, the U.S. Trustee and the registrar. There will be no service charge for any transfer or exchange of any Debt Securities, but the Company may require holders to pay any tax, assessment or other governmental charge payable in connection with the transfer or exchange.

Neither the Company nor either of the Trustees will be required to do any of the following:

- issue, register the transfer of or exchange Debt Securities of any series during a period beginning at the opening of business 15 calendar days before the day of the transmission of a notice of redemption of Debt Securities of such series selected for redemption and ending at the close of business on the day of such transmission; or
- register, transfer or exchange any Debt Security called for redemption in whole or in part, except the unredeemed portion of any Debt Security being only partially redeemed.

Global Securities

Unless otherwise indicated in the applicable Prospectus Supplement, the Debt Securities of a series may be issued in whole or in part in the form of one or more global securities (each, a “Global Security” and collectively, the “Global Securities”) that will be deposited with, or on behalf of, a depository (the “**Depository**”) identified in the applicable Prospectus Supplement. Global Securities will be issued in registered form and in either temporary or definitive form. Unless and until it is exchanged in whole or in part for the individual Debt Securities, a Global Security may not be transferred except as a whole by the Depository for such Global Security to a nominee of such Depository or by a nominee of such Depository to such Depository or another nominee of such Depository or by such Depository or any such nominee to a successor of such Depository or a nominee of such successor. The specific terms of the depository arrangement with respect to any Debt Securities of a series and the rights of and limitations upon owners of beneficial interests in a Global Security will be described in the applicable Prospectus Supplement.

Events of Default

Unless otherwise indicated in the applicable Prospectus Supplement, the term “Event of Default” with respect to Debt Securities of any series means any of the following:

- (a) default in the payment of any interest on any Debt Security of that series when it becomes due and payable, and continuance of such default for a period of 30 days;
- (b) default in the payment of the principal of (or any premium on) any Debt Security of that series at its maturity, upon redemption or otherwise;
- (c) default in the payment of any sinking fund installment, if any, when the same becomes due by the terms of the Debt Securities of that series, and continuance of such default for a period of 30 days;
- (d) default in the performance, or breach, of any other covenant or agreement of the Company in the Indenture in respect of the Debt Securities of that series (other than a covenant or agreement for which default or breach is specifically dealt with elsewhere in the Indenture), where such default or breach continues for a period of 90 days after written notice thereof to the Company;
- (e) certain events of bankruptcy, insolvency or reorganization; or
- (f) any other event of default provided with respect to the Debt Securities of that series.

Table of Contents

If an Event of Default (other than an Event of Default in the case of certain events of bankruptcy) occurs and is continuing with respect to Debt Securities of any series, then the Trustees or the holders of not less than 25% in principal amount of the outstanding Debt Securities of that series may require the principal amount (or, if the Debt Securities of that series are original issue discount securities or indexed securities, such portion of the principal amount as may be specified in the terms of that series) of all the outstanding Debt Securities of that series and any accrued but unpaid interest on such Debt Securities be paid immediately. However, at any time after a declaration of acceleration with respect to Debt Securities of any series or all series affected (or of all series, as the case may be) has been made and before a judgment or decree for payment of the money due has been obtained, the holders of a majority in principal amount of the outstanding Debt Securities of such series, or of all series affected (or of all series, as the case may be), by written notice to the Company and the Trustees, may, under certain circumstances, rescind and annul such acceleration. If an Event of Default in the case of certain events of bankruptcy, insolvency or reorganization exists, the principal amount of all Debt Securities outstanding under the Indenture shall automatically, and without any declaration or other action on the part of the Trustees or any holder of such outstanding debt, become immediately due and payable. The applicable Prospectus Supplement will contain provisions relating to acceleration of the maturity of a portion of the principal amount of original issue discount securities or indexed securities upon the occurrence of any Event of Default and the continuation thereof.

Subject to the provisions of the Indenture relating to the duties of the Trustees, if an Event of Default then exists, the Trustees will be under no obligation to exercise any of its rights or powers under the Indenture (other than the payment of any amounts on the Debt Securities furnished to it pursuant to the Indenture) at the request or direction of any of the holders, unless the holders have offered to the Trustees security and/or indemnity satisfactory to the Trustees. Subject to the provisions for the security and/or indemnification of the Trustees, the holders of a majority in aggregate principal amount of a series of outstanding Debt Securities have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustees, or exercising any trust or power conferred on the Trustees in connection with the Debt Securities of that series.

No holder of a Debt Security of any series will have any right to institute any proceedings, judicial or otherwise, unless:

- such holder has previously given to the Trustees written notice of a continuing Event of Default with respect to the Debt Securities of that series;
- the holders of at least 25% in principal amount of the outstanding Debt Securities of all series affected by such Event of Default have made written request and have offered security or indemnity satisfactory to the Trustees to institute such proceedings as trustee; and
- the Trustees have failed to institute such proceeding, and have not received from the holders of a majority in the aggregate principal amount of outstanding Debt Securities of all series affected by such Event of Default a direction inconsistent with such request, within 60 days after such request.

However, these limitations do not apply to a suit instituted by the holder of a Debt Security for the enforcement of payment of principal of, premium, if any, and interest on such Debt Security on or after the applicable due date of such payment.

The Company will be required to furnish to the U.S. Trustee annually an officers' certificate as to the performance of certain of its obligations under the Indenture and as to any default in such performance.

Merger, Consolidation and Sale of Assets

For so long as any Debt Securities remain outstanding, and unless otherwise set forth in the Indenture, the Company will not consolidate with or merge into any other entity, or sell or lease, all or substantially all of its assets to another entity, and no entity may consolidate with or merge into the Company, unless:

- the Company will be the continuing entity in any merger or consolidation or the successor, transferee or lessee entity (if other than the Company) is a corporation organized and validly existing under the laws of any U.S. or Canadian jurisdiction and expressly assumes the Company's obligations relating to the Debt Securities;

[Table of Contents](#)

- immediately after such consolidation, merger, sale or lease, there exists no Event of Default, and no event which, after notice or lapse of time or both, would become an Event of Default; and
- other conditions described in the Indenture are met.

Defeasance and Covenant Defeasance

The Indenture provides that the Company may discharge all its obligations with respect to any series of the Debt Securities at any time, and that it may also be released from its obligations under certain covenants and from certain other obligations, including obligations imposed by a company order or supplemental indenture with respect to that series, if any, and elect not to comply with those sections and obligations without creating an Event of Default. Discharge under the first procedure is called “defeasance” and under the second procedure is called “covenant defeasance.”

Defeasance or covenant defeasance may be effected only if:

- the Company irrevocably deposits with the U.S. Trustee money or government obligations or a combination thereof, as trust funds in an amount sufficient to pay and discharge each installment of principal of, premium, if any, and interest on, all outstanding Debt Securities of that series;
- no Event of Default under the Indenture has occurred and is continuing on the date of such deposit, other than an Event of Default resulting from the borrowing of funds and the grant of any related liens to be applied to such deposit;
- the Company delivers to the U.S. Trustee an opinion of counsel to the effect that (i) the holders of the Debt Securities of that series will not recognize income, gain or loss for U.S. federal income tax purposes as a result of the deposit, defeasance and discharge or as a result of the deposit and covenant defeasance and (ii) the deposit, defeasance and discharge or the deposit and covenant defeasance will not otherwise alter those holders’ U.S. federal income tax treatment of principal and interest payments on the Debt Securities of that series and, in the case of a defeasance, this opinion is accompanied by a ruling to that effect received from or published by the Internal Revenue Service; and
- the Company delivers to the Trustees a certificate of an officer of the Company and an opinion of counsel to the effect that all conditions precedent in the Indenture relating to the discharge of the Company’s obligations with respect to all outstanding Debt Securities of that series have been complied with.

Modifications and Waivers

The Company and the Trustees may modify or amend the Indenture with the consent of the holders of a majority in aggregate principal amount of the outstanding Debt Securities of all series affected by such modification or amendment; provided, however, that unless otherwise stated in the applicable Prospectus Supplement, the Company will be required to receive consent from the holder of each outstanding Debt Security of such affected series to:

- extend the stated maturity of the principal of, or any installment of interest on, any such outstanding Debt Security;
- reduce the principal amount of, the interest on or any premium payable upon the redemption of any such outstanding Debt Security;
- change the currency in which the principal amount of and premium, if any, or interest on any such outstanding Debt Security is denominated or payable;
- reduce the principal amount of an original issue discount security that would be due and payable upon a declaration of acceleration of the maturity thereof;

Table of Contents

- impair the right of a holder to institute suit for the enforcement of any payment on any outstanding Debt Security after the stated maturity or redemption date;
- materially adversely affect the economic terms of any right to convert or exchange any such outstanding Debt Security;
- reduce the percentage of the holders of outstanding Debt Securities necessary to modify or amend the Indenture or to waive compliance with certain provisions of the Indenture or certain defaults and consequences of such defaults; or
- modify any of these provisions or any of the provisions relating to the waiver of certain past defaults or certain covenants, except to increase the required percentage to effect such action or to provide that certain other provisions may not be modified or waived without the consent of all the holders of the Debt Securities affected.

The holders of a majority in principal amount of Debt Securities of any series or of the affected series may, on behalf of all holders of such series, generally waive the Company's compliance with certain restrictive provisions of the Indenture with respect to such series. The holders of a majority in principal amount of outstanding Debt Securities of all series with respect to which an Event of Default has occurred may, on behalf of all holders, generally waive any past default under the Indenture, except with respect to a default in the payment of the principal of or premium or interest on any Debt Security of that series or in respect of any covenant or provision that cannot be modified, amended or waived without the consent of each holder, including those set forth in the list above.

The Indenture or the Debt Securities may be amended or supplemented, without the consent of any holder of such Debt Securities, to, among other things, cure any ambiguity or inconsistency, or to make any change, in any case, that does not adversely affect the interests of any holder of such Debt Securities.

Consent to Jurisdiction and Service

Under the Indenture, the Company will irrevocably appoint CT Corporation upon which process may be served in any suit, action or proceeding arising out of or relating to the Offered Debt Securities or the Indenture that may be instituted in any U.S. federal or New York state court located in the City of New York, and will submit to such nonexclusive jurisdiction.

Governing Law

The Indenture and the Debt Securities will be governed by and construed in accordance with the laws of the State of New York.

Enforceability of Judgments

Because many of the assets of the Company, as well as many of the assets of some of the Company's officers and directors, are outside the United States, any judgment obtained in the United States against the Company or certain of its officers or directors, including judgments with respect to the payment of principal on any Debt Securities, may not be collectible within the United States.

The Trustees

The U.S. Trustee and Canadian Trustee under the Indenture or each of their affiliates may provide banking and other services to the Company in the ordinary course of their business. The Trustees and each of their affiliates will be permitted to engage in other transactions with the Company. If the Trustees or any affiliates acquire any conflicting interest and a default occurs with respect to the Debt Securities, the Trustees, as applicable, must eliminate the conflict or resign. The Trustees will have all the duties and responsibilities of an indenture trustee specified in the Indenture Act. The Trustees are not required to expend or risk their own funds or incur any financial liability in the performance of any of their duties under the Indenture, and will be under no obligation to exercise any of their rights and powers under the Indenture at the request of any holder, unless such holder has offered to the Trustees security and/or indemnity satisfactory to the Trustees against any loss, liability or expense.

DESCRIPTION OF SUBSCRIPTION RECEIPTS

Subscription Receipts may be offered separately or together with Common Shares and/or other Securities. The Subscription Receipts will be issued under one or more subscription receipt agreements that will be entered into by The Stars Group and an escrow agent at the time of issuance of the subscription receipts.

Subscription Receipts will entitle the holder thereof to receive Common Shares and/or other Securities, for no additional consideration, upon the completion of a particular transaction or event, typically an acquisition of the assets or securities of another entity by The Stars Group or one or more of its subsidiaries. The subscription proceeds from an offering of Subscription Receipts will be held in escrow by an escrow agent pending the completion of the transaction or the termination time (the time at which the escrow terminates regardless of whether the transaction or event has occurred). Holders of Subscription Receipts will receive Common Shares and/or other Securities upon the completion of the particular transaction or event or, if the transaction or event does not occur by the termination time, a return of the subscription funds for their Subscription Receipts together with any interest or other income earned thereon.

Holders of Subscription Receipts are not shareholders of The Stars Group. The particular terms and provisions of Subscription Receipts offered by this Prospectus and any applicable Prospectus Supplement will be described in the Prospectus Supplement filed in respect of such Subscription Receipts. This description may include, without limitation and as applicable: (i) the number of Subscription Receipts offered; (ii) the price at which the Subscription Receipts will be offered; (iii) the terms, conditions and procedures pursuant to which the holders of Subscription Receipts will become entitled to receive Common Shares and/or other Securities; (iv) the number of Common Shares and/or other Securities that may be obtained upon exercise of each Subscription Receipt; (v) the designation and terms of any other Securities with which the Subscription Receipts will be offered, if any, and the number of Subscription Receipts that will be offered with each such security; (vi) the terms relating to the holding and release of the gross proceeds from the sale of the Subscription Receipts plus any interest and income earned thereon; (vii) the material income tax consequences of owning, holding and disposing of the Subscription Receipts; and (viii) any other material terms and conditions of the Subscription Receipts including, without limitation, transferability and adjustment terms and whether the Subscription Receipts will be listed on a securities exchange.

DESCRIPTION OF WARRANTS

Warrants will typically be offered with Common Shares, with such securities often referred to collectively as a “Unit”, but may be offered with Subscription Receipts, other Securities or separately. The Warrants either will be issued under a warrant indenture or agreement that will be entered into by The Stars Group and a trustee at the time of issuance of the Warrants or will be represented by warrant certificates issued by The Stars Group.

Warrants will entitle the holder thereof to receive Common Shares and/or other Securities upon the exercise thereof and payment of the applicable exercise price. A Warrant will be exercisable for a specific period of time at the end of which time it will expire and cease to be exercisable.

Holders of Warrants are not shareholders of The Stars Group. The particular terms and provisions of Warrants offered by this Prospectus and any applicable Prospectus Supplement will be described in the Prospectus Supplement filed in respect of such Warrants. This description may include, without limitation and as applicable: (i) the title or designation of the Warrants; (ii) the number of Warrants offered; (iii) the number of Common Shares and/or other Securities purchasable upon exercise of the Warrants and the procedures for exercise; (iv) the exercise price of the Warrants; (v) the dates or periods during which the Warrants are exercisable and when they expire; (vi) the designation and terms of any other Securities with which the Warrants will be offered, if any, and the number of Warrants that will be offered with each such Security; (vii) the material income tax consequences of owning, holding and disposing of the Warrants; and (viii) any other material terms and conditions of the Warrants including, without limitation, transferability and adjustment terms and whether the Warrants will be listed on a securities exchange.

DESCRIPTION OF UNITS

Units are securities consisting of one or more of the other Securities described in this Prospectus offered together as a “Unit”. A Unit is typically issued such that the holder thereof is also the holder of each Security

[Table of Contents](#)

included in the Unit. Thus, the holder of a Unit will have the rights and obligations of a holder of each Security comprising the Unit. The unit agreement under which a Unit is issued may provide that the Securities comprising the Unit may not be held or transferred separately at any time or before a specified date.

The particular terms and provisions of Units offered by this Prospectus and any applicable Prospectus Supplement will be described in the Prospectus Supplement filed in respect of such Units. This description may include, without limitation and as applicable: (i) the designation and terms of the Units and of the Securities comprising the Units, including whether and under what circumstances those Securities may be held or transferred separately; (ii) any provisions for the issuance, payment, settlement, transfer or exchange of the Units or of the Securities comprising the Units; (iii) whether the Units will be issued in fully registered or global form; and (iv) any other material terms and conditions of the Units.

REGISTRATION AND TRANSFER

General

Other than in the case of “book-entry only” Securities, Securities may be presented for registration of transfer (with the form of transfer endorsed thereon duly executed) in the city specified for such purpose at the office of the registrar or transfer agent designated by the Company for such purpose with respect to any issue of Securities referred to in the Prospectus Supplement. No service charge will be made for any transfer, conversion or exchange of the Securities but the Company may require payment of a sum to cover any transfer tax or other governmental charge payable in connection therewith. Such transfer, conversion or exchange will be effected upon such registrar or transfer agent being satisfied with the documents of title and the identity of the person making the request. If a Prospectus Supplement refers to any registrar or transfer agent designated by the Company with respect to any issue of Securities, the Company may at any time rescind the designation of any such registrar or transfer agent and appoint another in its place or approve any change in the location through which such registrar or transfer agent acts.

In the case of book-entry only Securities, the Securities may be represented by one or more global certificates or be represented by uncertificated securities and may be held by a designated depository or its nominee for its participants. The Securities must be purchased or transferred through such participants in a depository service of a depository identified in the Prospectus Supplement for the particular offering of Securities. The ability of a holder to pledge a Security or otherwise take action with respect to such holder’s interest in a Security (other than through a participant) may be limited due to the lack of a physical certificate. The depository will establish and maintain book-entry accounts for its participants acting on behalf of holders of the Securities. The interests of such holders of Securities will be represented by entries in the records maintained by the participants. Except in limited circumstances, holders of book-entry only Securities will not be entitled to receive a certificate or other instrument evidencing their ownership thereof, and no holder will be shown on the records maintained by the depository except through a book-entry account of a participant acting on behalf of such holder. Each holder will receive a customer confirmation of purchase from the participants from which the Securities are purchased in accordance with the practices and procedures of that participant. The practices of registered dealers may vary, but generally customer confirmations are issued promptly after execution of a customer order. Reference in this Prospectus to a holder of Securities means, unless the context otherwise requires, the owner of the beneficial interest in the Securities.

If the Company determines, or the depository notifies the Company in writing, that the depository is no longer willing or able to discharge properly its responsibilities as depository with respect to the Securities and the Company is unable to locate a qualified successor, or if the Company at its option elects, or is required by law, to terminate the book-entry system, then the Securities may be issued in fully registered form to holders or their nominees.

Payments and Notices

As applicable, any payment of principal, redemption, dividend and interest on a Security will be made by the Company to the depository or its nominee, as the case may be, as the registered holder of the Security and the Company understands that such payments will be credited by the depository or its nominee in the appropriate amounts to the relevant participants. Payments to holders of Securities of amounts so credited will be the responsibility of the participants.

Table of Contents

As long as the depository or its nominee is the registered holder of the Securities, the depository or its nominee, as the case may be, will be considered the sole owner of the Securities for the purposes of receiving notices or payments on the Securities. In such circumstances, the responsibility and liability of the Company in respect of notices or payments on the Securities is limited to giving or making payment of any principal, redemption, dividend and interest due on the Securities to the depository or its nominee.

Each holder must rely on the procedures of the depository and, if such holder is not a participant, on the procedures of the participant through which such holder owns its interest, to exercise any rights with respect to the Securities. The Company understands that under existing industry practices, if the Company requests any action of holders or if a holder desires to give any notice or take any action which a registered holder is entitled to give or take with respect to any Securities issued in book-entry only form, the depository would authorize the participant acting on behalf of the holder to give such notice or to take such action, in accordance with the procedures established by the depository or agreed to from time to time by the Company and the depository. Any holder that is not a participant must rely on the contractual arrangement it has directly, or indirectly through its financial intermediary, with its participant to give such notice or take such action.

The Company, the underwriters, dealers or agents identified in a Prospectus Supplement relating to an offering of Securities in book-entry only form, as applicable, will not have any liability or responsibility for: (i) records maintained by the depository relating to beneficial ownership interests in the Securities held by the depository or the book-entry accounts maintained by the depository; (ii) maintaining, supervising or reviewing any records relating to any such beneficial ownership interests; or (iii) any advice or representation made by or with respect to the depository and contained in the Prospectus Supplement relating to the rules and regulations of the depository or any action to be taken by the depository or at the directions of the participants.

ENFORCEABILITY OF CIVIL LIABILITIES

The Stars Group is a company incorporated under and governed by the OBCA. A majority of the directors and officers of The Stars Group, and some of the experts named in this Prospectus, are either residents of Canada or otherwise reside outside the United States, and all or a substantial portion of their assets, and substantially all of The Stars Group's assets, are located outside the United States. As a result, although The Stars Group has appointed an agent for service of process in the United States, it may be difficult for holders of Securities who reside in the United States to effect service within the United States upon those directors, officers and experts who are not residents of the United States, or to realize in the United States upon judgments of courts of the United States predicated upon civil liability of such directors, officers or experts under U.S. federal securities laws.

The Stars Group has been advised by its Canadian counsel, Osler, Hoskin & Harcourt LLP, that a judgment of a U.S. court predicated solely upon civil liability under U.S. federal securities laws would probably be enforceable in Canada if the U.S. court in which the judgment was obtained has a basis for jurisdiction in the matter that would be recognized by a Canadian court for the same purposes. The Stars Group has also been advised by Osler, Hoskin & Harcourt LLP, however, that there is substantial doubt whether an action could be brought in Canada in the first instance on the basis of liability predicated solely upon U.S. federal securities laws.

The Stars Group filed a registration statement on Form F-10 with the SEC to register the Securities in the United States. Concurrently with the filing of its registration statement on Form F-10, The Stars Group filed with the SEC a Form F-X appointing an agent for service of process in the United States. Under the Form F-X, The Stars Group appointed Stars Group Services USA Corporation as its agent for service of process in the United States in connection with any investigation or administrative proceeding conducted by the SEC, and any civil suit or action brought against or involving The Stars Group in a U.S. court arising out of or related to or concerning the offering of the Securities under this Prospectus or any Prospectus Supplement.

MATERIAL INCOME TAX CONSIDERATIONS

The applicable Prospectus Supplement may describe material Canadian federal income tax considerations generally applicable to investors described therein of purchasing, holding and disposing of the Securities offered thereunder. The applicable Prospectus Supplement may also describe material U.S. federal income tax considerations generally applicable to the purchase, holding and disposition of those Securities by an investor who is a U.S. person (within the meaning of the United States Internal Revenue Code of 1986, as amended).

STATUTORY RIGHTS OF WITHDRAWAL AND RESCISSION

Securities legislation in certain of the provinces and territories of Canada provides purchasers with the right to withdraw from an agreement to purchase Securities. This right may be exercised within two business days after receipt or deemed receipt of a prospectus and any amendment, irrespective of the determination at a later date of the purchase price of the Securities distributed if offered on a non-fixed price basis. In several of the provinces, securities legislation further provides a purchaser with remedies for rescission or, in some jurisdictions, revisions of the price or damages if the Prospectus, the accompanying Prospectus Supplement relating to Securities purchased by a purchaser and any amendment contains a misrepresentation or is not delivered to the purchaser, provided that such remedies for rescission, revisions of the price or damages are exercised by the purchaser within the time limit prescribed by the securities legislation of the purchaser's province or territory. The purchaser should refer to any applicable provisions of the securities legislation of the purchaser's province or territory for the particulars of these rights or consult with a legal advisor.

Original purchasers of convertible, exchangeable or exercisable Securities will have a contractual right of rescission against The Stars Group in respect of the conversion, exchange or exercise of such Securities, as the case may be. This contractual right of rescission will entitle such original purchasers to receive the amount paid upon conversion, exchange or exercise, upon surrender of the underlying Securities gained thereby, in the event that this Prospectus (as supplemented or amended) or any Prospectus Supplement contains a misrepresentation, provided that: (i) the conversion, exchange or exercise occurs within 180 days of the date of the purchase of the convertible, exchangeable or exercisable Security under this Prospectus and any Prospectus Supplement; and (ii) the right of rescission is exercised within 180 days of the date of the purchase of the convertible, exchangeable or exercisable Security under this Prospectus. This contractual right of rescission will be consistent with the statutory right of rescission described under section 130 of the Securities Act (Ontario), and is in addition to any other right or remedy available to original purchasers under section 130 of the Securities Act (Ontario) or otherwise at law.

In an offering of convertible, exchangeable or exercisable Securities, purchasers are cautioned that the statutory right of action for damages for a misrepresentation contained in the Prospectus or any Prospectus Supplement is limited in the securities legislation of certain provinces and territories of Canada to the price at which the convertible, exchangeable or exercisable securities are offered to the public under this Prospectus and any Prospectus Supplement. This means that, under the securities legislation of certain provinces and territories of Canada, if the purchaser pays additional amounts upon the conversion, exchange or exercise of the Security, those amounts may not be recoverable under the statutory right of action for damages that applies in those provinces or territories. The purchaser should refer to any applicable provisions of the securities legislation of the purchaser's province or territory for the particulars of these rights or consult with a legal advisor.

Rights and remedies may also be available to purchasers under U.S. laws. Purchasers may wish to consult with their own advisors and lawyers for particulars of these foregoing rights.

AGENT FOR SERVICE OF PROCESS IN CANADA

The Board currently includes, and in the future is expected to include, persons who are not resident in Canada. As of the date of this Prospectus, the directors of the Company who are not resident in Canada are Harlan Goodson, Alfred F. Hurley, Jr. and Peter E. Murphy. In addition, Rafael Ashkenazi, the Company's Chief Executive Officer, resides outside of Canada. Each of these persons has appointed the Company as agent for service of process at 200 Bay Street, South Tower, Suite 3205, Toronto, Ontario M5J 2J3. Purchasers are advised that it may not be possible for investors to enforce judgments obtained in Canada against any person who resides outside of Canada, even if the party has appointed an agent for service of process in Canada.

LEGAL MATTERS

Unless otherwise indicated in the Prospectus Supplement relating to an offering of Securities, the particular offering of Securities will be subject to approval of certain legal matters on behalf of the Company by Osler, Hoskin & Harcourt LLP, with respect to Canadian legal matters and certain U.S. legal matters, and Greenberg Traurig P.A., with respect to certain U.S. legal matters. As of the date of this Prospectus, the partners and associates of Osler, Hoskin & Harcourt LLP, as a group, beneficially owned, directly or indirectly, less than 1% of outstanding securities of any class issued by the Company, and the shareholders and associates of Greenberg Traurig P.A., as a group, beneficially owned, directly or indirectly, less than 1% of outstanding securities of any class issued by the Company. In addition, certain legal matters in connection with any offering of Securities will be passed upon for any underwriters, dealers or agents by counsel to be designated at the time of the offering by such underwriters, dealers or agents with respect to matters of Canadian and U.S. law.

INTERESTS OF EXPERTS

Deloitte was the independent external auditor of the Company for the years ended December 31, 2016 and 2015. INFORMATION NOT REQUIRED TO BE DELIVERED TO OFFEREES OR PURCHASERS

Indemnification of Directors and Officers

As a corporation incorporated under the laws of Ontario, Canada, the Registrant is subject to the Business Corporations Act (Ontario) ("BCA"). Section 136 of the BCA and Section 6 of the Registrant's general by-laws provide for the indemnification of its directors and officers.

Section 136 provides as follows:

136 (1) A corporation may indemnify a director or officer of the corporation, a former director or officer of the corporation or another individual who acts or acted at the corporation's request as a director or officer, or an individual acting in a similar capacity, of another entity, against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by the individual in respect of any civil, criminal, administrative, investigative or other proceeding in which the individual is involved because of that association with the corporation or other entity.

(2) A corporation may advance money to a director, officer or other individual for the costs, charges and expenses of a proceeding referred to in subsection (1), but the individual shall repay the money if the individual does not fulfil the conditions set out in subsection (3).

(3) A corporation shall not indemnify an individual under subsection (1) unless the individual acted honestly and in good faith with a view to the best interests of the corporation or, as the case may be, to the best interests of the other entity for which the individual acted as a director or officer or in a similar capacity at the corporation's request.

(4) In addition to the conditions set out in subsection (3), if the matter is a criminal or administrative action or proceeding that is enforced by a monetary penalty, the corporation shall not indemnify an individual under subsection (1) unless the individual had reasonable grounds for believing that the individual's conduct was lawful.

(4.1) A corporation may, with the approval of a court, indemnify an individual referred to in subsection (1), or advance moneys under subsection (2), in respect of an action by or on behalf of the corporation or other entity to obtain a judgment in its favour, to which the individual is made a party because of the individual's association with the corporation or other entity as described in subsection (1), against all costs, charges and expenses reasonably incurred by the individual in connection with such action, if the individual fulfils the conditions set out in subsection (3).

(4.2) Despite subsection (1), an individual referred to in that subsection is entitled to indemnity from the corporation in respect of all costs, charges and expenses reasonably incurred by the individual in connection with the defence of any civil, criminal, administrative, investigative or other proceeding to which the individual is subject because of the individual's association with the corporation or other entity as described in subsection (1), if the individual seeking an indemnity,

(a) was not judged by a court or other competent authority to have committed any fault or omitted to do anything that the individual ought to have done; and

(b) fulfils the conditions set out in subsections (3) and (4).

(4.3) A corporation may purchase and maintain insurance for the benefit of an individual referred to in subsection (1) against any liability incurred by the individual,

(a) in the individual's capacity as a director or officer of the corporation; or

Table of Contents

(b) in the individual's capacity as a director or officer, or a similar capacity, of another entity, if the individual acts or acted in that capacity at the corporation's request.

(5) A corporation or a person referred to in subsection (1) may apply to the court for an order approving an indemnity under this section and the court may so order and make any further order it thinks fit.

(6) Upon an application under subsection (5), the court may order notice to be given to any interested person and such person is entitled to appear and be heard in person or by counsel.

The Registrant's general by-laws provide that it shall indemnify a current or former director or officer of the Registrant, or another individual who acts or acted at its request as a director or officer of another entity to the fullest extent permitted by the BCA. The rights of any person to indemnification granted by the BCA or the Registrant's general by-laws are not exclusive of any other rights to which any person seeking indemnification may be entitled under any agreement, vote of shareholders or directors, at law or otherwise, and shall continue as to a person who has ceased to be a director, officer, employee or agent and will inure to the benefit of the heirs and legal representatives of that person. The Registrant's by-laws provide further that it may purchase and maintain insurance for the benefit of its directors, officers and other indemnified persons against any liability they may incur as a director or officer of the Registrant or in their capacity as a director or officer of another entity, if they act or acted in such capacity at the Registrant's request.

The Registrant maintains liability insurance for its and its subsidiaries' directors and officers in order to cover certain liabilities to which they may be exposed to in the course of their duties. The maximum liability insurance coverage for the Registrant's and its subsidiaries' directors and officers as a group is \$150,000,000, subject to a deductible from \$0 to \$2,500,000 per claim, depending of the type of claim, as well as an additional \$75,000,000 in coverage under a separate civil liability insurance policy. The separate policy is not subject to any deductible and covers directors and officers when the general directors and officers liability insurance policy has been depleted and in certain other pre-determined circumstances. Subject to certain terms and conditions, the general directors and officers liability insurance policy provides directors and officers with compensation in circumstances where they have not been compensated by the Registrant or where the Registrant is not authorized by law to do so. No portion of the premium has or will be paid by directors or officers. Moreover, the Registrant has entered into indemnification agreements with its directors and officers for liabilities and costs in respect of any action or suit against them in connection with the execution of their duties, subject to customary limitations prescribed by applicable law.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling the Registrant pursuant to the foregoing provisions, the Registrant has been informed that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.
